THIS HOUSE PERMANENT JOURNAL OF 1994

Dedicated to

JAMES A. CHANDLER

BORN: July 27, 1931 — DIED: March 28, 1994

Served As House Clerk 1976 to 1982 and 1988 to 1994

All who knew him called him Jim and all knew him to be an uncommon man. He was a warm friend to all who passed his door; he was a man blessed with compassion, great sensitivity, a wonderful wit and an uncanny knack for using soft words in hard situations. He was a people person with an innate ability to always see the best in everything and in everyone. He was a man of conviction and scruples. He enjoyed life to its fullest and its friendliest.

As the Clerk, he was highly regarded, noted for being fair, thorough, methodical and knowledgeable. He never hesitated to serve the membership, always with elan, always with commitment. He was the able custodian of this historic written record and his attention to its detail always ensured that each printed page was a true accounting of the body's business.

He loved his job and the legislative process; he loved the House of Representatives and all of its members, past and present; he loved the hallowed meeting hall where the membership convened to do the work of the people.

He is greatly missed by all who worked with him and called him friend.

REGULAR SESSION OF 1994

HOUSE JOURNAL No. 1

Wednesday, January 5, 1994

This day, January 5, 1994, the first Wednesday following the first Tuesday in January being the day designated by the Constitution (Art. 3rd, Part 2nd) for assembling of the second-year session of the 153rd General Court of the State of New Hampshire, at the Capitol in the city of Concord, the Speaker convened the 1994 House of Representatives and called the session to order at 10:00 a.m.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of new beginnings gather us now to be with You as You are with us. Deepen our passions, O God, into wisdom. Shape our knowledge into creative action. Make us vulnerable accomplices of Your hopes for the land and people of New Hampshire. And wherever we are, but especially in this place, help us to be with others as You are with us. Amen.

Rep. Leonard Smith led the Pledge of Allegiance.

COMMUNICATIONS

September 29, 1993

James A. Chandler, House Clerk

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Thomas R. Stewart, d, Manchester (592 Cedar St.) 03103, Hills 42.

William Gardner, Secretary of State

October 4, 1993

Hon. Harold W. Burns, Speaker

On September 15th, following the vote on the capital budget veto override, I had delivered a letter to the Secretary of State, William Gardner, stating my intention to resign from the House effective September 17th. Your office has been provided with a copy of that letter.

I am writing now to clarify that letter to the Secretary. As the letter was written and delivered in advance of my resignation, ie, it was not effective immediately, I felt it necessary to indicate my intention to resign two days later. As far as I am concerned, I am no longer a member of the House, having resigned on September 17th.

Thank you for your attention to this matter.

Jennifer G. Soldati

November 3, 1993

Hon. Harold W. Burns, Speaker

I regret that I must submit my resignation from the New Hampshire House as representative from Hillsborough County District 26. My family and I are relocating to another home within Nashua in a different district on November 10, 1993.

I feel privileged to have served in the New Hampshire House for the past three years, and have enjoyed, in particular, my work on and association with the Science, Technology and Energy Committee.

Philip M. Ackerman

November 9, 1993

James A. Chandler, House Clerk

Please be advised that the following representatives-elect were sworn into office by the Governor and Executive Council on this day:

Joan Sullens, r, Nashua (5 Kyle Dr.) 03062, Hills 33.

Margaret A. Case, r, Nottingham (PO Box 344, Raymond) 03077, Rock 2.

William Gardner, Secretary of State

December 15, 1993

Harold W. Burns, Speaker

It is with great regret that I submit to you my resignation from District Merrimack 16 of the New Hampshire House of Representatives, effective today.

I am resigning at this time so that the City of Concord will hold the special election as soon as possible and so that the citizens may be properly represented in the coming session. Thank you for your consideration.

Michael Hill, Deputy Speaker

December 22, 1993

James A. Chandler, House Clerk

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

CALL OF THE ROLL

With 323 members having answered the call of the roll, a quorum was declared present.

REMARKS

Rep. Ann Torr moved that the remarks of the Speaker, Harold W. Burns, and the Democratic Leader, Rick A. Trombly, be printed in the Journal.

Adopted.

The Speaker addressed the House:

I would like to welcome you all back to the House for the 1994 session. I hope you all had a great holiday season and we are looking forward to a great new year.

Nineteen-ninety-three did not end on a happy note. We lost our exceptionally capable Majority Leader, Caroline Gross, and four other House colleagues: Dan McNerney, Lowell Apple, Maggie Terninko and Roger Laroche. They certainly will be missed.

I would like to welcome the new members of my leadership team. My new Deputy Speaker, Stacey Cole; my new Majority Leader, Ann Torr; Majority Whip, Shawn Jasper; Assistant Majority Leader, Dave Scanlan and Assistant Majority Whips Alice Record and Pam Bean.

I would now like to recognize the Democratic Leader who would like to welcome his new leadership team.

Rep. Rick A. Trombly addressed the House:

Thank you Mr. Speaker. Before I begin notifying the House of the changes on the Democratic side, I would like to congratulate you on the fine appointments that you made and wish your leadership a modicum of success only when they agree with the Democratic position. In keeping with that Mr. Speaker, at 3 o'clock today the Democratic leadership is holding a seminar for the Republican leadership on how to lose and we would like all of you to attend.

But seriously, I look forward to working with Ann and Shawn and the new members of the Republican leadership. They are fine people who have always treated us well and with respect. We will disagree on some issues but, by golly, if we can agree I think that is best for the people of the state.

To those new members, I would like to welcome you to the House on behalf of the Democrats. There are very few issues decided in this legislature that are done so on a partisan basis. Many times while we disagree in the heat of an argument, we find that we make new friends with whom we are working on a bill the very next day.

The new Democratic Whip is Peter Burling. Bill McCann is the new Assistant Whip. Amanda Merrill is Senior Assistant Democratic Leader and the new Assistant Leader is Rick Newman.

RESOLUTION

Reps. Ann Torr and Trombly offered the following:

RESOLVED, that the House inform the Honorable Senate it has organized and is ready to meet in Joint Convention for the purpose of hearing an address by the Governor, the Honorable Stephen Merrill.

Adopted.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 40

memorializing State Representative Lowell D. Apple of Hooksett

WHEREAS, it is with great sorrow that we have learned of the death of our esteemed colleague, Lowell D. Apple, who was in the midst of his third term as an honorable member of the New Hampshire House of Representatives, and

WHEREAS, Lowell D. Apple did serve, faithfully and with integrity, his constituents of District 11 of Merrimack County, sitting with diligence on the standing committees for Corrections and Criminal Justice, State-Federal Relations, and State Institutions and Housing, and

WHEREAS, having been blessed with an abundance of community spirit, Lowell D. Apple easily found the time, energy and commitment to work on behalf of the residents of Hooksett, having served twelve years as a Selectman, including a distinguished tenure as Chairman, and

WHEREAS, Lowell D. Apple also did serve the townspeople of Hooksett as Chairman of the Sewer Commission, as President of the Parent-Teacher Organization and as a member of the Planning Board and the Zoning Board, and

WHEREAS, Lowell D. Apple was a native of Downs, Kansas and between 1946 and 1968 did serve in the United States Air Force, retiring as a Master Sergeant, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that Lowell D. Apple be granted highest praise and recognition for his outstanding and dedicated legislative, community and military service, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to his family, and that a suitable copy of this Resolution be prepared for presentation to his family.

Unanimously adopted by a rising vote of silent prayer.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 43

memorializing State Representative Daniel P. McNerney of Goffstown

WHEREAS, the New Hampshire House of Representatives, with great sadness, has learned of the death of Daniel P. McNerney, our esteemed colleague who was serving his third term representing District 7 of Hillsborough County, and

WHEREAS, throughout his five years as an honorable Representative, Daniel P. McNerney did sit, with devotion and with keen acumen, on the standing committee for Public Works, and

WHEREAS, Daniel P. McNerney did generously give of his time, knowledge and self to the townspeople of Goffstown and did serve energetically on the Budget Committee, as Chairman of the Town Historic District Commission, and as a Trustee of Trust Funds, and

WHEREAS, on November 5 of 1993, Daniel P. McNerney did receive from the New Hampshire Association of Historic District Commissions the first annual individual Preservation Award recognizing his efforts and achievement, and

WHEREAS, Daniel P. McNerney was a native of Buffalo, New York, and from 1942 to 1962 served with distinction with the U.S. Army Corps of Engineers and from 1962 to 1972 served honorably with the U.S. Foreign Service, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that Daniel P. McNerney be granted highest praise and recognition for his outstanding and dedicated legislative, community and military service, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to his family, and that a suitable copy of this Resolution be prepared for presentation to his family.

Unanimously adopted by a rising vote of silent prayer.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 44

memorializing State Representative Caroline L. Gross

WHEREAS, it is with grief and sadness that we have learned of the passing of Representative Caroline L. Gross, our respected Leader of the Majority Party, who was in the midst of her sixth term as an honorable member of the New Hampshire House, and

WHEREAS, throughout her outstanding civic tenure, Caroline L. Gross, at the municipal, state and national levels, easily did earn the esteem and affection of her colleagues for constantly exercising her talent for amicably bringing together opposing sides and achieving results, and

WHEREAS, Caroline L. Gross did proficiently practice the art of being able to disagree without being disagreeable, and

WHEREAS, Caroline L. Gross was an accumulator of admiration and accolades, having recently been named Legislator of the Year by the National Republican Legislators Association, recipient of the Women in Leadership Award from the New Hampshire Women's Lobby and the New Hampshire Bar Association's Award for Distinguished Service, and

WHEREAS, Caroline L. Gross, a native daughter of Laconia, never rationed her energy, her expertise, her concern when it came to her constituents and the affairs of the State, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that Caroline L. Gross be granted the highest of accolades for her contributions and dedicated civic service, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to her family, and that a suitable copy of this Resolution be prepared for presentation to her family.

RESOLUTION

Rep. Ann Torr offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bills numbered 1100 through 1121 and 1123 through 1576, Constitutional Amendment Concurrent Resolutions numbered 26 through 35, House Concurrent Resolutions numbered 20 through 31, House Resolutions numbered 41 and 41 and 45

SENATE MESSAGE

The Senate is ready to meet with the House of Representatives in Joint Convention for the purpose of hearing an address by His Excellency, Governor Stephen Merrill.

JOINT CONVENTION

(Speaker Presiding)

The Speaker introduced Governor Stephen Merrill who addressed the Joint Convention: Mr. Speaker, Mr. Senate President, members of the General Court, my colleagues on the Executive Council.

This is my first State of the State address. I am proud that Heather is here. This has been a significant year for us in more ways than one. Nothing has been more significant than the birth of our son in April. This address signifies the end of my first year as Governor and provides me with the opportunity to report to you on the state of our State of New Hampshire. In looking back, it also provides us with a unique opportunity to chart the course of our future as a State.

I stand before you today at one of the truly defining moments in our state's history. I shall report to you on the substantial distance that you and I have traveled over the last year, a distance that has produced real improvement in the lives of the people who choose to live in

our State. What has been accomplished in this State House in the past year has also built a foundation for future economic development and progress for the years ahead.

And yet my remarks today, and our optimism today, are tempered by a storm on the horizon brought about by the recent education lawsuit that threatens to shake the social and economic foundation of this State. A storm that can destroy much of what this State is really all about: A State run by its citizens for its citizens.

That is why you and I live, and serve our citizens, at such a significant time in New Hampshire's history.

The course that you and I take in the months ahead will in large part determine whether the uniqueness of New Hampshire shall remain or whether, as some wish, we will become merely a carbon copy of the states around us.

As your Governor I have come here today to tell you that I do not intend to let that happen without a fight.

Each one of the United States has its own traditions and beliefs which form the fabric of life in that state. And although our New England states have a common history and tradition, their philosophy of government has produced very different results in their political leadership, business activity, social mores, and tax policy.

Let's look at the results of the New Hampshire advantage. Over the past year we began to emerge from the most severe and the most prolonged recession since World War II. N.H. Business Review recently summarized our progress as follows: "New Hampshire, everybody agrees, fell the hardest, but is bouncing back faster than the rest of New England."

On the day I became Governor, our unemployment was 8.3 percent. It is now 5.3 percent. Since the day I was sworn in as Governor, 30,000 more people have jobs and are working here in New Hampshire.

Do I, as Governor, deserve the credit for that? No, but we had a significant part in doing things that will help create jobs and economic development in our State. We passed legislation which will truly make a difference in the workplace and help to create jobs. Just as importantly, we refused to pass legislation that would have done just the opposite, raise taxes, raise fees, have more regulations and red tape. No state has come farther down the road of economic recovery, based on where it started, than has the Granite State.

We have done so by turning the attention away from ourselves and onto the backbone of our State, the men and women and the businesses who pay the taxes that permit our State to operate.

That is why on behalf of the taxpayers of this state we should be proud of our budget. That budget represents the hallmark of this administration: performance-based politics that keeps our commitment to the voters. Make few promises but keep the ones you make. That is why our budget meets the needs of the State of New Hampshire and stays within existing revenues. Perhaps Foster's Daily Democrat put it best when it wrote, "A balanced budget means appropriations equal anticipated revenues. Let's hear no more talk of the taxpayers or the State. The taxpayers are the State." To help make New Hampshire grow we said that we would lower taxes and we did.

We can take pride that the state's largest tax, the business profits tax, was dropped to its lowest rate in 14 years. In addition, by closing loopholes with the passage of the business enterprise tax, New Hampshire has become a more equitable state for small business and we have eliminated the multi-million dollar lawsuits that threatened our tax system and took the focus of our debate away from other important issues.

We should feel proud that we also lowered the telecommunications tax, and lowered the real estate transfer tax. We completely eliminated the savings bank tax and the corporate franchise tax. Nevertheless, we were able to do some important things we pledged to our citizens that we could do, balance a budget without an income tax or a sales tax, generate a surplus, send more money back to cities and towns than ever before, and deposit \$21 million in the Rainy Day Fund.

And the next time someone tells you that tax policy and regulatory policy really do not matter, that our state is merely caught in national economic trends and rises or falls accordingly, please remind them that unlike some of our sister states, we are not millions of dollars in debt, but instead we have the healthiest surplus in all of New England by a considerable margin.

And whose population is the fastest growing in New England? New Hampshire. Because of our favorable business and tax climate, our emphasis on the environment, and our quality of life, men and women see New Hampshire as an island of sanity in a sea of rising costs, taxes and red tape. Business NH magazine recently stated, "New Hampshire has a better chance of stability and recovery than the rest of New England. That is because New Hampshire's economy is less defense-dependent than other New England States and its tax structure is more amenable to business."

No broad-based tax. That is the New Hampshire advantage. If we pass a broad-based tax, and experience the big government that has grown in every other state that has passed such a tax, we will lose the New Hampshire advantage. As long as you and I can control the growth of government and hold down spending, we will continue to lead this region out of this recession. Let's look for a moment at the northeast. The states of Connecticut and Vermont and New Jersey all have an income tax; all have a sales tax and all have property taxes. And yet, do you know what is, according to newspapers in those states, generating the focus of debate in Connecticut and Vermont and New Jersey, those states within the northeast compact with New Hampshire? A statewide property tax to be added to the other taxes in the state. Does it make a difference? Ask the men and women and the businesses in those states.

The most important priority for our citizens remains the stability of our tax policy and the restrained size of government it generates. With every additional tax we propose, whether it is for education or for some other worthy goal, we affect our state's industrial, commercial, financial and real estate base. We affect our state's future.

That is why I applaud the Speaker of the House, Harold Burns, and his comments that the priority for this legislative session is to "sit down to see how we are going to deal with our surplus so that it does not create programs that will come back to haunt us." And it is why I also agree with the remarks of Senate President Hough who said, "there is no reason for lawmakers to adopt a supplemental budget that could become a Christmas tree of spending." I will add my own quote as Governor: "To assure New Hampshire's economic growth, I will veto any income tax or sales tax that comes across my desk."

In the coming year we must begin to structure future budgets with an eye toward decreasing Medicaid dollars that may occur in the years ahead. I am amused that those who say we should not take Medicaid dollars from the Federal government are generally the same people who say that we should increase the amount that the Federal government gives back to New Hampshire. I am proud that the health care plan announced last week will provide flexibility to our State against the backdrop of Washington's health care plans and will permit more working poor to become employed without losing their Medicaid benefits.

As Commissioner of Health and Human Services Dr. Harry Bird noted last week, the New Hampshire Health Care Plan and the Health Care transition Fund it creates, make the New Hampshire Health Care Plan a comprehensive state plan and the only one in the nation that is prepaid and fully funded. Once again, we have kept our commitment to the citizens and developed a health care plan that will deal with community rating to lower costs, the elimination of pre-existing denials of coverage for a condition, and voluntary small business purchasing cooperatives.

You may be surprised to learn that even with the Medicaid dollars to New Hampshire, Massachusetts ranks seventh, Maine ninth and Rhode Island eleventh for federal expenditures in their state. New Hampshire ranks forty-fourth. And despite all the rhetoric, New Hampshire still spends more money on Medicaid than we get from the Federal government for Medicaid.

We have kept our commitment to the taxpayers in other areas as well. We have instituted total quality management in state government to be as efficient and effective as possible in delivering services to our people. We are in the process of merging Pease and the Port Authority, and the Pease Development Authority will work in conjunction with the new Manchester AirPark to provide the economic stimulus needed for trade, export and international development.

At the same time, our technical college system is preparing men and women for tomorrow's work force, using the latest technologies and developing New Hampshire's role in the high-tech and communications network that will soon crisscross our State. The creation of the

Governor's Technology Partnership has established a long-term plan for technology deployment, to increase the competitiveness of New Hampshire business and industry.

I am particularly pleased by the success of the Business Roundtables which I will continue to hold throughout 1994. In conjunction with the Department of Resources and Economic Development, these roundtables have taught us how to run New Hampshire's state government with an eye toward each state agency's consumers, the men and women in our state who deal with state government on a regular basis. We have listened to them and we have learned from them. There are a couple of people here that I think deserve our discussion for a moment. B.J. and Verna Perry are here. They run a business right on the outside of the Manchester Airport. They make electronic components and resistors. They sell them in Asia and Japan. Let me repeat that. They don't buy them from Asia and Japan; they sell them in Asia and Japan. They've worked with the Industrial Research Center in New Hampshire. It is an important company doing an exciting thing. But the New Hampshire advantage is that our businesses care about the people. Recently, one of their employees became troubled by emotional tragedy in his life following the death of his wife. He took a gun and he barricaded himself in his home. After he was arrested, no one would go his bail except B.J. Perry. B.J. Perry went to the jail and said if you don't get out of the jail you can't have a job. If you don't have a job you won't get the help that you need. I'm going to go your bail personally. That's the New Hampshire advantage. Thank you Mr. Perry.

Let's talk about creating jobs. During 1993, we received commitments from 39 new companies to move to New Hampshire and assisted with the expansions of many companies which are already here. That is why New Hampshire is creating technology manufacturing jobs at twice the rate of our nearest competitor in the New England states. One of the Wall Street ratings agencies that reviews and ranks New Hampshire has said: "Longer-term, NH's low-cost business climate, above-average population growth, and concentration of high-tech manufacturing will complete the state's recovery, making NH once again one of the fastest-growing states in the U.S."

I am pleased to announce that Dr. Dennis Logue, a Dartmouth economist, will be joining the Governor's office to spearhead economic development initiatives. Dr. Logue has agreed to serve the state during his sabbatical to help focus the priorities of New Hampshire state government on economic development. Dr. Logue will be working with me in implementing the New Hampshire Small Business Dedicated Loan Pool, to accelerate bank lending to small business for working capital and job creation. The pool will contain more than 50 million dollars.

Economic development also means workers' compensation reform, and since the end of the last legislative session we have worked diligently to go beyond the positive savings of managed care and to tackle the unfinished business of workers' compensation. We have done so on a bi-partisan basis. For that reason, the 1993 requested increase in workers' compensation premiums was cut by more than two-thirds and I commend John Crosier and those who have worked on the workers' compensation committee. Your work will save New Hampshire jobs, and we must pass the committee's recommendation and continue to cut workers' compensation premiums to keep New Hampshire competitive. We must build on the success of the pilot project.

Some things in the last year received great attention and some received almost no attention at all. For example, the successful efforts by the Attorney General to settle the nuclear tax case on terms favorable to New Hampshire were forgotten almost immediately. It should not have been so. Almost no one believed that we would resolve that case without an additional half million dollars for private attorneys and the distinct possibility of utility rate increases once the lawsuit was over. Our Attorney General saw to it that this did not occur.

On the other hand, New Hampshire focused public attention on the problem of domestic violence in a new and positive way considering the grimness of the subject. The public dialogue and debate in my opinion will create an even better New Hampshire just as our efforts to deal with drugs, child abuse and our .08 alcohol limits have made us a better New Hampshire. Let us work with the New Hampshire Coalition Against Domestic and Sexual Violence until New Hampshire becomes a model for our region and our nation.

We will spend more time in 1994 talking about crime. We should. But it is important to realize that the rest of the nation is now adopting the strong laws and mandatory minimum sentencing that has kept New Hampshire comparatively free from the violence that is gripping the rest of the nation. Despite the horrors of Newbury, the Associated Press was correct when it referred to New Hampshire as "a safe haven in a violent nation" and pointed out that New Hampshire is one of the few places where the crime rate is actually dropping. Let's continue our vigilance on this important issue and let us never forget about the victims of crime.

Finally, let me close by addressing education since it is on all of our minds this morning. First, the teachers of New Hampshire deserve our thanks, and they deserve our help by making sure that our homes provide academic support and moral and ethical guidance. As you know, I am a product of the New Hampshire public schools, and from my elementary school in Hampton through the University of New Hampshire, I can assure you that education has had a profound impact on my life. I agree with the concept that the state has a duty to support our public schools. That is why I put an additional \$10 million into school financial aid in the last budget.

Every citizen in New Hampshire will be drawn into the upcoming debate on education, for every New Hampshire citizen has a stake in its outcome. The key elements of the debate, as defined by the court decision, will be educational quality and educational financing.

Regarding quality, there are some who believe that educational quality is determined by the amount of state funding and state control. I believe they are wrong. These individuals have long maintained that our extraordinary record of academic excellence in the Scholastic Aptitude Tests (SATs) were somehow not an appropriate measurement of real classroom worth. However, it is important to note that the first national testing in specific subjects verified the quality of New Hampshire's public education system and our SAT scores.

The subjects tested so far have been English, math and reading. The National Assessment Governing Board placed New Hampshire's math scores in the first and highest cluster. Those results were reinforced by a recent study conducted by the U.S. Department of Education which ranked New Hampshire's students among the best in the world in math proficiency. When English was tested, New Hampshire finished in the same top cluster in the national testing on that subject as well.

Finally, according to another organization, the National Assessment of Educational Progress which tested 4th graders in Reading, New Hampshire finished first among the 43 states and territories that agreed to be tested.

Since we have accomplished these results without an income tax or a sales tax, I leave you with two questions: Will any future educational funding mechanism at the state level assure the same high quality of results? If you override my veto, ladies and gentlemen, and you pass an income tax, and you move local control of education up to the state level and we are tested on educational quality and the scores go down, do you believe that the plaintiffs' lawyers will say, "That's OK, we brought a lawsuit regarding educational funding and we've changed that?" We have moved local control to the state level and we've changed that. So these are perfectly acceptable to us." My friends, if we finish in the middle or the lower quadrant of national tests, those lawyers will say, "You must put more money into educational funding in this or that part. You must change this educational idea; you must change that educational policy." That is where we will be for the years to come.

The losers under that process are you, the Legislature, who should be deciding those things, as well as the school children of New Hampshire. That would be an education system run by plaintiffs' lawyers and the court, not duly-elected representatives of the people. Do you believe the lawsuits have stopped in the 31 states that have been sued on this issue? Not at all. Our Supreme Court just wrote: "We do not define the parameters of the education mandated by the constitution as that task is, in the first instance, for the legislature and the Governor." We have no task that is more important to our children or our future.

Ultimately, this is not a question of adequate funding or of fairness in funding, this is a question of more funding. And we should never forget that not one state in this country has ever passed an income tax and lowered property taxes. I do not believe that more money necessarily means higher quality education. I wish it were that simple.

The Boston Globe commented last Sunday on New Hampshire's education funding system and its education quality. It wrote that the New Hampshire Supreme Court had ruled "in a decision that could change New Hampshire more than any election in modern times." I agree it could. The Globe then added: "Some suggest that the state will finally be forced to turn to a broad-based tax. This would be good for New England. A degree of competition among states is healthy, but New Hampshire's unique tax system has generated an excess of squabbling in a region that should be looking for ways to cooperate."

That is exactly what I would say if I were tired of the New Hampshire advantage.

The critics of New Hampshire, its education system, its tax system, are rejoicing. Those who believe that lawyers and the courts should determine our educational future in New Hampshire believe that they will win. Will they? It is not education that is under attack with demands for a new tax to somehow equalize the funding of education. It is an attack on our system of government, on our principles, on our values, on our traditions. It is the local control for which New Hampshire has been famous and for which our results speak for themselves.

In 1993, we were the state voted most livable in the country, the only State ever to win the award more than once, in an announcement that ended as follows: "From education to health, crime to taxes, economy to infrastructure, when all is said and done, New Hampshire is the most livable of the fifty states." Congratulations.

Rep. Ann Torr and Sen. Delahunty moved that the Joint Convention arise.
Adopted and the Joint Convention adjourned.

COMMITTEE REPORTS CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 444-FN, allowing citizens to register to vote while applying for a driver's licenses, was removed at the request of Rep. DePecol.

HB 193-L, changing the school foundation aid distribution formula, was removed at the request of Rep. Larson.

HB 403, prohibiting cable television companies from charging for more than one cable connection per residence, was removed at the requests of Reps. Linda Smith and Salatiello.

HB 377, allowing persons 21 years of age or older to transport partially consumed bottles of wine from on-sale licensed establishments, was removed at the request of Rep. Lozeau.

Consent Calendar adopted.

HB 496, making ownership of a pharmacy by certain medical professionals grounds for pharmacy permit suspension or revocation. **INEXPEDIENT TO LEGISLATE**

Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs: The Committee had two bills relating to the same subject. Since the other bill (HB 457, Chapter 67) is now law, this bill is no longer necessary. Vote 16-0.

HB 544, relative to telephone solicitation. **INEXPEDIENT TO LEGISLATE**

Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs: The Federal Communication Commission addresses the problem that HB 544 was introduced for. The Committee feels that it is not necessary to enact a new law in this instance. Vote 16-0.

HB 630-FN, relative to promoting fire safety and diminishing fire losses by requiring the availability of fire extinguishers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs: This bill had the intent to promote fire safety. After two subcommittee meetings this amendment was voted 3-0 to pass. The basic idea of fire safety was retained to a degree. Vote 13-1.

Amendment (4023B)

Amend the bill by replacing all after section 1 with the following:

2 New Section; Fire Extinguishers. Amend RSA 266 by inserting after section 60 the following new section:

266:60-a Fire Extinguishers.

I. Every motor vehicle listed below shall be equipped at all times with a fire extinguisher, which shall comply with standards approved by the state fire marshal and the commissioner by rule adopted under 260:5:

(a) All commercially registered motor vehicles weighing over 8,000 pounds, except for municipally owned vehicles.

(b) All motor homes and motor home trailers that have motor vehicle registrations.

II. The driver or owner of any motor vehicle failing to comply with this section shall be guilty of a violation in accordance with RSA 266:5.

3 New Section; Program to Promote Fire Safety Education. Amend RSA 153 by inserting after section 10-b the following new section:

153:10-c Program to Promote Fire Safety Education. The state fire marshal shall establish a program to promote fire safety education and reduce fire loss by working with authorized city, town and village district, fire and building department officials and other state and local agencies to encourage fire-safe practices throughout the state.

4 Report. The state fire marshal shall make recommendations to the speaker of the house and senate president on or before December 31, 1994, regarding further recommendations for legislation concerning public fire education.

5 Effective Date.

I. Section 2 of this section shall take effect January 1, 1995.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

The bill requires certain motor vehicles to be equipped with fire extinguishers.

The bill requires the state fire marshal to establish a program to promote fire safety education.

SB 230-FN, relative to sprinkler systems in residential care homes and supported residential care facilities. **INEXPEDIENT TO LEGISLATE**

Rep. Paul L. Drolet for Commerce, Small Business and Consumer Affairs: This bill would have authorized operators of residential care homes and supported residential care facilities to apply for loans from the New Hampshire Housing Finance Authority in order to equip such facilities with fire safety equipment, including sprinkler systems. The Executive Director of the NHHFA states that the authority has no experience with the type of facilities addresses by SB 230 and is therefore unfamiliar with these needs. Also the director has no source of funding for such financing, but estimated this would cost about \$250,000. The committee feels during these hard economic times this bill should be Inexpedient to Legislate. Vote 13-0.

CACR 3, relating to mandated programs. Providing that "the state" shall include the state legislature or any state regulatory agency. **INEXPEDIENT TO LEGISLATE**

Rep. David A. Young for Constitutional and Statutory Revision: The current constitutional amendment (Part I, Art. 28-a already addresses this concern particularly in view of the Supreme Court decision and additional statutory language. Vote 18-0.

HB 145-FN-L, allowing voters in towns to petition to extend the hours of polling. **INEXPEDIENT TO LEGISLATE**

Rep. C. Donald Stritch for Constitutional and Statutory Revision: The committee felt that this bill was covered in HB 411 which was also re-referred. Further, the committee felt that 10 voters should not be empowered to mandate voter hours for an entire town or city. Vote 18-0.

HB 634, establishing a committee to study the feasibility of providing a data processing center to produce up-to-date checklists. **OUGHT TO PASS WITH AMENDMENT**

Rep. Roland E. Hemon for Constitutional and Statutory Revision: Federal law mandating motor-voter registration ultimately will require data processing. The mobility of people today requires quicker processing of registrations and verifications. The study committee will develop the most appropriate system. Vote 17-0.

Amendment (3169B)

Amend the bill by replacing sections 2 and 3 with the following:

2 Membership. The members of the committee shall be as follows:

- I. Two members of the house of representatives, appointed by the speaker of the house.
- II. Two members of the senate, appointed by the president of the senate.
- III. One member appointed by the governor.
- IV. The secretary of state.

3 Meetings. The members of the study committee shall elect a chairperson. The first member of the house of representatives appointed by the speaker shall call the first meeting of the committee. The committee shall meet as often as it deems necessary in such places as it shall determine. Four members of the committee shall constitute a quorum.

HB 683-FN-L, relative to unfunded mandates and removing certain duties of local officials regarding the checklist and voter registration. **INEXPEDIENT TO LEGISLATE**

Rep. David A. Young for Constitutional and Statutory Revision: The committee believes that current discussions with the Speaker and the Governor's office will provide a mechanism for oversight dealing with unfunded mandates. Vote 18-0.

HB 267, establishing the crime of luring a minor. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Corrections and Criminal Justice: Establishing the crime of luring a minor is not necessary because it is already covered under existing statutes. Since this bill is not necessary, we are using it as a vehicle to correct a reference error in the stalking bill. Vote 12-0.

Amendment (3988B)

Amend the title of the bill by replacing it with the following:

AN ACT

correcting a reference in the stalking law.

Amend the bill by replacing all after the enacting clause with the following:

1 Stalking; Reference Error Corrected. Amend RSA 633:3-a, I(d)(5) to read as follows:

(5) After being served with, or otherwise provided notice of, a protective order pursuant to RSA 173-B or RSA 458:16 or an order that prohibits the person from having contact with specific individuals pursuant to RSA [597:1-a, III] **597:2**, on a single occasion and in violation of the provisions of such order to:

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill corrects a cross-reference in the stalking law.

HB 170-FN-A, authorizing the business finance authority to accept private funds for investment purposes. **REFER FOR INTERIM STUDY**

Rep. Richard T. Trelfa for Economic Development: The central concern of the committee is the important question of what the state can appropriately do to foster capital formation for businesses in New Hampshire. Therefore, the committee voted unanimously to refer it to interim study so it can take the time necessary to do this job well. Vote 12-0.

HB 155-FN-L, charging back the costs of education for children in homes or health care facilities to the sending district. **INEXPEDIENT TO LEGISLATE**

Rep. Patricia M. Skinner for Education: The subject matter in this bill has been addressed and passed in SB 180 (Chapter 322, Laws of 1993). The subject dealt with education costs for children placed in group homes located within a cooperative school district. A subcommittee worked on this and the committee voted unanimously to place an amendment on SB 180 which was in our possession and was presented at the House hearing on SB 180. The committee's concern of liability was addressed in our amendment and inserted a section in the law dealing with group homes. Vote 16-0.

HB 679-FN-L, relative to unfunded mandates, limiting the catastrophic aid liability of school districts, and requiring notice and public hearing of state education plans. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Guest for Education: The committee unanimously agreed with the subcommittee. There is no logic in passing legislation that would increase the current local exposure to catastrophic placement costs or result in an increase in state taxation. If the sponsor feels the costs incurred in effecting this increase in state aid to schools is contrary to the Constitution Article 28-A, the recourse should be in the courts rather than in the Legislature. Vote 11-0.

HB 192, changing the procedure for submission of proposed rules by the air resources division. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Trelfa for Environment and Agriculture: Agreement at the department level to address rulemaking procedures in cooperation with the Air Resources Council eliminates the need for House Bill 192. However, a subcommittee will follow the procedures to make certain the objectives of House Bill 192 are met. Vote 12-0.

HB 161-FN-A, increasing the amount paid to members of the adult parole board and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gerald O. Gosselin for Executive Departments and Administration: This bill with amendment will increase the number of members to the Parole Board from five to seven. The board shall include at least one female member. In case of parole revocation, an attorney of the board shall be present at the hearing. The board members shall be paid \$100.00 per day, this being an increase from \$50.00 per day. Vote 13-0.

Amendment (3455B)

Amend the title of the bill by replacing it with the following:

AN ACT

increasing the amount paid to members of the adult parole board, increasing its membership, and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Parole Board; Compensation and Membership Increased. Amend RSA 651-A:3, I to read as follows:

1. There shall be an adult parole board with [5] 7 members. The members of the board shall be appointed by the governor with the consent of the council for staggered terms of 5 years or until their successors are appointed. No member shall serve more than 2 consecutive terms. *The board shall include at least one female member.* A vacancy on the board shall be filled for the unexpired term. The governor shall designate one member as chairman, and the chairman shall designate one other member to serve as chairman in his absence. *In the case of a revocation hearing an attorney of the board shall be present at the hearing.* Board members shall be paid [\$50] \$100 a day plus mileage at the state employee rate while engaged in parole hearings or administrative meetings.

2 Appropriation. The sum of \$34,600 for the biennium ending June 30, 1995, is hereby appropriated to the adult parole board for the purpose of compensating the board's members as provided in section 1 of this act. This appropriation is in addition to any other funds appropriated to the adult parole board. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill increases the amount paid to members of the adult parole board.

This bill increases the membership of the adult parole board.

This bill makes an appropriation to pay for the increase in membership and in pay to members of the adult parole board.

Referred to Appropriations.

HB 203-FN-A, authorizing the appropriation of funds to compensate the board of engineers for unforeseen expenses related to investigations and enforcement. **INEXPEDIENT TO LEGISLATE**

Rep. William P. Boucher for Executive Departments and Administration: House Bill 203 and House Bill 439 went to a subcommittee of ED&A. The subcommittee agreed with the

concept of House Bill 203 and folded the bill into House Bill 439, the engineers bill. Therefore, this bill is Inexpedient to Legislate. Vote 13-0.

HB 311, increasing the membership on the New Hampshire retirement system board of trustees. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was re-referred to the committee to review the composition of the trustees of the New Hampshire Retirement System. After reviewing the present composition, which at 13 members is among the largest of the public retirement systems in the country, and RSA 100, the committee feels that the present makeup of the board meets the criteria of the New Hampshire Constitution and RSA 100. The Governor and Council have some discretion in the appointment of public members and appointment of members of the various groups of the system. The present balance is eight system members and five non-system members. This balance is in keeping with the intent of the rules governing the system. The Legislature is represented by one member each from the House and Senate and as with all state programs, the Legislature has oversight and the ability to make corrections when needed. Vote 13-0.

HB 413-FN, relative to plumbers and plumbing. INEXPEDIENT TO LEGISLATE

Rep. Kathleen W. Ward for Executive Departments and Administration: It was the committee's intention to revisit the management of the licensing of plumbers, the inspection system productivity or lack thereof, and investigate the excessive level of complaints from both the public and the trade. It is our intention to use a clean bill coming into the January session to bring out a revamp of the "plumbing" discipline. Therefore, we are continuing fact-finding efforts by the subcommittee. Vote 16-0.

HB 421, relative to reorganization of the executive branch of state government. REFER FOR INTERIM STUDY

Rep. Merton S. Dyer for Executive Departments and Administration: This bill as originally submitted repealed 21-G, guide lines for Executive Department reorganization. The sponsor then submitted an amendment that would have addressed the organizational duties of Commissioners and terms of Commissioners and Directors. The terms of Commissioners is addressed in another re-referred bill, HB 677, but this bill brings to the forefront the organization of certain departments and the terms of some of the Commissioners and Directors. The committee felt this bill had some areas that needed additional research and would fit in well with a reorganization bill being proposed for the 1994 session. For this reason, the committee would like this bill sent to Interim Study so it may reconsider this bill along with any other reorganization bills. The period of time available to research this bill and its impact of proposed reorganization was insufficient to complete this session. Vote 13-0.

HB 439, relative to the profession of engineering. OUGHT TO PASS WITH AMENDMENT

Rep. William P. Boucher for Executive Departments and Administration: This bill renames the "board of engineers" the "board of professional engineers" and sets forth the purpose, jurisdiction, powers and duties of the board. It also authorizes the board to enforce professional requirements, make investigations and take appropriate disciplinary action. A provision is made to hire investigators and other personnel necessary to perform the duties required under this bill. The board also may hire counsel and investigators upon the advice of the attorney general to investigate and prosecute violations. Licensure and accreditation are clarified, and those acts which constitute misconduct are expanded. The right to a hearing and an appeal are set forth. The term "engineer" is redefined as "professional engineer" throughout RSA 310-A, and the term "professional engineering" is redefined as "engineering" in specified sections. Vote 12-0.

Amendment (3456B)

Amend the bill by replacing section 1 with the following:

1 Definitions. Amend RSA 310-A:2, III to read as follows:

310-A:2 Definitions. As used in this subdivision:

III.(a) "*Practice of engineering*" means any professional service or creative work requiring education, training, experience, and the application of advanced knowledge of mathematics and physical sciences, involving the constant exercise of discretion and judgment, to such services or work as consultation, investigation, evaluation, planning, design, responsible [supervision] *oversight* of construction, and responsible [supervision] *oversight* of operation, in connection with any public or private utilities, structure, buildings, machines, equipment, processes, works, or projects, wherein the public welfare, or the safeguarding of life, health or property is concerned.

(b) The practice of engineering may include the practice of surveying principles which support surveying activities which may be required to aid, verify, or facilitate the sound conception, planning, design, construction, maintenance, and operation of engineering projects by persons licensed under this chapter, but shall exclude the surveying of real property for the establishment of land boundaries, rights-of-way, or easements.

Amend the bill by deleting section 2 and renumbering sections 3-18 to read as 2-17, respectively.

Amend the bill by replacing section 2 with the following:

2 New Sections; Purpose; Regulation. Amend RSA 310-A by inserting after section 2 the following new sections:

310-A:2-a Purpose. To safeguard life, health and property, and to promote public welfare, the practice of engineering in this state shall be regulated by the board of professional engineers.

310-A:2-b Jurisdiction of the Board of Professional Engineers; Regulation of Scope of Practice. No agency or subdivision of the state shall adopt any rule, regulation, standard, code, ordinance, or policy that restricts, limits, or expands the scope of the practice of engineering, which practice shall be within the sole jurisdiction of the board of professional engineers, except as provided in RSA 485-A:4 and RSA 485-A:35.

Amend the bill by replacing sections 4 and 5 with the following:

4 Fees; Rulemaking Specified. Amend RSA 310-A:7 to read as follows:

310-A:7 Fees.

I. The board shall establish fees for examination of applicants, for licenses, for certificates of authorization, for temporary permits, for reissuance of licenses, for renewal of licenses and certificates to practice under this chapter, and for transcribing and transferring records and other services.

II. *The board shall adopt rules under RSA 541-A which establish fees for the following:*

(a) *Application for licensure upon examination.*

(b) *Application for a certificate, temporary permit, or license under RSA 310-A:19 and 20.*

(c) *Biennial renewal for licensed professional engineers.*

(d) *Late reinstatement fee for a late renewal of license.*

(e) *Replacement of lost or mutilated license.*

III. *The fees established by the board shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses of the board for the previous biennium.*

5 New Paragraph; Authorization. Amend RSA 310-A:8 to read as follows:

310-A:8 Receipts and Disbursements; *Enforcement Costs.*

I. There shall be a board secretary who shall receive and account for all moneys derived under the provisions of this chapter and shall pay the same to the state treasurer [who shall keep such moneys in a separate fund to be known as the "Engineers' Fund". Such fund shall be kept separate and apart from all other moneys in the treasury, and shall be paid out only for purposes of this chapter. All moneys in the fund are hereby specifically appropriated for the use of the board]. The secretary of the board shall receive such salary as the board shall determine in addition to the expenses provided for in RSA 310-A:4. The board may employ such *investigators*, clerical and other assistants as are necessary for the proper performance of its work and may make expenditures [from this fund] for any purpose which is reasonably necessary for the proper performance of its duties under this chapter, *including the expenses*

of the board's delegates to meetings of, and membership dues to, the National Council of Engineering Examiners (NCEE). The board may, if it deems necessary, or upon the advice of the attorney general, hire counsel and investigators and pay the expenses of such counsel and investigators for the investigation and prosecution of any violation of this subdivision. Such compensation and expenses shall be paid from the funds of the board. [Under no circumstances shall the total amount of payments made under this section exceed the amount of the fees collected.]

II. With the approval of the attorney general and the governor and council and in the event the cost of enforcement action exceeds the budget in any year, the board is authorized to compensate the board's counsel, assistants and investigators appointed in connection with its activities under RSA 310-A:22, 23, and 25, on warrant of the governor out of any money in the treasury not otherwise appropriated. Any sums so expended shall be included in the computation of fees established for the subsequent biennium.

Amend RSA 310-A:22-b, IV as inserted by section 12 of the bill by replacing it with the following:

IV. Any district court within the jurisdiction of which the inquiry is carried on or within which said person resides or conducts business, upon application by the board, shall have jurisdiction to issue such person an order requiring such person to appear before the board, its members or agent, and to produce evidence, if so ordered, or to give testimony.

Amend the bill by replacing section 14 with the following:

14 Violations. Amend RSA 310-A:25, II to read as follows:

II. It shall be the duty of *the attorney general, all county attorneys, and* all duly constituted officers of the law of this state, or any such political subdivision, to enforce the provisions of this [chapter] *subdivision* and to prosecute any persons violating [same] *those provisions*.

Amend the bill by replacing section 17 with the following:

17 Conduct Constituting a Misdemeanor or Felony. Amend RSA 310-A:25, I(e) to read as follows:

(e) Practice engineering *or to offer, advertise, or hold oneself out to the public as being in the practice of engineering in this state* without a license; or

18 Exemption From Surveying. RSA 310-A:74, I is repealed and reenacted to read as follows:

I. The practice of land surveying principles by a licensed professional engineer, which shall include those support surveying activities which may be required to aid, verify or facilitate the sound conception, planning, design, construction, maintenance and operation of engineering projects by persons licensed under this chapter, but shall exclude the surveying of real property for the establishment of land boundaries, rights-of-way, or easements.

19 Effective Date. This act shall take effect July 1, 1994.

HB 583, requiring the commissioner of administrative services to adopt rules changing the amount of general liability insurance required and the language of the general liability insurance provision for state contracts. **OUGHT TO PASS WITH AMENDMENT**

Rep. John J. Sytek for Executive Departments and Administration: Any organization which contracts to do work for the state of New Hampshire must carry liability insurance in the amount of \$250 thousand per person/\$2 million per incident. Small non-profit organizations, such as mental health clinics, find the cost of this level of insurance onerous. Worse, though, than being onerous is that this level of coverage may be unnecessary. The sponsor has testified that no one can remember any suit against such a contractor that ever involved the state. Since, in some cases, these high insurance costs are passed on to the state as part of the contract, lower premiums could actually save the state money. The committee has balanced these considerations and recommends this bill to reduce the liability insurance required of these non-profits to \$1 million per incident/\$2 million in the aggregate. Vote 13-0.

Amendment (3394B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the commissioner of administrative services to adopt rules changing the amount of general liability insurance required and the language of the general liability insurance provision for state contracts with certain nonprofit contractors.

Amend RSA 21-I:14, XV as inserted by section 1 of the bill by replacing it with the following:

XV. The general liability insurance provisions of standard state contracts to reflect that a contractor, which qualifies for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed \$500,000, shall provide such insurance in amounts of not less than \$1,000,000 per claim or occurrence and \$2,000,000 in the aggregate.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill requires the commissioner of administrative services to adopt rules changing the amount of general liability insurance required and the language of the general liability insurance provision for state contracts with certain nonprofit contractors.

HB 656-FN, to extend medical benefits to group II members on disability retirement who became group II members after June 30, 1988, but before July 1, 1991. **OUGHT TO PASS**

Rep. J. Gregory McGrath for Executive Departments and Administration: This bill extends medical benefits to certain members of the retirement system who are in Group II. The bill was re-referred pending a review of funding availability. Final actuarial cost has been determined to be \$1.85 million and the funds are available. Vote 13-0.

Referred to Appropriations.

SB 149-FN, relative to land surveying by proprietorships, corporations or partnerships. **OUGHT TO PASS WITH AMENDMENT**

Rep. William P. Boucher for Executive Departments and Administration: The reason for re-refer was to come up with some flexible teeth in current law to deal with out-and-out forgeries on plot plans before local planning boards. We have tightened up the law and provided the tools to eliminate the practice within the discipline. Vote 13-0.

Amendment (3544B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to land surveying by individual proprietors,
corporations or partnerships.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Individual, Sole Proprietor, Corporate or Partnership Surveying. Amend RSA 310-A:53 by inserting after paragraph III the following new paragraphs:

IV. The practice of or the offer to practice land surveying in this state by individual licensed land surveyors under a proprietorship form or by a corporation or partnership, a material part of the business which includes land surveying, is permitted provided certain personnel of such entity who shall act in its behalf are licensed land surveyors under the provisions of this chapter and provided such entity has been issued a certificate of authorization by the board as provided in this chapter.

V. No such entity shall be relieved of responsibility for the conduct or acts of its agents, employees or officers by reason of its compliance with the provisions of this section, nor shall any individual practicing land surveying be relieved of responsibility for land surveying services performed by reason of employment or relationship with such entity.

VI. Any entity issued a certificate under this section shall be required to comply with all provisions of this chapter. No individual, partnership or corporation shall be relieved of responsibility for the conduct or acts of its agents, employees or officers by reason of its compliance with the provisions of this section, nor shall any individual practicing land surveying be relieved of responsibility for services performed by reason of his employment or relationship with a business entity.

VII. Each such entity shall file with the board of licensure a designation of an individual or individuals licensed to practice land surveying in this state who shall be in charge of land surveying by such entity in this state. The person designated shall be a full-time officer, partner, or owner of that entity. Such entity shall notify the board of licensure of any change in the entity's designation within 30 days after such change becomes effective.

Amend the bill by inserting after section 7 the following and renumbering original sections 8 and 9 to read as 12 and 13, respectively:

8 New Paragraph; Violations and Penalties Specified. Amend RSA 310-A:72 to read as follows:

310-A:72 Violations and Penalties.

I. Any person who shall practice or offer to practice land surveying in this state for others without being licensed in accordance with this chapter, or any person presenting or attempting to use as his own the license or the seal of another, or any person who shall give any false or forged evidence of any kind to the board or to any board member in obtaining or attempting to obtain a license, or any person who shall falsely impersonate any other licensee of like or different name, or any person who shall attempt to use an expired or non-existent or revoked license or authorization, or any person who shall violate any of the provisions of this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. It shall be the duty of all duly constituted officers of the state and all political subdivisions thereof to enforce the provisions of this chapter and to prosecute any person violating same.

II. *Unless a different penalty is specifically provided, any person who violates any of the provisions of this chapter shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than \$100 nor more than \$3,000, or imprisonment for a term of not less than 30 days nor more than 6 months, for each infraction.*

9 Restraint of Violations; Board Allowed to Bring Action. Amend RSA 310-A:73 to read as follows:

310-A:73 Restraint of Violations. The superior court shall have jurisdiction in equity to restrain violations of RSA 310-A:72 on proceedings brought by the attorney general, *board of licensure for land surveyors*, or by any society of land surveyors incorporated under the laws of this state.

10 Exemptions; Surveyor in Training Substituted for Subordinate. Amend RSA 310-A:74, II to read as follows:

II. The work of an employee or a [subordinate of] *surveyor in training* for a person holding a license under this chapter, or an employee of a person practicing lawfully under paragraph I, done under the direct responsibility, checking, and supervision of a person holding a license under this chapter or a person practicing lawfully under paragraph I;

11 New Paragraph; Exemptions; Surveying by Professional Engineer Exempted. Amend RSA 310-A:74 by inserting after paragraph IV the following new paragraph:

V. The practice of surveying by a professional engineering corporation, partnership, or proprietorship, provided that such entity employs a full-time, licensed land surveyor.

Amend the bill by replacing section 13 with the following:

13 Effective Date. This act shall take effect 60 days after its passage.

SB 215-FN, providing a cost of living adjustment for group II permanent firemen members of the New Hampshire retirement system. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was re-referred to determine if there would be sufficient funds available when the amount of the Special Account was known in October. This bill would have provided COLAs for the firemen members of Group II of the New Hampshire Retirement System. In this bill, the amount of the COLA was variable depending on the amount in the Special Account up to a maximum of 5 percent. Two bills were re-referred to the committee pertaining to COLAs for the firemen. House Bill 414 was the bill selected to provide a COLA for the firemen beginning in January 1994. Vote 12-0.

HCR 5, urging the federal government to pay \$50 to AFDC recipients for each time period represented by the amount in arrears. **INEXPEDIENT TO LEGISLATE**

Rep. Alice S. Ziegler for Health, Human Services and Elderly Affairs: No testimony was given in support or in opposition to the bill. Vote 11-0.

HB 401, rejecting the "fireman's rule" in New Hampshire. INEXPEDIENT TO LEGISLATE

Rep. Robert A. Lockwood for Judiciary: Senate Bill 109 (Chapter 261) was enacted in 1993 and codified recent NH Supreme Court decisions relative to the "fireman's rule" thereby making this bill unnecessary. Vote 16-0.

HB 480, limiting the liability of landowners who allow their land to be used for outdoor recreational or educational purposes. INEXPEDIENT TO LEGISLATE

Rep. Elizabeth A. Moore for Judiciary: After much discussion it was decided that this bill has significant problems. The Society for Protection of NH Forests, the moving force behind HB 480, agreed that it would be advantageous to submit a different bill in a later session. Vote 15-0.

HB 545, authorizing the state to enforce domestic violence protective orders issued in other states. INEXPEDIENT TO LEGISLATE

Rep. Robert A. Lockwood for Judiciary: The passage of House Bill 476, establishing the crime of stalking and authorizing the state to enforce domestic violence protective orders in other states, covers the subject matter of House Bill 545. Vote 17-0.

HB 579, relative to the right of police officers to recover for injuries caused by the wanton or willful conduct of others. INEXPEDIENT TO LEGISLATE

Rep. Robert A. Lockwood for Judiciary: Passage of Senate Bill 109 in 1993 codified recent N.H. Supreme Court decisions relative to the "firemen's rule" thereby making this bill unnecessary. Vote 15-0.

HBI 1, relating to wiretapping and eavesdropping. INEXPEDIENT TO LEGISLATE

Rep. Henry P. Mock for Judiciary: Members from three House policy committees met on this issue and concluded not to attempt an extensive re-write of our wiretap laws at this time. However, we did address the issue of emergency wiretaps with proposed new legislation. Since the study required by HBI 1 already had been completed, it is reasonable to now find it Inexpedient to Legislate. Vote 17-0.

SB 235-FN-L, relative to involuntary emergency admissions. INEXPEDIENT TO LEGISLATE

Rep. Edward M. Gordon for Judiciary: The provisions of SB 235 have already been incorporated into New Hampshire law. There is no need for this legislation. Vote 16-0.

SB 143-FN, establishing a process for policy analysis of state agencies and making an appropriation therefor. INEXPEDIENT TO LEGISLATE

Rep. Leona Dykstra for Legislative Administration: The committee felt that setting up a new division in LBA would be redundant and too costly to implement. Also that paid staff should not be making policy decisions that should be made by the Legislature. Vote 12-0.

HB 325, allowing elderly persons who have placed their homes in living trusts to retain their elderly property tax exemptions for the duration of their life estates. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph E. Stone for Municipal and County Government: This bill, as amended, defines the term of ownership of real estate, and says that "owner", "owned", or "own" shall include those who have equitable title or the beneficial interest for life in the subject property. It also clarifies the options for exemption or tax credit. Vote 16-0.

Amendment (3736B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definition of "Ownership of Real Estate". Amend RSA 72:29 by inserting after paragraph IV the following new paragraph:

V. For purposes of RSA 72:28, 29-a, 30, 31, 32, 33, 35, 36-a, 37, 37-a, 39, 43-b, 43-f, 43-h, 62, 66, and 70, the ownership of real estate, as expressed by such words as "owner", "owned" or "own", shall include those who have equitable title or the beneficial interest for life in the subject property.

2 Application for Exemption or Tax Credit. RSA 72:33 is repealed and reenacted to read as follows:

72:33 Application for Exemption or Tax Credit.

I. No person shall be entitled to the exemptions or tax credits provided by RSA 72:28, 29-a, 30, 31, 32, 35, 36-a, 37, 37-a, 39, 43-b, 43-f, 43-h, 62, 66, and 70 unless he shall have filed with the selectmen or assessors, on or before April 15 of some year, a permanent application therefor, signed under penalty of perjury, on a form approved and provided by the commissioner of revenue administration, showing that the applicant is duly qualified and is the true and lawful owner of the property on which the exemption or tax credit is claimed.

II. Any person who changes his residence after filing such a permanent application shall file an amended permanent application on or before the April 15 immediately following his change of residence. The filing of the permanent application shall be sufficient for said persons to receive these exemptions or tax credits on an annual basis so long as the applicant does not change his residence.

III. If the selectmen or assessors are satisfied that the applicant has willfully made any false statement in the application to obtain an exemption or tax credit, they may refuse to grant the exemption or tax credit.

IV. If any person, otherwise qualified to receive an exemption or tax credit, shall satisfy the selectmen or assessors that he was prevented by accident, mistake or misfortune from filing a permanent application or amended permanent application on or before April 15 of the year in which he desires the exemption or tax credit to begin, said officials may receive said application at a later date and grant an exemption or tax credit granted after the local tax rate has been approved for that year.

V. In addition to the above requirements, applicants for exemption who claim ownership pursuant to RSA 72:29, V shall file with their application an additional statement signed under penalty of perjury, on a form approved and provided by the commissioner of revenue administration, showing they meet the requirements of RSA 72:29, V.

VI. The assessing officials may require applicants for any exemption or tax credit to file the information listed in RSA 72:34, or the statement required by RSA 72:33, V periodically but no more frequently than annually. Failure to file such periodic statements may, at the discretion of the assessing officials, result in a loss of the exemption or tax credit for that year.

3 Repeal. The following are repealed:

I. RSA 72:33-a, relative to application for exemption or tax credit by a beneficial interest owner of a trust.

II. RSA 72:42, relative to application for elderly exemptions.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows persons who have equitable title or the beneficial interest for life in property to claim certain property tax exemptions.

The bill consolidates requirements for application for exemption or tax credit into one statutory section.

HB 370, establishing a local government advisory committee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda T. Foster for Municipal and County Government: Although lines of communication between the various branches of state government currently exist, establishing a formal committee with a legislative charge will widen and broaden the intergovernmental discussion of ideas and concerns. Vote 13-3.

Amendment (3420B)

Amend the bill by replacing section 1 with the following:

1 New Chapter; Local Government Advisory Committee. Amend RSA by inserting after chapter 19-E the following new chapter:

CHAPTER 19-F

LOCAL GOVERNMENT ADVISORY COMMITTEE

19-F:1 Committee Established. There is hereby established a local government advisory committee to consist of the following members:

I. One senator, appointed by the senate president.

II. One house member, appointed by the speaker of the house.

III. The governor.

IV. Five county officials, appointed by the New Hampshire Association of Counties.

V. Five municipal officials, appointed by the New Hampshire Municipal Association.

19-F:2 Duties. The committee shall meet quarterly, or more often as necessary, with the governor and legislative leaders to exchange views on issues of intergovernmental concern. Committee membership shall be voluntary and members shall not be compensated for their services.

19-F:3 Meetings; Chair. The first meeting shall be called by the governor within 30 days after the appointment of all committee members. The committee shall choose from among its members a chair, vice-chair, and clerk. Subsequent meetings shall be at the call of the chair subject to the provisions of RSA 19-F:2.

19-F:4 Terms of Office.

I. The terms of the governor and legislators appointed under RSA 19-F:1 shall be coterminous with their gubernatorial and legislative terms. Of the remaining members the initial appointments shall be as follows:

(a) Three members appointed under RSA 19-F:1, IV and V shall serve 3 years.

(b) Two members appointed under RSA 19-F:1, IV and V shall serve one year.

II. Upon the expiration of the term of any member appointed under RSA 19-F:1, IV and V, the successor members shall serve a term of 3 years.

19-F:5 Reports. The committee shall make reports to the governor and the legislature from time to time as may be required by the governor or legislature.

HB 410-L, relative to the election of town officers and the appointment of a deputy town treasurer. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul A. Golden for Municipal and County Government: This bill addresses the procedure for swearing-in newly elected town officers, and allows the local legislative body to adopt its own procedure. The bill allows the town treasurer to select a deputy treasurer with the approval of the selectmen, assuring that the individual so selected will be qualified and benefit the municipality as a whole. Vote 16-0.

Amendment (3735B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the appointment of a deputy town treasurer
and the swearing in of town officers.

Amend the bill by replacing all after the enacting clause with the following:

1 Appointment of Deputy Town Treasurer. RSA 41:29-a is repealed and reenacted to read as follows:

41:29-a Deputy Treasurer. Each town may have a deputy treasurer who shall be qualified in the same manner as the town treasurer and who shall perform all the duties of the town treasurer in case of the treasurer's absence by sickness, resignation, or otherwise. A deputy treasurer shall be appointed by the town treasurer with the approval of the board of selectmen.

2 Swearing in of Officers. RSA 42:3 is repealed and reenacted to read as follows:

42:3 Swearing in of Officers. The local governing body may determine the time for the taking of the oath required by RSA 42:1 by any person chosen to office, but in no case shall it be prior to the expiration of the recount period provided in RSA 669:30.

3 Notice to Take Oath. Amend RSA 42:4 to read as follows:

42:4 Notice to Take. The town clerk shall [forthwith, after the choice of any town officers, by a precept under his hand,] *immediately, or in accordance with the time adopted by the*

governing body, if one has been adopted direct a constable or police officer to notify the persons so chosen *or notify such persons by registered mail, return receipt requested*, to appear before [him] *the clerk* within 6 days after receiving the notice, and take the oath by law prescribed. The officer shall, within 4 days, give personal notice to the persons therein named, or leave a notice in writing at the abode of each, and make return of the precept and of his doings therein to the town clerk within 6 days.

4 Penalty for Neglect to Appear. Amend RSA 42:6 to read as follows:

42:6 Penalty for Neglect to Appear. Every person so chosen and notified, not by law exempt from serving, who shall neglect, for 6 days after personal notice, or notice left at [his] *the person's* abode, or after [his] *the person's* return in *the* case [he was absent] *of absence* when such notice was left, *but in no case later than 30 days after the person's election* to appear before the town clerk and take the oath, shall be guilty of a violation and any fines shall be appropriated as in RSA 42:5.

5 Failure to Take Oath Creates Vacancy. Amend RSA 652:12, IV to read as follows:

IV. *Fails or* refuses to take the oath of office *within the period prescribed in RSA 42:6* or to give or renew an official bond if required by law; or

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows local governing bodies to determine when the oath of office for town officials must be taken.

The bill prescribes methods of notice that the oath is to be taken.

The bill also allows the town treasurer to appoint a deputy town treasurer with the approval of the board of selectmen.

HB 525, relative to city budgets for school districts. INEXPEDIENT TO LEGISLATE

Rep. Clair A. Snyder for Municipal and County Government: The bill was determined Inexpedient to Legislate since it would not provide the remedy sought by the sponsor. The problem is being approached from a different angle through new legislation. Vote 16-0.

HB 618-FN-L, limiting the amount a town or city may receive from sale of property taken in default of redemption. INEXPEDIENT TO LEGISLATE

Rep. Gabriel J. Daneault for Municipal and County Government: The subcommittee considering this bill reported that, while it has some merit, it would create administrative problems for municipalities. The full committee agreed. Vote 12-4.

HB 680-FN-L, relative to unfunded mandates and removing the requirement that a town give notice to certain landowners prior to the discontinuance of certain highways. INEXPEDIENT TO LEGISLATE

Rep. Linda T. Foster for Municipal and County Government: Notification of abutters relative to discontinuance of roads is not only common courtesy, but good policy. To remove this requirement would result in an abrogation of the municipality's responsibility to its citizens. Vote 16-0.

SB 27, establishing a committee to study the apportionment of county taxes. REFER FOR INTERIM STUDY

Rep. Paula E. Bradley for Municipal and County Government: The committee feels that this is an issue which needs continued study. We would like to focus in depth in several areas, including this one, within our own committee before deciding whether a special study committee is needed. We have begun an internal study of county government issues which continues. Vote 15-1.

SB 183-FN-L, requiring the tax collector to notify certain mortgagees prior to execution of a tax deed. INEXPEDIENT TO LEGISLATE

Rep. Patricia L. Cote for Municipal and County Government: Banks already have been notified several times prior to execution of a tax deed. This bill may not solve the problem. There is existing remedy under the law when a deed is drawn. The committee encourages the New Hampshire Bankers Association and the New Hampshire Tax Collectors Association to work together to solve this situation. Vote 16-0.

HB 523, requiring emblems to assist firefighters to be placed on certain buildings. **INEXPEDIENT TO LEGISLATE**

Rep. James J. Fenton for Public Protection and Veterans Affairs: While the bill is well-intended, the committee felt the evidence presented did not support this legislation. Vote 11-0.

HB 569-FN-L, relative to flammability testing of seating furniture manufactured for public buildings. **INEXPEDIENT TO LEGISLATE**

Rep. James J. Fenton for Public Protection and Veterans Affairs: Lack of support by the firefighting community indicated the present manufacturers' requirements address the intent of this legislation. Vote 14-0.

HB 688, relative to the felonious use of crossbows. **INEXPEDIENT TO LEGISLATE**

Rep. James J. Fenton for Public Protection and Veterans Affairs: The language is verbatim to current RSA. No need to reinvent the wheel. Vote 11-0.

HB 647, requiring the department of transportation to study the feasibility of a bypass around the town of Troy and to reconstruct the N.H. Routes 9 and 119 bridges over the Connecticut river and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Edwin O. Smith for Public Works: This bill called for highway improvements in Cheshire County. When the Governor's Commission on Highways reported its 10-year plan it was essentially the same as this bill. Thus this bill is not necessary. Vote 18-0.

HB 517-FN, to establish a statewide bingo game. **INEXPEDIENT TO LEGISLATE**

Rep. Lynn C. Horton for Regulated Revenues: The only person who showed interest in this bill was the sponsor. Vote 14-0.

HB 154-FN, modifying the definition of high tide as it applies to wetlands. **INEXPEDIENT TO LEGISLATE**

Rep. Eugene Ritzo for Resources, Recreation and Development: House Bill 154 is a sea-coast high tide designation bill solely designed to outline for the NHDES Wetlands Board and the public, a measurable and observable location of the seashore high tide line. Wide misunderstanding and non-acceptance of the purpose of HB 154 combined with public outcry of segments of the NH beach-using citizens so confused the issue that the subcommittee (after a series of public hearings, receipt of numerous protesting letters and petitions) decided not to recommend the bill (11-0 vote). Vote 16-0.

HB 502, relative to public trust water rights in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Janet M. Conroy for Resources, Recreation and Development: The subcommittee met several times with interested parties concerning the definition of Public Trust and Public Water Rights. It was determined that references on this subject already exist throughout the statutes and until such time as a crisis or a challenge arises, nothing should be changed. Vote 17-1.

HB 678-FN, relative to unfunded state mandates and exempting political subdivisions from certain administrative fines. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas J. Kirby for Resources, Recreation and Development: The sole effect of HB 678-FN would be to exempt municipalities from any liability by fines for refusing to safely operate or maintain a municipally-owned dam. Any municipality subject to fine must first elect to own the dam and second to maintain it in an unsafe manner. The committee finds that no state mandate arises in this circumstance. Public safety requires that responsible oversight criteria apply equally to both the private and public owners of dams. The public safety is served by maintaining for municipalities the present requirements of RSA 482 for dam safety. This in the absence of any conflict with the unfunded state mandate requirement. Vote 18-0.

SB 129, relative to the overnight use of vessels and prohibiting the discharge of sewage into certain waters. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah F. Merritt for Resources, Recreation and Development: Senate Bill 129 would have clarified the overnight use of houseboats and would have transferred enforcement from the Division of Water Supply and Pollution Control to the Department of Safety Services. Due

to an ability of all interested parties to reach consensus on the purpose and intent of the bill, the committee recommends the bill be found Inexpedient to Legislate. Vote 16-0.

HB 123, establishing a committee to study the conversion of weight and speed regulations to metric linear measures and metric values. **OUGHT TO PASS WITH AMENDMENT**

Rep. Frederic A. Foss for Science, Technology and Energy: The State of New Hampshire needs to conform on a timely basis with federal government metric goals. The committee's feasibility report is due November 1, 1994. Vote 8-0.

Amendment (3983B)

Amend the bill by replacing section 2 with the following:

2 Membership. The committee shall be composed of the following:

- I. Two house members, appointed by the speaker of the house.
- II. Two senators, appointed by the president of the senate.
- III. The commissioner of transportation, or designee.
- IV. The commissioner of safety, or designee.
- V. The attorney general, or designee.

Amend the bill by replacing all after section 3 with the following:

4 Report. The committee shall submit a report evaluating the feasibility of including metric linear measures and metric values in weight and speed regulations and recommendations for legislation to the governor, the speaker of the house and the senate president by November 1, 1994.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to evaluate the feasibility of including metric linear measures and metric values in weight and speed regulations. The committee shall submit its report, including any recommendations for legislation, to the governor, the senate president and the speaker of the house by November 1, 1994.

This bill is a request of the department of transportation.

HB 127-FN, relative to private lease of state railroad real estate. **OUGHT TO PASS WITH AMENDMENT**

Rep. Edward J. Crotty for Transportation: This bill allows the Bureau of Railroads and Public Transportation, Department of Transportation, to lease state-owned railroad properties on the shores of public waters to adjacent property owners for private, noncommercial use. The fee for the access lease is \$5.00 per running foot. This bill is a request of the Department of Transportation. Vote 15-0.

Amendment (3708B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Leasing Certain Portions of Railroad Properties. Amend RSA 228 by inserting after section 57 the following new section:

228:57-a Leasing Certain Portions of Railroad Properties.

I. Notwithstanding RSA 228:57, portions of real estate owned by the state and managed by the bureau of railroads and public transportation in the department of transportation that are on the shores of public waters, as defined by RSA 271:20, may be leased for private, noncommercial use by owners of adjacent properties separated from the shore only by the railroad land, as long as such use does not interfere with railroad operations. Any property owner meeting the requirements of this section may request in writing to be allowed to lease such property from the state. However, when the adjacent property is owned by more than one individual, such as a condominium association, the association, only as a single entity, may request the lease. In no case shall more than one access point to the leased property be allowed.

II. The provisions of RSA 4:40, requiring first offering the land for lease to political subdivisions, shall not apply to this section. However, leases shall continue to be approved by the council on resources and development and the long range capital planning and utilization committee, before final approval by the governor and council.

III. Leases shall be for a period of not more than 5 years.

IV. The cost of the lease shall be \$5 per running foot per year, paid annually.

V. Leases may be renewed after the initial lease period has expired, provided that the use of the leased property has and will remain noncommercial and private, payments have been made by the lessee according to the lease, and the activity of the railroad remains at approximately the same level or lower. The cost for the lease shall be reviewed. Such lease renewals shall not be for more than 5 years at a time.

VI. The annual income from such leases shall be deposited into the special railroad fund established by RSA 228:68, and shall be appropriated to be expended as set forth in RSA 228:69.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows the bureau of railroads and public transportation, department of transportation, to lease state-owned railroad properties on the shores of public waters to adjacent property owners for private, noncommercial use.

This bill is a request of the department of transportation.

Referred to Ways and Means.

HB 210, limiting the use of off highway recreational vehicles near occupied residences. **ought to pass with amendment**

Rep. Sherman A. Packard for Transportation: House Bill 210 limits the use of OHRVs that are designed, constructed, and sold for closed course competition. It also prohibits the use of such OHRVs without the abutter's permission within 500 feet of abutter's property line unless the exhaust system is modified to comply with noise level provisions of the law. Vote 12-0.

Amendment (4056B)

Amend the bill by replacing all after the enacting clause with the following:

1 Operation of OHRVs Prohibited for Certain Areas. RSA 215-A:12, V is repealed and reenacted to read as follows:

V.(a) No person shall operate in this state an OHRV which is designed, constructed and sold solely for closed course competition, within 500 feet of an abutter's property line without the permission of the owner or tenant of such property. The provisions of this paragraph shall not apply to OHRVs operated at approved OHRV competitions, in the case of an emergency, when using such vehicles on state trails or private trails in conjunction with state trails, or when the exhaust system is modified to comply with the provisions of RSA 215-A:12, IV and RSA 224:52. Permission may be given to an individual or to a club.

(b) For the purposes of this section "abutter" means any person who owns property adjacent to, or across a road, railroad, or stream from the property on which OHRVs are permitted.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits any person from operating an OHRV, which is designed solely for closed course competition, within 500 feet of an abutters property line without the permission of the owner or tenant of such property.

HB 586-FN, exempting certain OHRVs from registration fees. **INEXPEDIENT TO LEGISLATE**

Rep. Thaddeus E. Klemarczyk for Transportation: The committee felt that allowing use of off highway recreational vehicles for agriculture purposes and be exempted from registration fees would only create a problem for the Department of Fish and Game and the Division of Motor Vehicles. However, the committee was in agreement that OHRVs possibly could be placed in a separate category if the machines were exclusively used to groom trails. This could be acted upon in new legislation at some point in time. Vote 15-0.

HB 610-FN, requiring the development of plans and procedures for the coordination of marine patrol law enforcement activities on New Hampshire tidal waters and requiring the

marine patrol to use the Coast Guard equipment standards on New Hampshire tidal waters exclusively. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth W. Malcolm for Transportation: House Bill 610 requires all vessels operating on tidal waters to comply with Coast Guard equipment requirements in 33 cfr 175 and 44 cfr 25 exclusively. "Tenders," as so defined, must be registered with a primary vessel number. Vote 12-0.

Amendment (3799B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring joint registration for primary craft and their tender.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Vessels Operating on Tidal Waters. Amend RSA 270:12-a by inserting after paragraph IV the following new paragraph:

V. All vessels and their registered tender operating on New Hampshire's tidal waters shall comply with Coast Guard equipment requirements in 33 CFR 175 and 44 CFR 25, exclusively.

2 New Paragraph; Definition Added. Amend RSA 270-E:2, by inserting after paragraph XI the following new paragraph:

XI-a. "Tender" means any small motorized vessel with less than a 5 horsepower engine less than 9 feet in length and used primarily for transportation to and from a primary vessel to which it is registered.

3 New Paragraph; Joint Registration for Primary and Tender Vessels. Amend RSA 270-E:3 by inserting after paragraph VIII the following new paragraph:

IX. The department shall furnish joint registration numbers to any person registering a primary vessel and a tender vessel. The tender vessel shall bear the same registration number as the primary vessel followed by a dash and the numeral one, written as "-1".

4 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill requires primary vessels and tender vessels to bear the same registration number. The number displayed on the tender vessel shall be followed by a dash one.

This bill also requires vessels and their registered tender, operating on New Hampshire tidal waters to comply with the Coast Guard equipment standards in 33 CFR 175 and 44 CFR 25.

HB 527, relative to limiting the taking of deer in Rockingham county. **INEXPEDIENT TO LEGISLATE**

Rep. Linda A. Smith for Wildlife and Marine Resources: The Committee unanimously agreed the limiting of taking deer by a muzzle loading rifle "only" in Rockingham County is not the law needed for game control and civilian safety. Vote 13-0.

HB 670-FN, repealing the authority of the fish and game department to regulate the taking and sale of clams, clam worms, and oysters and granting municipalities such authority. **INEXPEDIENT TO LEGISLATE**

Rep. Paul A. McGuirk for Wildlife and Marine Resources: The Committee felt this legislation is not necessary as present state laws are adequate. Vote 13-0.

REGULAR CALENDAR PART I (Cont'd.)

HB 639-FN-A, establishing a review board to address grievances of tenants and owners of manufactured housing parks and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: The Committee has determined that **HB 639** is the fairest most practical way to provide a solution for this long standing problem. The amendment has been agreed to by all interested parties. Vote 15-1.

Amendment (3629B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Board Established. Amend RSA 205-A by inserting after section 24 the following new subdivision:

Board of Manufactured Housing

205-A:25 Board Established; Members; Terms; Chairperson.

I. There is hereby created a board of manufactured housing consisting of 12 members. The members of the board shall be:

- (a) Three public members, appointed by the governor.
- (b) Two members of the house of representatives, appointed by the speaker of the house.
- (c) Two members of the senate, appointed by the president of the senate.
- (d) One member appointed by the governor, from a list of 2 persons nominated by the New Hampshire Manufactured Housing Association.
- (e) One member appointed by the governor, from a list of 2 persons nominated by the New England Manufactured Housing Association.
- (f) One member appointed by the governor, from a list of 2 persons nominated by the Mobile Homeowner Tenant Association.
- (g) One member appointed by the governor who is a resident of a manufactured housing park who is not a member of the Mobile Homeowner Tenant Association.
- (h) One member of the New Hampshire Bar Association, appointed by the president of such association.

II. Except for the legislative members, each person shall serve for a 3-year term and until a successor is appointed and qualified, provided, however, that the initial appointments shall be as follows: the 3 public members shall be appointed to 3-year terms, the resident of a manufactured housing park shall serve a 2-year term and the members from the housing associations, the tenants association and the bar association shall serve one-year terms. The legislative members shall serve terms which are coterminous to their terms in the general court.

III. The chairperson shall be chosen from among the members at the initial organizational meeting and shall serve at the pleasure of the members of the board.

IV. If there is a vacancy on the board, the provisions of RSA 21:33-a and 21:34 shall apply to the public members, as well as to the members appointed pursuant to subparagraphs I(d) through (h). If there is a vacancy in the members appointed by the president of the senate or the speaker of the house, the president of the senate or the speaker of the house shall appoint additional members to fill the vacancy.

V. If any member of the board misses 3 consecutive meetings, without cause, the board shall inform the appointing authority in writing and the appointing authority shall appoint a new member to the board within 60 days from the receipt of the written notification.

VI. The board shall hold meetings every 90 days and may meet more frequently as deemed necessary by the board.

205-A:26 Quorum, Disqualification of Members; Compensation.

I. A majority of the board shall constitute a quorum to conduct hearings, and a vote of at least 4 members present and voting in favor shall be required to adopt and approve any matter under consideration.

II. A board member may disqualify himself relative to any matter before the board, or if the board votes that any member has or may have a conflict of interest in any matter before the board, that member shall be disqualified to sit as a board member on the particular matter. The board may hear the matter if it has a quorum. If the board does not have a quorum, the governor shall appoint an additional public member to hear the particular matter pending before the board.

III. The legislative members of the board shall receive legislative mileage. The remaining members shall receive mileage at the state employee rate.

205-A:27 Jurisdiction; Procedure.

I. The board shall hear and determine matters involving manufactured housing park rules, specifically RSA 205-A:2, RSA 205-A:7, and RSA 205-A:8.

II. Notwithstanding any other provision of law to the contrary, the board shall not have jurisdiction over any issues relative to rent or rental increases or jurisdiction over evictions.

III. Nothing in this subdivision shall preclude the right of the board to use the services of a mediator to resolve a dispute involving manufactured housing park rules.

IV.(a) Any resident of a manufactured housing park or any owner of a manufactured housing park may petition the board by filing a complaint with the board and paying a \$25 filing fee which shall be used to defray the costs of the board. Such filing fee may be waived by the board if the board determines that such fee will cause an unfair financial burden on the petitioner. After review of the claim and a decision by the board that the matter has merit and is not frivolous, the board shall schedule a hearing within 60 days from the receipt of the claim. If the board finds the claim to be without merit or to be frivolous, it shall dismiss the complaint and explain in writing to the complainant its reasons for dismissing the complaint.

(b) The board shall serve notice, in writing, of the time and place of the hearing upon all appropriate parties at least 20 days prior to the date of the hearing. Both parties to the complaint may be represented by counsel.

(c) All hearings held by the board shall be held pursuant to RSA 541-A:16-21 unless such proceedings are specifically inconsistent by the provisions of this subdivision. All hearings of the board shall be subject to the provisions of RSA 91-A. The board shall not be bound by common law or statutory rules of evidence but may admit all testimony having a reasonable probative value. It may exclude evidence which, in the opinion of the board, is immaterial, irrelevant, or unduly repetitious.

205-A:28 Decisions; Judicial Review and Enforcement.

I. When the board makes its decision, an order shall be made in writing and shall include findings of facts. The findings of facts shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. The parties shall be notified by mail of any decision or order.

II. After a decision of the board, the board shall, at the request of either party or upon its own motion, file a certified abstract thereof with the clerk of the superior court in the county of residence of the complainant. The clerk of the court shall enter judgment thereon, and such judgment may be enforced in the same manner as any final judgment of the superior court.

III. A decision by the board may be appealed, by either party, to the superior court or, at the appellant's option, pursuant to RSA 541.

IV. Any party to or participating in the action and proceeding before the board may apply for a rehearing and may appeal to the superior court for the county in which either party resides in the same procedure as provided for appeals in RSA 677:2-14 inclusive. Service of the appeal shall be made on any member of the board, and the superior court shall have the same jurisdiction to dispose of the appeal as provided in RSA 677:2-14 governing appeals.

205-A:29 Meetings and Records. The board shall hold meetings in Concord, New Hampshire. The records of the board shall be maintained at the office of the Granite State Association of Non-Profits or a successor non-profit organization.

205-A:30 Notification and Cooperation Required. The board shall notify the bureau chief of the consumer protection and antitrust bureau, department of justice that the board may accept and act on written complaints properly forwarded to it by such bureau relative to manufactured housing.

205-A:31 Fund Established. Notwithstanding RSA 6:12, the amount raised under RSA 205-A:27, IV(a) and all appropriations shall be kept by the board in a special fund known as the

manufactured housing board fund to be used exclusively for the administrative costs of the manufactured housing board and shall not be diverted for any other purpose.

205-A:32 Rulemaking. The board shall adopt rules under RSA 541-A relative to the administration of the manufactured housing board fund established in RSA 205-A:31 and any other matter necessary to the administration of this subdivision.

2 New Subparagraph; Special Fund. Amend RSA 6:12, I by inserting after subparagraph (hhh) the following new subparagraph:

(iii) Moneys received under RSA 205-A:25 - 205-A:31, which shall be credited to the manufactured housing board fund.

3 Appropriation. The sum of \$10,000 for the fiscal year ending June 30, 1994, is hereby appropriated to the board established in section 1 of this act for its startup costs. This appropriation shall be nonlapsing. The governor is authorized to draw his warrant for said sum out of any moneys in the treasury not otherwise appropriated.

4 Nomination to the Board of Manufactured Housing. All nominations for membership to the board, established in RSA 205-A:25, I, which require the governor's appointment, shall be submitted to the governor within 60 days from the effective date of this act, and the governor shall appoint the member to the board within 60 days from the receipt of the nominations. If no nomination is necessary under the provisions of this act, then the appointments shall be made within 60 days from the effective date of this act.

5 Applicability. The board shall begin to hear matters involving manufactured housing park rules within 120 days of passage of this act.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a board of manufactured housing to address grievances of tenants and owners of manufactured housing parks. The board does not have jurisdiction over issues relative to rent or eviction.

The manufactured housing board is to be funded through a filing fee.

The bill makes an appropriation for the board's startup costs.

Adopted.

Report adopted and referred to Executive Departments and Administration.

HB 260-FN-A, establishing a used oil collection act program and an automotive oil road toll to fund such program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard O. Wasson for Environment and Agriculture: House Bill 260 establishes a used oil collection program and an automotive oil fee to fund such program. This bill will provide assistance to municipalities in the establishment and/or enhancement of used oil collection centers throughout the state to make it convenient and environmentally safe for residents to dispose of such oil. The funding for this program is to be by way of a \$0.04 per gallon fee charge to distributors on all virgin automotive oil coming into our state. Vote 15-0.

Amendment (3914B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a used oil collection program and an automotive oil fee to fund such program.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. The general court finds and declares that millions of gallons of used oil are generated each year in the state and that this oil is a valuable resource which can be utilized as a source of energy or as re-refined products. Despite this potential value, a significant amount of used oil is improperly disposed of resulting in environmental pollution and a waste of valuable resources.

II. The general court finds that although there is an existing system for the collection and recycling of used oil generated by business and industry, private citizens have only limited access to that system and often dispose of their used oil on land or in landfills, sewers, drainage systems, septic tanks, surface or ground waters and elsewhere.

III. It is the intent of the general court to reduce the amount of improperly disposed used oil by:

(a) Providing grant money to political subdivisions of the state to establish or improve used oil collection centers;

(b) Creating an educational program to encourage the proper use, handling and disposal of used oil; and

(c) Enforcing state and federal laws relative to the proper use, handling and disposal of used oil.

2 Automotive Oil Definition. Amend RSA 147-B:2 by inserting after paragraph 1 the following new paragraph:

1-a. "Automotive oil" means any lubricating oil, which is reclaimable, classified for use in an internal combustion engine, transmission, gear box or differential for a motor vehicle, boat, off highway recreational vehicle, or commercial or household power equipment.

3 Used Oil Definition. Amend RSA 147-B:2, XIII to read as follows:

XIII. "Used oil" means any oil that has been refined from crude oil, *or synthetic oil*, which, through use or handling, has become unsuitable for its original purpose due to the presence of physical or chemical impurities or loss of original properties.

4 Separate Accounting. Amend RSA 147-B:6 by inserting after paragraph 1-c the following new paragraph:

1-d. Fees collected in accordance with RSA 147-B:12 and deposited in the hazardous waste cleanup fund shall be accounted for separately and used in the used oil collection program as provided in RSA 147-B:13.

5 Rulemaking. Amend RSA 147-B:7 by inserting after paragraph III the following new paragraph:

IV. The division of waste management shall adopt rules, pursuant to RSA 541-A, relative to procedures and criteria for funding used oil collection centers as provided in RSA 147-B:13, and relative to the annual reports submitted by used oil transporters as provided in RSA 147-B:14.

6 Used Oil Exemptions. Amend RSA 147-B:9 to read as follows:

147-B:9 Exemptions.

[I.] The following shall not be subject to the fees established in RSA 147-B:8:

I. [(a)] Sludge from publicly owned treatment works located in the state, as defined in rules adopted by the division of waste management;

II. [(b)] Bottom boiler ash and flyash from incinerators which process solely municipal waste, as defined in rules adopted by the division of waste management; and

III. [(c)] Hazardous wastes[, except used oil,] which are recycled and exempt from the fee under RSA 147-B:8.

[II.] The following shall not be classified as marketers pursuant to RSA 147-B:2, VIII-c:

(a) Municipalities which collect used motor oil for recycling.

(b) Used oil generators and transporters who transport used oil received only from generators, unless they transfer their used oil directly to a person who burns it for energy recovery.

(c) Used oil generators and transporters who collect used oil only from generators and transfer used oil to incidental burners. Persons who burn some used oil fuel for the purposes of processing or other treatment to produce used oil fuel for marketing shall be considered to be burning incidentally to processing.]

7 New Subdivision; Used Oil Collection. Amend RSA 147-B by inserting after section 11 the following new subdivision:

Used Oil Collection

147-B:12 Automotive Oil Fee.

I. A fee of \$.04 per gallon of automotive oil shall be assessed at the time of import to this state. Persons licensed under RSA 146-A:11-b, II shall be liable for payment of this additional fee which shall be collected and enforced by the department of safety in the manner described in RSA 146-A:11-b. The division of waste management may waive all or any portion of penalties or interest for good cause. All fee revenues shall be deposited in the hazardous waste cleanup fund in accordance with RSA 147-B:6, I-d.

II. The department of environmental services may apply for, request, solicit, contract for, receive, and accept gifts, grants, donations, and other assistance from any source to carry out the purposes of this subdivision.

147-B:13 Use of Money Collected.

I. The division of waste management shall use the money collected under RSA 147-B:12 to:

(a) Award grants to political subdivisions of the state to pay no more than \$1,000 of the cost of establishing or improving used oil collection centers at public facilities such as fire stations, police barracks, highway departments, county garages, solid waste facilities or other suitable public locations; and provide technical assistance to persons who organize such programs. If the cost of establishing or improving any such used oil collection center is \$1,000 or less, the division shall award a grant for the entire cost. In providing funding under this subparagraph, priority shall be given to political subdivisions without public collection centers followed by political subdivisions that have inadequate collection centers.

(b) Develop an educational program on the proper use, handling and disposal of used oil by the public and private businesses.

(c) Provide personnel, equipment and services to administer and enforce the provisions of this subdivision and state and federal laws relative to the proper use, handling and disposal of used oil.

II. The commissioner of environmental services may, within the limits of moneys appropriated, pay no more than \$10,000 to dispose of all or a portion of a load of contaminated used oil possessed by a political subdivision of the state.

147-B:14 Transporters Report. Transporters of used oil permitted under RSA 147-A shall submit annual reports to the division of waste management detailing the amount and type of used oil which they handle and such other information as the division may require. The division shall prepare the report forms and establish the submittal date.

147-B:15 Agency Report. The division of waste management shall submit annual reports by September 1 of each year to the House Environment and Agriculture Committee and Senate Environment Committee, commencing September 1, 1995, relative to the activities and finances of the used oil collection program.

8 Oil Import Records. RSA 21-P:14, V(q) is amended to read as follows:

(q) Procedures for the inspection and verification of oil import records pursuant to RSA 146-A:11-b, RSA 146-D:3 and RSA 146-E:3 after consultation with the division of water supply and pollution control, and the oil fund disbursement board, *and pursuant to RSA 147-B:12 after consultation with the division of waste management.*

9 Exemption Repealed. Amend RSA 146-A:11-b, II to read as follows:

II. Any person who imports or causes to be imported oil into the state, except those using oil pipelines, railroads, and highways to transport oil products between states other than New Hampshire or for international transport of oil products, shall be licensed by the department of safety under this chapter. The annual fee for the license shall be \$.001 per gallon of oil imported into this state. The fee shall be paid monthly by such person to the department of safety and then deposited by the department of safety into the oil pollution control fund administered by the division of water supply and pollution control. Imposition of the fee shall be based on the records of the person and certified as accurate to the department of safety. [The fee set in this paragraph shall not apply when the oil is packaged in individual containers of 55 gallons or less.]

10 Collection of Fees. Amend RSA 260:38, IV to read as follows:

IV. The department of safety shall be responsible for licensing and the collection of the fee established under RSA 146-A:11-b, RSA 146-D:3, and RSA 146-E:3 and transfer of such fees into the appropriate designated funds under rules adopted by the commissioner pursuant to RSA 541-A, after consultation with the division of water supply and pollution control, and the oil fund disbursement board. *The department of safety shall be responsible for the collection of the fee established under RSA 147-B:12 and transfer of such fee into the hazardous waste cleanup fund under rules adopted by the commissioner pursuant to RSA 541-A, after consultation with the division of waste management.*

11 Repeal. The following are repealed:

I. RSA 147-B:2, VIII-c, relative to the definition of marketer.

II. RSA 147-B:2, VIII-d, relative to the definition of act of marketing.

III. RSA 147-B:8, I-a, relative to the fee on used oil.

12 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill establishes a used oil collection program which:

Grants authority to the division of waste management to:

(a) Award grants to political subdivisions of the state to establish or improve used oil collection centers.

(b) Develop an educational program on the proper use, handling, and disposal of used oil.

(c) Impose an automotive oil fee to fund the program.

HB 317, establishing a grant program for closure of unlined solid waste landfills OUGHT TO PASS WITH AMENDMENT

Rep. Jeb E. Bradley for Environment and Agriculture: This bill requires the state to share the cost of federally mandated closures of unlined landfills with municipalities, subject to annual appropriations. As proposed, the state shall reimburse 20 percent of eligible costs defined in the legislation and assist local units with developing closure plans according to specific priorities established by the bill. Vote 18-0.

Amendment (4101B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Grant Provision for Closure of Unlined Solid Waste Landfills Established. Amend RSA 149-M by inserting after section 32 the following new subdivision:

Aid to Municipalities for Closure of Unlined Solid Waste Landfills

149-M:33 Declaration of Policy. In recognition of the potential for harm to both public health and the environment which can result from an unlined solid waste landfill that has not been properly closed, it is hereby declared to be the policy of this state to encourage municipalities to close all unlined solid waste landfills in accordance with RSA 149-M:3 and 149-M:8.

149-M:34 Definitions. In this subdivision:

I. "Closure" means the process used to permanently cease use of a facility, or portion of such facility, in a manner that will minimize future risks of environmental damage.

II. "Department" means the department of environmental services.

III. "Eligible costs" means the costs of the closure of a solid waste landfill eligible to be covered by the grant established by this subdivision, and shall include costs of hydrogeological and engineering investigation and design, capital construction of closure elements required by rules adopted pursuant to RSA 149-M:3 and 149-M:8, and construction supervision. Eligible costs shall exclude land acquisition, except for land which is necessary to the physical elements of closure of an unlined landfill, and any administrative, legal and fiscal costs related to the closure.

149-M:35 State Contributions. The state shall pay annually 20 percent of the annual amortization charges, meaning the principal and interest, on the eligible costs resulting from the closure of unlined solid waste landfills by municipalities in accordance with RSA 149-M:3 and 149-M:8.

149-M:36 Equitable Allocation of Costs. Notwithstanding any other provision of this subdivision, the department shall not approve any contribution under RSA 149-M:35 unless it shall first have information presented to it by the applicant that the applicant has adopted a system of setting aside municipal revenues dedicated to the closure of all publicly owned or operated solid waste facilities in the municipality.

149-M:37 Application for Grant. Application for a grant under the provisions of this subdivision shall be made in accordance with rules adopted by the department under RSA 541-A.

149-M:38 Application Agreement. Applications for state grants under this subdivision shall contain an agreement that the applicant has closed or shall close the unlined solid waste landfill in accordance with plans and specifications approved by the department and will provide proper post-closure monitoring and maintenance of the landfill. Such plans and specifications

shall not be more stringent than federal requirements. Failure to close the solid waste landfill in accordance with plans and specifications approved by the department or to provide proper post-closure monitoring and maintenance of the landfill shall result in loss of payments of the annual grant installment next following such failure. Such loss of payment of the annual grant installment shall continue in effect until such time as the municipality has completed the steps necessary to close the landfill in accordance with plans and specifications approved by the department and has provided proper post-closure monitoring and maintenance of the landfill.

149-M:39 Eligibility and Priority of Applications.

I. The department shall establish and maintain a list of closures eligible to receive grants pursuant to RSA 149-M:35. The list shall identify the projects in priority order beginning with the highest priority as set forth in RSA 149-M:41.

II. The list for each fiscal year shall be prepared based on information supplied to the department by the applicant no later than February 1 prior to the beginning of each fiscal year.

III. The commissioner or designee shall hold an annual public hearing to receive testimony on the list proposed for each fiscal year. After considering the testimony offered at the hearing, the commissioner shall prepare the final list, and assistance shall be granted in the fiscal year accordingly.

IV. Notwithstanding any other law to the contrary, the provisions of this section shall not be subject to RSA 541-A.

149-M:40 Assistance to Municipalities. The department shall have the duty to:

I. Provide advice to municipalities engaged in:

- (a) Preliminary project planning and design;
- (b) Development of closure plans; or
- (c) Development of grant applications for funding under this subdivision:

II. Review and approve preliminary and final closure plans for the proposed project, in accordance with RSA 149-M:3 and 149-M:8.

III. Review and approve revisions or formal addenda to approved plans and specifications.

IV. Process grant applications for state approval.

V. Perform periodic site inspections as necessary.

VI. Review and approve change orders during the construction period.

VII. In conjunction with the applicant's qualified professional engineer, conduct an inspection of the landfill upon completion of the closure work to approve substantial completion.

VIII. Based upon a satisfactory construction completion inspection, and the receipt of as-built drawings, review and approve final eligible project costs.

149-M:41 Priorities. Considerations for determining eligibility for assistance shall be as follows, in order of highest to lowest priority:

I. Facilities with closure plans that have been approved and are ready for construction, and within this group the priority shall be as follows:

- (a) Facility poses an immediate risk to human health.
- (b) Facility poses a potential risk to human health.
- (c) Facility has an identified high level source of contamination.
- (d) Facility has an identified surface water impact.
- (e) Facility has an approved closure plan ready for construction.

II. Facilities with closure plans that have been deemed complete, and within this group the priority shall be as follows:

- (a) Facility poses an immediate risk to human health.
- (b) Facility poses a potential risk to human health.
- (c) Facility has an identified high level source of contamination.
- (d) Facility has an identified surface water impact.
- (e) Facility has a closure plan that has been deemed complete.

III. Facilities for which hydrogeological investigations have been initiated in accordance with a work plan approved by the department, which have obtained a groundwater permit, and which are actively in the process of having a closure system designed.

IV. Facilities for which hydrogeological investigations have been initiated in accordance with an approved workscope and for which closure is actively being pursued.

V. Facilities which show high concentrations of groundwater impact in an area where drinking water is drawn from the groundwater, and an alternative water supply is not available.

VI. Facilities which show high concentrations of groundwater impact in an area where drinking water is drawn from the groundwater, and an alternative water supply is available.

VII. Facilities which show low concentrations of groundwater contamination in an area where drinking water is drawn from the groundwater, and an alternative water supply is not available.

149-M:42 Applicability; Reimbursement of Eligible Costs. The department shall determine the eligible costs of each municipal solid waste landfill completed between fiscal year 1985 and fiscal year 1995 in accordance with the records on file at the department pertaining to each such closure and its eligible costs. The department shall assume 20 percent of such eligible costs and the interest cost related to that 20 percent on bonds issued on such projects beginning on July 1, 1995. The department shall determine the amount due for such eligible costs prior to July 1, 1995 and, with prior approval of the fiscal committee and the governor and council, reimburse each municipality subject to the funds as appropriated by the legislature for this purpose.

2 Effective Date. This act shall take effect July 1, 1995.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill, sections 1-10 of which are requested by the board of examiners of psychology and mental health practice, redefines certain procedures applicable to the board of examiners of psychology and mental health practice.

1. The term "certificate holder" is defined and substituted for the term certified members and similar terms.

2. Board members shall receive \$100 per diem for attending meetings of the board or its committees.

3. Administrative fines may be assessed for persons other than those subject to discipline under RSA 330-A:14.

4. The cap on administrative fines is increased to \$3,000, and a \$300 daily fine may be assessed for as long as the violation continues.

5. Those eligible to be retained for adjudicatory proceedings are redefined and include "other qualified persons." With limitations, the board may request the governor and council to provide funding for such expenses.

6. In addition to board members, their designees may preside at hearings and issue oaths or affirmations to witnesses. However, at least one board member shall be present.

The bill also adds new duties to the consumer protection and anti-trust bureau and transfers money from the PAUs for certain regulatory boards to the consumer protection and anti-trust bureau for that purpose.

HB 414-FN-L, providing a 2 percent cost of living adjustment for permanent firemen members of the retirement system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill will provide a 3.5 percent COLA for the firemen members of the Group II section of the New Hampshire Retirement System. This COLA will be retroactive to January 1, 1994 for those that retired prior to January 1, 1992. This COLA will be terminally funded from the Firemen's Component of the Special Account. Vote 13-0

Amendment (3782B)

Amend the title of the bill by replacing it with the following:

AN ACT

providing a 3.5 percent cost of living adjustment for permanent firemen members of the retirement system.

Amend the bill by replacing all after the enacting clause with the following:

1 Supplemental Allowance for Permanent Firemen Members of Group II. As of January 1, 1994, all group II permanent firemen beneficiaries of the New Hampshire retirement system or of its predecessor systems who retired on or before January 1, 1992, and who are receiving

retirement allowances according to RSA 100-A or RSA 102 shall receive an additional allowance of 3.5 percent. The additional allowance shall become a permanent addition to each beneficiary's base retirement allowance, as provided in RSA 100-A:41-a.

2 Funding of Additional Allowance. The total actuarial cost of providing the additional allowance as provided in section 1 of this act shall be funded from the group II permanent firemen member component of the special account created by RSA 100-A:16, II(h) on a terminal basis as of June 30, 1994.

3 Effective Date. This act shall take effect June 30, 1994.

AMENDED ANALYSIS

As of January 1, 1994, this bill grants all group II permanent firemen beneficiaries of the New Hampshire retirement system or of its predecessor systems who retired on or before January 1, 1992, an additional allowance of 3.5 percent.

HB 459-FN-A, establishing a demonstration program for a long-term residential treatment program for pregnant and post-partum substance abusing women and their children and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs: This bill was referred, awaiting only the approval of the grant application from OADAP by the Federal government for funding of this five-year demonstration program serving substance-abusing pregnant and post-partum women. Approval resulted in the initial funding for the first year and Federal funds were available instate October 1, 1993. Vote 11-0.

Amendment (3969B)

Amend the bill by replacing section 2 with the following:

2 Program Established. There is established a 5-year demonstration program for long-term residential treatment for pregnant and post-partum substance abusing women and their children.

Amend the bill by replacing sections 5 and 6 with the following:

5 Appropriation. A sum not to exceed \$325,000 which provides a match to federal funding in the ratio of \$1 state to \$9 federal for 2 years and a ratio of \$1 state to \$3 federal for the 3 following years for the purposes of this act is appropriated to the office of alcohol and drug abuse prevention, department of health and human services, for the biennium ending June 30, 1995. This appropriation shall not lapse until June 30, 1996. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

6 Applicability. Sections 1-5 of this act shall only take effect if the office of alcohol and drug abuse prevention is successful in obtaining a 5-year federal grant for treatment services for pregnant and post-partum substance abusing women and their children. The director of such office shall certify such fact to the state treasurer, and sections 1-5 of this act shall take effect upon the certification date.

AMENDED ANALYSIS

This bill establishes a 5-year demonstration program for a long-term residential treatment program for pregnant and post-partum substance abusing women and their children in the event that federal moneys become available. The office of alcohol and drug abuse prevention would administer the program.

The bill makes a contingent appropriation which would represent the state's share of a federal grant.

HB 635-FN, relative to social security cost-of-living increases to certain recipients of assistance. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maxwell D. Sargent for Health, Human Services and Elderly Affairs: This bill passes on any supplemental and social security increase to recipients in Residential Care and Com-

munity Residences, and prohibits the State from reducing its contribution so the recipient's standard of payment actually increases. The bill also increases the present standard of need for these recipients from \$640 to \$740 to partially compensate them for nine years with one increase. Vote 11-0.

Amendment (3389B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Cost-of-Living Increases to Residents of Residential Care Facilities and Community Residences. Amend RSA 167 by inserting after section 27-b the following new section:

167:27-c Cost-of-Living Increases to Residents of Residential Care Facilities and Community Residences. The state shall maintain its minimum supplementary payment levels to recipients of assistance at residential care facilities and community residences in conjunction with supplemental and social security increases. The director of the division of human services, department of health and human services, shall not decrease the amount of the state's contribution paid to recipients of financial assistance in residential care facilities and community residences because of such supplemental and social security increases.

2 Standard of Need Increased. The current standard of need for residential care facilities shall be increased to \$740 per month on the effective date of this act. This figure shall be used as a baseline figure for future adjustments for cost of living increases. The \$740 per month reflects the past cost of living adjustments that have not been taken into account in the current standard of need.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits the director of the division of human services, department of health and human services, from decreasing the amount of the state's contribution paid to a residential care facility or community residence because of a social security cost-of-living increase to a recipient of such assistance.

This bill also increases the current standard of need for residential care facilities to \$740 per month. This increase reflects the past cost of living adjustments that have not been included in the current standard of need and shall be used as a baseline figure.

HB 257-FN, relative to the disposition of revenue received by the bureau of common carriers, department of safety. OUGHT TO PASS WITH AMENDMENT

Rep. John P. Chandler for Public Works: The committee amendment replaces the original bill in its entirety and establishes a dedicated transportation fund using current general fund revenues (estimated \$3.6 million annually) to provide the state portion of funding for transportation infrastructure and associated administrative costs for which state highway funds may not be used because of constitutional constraints. This transportation fund assumes expenditures for administrative costs and infrastructure improved in the FY '95 budgets from the general fund (estimated \$1.4 million), so that the net draw on the general fund annually is estimated at \$2.2 million. This money would be available for the state match for additional non-highway transportation programs, and could leverage \$10M-\$15M in Federal funds which do not now reach the state each year. The one common characteristic of the amendment and the original bill is that the disposition of common carrier fees and fines is changed from current statute, which raises a constitutional question. The committee intends to request adoption of the amendment and then to table the amended bill in order to address House Resolution 18 before taking final action on the bill. Vote 13-5.

Amendment (3578B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a transportation fund to fund transportation infrastructure
which cannot be funded with highway fund moneys.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Transportation Fund. Amend RSA 6:12, I by inserting after subparagraph (hhh) the following new subparagraph:

(iii) Moneys received from common carriers for deposit in the transportation fund established in RSA 228:15-a.

2 Reference to Transportation Fund. Amend RSA 21-L:1, II to read as follows:

II. This act shall not be construed in any way to affect dedications of revenue provided for in the constitution or laws of the state, including the dedicated highway fund provided for by part II, article 6-a of the New Hampshire constitution, or the dedicated [aeronautical] *transportation* fund established by RSA [422:42] *228:15-a*.

3 New Section; Transportation Fund. Amend RSA 228 by inserting after section 15 the following new section:

228:15-a Transportation Fund. The state treasurer shall establish a nonlapsing, continually appropriated special fund to be known as the transportation fund. All moneys in the fund are hereby appropriated to be expended by the commissioner to fund the state portion of transportation infra-structure and the administrative costs, including administrative overhead to the department of transportation which may not be funded through Article 6-a, Part II of the New Hampshire Constitution. Subject to budgetary limitations, the transportation fund is annually appropriated for the use of the department during the fiscal year of its receipt by the state treasurer, and the unexpended balance of said fund shall be carried forward and added to the appropriation for the subsequent year and may be expended with the approval of the fiscal committee and governor and council. All proceeds derived from the following sources shall be deposited into the transportation fund:

I. The sale or lease of any rail properties and income derived by the commissioner of transportation as a result of action taken pursuant to RSA 228:54-75, and any gifts, grants other than grants or portions of grants which are appropriated for a specific purpose, or donations for the purposes of RSA 228:54-75.

II. All fees, fines, or other income received by the commissioner under RSA 422 and airways tolls collected by the director of motor vehicles. [Of] The moneys annually appropriated for aeronautics purposes equal to revenue derived from the airways toll from the transportation fund[, 1/2] shall be used for the establishment and maintenance of air navigation facilities on the state airways system [and 1/2 shall be used for the repayment of bonds or notes authorized under RSA 422]. Moneys derived from the airways toll, available for the establishment and maintenance of air navigation facilities, may be paid over directly to a city or town which has established an aeronautical fund in accordance with RSA 423:6-8.

III. All revenues collected by the bureau of common carriers, office of the commissioner of the department of safety, under RSA 375-A, within the limits established by RSA 375-A:23.

IV. All fees and fines collected by the bureau of common carriers, office of the commissioner of the department of safety, under RSA 375-B.

V. All fees and fines collected by the bureau of common carriers, office of the commissioner of the department of safety, under RSA 376, within the limits established by RSA 376:28.

4 Changing Reference to Railroad Fund. Amend RSA 228:67 to read as follows:

228:67 Disposition of Acquired or Abandoned Rail Properties. Whenever the commissioner determines that certain acquired or abandoned rail properties owned by the state pursuant to RSA 228:60-a, II; 228:60-a, VI; 228:60-b; or any other means are no longer needed, he may transfer or sell such rail properties, excluding the railroad bed and right-of-way lying within a corridor, to any other state department or agency, or political subdivision of the state, which will utilize such properties for public purposes and, if no state department or agency, or political subdivision, wants such properties, the commissioner may sell them, with the proceeds from the sale distributed to the Federal Railroad Administrator, Department of Transportation, in accordance with the grant agreement for the federal share of the participation in the original purchase of the rail properties. The balance shall be deposited into the [special] *transportation* fund established in RSA [228:68] *228:15-a*. Such transfer or sale shall require approval of the long range capital planning and utilization committee and the governor and

council. For the purpose of this section, "corridor" shall mean from the point of origin of railroad tracks or bed and right-of-way to the point of terminus within the state, excluding spur lines and sidings which are incidental to the main line.

5 Deposit of Mass Transportation Revenues into the Transportation Fund. Amend RSA 228:71, X to read as follows:

X. Accept gifts and grants from agencies of local, state and federal governments or from private agencies or persons, and accede to such conditions and obligations as may be imposed as prerequisites to such gifts and grants; except that no gift or grant of real property or tangible personal property shall be accepted without the approval of the governor and council as provided in paragraph V of this section. *All moneys from the sale and lease of property under paragraph V and gifts and grants under paragraph X shall be deposited in the transportation fund, established in RSA 228:15-a.*

6 Disposition of Common Carrier Fees. Amend RSA 375-A:18, II to read as follows:

II. The department of safety, division of motor vehicles, shall deduct from the fees received under subparagraphs (b) and (c) of paragraph I the actual cost of issuing such registration certificates and number plates and shall forward the balance to the [department to be used by it in the administration of this chapter] *transportation fund established in RSA 228:15-a.*

7 New Sections; Funding of Chapter; Disposition of Revenues. Amend RSA 375-A by inserting after section 21 the following new sections:

375-A:22 Funding for the Bureau of Common Carriers, Office of Commissioner of the Department of Safety. All funding necessary for the proper administration of this chapter shall be charged against the transportation fund.

375-A:23 Disposition of Revenues. Except as provided in RSA 375-A:18, II, all fees and fines collected pursuant to this chapter shall be deposited in the transportation fund.

8 Disposition of Revenues. Amend RSA 375-B:25 to read as follows:

375-B:25 Disposition of Revenues. All fees and fines collected pursuant to [the provisions hereof shall be made available to the department for use in the administration and enforcement hereof] *this chapter shall be deposited in the transportation fund established in RSA 228:15-a.*

9 New Section; Funding for Chapter. Amend RSA 375-B by inserting after section 25 the following new section:

375-B:26 Funding for the Bureau of Common Carriers, Office of the Commissioner of the Department of Safety. All funding necessary for the proper administration of this chapter shall be charged against the transportation fund.

10 Disposition of Revenues. RSA 376:28 is repealed and reenacted to read as follows:

376:28 Disposition of Revenues. All fees and fines collected pursuant to this chapter shall be deposited in the transportation fund established in RSA 228:15-a, except that the cost of issuance of registration plates shall be paid to the division of motor vehicles, department of safety.

11 New Section; Funding for Chapter. Amend RSA 376 by inserting after section 28 the following new section:

376:28-a Funding for the Bureau of Common Carriers, Office of the Commissioner of the Department of Safety. All funding necessary for the proper administration of this chapter shall be charged against the transportation fund.

12 Changing Reference to Aeronautical Fund. Amend RSA 422:41 to read as follows:

422:41 Disposition of Revenue. All fees, fines or other income received under the provisions of this chapter shall be paid by the department to the state treasurer and be credited to the [aeronautical] *transportation fund.*

13 Changing Reference to Aeronautical Fund. Amend RSA 423:8 to read as follows:

423:8 Transfer of Aeronautical Funds. Any town may, by vote at the annual meeting, authorize the transfer of any part of its aeronautical fund to the department of transportation for use for purposes authorized under RSA 423:7. The town or city transferring such funds may specify the purpose for which such funds may be expended. A city may authorize such transfer by vote of the city council. Funds so transferred to the department shall not be subject to RSA [422:42] *228:15-a.*

14 Transfer of Funds and Obligations.

I. All moneys in the special railroad fund and the aeronautical fund on July 1, 1994, shall be transferred to the transportation fund established under RSA 228:15-a.

II. All outstanding obligations of the department of transportation made prior to July 1, 1994, which encumber moneys in the special railroad fund and the aeronautical fund shall be transferred to the transportation fund.

15 Budget Totals Adjusted. The commissioner of the department of administrative services is authorized to adjust totals in the 1995 operating budget as made necessary by the passage of this act.

16 Repeal. The following are repealed:

I. RSA 228:68, relative to the special railroad fund.

II. RSA 228:69, relative to the appropriation and use of the special railroad fund.

III. RSA 422:42-44, relative to the aeronautical fund and certain fees.

17 Effective Date. This act shall take effect July 1, 1994.**AMENDED ANALYSIS**

This bill establishes a transportation fund to fund transportation infrastructure which cannot be funded with highway fund moneys and to cover the state portion of the administrative costs of the department of safety and transportation for common carriers, railroad and aeronautic transit.

The bill consolidates the aeronautics and special railroad and public transit funding sources and includes fees and fines imposed by the bureau of common carriers, department of safety. Adopted.

Rep. John Chandler spoke to the report.

Adopted and referred to Appropriations.

HB 659-FN, relative to road tolls on users of special fuel. **INEXPEDIENT TO LEGISLATE**

Rep. Edwin O. Smith for Public Works: The subcommittee heard from the Department of Safety that the loss of fuel tax revenues was not of significance. It was further reported that the EPA is requiring the coloration of High Sulfur Fuels and the IRS is also requiring coloration of fuels for tax purposes. It was felt that the coloration of fuel by the Federal Government could help account for some of the lost fuel in New Hampshire. Vote 12-6.

Adopted.

SB 68, establishing a challenge grant to restore and preserve the Nansen ski jump facility. **REFER FOR INTERIM STUDY**

Rep. Winston H. McCarty for Public Works: The committee felt this bill has some merit but much more preliminary planning, and a firming up of the financial responsibility and participation of the community is needed. Therefore, the committee voted 17-2 to send this to Interim Study to give time for this to be done. Vote 17-2.

Adopted.

SB 162-FN-L, authorizing the sweepstakes commission to establish video lottery games **INEXPEDIENT TO LEGISLATE**

Rep. Leona Dykstra for Regulated Revenues: The majority of the committee was not in favor of expansion of gambling by allowing video gambling in every liquor licensed establishment and race tracks. Many hearings were held by the committee. Vote 9-5.

Adopted.

RECESS**(Speaker Burns in the Chair)****GUESTS ON THE ROSTRUM**

Catherine Hayden, Bob Cushion and Matt Paul, guests of the House.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 51

honoring the Nashua High School Center of Applied Technology Team,
winners of the United States Skill Olympics

WHEREAS, the team of Catherine Hayden, Bob Cushion and Matt Paul of the Center of Applied Technology at Nashua High School won the Automated Manufacturing Technology Contest at the United States Skill Olympics, held in Louisville, Kentucky in June of 1993, and

WHEREAS, the Automated Manufacturing Technology Contest is sponsored by VICA, the Vocational Industrial Clubs of America, and

WHEREAS, there are 54 national competitions in the Skill Olympics and all contestants are winners of their individual state competitions, and

WHEREAS, the Nashua High School team won its state competition in May 1993, and

WHEREAS, the Automated Manufacturing Contest is the only team competition in the Skill Olympics, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that the Nashua High School Center of Applied Technology United States Skill Olympics Team be saluted for winning that national competition, and be it further

RESOLVED, that a suitable copy of this Resolution be prepared for presentation to the team. Adopted.

SPECIAL GUESTS

Mr. & Mrs. Robert Hayden, Mr. & Mrs. Robert Cushion and family, Mr. & Mrs. Robert Paul, Paul Duquette, Robert Pariseau, Diane McDonald, Cliff Church, Marge Fraser, Len Martin, Robert Hall, Heidi Thompson, Roger Davies, Bruce Olsen, Richard McManus and Mark O'Bryan, guests of the House.

SPECIAL ORDERS

HB 442-FN, creating the New Hampshire trade port commission. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Anthony Syracuse for the Majority of Commerce, Small Business and Consumer Affairs: This bill was re-referred to resolve concerns of the Appropriations Committee. In the process the name was changed from the New Hampshire Trade Port Commission to the New Hampshire Port Authority. The board selection process was also changed. The new authority no longer will be allowed to borrow money to pay for operating expenses. The operating budget will be submitted thru the Governor to the General Court for approval and appropriations. A Facilities Improvement Fund is established with appropriated funds to allow renovation of existing buildings to generate rental income. Three members of the nine-member board will be selected by the Governor. Strafford County Representatives and Senators will each nominate a candidate from which the Governor will select one. One member will be selected by the Senate President and the other by the Speaker of the House. One will be selected by the Town of Newington and two by the City of Portsmouth. The merger will occur on July 1, 1994 to be in phase with the State budget cycle. The original bill passed the House by a 260 to 113 vote. Vote 11-4.

Rep. Martha Fuller Clark for the Minority of Commerce, Small Business and Consumer Affairs: The dissenting members of the committee, while not necessarily opposed to the intent of HB 442, could not support the bill at this time because a full review of the existing legislation had not been completed at the time the vote was taken, nor was time provided to review the merits or weaknesses of the bill as amended by the subcommittee. Specifically, no discussion occurred with regard to changes made in the configuration of the board or the date set for the merger. In addition several dissenting members believed that further consideration and revision regarding the newly proposed funding mechanisms and obligations for the proposed NH Port Authority was also needed.

Amendment (3943B)

Amend the title of the bill by replacing it with the following:

AN ACT

creating a new New Hampshire port authority and
making an appropriation therefore.

Amend the bill by replacing all after the enacting clause with the following:

1 New Hampshire Port Authority. RSA 12-G is repealed and reenacted to read as follows:

CHAPTER 12-G

NEW HAMPSHIRE PORT AUTHORITY

12-G:1 Declaration of Purpose.

I. The general court recognizes that the operation of 2 authorities within close proximity of each other, with the same economic goals of creating commerce, employment and other business, is best served by consolidating the daily operations into one management entity. The consolidation has the distinct advantage of a unified worldwide marketing program which will maximize the potential for economic revitalization of the seacoast communities and the state of New Hampshire.

II. In addition, the general court embraces as an economic goal, the completion of the seaport expansion permitted by the Corps of Engineers in January 1993. The utilization of bonding authority, acquisition of federal grants and public/private funding is encouraged.

III. It is also the intent of the general court to acknowledge the importance of New Hampshire's quality of life by pursuing environmentally responsive development of the seaport and former air base. Every effort shall be made to foster and encourage a continued environmentally sensitive high quality of life for future generations.

IV. The general court fully endorses, and acknowledges the benefits that may accrue by participating in public/private partnerships, to include private sector funding, whenever such partnerships contribute to managed economic progress of the region.

V. The general court recognizes that the closure and redevelopment of Pease Air Force Base is a matter of great concern for the town of Newington, the city of Portsmouth, the seacoast region, and the state of New Hampshire. It is also the intent of the general court to return non-airport district land, with the exception of the golf course at the airbase, to the tax bases of Portsmouth and Newington.

VI. The general court further recognizes that the economies, environment, and quality of life of the affected communities, the seacoast region, and the state will depend on the speedy and proper development of the port and the former air base.

VII. It is further declared that creation of a New Hampshire port authority to promote, oversee, and integrate the development of the former air base and the port is in all respects for the benefit of the affected communities, the seacoast region, and the state and for the improvement of their welfare and prosperity, including the creation of employment and other business opportunities.

VIII. The general court also recognizes the economic necessity for the maintenance and development of the ports, harbors, and navigable tidal rivers of the state of New Hampshire from the head of navigation to the seaward limits within the jurisdiction of the state. There is a need to foster and stimulate commerce and the shipment of freight through the state's ports and to assist shipping, and commercial and industrial interests that may depend on the sea for transport of products, including such interests as may be desirous of locating in tide-water areas of the state. The general court encourages the establishment of accommodations for the boat traveler, the area boat owners, the pleasure fishermen, and others who pass up and down our coast line or in its tributaries.

IX. The general court realizes it is important to plan, develop, maintain, use, and operate land transportation facilities within a 15 mile radius of the authority headquarters at Portsmouth and maintain, use and operate facilities on property owned or controlled by the authority.

X. To these ends, the authority shall cooperate with the Seacoast Metropolitan commission, the department of transportation, and departments, agencies, authorities, or commissions of the federal, state or local governments and accept grants, aid, or services from such agencies.

12-G:2 Definitions. In this chapter:

I. "Airport district" means:

(a) The property conveyed, granted or otherwise transferred to the authority or its predecessor by the federal government or any agency thereof pursuant to section 13(g) of the Surplus Property Act of 1944 (50 U.S.C. App. section 1622(g)), as amended; or

(b) Property conveyed, granted or otherwise transferred to the authority or its predecessor by the federal government or any agency of the federal government and declared or designated by the authority as the "airport district" in accordance with the procedures prescribed in RSA 12-G:14, II after the expansion or contraction of the district has been approved by the governing body of the municipality in which the land sought to be added to or taken from the airport district is located.

II. "Appointing authorities" means the governor and executive council, the president of the senate, the speaker of the house of representatives, the mayor and city council of the city of Portsmouth, and the board of selectmen of the town of Newington.

- (4) Asbestos in housing at Pease Air Force Base on October 10, 1989.
- (5) The provision of health care for military retirees on October 24, 1989.

(b) Any other statement of intent designating a resolution and adopted by the Pease Air Force Base redevelopment commission since March 20, 1989.

XIV. "Revenues" means the gifts, contributions, and appropriations from any source and the rents, profits, fees, charges, receipts, and other income derived or to be derived by the authority from the purchase, sale, leasing, or development of properties and the operation of related facilities located on such properties and all right to receive the same, including investment earnings and the proceeds of any borrowing under this chapter or of any sale or disposition or insurance of any assets of the authority.

XV. "Security document" means any trust agreement, security agreement or resolution authorizing the issuance of or securing bonds.

XVI. "State" means the state of New Hampshire.

Structure of New Hampshire Port Authority

12-G:3 New Hampshire Port Authority Established. There is hereby created a body politic and corporate of the state, to be known as the New Hampshire port authority, to carry out the provisions of this chapter. The authority is hereby deemed to be a public instrumentality, and the exercise by the authority of the powers conferred by this chapter shall be deemed and held to be the performance of public and essential governmental functions of the state.

12-G:4 Management by Board of Directors.

I. The management of the authority shall be vested in a board of 9 directors and one ex officio non-voting member to be appointed as follows:

(a) Three members appointed by the governor and executive council. One of these members, for the first selection process only, shall be selected from the non-statutory members of the former port authority board to assure transfer of port administration experience to the board of the New Hampshire port authority. If no member of the port authority board accepts appointment, the governor and council may select a person of their choice.

(b) Two members appointed by the mayor and city council of the city of Portsmouth.

(c) One member appointed by the board of selectmen of the town of Newington.

(d) One member appointed by the president of the senate.

(e) One member appointed by the speaker of the house of representatives.

(f) One member appointed by the governor who shall be one of 2 candidates nominated by the legislative delegation of Strafford county. Of those 2 candidates one shall be nominated by the senate members of the Strafford county delegation and one shall be nominated by the house of representatives members of the Strafford county delegation.

(g) The nonvoting ex officio member shall be from the state of Maine, nominated by the governor of Maine, and appointed by the governor of New Hampshire.

II. The governor shall appoint one of the members appointed under subparagraph I(a) the chairman of the board, who shall serve in that capacity at the pleasure of the governor. Directors shall hold office for 3 years and until their successors shall have been appointed, which period shall not exceed 6 months. No member shall serve more than 2 full or partial terms. Directors shall serve staggered terms. The persons initially appointed under subparagraphs I(a) and I(b) shall serve for 3 years, those initially appointed under subparagraphs I(d), (e) and (g) shall serve for 2 years, and those initially appointed under subparagraphs I(c) and (f) shall serve for one year. For the initial appointments, the appointing officials should consider appointing individuals from the seacoast area who have technical qualifications and are recommended by the chairman of the Pease development authority as it existed on or before June 30, 1994. State appointed directors may be removed from office pursuant to the provisions of RSA 4:1. Directors appointed by the municipal appointing authorities may be removed from office for cause after hearing by the municipal appointing authorities.

III. Five members of the board shall constitute a quorum. A minimum of 5 affirmative votes shall be required for any action of the board, except for the adoption of land use controls, which shall require 6 votes.

IV. The directors shall serve without compensation from the authority, except for such incidental expenses determined by the board to be necessary and incurred while performing business of the authority.

V. Voting directors shall be residents of the state. No voting director shall be an elected public official of the state, federal government, or any political subdivision of the state or federal government.

12-G:5 Statements of Financial Interests; Content; Form.

I. Every member of the board shall file by July 1 of each year a verified written statement of financial interests in accordance with the provisions of this section, unless he has already filed a statement in that calendar year.

II. A voting member of the board shall not be allowed to enter into or continue his duties, unless he has filed a statement of financial interests with the secretary of state.

III. Statements of financial interests shall contain the following information:

(a) The name, address, and type of any professional, business, or other organization in which the reporting individual was an officer, director, associate, partner, proprietor, or employee, or served in any other professional or advisory capacity, and from which any income in excess of \$10,000 was derived during the preceding calendar year.

(b) The description of any debt and the name of the creditor for all debts in excess of \$5,000 owed by the reporting individual, as well as the description of any debt and the name of the debtor for all debts in excess of \$5,000 owed to the reporting individual, but only if the creditor or debtor, respectively, or any guarantor of the debt, has done work for or business with the state in the preceding calendar year. Loans issued by financial institutions, the normal business of which includes the making of loans of the kind received by the reporting individual, and which are made at the prevailing rate of interest and in accordance with other terms and conditions standard for such loans at the time the debt was contracted need not be disclosed. Debt issued by publicly held corporations and purchased by the reporting individual on the open market at the price available to the public need not be disclosed.

IV. The statement of financial interests shall be completed by typewriting or hand printing, and shall be verified, dated, and signed by the reporting individual personally. It shall be submitted on a form prescribed by the secretary of state.

12-G:6 Executive Director.

I. The board shall appoint an executive director, who shall be the chief executive and administrative officer of the authority and who shall have general and active supervision and direction over the day-to-day business and affairs of the authority and its officers and employees, subject, however, to the direction and control of the board. The executive director shall perform all such other duties as from time to time may be assigned to him by the board. The executive director shall hold office for an indefinite term at the pleasure of the board. The executive director shall also be the secretary of the authority, shall keep a record of the proceedings of the authority, and shall be the custodian of all books, documents, and papers filed with the authority and of its minute book and seal. He shall have the power to cause copies to be made of all minutes and other records and documents of the authority and to give certificates under the seal of the authority to the effect that such copies are true copies, and all persons dealing with the authority may rely upon such certificates.

II. The executive director shall employ support services, legal counsel, accountants, public relations specialists, marketing specialists, and environmental specialists sufficient to maintain operations.

III. The executive director shall establish and maintain the following co-equal divisions: an airport division, to operate and develop airport facilities and operations, an industrial development division to develop the airport district and all land acquired outside the airport district, a seaport division to develop water borne commerce, and a surface transport division to facilitate all forms of surface passenger and freight mass transportation. The executive director may establish such other divisions, with the consent of the board, as are necessary to the proper administration of this chapter.

IV. The salary of the executive director shall be established by the board.

12-G:7 Disqualification of Member. If any director, or the spouse or issue of any director, shall be interested either directly or indirectly or shall be a director, officer or employee of or have an ownership interest in any firm or corporation interested directly or indirectly in any contract or other matter with the authority, including any loan to any eligible mortgagor or loan to or purchase of any loan from any lending institution, such interest shall be disclosed to the board and shall be set forth in the minutes of the board. The member having such interest shall not participate on behalf of the authority in any proceedings or decision relating to such contract or matter.

12-G:8 Seacoast Advisory Committee Established. There is hereby created a regional advisory committee which shall advise the board on regional concerns and interests and authority decisions affecting the region's communities. The members shall serve without compensation. The committee shall be composed of a member of the board of directors and an elected city councilor or town selectmen from Dover, Durham, Exeter, Greenland, Hampton, Madbury, New Castle, Newfields, Newington, Newmarket, North Hampton, Portsmouth, Rye, and Stratham. The elected city and town officials shall be appointed by their respective legislative bodies. The board shall seek participation of an elected town or city officer from Eliot, Kittery, and South Berwick, Maine. The appointed member of the board of directors shall serve as chair of the committee and the executive director shall appoint a staff member to serve as secretary of the committee. The committee shall meet monthly and shall submit monthly reports to the chair of the board.

12-G:9 Port Expansion Special Committee.

I. There is hereby established a port expansion special committee to advise, consult and provide oversight assistance to the New Hampshire port authority on port expansion that was authorized by a 1993 permit of the United States Army Corps of Engineers. The committee shall:

(a) Be composed of 6 individuals appointed by the outgoing board of directors of the port authority. The vice-chair of the board of directors of the New Hampshire port authority shall serve as chair and the seaport division director of the New Hampshire port authority shall serve as secretary.

(b) Cease to exist on June 1, 1999, unless extended by the New Hampshire port authority. Any vacancies occurring on the committee shall be filled by the authority.

Powers and Duties of the New Hampshire Port Authority

12-G:10 Duties.

I. The authority shall perform the following duties:

(a) Monitoring the proposed closing of Pease Air Force Base.

(b) Conducting a comprehensive study of all issues related to the closure, conversion, redevelopment and future use of Pease Air Force Base. This study shall have as a primary concern the impact of the closure and redevelopment of Pease Air Force Base on the economies, environment, and quality of life of the affected communities, the seacoast region, and the state.

(c) Reviewing all options relative to the most appropriate use of Pease Air Force Base.

(d) Adopt rules necessary and proper for the maintenance, supervision, and management of the airport district and the harbor management program, including but not limited to administrative fines and penalties for violations of such rules.

(e) Making all necessary arrangements with relevant governmental entities of other states and federal departments, agencies, and foreign countries and their port entities for the interchange of business, and for such other purposes as will facilitate and increase the commerce of the ports, harbors, airport district, and tidal navigable rivers of the state.

(f) Establishing offices for the transaction of its business at such places as, in the opinion of the authority, shall be advisable and necessary in carrying out the purpose of this chapter.

(g) Appointing and compensating harbor masters at Hampton, Rye, New Castle, Portsmouth, Seabrook and Newington who will enforce the harbor management directives of the authority, such as the placement of moorings, the assignment of anchorage areas and the movement of traffic. The authority may appoint an assistant harbor master at any such place to assist the harbor master of such place in carrying out his duties.

(h) Contracting with and securing the services of a port terminal operating firm for the purpose of having such firm operate a part or all of the facilities of the seaport division of the authority, including piers, wharves, warehouses, parking and storage areas, or other facilities owned or leased by the authority, with such operating firm having the exclusive right to operate the business of a port terminal operator and stevedore, including but not limited to the handling of cargo, the collection of fees from wharfare and dockage and other marine terminal operations, the maintenance and security of the premises, and the promotion, encouragement and solicitation of business for such port facility or facilities; such contract with an operating firm shall include the following provisions:

(1) The firm shall file with the authority for its approval a tariff clearly defining the terms "wharfage" and "dockage" and the charges to be made therefor.

(2) The amount of minimum payments per year satisfactory to the authority to be paid to it for the exclusive right to operate upon the marine terminal, as described in the contract, the business of a port terminal operator and stevedore.

(3) The amount retained by said firm from all fees for which it is accountable, said amount being a percentage to cover administrative costs of collection.

(4) The firm to supply a ship's manifest for every vessel using said facilities.

(5) The firm to provide a performance bond in an amount and form acceptable to the authority, as well as insurance in amounts acceptable to the authority for fire and extended coverage, public liability, property damage, and other risks as required by the authority, the insurance company or companies to be licensed to do business in New Hampshire and to be acceptable to the authority.

(6) The firm to file quarterly reports with the authority indicating the amount of all fees for which it is accountable to the authority, the amounts collected and the amounts retained, with a certified audit prepared by a certified public accountant submitted annually.

(7) Such other appropriate provisions which in the opinion of the board will carry out the intent of this section and best protect the interest of the authority and of the state.

(i)(1) Setting and collecting fees for mooring and slip permits. A table of such fees shall be attached to the authority of each pilot.

(2) Setting and collecting fees for the management of the foreign trade zone established under RSA 12-G:15.

II. The authority shall at all times act in a manner which is consistent with the public good and pursuant to this chapter shall seek to implement the comprehensive duties identified in paragraph I.

12-G:11 Incorporation; Powers. The authority shall have all of the powers necessary or convenient to carry out the purposes and provisions of this chapter, including the power:

I. To sue and be sued in all courts and to initiate or participate in actions and proceedings, whether judicial, administrative, arbitative or otherwise.

II. To have a seal, and to alter such seal at pleasure and to use it by causing it or a facsimile to be affixed or impressed or reproduced in any manner.

III.(a) To employ or retain as independent contractors architects, engineers, attorneys, accountants, and such other advisors and employees, consultants, and agents as may be necessary in its judgment without regard to any personnel or civil service law or personnel or civil service rule of the state, to prescribe their duties and qualifications, and to fix and pay their compensation, if any.

(b) To appoint qualified individuals to serve as unpaid volunteers or advisors under such terms and conditions as it may deem necessary. Such volunteers or advisors may be reimbursed for such incidental expenses determined by the board to be necessary and incurred while performing the business of the authority.

IV. To impose administrative fines and penalties for violations of authority rules regarding the airport district and the harbor management program.

V. To purchase, receive, take by grant, gift, devise, bequest or otherwise, lease, or otherwise acquire, own, hold, improve, employ, use and otherwise deal in and with property or any interest therein, whether tangible or intangible, for its purpose.

VI. To sell, convey, lease, exchange, transfer, abandon or otherwise dispose of, or mortgage, pledge or create a security interest in, all or any of its property or any interest therein.

VII. To apply for and accept gifts, loans, matching funds, grants, property, funds, money, materials, labor, supplies, land, or services from the United States of America or its agencies or departments or any state agency or any political subdivision of the state, or any other person, to carry out the terms and provisions of, or make agreements with respect to, any such gifts, loans, or grants, and to do any and all things necessary, useful, desirable, or convenient in connection with procuring, accepting, or disposing of such gifts, loans, or grants.

VIII. To purchase, take, receive, subscribe for, or otherwise acquire, hold, make a tender offer for, vote, employ, sell, lend, lease, exchange, transfer or otherwise dispose of, mortgage,

pledge or grant a security interest in, use or otherwise deal in and with, bonds and other obligations, shares or other securities or interests therein issued by others, whether engaged in a similar or different business or activity.

IX. To make and execute agreements, contracts and other instruments necessary or convenient in the exercise of the powers and functions of the authority under this chapter, including contracts with any person, firm, corporation, municipality, state agency, governmental unit, or other entity, foreign or domestic, provided that no contract in excess of \$5,000, including contracts under paragraphs III and XVI, shall be made without requests for proposal. This requirement may be eliminated by an affirmative vote of 6 members of the board on any particular matter. Justification for eliminating the requirement shall be recorded in the minutes of the meeting.

X. To borrow money at such rate or rates of interest as the authority may determine, issue its notes, bonds, or other obligations to evidence such indebtedness, and secure any of its obligations by mortgage or pledge of all or any of its property or any interest in such property, tangible or intangible, whether then owned or acquired later.

XI. To arrange for guaranties of its notes, bonds, or other obligations pursuant to RSA 12-G:32 by the federal government or by any private insurer or otherwise, and to pay any premiums for such guaranties.

XII. To issue such notes, bonds, or other obligations, whether or not the income from such notes, bonds, or other obligations to the holders is exempt from federal income taxation.

XIII. To purchase notes, bonds, or other obligations of the authority at such price or prices, in such manner, and upon such terms as the authority may determine.

XIV. To invest and reinvest its funds, and take and hold property as security for the payment of funds so invested.

XV. To procure insurance against any loss in connection with its property or projects in such amount or amounts and from such insurers, including the federal government, as it may deem necessary or desirable, and to pay any premiums for such insurance.

XVI. To enter into and perform contracts and agreements, whether or not they may be deemed to constitute indebtedness under applicable law, for the joint and separate planning, financing, construction, purchase, operation, maintenance, use, sharing costs of, ownership, mortgaging, leasing, sale, disposal of or other participation in facilities, products or services of any person who engages in business on property owned or controlled by the authority.

XVII. To maintain a principal office in the state and an office or offices at such other place or places as it may determine.

XVIII. To make any inquiry, investigation, survey, feasibility study or other study which the authority may deem necessary to enable it to carry out effectively the provisions of this chapter.

XIX. To apply to the appropriate agencies and officials of the federal government and the state for licenses, permits or approvals of its plans or projects as it may deem necessary or advisable, and to accept such licenses, permits or approvals as may be tendered to it by such agencies or officials, upon such terms and conditions as it may deem appropriate.

XX. To make bylaws and establish committees for the management and regulation of its affairs as it may deem necessary, and subject to agreements with bondholders, to make rules pursuant to its own procedures for the use of its projects and property, including but not limited to zoning, subdivision and site plan review regulations, and building, electric, plumbing and fire codes, and to establish and collect rentals, fees, and all other charges for the use of projects under the jurisdiction of the authority and for services or commodities sold, furnished, or supplied by the authority.

XXI. To design, construct, maintain, operate, improve, and preconstruct such projects as shall be consistent with the purposes and provisions of this chapter, including without limitation the maintenance and development of aviation services, including landing fields, heliports, hangars, shops, passenger and freight terminals, control towers, and all facilities necessary or convenient in connection with any such project and also to contract for the construction, operation, or maintenance of any parts thereof, or for services to be performed thereon, and to rent parts thereof and grant concessions thereon, all on such terms and conditions as the authority may determine.

XXII. To purchase, lease or otherwise acquire lands or interests in land, including options, on, near or adjacent to the tidal waters of the state suitable for construction, establishing and maintaining piers, wharves, warehouses or other facilities useful and necessary in the encouragement and development of commercial navigation.

XXIII. To undertake the improvement of any land acquired by it, by the construction of piers, wharves, warehouses or other facilities as specified in paragraph XXII. Any such improvement shall, insofar as possible, be self-liquidating. The authority shall charge just and reasonable fees for the use thereof.

XXIV. To take such other action as it may deem necessary and advisable in the furtherance of the purposes of this chapter.

12-G:12 Status of Authority Employees; Entitlement to State Benefits.

I. The authority may hire, fix and pay compensation, prescribe duties and qualifications and establish personnel policies without regard to any personnel or civil service law or personnel or civil service rule of the state. The employees of the authority shall not be classified employees of the state within the meaning of RSA 21-I:49. Any individual employed by the authority shall be deemed an employee at will and shall serve at the pleasure of the authority.

II. Notwithstanding the provisions of paragraph I, any individual employed by the authority whose employment calls for 30 hours or more work in a normal calendar week, and whose position is anticipated to have a duration of 6 months or more, shall be entitled to elect to receive such health, dental, life insurance, deferred compensation and retirement benefits as are afforded to classified employees of the state provided, however, that the election is made in writing within 30 days of the start of employment. Upon election by such individual, the authority shall pay from its revenues the state's share of such benefits. Any remaining costs of health, dental, life insurance, deferred compensation and retirement benefits which an individual elects to receive pursuant to this section, shall be withheld from such individual's salary as a payroll deduction. Written notice of the availability of these benefit options shall be provided to each individual upon employment by the authority.

12-G:13 Coordination Between State and Federal Governments.

I. In addition to any other duties set forth in any provision of this chapter, the authority shall coordinate with, and provide information to, the United States Department of Defense, and any official or employee thereof, regarding any matter related to the ownership, condition, closure, conversion, redevelopment, or future use or operation of Pease Air Force Base. Notwithstanding any other provision of law, no political subdivision of the state shall submit any plan regarding the closure, conversion, redevelopment or future use or operation of Pease Air Force Base without the prior approval of the authority.

II. Notwithstanding any provision of law, except for the authority, no political subdivision or any agency of the state or governmental unit of the state, may apply for or receive pursuant to any provision of federal law any funds, grants or other assistance from the Office of Economic Adjustment within the United States Department of Defense relative to the closure, conversion, redevelopment, or future use of Pease Air Force Base without prior approval of the authority. Except for the authority, no state political subdivision, or any agency or governmental unit of the state, shall apply for or receive any funds, grants, or other assistance from any agency of the federal government relative to the closure, conversion, redevelopment, or future use of Pease Air Force Base without prior notification to the authority. The provisions of this paragraph shall not apply to the adjutant general or to school administrative units for the city of Portsmouth or the town of Newington.

III. Except for the adjutant general and notwithstanding any other provision of law, the authority shall be the only person in the state authorized to negotiate, purchase or otherwise obtain on behalf of the state or any of its political subdivisions any fee ownership, easement, lease or other property interest in any property in, or on a part of, Pease Air Force Base, except that the town of Newington may negotiate for and reacquire from the federal government the "Old Stone School" and associated yard located on Nimble Hill Road and the city of Portsmouth may negotiate for and acquire Jones School and Brackett School and associated yards located on Northwood Road and Rockingham Drive, respectively. The board may grant exemptions in its sole discretion from this provision to any state agency or political subdivision on such terms and conditions as it may deem appropriate.

IV. Notwithstanding any other provision of law, the authority shall be the only person authorized in the state to accept on behalf of the state or any of its political subdivisions any title to, or any other interest in, the runway, taxiways, parking aprons, hangars, control tower, airspace or other property or related facilities at Pease Air Force Base, from the United States pursuant to section 13(g) of the Surplus Property Act of 1944 (50 U.S.C. App. section 1622(g)), as amended.

V. Notwithstanding any other provision of law, public employees and appointed officials of the state and any of its political subdivisions may serve, if appointed in accordance with the provisions of this chapter, as directors of the authority. Any such public employee or official shall serve without compensation, except that such officials and employees may be reimbursed by the authority for such incidental expenses established by the board.

12-G:14 Local Land Use Controls.

I. Notwithstanding any other provision of law, any and all land use controls of the town of Newington and the city of Portsmouth shall not apply to any of the property at Pease Air Force Base transferred, conveyed or otherwise granted to the authority by the federal government or any agency of the federal government. The authority shall have the exclusive jurisdiction in adopting and establishing land use controls for the property at Pease Air Force Base transferred, conveyed, or otherwise granted to the authority by the federal government or any agency of the federal government.

II. The authority shall adopt land use controls including, without limitation, regulations to establish zones, building codes, subdivision regulations, site plan review and fire codes necessary to implement the provisions of this chapter. All land use controls and amendments to such controls shall be enacted in accordance with rules of procedure adopted by the authority and shall include at least one public hearing. In order to adopt, amend, interpret, or override any land use control, 6 affirmative votes of the authority shall be required. All land use controls enacted by the authority shall be filed in the Rockingham county registry of deeds, the clerk's office for the town of Newington, the clerk's office for the city of Portsmouth, and the New Hampshire office of state planning.

III. In adopting land use controls, the authority may adopt, in whole or in part, the land use controls of the town of Newington or the city of Portsmouth, or both. If the authority opts not to adopt the land use controls of Newington or Portsmouth, or both, in whole or in part, the authority shall adopt its own land use controls which are consistent with the comprehensive conversion and redevelopment plan prepared by the Pease Air Force Base redevelopment authority and consistent with the master plans of the town of Newington, the city of Portsmouth, or any other host community.

IV. The land use controls and any amendments to them adopted by the authority shall only apply to all property at Pease Air Force Base acquired by the authority from the federal government or any agency of the federal government, and shall remain applicable and enforceable after the sale, lease, assignment or other transfer of any or all of such property to such person by the authority. All other property at Pease Air Force Base shall be subject to all land use controls of the municipalities in which such property is located.

V. With the exception of the airport zone and that portion of the airport industrial zone acquired by the Pease development authority pursuant to the Surplus Property Act of 1944, section 13-G, in the enforcement of land use controls, the following shall apply:

(a) The authority shall delegate enforcement of the land use controls to the appropriate land use boards of the town of Newington and the city of Portsmouth for property within each municipality, respectively.

(b) If the town of Newington or the city of Portsmouth, as appropriate, rejects the enforcement on the basis of Part I, Art. 28-a of the New Hampshire constitution, the authority may delegate such enforcement to the community which did not reject it or to another community. If the town of Newington or the city of Portsmouth, or both, elect to perform said enforcement, the building inspection services, zoning enforcement services, and planning services of Portsmouth or Newington, or both, shall be made available to the authority for all land within the authority's control. In addition, the building code boards of appeal, the zoning boards of adjustment and the planning boards of the respective municipalities shall process building code appeals, administrative appeals, special exception and variance requests,

as well as subdivision, site plan review and conditional use applications. The only charge that may be made for such services shall be the standard application fees charged by the municipalities for local permits.

(c) In all instances, the authority shall retain the power to make the final decision regarding applicability, interpretation, and enforcement of its land use controls, which shall require 6 affirmative votes.

(d) Any action of the authority in the exercise of its powers under this section shall be subject to a motion for rehearing and appeal in accordance with the appropriate provisions of RSA 677. In addition to any other person deemed to be an aggrieved person, the city of Portsmouth and the town of Newington and any abutters shall have standing to appeal land use decisions made by the authority.

(e) Any property located at the former Pease Air Force Base which is sold, leased or otherwise conveyed by the United States government to any person other than the state of New Hampshire or one of its political subdivisions shall be in full compliance with all applicable municipal land use regulations, building codes, electrical codes, plumbing codes and related codes prior to being occupied for any use by any person.

VI. Notwithstanding any provisions of this section, all property on Pease Air Force Base west of McIntyre Road shall be designated a wildlife preserve under the control of the United States Department of the Interior, United States Fish and Wildlife Service, National Wildlife Refuge, or other appropriate federal or state agency. The authority shall not permit the development of the property designated a wildlife refuge or preserve.

VII. In any event, regulatory power over all land use controls at Pease Air Force Base except for the airport district and all property west of McIntyre Road designated as a wildlife preserve shall revert exclusively to the municipalities no later than January 1, 2020, or sooner at the election of the authority.

12-G:15 Authorization to Seek Designation as Port of Entry or International Airport and to Establish Foreign Trade Zone and Free Port Area.

I. The authority shall be and is hereby authorized to make application to the Secretary of the Treasury of the United States for the purpose of having Pease Air Force Base, or portions thereof, designated, established or constituted, a port of entry, or an international airport, pursuant to the Customs Reorganization Act, 19 U.S.C. section 1 et seq., as amended, and 19 U.S.C. section 58b, as amended, and regulations of the United States Customs Service, including 19 C.F.R. section 101.0, et seq. and 19 C.F.R. section 122.1, et seq.

II. The authority shall be and hereby is authorized to make application to the Secretary of Commerce of the United States for the purpose of establishing, operating and maintaining foreign-trade zones in New Hampshire, including at Pease Air Force Base, pursuant to the Free Trade Zone Act, 19 U.S.C. section 81a, et seq., as amended, providing for the establishment, operation and maintenance of foreign trade zones in or adjacent to ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes.

III. The authority shall have full power and authority to select and describe the location of the zone for which application to establish may be made and to make such rules and take such other actions concerning the operation, maintenance and policing of same as may be necessary to comply with the Free Trade Zone Act and the regulations adopted thereunder.

IV. The authority shall have full power and authority to lease the right or to erect, maintain and operate any structures or buildings or enclosures as may be necessary or proper for the establishing and operating of any such foreign trade zones that might be established in the state of New Hampshire.

V. The authority shall have the power and the duty to establish an area in which personal property in transit shall be exempt from the provisions of the stock-in-trade tax and such other taxes and customs as are normally levied in a port of entry. For the purpose of this section, personal property in transit through the areas established by the port authority is defined as follows: goods, wares, and merchandise which is (a) moving in interstate or international commerce through or over the areas hereinbefore established, or (b) which was consigned to a warehouse, public or private, within the state, from outside the state, whether specified when transportation begins or afterward. Such property shall not be deprived of exemption because while in the warehouse the property is assembled, bound, joined, processed, disassembled,

divided, cut, broken in bulk, relabeled or repackaged. The exemption granted shall be liberally construed to effect the purposes of this chapter, provided, however, that the warehouse in which said goods, wares or merchandise is stored shall not be owned, in whole or in part, by either the consignee or consignor.

12-G:16 Limitations on State and Local Taxation; Provision of Services.

I. The exercise of the powers granted by this chapter shall be in all respects for the benefit of the people of the state, for their well-being and prosperity and for the improvement of their social and economic conditions, and, except as provided in paragraph II the authority shall not be required to pay any tax or assessment on any property or project owned by the authority under the provisions of this chapter or upon the revenues from such property or project, nor shall the authority be required to pay any recording fee or transfer tax of any kind on account of instruments recorded by it or on its behalf except that a payment in lieu of taxes shall be paid by the authority to the town of Newington or the city of Portsmouth annually for highway maintenance, fire protection and other services as negotiated between the parties. Nothing in this section shall be construed to exempt any transferee, lessee or tenant of the authority from paying any recording fee, transfer tax, or other tax required by state law including property taxes.

II. All property within the boundaries of Pease Air Force Base but outside of the airport district located on Pease Air Force Base that is owned or occupied by a person, other than the authority or any other entity exempted from taxation under RSA 72:23, shall be taxable by the municipality in which the property is located as though such property were not owned by the exempt entity and were held in fee simple. Upon leasing or renting by the authority of any of its property within the boundaries of Pease Air Force Base but outside the airport district located on Pease Air Force Base to a non-exempt entity for any use, the municipality in which such property is located shall subject such property to any and all applicable property taxes of the municipality as though such property were not owned by the state or authority and were held in fee simple. Tax payments shall be made as follows:

(a) In the case of such property rented from the authority, the renter shall pay, in lieu of real estate taxes, to the municipality in which the property is located an amount equal to the amount that would have been paid as ad valorem taxes in respect to such property, had it been owned by a nongovernmental person.

(b) In the case of such property leased from the authority, the lessee of such property shall pay all taxes duly assessed against such property no later than the due date. If the lessee fails to pay such duly assessed taxes on or before the due date, the tax collector of the municipality in which the property is located shall notify the authority that such taxes remain unpaid, and such obligation shall become an obligation of the authority. Upon payment by the authority of any tax, costs and interest due upon such property, the authority shall be entitled to be reimbursed for any such payment and reasonable attorney's fees from the lessee of such property and shall have a lien upon any personal property, including, but not limited to equipment, of the lessee, which lien shall continue in force for 2 years from the date the tax was paid by the authority or until the lessee reimburses the authority.

(c) Such tax payments shall be made at the times and in the manner prescribed for ad valorem property taxes for nongovernmental persons and shall be based on the valuation of the property determined by the respective municipality for such purpose, subject to any equalization or proportionality factor to be applied within such municipality. If the authority determines that any valuation made by a municipality is excessive, it may seek a reduction of the valuation by following the procedures prescribed in RSA 76 for the abatement of taxes.

III. Notwithstanding any other provision of law:

(a) Security for all land and buildings within the airport district and security for all flights at Pease Air Force Base shall be provided by the authority. All other police services within the airport district shall be provided by the municipalities. Any municipality providing police services to the authority shall be reimbursed in timely manner pursuant to a contract with the authority for all costs incurred by the municipality in providing such services, including but not limited to, salaries, benefits, insurance, equipment and associated administrative expenses.

(b) The provision of all other services to land, buildings and people in the airport district which are traditionally provided by the town of Newington or the city of Portsmouth, or both, shall be exclusively the responsibility of the authority. These services shall include, but not be limited to, the provision of fire protection, roadway maintenance, runway and parking apron maintenance, maintenance of all underground storage facilities, public assistance, public education and public utilities. In accordance with the provisions of RSA 12-G:11, VIII, the authority may contract with any person for the provision of these services.

(c) Outside of the airport district the provision of the municipal services by the towns of Greenland and Newington and the city of Portsmouth shall be governed by the general law of the state.

12-G:17 Distribution of Excess Revenues.

I. Subject to the limitations contained in RSA 12-G:2, VII, excess revenues of the authority may be distributed by the board annually within 30 days of the end of the authority's fiscal year as follows:

(a) 50 percent to the state treasurer for deposit in the general fund.

(b) 50 percent to the town of Newington, the town of Greenland, and the city of Portsmouth, to be distributed based upon the ratio of the equalized assessed value of the real property within the boundaries of Pease Air Force Base, but not including the airport district, located within the town or city limits of each municipality to the total equalized assessed value of all such property.

II. Before any excess revenues are distributed pursuant to subparagraphs I(a) and (b), the authority shall reimburse in full on a pro rata basis the state, the town of Newington and the city of Portsmouth for all funds provided to the former Pease Air Force Base redevelopment authority or the former Pease development authority since March 30, 1989.

III. The annual report prepared by the authority pursuant to RSA 12-G:31 shall include a detailed explanation of any distribution of excess revenues made pursuant to this section or of any decision by the board not to make such distribution.

12-G:18 Limited Liability of State and Municipalities.

I. Except as provided in paragraph II, all obligations incurred by the authority, whether arising from bonds, contracts or otherwise, shall be corporate obligations of the authority and not general obligations of the state or any political subdivision of the state, and neither the full faith and credit nor the taxing power of the state, nor any subdivision of the state is pledged to support such obligations, except as provided in RSA 12-G:32, nor shall they be deemed a debt of the state or any political subdivision of the state in determining its borrowing capacity under any applicable law.

II. Any agreement between the United States and any agency of the United States and the authority shall constitute a binding agreement between the United States and the state. Any agreement between the United States and the authority obligating the state to expend funds may be satisfied in full by revenues, bond proceeds or other funds provided by the authority in the first instance, and if such funds are insufficient, then the obligations shall be satisfied by the state from other funds. Furthermore, any agreement between the United States and the authority requiring payment of funds by the authority to purchase any property at Pease Air Force Base shall be satisfied in full by revenues, bond proceeds or other funds provided by the authority, and such payment shall not require a pledge of the full faith and credit of the state, except as otherwise provided under RSA 12-G:32.

New Hampshire Port Authority Bonds

12-G:19 Issuance of Bonds. The authority may issue bonds which shall be obligations of the authority and not general obligations of the state, except as provided in RSA 12-G:32. Such bonds may be issued from time to time consistent with the purposes and provisions of this chapter, including, without limitation, financing the preacquisition costs and other costs of acquisition of any property or interest therein at Pease Air Force Base, or for any costs incurred in undertaking any project authorized by this chapter, or for paying or refunding any bonds issued pursuant to this section or interest on such bonds. The principal of, and premium, if any, and interest on all bonds shall be payable solely by the authority in accordance with the provisions of this chapter. Prior to each new issuance of bonds, the authority shall provide written notice to the state treasurer of the maximum amount of bonds proposed to be

issued. The bonds shall be issued by the authority in such amounts as the board shall determine, not exceeding in the aggregate \$250,000,000. Bonds of each issue shall be dated, shall bear interest at such rate or rates, including rates variable from time to time as determined by such index, banker's loan rate or other method as may be determined by the board, and shall mature at such time or times as may be determined by the board, except that no bonds shall mature more than 30 years from their date of issue. Bonds may be made redeemable before maturity either at the option of the authority or at the option of the holder, or upon the occurrence of specified events, at such price or prices and under such terms and conditions as may be fixed by the board prior to the issuance of the bonds. The board shall determine the form and details of the bond. Subject to RSA 93-A, the bonds shall be signed by at least 4 members of the board. The bonds may be sold in such manner, either at public or private sale, for such price, at such rate or rates of interest, or at such discount in lieu of interest as the board may determine.

12-G:20 Security Documents. Any bonds issued under this chapter may be issued pursuant to and entitled to the benefits of a security document between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state, or by a security document directly between the authority and the purchasers of the bonds, and such security document shall be in such form and executed in such manner as may be determined by the board. Such security document may include the mortgage, pledge, or grant of a security interest in any property of the authority and may pledge or assign, in whole or in part, the revenues held or to be received by the authority, any contract or other rights to receive the revenues, whether then existing or thereafter coming into existence and whether then held or thereafter acquired by the authority, and any proceeds thereof. Such security documents may contain provisions for protecting and enforcing the rights, security and remedies of the bondholders as may, in the discretion of the board, be reasonable and proper and not in violation of law. Such security documents may include provisions defining defaults and providing for remedies in the event of defaults, which may include the acceleration of maturities and the enforcement of any mortgage, pledge or security interest, and covenants setting forth the duties of, and limitations on, the authority in relation to the custody, safeguarding, investment and application of moneys, the issue of additional or refunding bonds, the fixing, revision and collection of rates, charges and other revenues, the use of any surplus bond proceeds, the establishment of reserves, the acquisition of any property or interest therein or undertaking of any project, any contracts relating thereto and subsequent amendments of such provisions and contracts. It shall be lawful for any bank or trust company to act as a depository or trustee of the proceeds of bonds, revenues or other moneys under a security document and to furnish such indemnification or to pledge such securities and issue such letters or lines of credit or credit facilities as may be required by the authority acting under this subdivision. Any such security document may set forth the rights and remedies of bondholders and of the trustee and may restrict the individual right of action by bondholders.

12-G:21 Credit Facilities and Insurance. Any bonds issued under authority of this subdivision may be issued pursuant to lines of credit or other banking arrangements under such terms and conditions not inconsistent with this chapter, and under such agreements with the purchasers or makers thereof, as the board may determine to be in the best interests of the authority. In addition to other security provided herein or otherwise by law, bonds issued by the authority under this subdivision may be secured, in whole or in part, by insurance or by letters or lines of credit or other credit facilities issued to the authority by any bank, trust company or other financial institution, within or without the state, and the authority may make any pledge, mortgage, assignment or security interest in respect of its property and revenues as security for the reimbursement by the authority to the issuers of such letters or lines of credit, insurance or credit facilities or any payments made thereunder.

12-G:22 Perfection and Priority of Mortgage, Pledge or Security Interest. Any mortgage, pledge or security interest made by the authority under this subdivision shall be valid and binding and shall be deemed continuously perfected for the purposes of RSA 382-A and all other laws from the time when the mortgage, pledge or security interest is made. The property or revenues so mortgaged, pledged or subjected to a security interest then held or there-

after acquired or received by the authority shall immediately be subject to the lien of such mortgage, pledge or security interest without any physical delivery or segregation thereof or further act. The lien of such mortgage, pledge or security interest shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. No such property or revenues may be used in a manner inconsistent with the terms governing such mortgage, pledge or securities interest. Any agreement by which a pledge or security interest in personal property is created under this subdivision shall be filed or recorded in the records of the secretary of state. Any mortgage or other agreement by which a security interest in real property is created under this subdivision shall be filed with the register of deeds for Rockingham county.

12-G:23 Enforcement of Rights. Any owner of a bond issued under the provisions of this subdivision and any trustee under a security document securing the same, except to the extent the rights given in this section may be restricted by such security document, may bring suit upon the bonds and may, either at law or in equity, by suit, action, mandamus, or other proceeding for legal or equitable relief, protect and enforce any and all rights under the laws of the state granted hereunder or under such security document and may enforce and compel performance of all duties required by this chapter or by such security document to be performed by the authority or by any director or officer of the authority.

12-G:24 Refunding Bonds. The authority, when authorized by the board, may issue refunding bonds for the purpose of paying any bonds issued under the provisions of this subdivision at or prior to maturity or upon acceleration or redemption. Refunding bonds may be issued at such times prior to the maturity or redemption of the bonds being refunded as the board may determine. The refunding bonds may be issued in sufficient amounts to pay or provide the principal of the bonds being refunded, together with any redemption premium thereon, any interest accrued or to accrue to the date of payment of such bonds, the expenses of issue of the refunding bonds, the expenses of redeeming the bonds being refunded, and such reserves for debt service or other expenses from the proceeds of such refunding bonds as may be required by a security document securing the bonds. The authorization and issue of refunding bonds, the maturities and other details thereof, the security therefor, the rights of the holders thereof, and the rights, duties and obligations of the authority in respect to the same shall be governed by the provisions of this subdivision relating to the issue of bonds other than refunding bonds insofar as the same may be applicable.

12-G:25 Separate Funds. Any debt service fund, construction fund, debt service reserve fund or other fund established in connection with the issuance of bonds under this subdivision shall be kept separate from other moneys of the authority. The moneys deposited in any such funds, together with the income derived from any investments held as part of such funds, shall be expended without further authorization or appropriation as provided for in the security document establishing such funds.

12-G:26 Investment of Funds. Moneys in any fund or account created under the provisions of this subdivision, subject to the terms and provisions of any security document applicable thereto, may be invested. Except as otherwise provided by any such security document, obligations so purchased as an investment of money in said fund or account shall be deemed at all times to be part of said fund or account, and the interest thereon and any profit arising from the sale thereof shall be credited to said fund or account, and any loss resulting on their sale shall be charged to said fund or account, respectively.

12-G:27 Alteration of Rights of Bondholders. The state does hereby pledge to and agree with the holders of bonds issued under this chapter that the state shall not limit or alter the rights hereby vested in the authority to fulfill the terms of any agreements made with the said holders of such bonds or in any way impair the rights and remedies of such holders until such bonds, together with the interest on them, with the interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged. The authority is authorized to include this pledge and agreement of the state in any agreement with the holders of such bonds.

12-G:28 Tax Exemption. Bonds issued under this subdivision and their transfer and income, including any profit made on their sale or transfer, shall at all times be exempt from all taxation by or within the state.

12-G:29 Investment Securities. Notwithstanding any of the provisions of this subdivision or any recitals in any bonds issued under this subdivision, all such bonds shall be deemed to be investment securities under RSA 382-A.

12-G:30 Eligible Investments. Bonds issued under the provisions of this subdivision are hereby made securities in which all public officers, agencies and authorities of the state and of its political subdivisions, insurance companies, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency, authority or political subdivision of the state for any purpose for which the deposit of bonds or obligations of the state or any political subdivision is now or may hereafter be authorized by law.

12-G:31 Audit and Annual Reports. The accounts of the authority shall be subject to an annual audit performed by an independent certified public accountant selected by the authority. The authority shall submit annually to all appointing authorities, to the house appropriations committee, and to the senate finance committee a detailed report of its operations and a complete financial audit for the preceding fiscal year, including financial statements prepared in accordance with generally accepted accounting principles.

12-G:32 State Bond Guarantee.

I. In view of the general public benefits expected to be derived from the property acquisitions and projects to be financed under this chapter, and their contribution to the social and economic prosperity of the state and its political subdivisions, the governor and council may award an unconditional state guarantee of the principal and interest thereon of bonds issued under this subdivision. The full faith and credit of the state shall be pledged for any such guarantees of principal and interest, but the total amount of the principal of bonds guaranteed by the state under this section shall not exceed \$75,000,000, plus interest. The governor, with the advice and consent of the council, is authorized to draw his warrant for such a sum out of any money in the treasury not otherwise appropriated, for the purpose of honoring any guarantee awarded under this section. The state's guarantee shall be evidenced on each guaranteed bond by an endorsement signed by the state treasurer in substantially the following form: The state of New Hampshire hereby unconditionally guarantees the payment of the whole of the principal and interest thereon of the within bond and for the performance of such guarantee the full faith and credit of the state are pledged.

State Treasurer

II. In connection with the award of a state guarantee, the governor and council may impose such terms and conditions as they may deem appropriate concerning the bonds, the use of any property or operation of any project and the revenues therefrom, and reimbursement to the state if any state funds are used to honor the guarantee. Such terms and conditions may be contained in an agreement between the state and the authority, to be executed on behalf of the state by the governor and the state treasurer and on behalf of the authority by at least 5 directors.

12-G:33 New Hampshire Port Authority Fund; Expenditure of Other Revenues.

I. For the purpose of providing a fund to be known as the New Hampshire port authority fund, the state treasurer shall credit to such fund any appropriation made to the authority for each fiscal year.

II. All sums so credited are appropriated to the authority:

(a) To purchase, lease, acquire, own, improve, use, sell, convey, transfer, or otherwise deal in and with property or any interest therein, whether tangible or intangible;

(b) To pay the costs of operating, maintaining, improving and repairing all property and projects of the authority;

(c) To pay the costs of administering and operating the authority, including, but not limited to, all wages, salaries, benefits and other expenses authorized by the board or the executive director;

(d) To pay the principal of, and premium, if any, and the interest on the outstanding bonds of the authority as the same become due and payable;

(e) To create and maintain reserves established pursuant to RSA 12-G:20 or required or provided for in any resolution authorizing, or any security document securing, such bonds of the authority;

(f) To pay all taxes owed by the authority;

(g) To pay any excess revenues authorized pursuant to RSA 12-G:17; and

(h) In general for the payment of all expenses incident to the management and operation of the authority as are consistent with its statutory purpose and as the board thereof may from time to time determine.

III. This fund shall constitute a continuing appropriation for the benefit of the authority. Any amount remaining to the credit of the authority at the close of any fiscal year shall be nonlapsing and shall be carried over and credited to its account for the succeeding year.

IV. Money in this fund shall be paid to the treasurer of the authority on manifests approved by the governor and council in the same manner as other state claims are paid, provided that there shall be advanced to the treasurer such money as may be requested by the treasurer of the authority and approved by the governor and council, and provided further that manifests covering the money so advanced shall be submitted according to regular procedure at the earliest practicable time.

V. The revenues received and due to the authority from all other sources, except by way of state appropriation, from whatever source derived shall be retained by the authority and shall be used in such manner as the board may determine consistent with the provisions of this chapter or as is otherwise provided by law or by the terms and conditions incident to any gift, grant, devise, bequest, trust or security document.

12-G:34 Facility Improvement Fund. The authority shall establish a separate, nonlapsing, revolving fund to be known as the facility improvement fund to cover renovation, repair, and maintenance costs of existing authority facilities.

I. Until such time as the authority is able to cover its operating expense through authority revenues, the state of New Hampshire shall appropriate annually to the authority a sum sufficient to begin each new fiscal year with a fund balance of \$1,000,000. The authority shall submit to the governor, in time for preparation for the legislative session, a written request for an appropriation for the sum, if any, required to ensure a beginning balance of \$1,000,000 in the fund. All sums appropriated by the general court, if any, paid to the authority to capitalize the facility improvement fund shall be deposited in such fund.

II.(a) Once the authority is able to cover its operating expenses through authority revenues, the state of New Hampshire shall no longer be obligated to capitalize the facility improvement fund; provided, however, that the authority reserves the right to approach the legislature through the governor's office with appropriation requests from time to time as necessary.

(b) When the authority becomes self-sufficient the authority shall maintain the facility improvement fund at a minimum of \$1,000,000 and shall not exceed \$5,000,000 in any fiscal year.

Miscellaneous

12-G:35 Annual Operating Budget; Bonding; Quarterly Reports.

I. The board shall approve and submit an annual operating budget to the fiscal committee and the governor and council.

II. The board shall approve and submit any capital budget requests for new construction and any projects too large to be funded through the facility improvement fund to the governor in time for preparation for the next legislative session.

III. Until such time as the authority is self-funding, the board shall submit quarterly financial reports on its revenues and expenditures to the governor, the senate president, and the speaker of the house.

12-G:36 Reservation of Authority of Towns. All towns and cities within the confines of which there are ports, harbors or navigable tide rivers of the state which are subject to the jurisdiction of the authority shall retain all the powers of such town or city relative to such ports, harbors and navigable tide rivers and the lands abutting the same so long as the authority has not pre-empted the jurisdiction provided in this section.

12-G:37 Employment of New Hampshire Residents.

I. Any contractor bidding on a project at the port of Portsmouth which is funded through the authority or the state of New Hampshire shall be encouraged to employ the maximum possible number of New Hampshire residents.

II. For the purposes of this section, "resident" shall mean any person maintaining a dwelling within the state of New Hampshire who has a present intent to remain within the state for a period of time.

12-G:38 Harbor Pilots. The authority may prescribe the qualifications of harbor pilots, and from time to time appoint and commission, under its hand and seal, as many harbor pilots as it may judge necessary, and remove the same at pleasure; and it shall take from them such security, by bond or otherwise, as it may deem proper.

12-G:39 Authority of Harbor Pilot. Any harbor pilot appointed by the authority, who has given security for the faithful discharge of his duties, may take charge of any vessel, except pleasure or fishing vessels, or a vessel of 150 registered or enrolled tons and under, and shall pilot such vessel into and out of the river and harbor of the Piscataqua, first showing to the harbor master his appointment if requested.

12-G:40 Harbor Pilots Required. All vessels, except pleasure or fishing vessels, or vessels of 150 registered or enrolled tons or under, and U.S. flag coastwise vessels with a Federal pilot aboard shall be piloted by a harbor pilot appointed by the authority into and out of the Piscataqua River and harbor from a point designated by the authority.

12-G:41 Harbor Masters. The harbor masters appointed by the authority shall have authority, under the supervision of the authority, to oversee the harbor for which he was appointed master, to preserve and regulate navigation within said waters, to assign moorings, require the same to be kept in safe condition, to require the removal of vessels if necessity or an emergency arises, and to inquire into all offenses occurring within his area of responsibility and to perform such duties and enforce such regulations as the authority shall prescribe. Marine law enforcement shall be in accordance with RSA 270:12-a.

12-G:42 Penalty. Whoever violates any of the rules of the authority shall be guilty of a violation.

2 Transition. Upon passage of this act, the executive director of the Pease development authority and the port authority director shall develop and implement a fully integrated unified marketing policy to be used until the merger occurs on July 1, 1994.

3 Transfer of Duties.

I. All functions, powers, duties and obligations of the New Hampshire port authority and the Pease development authority, in existence, prior to July 1, 1994, are hereby transferred to and vested in the New Hampshire port authority. The transfer provided in this section shall become effective on July 1, 1994, except that the port authority board of directors shall continue in existence for the sole purpose of making the initial appointments to the committee established in RSA 12-G:9, II of section 1 of this act. Such appointments shall be made on or before July 3, 1994.

II. The transfer of the port authority and the Pease development authority provided under paragraph I shall include all of the personnel, books, papers, records, unexpended appropriations or other funds, actions and other property or obligations of every kind formerly a part of the port authority or the Pease development authority.

4 Appropriation. The sum of \$1,000,000 is hereby appropriated to the New Hampshire port authority as established in section 1 of this act to fund the facility improvement fund for the fiscal year ending June 30, 1995. This appropriation shall be nonlapsing. The governor is authorized to draw his warrant for said sum out of any moneys in the treasury not otherwise appropriated.

5 Reference Changed. Amend RSA 12-A:2-h to read as follows:

12-A:2-h International Trade Promotion. The commissioner of resources and economic development shall plan, develop and administer programs for international trade promotion and inward investment promotion in cooperation with the *New Hampshire* port authority and the Small Business Development Center and other private organizations. The commissioner shall take a proactive role in targeting foreign trade shows and foreign trade missions and shall assist New Hampshire businesses desiring to participate in these shows and missions. In plan-

ning, developing, and administering programs under this section, the commissioner shall be assisted by the advisory committee on international trade established in RSA 12-A:30 and may draw on the revolving fund created under RSA 12-A:31.

6 Reference Changed. Amend RSA 12-A:30, II(g) to read as follows:

(g) The *executive* director of the New Hampshire port authority or designee.

7 Reference Changed. Amend RSA 21-I:49, VII to read as follows:

VII. Personnel of the [Pease development authority] *New Hampshire port authority*.

8 Reference Changed. Amend RSA 72-A:1, I-a to read as follows:

I-a. "Commercial boat" means a vessel used primarily for commercial purposes which, in the case of vessels used for tidal and coastal waters, is verified by the *New Hampshire* port authority by means of a notarized document affirming that the vessel is so used. For the purposes of this paragraph "primarily for commercial purposes" means that the vessel is not used for more than 14 days of non-commercial use per registration year.

9 Reference Deleted. Amend RSA 94:1-a, I by striking out in group L, director, port authority.

10 Reference Changed. Amend RSA 99-D:2 to read as follows:

99-D:2 Defense and Indemnification. If any claim is made or any civil action is commenced against a present or former officer, trustee, official or employee of the state or any agency [thereof] *of the state*, including members of the New Hampshire national guard and any justice of the district, municipal, probate, superior or supreme court, or the clerks or bail commissioners thereof, or any harbor master appointed by the New Hampshire port authority, or officials and employees of the New Hampshire housing finance authority, or directors, officers, and employees of the [Pease development authority] *New Hampshire port authority* seeking equitable relief or claiming damages for the negligent or wrongful acts and the officer, trustee, official, or employee requests the state to provide representation for him, and the attorney general, or, in the case of a claim or civil action commenced against the attorney general, the governor and council, determines that the acts complained of were committed by the officer, trustee, official, or employee while acting within the scope of official duty for the state and that such acts were not wanton or reckless, the attorney general shall represent and defend such person with respect to such claim or throughout such action, or shall retain outside counsel to represent or defend such person, and the state shall defray all costs of such representation or defense, to be paid from funds not otherwise appropriated. In such case the state shall also protect, indemnify, and hold harmless such person from any costs, damages, awards, judgments or settlements arising from the claim or suit. The attorney general or governor and council shall not be required to consider the request of such person that representation be provided for him unless within 7 days of the time such person is served with any summons, complaint, process, notice, demand, or pleading he shall deliver the original or a copy thereof to the attorney general or, in the case of an action against the attorney general, to the governor and council. As a condition to the continued representation by the attorney general and to the obligation of the state to indemnify and hold harmless, such officer, trustee, official, or employee shall cooperate with the attorney general in the defense of such claim or civil action. No property either real or personal of the state of New Hampshire shall be subject to attachment or execution to secure payment of or to satisfy any obligations of the state created under this chapter. Upon the entry of final judgment in any action brought under this chapter, the governor shall draw his warrant for said payment out of any money in the treasury not otherwise appropriated, and said sums are hereby appropriated. The attorney general shall have the authority to settle any claim brought under this chapter by compromise and the amount of any such settlement shall be paid as if the amount were awarded as a judgment under this chapter. Indemnification by the state under this section shall be for the actual amount of costs, damages, awards, judgments, or settlements personally incurred by any such officer, trustee, official, or employee, and the state shall not pay any amounts for which payment is the obligation of any insurance carrier or company under a policy or policies of insurance or any other third party under a similar obligation.

11 Reference Changed. Amend RSA 211:19-a, II to read as follows:

II. State conservation officers and persons appointed by the New Hampshire [state] port authority shall enforce the provisions of this section, and may remove gear from the restricted area if the verbal request authorized in paragraph I of this section is ignored.

12 Reference Changed. Amend RSA 211:60-a, II to read as follows:

II. For the original appointments hereunder there shall be nominated 4 persons, and thereafter there shall be nominated at least 2 persons for each vacancy. Said subsequent nominations shall be made by the [state] *New Hampshire* port authority.

13 Reference Changed. Amend RSA 216-C:2 to read as follows:

216-C:2 Federal Assistance. The New Hampshire [state] port authority with the approval of the governor and council or the commissioner of public works and highways as their appointed agent, are hereby authorized to cooperate with and enter into agreements with the federal government, or any agency [thereof] *of the federal government*, as they may deem advisable to secure federal funds for the purposes hereof and further to render such assurances to the federal government on behalf of the state as the federal government may require, including but not limited to, an assurance that the state of New Hampshire will hold and save the United States free from all claims for damages that may arise before, during or after prosecution of the work.

14 Reference Changed. Amend RSA 270-E:2, II(e) to read as follows:

(e) A vessel used primarily for commercial purposes which, in the case of vessels used on tidal and coastal waters, is verified by the New Hampshire port authority by means of a notarized document affirming that the vessel is so used.

15 Reference Changed. Amend RSA 270-E:3, II to read as follows:

II. The department shall furnish a registration certificate or temporary registration certificate and a vessel number to any person who meets the registration requirements. The certificate shall be kept upon the vessel at all times it is being operated, and the certificate shall be open to examination by any duly authorized representative of the department, peace officer, fish and game officer, or representative of the *New Hampshire* port authority upon request. A person who refuses to produce the certificate upon request or who fails to keep the certificate on the vessel shall be guilty of a violation.

16 Reference Changed. Amend RSA 483-B:12, IV to read as follows:

IV. The [state] *New Hampshire* port authority may request an exemption under this section for all or a portion of any land purchased, leased, or otherwise acquired by it pursuant to RSA [271-A] *12-G*.

19 Repeal. The following are repealed:

- I. RSA 12-A:30, I(k), relative to the director of the Pease development authority.
- II. RSA 271-A, relative to the New Hampshire state port authority.

20 Effective Date.

- I. Section 2 of this act shall take effect upon its passage.
- II. The remainder of this act shall take effect on July 1, 1994.

AMENDED ANALYSIS

This bill merges the responsibilities of the Pease development authority and the New Hampshire port authority to create a New Hampshire port authority.

The authority shall be responsible for facilitating commerce in the seacoast area through development of air, sea, and surface transportation and land development in the area.

The bill also appropriates funds to the authority to capitalize the facility improvement fund. The new authority shall come into existence July 1, 1994.

Adopted.

The Committee offered a floor amendment.

Floor Amendment (4488B)

Amend RSA 12-G:2 as inserted by section 1 of the bill by inserting after paragraph XV the following new paragraph and renumbering the original paragraph XVI to read as XVII:

XVI. "Self-funding" means when revenue equals operating expenses plus debt service obligation of the former Pease Development Authority as of July 1, 1994.

Amend 12-G:4 as inserted by section 1 of the bill by replacing it with the following:

12-G:4 Management by Board of Directors.

I. The management of the authority shall be vested in a board of 7 directors and one ex officio non-voting member to be appointed as follows:

- (a) One member appointed by the governor and executive council.
- (b) Two members appointed by the mayor and city council of the city of Portsmouth.
- (c) One member appointed by the board of selectmen of the town of Newington.
- (d) One member appointed by the president of the senate.
- (e) One member appointed by the speaker of the house of representatives.
- (f) One member who is nominated by majority vote of the legislative delegation of

Strafford county, including the senators whose districts include towns in Strafford county and who is appointed by the governor, the senate president, and the speaker of the house. The person appointed in this manner shall be a resident of Strafford county.

(g) The commissioner of the department of resources and economic development, who shall be a nonvoting ex officio member.

II. The governor shall appoint the chairman of the board, who shall serve in that capacity at the pleasure of the governor. Directors shall hold office for 3 years and until their successors shall have been appointed, which period shall not exceed 3 months. In the event that an appointing authority does not make an appointment within 3 months after the effective date of this chapter or the expiration of a term or the creation of a vacancy, the governor shall make an appointment to fill the position for the term of the remainder of a term. No member shall serve more than 2 full or partial terms. Directors shall serve staggered terms. The persons initially appointed under subparagraphs I(a), (b) and (f) shall serve for 3 years, those initially appointed under subparagraphs I(c), (d) and (e) shall serve for 2 years. State appointed directors may be removed from office pursuant to the provisions of RSA 4:1. Directors appointed by the municipal appointing authorities may be removed from office for cause after hearing by the municipal appointing authorities.

III. Four members of the board shall constitute a quorum. A minimum of 4 affirmative votes shall be required for any action of the board, except for the adoption of land use controls, which shall require 5 votes.

IV. The directors shall serve without compensation from the authority, except for such incidental expenses determined by the board to be necessary and incurred while performing business of the authority.

V. Voting directors shall be residents of the state. No voting director shall be an elected public official of the state, federal government, or any political subdivision of the state or federal government.

Amend RSA 12-G:11, IX as inserted by section 1 of the bill by replacing it with the following:

IX. To make and execute agreements, contracts and other instruments necessary or convenient in the exercise of the powers and functions of the authority under this chapter, including contracts with any person, firm, corporation, municipality, state agency, governmental unit, or other entity, foreign or domestic, provided that no contract in excess of \$5,000, including contracts under paragraphs III and XVI, shall be made without requests for proposal. This requirement may be eliminated by an affirmative vote of 5 members of the board on any particular matter. Justification for eliminating the requirement shall be recorded in the minutes of the meeting.

Amend RSA 12-G:14, II as inserted by section 1 of the bill by replacing it with the following:

II. The authority shall adopt land use controls including, without limitation, regulations to establish zones, building codes, subdivision regulations, site plan review and fire codes

necessary to implement the provisions of this chapter. All land use controls and amendments to such controls shall be enacted in accordance with rules of procedure adopted by the authority and shall include at least one public hearing. In order to adopt, amend, interpret, or override any land use control, 5 affirmative votes of the authority shall be required. All land use controls enacted by the authority shall be filed in the Rockingham county registry of deeds, the clerk's office for the town of Newington, the clerk's office for the city of Portsmouth, and the New Hampshire office of state planning.

Amend RSA 12-G:17 as inserted by section 1 of the bill by deleting paragraph II and renumbering paragraph III to read as II.

Amend RSA 12-G:32, II as inserted by section 1 of the bill by replacing it with the following:

II. In connection with the award of a state guarantee, the governor and council may impose such terms and conditions as they may deem appropriate concerning the bonds, the use of any property or operation of any project and the revenues therefrom, and reimbursement to the state if any state funds are used to honor the guarantee. Such terms and conditions may be contained in an agreement between the state and the authority, to be executed on behalf of the state by the governor and the state treasurer and on behalf of the authority by at least 4 directors.

Amend RSA 12-G:34 and 35 and the subdivision preceding RSA 12-G:35 as inserted by section 1 of the bill by replacing them with the following:

12-G:34 Facility Improvement Fund.

I. The authority shall establish a separate, nonlapsing, revolving fund to be known as the facility improvement fund to cover renovation, repair, removal and maintenance costs of existing authority facilities.

II. Until such time as the authority is self-funding or June 30, 1998, whichever occurs first, the state of New Hampshire shall appropriate annually to the authority a sum sufficient to begin each new fiscal year with a fund balance of \$1,000,000. The authority shall submit to the governor, in time for preparation for the legislative session, a written request for an appropriation for the sum, if any, required to ensure a beginning balance of \$1,000,000 in the fund. All sums appropriated by the general court, if any, paid to the authority to capitalize the facility improvement fund shall be deposited in such fund. Expenditures shall be subject to timely approval of the capital budget overview committee.

III.(a) Once the authority is self-funding or June 30, 1998, whichever occurs first the state of New Hampshire shall no longer be obligated to capitalize the facility improvement fund; provided, however, that the authority reserves the right to approach the legislature through the governor's office with appropriation requests from time to time as necessary.

(b) When the authority becomes self-funding the authority may maintain the facility improvement fund provided that it shall not exceed \$5,000,000 in any fiscal year.

12-G:35 Biennial Operating Budget; Capital Budget; Quarterly Reports.

I. Until such time as the authority is self-funding the board shall approve and submit a biennial operating budget to the governor for submission to the legislature for approval. Once the authority becomes self-funding, the board shall approve and submit a biennial budget to the fiscal committee and the governor for approval.

II. The board shall approve and submit any capital budget requests for new construction and any projects too large to be funded through the facility improvement fund to the governor in time for preparation for the next legislative session.

III. Until such time as the authority is self-funding, the board shall submit quarterly financial reports on its revenues and expenditures to the governor, the senate president, and the speaker of the house.

Amend the bill by deleting section 2 and renumbering the original sections 3-20 to read as 2-19, respectively.

Amend the bill by replacing section 19 with the following:

19 Effective Date. This act shall take effect July 1, 1994.

Rep. Syracuse spoke in favor and yielded to questions.

Adopted.

Rep. Fuller Clark offered a floor amendment.

Floor Amendment (4529B)

Amend RSA 12-G:2, XVI as inserted by section 1 of the bill by replacing it with the following:

XVI. "Self-funding" means when revenue equals operating expenses plus debt service obligation of the former Pease Development Authority as of July 1, 1996.

Amend RSA 12-G:9 as inserted by section 1 of the bill by replacing it with the following: 12-G:9 Port Expansion Special Committee. There is hereby established a port expansion special committee to advise, consult and provide oversight assistance to the New Hampshire port authority on port expansion that was authorized by a 1993 permit of the United States Army Corps of Engineers. The committee shall:

I. Be composed of 6 individuals appointed by the outgoing board of directors of the port authority. The vice-chair of the board of directors of the New Hampshire port authority shall serve as chair and the seaport division director of the New Hampshire port authority shall serve as secretary.

II. Cease to exist on June 1, 2001, unless extended by the New Hampshire port authority. Any vacancies occurring on the committee shall be filled by the authority.

Amend RSA 12-G:34, II and III(a) as inserted by section 1 of the bill by replacing them with the following:

II. Until such time as the authority is self-funding or June 30, 2000, whichever occurs first, the state of New Hampshire shall appropriate annually to the authority a sum sufficient to begin each new fiscal year with a fund balance of \$1,000,000. The authority shall submit to the governor, in time for preparation for the legislative session, a written request for an appropriation for the sum, if any, required to ensure a beginning balance of \$1,000,000 in the fund. III.(a) Once the authority is self-funding or June 30, 2000, whichever occurs first the state of New Hampshire shall no longer be obligated to capitalize the facility improvement fund; provided, however, that the authority reserves the right to approach the legislature through the governor's office with appropriation requests from time to time as necessary.

Amend paragraph 1 of section 2 of the bill by replacing it with the following:

I. All functions, powers, duties and obligations of the New Hampshire port authority and the Pease development authority, in existence, prior to July 1, 1996, are hereby transferred to and vested in the New Hampshire port authority. The transfer provided in this section shall become effective on July 1, 1996, except that the port authority board of directors shall continue in existence for the sole purpose of making the initial appointments to the committee established in RSA 12-G:9, II of section 1 of this act. Such appointments shall be made on or before July 3, 1996.

Amend the bill by replacing section 3 with the following:

3 Appropriation. The sum of \$1,000,000 is hereby appropriated to the New Hampshire port authority as established in section 1 of this act to fund the facility improvement fund for the fiscal year ending June 30, 1997. This appropriation shall be nonlapsing. The governor is authorized to draw his warrant for said sum out of any moneys in the treasury not otherwise appropriated.

Amend the bill by replacing section 19 with the following:

19 Effective Date. This act shall take effect July 1, 1996.

HB 625-FN, relative to the sale of fireworks and levying a tax thereon. **OUGHT TO PASS WITH AMENDMENT**

Rep. Loren J. Jean for Public Protection and Veterans Affairs: This bill is the result of an intensive two-year study by facets of the fireworks industry, enforcement officials and legislators. It permits the handling, use and local control of only those consumer (Class C) fireworks approved by the United States Consumer Product Safety Commission. The results of this effort is a middle-ground between those wishing a complete ban and the continued traditional celebratory use of approved pyrotechnics. Vote 11-0.

Amendment (3607B)

Amend the bill by replacing all after the enacting clause with the following:

1 Fireworks. RSA 160-B is repealed and reenacted to read as follows:

CHAPTER 160-B

FIREWORKS

Class B Fireworks

160-B:1 Definitions. As used in this subdivision:

I. "Fireworks" means class B special fireworks.

II. "Class B special fireworks" means class B special fireworks as defined in 49 CFR section 173.88(d), packaged and unpackaged.

III. "Commissioner" means the commissioner of the department of safety.

IV. "Display" means the use, explosion, activation, ignition, discharge, firing or any other activity which is intended to cause or which causes a firework to do what it was manufactured to do.

V. "Sale" or "sell" means to sell, give or transfer to another, with or without consideration.

VI. "Retail" means the sale to any consumer or person not engaged in the business of making sales of fireworks.

VII. "Wholesale" means engaging in the business of making sales to any other person engaged in the business of making sales of fireworks. "Wholesale" shall not include any making of sales to consumers or persons not engaged in the business of making sales of fireworks. To constitute a wholesale sale a sale must be for a minimum amount of \$1,000. This minimum may be increased by the commissioner by rule adopted pursuant to RSA 541-A.

160-B:2 Sale; Penalty.

I. No person shall sell fireworks other than a person who meets all of the following requirements:

(a) Has a federal permit to sell class B fireworks issued in accordance with title 18 of the United States Code.

(b) Has a state license to sell fireworks issued pursuant to RSA 160-B:6.

(c) Has a local permit to sell fireworks issued pursuant to RSA 160-B:6.

II. No person shall sell fireworks other than:

(a) To a person who presents a certificate of competency issued pursuant to RSA 160-B:7 and RSA 158:9-f and leaves a copy of such certificate and who presents a permit to display issued pursuant to RSA 160-B:7 and leaves a copy of such permit; or

(b) To a person who possesses and shows a license for the storage of class B fireworks issued pursuant to RSA 158:9-f; or

(c) At wholesale to a person engaged in the sale of fireworks meeting all of the specifications in RSA 160-B:6, VII.

III. Any person who violates the provisions of this section shall be guilty of a misdemeanor.

160-B:3 Display; Penalty.

I. No person shall display fireworks other than a person who meets all of the following requirements:

(a) Has obtained a certificate of competency issued pursuant to RSA 158:9-f which he has in his possession at the time of display and which has not been revoked or suspended.

(b) Has obtained a municipal permit to display issued pursuant to RSA 160-B:7 which he has in his possession and which has not been revoked or suspended.

II. Any person who violates the provisions of this section by displaying class B special fireworks shall be guilty of a misdemeanor.

160-B:4 Possession; Penalty.

I. No person shall possess fireworks other than the following:

(a) A person who has in his possession a certificate of competency issued pursuant to RSA 158:9-f and a valid permit to display issued pursuant to RSA 160-B:7.

(b) A person who has a federal permit to sell class B fireworks issued in accordance with title 18 of the United States Code, a state license issued pursuant to RSA 160-B:6 and a municipal permit issued in accordance with RSA 160-B:6, or an employee of such person. For the purposes of this subparagraph, "employee" shall be limited to a person who is reported as an employee for state and federal tax purposes and for unemployment compensation purposes.

(c) A common carrier which is in possession of a bill of lading indicating that fireworks are being shipped to or from a licensed and permitted seller or a person who has a certificate of competency and a permit to display.

(d) Any manufacturer or common carrier shipping fireworks in interstate commerce through the state of New Hampshire which are not being delivered or received in this state.

(e) A person who has a licensed facility for the storage of class B fireworks pursuant to RSA 158:9-c.

II. Any person who violates the provisions of this section shall be guilty of a violation unless he possesses with intent to sell, in which case he shall be guilty of a misdemeanor.

160-B:5 Issuance of Permit; Penalty.

I. No person shall issue a permit or license to display fireworks contrary to this subdivision.

II. Any person who violates the provisions of this section shall be guilty of a misdemeanor.

160-B:6 Requirements for Sale of Class B Fireworks.

I. Any person who desires to sell fireworks as limited by RSA 160-B:2 may apply to the municipality in which he desires to sell fireworks. The licensing board of any municipality or, if one does not exist, the chief of police, the fire chief, or the governing body may issue a permit to sell fireworks to a person who applies, provided that the person has a valid permit for the sale of fireworks issued pursuant to title 18 of the United States Code. The municipality may charge a fee for the permit or application for permit under this section.

II. After the person has obtained a municipal permit to sell fireworks he may apply for a state license to sell fireworks. Upon application of any person, the commissioner, or a person designated by the commissioner, may issue a license authorizing the applicant to sell or market fireworks in this state for not more than one year from the date of issue, provided the person has first obtained a permit to sell fireworks pursuant to RSA 160-B:6, I. The license shall be in duplicate and shall bear the name, address, description, and signature of the licensee. The license shall be displayed at all times, openly and publicly, at the licensee's place of business. The original of the license shall be delivered to the licensee and the duplicate shall be preserved by the commissioner. The license shall be issued within a reasonable time after application.

III. The state license may be issued to an applicant who, at the time such license is issued, possesses a permit issued in accordance with title 18, United States Code, governing fireworks and a permit issued pursuant to RSA 160-B:6, I. No license shall be issued for the sale of fireworks unless the applicant establishes that it will locate its business in a permanent structure which meets all applicable fire safety codes, building codes, zoning codes, and the requirements of local ordinances. No license for the sale of fireworks shall be issued to any person who has been convicted of a felony if the felony has not been annulled by a court of record or to any person who has been convicted of any offense involving fireworks or explosives or who has been found to have violated any fireworks or explosives laws, rules, or regulations. No license shall be issued to any person under 21 years of age.

IV. If such application is denied, the reasons for such denial shall be stated in writing, in duplicate, the original of which shall be delivered to the applicant, and the copy thereof kept in the office of the department of safety.

V. The fee for a license for each location shall be \$1,000 per year, payable annually to the department of safety for deposit into the general fund.

VI. A person who has a federal permit issued in accordance with title 18, United States Code, governing fireworks, a state license issued pursuant to this section, and a local permit issued pursuant to this section may sell fireworks; however, such a person shall only sell them to a person who shows a certificate of competency issued pursuant to RSA 158:9-f, or who shows a license for the storage of class B fireworks issued pursuant to RSA 158:9-c, or a license to sell at wholesale as provided in this subdivision. Any sale which the seller makes shall be recorded, and the record, at a minimum, shall contain a copy of the purchaser's certificate of competency and display permit and, in the case of a wholesale sale, the purchaser's retail number from the state of residence, IRS tax identification number or such other information as the commissioner shall specify by rule adopted pursuant to RSA 541-A.

VII. A wholesale sale shall not be made to a person or corporation which resides in New Hampshire other than to a person or corporation licensed to sell fireworks pursuant to paragraphs I-III of this section. Any wholesale sale shall be shipped by common carrier or by the wholesaler making the sale. For the purposes of this shipment the wholesaler shall not be authorized to make any person an agent for the limited purpose of transporting fireworks.

VIII. The only retail sale allowed shall be a sale to a person who possesses a certificate of competency and a display permit and leaves a copy of such certificate and display permit with the seller.

IX. No person under the age of 21 shall be engaged in the business of handling or selling any fireworks; provided, however, that a person less than 21 years of age but at least 18 years of age may handle and sell fireworks if he is under the direct supervision of a person 21 years of age or older.

160-B:7 Requirements for Display of Fireworks.

I. The commissioner may issue a certificate of competency to display fireworks as provided in RSA 158:9-f to a person who meets the requirements established under that section.

II. Any municipality, fair association, amusement park or other organization may apply for a permit to display fireworks and shall include in the application the name of a person who has been issued a certificate of competency who shall be responsible for conducting the display and a copy of that individual's certificate.

III. The chief of police, licensing board, or governing body of the municipality, after an inspection has been conducted by the fire chief, may issue a permit to display fireworks. The permit shall specify the date on which the display is to be conducted and any other conditions that may be imposed.

IV. The display shall be of such a character, and so located and displayed, as in the opinion of the chief of the fire department or fire ward, after proper inspection, that it shall not be hazardous to property or endanger any person.

V. An application for a display permit shall be made in writing at least 15 days in advance of the date of the display. The town, city or village district may charge a reasonable fee for a permit to display fireworks. No display permit granted under this section shall be transferable, and each display permit shall be valid for only one display to be held on the date permitted. If, in the opinion of the chief of the fire department, conditions deteriorate during the 15 days before the date for which such permit is granted so that a fire hazard exists, he may revoke the permit.

160-B:8 Rulemaking. The commissioner shall adopt rules pursuant to RSA 541-A relative to:

I. The procedure and reasons for suspending or revoking a license issued pursuant to RSA 160-B:6.

II. Increasing the amount of sale necessary to constitute a wholesale sale, to account for inflation or other economic factors.

III. Expanding the definition of fireworks to cover any other devices used for the purpose of producing a visible or an audible effect by combustion, deflagration, or detonation which are not covered by the federal regulations governing class B fireworks but which are deemed by the commissioner to constitute a threat to public safety.

IV. Insurance, bonding, or other evidence of financial responsibility to be required of any person licensed under this subdivision.

V. Forms for local permits to sell fireworks and local permits to display fireworks.

VI. All matters necessary to implement the provisions of RSA 160-B:12, relative to exceptions.

160-B:9 Enforcement. Upon application, the superior court or district court is authorized to permit the law enforcement officials or certified fire citation officers of the state, counties, or any city or town to seize, take, remove, or cause to be removed at the expense of the owner all stocks of fireworks offered or exposed for sale, stored or held in violation of this subdivision. Nothing in this section shall be construed to restrict or limit any other authority granted by law to law enforcement officials or certified fire citation officers.

160-B:10 Local Option. Any municipality in the state, by action of its local legislative body or local governing body, may vote to allow or to prohibit, within that municipality, the issuance of permits or licenses to the extent authorized under RSA 160-B:6 and 160-B:7. If the municipality has voted to prohibit the issuance of permits or the display or possession of fireworks prior to the effective date of this section, such decision shall remain in effect unless subsequent action is taken under this section.

160-B:11 Civil Liability. In addition to any other penalties imposed under this subdivision, any person who violates the provisions of this subdivision shall be liable, in any civil action, to any person for damages resulting from the illegal sale or use of fireworks, and neither assumption of risk nor contributory negligence shall be a defense for such violator.

160-B:12 Exceptions. The commissioner may issue permits granting exceptions to the provisions of this subdivision to persons who intend to use fireworks for agricultural, railroad, or military purposes, provided that the type of fireworks to be used are designed in such a way as to accomplish the purpose for which the permit is sought and provided that the person who applies for the exception has first received approval by the appropriate local official.

160-B:13 Appeal. Any person aggrieved by a decision of the commissioner pursuant to this subdivision may appeal pursuant to RSA 541.

160-B:14 Immediate Suspension Authority. Notwithstanding any other provision of law to the contrary, the commissioner may immediately suspend a license issued pursuant to this subdivision if the commissioner has evidence that the licensee is selling fireworks contrary to any of the provisions of this subdivision or any rules adopted under this subdivision. Any person whose license is suspended pursuant to this section shall be given the opportunity for a hearing within 10 days of the suspension. Any person found to be selling fireworks after his license has been suspended pursuant to this section shall not have his license reinstated for a minimum of one year from the date of suspension.

160-B:15 Advertising.

I. No person shall advertise fireworks by means of radio, television, newspaper, flyer, catalog, billboard, mobile or stationary sign, or any other means in such a way as to confuse or mislead the public about:

(a) The conditions under which fireworks may be purchased.

(b) The conditions under which fireworks may be used.

(c) The requirements contained in this subdivision or any other provision of state or federal law or regulations.

II. Any person who violates the provisions of this section shall be guilty of a misdemeanor.

Consumer Fireworks

160-B:16 Definitions. As used in this subdivision:

I. "Fireworks" means "consumer fireworks" as defined in this section.

II. "Consumer fireworks" (formerly class C fireworks) means items which comply with regulations of the United States Consumer Product Safety Commission and Department of Transportation definition.

III. "Display" means the use, explosion, activation, ignition, discharge, firing or any other activity which is intended to cause or which causes a consumer firework to do what it was manufactured to do.

IV. "Sale" or "sell" means to sell or transfer for consideration.

160-B:17 Sale; Penalty.

I. No person shall sell fireworks other than a person who has a local permit to sell fireworks issued pursuant to this subdivision.

II. Any person who violates the provisions of this section shall be guilty of a violation.

160-B:18 Display; Penalty.

I. No person shall display fireworks other than a person who has obtained such fireworks from a person authorized to sell pursuant to this subdivision.

II. Any person who violates the provisions of this section by displaying consumer fireworks shall be guilty of a violation.

160-B:19 Requirements for Sale of Fireworks; Permit.

I. Any person who desires to sell consumer fireworks shall apply to the municipality in which such person desires to sell such fireworks. The licensing board of any municipality or, if one does not exist, the chief of police, the fire chief, or the governing body shall issue a permit to sell consumer fireworks to a person who applies, provided that the person demonstrates that the structure from which the person will be operating conforms to all applicable local zoning, building and fire safety codes.

II. If such application is denied, the reasons for such denial shall be stated in writing, in duplicate, the original of which shall be delivered to the applicant, and the copy thereof kept in the office of the body which denied the application.

III. The municipality may charge an annual fee for the permit which shall not exceed \$5,000.

IV. No person under the age of 21 shall be engaged in the business of handling or selling any fireworks; provided, however, that a person less than 21 years of age but at least 18 years of age may handle and sell fireworks if such person is under the supervision of a person 21 years of age or older.

160-B:20 Local Option.

I. Notwithstanding any provision of this subdivision, any municipality in the state, by action of its local legislative body or local governing body, may vote to allow or to prohibit, within that municipality, the issuance of permits under RSA 160-B:19. If the municipality has voted to prohibit the issuance of permits or the display or possession of fireworks prior to the effective date of this section, such decision shall remain in effect unless subsequent action is taken under this section.

II. Notwithstanding any law to the contrary, a person who is 18 years of age or older may possess or transport consumer fireworks in a municipality which has voted to prohibit fireworks under paragraph I.

160-B:21 Advertising. Any advertisement for the sale of fireworks shall at a minimum contain the words: "Check with your local fire department to learn how to safely use fireworks in your community. Always keep fireworks away from children."

160-B:22 Selling Consumer Fireworks. Notwithstanding any law to the contrary, a person who is permitted by the local authority may sell consumer fireworks to a person 18 years of age or older. Any person who sells consumer fireworks shall not mix such fireworks with any class B special fireworks when displaying them for sale.

2 Applicability. Any person currently operating a business selling consumer fireworks may continue to sell such fireworks, but shall obtain a permit under RSA 160-B:19 within one year of the effective date of this act.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

The bill revises the laws regarding consumer fireworks (formerly Class C common fireworks). Specifically, the bill requires that any person who wishes to sell such fireworks obtain a permit from the appropriate municipality.

The current laws regarding class B fireworks are not affected under this bill.

Adopted.

Rep. Burling moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Reps. Loren Jean and Fenton spoke against and yielded to questions.

Rep. Pantelakos spoke in favor.

On a standing division vote, 160 members having voted in the affirmative and 180 in the negative, the motion failed.

Report adopted and referred to Ways and Means.

GUEST ON THE ROSTRUM

Former Deputy Speaker Michael Hill, guest of the House.

REMARKS

Rep. O'Rourke moved that the remarks of Michael Hill be printed in the Journal.

Adopted.

It is such a pleasure to be here for the annual fireworks debate. Maybe I'll come back for the annual billboards debate. I just want to take a minute to thank all of you very much for putting up with me for three years as Deputy Speaker. It was a tremendous pleasure for me and a great educational experience. I want to thank the Speaker and the great leadership team, the democratic leadership team who I could always count on for help anytime I asked for it and any time I needed help. Also, particularly to the staff that when things look like they really work well usually it is because somebody on the staff does something right and it really makes other people look great. It was a great pleasure. I didn't want to leave without having a chance to say thank you and how much I appreciate having been a part of this body and maybe someday I'll come back. Thank you very much.

The Rules Committee offered the following:

HOUSE RESOLUTION NO. 50

amending the House Rules for the 1994 Session.

Amend Rule 29 (k) by deleting the phrase "domestic violence."

(k) It shall be the duty of the Committee on Judiciary to consider all matters relating to the judicial system, right-to-know law, divorce and custody, domestic violence, guardianships, life and death (such as abortion or assisted death), landlord/tenant rights, civil proceedings, tort law, forfeiture, victims' assistance, immunity, probate; and such other matters as may be referred to it.

Amend Rule 43(b) by adding the following sentence:

If printing schedules prohibit such publication, the committee shall provide a minimum 24-hour notice by posting such sessions in the committee room and with the Clerk's office.

Amend Rule 44(a) by inserting the following after the last sentence:

The Committee, as its Interim Study final report, shall submit one of the following: 1) Recommended for Future Legislation; 2) Recommended, with Amendment, for Future Legislation; 3) Not Recommended for Future Legislation.

Amend Rule 50 by deleting the entire rule and inserting the following:

All committees must report all bills referred to them seven days prior to any deadline for the House to take action unless otherwise provided in Rule 67. Any bill not reported shall be placed on the Calendar by the Speaker with a report of No Recommendation and the reference to committee shall be revoked.

Amend Rule 67 by deleting the entire rule and replacing it with the following:

Legislative action in the second-year session shall be subject to the following deadlines:

- | | |
|----------------------------|--|
| Jan 5 (Weds) | - Last day to introduce all bills. |

- Rep. Cole moved that the amendments to House Rules be adopted and spoke in favor.
Reps. Trombly and Ann Torr spoke in favor.
Reps. Trombly and Crory yielded to questions.
Adopted.

REMARKS

Rep. Ann Torr moved that the remarks of Rep. Trombly be printed in the Journal.
Adopted.

Thank you Mr. Speaker and members of the House. I am rising in support of the rules changes. We did want something read into the record relative to the rules change of 43(b) in that it references informational work sessions. What we wish to have added to the record is the definition of those two types of work as they are contained in the Chairperson's handbook.

For the purposes of an informational session, that would be a public meeting for the purpose of educating interested parties on a particular issue. No official committee action is taken; no votes of any kind.

As to a work session: a work session is a public meeting at which committee members discuss a particular piece of legislation. No vote is taken and testimony is not taken, though specific questions may be directed to non-committee members at the discretion of the chairman.

Subcommittee work session: committee chairmen may elect to appoint subcommittees to continue work on a bill after the public hearing. It should be made clear to the subcommittee chairmen that all House rules that apply to committees also apply to subcommittees. Subcommittee appointments should be reported to the House Clerk and the first-named member shall serve as chairman of the subcommittee. Nothing that I read to you conflicts with what you have here, but I think most certainly those definitions do clarify what can and cannot be done; and since it also pertains to subcommittees we thought that it was very important.

REGULAR CALENDAR - PART II

HB 162-FN-L, returning all municipal ordinance fines to the municipality. REFER FOR INTERIM STUDY

Rep. Douglas E. Hall for Appropriations: It has been impossible to get an accurate estimate of the fiscal impact of this bill. The bill calls for returning to municipalities not the gross amount of fines, but the net after court expenses. The committee struggled with ways to simplify the administration of such a system by using a "standard" expense or percentage of fine to represent estimated expenses. Given the lack of hard data on either gross fines that might be collected or the court processing expenses associated with them, the committee felt it best to send this bill to interim study. The Administrative Office of the Courts has agreed to begin collecting needed financial data on January 1, 1994 and to have a six-month report available subsequently. The 1995 session of the legislature will, therefore, have more information and be better able to take responsible action on this proposal. Vote 19-1.

Adopted.

HB 491-FN-A-L, requiring that certain medicaid enhancement funds be used to augment the funding distributed under the Augenblick formula for state aid to education. INEXPEDIENT TO LEGISLATE

Rep. Stacey W. Cole for Appropriations: This bill called for funding the Augenblick formula from the medicaid enhancement fund. Those funds are no longer available for this purpose, having been authorized and appropriated in the current biennial budget. Vote 13-8.

Rep. Teague moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Frank Torr spoke against.

Rep. Douglas Hall spoke in favor and yielded to questions.

Rep. Cole spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Report adopted.

HB 616-FN-A-L, providing for property tax relief and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Robert G. Holbrook for Appropriations: This bill would provide certain property tax relief with a state appropriation. At this time the costs of implementing the plan are hard to determine, and the question of no local involvement in determining eligibility of real estate tax rebates moves away from the "home rule" concept. The committee recommends Inexpedient to Legislate. Vote 12-9.

Adopted.

Rep. DePecol wished to be recorded in opposition to the Committee report.

SB 234-FN-A-L, relative to the return of revenue to cities and towns. **INEXPEDIENT TO LEGISLATE**

Rep. Robert G. Holbrook for Appropriations: After a lengthy discussion on availability of funds and setting formulas for future promises, the committee voted Inexpedient to Legislate. Vote 12-4.

Adopted.

Rep. DePecol wished to be recorded in opposition to the Committee report.

HB 388, relative to disclosures by the seller of real property. **OUGHT TO PASS WITH AMENDMENT**

Rep. Martha Fuller Clark for Commerce, Small Business and Consumer Affairs: This bill requires sellers of property to disclose, in writing, information relative to insulation and any structural defects the seller has knowledge of prior to the execution of any purchase and sale of real estate, which includes a building. The committee, once it was assured that an equal burden of proof fell upon both buyer and seller, felt that this legislation had merit and insured that independent sellers and buyers were receiving pertinent information comparable to sales handled by real estate brokers. Vote 12-0.

Amendment (4021B)

Amend the bill by replacing all after the enacting clause with the following:

I Requirement Deleted. Amend RSA 477:4-c, II to read as follows:

II. If the information required under this section is unknown by the seller that fact shall be stated in writing [on the disclosure form].

2 New Section; Disclosure Required. Amend RSA 477 by inserting after section 4-c the following new section:

477:4-d Notification Required.

I. Prior to or during the preparation of an offer for the purchase and sale of any interest in real property to be used or proposed to be used for a one to 4 family dwelling, the seller shall disclose, in writing, the following information to the buyer. The buyer shall acknowledge receipt of the disclosure by signing a copy of the disclosure:

(a) Information relative to the type of private water supply system, its location, malfunctions, date of installation, date of most recent water test and whether or not the seller has experienced a problem such as an unsatisfactory water test or a water test with notations.

(b) Information relative to the private sewage disposal system including its location, malfunctions, the date it was most recently serviced and the name of the contractor who services the system.

(c) Information relative to the insulation, including type and location.

II. The fact that the information requiring disclosure regarding the private water supply system, private sewage disposal system, and insulation is not available shall also be conveyed, in writing, when such is the case.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the seller of a 1 to 4 family dwelling to disclose to the buyer information relative to type of water system, sewage system, and insulation used in such dwelling.

The bill also changes the manner of disclosure for information which sellers are required to disclose regarding water supply and sewage disposal systems.

Rep. Fuller yielded to questions.

Adopted.

Report adopted and ordered to third reading.

HB 389, relative to information which need not be disclosed in the sale of property. **OUGHT TO PASS WITH AMENDMENT**

Rep. Martha Fuller Clark for Commerce, Small Business and Consumer Affairs: HB 389 makes it clear that no real estate agent or property owner may be held libel for failure to disclose to any buyer that property is or was inhabited by a person infected with human immunodeficiency virus, especially since such disclosure is prohibited under the Federal Fair Housing Act. In addition, the bill also protects an owner or real estate agent against failure to disclose that a property was the site of a homicide, other felony or a suicide. Nothing, however, prevents an owner and a buyer from negotiating contractual rights of disclosure concerning any of the above. The purpose of the bill is to prevent litigation against real estate agents regarding the aforementioned disclosure. Both the Committee and the subcommittee heard sufficient testimony to convince them of the need for such legislation. Vote 12-0.

Amendment (4024B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the disclosure of certain historical information
regarding property.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; History of Property. Amend RSA 477 by inserting after section 4-c the following new section:

477:4-d History of Property.

I. Any agent of a seller of real property shall be prohibited from disclosing that such real property is or was inhabited by a person infected with human immunodeficiency virus or diagnosed as having acquired immune deficiency syndrome without the written authorization of the owner in compliance with the Federal Fair Housing Act of 1988.

II. No cause of action shall arise against the owner of such real property, or any agent of such owner, for failure to disclose information to a buyer regarding that such real property was a site of a homicide, other felony, or a suicide.

III. Notwithstanding paragraphs I and II, the seller and buyer of real property shall be free to negotiate contractual rights of disclosure concerning the matters in RSA 477:4-d, I and II.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits agents of sellers of real estate from disclosing to prospective buyers that the property was occupied by a person infected with the human immunodeficiency virus. The bill also declares that no cause of action shall arise against an owner of real property for failure to disclose that the property was the site of a homicide, other felony, or a suicide.

Adopted.

Report adopted and ordered to third reading.

SPECIAL ORDER

Rep. Mercer moved that **HB 394**, relative to discrimination in automobile insurance policies be made a special order for January 6.

Adopted.

REGULAR CALENDAR-PART II (Cont'd.)

HB 526, relative to insurance reimbursement for prescription goods and services by New Hampshire pharmacists. INEXPEDIENT TO LEGISLATE

Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs: The committee kept the bill in hope to convince Harvard Community Health to reimburse New Hampshire pharmacies other than their "preferred provider" (CVS). Over the summer the subcommittee had arrived at a solution by requiring HMOs to contract annually thereby allowing New Hampshire pharmacies to match CVS's and Harvard's ongoing contracted price. Unfortunately the full committee could not agree on whether the amendment went too far in getting involved in a contracted relationship or not far enough by not stating in the law the New Hampshire's pharmacies may charge the consumer more than the HMOs and the preferred provider's contracted amount. Vote 13-4.

Rep. Lozeau moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Reps. Crory, Hill and Bonnie Packard spoke against.

On a division vote, 94 members having voted in the affirmative and 241 in the negative, the motion failed.

Report adopted.

Rep. Case declared a conflict of interest and did not participate.

CACR 7, relating to establishing a statewide referendum procedure for the repeal of state statutes, providing that citizens of New Hampshire may directly repeal state statutory provisions by referendum. OUGHT TO PASS WITH AMENDMENT

Rep. Sharleene P. Hurst for Constitutional and Statutory Revision: The majority of the committee believes that CACR 7, as amended, is a good, moderate mechanism for giving the

people greater access to the political process. If the voters adopt this amendment, they will gain limited ability to repeal state statutes. Several other states already have a similar process in place and it has worked well for them. Vote 11-7.

Amendment (3805B)

Amend Article 2-a, II as inserted by paragraph III of the resolution by replacing it with the following:

II.(a) The referendum is the power of the electors to repeal statutes or parts of statutes. A referendum measure may be proposed by presenting a petition signed by electors equal in number to 10 percent of the votes for all candidates for governor at the preceding general election, asking that the statute or part of it be submitted to the electors. No more than 25 percent of all signatures collected shall be from any one executive council district.

(b) Each petition shall be submitted to the supervisors of the checklist of the town or ward in which the signer is domiciled or registered, and a majority of the supervisors shall certify whether or not the signer is a legal voter in such town or ward.

(c) The certified petitions shall then be submitted to the secretary of state who shall have 40 days to verify the certified petition. The secretary of state shall submit the measure at the next general election held at least 100 days after the petition is presented to the secretary of state.

Adopted.

Reps. Hurst, and Warburton spoke in favor.

Reps. Donna Sytek, Willis and Holden spoke against.

Rep. Wright spoke against and yielded to questions.

Rep. Gorman spoke in favor and yielded to questions.

A roll call was taken, the question being the adoption of CACR 7.

and lacking three-fifths of the elected and qualified members, CACR 7 failed.
Rep. Donna Sytek moved that CACR 7 be Inexpedient to Legislate.
Adopted.

CACR 11, relating to summary incarceration in criminal contempt cases. Providing that criminal contempt defendants shall be specifically included in Part I, Article 15 of the New Hampshire constitution. **INEXPEDIENT TO LEGISLATE**

Rep. Sharleene P. Hurst for Constitutional and Statutory Revision: The majority of the committee believes that there is not enough need for this bill at this time. The legal community is presently working to resolve issues regarding contempt cases in house. Vote 16-2.

Adopted.

CACR 12, relating to citizen-proposed legislation, constitutional amendments and statutory provisions. Providing that citizens of New Hampshire may directly propose legislation and constitutional amendments by initiative petition, and approve or reject statutory provisions by referendum. **REFER TO INTERIM STUDY**

Rep. Sharleene P. Hurst for Constitutional and Statutory Revision: The majority of the committee believes that there is strong merit in this legislation but the bill needs further study. The committee is recommending Interim Study to resolve problems with this bill. Vote 14-4.

Adopted.

HB 404, relative to reporting requirements for political committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sharleene P. Hurst for Constitutional and Statutory Revision: The majority of the committee believes this bill, as amended, resolves a serious problem regarding coerced political contributions. The subcommittee worked in cooperation with the Attorney General's Office in presenting this legislation. Vote 17-1.

Amendment (2734B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the prohibited coercion of employees to make political contributions .

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Business Organization Defined. Amend RSA 664:2 by inserting after paragraph XI the following new paragraph:

XII. "Business organization" means any enterprise, whether corporation, partnership, proprietorship, association, business trust, real estate trust or other form of organization; organized for gain or profit, and includes any enterprise which is expressly made exempt from income taxation under the United States Internal Revenue Code of 1986. It does not include a political committee as defined in RSA 664:2, III, or the political committee of a political party, as defined in RSA 664:2, V.

2 Prohibited Political Contributions by Business Organizations. Amend RSA 664:4, I to read as follows:

I. By any [corporation] *business organization*, or by any officer, director, executive, agent or employee acting in behalf of [such corporation] *the business organization*, or by any [organization] *enterprise* representing or affiliated with one or more [corporations] *business organizations* or by any officer, director, executive, agent or employee acting in behalf of [such] *the business organization*.

3 Coercion of Political Contributions. Amend RSA 664:4-a to read as follows:

664:4-a Prohibited Coercion of Political Contributions.

I. No person shall knowingly coerce, or attempt to coerce, any classified state employee to [make] *give or withhold* a contribution to any political campaign or political committee, or to any candidate, party or cause, for the purpose of promoting the success or defeat of any candidate or political party.

II. *No business organization, and no officer, director, executive, agent or employee acting in behalf of the business organization, and no enterprise representing or affiliated with one or more business organizations, and no officer, director, executive, agent or employee acting in behalf of such enterprise, shall knowingly coerce, or attempt to coerce, any employee of the business organization or of the enterprise, or any contractor or subcontractor or any employee of the contractor or subcontractor doing business with the business organization, to make a contribution to any political campaign or political committee, or to any*

candidate, party or cause, for the purpose of promoting the success or defeat of any candidate or political party:

(a) *By means of the denial or deprivation, or the threat of the denial or deprivation, of any employment, position, or work in or for the business organization or enterprise.*

(b) *By means of the denial or deprivation, or threat of the denial or deprivation, of the loss of any compensation, payment, or benefit from such employment, position, or work.*

(c) *By means of the discharge, promotion, degradation, or change in any manner in the official rank or compensation of any employee, or by means of the promise or threat to do so, for giving or withholding a contribution.*

4 Political Advertising by Business Organization. Amend RSA 664:14, II to read as follows:

II. Political advertising to promote the success or defeat of a measure by a [partnership, corporation] *business organization*, labor union, or other *enterprise or* organization shall be signed. The name of [such] *the enterprise or* organization shall be indicated and the chairman or treasurer of [such] *the enterprise or* organization shall sign his name and address. Nothing in this section shall be construed to permit contributions which are prohibited under RSA 664:4.

5 Reference Changed from Corporation to Business Organization. Amend RSA 664:15 to read as follows:

664:15 Approval of Candidate or Fiscal Agent. A person or [corporation] *business organization* publishing a newspaper or periodical or selling billboard space or operating a radio or television station or public address system shall not publish, print or broadcast any political advertising by or in behalf of a candidate in an election unless the same shall be signed by or authorized in writing by the candidate or his fiscal agent.

6 Reference Changed from Corporation to Business Organization. Amend RSA 664:16 to read as follows:

664:16 Identification of Political Advertising. Political advertising printed in newspapers, periodicals or billboards shall be marked at the beginning thereof "Political Advertising." Persons or [corporations] *business organizations* operating a radio or television station or public address system shall broadcast political advertising only after announcing it as such. Rates for advertising shall be filed, no later than 30 days prior to the deadline for filing for office for an election, with the secretary of state by each person or [corporation] *business organization* publishing a newspaper or periodical, operating a radio or television station, or selling billboard space. Such schedule shall be open to public inspection, and such schedules may be amended. However, rates in such amendments shall not take effect until 5 days after they are filed with the secretary of state. No person or [corporation] *business organization* publishing a newspaper or periodical, operating a radio or television station, or selling billboard space shall charge an advertising rate to any candidate, political committee, party or cause that is different from that charged to any other candidate, political committee, party or cause.

7 Repeal. RSA 664:4, II, relative to prohibited political contributions by partnerships, is repealed.

8 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits a business organization from coercing or attempting to coerce one of its employees or any contractor or subcontractor or an employee thereof doing business with the business organization, to make a contribution to any political campaign, political committee, candidate, party, or cause.

The bill also adds the new definition of "business organization" to RSA 664. The term business organization replaces the use of the terms corporation and partnership relative to prohibited political contributions. Corporations and partnerships are now included in the broader definition of a business organization.

Adopted.

Report adopted and ordered to third reading.

HB 411-FN-L, relative to the hours of polling in cities and towns. **OUGHT TO PASS WITH AMENDMENT**

Rep. C. Donald Stritch for Constitutional and Statutory Revision: This bill directs the Secretary of State to place on certain 1994 state general election ballots the question of whether polls shall be open not later than 8:00 in the morning for state elections. The question is to be submitted only to those voters in cities and towns where polls open later than 8:00 a.m. If passed, the new hours of polling will take effect in the 1996 state elections. Vote 14-2.

Amendment (3628B)

Amend the bill by replacing all after the enacting clause with the following:

1 Declaration of Purpose. The New Hampshire legislature hereby finds that it is desirable to encourage voter participation in state elections throughout the state. The New Hampshire legislature further finds that in order to encourage such voter participation, it is desirable to have all polling places throughout the state open no later than 8 o'clock in the morning.

2 Vote to Determine Hours of Polling in Certain Cities and Towns.

I. The secretary of state shall place the question in paragraph II on certain 1994 state general election ballots. The question shall only be submitted to voters in cities and towns where, at the 1992 state elections, the polls opened later than 8 o'clock in the morning. The question shall be printed on the 1994 state general election ballot beneath the office and party columns in the form provided in RSA 656:13. The vote on the question to the voters in these cities and towns shall be counted and returns made in the same manner as that provided in RSA 659.

II. The wording of the question on the 1994 state general election ballot for the adoption of polling hours which are different from those provided in RSA 659:4 shall be as follows:

"Shall we adopt polling hours in (here insert the name of the city or town) at all state elections beginning with the 1996 state primary election under which the polls shall open not later than 8 o'clock in the morning?"

III. Upon approval of the question, the new hours of polling shall be deemed to have been adopted and shall first take effect for the 1996 state elections.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill directs the secretary of state to place the question of whether at state elections the polls shall open not later than 8 o'clock in the morning on certain 1994 state general election ballots. The question is to be submitted only to those voters in cities and towns where the polls at the 1992 state elections opened later than 8 o'clock. The new hours of polling shall take effect for the 1996 state elections upon their adoption in the city or town.

Adopted.

Report adopted and ordered to third reading.

HB 449, relative to listing candidates on general election ballots. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sharleene P. Hurst for Constitutional and Statutory Revision: The majority of the committee believes that this bill, as amended, is not a partisan bill. It is designed to remedy a problem that causes recounts and confusion at the polling places. This ballot is already in use by the majority of the citizens of this state. Vote 11-7.

Rep. Flanagan moved Recommit to Committee.

Adopted.

SPECIAL ORDER

Rep. Flanagan moved that **HB 497**, allowing towns and school districts to use the official ballot for any issue before the voters, be made a special order for 10:00 a.m. January 6.

Adopted.

REGULAR CALENDAR-PART II (Cont'd.)**HB 520**, eliminating straight ticket voting on the ballot. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas E. Arnold for Constitutional and Statutory Revision: This bill would deprive the voters of the right to vote a straight ticket, a right which they have historically enjoyed.

The committee was unwilling to restrict the voter's choice in order to correct minor problems which can be more easily corrected by better directions, education, and training of voters and poll workers. Vote 10-8.

Rep. Gilmore moved that the words Ought to Pass be substituted for the Report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Donna Sytek spoke against.

Rep. Trombly spoke in favor and yielded to questions.

Rep. Jasper spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Report adopted.

HB 632, relative to filing requirements for candidates running for the office of state representative. **INEXPEDIENT TO LEGISLATE**

Rep. Gary R. Gilmore for Constitutional and Statutory Revision: The committee felt that this bill would create an unnecessary hardship for potential candidates when they were deciding to run for office. Vote 16-2.

Adopted.

HB 308, establishing a committee to study the viability of SAUs, and whether a school district should vote on whether to belong to an SAU. **OUGHT TO PASS WITH AMENDMENT**

Rep. Susan B. Durham for Education: This measure establishes a legislative study committee charged with specific criteria dealing with an option for a school district to vote whether to belong to an SAU and to look at the ramifications of a school district operating without being a part of an SAU. Vote 16-1.

Amendment (4037B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a joint house and senate committee to study the feasibility of allowing a school district the option to vote on whether to belong to an SAU.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is hereby established a committee to study the feasibility of allowing a school district the option to vote on whether to belong to an SAU (school administrative unit).

2 Membership. The committee shall consist of the following members:

I.(a) Four members of the house of representatives, appointed by the speaker of the house.

(b) Four members of the senate, appointed by the senate president.

II. In making their appointments, the speaker of the house and the senate president shall seek to have representation of an urban school district, a multi-district SAU, and a rural SAU.

3 Duties. The committee shall:

I. Consider the educational opportunities offered by school administrative units and allowing school districts the opportunity to vote on whether to belong to an SAU, with consideration of the ramifications of withdrawal by a district, as well as greater flexibility and decentralization of educational services.

II. Meet with all those concerned with the SAU structure including the commissioner of education, the chairperson of the state board of education, superintendents from urban, multi-district and rural SAUs, representatives from New Hampshire Principals Association and the New Hampshire School Administrators Association, public school teachers, and parents.

4 Appointments; Mileage. Appointments of all members of the committee shall be made within 30 days of the effective date of this act. Members shall receive compensation for mileage at the usual legislative rate.

5 Officers; Meetings. The first meeting of this committee shall be called between 60 and 90 days after the effective date of this act by the first member of the house of representatives appointed. At the first committee meeting, the members shall choose a chairperson by majority vote from among the membership. After the first meeting, all committee meetings shall be called by the chairperson. Meeting dates and places shall be set at the discretion of the committee.

6 Report. The committee shall prepare a report describing its determinations and recommendations, including the necessary statutory language for the implementation of this option. Copies of this report shall be delivered to the governor, the speaker of the house of representatives, and the senate president on or before November 1, 1994. Secretarial and staff assistance shall be provided by the house of representatives.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a joint house and senate committee to study the feasibility of allowing a school district the option to vote on whether to belong to an SAU.

Adopted.

Report adopted and ordered to third reading.

HB 599-FN-L, allowing school districts to contract with selected secular schools for the education of the district's children, and granting school districts an option to implement an education voucher program. OUGHT TO PASS WITH AMENDMENT

Rep. Susan B. Carter for Education: After a complete review of all choice in education options available throughout the country, it was decided that at this time the charter school concept, which expands the idea of public school choice with schools designed and operated by teachers and parents, under contract with the local school boards, holds the greatest potential for New Hampshire. Therefore, HB 599, as amended, establishes a committee to study the development and implementation of charter schools. The bill also provides for making available to local school boards information as to what school boards can currently do to provide more choice options. The report of the study committee will contain information as to ways to increase student options, to free teachers and schools from unnecessary regulations, and to introduce greater accountability in the public school systems. Vote 17-1.

Amendment (4082B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study the development and implementation of charter schools and relative to the duties of the board of education regarding change of school assignment.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose; Intent. Improvement and accountability in education are of primary concern to all citizens of New Hampshire. A full understanding of the options currently available to school districts and a study of possible expansions of those options is necessary to foster innovation in the public school programs of the state. In addition, such understanding and study shall serve to determine ways in which to increase student options, free teachers and schools from unnecessary regulation, and introduce greater accountability of the public school systems. The charter school concept expands the idea of public school choice, but does not require a voucher component for implementation. The option addressed in this study is the charter school, designed and operated by teachers and parents under contract with local school boards.

2 Committee Established. There is established a committee to study the development and implementation of charter schools. The committee shall consist of the following members:

I. Three members of the senate, one of whom shall be the chairperson of the education committee or designee, one of whom shall be a member of the education committee, and one of whom shall be a member of the appropriations committee, all of whom shall be appointed by the senate president.

II. Three members of the house of representatives, one of whom shall be the chairperson of the education committee or designee, one of whom shall be a member of the education committee, and one of whom shall be a member of the appropriations committee, all of whom shall be appointed by the speaker of the house.

III. The governor or designee.

IV. The commissioner of education or designee.

V. One representative of the New Hampshire School Boards Association, appointed by that association.

VI. One representative of the New Hampshire School Administrators Association, appointed by that association.

VII. One representative of the New Hampshire Association of School Principals, appointed by that association.

VIII. One representative of the New Hampshire chapter of the National Education Association, appointed by that association.

IX. One representative of the American Federation of Teachers, appointed by that association.

X. One representative of the state board of education, appointed by that board.

XI. Three parents of children currently enrolled in New Hampshire public schools, one of whom has a child enrolled in a single district SAU and one of whom has a child enrolled in a multi-district SAU, all appointed by the governor.

XII. One elementary public school teacher, appointed by the commissioner of education.

XIII. One secondary public school teacher, appointed by the commissioner of education.

XIV. One representative of the department of education, college of liberal arts, university system of New Hampshire, appointed by the chancellor.

3 Duties. The duties of the committee shall include, but not be limited to:

I. Studying the various charter school programs which have been implemented throughout the country.

II. Determining:

(a) The process for establishing a charter program;

(b) The authorization mechanism for charter schools;

(c) The accountability mechanism for charter schools in relationship to local school boards and state regulations;

(d) The process for developing performance standards as the basis of evaluation if state regulations are waived;

(e) The potential participants in such a program;

(f) The governing structure of a charter school in terms of its relationship to the local school board;

- (g) Admission requirements and criteria;
- (h) Financial considerations; and,
- (i) A revocation mechanism.

III. Enabling the development of a pilot program (one urban and one rural) upon satisfactory review and approval of the report by the senate and house education committees.

4 Meetings; Compensation.

I. The first-appointed house member shall call the first meeting prior to July 1, 1994.

II. The committee members shall choose a chairperson from among their membership.

III. Members of the committee shall serve without compensation, except that legislative members shall receive mileage at the legislative rate when attending to the duties of the committee.

IV. The department of education shall provide administrative services as requested by the committee.

5 Report. The committee shall make a report which shall enable the development and implementation of a charter school program, as well as provide for the creation of a pilot charter school program. The committee shall submit its report, including any recommendations for appropriate legislation, to the governor, the senate president, and the speaker of the house on or before November 1, 1994.

6 New Section; Change of School Assignment; Duties of Board of Education. Amend RSA 193 by inserting after section 14 the following new section:

193:14-a Change of School Assignment; Duties of Board of Education. The state board of education in conjunction with the department of education shall make available to local school boards information regarding the responsibilities of the local boards when parents request a change in school assignment. Such information shall include an explanation of local board's authority and responsibilities, as well as the rights and responsibilities of parents seeking a change of assignment as set forth in RSA 193:3, 193:14 and applicable rules adopted under RSA 541-A.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the development and implementation of charter schools.

The bill also requires the board of education to make certain information available to local school boards regarding a change in school assignment.

Rep. Carter yielded to questions.

Report adopted and ordered to third reading.

HB 134, relative to penalties, definitions, licenses, permits, registrations, and rulemaking under the weights and measures laws and relative to changing the terms "inspector" and "sealer" to "enforcement officer" and repealing the law governing the sale of wood. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leighton C. Pratt for Environment and Agriculture: This bill allows firewood to be sold in quantities other than a cord or fraction thereof. The bill also requires the Commissioner of Agriculture to license commercial measuring devices and clarifies penalty provisions and rulemaking authority. Vote 13-0.

Amendment (3521B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to penalties, definitions, licenses, permits, registrations,
and rulemaking under the weights and measures laws and
repealing the law governing the sale of wood.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Adding Definition of Commercial Use. Amend RSA 438:1 by inserting after paragraph XI the following new paragraph:

XII. "Commercial use" means weights and measures used or employed in establishing the size, quantity, extent, area, or measurement of quantities, things, commodities, or articles for distribution or consumption, purchased, offered, or submitted for sale, hire, or award, or in computing any basic charge or payment for services rendered on the basis of weight, measure, or count. Devices used in a determination upon which a charge or service is based include, but are not limited to, taxi meters, odometers, timing devices, and shipping scales. "Commercial use" does not include the determination of the weight, measure, or count of any commodity or thing which is performed within a plant or business as a part of the manufacturing, processing, or preparing for market of that commodity or thing.

2 Definition of Cord. Amend RSA 438:3 to read as follows:

438:3 Definitions of Special Units of Measure. The term "barrel" when used in connection with fermented liquor shall mean a unit of 31 gallons. The term "ton" shall mean a unit of 2,000 pounds avoirdupois weight. The term "cord" when used in connection with wood intended for fuel purposes shall mean the amount of wood that is contained in a space of 128 cubic feet when the wood is ranked and well stowed, *as defined in the National Institute of Standards and Technology Handbook 130 as revised and amended.*

3 Licensing Measuring Devices. Amend RSA 438:7, VI to read as follows:

VI. The commissioner shall license annually all devices used commercially *to provide services on the basis of weight, measure, or count* or to establish size, quantity, extent, area or measurement of commodities or articles sold or offered or exposed for sale.

4 New Paragraph; Expiration of Licenses, Permits, and Registrations. Amend RSA 438:7 by inserting after paragraph VII the following new paragraph:

VIII. The commissioner shall designate the registration and expiration dates for all licenses, permits, and registrations issued under this chapter.

5 Rulemaking Authority. The section heading and introductory paragraph of RSA 438:8 and RSA 438:8, I and II are repealed and reenacted to read as follows:

438:8 Rulemaking Authority.

I. The commissioner shall adopt rules, under RSA 541-A, relative to:

(a) Standards of net weight, measure, or count, and reasonable standards of fill for any commodity in package form.

(b) Technical and reporting procedures to be followed and the report and record forms and marks of approval and rejection to be used by inspectors of weights and measures in the discharge of their official duties.

(c) Exemptions from the inspection requirements of RSA 438:14 with respect to weights and measures of such character or size that such inspection would be inappropriate, impracticable, or damaging, to the apparatus in question.

(d) Compulsory registration of servicemen and service agencies.

(e) Licensing of, and the technical and reporting procedures to be followed by, public weighmasters.

(f) Licensing of weighing and measuring devices used commercially.

(g) Specifications, tolerances, and other technical requirements for weights and measures of the character of those specified in RSA 438:10, designed to eliminate from use, without prejudice to apparatus that conforms as closely as practicable to the official standards, those:

(1) That are not accurate.

(2) That are not reasonably permanent in their adjustment or will not repeat their indications correctly.

(3) That facilitate the perpetration of fraud.

(h) The establishment and collection of fees for:

(1) Testing and certification.

(2) Licenses, including application, initial issuance, replacement and duplication.

(3) Examinations.

(i) The imposition of fines and penalties under RSA 438:40.

(j) Any other matter necessary to the proper administration of this chapter.

II. The commissioner may also adopt, as part of the rules, the definitions and descriptive regulations published by the National Conference on Weights and Measures and amendments,

supplements and revisions to such regulations. Rules under this paragraph need not be adopted in accordance with RSA 541-A, but when adopted, shall be filed with the director of legislative services.

6 Concurrent Jurisdiction. RSA 438:18 is repealed and reenacted to read as follows:

438:18 Concurrent Jurisdiction. The commissioner shall have concurrent authority to enforce the provisions of this chapter, in cities for which sealers of weights and measures have been appointed as provided in this chapter. City sealers shall investigate and prosecute within the jurisdiction of the city, unless the investigation or prosecution in the jurisdiction over a particular case or class of cases is preempted by the state bureau of weights and measures, county attorney or attorney general. City sealers, upon request of the bureau of weights and measures, county attorney, or attorney general, may assist and conduct investigations throughout the state.

7 Offenses and Penalties. RSA 438:40 is repealed and reenacted to read as follows:

438:40 Offenses and Penalties.

I. It shall be unlawful for any person to:

(a) Use or have in possession for the purpose of using for any commercial purpose specified in RSA 438:10, sell, offer, or expose for sale or hire, or have in possession for the purpose of selling or hiring, an incorrect weight or measure or any device or instrument used to or calculated to falsify any weight or measure.

(b) Use or have in possession for the purpose of current use for any commercial purpose specified in RSA 438:10, a weight or measure that does not bear a seal or mark such as is specified in RSA 438:14, unless such weight or measure has been exempted from testing by the provisions of RSA 438:10 or by a rule of the commissioner adopted under the authority of RSA 438:8 or unless the device has been replaced in service as provided by a rule of the commissioner adopted under the authority of RSA 438:8.

(c) Dispose of any rejected or condemned weight or measure in a manner contrary to law or rule.

(d) Remove from any weight or measure, contrary to law or rule, any tag, seal, or mark placed thereon by the appropriate authority.

(e) Sell, or offer or expose for sale, less than the quantity represented of any commodity, thing, or service.

(f) Take more than the quantity he represents of any commodity, thing, or service, when, as buyer, he furnishes the weight or measure by means of which the amount of the commodity, thing, or service is determined.

(g) Keep for the purpose of sale, advertise, or offer or expose for sale, or sell any commodity, thing, or service in a condition or manner contrary to law or rule.

(h) Use in retail trade, except in the preparation of packages put up in advance of sale and of medical prescriptions, a weight or measure that is not so positioned that its indications may be accurately read and the weighing or measuring operation observed from some position which may reasonably be assumed by a customer.

(i) Use commercially any device which has not been licensed in accordance with RSA 438:7, VI.

(j) Violate any provision of RSA 438 or of the rules adopted under the provisions of RSA 438.

II. Any person who, by himself or by his servant or agent, recklessly performs any act prohibited, other than by rule, under this chapter shall be guilty of a misdemeanor. Any individual, acting as the servant or agent of another person, who knowingly performs any act prohibited, other than by rule, under this chapter shall be guilty of a misdemeanor. A subsequent violation of this chapter perpetrated by anyone other than a natural person shall be a felony.

III. Any person who, by himself or by his servant or agent, or as the servant or agent of another person violates any rule adopted under RSA 438:8 shall be guilty of a violation.

IV. In addition to any other penalty imposed under this chapter, any person who violates any provision of RSA 438, or any rule or order of the commissioner, may be subject to the imposition of an administrative fine levied by the commissioner, not to exceed \$1,000 for each violation.

- 8 Repeal. RSA 438:35, relative to the sale of fuel wood and wood by-products, is repealed.
 9 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the commissioner of agriculture to license annually all devices used commercially to provide services on the basis of weight, measure, or count to establish size, quantity, extent, area or measurement of commodities or articles sold or offered or exposed for sale.

The bill requires the commissioner to establish registration and expiration dates for all licenses, permits, and registrations issued under the weights and measures laws.

The bill repeals the law governing the sale of fuel wood and wood by-products.

This bill clarifies the penalty provisions, concurrent jurisdiction, and rulemaking authority of the commissioner under the weights and measures laws.

Adopted.

Report adopted and ordered to third reading.

Rep. Scanlan declared a conflict of interest and did not participate.

HB 195-FN, relative to the sale of cider. OUGHT TO PASS WITH AMENDMENT

Rep. David M. Scanlan for Environment and Agriculture: House Bill 195 give the Commissioner of Agriculture the authority to implement rules pursuant to RSA 541-A relative to the sale of cider. Vote 16-0.

Amendment (3519B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Cider. Amend RSA 434 by inserting after section 40 the following new subdivision:

Cider

434:40-a Definitions. In this subdivision:

I. "Cider" means the unfermented juice of apples.

II. "Commissioner" means the commissioner of the department of agriculture.

III. "Person" means any individual, firm, company, partnership, corporation, association, cooperative, business trust, or legal entity of any kind.

434:40-b Manufacture and Sale. The commissioner may adopt rules, pursuant to RSA 541-A, relative to the manufacture, blending, labeling, and sale of cider in New Hampshire. Such rules shall be designed to ensure the following:

I. That any cider which is claimed or implied to have been produced in New Hampshire is in fact produced in New Hampshire.

II. That the term "cider" have a specific commercial definition in New Hampshire, and that the term's commercial use in New Hampshire be restricted to the sale of products which fall under that definition.

III. That all other terms used in the labeling and sale of cider and cider blends in New Hampshire be consistent and clear.

IV. That any container of cider sold in New Hampshire bears a label which clearly identifies its producer, and which conspicuously and accurately describes its contents.

434:40-c Prohibitions. It shall be unlawful in New Hampshire to manufacture, sell, or distribute cider or any product called "cider" by any means that violate any of the provisions of this subdivision, or any of the rules adopted under this subdivision.

434:40-d Administrative Authority; Inspectors; Rulemaking. The commissioner shall have general authority to administer and enforce the provisions of this subdivision and may adopt rules pursuant to RSA 541-A as are necessary to carry out the purposes of this subdivision. The commissioner or duly authorized agent shall have free access at all reasonable hours to any place, building or vehicle in which apple cider is manufactured, sold, offered, or exposed for sale or exchanged or distributed at retail or wholesale. The commissioner or duly authorized agent shall have authority to open any package or container, and may upon tendering the market price take such container and its contents or sample from the package or container.

434:40-e Stop Sale, Use or Removal Orders. When the commissioner or duly authorized agent has reasonable cause to believe cider is being distributed in violation of any of the

provisions of this subdivision, or any of the rules adopted under this subdivision, the commissioner or duly authorized agent may issue and serve a written "stop sale, use or removal" order upon the owner or custodian of any such cider. The cider shall not be sold, used or removed until the provisions of this subdivision have been complied with and the cider has been released by the commissioner or duly authorized agent or the violation has been otherwise disposed of as provided in this subdivision by a court of competent jurisdiction.

434:40-f Hearings. When the commissioner learns of any violation of any provision of this subdivision, notice of such violation, together with a copy of the findings, shall be given to the person or persons concerned. Persons so notified shall be afforded a hearing under rules adopted by the commissioner. Affidavits under oath may be received by the commissioner.

434:40-g Penalties.

I. Any person who violates any provision of this subdivision or rule adopted under this subdivision shall be guilty of a misdemeanor. For any subsequent offense, a person shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

II. Any person who violates any provision of this subdivision or any rule adopted or order issued under this subdivision shall, in addition, be liable for a civil forfeiture not to exceed \$5,000 for each violation, for each day of a continuing violation, which may be collected in a civil action or in connection with an action for injunctive relief brought by the attorney general.

III. Any person who violates any provision of this subdivision, or any rule or order of the commissioner, shall be subject to the imposition of an administrative fine levied by the commissioner, not to exceed \$1,000 for each violation.

434:40-h Interpretation. Nothing in this subdivision shall be construed as interfering with the powers of the department of health and human services, division of public health services, or with statutes relating to public health and sanitary inspection, production and distribution of food.

2 Effective Date. This act shall take effect January 1, 1995.

Adopted.

Report adopted and ordered to third reading.

HB 279, establishing a committee to examine the effects of phosphorus and phosphorus-based products on the water quality of New Hampshire lakes, ponds, and rivers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jeb E. Bradley for Environment and Agriculture: This ban on phosphorus in household cleaning products puts into statute the fact that virtually all household cleaning products sold in New Hampshire currently do not contain phosphorus. As such, this bill offers an insurance policy that New Hampshire lakes will maintain their good water quality. Phosphorus in excessive quantities directly contributes to algae growth in a lake. Vote 15-1.

Amendment (3884B)

Amend the title of the bill by replacing it the following:

AN ACT

prohibiting certain household cleansing products
containing phosphates.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Certain Cleansing Products Prohibited. Amend RSA 485-A by inserting after section 54 the following new subdivision:

Certain Household Cleansing Products Prohibited

485-A:55 Definitions. In this subdivision:

I. "Household cleansing product" means any product, including but not limited to, soaps and detergents used for domestic cleaning purposes, including, but not limited to, the cleansing of fabric, dishes, food utensils and household premises.

II. "Phosphorus" means elemental phosphorus.

III. "Trace quantity" means an incidental amount of phosphorus which is not part of the household cleansing product formulation, is present only as a consequence of manufacturing and does not exceed 0.5 percent of the content of the product by weight, expressed as elemental phosphorus.

485-A:56 Products Prohibited. No household cleansing products except those used in dishwashers shall be distributed, sold or offered for sale in this state, which contain a phosphorus compound in concentrations in excess of a trace quantity.

485-A:57 Penalty. Any person who violates the provisions of this subdivision shall be subject to a civil penalty not to exceed \$50.

2 Report of the Commissioner of Environmental Services.

I. The commissioner of environmental services shall submit a report to the house environment and agriculture committee, the house resources, recreation and development committee, and the senate environment committee, by September 1, 1995, which shall include the following:

(a) A synopsis of both in and out of state scientific studies pertaining to the effect which anthropogenic source contributions of phosphorus to water bodies have on algal and other aquatic plant growth.

(b) A determination as to whether anthropogenic phosphate sources have damaged or threaten to damage the health of New Hampshire's water bodies.

(c) Methods of controlling anthropogenic phosphate sources, if deemed necessary, which shall include but not be limited to, reducing or eliminating phosphates in dishwasher detergent and from cleansing products used in commercial settings if suitable substitute products are available.

II. In preparing this report, the commissioner shall also examine whether other nutrients or factors may contribute to excess algal and other aquatic plant growth in New Hampshire water bodies and shall recommend control strategies for such nutrients or factors as deemed necessary.

III. The commissioner shall submit a progress report to the legislative committees by September 1, 1994, and shall hold a public hearing on the draft final report at least 30 days before its issuance. The division of public health services, department of health and human services, shall provide comment to the commissioner prior to the issuance of the final report.

3 Effective Date.

I. Section 1 of this act shall effect January 1, 1995.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill prohibits the sale of household cleansing products which contain a phosphorus compound in excess of a specified quantity.

This bill also requires the commissioner of environmental services to submit a report to the house environmental and agriculture committee, the house resources, recreation and development committee, and the senate environment committee by September 1, 1996. The report shall examine factors contributing to algal and other aquatic plant growth in New Hampshire water bodies.

HB 472-FN, exempting certain used oil marketers from the hazardous waste cleanup fund fees. **INEXPEDIENT TO LEGISLATE**

Rep. Richard O. Wasson for Environment and Agriculture: House Bill 472-FN that calls for the repeal of current legislation under RSA 147-B:8,1a and RSA 147-B:9,11b requiring the payment of \$0.02 per gallon of used automobile lubricating oils by marketers and users thereof, is hereby recommended as "Inexpedient To Legislate" due to the inclusion of such action to repeal said requirements under HB 260-FN-A which the committee has recommended Ought to Pass With amendment. Vote 14-0.

Adopted.

HB 570-FN-L, creating a statewide current use reimbursement program. **REFER FOR INTERIM STUDY**

Rep. David M. Scanlan for Environment and Agriculture: Upon the receipt of new information, it was determined that the reimbursement formula in House Bill 570 is unworkable. This is a very complex issue and instead of rushing the committee's work, it was decided to send this bill to Interim Study. Vote 15-0.

Adopted.

HB 622-FN, relative to solid waste management districts. **OUGHT TO PASS**

Rep. Betty B. Hall for Environment and Agriculture: The committee report of Ought To Pass is based on the unanimous agreement to support a motion to recommit the bill to the committee when it reaches the floor. This complex issue has so many ramifications that extensive study has been required. Hours of work have already gone into review and revision of these statutes, but further work is required during the balance of 1993. Recommittal will be used to provide public hearings on the final version and will enable the House to take action early in 1994. Vote 16-0.

Rep. Betty Hall moved Recommit to Committee and spoke in favor.

Adopted.

HB 676-FN-L, relative to unfunded state mandates and exempting political subdivisions from certain fees imposed by the department of environmental services. **INEXPEDIENT TO LEGISLATE**

Rep. Betty B. Hall for Environment and Agriculture: Repealing statutes that may or may not meet the requirement of constitutional provisions prohibiting unfunded mandates should not be proposed in an omnibus bill. Therefore, the committee unanimously recommends Inexpedient To Legislate. Vote 14-0.

Rep. Scanlan moved Recommit to Committee.

Adopted.

HB 190-FN, giving the department of resources and economic development stewardship over certain abandoned rail lines. **OUGHT TO PASS WITH AMENDMENT**

Rep. William P. Boucher for Executive Departments and Administration: The bill was referred to deal with funding. The Committee feels strongly that the right-of-ways of the abandoned rail lines should and will be preserved. The Departments of Transportation and Resources and Economic Development have done a good job of working together to provide and maintain a good trail system. However, E.D. & A. has discovered that a new source of funds is available that could and should be used to enhance, preserve, and maintain these new trails given over to DRED, Parks Division for stewardship. We ask support for this new source of funds to be used as indicated in the amendment. The intent is to allocate 60 percent to DRED, Division of Parks for maintenance and 40 percent to DOT, Division of Railroads in a non-lapsing fund for the purpose of exercising "first right of refusal," to purchase right-of-ways when and if they become available. Vote 17-0.

Amendment (3990B)

Amend the title of the bill by replacing it with the following:

AN ACT

giving the department of resources and economic development and the department of transportation joint stewardship over certain abandoned rail lines and splitting the lease revenues for certain rail properties between the 2 departments.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Stewardship Rights of the Department. Amend RSA 216-F:1 by inserting after paragraph III the following new paragraph:

IV. The commissioner of the department of resources and economic development shall have joint stewardship with the commissioner of transportation over all rail lines condemned, abandoned, or over which the state has exercised its right of first refusal to use in the statewide trail system under this chapter, until such time as the state decides upon another use for such rail lines.

2 Disposition of Revenue from Certain Rail Line Leases. Amend RSA 228:57 to read as follows:

228:57 Sale or Lease; Purpose.

I. The commissioner as sole agent for the state, with the approval of the governor and council, is authorized to sell, transfer or lease all or any part of the rail properties, and other property acquired under the provisions of this subdivision, to any responsible person, firm or corporation, for continued operation of a railroad, or other public purpose, provided, if nec-

essary, approval for such continued operation, or other public purpose, is granted by the interstate commerce commission of the United States whenever such approval is required. Such sale, transfer or lease shall be for such price, and subject to said further terms and conditions, as in the opinion of the commissioner are necessary and appropriate to effectuate the purposes of this subdivision.

II. Notwithstanding RSA 228:68, all revenues collected and currently unexpended by the commissioner from the lease of abandoned railroad rights-of-way and fiber optics shall be distributed in the following manner:

(a) Sixty percent of such revenues shall be deposited in the state parks fund for use by the bureau of trails established in RSA 216-A:3-i.

(b) Forty percent of such revenues shall be deposited in the special railroad fund established in RSA 228:68.

3 New Section; Joint Stewardship. Amend RSA 228 by inserting after section 67 the following new section:

228:67-a Stewardship over Certain Rail Lines. Notwithstanding the commissioner's authority as sole agent of the state under RSA 228:56 to acquire all manner of rail properties, the commissioner shall have joint stewardship with the commissioner of the department of resources and economic development over all rail lines condemned, abandoned, or over which the state has exercised its right of first refusal to use in the statewide trail system established in RSA 216-F, until such time as the state decides upon another use for such rail lines.

4 Distribution of Funds in Escrow. Any funds from the lease of state-owned rail properties or fiber optics in escrow on the effective date of this act because of a dispute in which the state is a party shall be distributed in the manner established in RSA 228:57, II, if the state shall prevail in the underlying dispute.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill gives the department of resources and economic development and the department of transportation joint stewardship over certain abandoned rail lines to be used for a statewide trail system, until the state decides upon another use for such lines.

The bill also splits the lease revenues of certain rail lines and fiber optics lines between the state parks fund in the department of resources and economic development and the department of transportation.

Adopted.

REGULAR CALENDAR-PART II (Cont'd.)

HB 677, relative to the term of office for commissioners of state departments. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was re-referred to the committee to study making the terms of office for commissioners at the pleasure of the Governor. After study and public hearing, the committee amended the bill to give certain commissioners, deputy commissioners, and assistant commissioners a four-year term. This will give most of the top appointed officials of the Executive Department, in charge of departments, a four-year term. This bill, as amended, will not affect the term of any commissioner or deputy commissioner presently serving a fixed term. New appointments will be for

four-year terms. This will not affect the wages of any commissioners, deputy commissioners, or assistant commissioners. The Deputy Commissioner of Labor, who does not have a fixed term, and the Assistant Commissioner of Insurance, who does not have a fixed term, will begin a four-year term upon passage. The Deputy Commissioner of Employment Security will continue as a classified employee until there is a vacancy in that position; then the position will become unclassified with a four-year term. This will bring most state departments in a uniform system of appointment and term of office. Vote 15-0.

Amendment (4000B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the term of office for certain commissioners, deputy commissioners, and assistant commissioners of state departments.

Amend the bill by replacing all after the enacting clause with the following:

1 Commissioner of Labor to Serve 4-Year Term. Amend RSA 273:2 to read as follows:

273:2 Term of Commissioner; Removal. The commissioner shall hold office for [3] *a term of 4* years from the date of his appointment and until his successor shall be appointed and qualified, and may be removed for cause by the governor, with the advice and consent of the council.

2 New Section; Deputy Commissioner of Labor. Amend RSA 273 by inserting after section 2 the following new section:

273:2-a Deputy Commissioner.

I. The labor commissioner shall nominate a deputy commissioner for appointment by the governor, with the consent of the council. The deputy commissioner shall serve for a term of 4 years. The deputy commissioner shall be qualified to hold that position by reason of education and experience.

II. The deputy commissioner shall perform such duties as are assigned by the commissioner. The deputy commissioner shall assume the duties of the commissioner in the event that the commissioner is unable for any reason to perform such duties.

III. The salary of the deputy commissioner shall be as specified in RSA 94:1-a.

3 Commissioner of Employment Security to Serve 4-Year Term. Amend RSA 282-A:108, II to read as follows:

II. The commissioner shall hold office for [5] *a term of 4* years from the date of his appointment and until his successor is appointed and qualified. Otherwise the commissioner may be removed only as provided in RSA 4:1.

4 Deputy Commissioner of Employment Security. RSA 282-A:109 is repealed and reenacted to read as follows:

282-A:109 Deputy Commissioner.

I. The commissioner of the department of employment security shall nominate a deputy commissioner for appointment by the governor, with the consent of the council. The deputy commissioner shall serve for a term of 4 years. The deputy commissioner shall be qualified to hold that position by reason of education and experience.

II. The deputy commissioner shall perform such duties as are assigned by the commissioner. The deputy commissioner shall assume the duties of the commissioner in the event that the commissioner is unable for any reason to perform such duties.

III. The deputy commissioner shall be an unclassified state employee. The salary of the deputy commissioner shall be as specified in RSA 94:1-a.

5 Bank Commissioner and Deputy Bank Commissioner to Serve 4-Year Terms. Amend RSA 383:1 to read as follows:

383:1 Commissioner and Deputy. There shall be a bank commissioner who shall be appointed by the governor with the advice and consent of the council, and his term shall be for [6] 4 years or until his successor is appointed and qualified. *Otherwise, the commissioner may be removed only as provided in RSA 4:1.* There shall be a deputy bank commissioner who shall be recommended by the bank commissioner and appointed by the governor with the advice and consent of the council, and his term shall be [6] 4 years. The deputy may exercise the powers and perform the duties of the commissioner during his absence whenever

and to the extent that he may be so authorized by the commissioner. In case of the temporary disability of the commissioner, or of a vacancy in the office, the deputy shall have the powers and perform the duties of the commissioner until another commissioner is appointed and qualified.

6 Insurance Commissioner to Serve 4-Year Term. Amend RSA 400-A:3 to read as follows:

400-A:3 Insurance Commissioner; Appointment; Term. The head of the department shall be the insurance commissioner who is charged with the rights, powers, and duties pertaining to the enforcement and execution of the insurance laws of this state. The commissioner shall have all powers specifically granted to him or reasonably implied in order to enable him to perform the duties imposed upon him by this title. The commissioner shall have such additional rights, powers, and duties as may be provided by other laws. The commissioner shall be appointed by the governor with advice and consent of the council. The commissioner shall hold office for [5] **a term of 4 years** and until a successor has been appointed and has qualified. Vacancies in the office of the insurance commissioner shall be filled for the unexpired term of such office. He may be removed only as provided by RSA 4:1.

7 Deputy Insurance Commissioner to Serve 4-Year Term. Amend RSA 400-A:6, I to read as follows:

I. The commissioner, subject to the approval of the governor *with the consent of the council*, shall appoint a deputy commissioner of insurance who shall hold office for [5] 4 years and until a successor has been appointed and qualified.

8 Assistant Insurance Commissioner to Serve 4-Year Term. Amend RSA 400-A:6, III-a to read as follows:

III-a. [There shall be] ***The commissioner, subject to the approval of the governor with the consent of the council, shall appoint*** an assistant commissioner of insurance who shall [be appointed by the commissioner of insurance. He shall serve at the pleasure of the commissioner during good behavior] ***hold office for 4 years and until a successor has been appointed and qualified.*** When the offices of the commissioner and deputy commissioner are vacant, or when the commissioner or deputy commissioner is unable to perform his duties because of mental or physical disability, the assistant commissioner of insurance shall be acting commissioner. The assistant commissioner shall perform such duties and exercise such powers of the commissioner pursuant to RSA title XXXVII as the commissioner from time to time may authorize.

9 Commissioner of Agriculture to Serve 4-Year Term. Amend RSA 425:3 to read as follows:

425:3 Appointment or Removal of Commissioner. The governor, with the advice and consent of the council, shall appoint a state commissioner of agriculture for a term of [5] 4 years and until his successor is appointed and qualified. Prior to the appointment of a commissioner, the governor and council shall receive and consider the recommendations of the agricultural advisory board as to such appointment. The commissioner may be removed at any time for cause by the governor with the advice and consent of the council, on his own motion or upon recommendation of the agricultural advisory board. Vacancies in the office of commissioner shall be filled for the unexpired term only.

10 Salary of Deputy Commissioner of Employment Security. Amend RSA 94:1-a, I by inserting the following:

In group O, deputy commissioner of employment security.

11 Application.

I. The provisions of sections 1-9 of this act shall not affect the term of any commissioner, deputy commissioner, or assistant commissioner in office on the effective date of this act. Commissioners, deputy commissioners, and assistant commissioners of departments shall be appointed according to the provisions of sections 1-9 of this act as the terms of such commissioners, deputy commissioners and assistant commissioners expire.

II.(a) The term of the deputy commissioner of the department of labor and the term of the assistant commissioner of the department of insurance shall be deemed to begin on the effective date of this act.

(b) The deputy commissioner of the department of employment security in office on the effective date of this act shall continue to be a classified state employee, with a salary

grade of 34. When a vacancy occurs in the office of the current deputy commissioner, the deputy commissioner of the department of employment security shall be appointed to a 4-year term in accordance with RSA 282-A:109, and shall be an unclassified state employee with a salary as specified in RSA 94:1-a, I, group O.

III. The provisions of sections 1-9 of this act shall not affect the salary of any commissioner, deputy commissioner, or assistant commissioner in office on the effective date of this act.

12 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill changes the term of office for the commissioner and the deputy commissioner of the departments of labor, employment security, banking, insurance, the term of office for the commissioner of agriculture, and the term of office for the assistant commissioner of the department of insurance, to 4 years.

The bill does not affect the terms of commissioners, deputy commissioners, and assistant commissioners currently in office. When a vacancy occurs in the office of the current deputy commissioner of the department of employment security, the deputy commissioner shall be appointed to a 4-year term, and shall become an unclassified state employee with a salary as specified in RSA 94:1-a, I, group O.

Adopted.

Report adopted and ordered to third reading.

SB 43, relative to the state board of auctioneers. OUGHT TO PASS WITH AMENDMENT

Rep. Jon P. Beaulieu for Executive Departments and Administration: This bill increases the number of members on the Board of Auctioneers from five to seven. It allows two public members to be added to the board to ensure that the board acts as a consumer protection entity. The majority of the bill enforces the new administrative rules that have been adopted by the board. Vote 14-1.

Amendment (4022B)

Amend the bill by replacing all after the enacting clause with the following:

1 Board Membership Increased. Amend RSA 311-B:2 to read as follows:

2 License Application and Renewal. Amend RSA 311-B:3 to read as follows:

311-B:3 Rulemaking Authority. The board[, with the approval of the secretary of state,] shall adopt rules, pursuant to RSA 541-A, relative to:

I. Procedures for [registration] *licensure* and renewal of [registration;] *license, including the requirements for continuing education as a condition of license renewal.*

II. The qualifications of applicants in addition to those requirements set by statute, and including the qualifications for satisfactory evidence of good professional character[;].

II-a. The administration of a written licensing examination.

III. The establishment of all fees required under this chapter[;].

III-a. The form and content of the license application, including any verification of the information thereon the board deems necessary[;].

IV. Ethical and professional standards required to be met by each holder of a license under this chapter and how disciplinary actions by the board shall be implemented for violations of these standards[;].

V. Matters related to the proper administration of this chapter[; and].

VI. Procedures for the conduct of *investigations and* hearings consistent with the requirements of due process.

VII. The minimum content requirements of written auction contracts.

VIII. The assessment of administrative fines.

IX. The informational sheet required under RSA 311-B:8-a, VIII to include relevant information regarding state and federal laws.

3 New Paragraphs; Auctioneer Liability; Corporations. Amend RSA 311-B:4 to read as follows:

311-B:4 Acts Prohibited.

I. No person shall engage in auctioneering [for a fee or commission] unless [he] such person has first obtained a license under this chapter. However, a licensed auctioneer may employ apprentice auctioneers to assist him.

II. The auctioneer listed in the auction advertisement shall be liable for the conduct and proceeds of the auction and payment to all consignors.

III. No corporation or business entity shall offer or purport to offer auctioneer services unless a principal of such corporation or business entity is a licensed auctioneer under this chapter.

4 Revised Section; Qualifications; Examination Required. RSA 311-B:5 is repealed and reenacted to read as follows:

311-B:5 Qualifications. The board shall grant licensure to any applicant who:

I.(a) Submits an application to the board of auctioneers containing required information.

(b) Files a bond as required by RSA 311-B:8.

(c) Submits recommendations from 2 resident New Hampshire licensed auctioneers certifying that the applicant is trustworthy and competent to auction real, personal and mixed property in such a manner so as to safeguard the interests of the public. Non-resident applicants may satisfy this requirement by submitting such recommendations from 2 resident auctioneers in the state of which the applicant is resident.

(d) Submits proof of competence in one of the following forms:

(1) An affidavit from a New Hampshire licensed auctioneer certifying that the applicant has served as an apprentice auctioneer for such New Hampshire licensed auctioneer for a period of not less than 6 months and has participated as a bid caller in not less than 10 auctions under such New Hampshire licensed auctioneer; or

(2) A certificate of graduation from an approved auctioneering school and an affidavit from a New Hampshire licensed auctioneer certifying that the applicant has served as an apprentice auctioneer for such New Hampshire licensed auctioneer for a period of not less than 3 months and has participated as a bid caller in not less than 5 auctions under such New Hampshire licensed auctioneer; or

(3) A certified copy of a valid current auctioneer's license held by the applicant from any other state issued by the appropriate state agency.

(e) Submits the fee established by the board for licensure or renewal.

(f) Has successfully passed a written examination administered by the board of auctioneers.

II. If the applicant is a firm, partnership, association, or corporation, the individual applying for the firm, partnership, association or corporation shall be the licensee and shall meet all the requirements under RSA 311-B.

5 Bond for Duration of License. Amend RSA 311-B:8 to read as follows:

311-B:8 Bond. No license shall be granted until the applicant has filed a bond with the [secretary of state] *board of auctioneers* in the sum of \$10,000, *for the duration of the license*, with sureties approved by the secretary of state, conditioned that he will properly account for and deliver to the person entitled, all moneys and things of value coming into his hands as an auctioneer and will conform to the laws relating to such auctions. All bonds required under this chapter shall be purchased from a reputable company authorized to do business in this state.

6 New Sections; Auctioneer Contracts; Records; Conditions of Auction Sales. Amend RSA 311-B by inserting after section 8 the following new sections:

311-B:8-a Auctioneer Contracts. A person shall not conduct an auction in this state without first having a written contract with the owner of any property to be sold. A contract must also specify the terms and conditions of the agreement, including, but not limited to:

I. A description of property to be offered for sale.

II. Specific reserves, if any.

III. A statement of settlement terms in which payment shall be within 10 business days of the auction, unless otherwise agreed to by both parties in the contract.

IV. The commission rate.

V. A statement of other charges.

VI. The buyer's premium, if applicable.

VII. The name and address of the consignor and such consignor's legal right to sell.

VIII. A copy of the information sheet provided by the state board of auctioneers.

311-B:8-b Records to be Kept by Auctioneers. The responsible auctioneer shall keep records of the auction including, but not limited to, contracts, bidders, consignors, and receipts. These records shall be kept in such manner so as to allow reconstruction of the auction in the event of a complaint.

311-B:8-c Terms and Conditions of the Auction Sales. Every licensee shall post for display and describe at the beginning of each auction the terms and conditions of the auction sale. The terms and conditions shall include:

I. A description of the conditions under which the property is being offered.

II. That the highest bid will be acknowledged by the auctioneer.

III. Whether a bid not commensurate with value, in the opinion of the auctioneer, may be accepted.

IV. Whether absentee bids will be allowed.

V. Whether or not the auction is with reserve.

VI. A statement of buyer's premium.

VII. That all buyers shall be entitled to a written receipt of their purchases.

7 Fees; License Renewal. RSA 311-B:10 is repealed and reenacted to read as follows:

311-B:10 Fees; Renewal.

I. Licenses shall expire every 3 years on August 31.

II. Fees for licensure or renewal of a license under this chapter shall be established by the board.

III. As a condition of renewal of license, the board shall require each licensee to show proof that the licensee has successfully completed the required hours of continuing education in a program approved by the board.

IV. The grace period for license renewal shall be 30 days from the expiration date of the license, and if that period shall elapse, the applicant must reapply and be re-examined for licensure under RSA 311-B:3, II-a and RSA 311-B:7. Until the license renewal requirements are satisfied, during the 30-day grace period the licensee shall not conduct auctions in this state, and such license shall be void upon lapse of such grace period.

V. Before renewing any auctioneer license in August 1994, the licensee shall demonstrate to the satisfaction of the board that such licensee is knowledgeable regarding current laws regulating auctioneers.

8 New Section; Investigations. Amend RSA 311-B by inserting after section 10 the following new section:

311-B:10-a Investigations.

I. The board shall conduct an investigation of any person who has been the subject of any written complaint.

II. All written complaints received by the board shall be maintained as part of the permanent records of the board.

III. Any person licensed by this board who has been found guilty of 3 violations under this chapter during a 2-year consecutive period shall not be issued a renewed license until the licensee has retaken and successfully completed the examination administered by the board, plus whatever other requirements the board might determine appropriate.

9 New Subparagraph; Administrative Fines. Amend RSA 311-B:11, III by inserting after subparagraph (d) the following new subparagraph:

(e) By assessing administrative fines in amounts established by the board which shall be not less than \$300 nor more than \$5,000 per offense, or in the case of continuing offenses, \$300 for each day the violation continues.

10 Exceptions Deleted. Amend RSA 311-B:13, I to read as follows:

I. This chapter shall not apply to any auctions held by order or judgment of any court of the state or the United States, or by any officer of a municipality, county, *or* state of United States[, foreclosure sales by mortgagees, lienholders or holders of any other kinds of security interests in real, personal or mixed property or to sales conducted or made by sheriffs, deputy sheriffs, constables, collectors of taxes, executors, administrators, guardians, conservators, receivers, assignees under voluntary assignments for the benefit of creditors or insurers, or by any other person required by law to sell real, personal or mixed property].

11 Effective Date. This act shall take effect upon its passage.

Rep. Fenton did not vote and intended to vote nay.

Rep. Julie Brown did not vote and intended to vote yea.

HB 394, relative to discrimination in automobile insurance policies. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS**

Rep. Robert S. Mercer for the Majority of Commerce, Small Business and Consumer Affairs: Gender is considered on all auto underwriting risk classifications. It has been used for decades. Forty-five states have elected **not** to classify risks by gender. Absence of any private market activity in the hopes of gaining a competitive advantage casts substantial doubt that a gender neutral approach is actuarially sound and/or economically feasible. Section 3 of the bill relating to apportionment of lost premiums is unclear and could lead to litigation. All data clearly says gender distinction is justifiable. It is a distinction - not discrimination. Vote 10-5.

Rep. Matthew J. Newland for the Minority of Commerce, Small Business and Consumer Affairs: Young people ages 17 to 24 pay 50 percent to 80 percent more in premiums than the 25+ age group. Young males (17-24) pay 30 percent to 40 percent more in premiums than females. In 1992 actual accidents show that ages 19 to 45 had from 929 to 1205 accidents in each age group. At age 17 and 44 the percent of intersection related accidents per licensed driver was the same (3 percent). There is no accurate way of knowing why younger drivers must pay more. The difference between male and female number of accidents is rapidly disappearing. This bill creates fairness and equality. It allows for drivers to be rated on their driving record and accidents, not primarily on sex and age.

Rep. Cloutier moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. Cloutier requested a quorum count. The Speaker declared a quorum present.

Report adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Ferguson moved that the House reconsider its action in reading a third time and passing **HB 190-FN**, giving the department of resources and economic development and the department of transportation joint stewardship over certain abandoned rail lines and splitting the lease revenues for certain rail properties between the two departments, and return the bill to second reading.

Reps. Channing Brown and Boucher spoke in favor.

Adopted and the bill was returned to second reading and referred to Appropriations.

RECESS

(Rep. Cole in the Chair)

SPECIAL ORDERS (Cont'd.)

HB 451-FN, regulating naturopathic health care practice. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Sandra K. Dowd for the Majority of Executive Departments and Administration: The Committee recommended that **HB 451** be re-referred to committee with the express purpose of giving the proponents of the bill an opportunity to address a number of concerns expressed by the committee. The committee communicated these concerns during a meeting with all concerned parties in April. The provisions proposed by the bill were more broad than most laws regulating naturopaths in the few states that require regulation. A number of meetings have been held throughout the summer between the naturopaths and the medical profession to discuss the discrepancies between the professional requirements of each discipline. During a follow-up subcommittee work session held in October, the committee heard no evidence that any of the concerns expressed in April had been addressed. In fact, testimony was given that the naturopaths want to increase their scope of practice to include a formulary for the prescription of controlled substances, the authority to administer immunizations, take x-rays and perform minor surgery. The committee has seen no evidence that the education and training of a naturopath is comparable to that of a licensed physician, i.e. residency requirements, internships, admission requirements, faculty credentials and the accreditation process for educational institutions. Therefore, the committee does not feel that it is appropriate to apply the term "primary care physician" to a naturopath. There has been no testimony or documentation indicating that the public is in any danger in this area. Therefore we find that there is no justification for any limitation on public access to alternative health care. Naturopaths are currently permitted to practice in New Hampshire and considering that only a small number of naturopaths seek regulation, while a large number have been practicing in the state without incident for as many as 25 years, the committee voted 13-4 to recommend that this bill be found Inexpedient To Legislate. Vote 13-4.

Reps. Cynthia A. McGovern, Miriam D. Dunn, J. Gregory McGrath and Jon P. Beaulieu for the Minority of Executive Departments and Administration: House Bill 451 proposes to license naturopathic physicians. The bill's policy provisions have been debated and amended before Health, Human Services and Elderly Affairs subcommittees and twice passed that committee. The Minority believes that the licensing and policy requirements of the bill provide adequate protection for the general public and those who use naturopaths. The Minority

further believes that the committee, which should have dealt primarily with the bill's licensing provisions, spent an inordinate amount of time focusing on policy considerations. Therefore we recommend passage of HB 451.

Rep. McGovern moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. McGovern requested a quorum count. The Chair declared a quorum present.

Reps. McGovern, Carol Moore, and Katherine Wheeler spoke in favor and yielded to questions.

Reps. Dowd, Robert Foster and McRae spoke against.

Rep. Holmes spoke in favor.

Rep. Ward spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Reps. Katherine Wheeler and Holmes offered a floor amendment.

Amendment (4491B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring doctors of naturopathic medicine to be licensed by the naturopathic board of examiners, and regulating naturopathic health care practice.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Naturopathic Health Care Practice. Amend RSA by inserting after chapter 328-D the following new chapter:

CHAPTER 328-E

NATUROPATHIC HEALTH CARE PRACTICE

328-E:1 Findings and Purpose.

I. The general court finds that a significant number of New Hampshire residents choose naturopathic medicine for their health care needs and declares that naturopathic medicine is a distinct health care profession that affects the public health, safety and welfare, and provides for freedom of choice in health care.

II. The purpose of this chapter is:

(a) To provide standards for the licensure and regulation of doctors of naturopathic medicine in order to protect the public health, safety and welfare.

(b) To insure that naturopathic medicine by qualified doctors of naturopathic medicine is available to the people of New Hampshire.

(c) To provide a means of identifying qualified doctors of naturopathic medicine.

328-E:2 Definitions. In this chapter:

I. "Acupuncture" means the insertion of acupuncture needles into specific points on the skin to treat human disease and impairment and to relieve pain.

II. "Approved naturopathic medical college" means a college or program granting the degree of doctor of naturopathic medicine or doctor of naturopathy that is approved by the board and which:

(a) Is accredited by the Council of Naturopathic Medical Education or other accrediting agency recognized by the federal government.

(b) Has candidate for accreditation status with such agency.

(c) Has been investigated by the board and found to meet education standards equivalent to those established by such agency.

III. "Board" means the naturopathic board of examiners established under RSA 328-E:7.

IV. "Doctor of naturopathic medicine" means a person authorized and licensed to practice naturopathic medicine under this chapter.

V. "Homoeopathic preparations" means medicines prepared according to the Homoeopathic Pharmacopoeia of the United States.

VI. "Minor surgery" means the use of operative, electrical or other methods for the surgical repair and care incidental to superficial lacerations and abrasions, superficial lesions, and the removal of foreign bodies located in the superficial tissues and the use of antiseptics and local anesthetics in connection with such methods, except that it shall not include general or spinal anesthetics, major surgery, surgery of the body cavities, or specialized surgeries such as plastic surgery, surgery involving the eye, or surgery when tendons are involved.

VII. "Natural antibiotics" means antimicrobial, antifungal, and antiprotozoal agents that are naturally occurring substances, or manufactured substances that are substantially identical to such naturally occurring substances.

VIII. "Naturopathic childbirth" means natural childbirth which includes the use of natural obstetrical medicines, ophthalmic antibiotics, obstetrical emergency medicines and minor surgery including episiotomies, but which does not include the use of forceps delivery, general or spinal anesthesia, cesarean section, or induced abortions.

IX. "Naturopathic manipulative therapy" means the manually administered, mechanical treatment of body structures or tissues, in accordance with naturopathic principles, for the purpose of restoring normal physiological function to the body by normalizing and balancing the musculoskeletal system of the body.

X. "Naturopathic medicine" means a system of primary health care practiced by doctors of naturopathic medicine for the prevention, diagnosis, and treatment of human health conditions, injuries, and diseases that uses education, natural medicines and therapies to support and stimulate the individual's intrinsic self-healing processes.

XI. "Naturopathic physical medicine" means the therapeutic use of the physical agents of air, water, heat, cold, sound, light, and electromagnetic non-ionizing radiation and the physical modalities of electrotherapy, diathermy, ultraviolet light, ultrasound, hydrotherapy, naturopathic manipulative therapy, and therapeutic exercise.

XII. "Topical medicines" means topical analgesics, anesthetics, antiseptics, scabicides, antifungals, and antibacterials.

328-E:3 License Required; Licensee Title.

I. No persons shall practice or represent themselves as practicing naturopathic medicine in this state without first applying for and receiving a license from the board to practice naturopathic medicine.

II. Licensees shall use the title "doctor of naturopathic medicine" and the recognized abbreviation "N.D." Doctors of naturopathic medicine shall have the exclusive right to use of the terms: "doctor of naturopathic medicine," "naturopathic doctor," "naturopath," "doctor of naturopathy," "naturopathic medical doctor," "naturopathic medicine," "naturopathic health care," "naturopathy," "N.D.," and "N.M.D."

III. Persons who represent themselves as doctors of naturopathic medicine are those who adopt or use any title or any description of services that uses one or more of the terms listed in paragraph II of this section.

328-E:4 Scope of Practice.

I. Doctors of naturopathic medicine shall be authorized to use for preventive and therapeutic purposes the following natural medicines and therapies: food, food extracts, vitamins, minerals, enzymes, digestive aids, whole gland thyroid, plant substances, homoeopathic preparations, natural antibiotics, immunizations, topical medicines, counseling, hypnotherapy, bio-feedback, dietary therapy, naturopathic physical medicine, therapeutic devices, barrier devices for contraception, and minor surgery.

II. Doctors of naturopathic medicine may use for diagnostic purposes physical and orificial examinations, X-rays, electrocardiograms, ultrasound, phlebotomy, clinical laboratory tests and examinations, and physiological function tests.

III. Doctors of naturopathic medicine may prescribe nonprescription medications and therapeutic devices or use noninvasive diagnostic procedures commonly used by medical practitioners in general practice.

IV. Doctors of naturopathic medicine shall not:

(a) Prescribe, dispense, or administer any controlled substances, except those natural medicines authorized by this chapter.

(b) Perform surgical procedures except those procedures, authorized by this chapter.

(c) Practice emergency medicine, except as a good samaritan rendering gratuitous services in the case of emergency and except for the care of minor injuries.

(d) Practice or claim to practice medicine and surgery, osteopathy, dentistry, podiatry, optometry, chiropractic, physical therapy, or any other system or method of treatment not authorized in this chapter.

328-E:5 Exemptions.

I. Nothing in this chapter shall be construed to prohibit or to restrict:

(a) The practice of a profession by individuals who are licensed, certified, or registered under other laws of this state who are performing services within their authorized scope of practice.

(b) The practice of naturopathic medicine by an individual employed by the government of the United States while the individual is engaged in the performance of duties prescribed by the laws and regulations of the United States.

(c) The practice by a doctor of naturopathic medicine duly registered or licensed in another state, territory, or the District of Columbia when incidentally called into this state for consultation with a licensed physician.

(d) The practice of naturopathic medicine by students enrolled in an approved naturopathic medical college. The performance of services shall be pursuant to a course of instruction or assignments from an instructor and under the supervision of the instructor. The instructor shall be a doctor of naturopathic medicine licensed pursuant to this chapter.

(e) Residents of this state who are of legal majority and who have held themselves out as a naturopath or a doctor of naturopathic medicine prior to July 1, 1991, from being licensed under this chapter if they:

(1) Are not licensed, certified, or registered as a health care provider under any other law of this state.

(2) Derive the majority of their earned income from the practice of naturopathic medicine.

(3) Apply for a license in a manner prescribed by the board on or before March 1, 1995.

II. Persons licensed pursuant to RSA 328-E:5, I(e) shall:

(a) Be subject to all eligibility requirements to practice naturopathic medicine pursuant to RSA 328-E:9, except that they shall be exempt from RSA 328-E:9, I(a).

(b) Practice naturopathic medicine within a scope of practice which reflects the limits of their training and experience as determined and approved by the board.

328-E:6 Public Health Authority and Responsibility. Doctors of naturopathic medicine shall have the same authority and responsibility as other medical practitioners regarding public

health laws, reportable diseases and conditions, communicable disease control and prevention, recording of vital statistics, health and physical examinations, and local boards of health, except that such authority shall be limited to activity consistent with the scope of practice authorized by this chapter.

328-E:7 Naturopathic Board of Examiners.

I. There shall be a naturopathic board of examiners consisting of the following members:

(a) Four doctors of naturopathic medicine appointed by the governor, who shall be:

(1) Two persons who have been practitioners in this state for 3 years immediately preceding such appointment.

(2) A doctor of naturopathic medicine who has been engaged in the practice of naturopathic medicine in this state, under licensure issued in this state, for 3 years immediately preceding appointment, except for the initial period of 3 years following enactment of this chapter.

(3) A graduate of an approved naturopathic college.

(b) One public member appointed by the governor, who shall:

(1) Be of legal age of majority.

(2) Be a resident of this state for 5 years immediately preceding such appointment.

(3) Not be connected, in any manner, with or have any interest in a school of medicine, health care institution or any person practicing any form of healing or treatment of bodily or mental ailments.

(4) Demonstrate an interest in the health problems in this state.

II. The terms of office shall be 5 years for all board members. The initial board appointees shall consist of one doctor of naturopathic medicine for a term of 5 years, one doctor of naturopathic medicine for a term of 4 years, one doctor of naturopathic medicine for a term of 3 years, one doctor of naturopathic medicine for a term of 2 years, and one public member for a term of 5 years. A member may be removed from office by the governor if the governor finds the member was guilty of malfeasance, misfeasance or dishonorable conduct.

III. There shall be no monetary liability on the part of and no cause of action shall arise against the members of the board, or personnel of the board, for any act done or proceeding undertaken or performed in good faith and in furtherance of the purposes of this chapter.

IV. The board shall hold a meeting at least semi-annually. In addition, the board may hold special meetings as it deems necessary.

V. Three members of the board constitute a quorum for the transaction of business.

VI. The board shall serve without pay.

VII. The board shall be an administratively attached agency, under RSA 21-G:10, to the department of health and human services.

328-E:8 Powers and Duties of the Board.

I. The board shall:

(a) Determine fees for licensure, for application to take the examination pursuant to RSA 328-E:9, I(f) and RSA 332-G:2, and for license renewal under RSA 328-E:12.

(b) Insure that doctors of naturopathic medicine serving the public meet minimum standards of proficiency and competency to protect the health, safety and welfare of the public.

(c) Administer and enforce all provisions of this chapter, which pertain to licensees and applicants, and all rules adopted by the board under the authority granted in this chapter.

(d) Maintain an accurate account of all receipts, expenditures and refunds granted under this chapter.

(e) Maintain a record of its acts and proceedings, including the issuance, refusal, renewal, suspension or revocation of licenses.

(f) Maintain a roster of all doctors of naturopathic medicine licensed under this chapter which indicates:

(1) The name of the licensee.

(2) Current professional office address.

(3) The date of issuance and the number of the licensee's license.

(4) Whether the licensee is in good standing.

(g) Keep all applications for licensure as a permanent record.

- (h) Maintain a permanent record of the results of all examinations it gives.
- (i) Keep all examination records including written examination records and tape recordings of the questions and answers in oral examinations.
- (j) Keep the records of the board open to public inspection at all reasonable times.
- (k) Adopt and use a seal, the imprint of which, together with the signatures of the chairman or vice-chairman and the secretary-treasurer of the board, shall evidence its official acts.

(l) Annually compile and publish a directory.

II. The board may appoint qualified personnel to administer any part or all of any examination provided for under this chapter.

III. The board shall have the power to subpoena witnesses and administer oaths in any hearing or disciplinary proceedings, and to compel, by subpoena duces tecum, the production of papers and records.

IV. Witnesses summoned before the board shall be paid the same fees as witnesses summoned to appear before the superior court, and such summons shall have the same effect as though issued for appearance before such court.

328-E:9 Qualification for Licensure.

I. To be eligible for a license to practice naturopathic medicine, the applicant shall:

(a) Be a graduate of a naturopathic medical college which is accredited by the Council on Naturopathic Medical Education or another such accrediting agency recognized by the federal government; and pass a competency-based examination prescribed by the board covering the appropriate naturopathic subjects; or,

(b) Be a graduate of a naturopathic medical college which has been approved by the board as having appropriate education standards for naturopathic medical programs which granted degrees prior to 1981.

(c) Possess a good moral and professional reputation.

(d) Be physically and mentally fit to practice naturopathic medicine.

(e) Have had no license, certification, or registration to practice naturopathic medicine refused, revoked or suspended by any other state or country for reasons which relate to the applicant's ability to skillfully and safely practice naturopathic medicine.

(f) File an application and pay the license fees.

II. To obtain a license to practice naturopathic medicine by reciprocity, the applicant shall:

(a) Qualify under paragraph I, except that no written examination shall be required.

(b) Be licensed, certified, or registered by another state or the District of Columbia to practice naturopathic medicine which requires a written examination which is substantially equivalent to the written examination required by the board of this state.

328-E:10 Rulemaking.

I. The board shall adopt rules under RSA 541-A relative to:

(a) The practice of naturopathic health care.

(b) Naturopathic medical assistants who assist doctors of naturopathic medicine, including the qualifications of naturopathic medical assistants who are not otherwise licensed by law.

(c) Further requirements, as necessary, of doctors of naturopathic medicine for specialty practice, as required under RSA 328-E:11.

(d) The formulary approved by the council on doctors of naturopathic medicine formulary under RSA 328-E:15, III.

(e) Any other rules which are necessary or proper for the administration of this chapter.

II. The board may adopt rules under RSA 541-A prescribing continuing education requirements for the renewal of licenses issued under this chapter.

328-E:11 Naturopathic Childbirth or Acupuncture Specialty Certification.

I. No doctor of naturopathic medicine shall practice naturopathic childbirth or acupuncture without first obtaining a certificate of specialty practice. The board shall adopt rules under RSA 541-A for the certification of doctors of naturopathic medicine for specialty practice.

II. To be certified in naturopathic childbirth, a doctor of naturopathic medicine shall be required to:

(a) Pass a specialty examination in obstetrics or natural childbirth approved by the board.

(b) Have at least 100 hours of course work, internship or preceptorship in obstetrics or natural childbirth approved by the board.

(c) Have participated in 40 supervised births, including prenatal and postnatal care, under the direct supervision of a licensed naturopathic, medical or osteopathic physician with specialty training in obstetrics or natural childbirth. The board may prescribe a national standardized examination in naturopathic childbirth as constituting the specialty examination.

(d) Meet the American College of Naturopath Obstetricians (ACNO) standards for childbirth.

III. To be certified in acupuncture, a doctor of naturopathic medicine shall be required to complete a program in acupuncture approved by the board that includes at least 500 hours of training in acupuncture, including both didactic and clinical training, and pass a specialty examination in acupuncture approved by the board. The board may prescribe a national standardized examination in acupuncture as constituting the specialty examination.

328-E:12 License Renewal and Continuing Education.

I. The license to practice naturopathic medicine shall be renewed biennially. A fee in the amount determined by the board shall accompany the application for renewal.

II. As a condition of renewal of license, the board shall require each licensee to show proof at least every 3 years that the licensee has completed an approved continuing naturopathic medical education program within the preceding 3 years. For the purposes of this section an "approved continuing naturopathic medical education program" means a program designed to continue the education of the licensee in current developments, skills, procedures, or treatment in the licensee's field of practice, which has been certified by a national or state naturopathic medical society or college or university and approved by the board.

328-E:13 Enforcement and Penalties.

I. Persons not licensed pursuant to this chapter who hold themselves out as a doctor of naturopathic medicine, or suggest in any way that they practice naturopathic medicine, shall be guilty of a misdemeanor for each offense. Any person violating this paragraph may be enjoined by the superior court on petition by the board.

II. Persons licensed pursuant to this chapter who engage in the practice of naturopathic medicine without complying with this chapter shall be subject to disciplinary measures and may be subject to refused renewal, limitation, revocation, or suspension of their license.

328-E:14 Administration. The director, division of public health services, department of health and human services, shall provide administrative services to the board created under this chapter. All administrative services shall be a cost to the board and shall be reimbursed by fees collected by the board under RSA 328-E:8, I(a).

328-E:15 Council on Doctors of Naturopathic Medicine Formulary; Members; Duties.

I. The council on doctors of naturopathic medicine formulary is established and shall consist of the following members:

(a) One member of the naturopathic board of examiners, appointed by the naturopathic board of examiners.

(b) One doctor licensed by the naturopathic board of examiners, appointed by the naturopathic board of examiners.

(c) One physician licensed by the board of registration in medicine under RSA 329, appointed by the board of registration in medicine.

(d) One pharmacist licensed by the state pharmacy board, appointed by the state pharmacy board.

(e) One additional member, who holds an advanced degree in either pharmacology or pharmacognosy, appointed by the council.

II. The chair of the council shall be elected by a majority of the members.

III. The council established under paragraph I of this section shall determine the substances to be included in the formulary that may be prescribed by a doctor of naturopathic medicine acting under this chapter. The council shall review the formulary periodically. Immediately upon adoption or revision of the formulary, the council shall transmit the approved formulary to the board which shall adopt the formulary by rule. When determined to be ap-

propriate to the scope of practice of doctors of naturopathic medicine the council on doctors of naturopathic medicine formulary may also consider synthetically-produced substances and their salts having an identical or substantially identical molecular structure to a plant or animal substance as found in nature to be plant or animal substances.

IV. The term of each member of the council shall be 2 years. A member shall serve until a successor is appointed. If a vacancy occurs, it shall be filled for the unexpired term by a person with the same qualifications as the retiring member.

328-E:16 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

2 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill provides for the licensure of doctors of naturopathic medicine and:

- (a) Delineates license and license renewal criteria.
- (b) Sets forth the scope of practice.
- (c) Establishes the naturopathic board of examiners.
- (d) Sets forth the powers and duties of the board, including rulemaking authority.
- (e) Provides for certification for naturopathic childbirth and acupuncture.
- (f) Provides for enforcement and penalties under the chapter.
- (g) Establishes the council on doctors of naturopathic medicine formulary and sets forth its duties.

Adopted.

Report adopted and ordered to third reading.

HB 519-FN, making technical changes in the mental health laws and relative to persons providing active care services. **INEXPEDIENT TO LEGISLATE**

Rep. Kathleen W. Ward for Executive Departments and Administration: By re-referring this proposal, the committee felt it could resolve questions of additional pay for Security Staff of the State Hospital and repeal some obsolete RSAs that remain on the books. We were unwilling to create a potential police force on the hospital grounds and we did not want to interfere in rulings of the Personnel Department and/or address negotiable items for labor and management. This was the wrong bill at the wrong time, i.e. long range planning for the entire complex on the hospital grounds of Office Park South is ongoing with a special joint committee. Vote 15-2.

Rep. Dunn moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Reps. Boucher and Ward spoke against.

On a division vote, 121 members having voted in the affirmative and 215 in the negative, the motion failed.

Report adopted.

REGULAR CALENDAR-PART II (Cont'd.)

HB 458-FN-L, requiring a waiting period for applicants for public assistance who terminate their employment voluntarily. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: REFER FOR INTERIM STUDY.**

Rep. Alice S. Ziegler for the Majority of Health, Human Services and Elderly Affairs: After extensive hearings early in the year, the bill was re-referred. The bill had a lengthy hearing at which time it was felt that though it was narrow in scope, it contained an important policy change. Those who have been helped by Welfare, given jobs then quit voluntarily without good cause may not be eligible for local welfare for a maximum of 90 days. Money saved is not a major consideration but the policy principle is. Families with children and those physically or mentally disabled are exempt. Vote 6-5.

Reps. Marion L. Copenhagen, Mary C. Holmes, Patricia M. O'Keefe, Cecelia D. Kane and Barbara C. French for the Minority of Health, Human Services and Elderly Affairs: The bill, as amended, is poorly drafted and many deserving persons in need of assistance will be de-

nied their last resort for help with food and shelter if it becomes law. The bill has been promoted as necessary to prevent abuse of the system, but it goes way beyond disqualifying those who attempt to abuse the system by quitting their jobs in order to live off local welfare. It denies food and shelter for 90 days to anyone who, in the judgment of the welfare officer, quit a job prior to applying for assistance without a good reason. It requires the welfare officer, for the first time, to condition assistance on what is in essence a moral judgment about whether the applicant might have been at fault in bringing about his need. In addition, because of poor drafting, it requires the welfare officer to deny assistance to persons who have some capacity to work but who quit a job due to a partial mental or physical disability, and it does not provide for an adequate appeals process and other necessary protections for those who are improperly denied. Even the proponents of the bill admit that it will not save much money. Indeed, no evidence was submitted that there are significant numbers of people who quit their job in order to live off local welfare. Because of the gravity of the change that this bill would make and the flaws in the bill as drafted, the minority believes that the bill should be referred for interim study.

Amendment (4054B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring a waiting period for applicants for public assistance
who terminate their employment voluntarily
without a good cause.

Amend the bill by replacing all after the enacting clause with the following:

I New Section; Eligibility for Assistance. Amend RSA 165 by inserting after section I-c the following new section:

165:1-d Employment; Voluntary Termination.

I. Any person eligible for assistance under this chapter, who voluntarily terminated employment without good cause within the 60-day period before filing an application for assistance, shall be ineligible to receive assistance for 90 days from the date of employment termination, if such person had received public assistance under this chapter within the last 365 days. The provisions of this section relating to voluntary termination of employment shall apply to work involving at least 20 hours or more per week. Such person shall remain ineligible for the full 90 days, or until comparably reemployed, in terms of work hours as when such person was last employed, prior to eligibility disqualification. Re-employment must consist of a minimum of 20 hours weekly.

II. Failure to report for a job without any demonstrated good cause, which resulted in the termination of the applicant's employment, shall be considered voluntary termination of employment.

III. An applicant who is fired or resigns from a job at the demand of the employer, due to lack of ability to maintain the employer's normal work productivity standard, shall not be considered a voluntary termination of employment.

IV. Nothing in this section shall be construed to deny to any otherwise eligible household legally responsible for supporting minor or dependent children in that household any needed support to which such household would otherwise be entitled.

V. Nothing in this section shall be construed to deny to any otherwise eligible applicant, needed assistance, if such applicant is mentally or physically disabled and therefore unable to work as determined by the overseers of public welfare.

VI. Good cause for terminated employment shall be defined as any of the following:

(a) Demonstrable discrimination by an employer based on age, race, sex, color, physical or mental disability, religion, national origin, or political beliefs.

(b) Work demands or conditions that demonstrably render continued employment unreasonable.

(c) Resignation by a person under 62 years of age which is recognized by the employer as retirement.

(d) Employment which becomes demonstrably unsuitable, following the applicant's acceptance of such employment.

(e) Acceptance of a bonafide job offer, which, because of demonstrated circumstances beyond the control of the applicant, subsequently does not materialize or results in employment of fewer than 20 hours per week, at less than the state or federal hourly minimum wage or 80 per cent thereof, for work exempt from minimum wage regulatory standards. However, the applicant must maintain a minimum weekly employment of at least 20 hours per week, for 2 successive weeks, in order to reinstate applicant eligibility prior to 90 days following a voluntary employment termination which lacked good cause.

(f) Leaving a job in connection with patterns of employment in which workers frequently move from one employer to another, such as migrant farm labor or construction work, even though employment at the new site has not actually begun.

(g) Loss of a job for good cause, as determined by the overseer of public welfare.

VII. No person shall be deemed ineligible for assistance due to a voluntary employment termination, unless he has been given a written notice stating the specific actions which must be taken in order to reinstate eligibility, along with a written notice of the opportunity to request a hearing within 5 days.

VIII. The overseers of public welfare shall not be required to accept an application for general assistance from a person who is subject to disqualification under this section, provided, however, if there is subsequently a dispute over a contention by the applicant that he has satisfactorily complied with the requirements set forth in the written notice provided for in paragraph III, the applicant shall be given an opportunity to request a hearing to determine that particular issue only.

IX. The provisions of RSA 165:1-b, II-VII shall not apply to persons found ineligible for assistance under this section because of voluntary termination of employment without good cause.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires a person applying for public assistance to wait 90 days if that person terminated employment voluntarily without good cause.

Adopted.

Rep. Copenhagen moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment, spoke in favor and yielded to questions.

Reps. Katharin Pratt and Wadsworth spoke against.

Reps. Nardi and Carol Moore spoke in favor and yielded to questions.

Rep. Ziegler spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Report adopted and ordered to third reading.

(Speaker Burns in the Chair)

HB 285, establishing a study committee to review treatment by the court system of women and children in marital and domestic violence disputes. **INEXPEDIENT TO LEGISLATE**

Rep. Robert A. Lockwood for Judiciary: The subject matter to be studied under House Bill 285 is redundant to a study of domestic violence being done by the New Hampshire court system. Vote 14-1.

Adopted.

HB 395, relative to death with dignity for certain persons suffering terminal illness. **REFER FOR INTERIM STUDY**

Rep. Benjamin J. DePecol for Judiciary: The New Hampshire Medical Society is currently studying the ethics and legality pertaining to this issue and the committee would like to review that study before making a final disposition on this bill. Vote 11-5.

Adopted.

Rep. Healy wished to be recorded against the Committee Report.

HB 660-FN, relative to drug forfeiture. **OUGHT TO PASS WITH AMENDMENT**

Rep. Benjamin J. DePecol for Judiciary: The bill requires that individuals be convicted before they are forced to forfeit property to the state. The bill limits administrative forfeiture to \$10,000. The bill allows civil forfeiture after a conviction. The state's burden of proof in these instances shall be by a preponderance of the evidence. The bill also requires that any property forfeited be just and not excessive in relation to the underlying criminal offense. Vote 10-7.

Amendment (3898B)

Amend the bill by replacing all after the enacting clause with the following:

1 Limitations on Items Subject to Drug Forfeiture. RSA 318-B:17-b, III is repealed and reenacted to read as follows:

III. The court may order forfeiture of all items or property interests subject to the provisions of paragraph I, except as follows:

(a) No item or property interest shall be subject to forfeiture unless:

(1) its owner was convicted of a felonious violation of this chapter and used such item or property in connection with a felonious violation of this chapter;

(2) it was acquired with the proceeds from a felonious violation of this chapter; or

(3) the owner was given notice and failed to object.

(b) No interest in property, whether real or personal, shall be subject to forfeiture unless the effect of that forfeiture is both just and not excessive in relation to the underlying criminal offense. In making this determination, the finder of fact shall consider such things as the quantity and value of the controlled drugs alleged to be related to the property, the manner and circumstances of the felonious violation of this chapter for which the party was convicted, the impact of the forfeiture on the person or persons having an interest in the property, and the impact of the forfeiture on the family, dependants and community connected to the property.

2 Forfeiture Proceedings Modified. Amend RSA 318-B:17-b, IV to read as follows:

IV.(a) The department of justice may petition the superior court in the name of the state in the nature of a proceeding in rem to order forfeiture of items or property interests [subject to forfeiture under the provisions of this section] *of the person whose interest in the property is to be forfeited upon conviction of a felonious violation of this chapter*. Such petition shall be filed in the court having jurisdiction over [any related] *the* criminal proceedings [which could be] brought under this chapter.

(b) Such proceeding shall be deemed a civil suit in equity in which the state shall have the burden of proving all material facts by a preponderance of the evidence [and in which the owners or other persons claiming an exception pursuant to paragraph III shall have the burden of proving such exception].

(c) *Upon conviction of a party of a felonious violation under this chapter which gave rise to the forfeiture petition*, the court shall issue orders of notice to all persons who have a recorded interest or claim an equitable interest in said items or property interests seized under this chapter and shall schedule a hearing on the petition to be held within 90 days of the return date on said petition.

(d) [At the request of any party to the forfeiture proceeding, the court may grant a continuance until the final resolution of any criminal proceedings which were brought against a party under this chapter and which arose from the transaction which gave rise to the forfeiture proceeding.

(e)] At the hearing, the court shall hear evidence and make findings of fact and conclusions of law and shall, thereupon, make a final order, from which all parties shall have a right of appeal.

3 Administrative Forfeiture Limited. Amend RSA 318-B:17-d, I to read as follows:

I. Interests in property subject to forfeiture under the provisions of RSA 318-B:17-b, subparagraphs I(a), I(b), I(c) excepting proceeds and I(d), but not real property, shall be subject to administrative forfeiture by the department of justice provided that the total amount or value of such property does not exceed [\$75,000] *\$10,000 and provided that the owner has been convicted of a felonious violation of this chapter.* The provisions of RSA 318-B:17-b shall apply in any case of administrative forfeiture except as otherwise provided in this section.

4 New Sections; Forfeiture Report. Amend RSA 318-B by inserting after section 17-d the following new sections:

318-B:17-e Forfeiture Reports. The attorney general shall submit a biennial report to the governor, senate president, and speaker of the house relative to the seizure of any items or property interests under RSA 318-B:17-b. Such report shall include:

I. A full and complete description of any items or property interests seized including the property's location and value.

II. The name and address of all known persons having a legal or equitable interest in the property.

III. Any findings of fact relative to the justice of the forfeiture as determined under RSA 318-B:17-b, IV(e).

The attorney general has the authority to exclude any information which would reveal the identity of an informant.

318-B:17-f Forfeiture Under State or Federal Law. Any law enforcement agency or officer having discretion to proceed for forfeiture either under RSA 318-B:17-b or under appropriate provisions of federal law shall proceed under state law provisions.

5 Study Committee Established.

I. There is hereby established a committee to study the feasibility of state criminal forfeiture law which would include a transition from civil to criminal forfeiture.

II. The committee shall consist of the following members:

(a) 2 members of the house judiciary committee.

(b) 2 members of the senate judiciary committee.

(c) The attorney general, or designee.

(d) One member of the public, appointed by the governor.

(e) One attorney experienced in criminal matters, appointed by the New Hampshire Bar Association.

(f) One representative of the New Hampshire Police Chiefs Association, appointed by the association.

(g) One representative of the New Hampshire American Civil Liberties Union, appointed by the organization.

III. The committee shall submit a report, including recommendations for legislation, to the speaker of the house, senate president, and governor no later than November 1, 1994.

6 Effective Date. This act shall take effect January 1, 1995.

Rep. Lown spoke against.

The amendment failed.

The Committee offered a floor amendment.

Floor Amendment (4479B)

Amend the bill by replacing all after the enacting clause with the following:

1 Forfeiture; Knowledge of Owner. Amend RSA 318-B:17-b, III(a) to read as follows:

(a) No item or property interest shall be subject to forfeiture unless [it shall appear that] the owner or owners thereof were consenting parties to a felonious violation of this chapter and had knowledge thereof.

2 Civil Forfeiture Not Allowed When Person Found Not Guilty. Amend RSA 318-B:17-b, IV(d) to read as follows:

(d) At the request of any party to the forfeiture proceeding, the court may grant a continuance until the final resolution of any criminal proceedings which were brought against a party under this chapter and which arose from the transaction which gave rise to the forfeiture proceeding. *No asset forfeiture may be maintained against a person's interest in property if that person has been found not guilty of the underlying felonious charge.*

3 Forfeiture; Proportionality. Amend RSA 318-B:17-b, IV(e) to read as follows:

(e) At the hearing, the court shall hear evidence and make findings of fact and [conclusions] *rulings of law [and] as to whether the property is subject to forfeiture under this chapter. Except in the case of proceeds, upon a finding that the property is subject to forfeiture the court shall determine whether the forfeiture of the property is not excessive in relation to the underlying criminal offense. In making this determination the court shall consider whether in addition to any other pertinent considerations:*

(1) There is a substantial connection between the property to be forfeited and the underlying drug offense;

(2) Criminal activities conducted by or through the use of the property were extensive; and

(3) The value of the property to be forfeited greatly outweighs the value of the drugs that were or would have been likely to be distributed, the costs of the investigation and prosecution, and the harm caused by the criminal conduct.

The court shall, thereupon, make a final order, from which all parties shall have a right of appeal.

4 New Section; Drug Asset Forfeiture Guidelines Required. Amend RSA 318-B by inserting after section 17-d the following new section:

318-B:17-e Drug Asset Forfeiture Guidelines Required. The department of justice shall adopt and maintain drug asset forfeiture guidelines. The attorney general shall submit the guidelines and any proposed amendments to such guidelines to the house and senate judiciary committees for review and comment at least as often as annually. The attorney general shall submit any proposed amendments to the guidelines for legislative review and comment prior to their becoming effective.

5 New Section; Forfeiture Report. Amend RSA 318-B by inserting after section 17-d the following new section:

318-B:17-e Forfeiture Reports. The attorney general shall submit a biennial report to the governor, senate president, and speaker of the house relative to the seizure of any items or property interests under RSA 318-B:17-b. Such report shall include:

I. A full and complete description of any items or property interests seized including the property's location and value.

II. The name and address of all known persons having a legal or equitable interest in the property.

III. Any findings of fact relative to the justice of the forfeiture as determined under RSA 318-B:17-b, IV(e).

IV. The attorney general has the authority to exclude any information which would reveal the identity of an informant or compromise an ongoing investigation.

6 Study Committee Established.

I. There is hereby established a committee to study the feasibility of state criminal forfeiture law which would include a transition from civil to criminal forfeiture.

II. The committee shall consist of the following members:

(a) 3 members of the house, including 2 members of the house judiciary committee and 1 member of the house corrections and criminal justice committee, appointed by the speaker of the house.

(b) 2 members of the senate judiciary committee, appointed by the senate president.

(c) The attorney general, or designee.

(d) One member of the public, appointed by the governor.

(e) Two attorneys experienced in criminal matters, one member to be appointed by the New Hampshire Bar Association and 1 member to be appointed by the New Hampshire Trial Lawyers Association.

(f) One representative of the New Hampshire Police Chiefs Association, appointed by the association.

(g) One representative of the New Hampshire American Civil Liberties Union, appointed by the organization.

III. The committee shall submit a report, including recommendations for legislation, to the speaker of the house, senate president, and governor no later than November 1, 1994.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Prohibits forfeiture unless the owner was a consenting party to the underlying offense.

II. Requires that judicial drug forfeiture of property is not excessive in relation to the underlying criminal offense.

III. Requires that the attorney general submit drug asset forfeiture guidelines to the house and senate judiciary committees for review and comment.

IV. Bars civil forfeiture against a person following a not guilty verdict based on the underlying felonious charge.

V. Requires the attorney general to submit reports to the governor, speaker of the house, and president of the senate relative to forfeitures.

VI. Establishes a study committee to examine the feasibility of a state criminal forfeiture law which would include a transition from civil to criminal forfeiture.

Reps. Lown, DePecol and Newman spoke in favor.

Adopted.

Report adopted and ordered to third reading.

SB 59, relative to the privacy act. OUGHT TO PASS WITH AMENDMENT

Rep. Edward M. Gordon for Judiciary: This bill creates a narrow exception to the present law regarding the release of information under the creditor statute, RSA 359-C. The exception continues to prevent the disclosure of credit information. However, it allows peace officers to conduct limited investigations without fear that evidence will be suppressed just because a credit transaction was involved. Vote 10-3.

Amendment (2658B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing the release of certain information under the
privacy act to law enforcement officials.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Exception Added. Amend RSA 359-C:11 by inserting after paragraph III the following new paragraph:

IV. When the attorney general or designee, a county attorney or any police or sheriff's department in this state represents to a provider of goods or services that an investigation is underway regarding the alleged involvement of such goods or services in connection with a criminal activity, notwithstanding the provisions of this chapter, the provider may release to the attorney general, county attorney or police or sheriff's department information regarding any customer transactions involving the type of goods or services allegedly used in such criminal activity. The information provided may include the identity of the customers, a description of the goods or services purchased, the time and circumstances of the purchases, and information regarding whether the purchase was a cash or credit transaction. However, the provider shall not disclose the terms and conditions of the credit transaction, reveal the customer's credit history or share any financing documents unless authorized by the provisions of this chapter. Before releasing the information described in this paragraph the provider of goods or services may require that the attorney general, county attorney or police or sheriff's department certify in writing that the request is being made pursuant to this paragraph.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes providers of goods and services to release information to the attorney general, county attorney, a police or sheriff's department if a criminal investigation is underway.

Adopted.

Report adopted and ordered to third reading.

HB 387, relative to the use of gender neutral language in New Hampshire. OUGHT TO PASS WITH AMENDMENT

Rep. Shawn N. Jasper for Legislative Administration: The intent of this bill is to make Legislative Services and legislators more aware of using gender neutral language recognizing that this is largely an educational process and will evolve through time. It is our hope that over time all law will be gender neutral. Vote 11-0.

Amendment (3936B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Gender Neutral Drafting. Amend RSA 17-A by inserting after section 5 the following new section:

17-A:6 Gender Neutral Drafting.

I. It is the intent of the general court that the office of legislative services continue its efforts to draft all bills, resolutions and amendments using words that are neutral as to gender, to the extent practicable.

II. In addition, the office of legislative services shall continue to study the issues involved in gender neutral drafting, including the development and utilization of sexually neutral terms to replace masculine gender terms currently in use.

III. All members of the general court are encouraged to support the use of gender neutral terms in the drafting of legislation.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the office of legislative services to continue its gender neutral drafting efforts and encourages members of the general court to support the use of gender neutral language.

Adopted

Report adopted and ordered to third reading.

HB 686, relative to legislative review of proposed administrative rules. OUGHT TO PASS

Rep. Paul R. Fillion for Legislative Administration: The process of legislative approval of administrative rules as provided in RSA 541-A needs the provision of a course of action to follow when the joint committee on administrative rules feels it is necessary to prevent an agency from adopting a rule or part of a rule. This bill meets that need by providing for the use of a joint legislative resolution. The resolution would provide opportunity for both houses to either permit or prevent adoption of the section(s) in contention. The agency involved would experience no delay in enacting sections of a rule not in contention. The Legislative Administration Committee feels enactment of this bill will support other efforts currently under way to improve the effectiveness of the whole Administrative Procedures Act process. The vote was unanimous. Vote 13-0.

Adopted and ordered to third reading.

HB 239-L, granting municipalities an option for quarterly billing and collection of property taxes. OUGHT TO PASS WITH AMENDMENT

Rep. Elizabeth A. Cepaitis for Municipal and County Government: This is enabling legislation for those cities and towns which, upon majority vote of the legislative body, prefer to bill on a quarterly basis. Vote 9-7.

Amendment (3714B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Quarterly Billing and Collection of Taxes in Towns and Cities. Amend RSA 76 by inserting after section 15-a the following new section:

76:15-aa Quarterly Collection of Taxes in Certain Towns and Cities.

I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-c. A partial billing of the taxes to be assessed April 1 in any tax year shall be computed by taking the prior year's assessed valuation times the previous year's tax rate divided by 4; provided, however, that whenever it appears to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times the previous year's tax rate divided by 4 to compute the partial payment.

II. For the purposes of this section, the list of assessed property shall be committed by the selectmen with 3 separate warrants under their hands and seal directed to the collector of such town no later than January 15. The collector shall mail all the bills for the 3 quarterly partial payments not later than March 3. Partial payment of taxes assessed under this section shall be due and payable on April 1, June 1, and September 1. The collector shall receive such payments, and credit the amount paid toward the amount of the taxes eventually assessed against the property. A payment of the remainder of the taxes assessed April 1, minus the payments due on April 1, June 1, and September 1, of that year, shall be due and payable December 1 or 30 days after the last bill is mailed. Interest charged on all taxes not paid on or before the date they are due shall be as prescribed in RSA 76:13, except that, when bills for partial payment under this section are mailed on or after March 3, interest shall not be charged on the April 1 payment until 30 days after the April bills are mailed; or, if final bills are mailed after November 1, interest shall not be charged on the final payment until 30 days after the final bills are mailed.

2 New Sections; Local Option Change in Ownership; Notification. Amend RSA 76 by inserting after section 76:15-b the following new sections:

76:15-c Local Option. Other provisions of law to the contrary notwithstanding, taxes shall be collected in any town or city in a manner pursuant to RSA 76:15-aa if said town or city by majority vote of the legislative body, adopts the provisions thereof. A town or city which adopts the provisions of RSA 76:15-aa may rescind said adoption by majority vote of the legislative body, and the general statutes relating to collection of taxes shall once again apply.

76:15-d Change in Ownership. Whenever a town or city has, by vote of its legislative body, approved the quarterly billing of taxes pursuant to RSA 76:15-aa and where subsequent to the collector issuing the quarterly bills, the assessors are made aware of a change in ownership in a parcel so billed, the assessors shall amend the tax list and notify the collector, who, upon the request of the taxpayer, shall cause to be mailed to the new owner a statement of account showing the balance due on the current quarterly billing.

3 Interest. Amend RSA 76:13 to read as follows:

76:13 Interest. Interest at 12 percent per annum shall be charged upon all taxes except resident taxes, except as otherwise provided by statute, not paid on or before December 1 after their assessment, which shall be collected from that date with the taxes as incident thereto, except in the case where a tax bill sent to the taxpayer on or after November 2 and before April 1 of the following year interest shall not be charged until 30 days after the bills are mailed. *In those towns and cities adopting RSA 76:15-aa relative to quarterly tax collections, interest shall not be charged until 30 days after the first quarterly bill normally due April 1 is mailed; interest at 12 percent shall be due after the due dates of June 1 and September 1.* Interest due that amounts to less than \$5 may be waived by the collector, with the approval and consent of the board of selectmen and the board of assessors, if in his judgment the administrative and collection costs involved do not warrant collection of the amount due. The tax collector shall state on the tax bill the date from which interest will be charged and such date shall be determined by the day the collector sends out the last tax bill on his list. The collector shall notify the board of tax and land appeals in writing of the date on which the last tax bill was sent.

4 Prepayment of Taxes. Amend RSA 80:52-a to read as follows:

80:52-a Prepayment. Any town by vote at a town meeting under a proper article in the warrant or by vote of the board of selectmen or the town council and any city by vote of its

governing [board] *body or a town or city which has adopted the provisions of the law allowing for quarterly tax billings under RSA 76:15-aa* may authorize the prepayment of taxes and authorize the collector of taxes to accept payments in prepayment of taxes. If a town or city so votes, any person, firm or corporation owning taxable property on April 1, *or in the case of a town or city which has adopted quarterly tax payments, on January 1*, may, after April 1 *or January 1, respectively*, and before notice of the amount of taxes assessed against said property for that year has been received, make payments on account of such taxes and the collector shall receive such payments and give a receipt therefor and credit the amounts paid toward the amount of the taxes eventually assessed against said property. In any town or city which shall vote to authorize the prepayment of taxes the collector of taxes shall give such bond in the form and amount which the commissioner of revenue administration shall require, and he shall pay over all sums so received to the town treasurer under the provisions of RSA 41:35.

5 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 438-FN, requiring criminal history record checks for sales of firearms by dealers using a toll-free telephone number. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bruce F. Hunter for Public Protection and Veterans Affairs: House Bill 438-FN as amended by the committee requires a criminal history background check to be done by the Department of Safety at the request of a federally licensed firearms dealer before a sale of a handgun can be completed. The Department of Safety will provide a toll-free number to be accessed by the dealer to provide purchaser information which will be used by the Department of Safety to review its criminal history records to determine if the purchaser is prohibited from possession of a handgun by state or federal law. If no match is found a transaction number is issued to the dealer and the sale is completed. Records of the request and the information conveyed are confidential and shall be destroyed, except for the transaction number issued to the dealer, within 48 hours of the day in which the request was placed. This amendment contains language requested by the Gun Owners of New Hampshire and is similar to laws in effect in Illinois and Virginia which were supported by the National Rifle Association. The committee voted Ought To Pass with Amendment. Vote 11-0.

Amendment (3619B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring criminal history record checks for sales of handguns by
dealers using a toll-free telephone number.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Criminal History Record Checks; Handguns. Amend RSA by inserting after chapter 159-B the following new chapter:

CHAPTER 159-C

SALE OF HANDGUNS; CRIMINAL RECORD CHECK

159-C:1 Sale of Handguns; Criminal History Record Check.

I. No importer, manufacturer, or dealer licensed pursuant to 18 U.S.C. 923 shall sell or deliver from his business inventory at his licensed premises any handgun to another person, other than a licensed importer, licensed manufacturer, licensed dealer, or licensed collector, until he has:

(a) Obtained a completed consent form from the potential buyer or transferee, which form shall have been adopted by the department of safety and provided by the licensed importer, manufacturer, or dealer, which shall include only the name, birth date, gender, race, and social security number or other identification number of such potential buyer or transferee;

(b) Inspected identification containing a photograph of the potential buyer or transferee;

(c) Requested, by means of a toll-free telephone call, that the department conduct a criminal history record check; and

(d) Received a unique approval number for that inquiry from the department, and recorded the date and such number on the consent form.

II. For the purposes of this chapter "handgun" means:

(a) A firearm which has a short stock and is designed to be held and fired by the use of a single hand; and

(b) Any combination of parts from which a firearm described in subparagraph (a) can be assembled.

159-C:2 Department of Safety Investigation.

I. Upon receipt of a request for a criminal history record check, the department of safety, during the licensee's call or by return call:

(a) Review its criminal history records to determine if the potential buyer or transferee is prohibited from receipt or possession of a handgun pursuant to state or federal law;

(b) Inform the licensee making the inquiry either that its records demonstrate that the potential buyer or transferee is so prohibited, or provide the licensee with a unique approval number.

II. In the event of electronic failure or similar emergency beyond the control of the department, the department shall immediately notify the requesting licensee of the reason for, and estimated length of, such delay. After such notification, the department shall, and in no event later than the end of the next business day of the licensee, either inform the licensee that its records demonstrate that the potential buyer or transferee is prohibited from receipt or possession of a handgun pursuant to state or federal law or provide the licensee with a unique approval number. Unless notified by the end of said next business day that the potential buyer or transferee is so prohibited, and without regard to whether he has received a unique approval number, the licensee may complete the sale or delivery and shall not be deemed in violation of this section with respect to such sale or delivery.

159-C:3 Confidentiality.

I. Any records containing any of the information set forth in RSA 159-C:1, I pertaining to a potential buyer or transferee who is not found to be prohibited from receipt or transfer of a handgun by reason of state or federal law which are created by the department of safety to conduct the criminal history record check shall be confidential and may not be disclosed by the department or any officers or employees to any person or to another agency. The department shall destroy any such records after it communicates the corresponding approval number to the licensee and, in any event, such records shall be destroyed within 48 hours after the day of the receipt of the licensee's request.

II. The department shall retain records containing any information set forth in RSA 159-C:1, I pertaining to a potential buyer or transferee who is prohibited from receipt or transfer of a handgun for 6 months. The department shall be guilty of a violation if it fails to destroy such records within 48 hours after the day of the receipt of the licensee's request.

III. Notwithstanding the provisions of this section the department may maintain only a log of dates of requests for criminal history records checks and unique approval numbers corresponding to such dates for a period of not longer than one year.

IV. Nothing in this section shall be construed to allow the department to maintain records containing the names of licensees who receive unique approval numbers or to maintain records of handgun transactions, including the names or other identification of licensees and potential buyers or transferees, including persons not otherwise prohibited by law from the receipt or possession of handguns.

V. Any person who violates the provisions of this chapter which require the destruction of certain records, or which prohibit the maintenance of certain records shall be guilty of a misdemeanor and shall be personally liable, jointly and severally with the state for both damages and attorneys' fees, which shall be awarded by the court in any civil action brought to enforce such provisions.

159-C:4 Toll-Free Number. The department of safety shall establish a toll-free telephone number which shall be operational 7 days a week between the hours of 8:00 a.m. and 10:00 p.m. for purposes of responding to inquiries as described in this section from licensed importers, manufacturers, and dealers. The department shall employ and train such personnel as are necessary to administer expeditiously the provisions of this section.

159-C:5 Appeal. Any person who is denied the right to receive or purchase a handgun as a result of the procedures established by this chapter may request amendment of the record pertaining to him by petitioning the department of safety. If the department fails to amend the record within 7 days, the person requesting the amendment may petition the superior court of the county of residence for an order directing the department to amend the record. The court shall award the petitioner an attorney's fee if it determines that the record should have been amended by the department. If the record as corrected demonstrates that such person is not prohibited from receipt or possession of a handgun by state or federal law, the department shall destroy any records it maintains which contain any information derived from the criminal history records check set forth in RSA 159-C:1, I.

159-C:6 Rules. The department of safety shall adopt rules, pursuant to RSA 541-A, to ensure the identity, confidentiality, and security of all records and data provided pursuant to this section.

159-C:7 Exceptions to Reporting. A licensed importer, manufacturer, or dealer is not required to comply with the provisions of this section in the event of:

I. Unavailability of telephone service at the licensed premises due to the failure of the entity which provides telephone service in the state, region, or other geographical area in which the licensee is located to provide telephone service to the premises of the licensee due to the location of said premises, or the interruption of telephone service by reason of hurricane, tornado, flood, natural disaster, or other act of God, or war, invasion, insurrection, riot, or other bona fide emergency, or other reason beyond the control of the licensee; or

II. Failure of the department of safety to comply reasonably with the requirements of RSA 159-C:2.

159-C:8 Defenses. Compliance with the provisions of this chapter shall be a complete defense to any claim or cause of action under the laws of this state for liability for damages arising from the importation or manufacture, or the subsequent sale or transfer of any handgun which has been shipped or transported in interstate or foreign commerce to any person who has been convicted in any court of a crime punishable by imprisonment for a term exceeding one year.

159-C:9 Handgun Exceptions. The provisions of this chapter shall not apply to:

I. Any handgun, including any handgun with a matchlock, flintlock, percussion cap, or similar type of ignition system, manufactured in or before 1898.

II. Any replica of any handgun described in paragraph I if such replica is not designed or redesigned to use rimfire or conventional centerfire fixed ammunition, or uses rimfire or conventional centerfire fixed ammunition which is no longer manufactured in the United States and which is not readily available in the ordinary channels of commercial trade.

III. Any handgun which is a curio or relic as defined by 27 C.F.R. 178.11.

IV. Potential buyers or transferees who hold a valid permit to carry a concealed weapon pursuant to RSA 159:6 who exhibit such permit to a licensed importer, manufacturer, or dealer.

159-C:10 Penalties; Immunity.

I. Any licensed importer, manufacturer, or dealer who willfully and intentionally requests a criminal history record check from the department of safety for any purpose other than compliance with RSA 159-C:1, or willfully and intentionally disseminates any criminal history record information to any person other than the subject of such information shall be guilty of a misdemeanor.

II. Any person who, in connection with the purchase, transfer, or attempted purchase or transfer of a handgun pursuant to RSA 159-C:1, willfully and intentionally makes any materially false oral or written statement or willfully and intentionally furnishes or exhibits any false identification intended or likely to deceive the licensee shall be guilty of a misdemeanor.

III. Any licensed importer, licensed manufacturer, or licensed dealer who willfully and intentionally sells or delivers a handgun in violation of this chapter shall be guilty of a misdemeanor.

IV. Any potential buyer or transferee who purchases a handgun for the purpose of transferring it to a person who is prohibited from possession of a handgun by state or federal law shall be guilty of a class B felony.

V. Any licensed importer, manufacturer, or dealer who in good faith relies upon a criminal history record check from the department pursuant to this chapter is immune from any liability, civil or criminal, that might otherwise be incurred or imposed.

159-C:11 Annual Report. The department of safety shall provide the wildlife and recreation committee of the senate and the public protection and veteran affairs committee of the house of representatives an annual report including the number of inquiries made pursuant to this chapter for the prior calendar year. Such report shall include, but not be limited to, the number of inquiries received from licensees, the number of inquiries resulting in a determination that the potential buyer or transferee was prohibited from receipt or possession of a handgun pursuant to state or federal law, the estimated costs of administering this chapter, the number of instances in which a person requests amendment of the record pertaining to such person pursuant to RSA 159-C:5, and the number of instances in which the superior court issued an order directing the department to amend a record pursuant to RSA 159-C:5.

2 Contingent Prospective Repeal. This act is repealed on the date that any federal law is effective that requires federally licensed firearms dealers to contact a federal or state government agency or official to determine whether receipt of a firearm by a prospective purchaser would violate federal or state law.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill requires the department of safety to conduct a criminal history record check for sale of handguns by dealers.

Adopted.

Report adopted and ordered to third reading.

RESOLUTION

Rep. Ann Torr offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, January 11 at 1:00 p.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 451-FN, requiring doctors of naturopathic medicine to be licensed by the naturopathic board of examiners, and regulating naturopathic health care practice.

HB 458-FN-L, requiring a waiting period for applicants for public assistance who terminate their employment voluntarily without a good cause.

HB 660-FN, relative to drug forfeiture.

SB 59, relative to the privacy act.

HB 387, relative to the use of gender neutral language in New Hampshire.

HB 686, relative to legislative review of proposed administrative rules.

HB 239-L, granting municipalities an option for quarterly billing and collection of property taxes.

HB 438-FN, requiring criminal history record checks for sales of handguns by dealers using a toll-free telephone number.

RECONSIDERATION

Having voted with the prevailing side, Rep. Schotanus moved that the House reconsider its action whereby it referred to Interim Study **HB 497**, allowing towns and school districts to use the official ballot for any issue before the voters, and spoke against.

Reconsideration lost.

UNANIMOUS CONSENT

Reps. Buckley and Rice addressed the House.

Rep. Burling moved that the remarks of Rep. Buckley be printed in the Journal.

Adopted.

Thank you Mr. Speaker. I rise today to pay tribute to two outstanding citizens who passed away within the past 24 hours: the former Speaker of the United States House, Thomas P. "Tip" O'Neill and Mrs. Virginia Kelly, the President's Mother.

Tip O'Neill had a long and distinguished career in public life. He began his career as a legislator and was the first Democratic Speaker in Massachusetts in more than 100 years, which gives great hope to Mr. Trombly. He was elected to the United States Congress, replacing John F. Kennedy, when he was elected to the Senate and Tip became the Speaker of the House and was known for never forgetting his roots.

Recently, he published his latest book which is called, "All Politics Is Local: the Rules of the Game." I believe that every legislator across the nation should probably read that. It ends with Tip's political checklist and in memory of Tip, I think it would be appropriate to read a couple of them.

1. Vote your conscience, your country, your district, the leadership, in that order.
2. Never question the honesty or integrity of a colleague.
3. It's a round world - what goes around, comes around.
4. You can accomplish anything if you're willing to let someone else take the credit.
5. Never lose your idealism.
6. Lead by consent, not demand.
7. The bigger the crowd, the lower the vote.
8. Learn to say, "I don't know but I will find out."
9. K.I.S.S. - Keep it simple, stupid.
10. Don't stay mad - there's always tomorrow. Today's enemy is tomorrow's ally.
11. Never speak of yourself in the third person.
12. Tell the truth the first time and you don't have to remember what you said.
13. The horse that runs fast early fades in the stretch.

I would also like to mention Mrs. Kelley. I had the opportunity to meet her at the National Democratic Convention two years ago. She clearly was a proud mother. Very proud that her son was able to attain the highest position in this nation and lead the free world. As a single parent, she put herself through school and in remarrying had to deal with the trials and tribulations of having an abusive husband and an alcoholic husband. I think that both of these people deserve our tribute and I would like to ask the Speaker, on behalf of the House, to send our heartfelt sympathies to both the O'Neill family and the Clinton family.

Rep. Jasper moved that the Remarks of Rep. Rice be printed in the Journal.

Adopted.

Thank you Mr. Speaker. Before I begin, let me call your attention to the fact that I was on the losing side this morning. The members of the Municipal and County Government committee unanimously wish to thank our chairman, Rep. Karen Wadsworth, for her brave stand against tremendous pressure. She has always lived by the principle that there is no excuse to pass a flawed bill, no matter who the sponsor is or what the political pressure. Under her leadership, we have heard more bills than any other committee. We heard about 90 bills in the 1993 session, and only about 10 percent of these were re-referred. Those re-referred had an equal chance of being amended and passed or found inexpedient to legislate. This session our workload is about 40 bills. We welcome House Bill 497. We pledge to the people of New Hampshire that it will receive a fair, honest hearing. I volunteered to read this.

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills only.

Adopted.

The House recessed at 4:50 p.m.

RECESS

Rep. Cole moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 3

Tuesday, January 11, 1994

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God, the source of our passion, kindle in us Your anguish and desire. Inspire us with Your compassion that we may join with You in pleading the cause of the poor and unprotected. Fill us with holy rage when justice is delayed and give us the persistence to require those rights that are denied. Amen.

Rep. McGuirk led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Stewart, Holley, Miller, Guay, Bowers, O'Brien, Champagne, Kathleen Ward, Bucu and Katharin Pratt, the day, illness.

Reps. Daniels, Blake, Dyer, Crum, David Flanders, Burke, Hart, Patricia Brown, Hawkins, Kurk, Wiswell, Marsha Pelletier, Ruth Gage, Borsa and David Dow, the day, important business.

Rep. Ham, the day, death in the family.

Reps. Laflam and McNamara, the day, illness in the family.

INTRODUCTION OF GUESTS

Carl Shoff and six American government students, guests of Rep. Alson Brown. Kathryn Fongeallaz, daughter of Rep. Lovejoy.

VACATES

Rep. Musler moved that the House vacate the reference of **HB 1469-L**, relative to the definition of "impact fee" for the purpose of innovative land use controls, to the Committee on Environment and Agriculture.

Adopted and referred to Municipal and County Government.

Rep. Wadsworth moved that the House vacate the reference of **HB 1302-L**, making aircraft operating areas subject to property taxation on the basis of current use, to the Committee on Municipal and County Government.

Adopted and referred to Environment and Agriculture.

REGULAR CALENDAR - PART II (Cont'd.)

HB 319, establishing a committee to study the feasibility of using sand or chemicals other than salt for highway snow and ice removal. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Arthur P. Klemm Jr. for the Majority of Public Works: The subcommittee heard considerable testimony about the concerns of using salt on our roads and what alternatives may be available. The DOT testified that it is taking part in a two-year, 15-state study using anti-icing techniques funded by the Federal Highway Administration with the results of that study to be reported back to the legislature by June 1995. There was considerable debate in the subcommittee about the use of low salt areas and the Department has agreed to draw up some criteria for the use of low salt upon the request of local town officials. The committee felt that the D.O.T. was sensitive to the concerns about the amount of salt that is used on our highways and are looking at alternative methods to keep our highways clear, and therefore voted 16-3, Inexpedient To Legislate.

Rep. Katherine D. Rogers for the Minority of Public Works: HB 319 as proposed to be amended, would make a statement of purpose regarding the long term environmental and

structural dangers that result from the state's continued use of high levels of salt on our roads and recognizes the positive impact of reductions and tighter controls over the use of salt. The amended bill would additionally require DOT to notify municipalities upon request, of the deicing materials and quantities to be used in such municipality for the upcoming winter, and report to that same municipality on the effectiveness of that program. Finally, the amended HB 319 would require DOT to report findings from Evaluation Project #28.

Rep. Katherine Rogers moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Gene Chandler spoke against.

Reps. Keans and Betty Hall spoke in favor and yielded to questions.

Rep. Klemm spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HB 661-FN-A, relative to the highway and bridge betterment program fund, establishing transportation programs, increasing the road toll on users of motor fuel, and levying a gasoline floor tax. **OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Chandler for Public Works: This bill proposed a 7¢ increase in road tolls (gasoline tax) in three increments in order to provide additional funds for several highway related transportation programs. In February 1993, the committee could not support this increase given the state's economic situation and lingering questions about ISTEAs. In late October 1993, while most ISTEAs questions have been resolved and the first revision to the 10-year highway plan under Chapter 381, laws of 1991 is emerging, the wisdom of increasing the road tolls remain in doubt largely for economic reasons. Therefore, the committee chose to use this bill solely to clean up language about the highway betterment program. There is no appropriation or fiscal impact in the bill as amended. Vote 18-0.

Amendment (3819B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the highway and bridge betterment program.

Amend the bill by replacing all after the enacting clause with the following:

1 Highway and Bridge Betterment Program; Purpose Modified. Amend RSA 235:23-a, I to read as follows:

1. There is established a highway and bridge betterment program for the purpose of highway construction, reconstruction, and resurfacing, and for bridge construction, bridge reconstruction and bridge maintenance, in each highway district in the state and for the purpose of insuring [maximum utilization of federal aid highway allocation] *adequate maintenance and improvement of that portion of the state highway system not supported with federal aid.*

2 Betterment Report; Reference Change Added. Amend RSA 235:23-a, IV to read as follows:

IV. The commissioner shall prepare a report not later than December 1 of each year which details the way in which the transportation department has expended funds for highway construction, reconstruction, and resurfacing, and for bridge construction, bridge reconstruction and bridge maintenance according to the provisions of paragraph III. *The report shall also clearly evaluate how well the betterment program is achieving its purpose using quantitative measures wherever practical.* The report shall be submitted no later than December 1 of each year to the president of the senate, the speaker of the house, the governor, the chairman of the house public works committee, and the chairman of the senate capital budget committee.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the purpose of the highway and bridge betterment program and requires the betterment report prepared annually by the commissioner of transportation to use quantitative measures.

Adopted.

Report adopted and ordered to third reading.

Rep. DePecol wished to be recorded against the Committee report.

HR 18, requesting an opinion of the justices concerning the constitutionality of an amendment to HB 257-FN. OUGHT TO PASS WITH AMENDMENT

Rep. John P. Chandler for Public Works: This House Resolution has been amended to recognize that the disposition of common carrier fees and fines into a transportation fund for non-highway transportation infrastructure and associated administrative costs as proposed in the amended HB 257-FN may violate Art. 6-a, Part II of the State Constitution and requests an opinion of the Justices of the Supreme Court. Vote 15-3.

Amendment (3579B)

Amend the resolution by replacing all after the title with the following:

Whereas, there is pending in the House, an amendment (document #3578B) to House Bill 257-FN, "An act establishing a transportation fund to fund transportation infrastructure which cannot be funded with highway fund moneys;" and

Whereas, Art. 6-a, Part II of the New Hampshire Constitution requires that revenues in excess of necessary costs of collection and administration accruing to the state from registration and certain other fees with respect to motor vehicles "shall be appropriated and used exclusively for the construction, reconstruction, and maintenance of public highways..., including the supervision of traffic thereon... and no part of such revenues shall, by transfer of funds or otherwise, be diverted to any other purpose whatsoever;" and

Whereas, RSA 375-A has provisions for the collection of vehicle registration fees and the use of number plates (RSA 375-A:17 and 18) which are to be used with and expire coincidental with the registration and plates issued by the department of safety; and

Whereas, part of the policy for the regulation of common carriers and contract carriers under RSA 375-B is to regulate the use of the highways for the transportation of property for hire (see RSA 375-B:1); and

Whereas, part of the policy behind RSA 376, concerning the regulation of motor carriers of passengers, is to promote safety upon the highways (see RSA 376:1); and

Whereas, the amendment to HB 257-FN (document #3578B) provides that the funding for RSA 375-A, 375-B, and 376 be charged against the transportation fund; and

Whereas, the amendment further provides that fines and fees collected under RSA 375-A, 375-B, and 376 be deposited into the transportation fund; and

Whereas, the amendment provides that the transportation fund be used to fund transportation infrastructure which cannot be funded with highway fund moneys; and

Whereas, a question has arisen concerning the constitutionality of the amendment to HB 257-FN; now, therefore, be it

Resolved by the House:

That the Justices of the Supreme Court be respectfully requested to give their opinion on the following questions of law:

1. Would the enactment of the amendments to RSA 375-A in HB 257-FN (document #3578B) violate Art. 6-a, Part II of the of New Hampshire Constitution?

2. Would the enactment of the amendments to RSA 375-B in HB 257-FN (document #3578B) violate Art. 6-a, Part II of the New Hampshire Constitution?

3. Would the enactment of the amendments to RSA 376 in HB 257-FN (document #3578B) violate Art. 6-a, Part II of the New Hampshire Constitution?

That the clerk of the House of Representatives transmit copies of this resolution, HB 257-FN, and the amendment (document #3578B) to the Justices of the Supreme Court.

Adopted.

LAIID ON THE TABLE

Rep. John Chandler moved that **HR 18**, requesting an opinion of the justices concerning the constitutionality of an amendment to HB 257-FN, be laid upon the table.

Adopted.

REGULAR CALENDAR-PART II (Cont'd.)

HB 691-FN-A, relative to gaming revenues and establishing a committee to study the marketing of state lotteries and attitudes concerning the expansion and regulation of gambling in the state and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen G. Avery for Regulated Revenues: While there was considerable interest in having a statewide non-binding referendum on gambling, the committee felt that the basics of this bill were not worth pursuing. The legislative survey that was done supports the committee's feelings on these issues. Vote 13-1.

Adopted.

HB 350, authorizing municipalities and the public utilities commission to regulate cable television rates to the extent that federal law permits. **INEXPEDIENT TO LEGISLATE**

Rep. Beverly T. Rodeschin for Science, Technology and Energy: The Committee has voted **HB 350** Inexpedient to Legislate and has introduced a new cable bill, different from **HB 350**, for the 1994 Session. No clear consensus has emerged as to how cable companies should be regulated in New Hampshire under new FCC Rules, which are still being developed. The Committee needs more time to address this complex issue. Vote 10-0.

Adopted.

HB 362, requiring vehicle light use during any period windshield wipers are in operation. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas G. Cain for Transportation: This bill was deemed unnecessary because of current New Hampshire law and rules. Vote 9-5.

Rep. Avery moved that the words Ought to Pass with Amendment for the report of the Committee, Inexpedient to Legislative and spoke in favor.

Reps. Klemarczyk and Sherman Packard spoke against and yielded to questions.

On a division vote, 216 members having voted in the negative and 124 in the affirmative, the motion failed.

Report adopted.

SPECIAL ORDER

Rep. George Katsakiores moved that **HB 628-FN**, requiring the department of safety to keep drivers' records confidential except for certain reasons, be made a special order for January 27.

Adopted.

REGULAR CALENDAR - PART II (Cont'd.)

HB 576-FN-A, relative to the taxation of meals. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Douglass P. Teschner for the Majority of Ways and Means: This bill has received extensive debate and discussion at both subcommittee and full committee levels. The crux of the issue is how to best define a "meal" for purposes of applying the rooms and meals tax. The issue is complicated by the fact that increasing numbers of people are eating "takeout" meals which can be purchased at either restaurants or grocery stores. The bill, in its original form, would exclude from the tax small quantities of food such as bakery items purchased at grocery stores. The problem with this approach is that it would create an unfair advantage to grocery stores since persons buying the same item(s) at a restaurant would pay the tax. During committee deliberations, an amendment was offered which would apply the tax only in restaurants (defined as eating establishments with seating), but again, this creates an unfair advantage for grocery stores. Despite some dissatisfaction with the present law, the committee (in the end) was unable to identify a satisfactory solution. Rather than solving one problem by creating another, the committee voted to kill the bill. Vote 12-4.

Reps. William H. McCann Jr., Joyce M. Johnson, Alphonse O. Plourde and Jane A. Clemons for the Minority of Ways and Means: The minority of the committee believes that Rev. Rule 702.17 is unfair and discriminates against single people, senior citizens and children who wish to purchase five or less bakery items in a grocery store since they will have to pay an 8 percent tax. If they purchase six items or more they pay no tax. This bill as amended would support the Joint Committee on Administrative Rules by repealing the rule that the Joint Committee objected to which is still being enforced by the Department of Revenue Administration.

Rep. McCann moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate.

Reps. David Young and McCann spoke in favor and yielded to questions.

Rep. Teschner spoke against and yielded to questions.

Rep. Cowenhoven spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

The Minority of the Committee offered a floor amendment.

Floor Amendment (1912B)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of Restaurant for the Purposes of the Meals and Rooms Tax. Amend RSA 78-A:3, X(b) to read as follows:

(b) "Restaurant" means an eating establishment *at or near which seating is available*, where food, food products, or beverages including alcoholic beverages are served and for which a charge is made. The term includes, but is not limited to, a cafe, lunch counter, private or social clubs, cocktail lounges, hotel dining rooms, catering business, tavern, diner, snack bar, dining room, food vending machine, and any other eating place or establishment where meals are served, even if the serving of a meal is not the primary function of the establishment such as but not limited to convenience stores, gas stations, or supermarkets, but only as to the portion of such establishment *that meets the definition of "restaurant" and that serves a "meal"* as defined in this chapter. The term includes eating establishments whether stationary or mobile, temporary or permanent.

2 Rescission of Administrative Rule. Department of revenue administration rule 702.17, relative to the taxation of bakery items under the meals and rooms tax, is rescinded.

3 Effective Date. This act shall take effect July 1, 1993.

AMENDED ANALYSIS

This bill clarifies the definition of "restaurant", for the purposes of the meals and rooms tax, to include only those eating establishments at or near which seating is available.

The bill also rescinds a rule of the department of revenue administration regarding the taxation of bakery items.

Adopted.

Report adopted and ordered to third reading.

Rep. Braiterman wished to be recorded in favor of the McCann floor amendment.

REMARKS

Rep. Douglas Hall moved that the remarks of Rep. McCann regarding the intent of HB 576 be published in the Journal.

Adopted.

Thank you Mr. Speaker. In the fiscal impact statement that we debated a few minutes ago, it was very clearly spelled out that grocery items represented \$3.2 million of the \$4.6 million so-called loss that I alluded to in my previous statement. To lose that kind of money in bakery goods, as I said earlier, would be over \$50 million in sales. The rule to be rescinded strictly deals with bakery goods. The definition of restaurant is tied into the sale of bakery goods and that is why the second part of the amendment clearly rescinds a specific rule to deal with bakeries. The intent, as the former chairman of the Administrative Rules Committee would surely attest to, is to follow the procedure that once a commissioner implemented a rule over our objection the only remedy is a legislative remedy. In this particular instance because of the problems with definitions we put a definition in. To clarify the intent of the body, the second part of the amendment clearly rescinds bakery goods, 5 items or less. The onerous impact is no different in the previous amendment, they are the same. The \$4.6 million that I alluded to is not going to be increased, in fact because we have specifically rescinded that it should be down to about \$3.2 million, in fact that is a legitimate number. The Department of Revenue Administration provided the estimate and you've got to remember one thing folks, this rule impacts the Department of Revenue Administration's ability to collect taxes. And they provided this legislature with the impact. I find that somewhat questionable and I urge you to support the floor amendment.

REGULAR CALENDAR-PART II (Cont'd.)

HB 652-FN, requiring state fees to reflect only the direct and indirect costs of a program funded or function provided. **UGHT TO PASS WITH AMENDMENT**

Reps. Douglas P. Teschner and Joyce M. Johnson for Ways and Means: This major legislation is the result of 19 months of study by the Ways and Means Committee. As state government is moving increasingly from tax-based revenue to user fees, it is important that the state adopt criteria for fees. This bill (1) defines what is a fee, (2) requires that new or amended statutory fees reflect no more than the costs of a program funded or function provided, (3) requires that bills with fees include a cost analysis as part of the fiscal note, and (4) permits the legislative committee on administrative rules to object to a fee which it deems is not commensurate with the costs of providing a regulatory function. Vote 15-0.

Amendment (3919B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to state fee reform.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. State, local and federal governments are increasingly moving from tax-based revenue to user fees and as this trend continues, it is important that the state adopt criteria for such fees, including:

(a) Developing lists of the state's fees and fee revenues.

(b) Developing consistency within the legislative process regarding the setting and increasing of fees.

(c) Establishing a uniform state policy for the setting of fees.

(d) Creating standards for allowing fees to increase or decrease.

II. The general court concludes that fees and other types of revenue should be defined and budgetarily tracked. Fees should be charged only for regulatory functions and programs and should, as a general rule, cover no more than the direct and indirect costs of a regulatory function or program. In some specific cases, such as elections and services provided by the courts, the activity provides a vital service which is the foundation of democratic government and should not be funded by fees alone. Fees should not be used to generate revenue beyond the costs of a particular regulatory function or program.

III. The purpose of this legislation is to:

(a) Define fees and establish consistent fee-setting criteria, whether a fee is established by statute or by rule. A cost analysis is required as part of the fee setting process, in order to ensure that fees to fund a function or program are commensurate with the cost of funding the function or program.

(b) Establish a budgetary tracking process for all fees and the revenues raised by such fees and require that all fees be reviewed by the legislature, to insure that fees remain reasonable relative to the costs of the function or program provided by the state.

2 New Section; State Fees; Additional Cost Analysis in Fiscal Note Required. Amend RSA 14 by inserting after section 47 the following new section:

14:47-a Proposed State Fees; Definition; Cost Analysis in Fiscal Note.

I. A fee shall not be used to generate revenue beyond the costs of performing a function or administering and enforcing a regulatory program.

II. In this section:

(a) "Fee" means a charge imposed by statute which is in return for a function performed by the state or incidental to regulation, in an amount which shall not generate revenue beyond the costs (less any federal funds or other revenue) of providing the function or administering and enforcing the regulatory program.

(b) "Fee surcharge" means an additional fee set by statute beyond the primary fee which is intended for a secondary program. The secondary program shall be at least incidentally related to the primary program. Fee surcharges may exceed the costs of providing the primary regulatory function or program. Funds derived from a fee surcharge shall not exceed the costs (less any federal funds or other revenue) of providing the secondary program.

III. Categories of state revenue which are considered fees under this section include but are not limited to:

(a) Licenses, certificates, and permits.

(b) Copying charges.

(c) Regulatory functions.

IV. Categories of state revenue which are not considered fees under this section include:

(a) Taxes, including the gas tax.

(b) Fines and penalties.

(c) Sales of goods and services, such as liquor and beverage sales, ski area admission charges, tramway admissions, state park admissions, sale of publications, planetarium admissions, tuition, charges levied by the port authority, and water tests conducted by the department of environmental services or other services which may be obtained in the private sector.

(d) Federal grants, private grants, and donations.

(e) Tolls charged to users of the turnpike system.

V. Fee surcharges are subject to the same fiscal review process as other fees. When the purpose of the fee surcharge no longer exists, the fee surcharge shall be eliminated.

VI.(a) For each new fee or fee surcharge or change in an existing fee or fee surcharge considered by the legislature, the state agency which would be imposing the fee shall, as a part of the data provided to the legislative budget assistant for preparation of the fiscal note on the bill, include a cost analysis illustrating that the amount of the fee is reasonably related to the costs of the function provided or a secondary program if a fee surcharge, or the administration and enforcement of the regulatory program or a secondary program if a fee surcharge. The cost analysis shall include the following:

(1) The amounts of the fees and fee surcharges authorized by statute that are currently in effect for the department citing the legal basis for each fee or fee surcharge.

(2) A history of the rate of the fee or fee surcharge, including the enactment date and subsequent dates of increases and decreases (if applicable).

(3) A complete fiscal note worksheet for the proposed or amended fee or fee surcharge which shows the reasonableness and appropriateness of the fee and the methodology used for calculating the revenue.

(b) The legislative budget assistant shall include such cost analysis as part of the fiscal note on the bill proposing the fee or change in existing fee. The legislative budget assistant shall determine the forms which are necessary for the agency to substantiate the reasonableness and appropriateness of the fee for the purpose of such cost analysis.

3 New Paragraph; Definition of Fee. Amend RSA 541-A:1 by inserting after paragraph IV the following new paragraph:

IV-a.(a) "Fee" means a charge imposed by rule which is in return for a function performed by the state or incidental to regulation, in an amount which shall not generate revenue beyond the costs (less any federal funds or other revenue) of providing the function or administering and enforcing the regulatory program. A fee shall not be used to generate revenue beyond the costs of performing a function or administering and enforcing a regulatory program. "Fee surcharge" means an additional fee set by statute beyond the primary fee which is intended for a secondary program. The secondary program shall be at least incidentally related to the primary program. Fee surcharges may exceed the costs of providing the primary regulatory function or program. Funds derived from a fee surcharge shall not exceed the costs (less any federal funds or other revenue) of providing the secondary program.

(b) Categories of state revenue which are considered fees under this section include but are not limited to:

(1) Licenses, certificates, and permits.

(2) Copying charges.

(3) Regulatory functions.

(c) Categories of state revenue which are not considered fees under this section include:

(1) Taxes, including the gas tax.

(2) Fines and penalties.

(3) Sales of goods and services, such as liquor and beverage sales, ski area admission charges, tramway admissions, state park admissions, sale of publications, planetarium admissions, tuition, charges levied by the port authority, and water tests conducted by the department of environmental services or other services which may be obtained in the private sector.

(4) Federal grants, private grants, and donations.

(5) Tolls charged to users of the turnpike system.

(d) Fee surcharges are subject to the same fiscal review process as other fees. When the purpose of the fee surcharge no longer exists, the fee surcharge shall be eliminated.

4 New Subparagraph; Fiscal Impact Statement. Amend RSA 541-A:3-a, I(d) by inserting after subparagraph (d)(5) the following new subparagraph:

(6) A cost analysis illustrating that the amount of the fee or fee surcharge does not generate revenue greater than the costs of the function provided or a secondary program if a fee surcharge, or the administration and enforcement of the regulatory program or a secondary program if a fee surcharge. The cost analysis shall include the following:

(A) The amounts of the fees and fee surcharges that are currently in effect for the department citing the legal basis for each fee or fee surcharge (whether authorized by statute or through the rule making process).

(B) A history of the rate of the fee or fee surcharge, including the enactment date and subsequent dates of increases and decreases (if applicable).

(C) A complete fiscal note worksheet for the proposed or amended fee which shows the reasonableness and appropriateness of the fee and the methodology used for calculating the revenue. The legislative budget assistant shall determine which forms are necessary for the agency to substantiate the reasonableness and appropriateness of the fee for the purpose of such cost analysis.

5 Basis for Committee Objection. Amend RSA 541-A:3-e, IV(c) and (d) to read as follows:

(c) determined not to be in the public interest; [or]

(d) deemed by the committee to have a substantial economic impact not recognized in the fiscal impact statement; *or*

(e) determined by the committee, upon recommendation by the legislative budget assistant, to include a fee or fee surcharge which generates revenue beyond the costs of providing a function or the administration and enforcement of a regulatory program.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

- (1) Defines state fees and fee surcharges;
- (2) Requires state fees to reflect only the costs of a program funded or function provided;
- (3) Requires that a fiscal note on a bill proposing a new state fee or fee surcharge or a change in an existing state fee or fee surcharge include a cost analysis by agency; and
- (4) Permits the legislative committee on administrative rules to object to a proposed rule containing a fee or fee surcharge which it deems is not commensurate with costs of providing a function if a fee or a secondary program if a fee surcharge or administering and enforcing a regulatory program if a fee or a secondary program if a fee surcharge.

Adopted.

Report adopted and ordered to third reading.

SB 236-FN-A, allowing a tax credit against the business profits tax for certain businesses. **INEXPEDIENT TO LEGISLATE**

Rep. Avis B. Nichols for Ways and Means: Senate Bill 236 gives credits to business for research and development but those credits are already provided in House Bill 51 that passed last session, therefore the committee voted this bill Inexpedient To Legislate. Vote 11-5.

Adopted.

HB 211, requiring the department of fish and game to establish a sound process for the opening, closing and monitoring of shellfish waters. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph Schanda Sr. for Wildlife and Marine Resources: The Committee feels the intent of this bill has been accomplished by the action of the Governor and Council. The committee appointed by the Office of State Planning has finally undertaken the intent of this bill. After five years of inactivity, the committee hopes the constituency will reap the benefits. Vote 12-1.

Adopted.

HB 444-FN, allowing citizens to register to vote while applying for driver's licenses. **INEXPEDIENT TO LEGISLATE**

Rep. Natalie S. Flanagan for Constitutional and Statutory Revision: Due to the National Voters Act which includes the Motor Vehicle Department, this bill is not necessary. Vote 18-0.

Rep. Fuller Clark spoke against.

Rep. Flanagan spoke in favor.

LAIID ON THE TABLE

Rep. DePecol moved that **HB 444-FN**, allowing citizens to register to vote while applying for driver's licenses, be laid upon the table.

Adopted.

HOUSE JOURNAL No. 4

Thursday, January 27, 1994

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God, in the midst of freezing temperatures, we gather the heat and energy of our prayers on behalf of those who survive from moment to moment without adequate food, shelter and clothing. And help us, O God, not simply to be aware of the plight of others but to devote the fullness of our financial and emotional resources towards the care of men, women and children who exist at the margins of society. And through all we seek to do according to Your will, warm our hearts and inspire our minds by the sheer grace of Your presence in our midst. Amen.

Rep. Rosen led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Champagne, O'Brien, Hauck, Gargiulo, Domini, Crotty and Joyce Johnson, the day, illness.

Reps. Irene Pratt, Paul White, Dykstra, Bove, Ferguson, Paquette, Morello, Simon, Weeks, Hawkinson, Dodge, Moncrief and Smart, the day, important business.

EMPLOYEE OF THE MONTH

Ann Fitzgerald was named the January Employee of the Month. She is coordinator of House committee research, a job she has held since August 1989.

In addition to supervising the committee research staff, she serves as researcher for three committees: Education, Legislative Administration and State-Federal Relations. She has been providing staff support to the continuing education program for House members.

Ann began her career with the House as a committee researcher in November 1984. She is a dedicated, knowledgeable staff member whose cheerfulness and sense of humor make busy days easier for everyone.

COMMUNICATION

January 24, 1994

Harold Burns, Speaker

With my deepest regret, I hereby tender my resignation as a representative in the General Court of the State of New Hampshire.

I find I cannot adequately perform my duties as a citizen-legislator due to other commitments I cannot avoid.

I want to let you know that I enjoyed my time in the House, but I simply cannot find the time to serve my neighborhood properly.

George C. Eliades, Hillsborough 33

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 591.

Rep. Dunn for the Committee

SENATE MESSAGES CONCURRENCE

HB 591-FN-L, authorizing counties and municipalities to allow payment of local taxes, fees and other charges by credit card.

NONCONCURRENCE

HB 341, relative to a small employer insurance availability act and standardized medical benefits forms.

HB 386, establishing a committee to study the district court system.

SPECIAL ORDER

HB 628-FN, requiring the department of safety to keep drivers' records confidential except for certain reasons. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Thaddeus E. Klemarczyk for the Majority of Transportation: The majority of the committee felt there was inconsistencies as to who was eligible to access the Department of Safety records. Also, openness in the conduct of public business is essential to a democratic society. The purpose being to ensure the greatest possible public access to records of all public bodies and their accountability to the people. Vote 10-4.

Reps. Timothy N. Robertson, Fred A. Kruse, Bernard J. Raynowska and Thomas G. Cain for Transportation: Many of us were surprised to discover that the Division of Motor Vehicles makes available to anyone all data from drivers licenses, vehicle registrations, and driving records. For a price, the division has provided customized lists by age, geography, gender, weight or other features, information which is very useful to direct marketing companies. In other formats, DMV information is used by insurance companies, private investigators, police and other government agencies. Even a stalker currently has access to the address of his or her victims. This bill, as amended, takes into consideration the most common uses of motor vehicle data and limits availability to those who for public safety reasons "need to know." In the opinion of the minority of the committee, issues of safety and privacy take precedence over issues of revenue and commercialism.

Rep. George Katsakiores moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Kurk spoke in favor and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Rep. George Katsakiores offered a Committee floor amendment.

Floor Amendment (4768B)

Amend the bill by replacing all after the enacting clause with the following:

1 Availability of Records. Amend RSA 260:14 to read as follows:

260:14 Records and Certification.

I. A proper record of all applications, reports required by law, certificates and licenses issued or revoked shall be kept by the department at its office[, and such records shall be open to the inspection of any person.] Copies of such records, duly attested and certified by the director or his designee, shall be as competent evidence in any court within this state as the original record or document would be if produced by him as the legal custodian thereof.

[II.] A hearings examiner shall be considered a legal custodian of motor vehicle records for the purpose of testifying at a trial.

II. Notwithstanding RSA 91-A or any other law to the contrary, any records kept by the department of safety under the requirements of paragraph I shall be made available in response to a request from a state, a political subdivision of a state, a court, the federal government, or a law enforcement agency, for use in official business.

III.(a) Notwithstanding RSA 91-A or any other law to the contrary, any records, other than social security number or bodily image, kept by the department of safety under the requirements of paragraph I shall be made available only in response to a request from:

(1) An automobile insurance company or its authorized agent, for use in underwriting its automobile insurance business.

(2) Any person for research or statistical purposes, provided, however, that no record provided to such person shall contain any personal identification information, including but not limited to a name, street, address, driver's license number, social security number, telephone number, bodily image, or other information that would identify an individual.

(3) A manufacturer of motor vehicles or a person who performs recalls on behalf of a manufacturer as authorized by the federal government or as deemed necessary by such manufacturer to protect the public health, safety or welfare or to make a free correction of a manufacturing deficiency, for use related to such recalls.

(4) An individual, or any person with notarized authorization from an individual, for such individual's own records, for any use.

(5) Any person, for any individual's driver record report, provided that such driver record report shall contain no personal identification information other than the individual's name and driver's license number, for any use.

(6) An attorney licensed to practice in New Hampshire, for use in any pending or potential litigation involving a violation of a motor vehicle statute.

(7) A bank or other lending institution, for use in connection with a specific loan secured by an interest in a motor vehicle.

(8) A detective agency licensed under RSA 106-F, or employee of such agency for use in connection with a professional investigation involving a violation of a motor vehicle statute for which compensation is expected.

(9) Any person for any record, provided that the commissioner shall determine in each such case that disclosure of the record is necessary for the public health, safety or welfare. Any such decision shall be in writing and set forth the basis on which it was reached. A copy of the decision shall be mailed to the person whose record was requested.

(b) Such records shall be used only by the persons and for the purposes set forth in RSA 260:14, II and III(a) and shall not be made available by them to any other persons or used or made available for any other purposes.

(c) Any person requesting such records under RSA 260:14, III(a)(1), (2), (3), (6), (7), (8) or (9) shall file a sworn affidavit with the department at such times as the department may require stating the reason for obtaining the records and assuring that the records will be used only for the purposes listed and that the identities of individuals in the records will be protected against further disclosure.

(d) The state shall not be held responsible for any improper use of release of records to any person obtaining such records as provided in RSA 260:14, II and III(a).

IV. Nothing in this section shall prohibit the department from releasing to the public a list of only the names, towns and ages of individuals convicted within the last 3 months of driving while intoxicated under RSA 265:82 or RSA 265:82-a or being an habitual offender under RSA 259:39.

2 Effective Date. This act shall take effect 60 days after its passage.

Rep. Katsakiores spoke in favor.

Adopted.

Report adopted and ordered to third reading

Rep. DePecol wished to be recorded in favor of the floor amendment and the Committee report.

SUSPENSION OF RULES

Reps. Ann Torr and Trombly moved that the Rules be so far suspended as to permit consideration at the present time of **HR 42**, urging the Northeast Ozone Transport Commission to not recommend to the EPA a proposal adopting a low emission vehicle program.

Adopted by the necessary two-thirds.

HR 42, urging the Northeast Ozone Transport Commission to not recommend to the EPA a proposal adopting a low emission vehicle program. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jeb E. Bradley for Environment and Agriculture: This resolution, as amended, urges that the EPA not mandate any regional air quality control measure in the Northeast Ozone Transport Region prior to legislative authorization from each member state. The amendment deletes references to any particular air pollution control strategies. Vote 15-2.

Amendment (4736B)

Amend the title of the resolution by replacing it with the following:

A RESOLUTION

urging the Ozone Transport Commission to not recommend that the EPA mandate an ozone reduction and air quality program without prior legislative authorization from member states.

Amend the resolution by replacing all after the title with the following:

Whereas, New Hampshire is a member of the Ozone Transport Commission (OTC) along with 11 other states and the District of Columbia; and

Whereas, the OTC was established under the Clean Air Act amendments of 1990 to assess ozone problems, evaluate control methods, and develop strategies for implementation; and

Whereas, New Hampshire has already taken a number of stringent steps to improve air quality; and

Whereas, it has not been demonstrated which, if any, additional control measures for New Hampshire are necessary for the state to achieve attainment of the national ambient ozone standards; and

Whereas, state specific and regional technical analysis is necessary to determine which strategies will provide the most cost effective reduction in ozone and air quality improvements; and

Whereas the OTC may recommend and the Environmental Protection Agency (EPA) require region-wide mandates without legislative approval from member states; now, therefore, be it Resolved by the House of Representatives:

That the OTC not recommend that the EPA mandate a region wide control program without prior legislative authorization from each member state; and

That the EPA hold one or more public hearings in New Hampshire in conjunction with the general court prior to ruling on any recommendations from the OTC; and

That copies of this resolution signed by the speaker of the house be forwarded by the house clerk to the OTC, to each member of the New Hampshire congressional delegation, the director of the EPA, the governor, and senate president.

AMENDED ANALYSIS

This house resolution urges the Ozone Transport Commission to not recommend that the EPA mandate an ozone reduction and improved air quality program without prior legislative authorization from each member state.

Rep. Jeb Bradley spoke in favor.

Adopted.

Report adopted and ordered to third reading.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 1271-FN, eliminating southbound tolls at exits 10, 11 and 12 on the Everett turnpike, was removed at the request of Rep. Greenberg.

Consent Calendar adopted.

HB 1118, eliminating the requirement that the annual cost per patient rate for patients at the New Hampshire hospital or Glencliff home for the elderly be determined in accordance with the administrative procedure act. **OUGHT TO PASS**

Rep. Paul I. LaMott for Appropriations: This is a housekeeping measure that eliminates the need to go to Administrative Rules to have the audited rates implemented. This has already been done at the New Hampshire State Hospital and Laconia. Vote 17-0.

HB 1179, relative to the information required in agency requests for appropriations during the budget preparation process. **OUGHT TO PASS WITH AMENDMENT**

Rep. Channing T. Brown for Appropriations: Passage of this bill will place workers' compensation and unemployment expenditures into the budget process. It would require agencies to submit their requirements as part of their budget request. Vote 17-0.

Amendment (4668B)

Amend the bill by replacing section 1 with the following:

1 Information Required in Requests for Appropriations. Amend RSA 9:4 to read as follows:

9:4 Requests for Appropriations and Statement of Objectives. On or before October 1 prior to each biennial legislative session, all departments of the state shall transmit to the commissioner of administrative services, on blanks to be furnished by him, estimates of their expenditure requirements for each fiscal year of the ensuing biennium for administration, operation and maintenance, *including costs for workers' compensation and unemployment compensation*. [In addition, all departments of the state which shall be subject to legislative review under RSA 17-G during the next regular legislative session shall submit a detailed statement of their program goals and objectives during the next 6 fiscal years.] In case of the failure of any department to submit such estimates [or statements] within the time above specified, the commissioner of administrative services shall cause to be prepared such estimates [or statements] for such department as in his opinion are reasonable and proper.

AMENDED ANALYSIS

This bill amends the expenditure estimate which each state agency must submit to administrative services as part of the budget preparation process to include estimates of its expenditure requirements for workers' compensation and unemployment compensation costs for each fiscal year of the upcoming biennium.

The bill also deletes a reference to RSA 17-G which was repealed in 1987, and deletes the requirement that all state departments shall submit statements of their program goals and objectives as part of the budget preparation process.

HB 1333, requiring any municipality borrowing from the state water pollution control revolving loan fund program to provide the department of environmental services with evidence of its ability to repay the loan. **INEXPEDIENT TO LEGISLATE**

Rep. Merle W. Schotanus for Appropriations: This bill addresses an unfortunate funding problem for one municipality attempting to resolve the issue of payment for a water pollution control project. The requirements of this bill are, in practice, already part of state procedures for approving Water Pollution Control Revolving Fund loan requests, and it is, therefore, not needed. Vote 17-0.

CACR 30, relating to executive council members' compensation. Providing that each member of the executive council shall receive \$200 for the term elected, and shall receive the usual legislative mileage allowance for actual daily attendance at council meetings. **INEXPEDIENT TO LEGISLATE**

Rep. Gary R. Gilmore for Constitutional and Statutory Revision: The committee felt the duties of the executive councilors are such that they deserve greater compensation and that this amendment would necessitate an unwelcome change in our constitution. Vote 13-0.

CACR 31, relating to the appointment of county attorneys by the governor. Providing that beginning in 1997, county attorneys shall be appointed by the governor instead of elected, and shall serve under the direction of the attorney general. **INEXPEDIENT TO LEGISLATE**

Rep. Calvin Warburton for Constitutional and Statutory Revision: The County Attorney is a member of the County Administration. The committee felt that it is wrong to take the vote away from the electorate. Vote 13-0.

HB 1188, increasing the penalty for killing a police dog or police horse. **OUGHT TO PASS WITH AMENDMENT**

Rep. Dana S. Hilliard for Corrections and Criminal Justice: After hearing lengthy testimony, the committee believes that the bill as amended would serve as a useful tool insuring that the unprotected members of a police force, "the police dogs and horses," would now be protected within our Judicial system. The amendment changes the penalty to a Class B Felony. Vote 12-0.

Amendment (4672B)

Amend RSA 644:8-d, II as inserted by section 1 of the bill by replacing it with the following:

II. Whoever willfully causes the death of a dog or horse owned or employed by or on behalf of a law enforcement agency shall be guilty of a class B felony.

HB 1218-FN-L, establishing maximum class sizes as currently specified in rules of the state board of education. **INEXPEDIENT TO LEGISLATE**

Rep. Suzan L. R. Franks for Education: Public school class size determination comes under the jurisdiction of the N.H. State Board of Education. Therefore, the committee supports the N.H. State Board of Education and its authority to make decisions on maximum class size and recommends unanimously that no legislative action is required. Vote 14-0.

HB 1499-FN, establishing a maximum class size of 20 students per teacher for all grade levels in the public schools. **INEXPEDIENT TO LEGISLATE**

Rep. Robert McKinley for Education: Class size and state minimum standards are presently the responsibility of the State Board of Education and it would be inappropriate to override its authority by passage of this bill. Vote 15-0.

HB 1276, establishing a quality management council for state government. **INEXPEDIENT TO LEGISLATE**

Rep. J. Gregory McGrath for Executive Departments and Administration: The committee reported the bill out as Inexpedient to Legislate at the request of the sponsor. Vote 12-0.

HB 1158, relative to the state's policy regarding the review and assessment of new health services. **OUGHT TO PASS**

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: The committee unanimously supported the change of one word — "competition" to "collaboration" — in the state's policy regarding review and assessment of new health services. This is in keeping with changes in addressing health care in New Hampshire. Vote 13-0.

HB 1235, requiring an HIV test upon a third or subsequent conviction of prostitution. **INEXPEDIENT TO LEGISLATE**

Rep. Michael Morello for Health, Human Services and Elderly Affairs: Requiring convicted prostitutes to submit to an HIV test will not lessen the HIV problem because of confidentiality laws. Vote 13-0

HB 1249, relative to reporting diseases which may threaten the integrity of the blood supply. **INEXPEDIENT TO LEGISLATE**

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: The sponsor of this bill requested the committee recommend this legislation Inexpedient to Legislate since the intent of the bill is more effectively handled in SB 576. Vote 13-0.

HB 1445-FN-LOCAL, relative to patients requiring long-term care. **INEXPEDIENT TO LEGISLATE**

Rep. Alson W. Brown for Health, Human Services and Elderly Affairs: The unanimous vote was primarily because long-term care providers are doing an excellent job of notifying patients and relatives of the number of Medicaid-certified beds available in the facility. Patients are not turned away from facilities although personal funds become exhausted. Vote 13-0.

HCR 20, providing that long-term care services in New Hampshire be based on a philosophy that is family-centered, supports and empowers the individual, is community-based, and prioritizes the least restrictive alternatives. **OUGHT TO PASS**

Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs: HCR 20 received the unanimous support of the Committee. Vote 14-0.

HB 1163, relative to state immunity on land opened for recreational uses. **INEXPEDIENT TO LEGISLATE**

Rep. Edward M. Gordon for Judiciary: The committee found no compelling reason to exempt the state from liability for tortuous acts on publicly owned lands. The evidence did not support a need to deprive citizens of a right to remedy where the state has committed a negligent act. Vote 9-2.

HB 1164, requiring a hearing and determination of dangerousness before a person found incompetent to stand trial may be ordered to remain in custody. **OUGHT TO PASS**

Rep. Robert A. Lockwood for Judiciary: HB 1164 is a procedural due-process issue which could call for a hearing on dangerousness, after which if the individual is declared to be dangerous to self or others, he could be detained in the state mental health services system. Vote 14-0.

HB 1291, limiting the jurisdiction over estates and guardianships by the probate courts. **INEXPEDIENT TO LEGISLATE**

Rep. Edward M. Gordon for Judiciary: This bill would change the way jurisdiction is determined in matters involving guardianships and estate administration. The committee received no evidence warranting a change in the current law. Vote 14-0.

HB 1383-L, relative to the disclosure of the financial status of towns and school and village districts and providing a method for deficit reduction. **OUGHT TO PASS**

Rep. Joseph E. Stone for Municipal and County Government: This bill is the product of the Legislative Study Committee established by Chapter 152 Law of 1992. Theoretically, no municipality should be operating in a deficit and our laws do not provide any means of addressing a deficit. However, actual revenues received could be less than the anticipated revenue creating a deficit. This bill allows the town, school district or village district to appropriate funds to reduce a general budget deficit. It also requires the governing bodies of town, school districts and village districts to publish in the annual report, or post at annual meeting, the general fund balance. Vote 13-0.

HB 1450-L, permitting municipalities to expand the information contained on property tax bills and to include other bills and mailings with property tax bills. **OUGHT TO PASS**

Rep. Richard Noyes for Municipal and County Government: This enabling provision, which had no opposition in public hearing, would give the governing body of a town or city the option of making the most of postage dollars already spent. Vote 13-0.

HB 1430, repealing the annual commemorative rifle or shotgun lottery. **OUGHT TO PASS**

Rep. George R. Rubin for Public Protection and Veterans Affairs: The committee heard testimony from a representative of the Fish and Game Department. The "Lottery", as originally proposed, has an enormous cost and pits the Department of Fish and Game against other private organizations who use similar commissioned firearms as fund raisers. The administrative cost was estimated at \$30,000 plus, with an estimated return of \$18,000. The math tells the story. Ought to Pass was supported unanimously. Vote 13-0.

HB 1102, requiring all buildings built by public funds to have pitched roofs of at least 10 degrees. **INEXPEDIENT TO LEGISLATE**

Rep. Fredrik Peyron for Public Works: The Committee was in agreement with the idea of pitched roofs wherever possible. However, it may not be feasible at all times. An architect from the Department of Transportation, Mr. Paul Hedstrom, testified it is preferred if practical, and the Committee urges the construction of pitched roofs whenever possible. Vote 14-0.

HB 1197-FN, transferring the responsibility for public rest areas from the department of transportation to the office of vacation travel. **INEXPEDIENT TO LEGISLATE**

Rep. Fredrik Peyron for Public Works: Testimony from the Department of Resources and Economic Development and the Department of Transportation indicated both departments work very well together on this issue, and legislation was not necessary. Lack of funds has, in the past, hampered staffing rest areas fully. The Committee urges DRED to move ahead with added staffing, other tourist related information, and training for the rest area personnel. Vote 14-0.

HB 1217-FN-LOCAL, relative to the apportionment of cost of bridge maintenance between municipalities and relative to the carrying capacity of bridges. **OUGHT TO PASS**

Rep. Sandra B. Keans for Public Works: If enacted, HB 1217 would require all municipal bridges constructed with state funds to meet legal carrying capacity. Any bridges presently at a 15-ton limit would be allowed to remain at that limit if rehabilitation work is done. The bill also allows one town or city to pay the total municipal share of bridge work should a bridge connect two municipalities, and one town does not wish to contribute to the program. Vote 13-0.

HB 1273-FN, prohibiting the department of transportation from rejecting a competitive bid for a capital project because the bid includes the use of recycled rubber for paving material. **INEXPEDIENT TO LEGISLATE**

Rep. Sandra B. Keans for Public Works: The Committee is in total agreement with the intent of this legislation to remove old tires from the landscape. However, the way to do this is to create a demand for their use. This legislation addresses only the statutes dealing with competitive bidding. Both the federal government and the state Department of Transportation have experiments on-going in an attempt to determine the quantity and composition of rubber that can be used in the making of asphalt. The current Intermodal Surface Transportation Efficiency Act (ISTEA) already has requirements for use of tires. Vote 12-0.

HB 1446-FN, requiring the state to accept the Union Leader building and authorizing the commissioner of administrative services to determine its best use. **INEXPEDIENT TO LEGISLATE**

Rep. Fredrik Peyron for Public Works: The prime sponsor testified that this bill was no longer needed, as the state is already moving ahead to take ownership of the Union Leader building and establish the Manchester District Court at that location. Vote 13-0.

HB 1460-FN, naming a portion of New Hampshire route 28 in Wolfeboro the Gary Parker Memorial Highway and naming a portion of New Hampshire route 25 in Rumney the Joseph Gearity Memorial Highway. **INEXPEDIENT TO LEGISLATE**

Rep. Katherine D. Rogers for Public Works: HB 1460-FN would honor two state troopers killed in the line of duty in a tragic accident. While the Committee wishes to honor the officers, we believe a better method is the proposed Law Enforcement Memorial (HB 1231). The bill's prime sponsor and members of one officer's family have agreed to honor the officers in this method. Vote 13-0.

HB 1399, relative to the road toll on users of special fuel. **OUGHT TO PASS**

Rep. George N. Katsakiores for Transportation: This is a housekeeping bill that changes all reference of "director" to "commissioner" in certain sections of Revised Statutes Annotated 260, relative to road tolls, as well as changing the gross weight requirements for pleasure vehicles registered in another state from less than 10,000 pounds to 10,000 pounds or less for purposes of exemption from the requirement for a special fuel user's license. Vote 15-0.

HB 1136, repealing the requirement that hunters expose the carcass of deer. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles H. Felch, Sr. for Wildlife and Marine Resources: The committee felt that HB 1136 should pass as all testimony was unanimously in favor of the bill and the Fish and Game Department supported it. Vote 15-0.

Amendment (4628B)

Amend the bill by replacing section 3 with the following:
3 Effective Date. This act shall take effect upon its passage.

HB 1137, permitting the use of arrows without the name and address of the owner. **INEXPEDIENT TO LEGISLATE**

Rep. Paul A. McGuirk for Wildlife and Marine Resources: Placing of an archer's name on his arrows is now promulgated by rules. The Fish and Game Department has agreed to review the rule and make necessary changes that are acceptable to all concerned. Legislation to accomplish this change is, therefore, unnecessary. Vote 12-0.

HB 1144-FN, permitting the executive director of fish and game to issue a special deer license to allow the taking of one additional deer and relative to the license fee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles H. Felch, Sr. for Wildlife and Marine Resources: The Committee felt that HB 1144 is a tool for Fish and Game to better manage the size of the deer herd in any Wildlife Management Unit. Vote 15-0.

Amendment (4557B)

Amend the bill by replacing section 4 with the following:
4 Effective Date. This act shall take effect upon its passage.

HB 1221-L, prohibiting the taking of game on Sundays and enabling a municipality to adopt ordinances relative to certain hunting practices in its community. **INEXPEDIENT TO LEGISLATE**

Rep. Linda J. Smith for Wildlife and Marine Resources: The Committee appreciates the concerns of the land owners. However, the loss of revenue to the hospitality industry makes this bill prohibitive. In addition, precluding the taking of game on Sundays would, in effect, cut in half the hunting season for the working man and woman. Vote 13-0.

HB 1282, allowing coyote hunting at night. **OUGHT TO PASS WITH AMENDMENT**

Rep. Henry M. Coulombe for Wildlife and Marine Resources: The committee voted to pass HB 1282 to perhaps reduce the coyote population. Consequently, it should lower the predation costs to the livestock of New Hampshire. This bill was backed by Farm Bureau of New Hampshire and other farm organizations. Vote 12-0.

Amendment (4635B)

Amend RSA 208:1-e as inserted by section 2 of the bill by replacing it with the following:
208:1-e Coyote Hunting at Night. No person shall hunt or take any coyote between the hours of 1/2 hour after sunset and 1/2 hour before sunrise, except by trap in accordance with the provisions of this title, without first obtaining a valid license for such activities from the department of fish and game. The executive director of fish and game, with the consent of the commission, may establish, by rules adopted under RSA 541-A, a night hunting season for coyote. Such rules shall include, but not be limited to, the mode by which coyote may be taken, the length of the season, requirements for landowner permission, requirements for

reporting by hunters, sex limitations, and total take in one year. A person hunting coyotes at night shall be in possession of an electronic, hand-held or mouth operated predator calling device.

REGULAR CALENDAR

HB 1278-FN-A, making an appropriation to fund the position of state curator. **OUGHT TO PASS**

Rep. Franklin G. Torr for Appropriations: This bill re-establishes the position of state curator in the Department of Cultural Affairs. The position is responsible for the identification, evaluation, protection and interpretation of state-owned objects of historical significance. Vote 11-6.

Adopted and ordered to third reading.

HB 1516-FN-A, transferring duties and powers with respect to the law library from the state library to the supreme court, and transferring a judicial branch position in the law library to the state library and making an appropriation therefor. **OUGHT TO PASS**

Rep. Charles L. Vaughn for Appropriations: This bill transfers certain duties and powers from the state library to the Supreme Court and moves a judicial branch position in the law library to the state library for the purpose of indexing legislative documents. The bill appropriates \$10,893 in FY 1994 and \$39,580 in FY 1995 to the state library for the purposes of this act. In addition, a revolving fund is established from sales receipts, fees and fines, and grants for the law library expended with the approval of the Supreme Court. Vote 12-5.

Adopted and ordered to third reading.

CACR 26, relating to amending the New Hampshire constitution to provide that registers of probate be appointed instead of elected. Providing that registers of probate shall be appointed instead of elected. **INEXPEDIENT TO LEGISLATE**

Rep. Randall F. Shaw for Constitutional and Statutory Revision: It was the consensus of the committee that the probate system was working well, and the current elective process should not be changed. Vote 11-2.

Adopted.

CACR 33, relating to returning annual legislative sessions to biennial legislative sessions. Providing that the general court shall meet biennially. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Roland E. Hemon for the Majority of Constitutional and Statutory Revision: The majority of the committee has observed that public interest and concern in biennial sessions has been consistently declining. At the last hearing, only one person came to testify for biennial sessions, the sponsor. The people's business in the judiciary and executive continues constantly, and this must be balanced by legislative scrutiny. Every election, about 1/3 of the legislators are replaced, and the productivity of the freshman legislators would be seriously circumscribed and less effective as a result of biennial sessions. Recent balloting by the people has supported annual sessions by at least 60 percent of the vote. Vote 8-5.

Rep. Randall F. Shaw for the Minority of Constitutional and Statutory Revision: The people have not had the opportunity to vote on this issue since they approved annual sessions. In each session since then, the legislature has refused to give them this opportunity. The minority strongly disagrees with Inexpedient to Legislate and urges this constitutional amendment be passed to give the people of our state another opportunity to vote on biennial sessions.

Rep. Shaw moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Pfaff spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Report adopted.

HB 1506-FN-L, relative to the National Voter Registration Act of 1993 and establishing a committee to study voter registration by mail. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. LeRoy S. Dube for the Majority of Constitutional and Statutory Revision: This bill establishes election day registration. It is intended to exempt New Hampshire from the National Voter Registration Act and the large costs and confusion associated with it. The bill includes safeguards against voter fraud while allowing greater numbers of citizens to register and vote at the polling place on election day. The bill also establishes a study committee to fine tune problems that arise with election day registration and to study mail-in registration, especially in respect to disabled and elderly people. Vote 12-1.

Rep. Paula L. Philbrook for the Minority of Constitutional and Statutory Revision: The minority believes that qualified voters are entitled to every opportunity to register as fully provided in the National Voter Registration Act — mail-in registration and registration in state agencies. The bill as written will not fully implement the Act but takes advantage of a loophole. The National Act is a comprehensive bill which attempts to open up the democratic process to more people. As such, it should be fully implemented in its entirety. This report is written with the intent to raise awareness of the necessity for full implementation of the National Voter Registration Act. The minority hopes to encourage the study committee to expediently develop and implement a plan to give the voting public every opportunity to register.

Amendment (4660B)

Amend the bill by replacing all after section 1 with the following:

2 New Sections; Election Day Registration. Amend RSA 654 by inserting after section 7 the following new sections:

654:7-a Registering at the Polling Place; Election Day Registration.

I. The provisions of this section and those of RSA 654:7-b shall be used as an additional procedure for voter registration. A person who registers to vote on election day according to the provisions of this section shall also be required to complete the voter registration card provided for in RSA 654:7. The provisions of this section and those of RSA 654:7-b shall apply notwithstanding any provision of RSA 654 to the contrary.

II. Any person whose name is not on the checklist but who is otherwise a qualified voter shall be entitled to vote by requesting to be registered to vote at the polling place on election day. The voter may then vote at that election. The applicant may be required to produce appropriate proof of qualifications as provided in RSA 654:12. The applicant shall complete an election day affidavit which shall be prescribed by the secretary of state, and which shall contain the following written oath or affirmation:

"I do hereby certify under penalty of perjury that to the best of my knowledge, I am a qualified voter, and that I am not disqualified on any ground from voting, and I have not voted and will not vote at any other polling place this election.

(signature of applicant)

654:7-b Effect of Registration on Election Day. Any person who registers to vote on election day according to the provisions of RSA 654:7-a shall be registered to vote at all subsequent town, state, and federal elections.

3 Committee Established to Study Voter Registration by Mail. A committee is established to study voter registration by mail as an alternative to in-person voter registration.

4 Membership and Compensation.

I. The members of the committee established in section 3 of this act shall be as follows:

(a) The secretary of state, or designee.

(b) The attorney general, or designee.

(c) Two members of the senate, appointed by the president of the senate, one of whom shall be from the majority party and one of whom shall be from the minority party.

(d) Two members of the house of representatives, appointed by the speaker of the house, one of whom shall be from the majority party and one of whom shall be from a minority party.

(e) One public member appointed by the governor, who shall represent the disabled population.

(f) One public member appointed by the governor, who shall represent citizen participation groups.

(g) One member appointed by the New Hampshire City and Town Clerks' Association.

II. Members of the committee shall not be compensated; however, legislative members shall receive mileage at the legislative rate.

5 Duties.

I. The committee established in section 3 of this act shall have the authority to study all aspects of voter registration by mail as an alternative to in-person voter registration. The study shall include, but shall not be limited to:

(a) An assessment of the usefulness of and necessity for voter registration by mail for the elderly and the physically challenged.

(b) The form of the voter registration card which shall be used for registration by mail.

(c) The distribution, forwarding, processing, and retention of voter registration cards.

(d) A determination of the fiscal impact, if any, upon municipalities resulting from election day registration.

(e) A determination if election day registration should be extended to municipal elections.

II. The committee shall have full power and authority to require from the several state departments, agencies, and officials of the state and the political subdivisions of the state such information and assistance as it may deem necessary.

6 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this act. Five members of the committee shall constitute a quorum.

7 Report. The committee shall report the results of its study, including its findings and recommendations and any proposed legislation to the governor, the senate president, and the speaker of the house of representatives no later than December 1, 1994, for submission in the 1995 legislative session.

8 Application; Election Day Registration. The provisions of section 2 of this act relative to voter registration at polling places on election day, shall be effective retroactively on March 10, 1993, and shall be deemed to have been in effect continuously since March 10, 1993.

9 Application; Special Elections. The provisions of section 2 of this act relative to voter registration at polling places on election day shall not be construed to apply to any special elections for any state office which occurred prior to the effective date of this act.

10 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill permits a person whose name is not on the checklist, but who is otherwise a qualified voter, to vote by requesting to be registered to vote at the polling place on election day. The voter may then vote at that election.

The bill also establishes a committee to study voter registration by mail as an alternative to in-person voter registration. The committee must file its report, together with any proposed legislation, no later than December 1, 1994.

Rep. Gilmore spoke in favor.

Adopted.

Rep. Fuller Clark offered a floor amendment.

Floor Amendment (4779B)

Amend paragraph II of section 1 of the bill by replacing it with the following:

II. The purposes of this act, therefore, are to:

(a) Establish procedures that will increase the number of eligible citizens who vote in elections for state and federal offices.

(b) Protect the integrity of the electoral process.

(c) Ensure that accurate and current voter registration rolls are maintained.

(d) Make it possible for state and local government to enhance voter participation in elections for federal and state office.

Amend the bill by deleting section 8 and renumbering sections 9 and 10 to read as sections 8 and 9.

Rep. Fuller Clark spoke in favor and yielded to questions.

Rep. Holden spoke against.

Rep. Philbrook spoke in favor.

Rep. Gilmore spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the floor amendment.

and the amendment failed.

Report adopted and ordered to third reading.

HB 1296, establishing a committee to examine and introduce legislation consolidating the county departments of corrections with the state department of corrections. **INEXPEDIENT TO LEGISLATE**

Rep. Vivian R. Clark for Corrections and Criminal Justice: The committee feels that the intent of this bill is already being accomplished within the study of projected corrections needs that was commissioned during the 1993 legislative session. The sponsor of this bill was not aware that his concern had already been addressed. Vote 10-2.

Rep. Lozeau yielded to questions.

Adopted.

HB 1335-FN, making the attorney general responsible for payment of witness fees in criminal cases and eliminating certain obsolete provisions regarding witness fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donnalee Lozeau for Corrections and Criminal Justice: This bill changes the statute to conform to the current practice (recommended by the Fiscal Committee) of having the Department of Justice, instead of the courts, pay witness fees. The fiscal note indicates that the bill may reduce state general fund expenditures. The obsolete provisions being repealed are relative to travel allowances on ferries and toll bridges. The amendment makes the bill effective upon passage. Vote 12-0.

Amendment (4615B)

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 1219, requiring that state publications be written and printed in English. **INEXPEDIENT TO LEGISLATE**

Rep. J. Gregory McGrath for Executive Departments and Administration: The majority of the committee felt that this bill tries to solve a problem that does not exist and would impose undue burdens on state agencies that have an occasional need to publish documents in languages other than English. Vote 7-5.

Rep. Weyler moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. McGrath spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

and the motion failed.

Report adopted.

HB 1372, establishing the granite state cultural legacy award. OUGHT TO PASS

Rep. Raymond A. Lundborn for Executive Departments and Administration: The majority of the committee felt that the Granite State Legacy Award sponsored by the New Hampshire Legislature would be a strong recognition of an individual, group or community which has made an outstanding contribution to the promotion of cultural appreciation and achievement within the state. Vote 9-3.

Rep. Kathleen Ward moved to Recommit to Committee.

Adopted.

HB 1153-FN, adopting the revised Uniform Enforcement of Foreign Judgments Act. OUGHT TO PASS

Rep. David Mittelman for Judiciary: The United States Constitution provides for full faith and credit between the states; a state must accept the judgment of another state unless the constitutionality of that decision is challenged. The current New Hampshire law requires the plaintiff to file suit in our courts to enforce a foreign judgment. This bill allows the plaintiff to register the judgment rather than initiate a lawsuit. However, the debtor does not lose any rights under this bill; if the debtor objects to the judgment for constitutional reasons, the debtor is still entitled to a hearing. Therefore, this bill expedites the current procedure without affecting the debtor's rights. Vote 13-2.

Adopted.

HB 1166, relative to minutes and decisions of nonpublic sessions under the right to know law. INEXPEDIENT TO LEGISLATE

Rep. David Mittelman for Judiciary: This bill would double the amount of time in which minutes of non-public sessions must be made available to the public. The committee feels that the current length of time for disclosure, 72 hours, reasonably balances the needs of government officials with the public's right to know. Vote 14-1.

Adopted.

HB 1176-FN, requiring a writ of habeas corpus to be filed in the superior court of the county in which the person is incarcerated. OUGHT TO PASS

Rep. Edward M. Gordon for Judiciary: The committee found that holding habeas corpus hearings in the county of incarceration would not prejudice the rights of defendants. However, holding such hearings in the county of incarceration may result in substantial transportation savings to the counties and may improve the ability of courts to schedule times. Vote 9-4.

Adopted.

HB 1200-FN, relative to compensation paid for property taken by eminent domain in New Hampshire. REFER FOR INTERIM STUDY

Rep. Benjamin J. DePecol for Judiciary: The majority of the committee believes that this is a very complicated issue with far-reaching ramifications. The Committee would like time to study all aspects of the issue. Vote 11-3.

Adopted.

HR 46, urging that impeachment proceedings be instituted against Strafford county probate judge Gary R. Cassavechia. INEXPEDIENT TO LEGISLATE

Reps. Lown, Lockwood, Woods, Gilbreth, Record, Battles, Allison, Mock, E. Moore, Murphy, Wall, Newman, DePecol, Mittelman, DiPietro, Rothhaus and Gordon for Judiciary: After receiving extensive testimony, the Committee found no evidence that Judge Cassavechia had committed any act constituting corruption, malpractice or maladministration of office. Therefore, the Committee determined that there is no basis for initiating impeachment proceedings. Vote 17-0.

Rep. Hemon moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Healy spoke against.

Rep. Gordon requested a quorum count. The Speaker declared a quorum present.

Rep. Gordon spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

REMARKS

Rep. Copenhagen moved that the remarks of Rep. Gordon be printed in the Journal.

Adopted.

Thank you Mr. Speaker and members of the House. I would like to begin by thanking and recognizing the senior Representative in the House, Representative Healy for his endorsement of the Committee report.

I speak in opposition, on behalf of the Committee, to the substitute motion of Ought to Pass. House Resolution 46 is an important matter to be considered by the House as the Speaker stated earlier. It calls upon the House to take an important action — to find if impeachment proceedings should be initiated against a public official, Gary R. Cassavechia. Mr. Cassavechia is an appointed probate judge sitting in the county of Strafford.

The House Judiciary Committee heard extensive and spirited testimony from both Rep. Hemon, the sponsor of the bill and also from a representative of the Probate Court system. Judge Cassavechia could not appear on his own behalf because the allegation made against him involves an ongoing case in his court. There were other people who testified, although I would classify their testimony as indirect as to the allegation that has been made by Rep. Hemon.

The Judiciary Committee in considering House Resolution 46, decided to cut through the rhetoric and emotions and evaluate it objectively on the merits. In order to report to this legislature that this measure was acceptable for passage, the Committee would have to find that Judge Cassavechia engaged in acts constituting corruption, malpractice or maladministration of office and that is the standard that Rep. Hemon correctly set forth which is found in Part II, article 38 of the New Hampshire Constitution.

On considering the testimony and evidence presented, even viewing that evidence in a light most favorable to Rep. Hemon, the Committee found no evidence that Gary R. Cassavechia engaged in any conduct amounting to corruption, malpractice or maladministration of office.

The specific allegation set forth by Rep. Hemon arises from a legal dispute involving the custody and the estate of his late mother. These proceedings have been going on for nearly 10 years. After these proceedings produced a result which was unfavorable to Rep. Hemon, he asked the Judge to declare the proceedings void and the reason they were void was because the Court lacked jurisdiction to have held the proceedings in the first place. He claimed that his mother was actually a resident of Maine. Although she had spent some time living with him in Dover, her actual residence was in fact in Maine. Therefore, the Court never had jurisdiction and these proceedings should be void. Judge Cassavechia ruled that the Court did have jurisdiction. That is the sole substantive issue which the Committee dealt with. It is the sole allegation against Judge Cassavechia in calling for this impeachment.

In evaluating the claim the Committee considered the statutory law. We had a bill coincidentally that came in at the same time that asked us to reconsider the residency requirement. But after reviewing the statute, it was the Committee's considered opinion that Judge Cassavechia couldn't be found to be in error in declaring that that person was a resident. Furthermore, and perhaps the most compelling evidence the Committee received were pleadings that were submitted by Rep. Hemon himself. In those pleadings he stated that his mother had lived in Dover with him for nearly two years at the time the proceedings were initiated. He specifically acknowledged at that time that the Court had jurisdiction.

In conclusion, the Committee found no credible evidence that would justify impeachment proceedings against Gary R. Cassavechia. As you will note, the Committee voted 17 to 0. I think we can count on an 18th vote at this point in time, inexpedient to legislate. The Committee members felt so strongly about their recommendation that each and every Committee member wanted to have his and her name added to the report which you find in your Calendar.

On a personal note, I don't know Judge Cassavechia. I have never appeared in his Court. If he walked through the door now as I am speaking I would not recognize him. But, I do know him by reputation. I know him by reputation to be a competent and conscientious Probate Judge.

In the testimony before our Committee, it was made known to us that Judge Cassavechia, as you might expect, is very concerned about this bill and rightly so. I think you can understand his concern. The allegations that have been made against him, he feels, have a potential to taint his reputation and to diminish his esteem in the eyes of the public. I hope that through our vote today we will send a strong message to Judge Cassavechia, and the public in general, which I think is important, that this House will not be used to sully the good name of a conscientious public official.

I urge you to vote no on the substitute motion of ought to pass. Thank you very much. Thank you Mr. Speaker.

REGULAR CALENDAR (Cont'd.)

HB 1579-FN-A-L, relative to safety and managed care under the workers' compensation law and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert H. Turner for Labor, Industrial and Rehabilitative Services: This bill: (1) Requires workers' compensation managed care programs to include injury management facilitators and requires the commissioner of labor to continually review such programs. (2) Requires an employer to develop temporary alternative work opportunities for injured employees. (3) Requires reinstatement of an injured employee to such employee's former position under certain conditions. (4) Changes the weekly compensation for temporary total disability, permanent total disability, and temporary partial and permanent partial disability and changes the weekly compensation and the maximum amount of weeks for permanent partial disability and temporary partial disability. (5) Requires at least 12 months of continuous disability or a special determination by the labor commissioner before a lump sum agreement can be approved. (6) Requires health care providers who conduct independent medical examinations to be board certified in their area of specialty. Under normal circumstances, examinations

would have to be provided within a 50-mile radius of the employee's residence. (7) Adds a time limitation for petitioning for a hearing under the workers' compensation chapter. (8) Requires the commissioner to include certain safety data in the report due on October 1 of each odd-numbered year. (9) Requires employers with five or more employees to establish joint loss management committees relative to safety in the workplace. (10) Imposes administrative penalties for noncompliance with the provisions of the law relative to workplace safety. (11) Creates a safety incentive program for employers insured in the residual market who have annual workers' compensation insurance premiums of \$2,500 or more. A loss management consultant panel would be responsible for the certification of loss management consultants. (12) Establishes new positions in the department of labor related to employee safety. The Fiscal Note calls for state expenditures of \$228,157 in FY95 and \$184,033 in FY96. Vote 13-0.

Amendment (4613B)

Amend the bill by replacing section 28 with the following:
28 Effective Date.

I. RSA 281-A:64, III as inserted by section 19 of this act shall take effect July 1, 1994.

II. The remainder of this act shall take effect upon its passage.

Reps. Hawkins and Turner yielded to questions.

Adopted.

Report adopted and referred to Appropriations.

HB 1119, authorizing the expenditure of funds already appropriated for the relocation of the day care center on the New Hampshire hospital campus. **OUGHT TO PASS**

Rep. John Cloutier for Public Works: Testimony indicated there were health concerns at the present site of the state day care center, and a move seems to be warranted. Although the Committee felt the move was important due to health considerations involving children, it generally is not supportive of unexpended balances from previously approved capital projects without going through the capital budget process. Vote 13-1.

Adopted and ordered to third reading.

HB 1141-FN-A, eliminating cigarette stamps. **OUGHT TO PASS**

Rep. Alphonse O. Plourde for Ways and Means: saves the Department of Revenue Administration approximately \$600,000 per year. New Hampshire would be the only state east of Michigan without tax stamps, and therefore, would not create an increased problem with contraband cigarettes coming into New Hampshire. Vote 16-0.

Adopted and ordered to third reading.

HB 1271-FN, eliminating southbound tolls at exits 10, 11 and 12 on the Everett turnpike. **INEXPEDIENT TO LEGISLATE**

Rep. Fredrik Peyron for Public Works: The dramatic loss of revenue estimated at \$1.1 million, plus an \$800,000 expense to remove the barriers makes this measure very difficult to support. It is very difficult to make small changes in the revenue stream of the turnpike division without significant impacts to local traffic and payment of the revenue bonds. The Committee will be hearing other turnpike and toll measures including a bill supporting a study of the overall system. Further action can be taken at that time. Vote 15-0.

Rep. Greenberg moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Gene Chandler spoke against.

Roll call request not sufficiently seconded.

On a division vote, 43 members having voted in the affirmative and 300 in the negative the motion failed.

Report adopted.

REVENUE ESTIMATES

Rep. Barbara Arnold presented the Revenue Estimates and yielded to questions.

Consent Calendar adopted.

HB 414-FN-L, providing a 3.5 percent cost of living adjustment for permanent firemen members of the retirement system. **OUGHT TO PASS**

Rep. Franklin G. Torr for Appropriations: This bill provides a 3.5% COLA to all group II permanent firemen beneficiaries of the New Hampshire Retirement System, or of its predecessor systems, who retired on or before January 1, 1992. The actuary states that the bill is funded from the firemen component of the special account. The cost to terminally fund is \$2.3 million. Vote 19-0.

HB 1543-FN-A, providing that interest from youth development center resident trust accounts be continually appropriated and used for the benefit of the residents and changing the name of the bureau of secure care. **OUGHT TO PASS WITH AMENDMENT**

Rep. Mary Jane Wallner for Appropriations: The amendment guarantees the interest in the residents' pooled account will be the property of the individual residents. Interest accrued before July 1, 1994 will be expended for the benefit of the residents. Vote 19-0.

Amendment (4759B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to interest from youth development center resident trust accounts,
allowing the administrator to establish other accounts, and
changing the title of the "bureau of secure care"
to the "bureau of residential services."

Amend the bill by replacing sections 1 and 2 with the following:

1 Residents' Accounts Interest; Appropriated to Division; Expended to Benefit Residents.
Amend RSA 621:30, II and III to read as follows:

II.(a) [The residents' personal accounts] *Except as provided in subparagraph II(b), the personal funds of residents in their possession while at the center shall be transferred to and held in trust by the administrator of the bureau of [secure care] residential services [for individual residents and shall be] in a pooled account kept in approved facilities in accordance with the manual of procedures of the department of administrative services. Notwithstanding RSA 6:11 or any other provision of law, any interest on such pooled account:*

(1) Accrued prior to July 1, 1994, shall be appropriated to the division and shall be expended only for the direct benefit of the residents.

(2) Accruing after July 1, 1994, shall be the property of the individual residents as determined by the administrator of the bureau of residential services.

(b) Residents who receive social security benefits or veterans administration benefits [or], who are receiving regular income from sources other than the resident's own labor, *or whose personal funds in their possession while at the center total more than \$200*, shall have individual bank accounts established, to be administered for the residents by the administrator of the bureau of [secure care] *residential services. Notwithstanding RSA 6:11 or any other provision of law, the interest accrued or accruing on such individual accounts shall be the property of the individual resident.*

III. The special projects fund shall consist of moneys from gifts, bequests, and miscellaneous contributions and shall be administered by the administrator of the bureau of [secure

care] *residential services* for the direct benefit of residents or in accordance with donor instructions. *Notwithstanding RSA 6:11 or any other provision of law and unless otherwise prohibited by donor instructions, any interest accrued or accruing on the special project fund shall be continually appropriated to the division and shall be expended only for the direct benefit of the residents.*

2 New Paragraph; Other Accounts May Be Established. Amend RSA 621:30 by inserting after paragraph IV the following new paragraph:

V. In addition to the accounts described in paragraphs II and III of this section, the administrator of the bureau of residential services may establish such other accounts for the deposit of residents' personal funds, proceeds of program activities, donations, and other miscellaneous contributions or moneys as are necessary to meet the needs of the center. Such accounts shall be kept in approved facilities in accordance with the manual of procedures of the department of administrative services. Notwithstanding RSA 6:11 or any other provision of law, any interest accrued or accruing on such accounts shall be continually appropriated to the division and shall be expended only for the direct benefit of the residents, except that the interest accrued or accruing on such accounts established with the personal funds of residents shall be the property of the individual residents as determined by the administrator of the bureau of residential services.

AMENDED ANALYSIS

This bill provides that interest which has accrued on youth development center residents' personal accounts prior to July 1, 1994, shall be appropriated to the division and expended for the direct benefit of the residents, and that interest accruing after July 1, 1994, shall be the property of the individual residents.

It also allows the administrator of the bureau of residential services to establish other accounts for the deposit of residents' funds, proceeds from program activities, donations, and other miscellaneous contributions or moneys, and any interest from such accounts shall be continually appropriated to the division and expended for the direct benefit of the residents.

The title of the "bureau of secure care" is changed to the "bureau of residential services" throughout the statutes.

HB 1114, relative to child support enforcement orders. OUGHT TO PASS WITH AMENDMENT

Rep. Carol Moore for Children, Youth and Juvenile Justice: This bill requires obligors to keep the Division of Children, Youth and Families informed regarding employer and health insurance information. Vote 13-0.

Amendment (4590B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Obligor Required to Notify Division Regarding Employer and Health Insurance. Amend RSA 161-B:7 by inserting after paragraph III the following new paragraph:

IV. All support orders issued or modified in cases that are payable through the division shall contain a provision requiring the obligor to keep the division informed of the name and address of the obligor's employer and whether the obligor has access to health insurance, and, if so, the health insurance policy information.

2 New Paragraph; Obligor Required to Notify Division Regarding Employer and Health Insurance. Amend RSA 458:17 by inserting after paragraph XI the following new paragraph:

XII. All support orders issued or modified in cases that are payable through the division shall contain a provision requiring the obligor to keep the division informed of the name and address of the obligor's employer and whether the obligor has access to health insurance, and, if so, the health insurance policy information.

3 Effective Date. This act shall take effect January 1, 1995.

HB 1131, making all cases or court records of the division for children and youth services open to the public. INEXPEDIENT TO LEGISLATE

Rep. Deborah L. Woods for Children, Youth and Juvenile Justice: The committee vehemently opposes this bill which would give public access to all DCYS records. Such access, no doubt,

would cause harm to children, families, and alleged abusers. SB 210, which took effect September, 1993, gives access to certain DCYS records and the committee feels this is adequate. Vote 16-0.

HB 1147-FN, relative to parental liability for support of dependent children on public assistance. **OUGHT TO PASS WITH AMENDMENT**

Rep. Josephine Mayhew for Children, Youth and Juvenile Justice: This bill limits a parent's liability for support debt to an amount equal to the amount of the weekly child support obligation, multiplied by the total number of weeks during which public assistance was paid or the amount of public assistance paid, whichever is less. Vote 16-0.

Amendment (4589B)

Amend the bill by replacing all after the enacting clause with the following:

I Creation of Support Debt. RSA 161-C:4, I is repealed and reenacted to read as follows:

I. Any payment of public assistance made to or for the benefit of a dependent child creates a debt due and owing to the division by any responsible parent. Except as otherwise provided in RSA 161-C:5, the amount of the debt shall be equal to the calculation of a weekly child support obligation derived in accordance with RSA 458-C:3 as applied to the responsible parent's current income, multiplied by the number of weeks that public assistance was paid or the total amount of public assistance that was paid, whichever is less.

2 Limitation of Debt. Amend RSA 161-C:5, I to read as follows:

I.(a) A debt shall not be incurred under RSA 161-C:4 by any responsible parent while that parent receives public assistance [for the benefit of any of his or her dependent children.] *pursuant to RSA 167 under any of the following programs:*

(1) Aid to the permanently and totally disabled.

(2) Aid to the needy blind.

(3) Aid to families with dependent children.

(4) Old age assistance.

(5) Pursuant to Title XVI of the Social Security Act under the supplemental security income program.

(b) A debt previously incurred under RSA 161-C:4 shall not be collected from any responsible parent while that parent receives public assistance [for the benefit of any of his or her dependent children] *through any of the programs listed in RSA 161-C:5, I(a).*

3 Limitation of Debt. RSA 161-C:5, II is repealed and reenacted to read as follows:

II. Upon entry of a legal order for support obligating a responsible parent to pay child support for the benefit of his or her dependent children for whom public assistance is paid, and for so long as such legal order for support remains in effect, the responsible parent shall not be responsible for additional public assistance payments.

4 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill limits a parent's liability for support debt to an amount equal to the amount of the weekly child support obligation multiplied by the total number of weeks during which public assistance was paid or the amount of public assistance paid, whichever is less.

This bill also prohibits a parent from incurring support debt under RSA 161-C:4 while that parent is receiving public assistance.

This bill is a request of the office of child support, department of health and human services.

HB 1530-FN, relative to the child protection act and providing protection from informers. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah P. McIlwaine for Children, Youth and Juvenile Justice: This bill misunderstands the definition of "reporter" ("informer" in preamble). All New Hampshire adults are mandated to report a suspicion of child abuse or neglect. If investigation proves the suspicion valid, the Division becomes the assessor/petitioner of the case. Also, obtaining a surety bond is a lengthy and expensive process that is impossible to use in this situation. Vote 16-0.

HB 1193, amending the charter of St. Mary's Bank. **OUGHT TO PASS**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: This bill had no opposition during the hearing, and the committee felt the charter change is just good business practice. Vote 12-0.

HB 1202, relative to rules in manufactured housing parks. **INEXPEDIENT TO LEGISLATE**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: The subcommittee on manufactured housing found this bill could cause difficulties in financing and locating manufactured homes in this state. Manufactured housing is one of the few low cost housing opportunities available to New Hampshire residents. The committee, therefore, feels it would be detrimental to pass HB 1202. Vote 12-0.

HB 1203-FN, making technical amendments to the banking laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs: This bill repeals certain provisions on stockholders' liability and makes technical amendments to the banking laws and, as amended, provides for reciprocal treatment of fiduciary agents where other states permit our fiduciary agents to act in like capacity. The Fiscal Note calls for increases in restricted state expenditures and revenues alike by \$7,592 in FY 1995 and \$11,696 in FY 1996, by \$15,731 in FY 1997 and by \$17,050 in FY 1998. There will be no impact on county and local revenues or expenditures. The amendment will not change the fiscal impact. Vote 13-0.

Amendment (4573B)

Amend the bill by replacing all after section 8 with the following:

9 Power to Act as Fiduciary. Amend RSA 390:13 to read as follows:

390:13 Power to Act as Fiduciary.

I. Any trust company or similar corporation, incorporated under the laws of this state, or any national bank duly authorized and located within the state, may be appointed trustee or executor in any case where an individual can be appointed, upon the same conditions and subject to the same control, requirements, and penalties.

II. Any trust company or similar corporation incorporated under the laws of any other state or any national bank having its principal place of business in any other state may be appointed trustee or executor as provided in this section if the state in which such trust company or similar corporation incorporated under the laws of that state or any national bank duly authorized and having its principal place of business in that state similarly allows any trust company or similar corporation incorporated under the laws of this state and any national bank duly authorized and located within this state to serve as appointed trustees or executors in that state.

III. Any trust company organized under the laws of New Hampshire may be authorized and empowered to act as receiver, assignee or agent for any person, firm, association or corporation, public or private; and in all proceedings in court or elsewhere in relation to such trusts or agencies, all accounts and other papers may be signed and sworn to in behalf of the corporation by any officer duly authorized.

IV. Nothing [herein] contained in this section shall affect the rights of religious, charitable, and eleemosynary corporations organized under the laws of New Hampshire to act in fiduciary capacities, or extend to corporations other than trust companies and similar corporations, or any national bank duly authorized and located within the state, power to act in a fiduciary capacity.

10 Limitation. Amend RSA 390:15 to read as follows:

390:15 Limitation. The exercise of the powers granted herein is limited to the specified corporations located in this state, *except as otherwise expressly provided in RSA 390:13.*

11 Repeal. The following are repealed:

I. RSA 390:10, relative to stockholder's liability for the year 1911 through the year 1937.

II. RSA 390:11, relative to reports of condition.

III. RSA 390:11-a, II, relative to reports under RSA 390:11.

IV. RSA 390:12, relative to form of reports.

12 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill repeals certain provisions on stockholders' liability, reports and assessments, permits trust companies and national banks incorporated in other states to be appointed a trustee or executor in this state under certain circumstances, and makes technical amendments to the banking laws.

This bill was requested by the banking department.

HB 1345, relative to payments to the state treasurer. **OUGHT TO PASS WITH AMENDMENT**

Rep. John Sytek for Executive Departments and Administration: To describe this bill as a housekeeping measure is to overstate its impact. This bill deals with how the treasurer is required to collect funds from various state agencies. A strict reading of current law (and that's how the LBA watchdog reads it) sometimes requires the transfer of uncollected funds. This has led to the bouncing of otherwise good checks with attendant bank charges to the state. The chief goal of this bill is to remove this unintended effect of current law by giving the treasurer the ability to craft more reasonable deposit procedures. This ability also includes eliminating the requirement for a "five-part deposit ticket" which went out with the buttonhook and allows the treasurer to develop more up-to-date and suitable forms to account for deposits to the state and its agencies. Vote 14-0.

Amendment (4724B)

Amend the bill by replacing section 1 with the following:

1 Payments by State Departments to Treasurer. RSA 6:11 is repealed and reenacted to read as follows:

6:11 Payments to Treasurer.

I. The treasurer shall establish deposit procedures for all state departments and institutions receiving money for the state. Such procedures shall include, but shall not be limited to, deposits to a department's bank accounts, related transfers to treasury bank accounts, electronically collecting state moneys and concurrence of the treasurer for the opening of department bank accounts.

II. If more than \$100 is in the possession of any state department or institution such funds shall be on deposit in the related department's bank account or in a treasury bank account. The treasurer shall transfer moneys from state departments and institutions to the treasurer's account in the most expeditious manner possible, including, but not limited to, the use of electronic transfers.

III. All state departments and institutions, except the university system of New Hampshire, the building projects revolving fund of the state board of education, and the supreme court for the purposes of the escrow account for court facility improvements under RSA 490:26-c, receiving money for the state shall deposit the full amount of all such moneys into a state treasurer's bank account or into a state department's bank account from which the treasurer shall collect funds by automated means, unless the treasurer determines that such means cannot be implemented or concurs with department procedures for deposits and collection.

IV. All state departments and institutions, except those state departments and institutions which are exempted in RSA 6:11, III, which are not depositing directly into a treasury bank account or which are not included in a treasury electronic collection system may deposit state moneys into a department's bank account and shall either:

(a) Remit to treasury daily all moneys in excess of an amount established by each department with the concurrence of the treasurer; or

(b) Deposit all moneys at the department of treasury daily in accordance with rules established under RSA 6:3-a, I.

V. All state departments and institutions, except those state departments and institutions which are exempted in RSA 6:11, III, depositing moneys directly into a treasury bank account shall prepare and submit to treasury the appropriate accounting documentation with a copy of a bank deposit receipt as evidence of a deposit. Such departments and institutions shall make every effort to ensure that the documentation is received by treasury on the same day as the day of deposit.

VI. All state departments and institutions depositing moneys into a department's bank account shall, in a timely manner, prepare and submit to treasury the appropriate accounting documentation related to treasury's daily automated collections as provided in RSA 6:11, III or a department's remittances as provided in RSA 6:11, IV(a).

HB 1116, relative to the release of health care data. **OUGHT TO PASS**

Rep. Merilyn P. Senter for Health, Human Services and Elderly Affairs: This bill would codify what currently is practiced, and the committee feels that safeguards are already in place to protect the confidentiality of the individual. Vote 19-0.

HB 1452, relative to confidentiality of medical records. **INEXPEDIENT TO LEGISLATE**

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: It was the opinion of the committee that laudable as the intent of this bill was, it would create more problems than it would correct. The issue of marketing and commercial access to records should be addressed in a separate bill. Vote 18-0.

HB 1473, relative to tenants with unacceptable lead blood levels. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: Last year we passed a lead paint bill with a great deal of input by tenants, landlords and health authorities. This bill would weaken the provisions of last year's bill before its effective date (July 1, 1994). It should be given a fair chance before we tinker with it. Vote 19-0.

HB 1480, requiring physicians to attend pain treatment seminars as a condition for license renewal. **INEXPEDIENT TO LEGISLATE**

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: The committee feels that it is unwise to set a precedent of legislating specific courses which physicians must attend. In addition, it was clear that some specialties would have no need for this course. Vote 19-0.

HBI 21, relating to persons with disabilities who are "wait listed" with the department of health and human services. **OUGHT TO PASS**

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: The committee unanimously agreed that the problem of wait listing mentally disabled New Hampshire citizens needs a serious study that should address how these fundamental services should be funded; whether there is a need for a new state entitlement program; and whether legislation can be crafted to address this problem. Vote 19-0.

HB 1182, defining "government entity" with regard to liability of volunteers of government entities. **INEXPEDIENT TO LEGISLATE**

Rep. Robert M. Gilbreth for Judiciary: There are questions as to who fits under the umbrella of liability as a volunteer. Also, there is a question as to giving authorization as a volunteer. It may create more problems. Vote 14-1.

HB 1198-FN, waiving the filing fee for any petition to the superior court alleging a violation of the state right-to-know law. **INEXPEDIENT TO LEGISLATE**

Rep. Tyler P. Harwell for Judiciary: The right-to-know law provides a civil remedy. This bill would eliminate the filing fee for a case brought under that law. Under that law, the successful plaintiff can request an award of attorney's fees. The committee found no need to exempt all such parties from the need to pay court filing fees. Vote 15-2.

HB 1207-FN, relative to the administration of small estates. **OUGHT TO PASS WITH AMENDMENT**

Rep. Edward M. Gordon for Judiciary: This bill increases the maximum size of a small estate from \$5,000 to \$10,000 in recognition of changing times. In addition, the bill exempts a surviving spouse who is designated as sole beneficiary and executor of a deceased spouse's will from certain procedural requirements in administering a probate estate. The committee found that these changes will make the probate process easier for many citizens. Vote 17-0.

Amendment (4760B)

Amend the bill by replacing sections 1 and 2 with the following:

1 Amount Increased. Amend RSA 553:31-a to read as follows:

553:31-a Administration of Small Estates Over \$500. If the estate of a person deceased, whether testate or intestate, consists entirely of personal property of a gross value exceeding \$500 but not exceeding [\$5,000] **\$10,000**, and the will has been allowed or no petition under any other section of RSA 553 or any section under RSA 552 has been filed, the right to administer shall be in the executor named in the will or as set forth in RSA 553:2 upon such person filing with the probate court in the county in which the deceased was domiciled at the time of death an affidavit stating that the affiant has undertaken to act as executor or voluntary administrator of such an estate and will administer the same according to law. Such executor or voluntary administrator shall, at the time of filing such affidavit, also file a personal bond without sureties, a list of heirs, a report of gifts and transfers under RSA 86:22 with the register of probate and with the department of revenue administration, and a [true and perfect inventory of the estate of] **statement of assets owned by** the deceased, which shall be incorporated into the affidavit. The form of this affidavit and the rules governing proceedings under this section shall be prescribed in the manner provided by RSA 547:33. Upon approval of the probate court and payment of a fee of \$5 the register of probate shall, if no other petition for administration is pending, issue an attested copy of the affidavit which shall constitute sufficient legal authority to all persons owing any money, having custody of any property or acting as register or transfer agent of any evidence of interest, indebtedness, property or rights belonging to the estate and to persons purchasing or otherwise dealing with the estate, to make payment or transfer to the affiant with the same effect as if made to a duly appointed representative of the deceased person. In the case of executors of small estates, as defined herein, the provisions of this section shall apply in place of those otherwise applicable. Out of the assets which the executor or voluntary administrator collects, the administrator shall pay debts and expenses in accordance with RSA 554:19. If any balance remains the voluntary administrator shall distribute it either according to the will or, if there is no will, to the surviving spouse, if any, and if not, in accordance with RSA 561. The executor or voluntary administrator may not take any fee for services. A voluntary administrator is liable as an executor in his or her own wrong as provided in RSA 553:17 to all persons aggrieved by the administrator's administration, and if letters testamentary or of administration are later granted then to the rightful executor or administrator. If a personal representative of the deceased person is appointed under any other section of RSA 553, or under any section of RSA 552, the powers of the voluntary administrator shall cease. An executor or voluntary administrator appointed under this section shall render a statement of administration and the estate shall be closed no earlier than 90 days nor later than 6 months from the date of the administrator's appointment. No disbursement shall be made [from the estate] **to the heirs or legatees** until the account is approved.

2 New Section; Waiver of Administration. Amend RSA 554 by inserting after section 1 the following new section:

554:1-a Waiver of Administration. Notwithstanding any provision of law, whenever a deceased dies testate and the surviving spouse is named in the will as the sole beneficiary of the deceased's estate and has also been nominated and appointed to serve as executor, there shall be no requirement for an inventory of the estate, no requirement for a bond, and no requirement for an accounting for assets; provided, however, that any interested creditor may petition for a full administration of the estate within 6 months after the original grant of administration, and such petition may be granted by the probate court for good cause shown. Administration of the will shall be completed upon the filing of an affidavit with the court stating that to the best of the knowledge and belief of the executor there are no outstanding debts or obligations attributable to the deceased's estate.

AMENDED ANALYSIS

This bill waives the administration of an estate where the administrator or executor is a surviving spouse and sole heir, except that a creditor may petition for a full administration for good cause.

The bill also changes the amount of a small estate to over \$500 but under \$10,000. Such a small estate under current law is over \$500 but under \$5,000.

HB 1253, permitting awards of enhanced damages in civil suits against intoxicated drivers. **INEXPEDIENT TO LEGISLATE**

Rep. Edward M. Gordon for Judiciary: The committee found no need to change the present standard for the award of enhanced compensatory damages. While the committee finds DWI abhorrent, it does not believe that this bill will act as a deterrent. Vote 13-0.

HB 1255, making technical amendments to the limited liability company laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert A. Lockwood for Judiciary: This bill contains technical amendments to the law allowing for establishing limited liability corporations in New Hampshire that was passed last year. The committee was unanimous in its understanding that there are no substantive changes contained in the amendments. Vote 13-0.

Amendment (4685)

Amend the introductory paragraph and subparagraph (a) of RSA 304-C:7, III as inserted by section 1 of the bill by replacing it with the following:

III. No act of a limited liability company and no conveyance or transfer of real or personal property to or by a limited liability company shall be invalid because the limited liability company was without capacity or power to do the act or to make or receive the conveyance or transfer, but the lack of capacity or power may be asserted:

(a) In a proceeding by a member against a limited liability company to enjoin the doing of any act or the transfer of real or personal property by or to the limited liability company. If the unauthorized act or transfer sought to be enjoined is being, or is to be, performed or made under a contract to which the limited liability company is a party, the court may, if all of the parties to the contract are parties to the proceeding and if it deems the same to be equitable, set aside and enjoin the performance of the contract, and in so doing may allow to the limited liability company or the other parties to the contract, as the case may be, compensation for the loss or damage sustained by either of them which may result from the action of the court in setting aside and enjoining the performance of the contract. Anticipated profits to be derived from the performance of the contract shall not be awarded by the court as a loss or damage sustained.

Amend the bill by replacing section 4 with the following:

4 Exemption from Registration of Securities. Amend RSA 421-B:17, II(k) to read as follows:

(k) Any offer or sale of securities, including offers and sales pursuant to preorganization subscriptions for the securities of an issuer to be formed, by a corporation, *limited partnership, or limited liability company* having its principal office in this state if, after giving effect to the sale, the aggregate number of holders of all of the issuer's securities, all of whom shall have purchased for investment, does not exceed 10, exclusive of persons designated in subparagraph (g), provided that no commission or other remuneration has been paid and no advertising has been published or circulated in connection with any such sale, and all sales are consummated within 30 days after commencement of business by the issuer. The secretary of state may by rule or order increase the number of persons to whom sales may be made under this exemption.

AMENDED ANALYSIS

This bill establishes certain circumstances in which the lack of capacity or power of a limited liability company to engage in certain activities may be asserted.

The bill exempts certain limited partnerships and limited liability companies from registration of securities.

The bill also allows withdrawal from a limited liability company in certain circumstances without causing a breach of the limited liability company agreement.

HB 1251, relative to the time period during which a certifying officer may reconsider a determination regarding unemployment benefits. **OUGHT TO PASS**

Rep. Wanda McNamara for Labor, Industrial and Rehabilitative Services: This bill lengthens the time period, from 180 days to 12 months, during which a certifying officer may reconsider a determination regarding unemployment benefits. This bill will protect the unemployment compensation fund by allowing sufficient time for out-of-state claim monies to be paid to the New Hampshire compensation system. Vote 11-0.

HB 1201-FN, relative to a companion animal population control fee for cats. REFER FOR INTERIM STUDY

Rep. Linda T. Foster for Municipal and County Government: The committee recognizes that the very serious problems of rabies and pet overpopulation are related. They have not, however, been adequately or fairly addressed by this or any other bill. Interim study will provide the scrutiny and intensive study that these problems deserve. Vote 14-0.

HB 1229, prohibiting municipalities from limiting the terms of their local officials. INEXPEDIENT TO LEGISLATE

Rep. Robert M. Fesh for Municipal and County Government: Only the sponsor spoke at the hearing and this bill would not do what the sponsor intended. This bill was filed in response to a local situation where everything was done legally in accordance with the city charter and passed by a vote of the people. The committee believes the local charter provisions prevail, and should not be negated by retroactive legislation. Vote 15-0.

HB 1259, relative to filling a vacancy for an unexpired term in the office of selectmen. INEXPEDIENT TO LEGISLATE

Rep. Linda T. Foster for Municipal and County Government: After a long discussion, the committee decided that existing procedure adequately addresses this problem. Vote 14-0.

HB 1328-FN-L, to officially change the name of the town of Northumberland to Groveton. INEXPEDIENT TO LEGISLATE

Rep. Paula E. Bradley for Municipal and County Government: Citizens of Northumberland made it clear that they did not favor this bill. No one spoke for it except the sponsor. Vote 15-0.

HB 1364, changing the renewal date for a license to carry a pistol or revolver. OUGHT TO PASS

Rep. Loren J. Jean for Public Protection and Veterans Affairs: This bill makes such sense that there was no opposition among the hundred or so members of the law enforcement community and the public who attended the hearing. Vote 14-0.

HB 1459-FN, relative to private investigation agencies and security services. INEXPEDIENT TO LEGISLATE

Rep. Dennis H. Fields for Public Protection and Veterans Affairs: There is already rulemaking authority in the Department of Safety to cover the investigatory procedure outlined in HB 1459. Perhaps the N H League of Investigators can operate its desired board of review in cooperation with our state officials through its own properly established Professional standards committee. Such action recommending a board of review is not supported by 100% of League members who have not had a referendum vote on the issue, and do not necessarily support it. Vote 14-0.

HB 1133, allowing organization members' spouses to assist at bingo games. OUGHT TO PASS

Rep. Betsy McKinney for Regulated Revenues: Present law allows sons and daughters of members to help run bingo games for the organization. This bill will add the word "spouse" and permit spouses to also assist with bingo operations. Vote 16-0.

HB 1277, allowing a grace period in which old registration plates may be valid prior to required new registration. INEXPEDIENT TO LEGISLATE

Rep. Thaddeus E. Klemarczyk for Transportation: The Committee felt that the bill would create more problems for the Department of Safety. The purchaser of a car through a private sale may obtain a set of 20-day paper plates from any substation for the purpose of registering the unit. Vote 12-0.

HB 1361, requiring automobile dealers in New Hampshire to periodically provide the original purchaser with a summary of all service bulletins. **INEXPEDIENT TO LEGISLATE**

Rep. Timothy N. Robertson for Transportation: The Committee felt that the problem the bill was designed to solve would be more easily resolved by means already in place, and the suggested solution would entail additional costs for all motor vehicle users with only limited utility to the motoring public. Vote 12-0.

HB 1111, permitting one-day family fishing licenses upon payment of a certain fee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda A. Smith for Wildlife and Marine Resources: The committee unanimously voted 15-0, effective upon passage, to permit the Department of Fish and Game to issue one-day family fishing licenses. This is an excellent way of introducing families to the great sport of fishing in our State. Vote 15-0.

Amendment (4671B)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

Referred to Ways and Means.

HB 1112, permitting the executive director of fish and game to purchase merchandise for resale and necessary operating supplies and materials. **OUGHT TO PASS WITH AMENDMENT**

Rep. Henry W. Coulombe for Wildlife and Marine Resources: It is the feeling of the Committee, the Fish and Game Department should be able to deal directly with manufacturers and better be able to control quality. Vote 15-0.

Amendment (4627B)

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

HB 1267-FN, prohibiting the department of fish and game from imposing any penalty on a person greater than that ordered by a court. **INEXPEDIENT TO LEGISLATE**

Rep. Ervin R. Lachut for Wildlife and Marine Resources: The proposal ignores existing administrative law and procedure and would create an administrative logjam for the judicial branch. Furthermore, costs attributable to such a proposal would be prohibitive. Vote 10-0.

HB 1322, requiring the department of fish and game, after a hunting injury or death, to immediately suspend a hunter's license pending an investigation. **INEXPEDIENT TO LEGISLATE**

Rep. Paul A. McGuirk for Wildlife and Marine Resources: Present law adequately covers the intent of this legislation. As proposed, this bill presents numerous conflicts with the criminal justice system. The constitutional right to due process is not guaranteed under this proposal and this would find an individual guilty before trial and conviction. Vote 9-1.

HB 1395, reserving a certain number of moose hunting lottery permits for senior citizens. **INEXPEDIENT TO LEGISLATE**

Rep. Rose Mary Rogers for Wildlife and Marine Resources: This bill establishes a special class of citizens for privileges which may discriminate against the citizens of this state as a whole. Vote 11-0.

REGULAR CALENDAR

HB 317, establishing a grant program for closure of unlined solid waste landfills. **OUGHT TO PASS**

Rep. Merle W. Schotanus for Appropriations: This bill establishes a major state program to assist municipalities in dealing with the costly problem of closing solid waste landfills to help protect the state's drinking water resources. The bill provides a 20 percent state contribution to close 174 publicly owned landfills during the period FY 1985 to FY 2010. Effective July 1, 1995, state general fund cost for FY 1996 is estimated to be \$4.5 million which includes a one-time reimbursement of \$2.6 million for past closures back to FY 1985. FY 1997 costs are estimated at \$2.6 million and approximately \$2.7 million thereafter. Vote 20-0.

Rep. Schotanus yielded to questions.
Adopted and ordered to third reading.

HB 459-FN-A, establishing a demonstration program for a long-term residential treatment program for pregnant and post-partum substance abusing women and their children and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Theodora P. Nardi for Appropriations: This bill appropriates \$325,000 as the state of New Hampshire's share of a five-year program funded primarily by the federal government. The amendment removes the word "demonstration" from the description of the program, extends the lapse date to the end of the five-year federal grant in order to provide maximum flexibility to the Office of Alcohol and Drug Abuse Prevention, and changes the effective date. Vote 19-0.

Amendment (4752B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a program for a long-term residential treatment program
for pregnant and post-partum substance abusing women and
their children and making an appropriation therefor.

Amend the bill by replacing all after section 1 with the following:

2 Program Established. There is established a 5-year program for long-term residential treatment for pregnant and post-partum substance abusing women and their children.

3 Administration. The program shall be administered by the office of alcohol and drug abuse prevention, department of health and human services.

4 Report. The director of the office of alcohol and drug abuse prevention shall submit a report showing the results and effectiveness of the program in achieving its purpose to the governor, speaker of the house, and the president of the senate 2 years after the effective date on which the program was implemented.

5 Appropriation. A sum not to exceed \$325,000 which provides a match to federal funding in the ratio of \$1 state to \$9 federal for 2 years and a ratio of \$1 state to \$3 federal for the 3 following years for the purposes of this act is appropriated to the office of alcohol and drug abuse prevention, department of health and human services, for the biennium ending June 30, 1995. This appropriation shall not lapse until June 30, 1999. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a 5-year program for a long-term residential treatment program for pregnant and post-partum substance abusing women and their children in the event that federal moneys become available. The office of alcohol and drug abuse prevention would administer the program.

The bill makes an appropriation which provides a match to federal funding.

Adopted.

Report adopted and ordered to third reading.

CACR 28, relating to compensation for members of the general court. Providing that members of the general court shall receive 25 percent of the state's average annual salary, as determined during the previous biennium, for the term elected, and shall receive the usual mileage rate for actual daily attendance on legislative days. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis M. Katsakiores for Constitutional and Statutory Revision: This amendment was rejected by the 1984 Constitutional Convention. It was debated at great length in committee. Ours is a citizen legislature, and where it is our choice to run, we should have things as they are. Vote 12-3.

Rep. Hemon moved that the words Ought to Pass be substituted for the report of the Committee. Inexpedient to Legislate, spoke in favor and yielded to questions.

Roll call request not sufficiently seconded.

The substitute motion failed.

Report adopted.

Rep. Houlahan wished to be recorded in favor of the Committee report.

CACR 29, relating to requiring that the attorney general be elected. Providing that the attorney general be chosen biennially in the general election. **INEXPEDIENT TO LEGISLATE**

Rep. Randall F. Shaw for Constitutional and Statutory Revision: The committee believes that the present appointment procedure for Attorney General is working well. We do not believe that requiring the Attorney General to run for election every two years would improve the operations of this important office. Vote 13-2.

Adopted.

CACR 34, relating to the membership of the senate and house of representatives. Providing that beginning with the general election in 2002, membership of the senate shall be increased by 25 percent, and membership of the house of representatives shall be decreased by 25 percent. **INEXPEDIENT TO LEGISLATE**

Rep. H. Thayer Kingsbury for Constitutional and Statutory Revision: HB 1199 better addresses the issue of representative reduction in the House. Vote 13-4.

Adopted.

CACR 35, relating to gender-specific language. Providing that all references to people in the constitution shall be gender neutral. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Thomas I. Arnold for the Majority of Constitutional and Statutory Revision: We agree that the historical use of "he" in the English language was not intended to exclude females, but recognizes that younger female citizens now tend to feel excluded by the male, historically inclusive, pronoun. The Committee believes the time has come to make those grammatical changes designed to accommodate all of our citizens. Vote 13-4.

Rep. Jack B. Willis for the Minority of Constitutional and Statutory Revision: The Minority believes accepted English grammar places the male gender in the absence of a specific gender. This has been and is taught in our schools. Change is good and necessary at times, but this is not the time to change our Constitution. The Minority believes New Hampshire does not want us to lead the country in this area.

Rep. Willis moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass, spoke in favor, yielded to questions and withdrew his motion.

The question now being the adoption of the majority Committee report.

Rep. Gilmore spoke in favor and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the Committee report.

Rep. Lozeau moved Inexpedient to Legislate.

HB 449, relative to listing candidates on general election ballots. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gary R. Gilmore for Constitutional and Statutory Revision: This bill changes the format of the ballot to an office ballot — candidates will be listed by office, not in columns. The committee reaffirmed its vote of last fall that this legislation is needed; it will save a significant amount of money and result in less voter confusion. The office ballot is presently used by nearly 50 percent of the state's populace and by nearly every other state in the United States. Vote 14-3.

Amendment (3929B)

Amend the bill by replacing section 2 with the following:

2 Designation of Offices on Ballot. RSA 656:6 is repealed and reenacted to read as follows:

656:6 Designation of Office.

I. The office to which the candidates have been nominated shall be printed at the top of each box in which are grouped the candidates for the same office, with each box preceded by the word "For", as in "For Governor". Below such designation for office shall be printed "Vote for not more than (here insert a number designating how many persons are to be voted for)."

II. In places which are electing representatives to the general court from more than one district, there shall also be printed in small but easily legible letters below the phrase "Vote for not more than (here insert a number designating how many persons are to be voted for)," the county, and the number of the representative district for which the person is a candidate, subject to the numerical order required in RSA 656:7-a.

Amend the bill by replacing section 5 with the following:

5 Straight Ticket Voting. RSA 656:10 is repealed and reenacted to read as follows:

656:10 Straight Ticket Voting. The secretary of state shall prepare voting instructions for straight ticket voting for each of the political parties listed on the ballot which shall be placed on the top of the general election ballot.

Amend the bill by replacing section 9 with the following:

9 Amending Ballot to be Marked. RSA 659:17 is repealed and reenacted to read as follows:

659:17 Marking the Ballot; Instructions to Voters.

I. The secretary of state shall provide on the top of the general election ballot the following voting instructions: "Vote for the candidate of your choice for each office by making the appropriate mark. Follow directions as to the number of candidates to be elected to each office".

II. A voter may vote for a candidate in a state general election, or in a state or presidential primary election, by making the appropriate mark for the name of each candidate for whom he wishes to vote. If he desires to vote for a candidate whose name is not printed on the ballot, he shall write in the name of the person for whom he desires to vote in the space provided for that purpose.

III. In a state general election, the following instructions to voters for straight ticket voting shall be printed on the ballot: Make the appropriate mark for the political party of your choice if you wish to vote for all candidates running in that party. If you vote a straight ticket, but wish to vote for one or more individual candidates of a different party, you may do so, and your vote for an individual candidate will override the straight party vote for that office. However, if you vote for one candidate of a different party for an office where more than one candidate is to be elected, be sure to vote individually for all candidates of your choice for that office, because your straight ticket vote will not be counted for that office.

IV. In a state general election, the following instructions to voters for split ticket voting shall be printed on the ballot: If you do not wish to vote for one political party, make the appropriate mark.

Amend the bill by replacing section 13 with the following:

13 Placement of Party Emblem. Amend RSA 656:11 to read as follows:

656:11 Party Emblem. [Above each circle] *There* shall be [placed] *for straight ticket voting* an emblem designating or distinguishing the political party [assigned to that column]. The emblem or device shall be selected by the secretary of state for each political party represented upon the ballot and shall be different for each of such parties and may be any appropriate symbol; but neither the coat of arms nor the seal of any state, nor of the United States, nor the national flag, nor any religious emblem or symbol, nor the portrait of any person, nor the representation of a coin nor of the currency of the United States shall be chosen as a distinguishing emblem.

AMENDED ANALYSIS

This bill changes the form of the ballot used in state general elections by eliminating the party columns, and it provides for listing all candidates in one column according to the office sought. Candidates are grouped according to the party which nominates them, and are listed alphabetically within each party grouping according to their surnames, and the name of the party which nominates a candidate appears to the right of the candidate's name. The instructions to voters on general election ballots are also changed from "vote for any ..." to "vote for not more than ...".

The bill also amends the provision for straight ticket voting in state primary and state general elections, and the instructions for marking the ballot.

Rep. Gilmore yielded to questions.

Adopted.

Rep. Warburton offered a floor amendment.

Floor Amendment (4868B)

Amend RSA 656:5, II as inserted by section 1 of the bill by replacing it with the following:

II. All candidates for the same office shall be placed on separate lines within a separate office box. The name of the party which nominates the candidate shall be printed to the right of the candidate's name. The surnames of candidates shall be listed within each office box beginning in 1994 as follows:

(a) The surnames of all candidates, with the exception of the surnames of candidates for nomination to the office of state representative as provided in subparagraph (b), shall be alternated within each office box on the state general election ballots used so that each surname shall appear within each office box as nearly as may be an equal number of times at the top, at the bottom, and in each intermediate place, if any, of the list in which it belongs.

(b) For representatives to the general court, the secretary of state shall once every 2 years, at 4 o'clock in the afternoon on the last day to file a declaration of candidacy under RSA 655:32, randomly draw a letter of the alphabet, and the secretary of state shall proceed with listing the surnames of such candidates for nomination to the office of state representative according to the alphabetical order beginning with the letter drawn to be used for that election year. At the close of the last day of the filing period for each state primary and general election, as provided in RSA 655:14 and 655:43 respectively, the secretary of state shall proceed with listing all the candidates surnames according to the alphabetical order to be used for that election year.

Amend the bill by replacing section 14 with the following:

14 Order of State Representatives. Amend RSA 656:24 to read as follows:

656:24 Order of Names. With the exception of the office of state representative, whenever there are 2 or more candidates for nomination to the same office, the names of such candidates shall be alternated on the state primary election ballots used so that each name shall appear thereon as nearly as may be an equal number of times at the top, at the bottom, and in each intermediate place, if any, of the list in which it belongs. Names of candidates for nomination to the office of state representative shall be arranged in the alphabetical order [of their surnames] *to be used for that election year as determined in RSA 656:5.*

15 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the form of the ballot used in state general elections by eliminating the party columns, and it provides for listing all candidates in one column according to the office sought. Candidates are grouped according to the office sought. The names of candidates for the office of state representative are listed according to the alphabetical order which is randomly picked by the secretary of state to be used for that election year. The listing of the names of all other candidates are alternated within each office box. The name of the party which nominates a candidate appears to the right of the candidate's name.

The bill also amends the provision for straight ticket voting in state primary and state general elections.

Rep. Warburton spoke in favor.

Rep. Pfaff spoke against.

Report adopted and ordered to third reading.

HB 1224-FN-L, authorizing the governor to include or remove counties from the emissions inspection and maintenance program. **INEXPEDIENT TO LEGISLATE**

Rep. Jeb E. Bradley for Environment and Agriculture: This bill would allow a governor to add or remove counties from the auto inspection and maintenance program. The Committee recommends against this course for two reasons. Air quality in the legislated four-county region does not meet Clean Air Act Standards. Furthermore, the need for emissions reduction credits to be used for economic development purposes is greater now than in the past. Vote 16-0.

Adopted.

HB 1332-FN, relative to certain private entities operating emissions inspection stations. **INEXPEDIENT TO LEGISLATE**

Rep. Jeb E. Bradley for Environment and Agriculture: This bill mandates that the Commissioner of the Department of Safety award additional contracts for small businesses to participate in the auto emissions test program. While the Committee sympathizes with the sponsor's intent, it should be noted that any business may bid on the emissions contract. The legislation passed in 1993 requires a competitive bid and allows for multi-bidder participation. To

require 25 percent more stations will require more personnel, administrative oversight, equipment, buildings and land. The additional personnel and infrastructure can only drive up the cost of the emissions test. The Committee believes these issues were fully debated in 1993 and that legislation appropriately balances cost to the consumer with convenience factors. Vote 16-0.

Roll call not sufficiently seconded.

Adopted.

HB 639-FN-A, establishing a review board to address grievances of tenants and owners of manufactured housing parks and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Kathleen W. Ward for Executive Departments and Administration: The amendment requires approval of the Director of Consumer Protection in the Department of Justice for administering rules. This protects both the board and the public to avoid unintended legal questions. Vote 14-1.

Amendment (4711B)

Amend RSA 205-A:32 as inserted by section 1 of the bill by replacing it with the following: 205-A:32 Rulemaking. The board, with the approval of the bureau chief of the consumer protection and antitrust bureau, shall adopt rules under RSA 541-A relative to the administration of the manufactured housing board fund established in RSA 205-A:31 and any other matter necessary to the administration of this subdivision.

Adopted.

Report adopted and referred to Ways and Means.

HB 1129, establishing a committee to study reducing the number of state classified and unclassified positions. INEXPEDIENT TO LEGISLATE

Rep. Kathleen W. Ward for Executive Departments and Administration: The Personnel Division is continuing to implement the \$250,000 study by Peat Marwick as vacancies occur and the Legislature continues to monitor the 70 percent of state government that has been reorganized between 1981 and 1987. The Committee feels this legislation is premature at this time in light of the ongoing activities dealing with all state employment. Vote 13-1.

Adopted.

HB 1169, relative to the membership of the aviation users advisory board. INEXPEDIENT TO LEGISLATE

Rep. Kathleen W. Ward for Executive Departments and Administration: The majority believes there is no demonstrated need to put a House or Senate member on this advisory board. Legislators have ample opportunity to impact through the process of public hearings and introduction of bills. Vote 10-5.

Adopted.

HB 1172, prohibiting employees of the liquor commission from holding elected state and local offices. INEXPEDIENT TO LEGISLATE

Rep. Ray F. Lander for Executive Departments and Administration: The sponsor recommended that this bill be voted inexpedient to legislate. It was called to the committee's attention that the provisions of RSA 21-I:52 covers this subject in respect to classified employees. Vote 13-1.

Adopted.

HB 1195-FN-L, consolidating the pari-mutuel commission and sweepstakes commission into a gambling commission. INEXPEDIENT TO LEGISLATE

Rep. Gerald O. Gosselin for Executive Departments and Administration: This bill would consolidate the Sweepstakes Commission and the Pari-mutuel Commission. Both commissions testified against this bill. They are both very different in scope. Vote 13-2.

Rep. Burling moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor, withdrew his motion and yielded to questions.

Rep. Kathleen Ward spoke in favor of the Committee report.

Roll call request sufficiently seconded. The question being the adoption of the Committee report.

HB 1192, establishing a committee to study the issue of the elderly and the cost of prescription drugs. **INEXPEDIENT TO LEGISLATE**

Rep. Alphonse Haettenschwiller for Health, Human Services and Elderly Affairs: While the committee agreed that helping the elderly meet the cost of prescription drugs in many cases was a problem, it felt this issue needs to be addressed as part of overall health care reform. Vote 17-1.

Rep. Braiterman spoke against.

Rep. Haettenschwiller spoke in favor.

Roll call request sufficiently seconded. The question being the adoption of the Committee report.

and the report was adopted.

HB 1239, requiring peace officers to be trained in assisting sexual assault victims and giving the state police jurisdiction in certain sexual assault offenses. **INEXPEDIENT TO LEGISLATE**

Rep. Bruce Hunter for Public Protection and Veterans Affairs: The Committee heard testimony from many interested parties and professionals on the desirability of enhanced training of police officers in dealing with victims of sexual assault. The bill, as written, addresses State Police jurisdiction in towns with more than 3,000 population. The sponsors have agreed that SB 771-FN-A is an approach that better addresses the solution and, therefore, the committee, after consulting with the sponsors, recommends Inexpedient to Legislate, Vote 15-0.

Rep. Welch spoke in favor.

LAID ON THE TABLE

Rep. John Flanders moved that **HB 1239**, requiring peace officers to be trained in assisting sexual assault victims and giving the state police jurisdiction in certain sexual assault offenses, be laid upon the table.

Adopted.

REGULAR CALENDAR (Cont'd)

HB 127-FN, relative to private lease of state railroad real estate. **OUGHT TO PASS**

Rep. Douglass P. Teschner for Ways and Means: The committee supports the Transportation Committee's position that a lease of \$5 per running foot is a reasonable charge. Vote 11-1.

Adopted and ordered to third reading.

HB 656-FN, to extend medical benefits to group II members on disability retirement who became group II members after June 30, 1988, but before July 1, 1991. **INEXPEDIENT TO LEGISLATE**

Rep. Paul I. LaMott for Appropriations: There are not sufficient funds at this time to fund both HB 414-FN-L and this bill. The testimony showed HB 414-FN-L was the priority. Vote 20-0.

Rep. Channing Brown moved Recommit to Committee and spoke in favor.

Adopted.

HB 1128, revising the selection process for the board of education. **INEXPEDIENT TO LEGISLATE**

Rep. J. Gregory McGrath for Executive Departments and Administration: The committee did not take any position on whether the selection process for the board should be revised. It did feel that if it were to be revised, selection by lot was not appropriate. Vote 14-0.

Rep. Kathleen Ward moved that debate be limited to five minutes on each side, including questions.

Adopted.

Rep. Hemon moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. McGrath spoke against.

The motion failed and the report was adopted.

HB 1385-L, changing the property tax rate for single family homeowners. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph E. Stone for Municipal and County Government: This bill is mandated legislation, not enabling. All the work required by the bill would have to be done at the local level rather than having the Department of Revenue Administration handling the tax rate structure. This appears to be a very neat way to bring about an income tax at the local level without going through the Ways and Means Committee. Vote 14-0.

Rep. Hemon moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Stone spoke against.

The motion failed and the report was adopted.

HB 1175, relative to self-defense as a proper purpose for issuance of a license to carry a pistol or revolver and relative to the scope of the license. **OUGHT TO PASS**

Rep. Loren J. Jean for Public Protection and Veterans Affairs: This bill was heard on January 12, 1994 and the attendance was sufficient to warrant additional seating and standing room-

only, both in the committee room and hall outside. Written testimony continued to arrive for days afterward with no opposition from anyone attending the hearing. The concept of self defense as a reason to carry a concealed weapon is certainly consistent with our New Hampshire Constitution and United States Bill of Rights and should be acknowledged with the other legitimate reasons such as target shooting and hunting. Vote 14-0.

Rep. Loren Jean yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the Committee report.

and the Committee report was adopted.
Ordered to third reading.

HB 1100, prohibiting the release of wolves. **INEXPEDIENT TO LEGISLATE**

Rep. Ervin R. Lachut for Wildlife and Marine Resources: Although the majority of land-owners, sportsmen and the Farm Bureau testified in favor of the bill, the committee felt that it has been addressed by R.S.A. 207:14 on importing and releasing wildlife. Therefore, it is unnecessary. Vote 11-1.

Rep. Drake moved to Recommit to Committee and spoke in favor.
Adopted.

HB 1143, increasing the penalties for illegal clamming. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clyde J. Douglass for Wildlife and Marine Resources: The committee, by its action to increase the penalties for the illegal harvesting of clams, has finally given the Fish and Game Department the ability to penalize the offenders with more than a minor fine. This should give illegal clammers a chance to reconsider their desire to harvest clams illegally. Vote 11-1.

Rep. Drake moved Recommit to Committee and spoke in favor.
Adopted.

HB 1438, adopting the striped bass as the state saltwater game fish. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda Ann Smith for Wildlife and Marine Resources: Committee voted 12-0 to adopt the striped bass the State saltwater game fish. This bill has economic status in that the striped bass will now be classified as a "game fish." The intent is to keep the striped bass population healthy and preserve it as a recreational fish." Vote 12-0.

Amendment (4673B)

Amend the bill by replacing section 2 with the following:
2 Effective Date. This act shall take effect upon its passage.

Rep. Drake spoke in favor and yielded to questions.

Adopted.

Report adopted and ordered to third reading.

RECESS

Rep. Jasper moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 6

Tuesday, February 8, 1994

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Lucille Richard from the Bethlehem and Whitefield United Methodist Churches.

Let us be in the Spirit of prayer. God of all peoples, Who created and is still creating, Who speaks in many voices, has many faces and is known by many names, but Who is the one spirit who moves and works among us all. We give You thanks for this day and for the opportunity to share this time with our friends and colleagues, to meet new people and to meet the old and new challenges of the day.

We ask Your blessings on all who gather here and pray for Your guiding hand and wisdom as they work for peace and for justice for all people. Grant them Your strength as they labor to change what needs to be changed, keep what needs to be kept and to go forward on new ground where new ground needs to be opened, and the confidence to speak and do what is right with conviction. Fill us all with vision and purpose and lead us to be the faithful servants You call us to be. In freedom, and in the trust You call us all into, we pray in Your name. Amen.

Rep. Felch led the Pledge of Allegiance.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 257-FN, establishing a transportation fund to fund transportation infrastructure which cannot be funded with highway fund moneys, was removed at the request of Rep. Kurk.

HB 1324, relative to training for parents so they can provide kindergarten education to their children, was removed at the request of Rep. Hemon.

CACR 27, relating to the state judiciary. Providing that abolishing the current method for selecting state judges and establishing the New Hampshire Bar as a pool from which state judges are chosen by lot, was removed at the request of Rep. Hemon.

HB 1168, eliminating the requirement that any person applying for a mooring permit furnish the director of safety services with proof of a boat registration or boat ownership, was removed at the request of Rep. Andrews.

HR 45, relative to cable television and retransmission consent, was removed at the request of Rep. Rodeschin.

Consent Calendar adopted.

HB 161-FN-A, increasing the amount paid to members of the adult parole board, increasing its membership, and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Wheeler for Appropriations: The Committee felt that increasing the membership to seven allowed for expansion in the number of panels available for hearings. However, the appropriation for the increase was removed until a full review of per diems for boards and committees is completed. Vote 22-0.

Amendment (4766B)

Amend the title of the bill by replacing it with the following:

AN ACT

increasing the membership of the adult parole board.

Amend the bill by replacing all after the enacting clause with the following:

1 Parole Board; Membership Increased. Amend RSA 651-A:3, I to read as follows:

I. There shall be an adult parole board with [5] 7 members. The members of the board shall be appointed by the governor with the consent of the council for staggered terms of 5 years or until their successors are appointed. No member shall serve more than 2 consecutive terms. *The board shall include at least one female member.* A vacancy on the board shall be filled for the unexpired term. The governor shall designate one member as chairman, and the chairman shall designate one other member to serve as chairman in his absence. *In the case of a revocation hearing an attorney of the board shall be present at the hearing.* Board members shall be paid \$50 a day plus mileage at the state employee rate while engaged in parole hearings or administrative meetings.

2 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill increases the membership of the adult parole board.

HB 178-FN, relative to the board of examiners of psychology and mental health practice and transferring certain appropriations to the department of justice for consumer protection investigators. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Appropriations: The amended bill adds a stenographer position to the attorney general's office so that the investigator in the attorney general's office can spend more time investigating complaints filed with the state through its various boards. The position is to be funded by the boards which have access to the investigator. The committee also removed the per diem asked for in the bill because of a future study which will be done studying the per diems of all boards in state government, which could lead to future recommendations. The third change the committee made was to remove the section of the bill which would have enabled board members to designate "other qualified persons" to preside at hearings and issue oaths or affirmations to witnesses. The bill also increases the cap on administrative fines to \$3000. and daily fines to \$300. as long as the violation continues. Vote 20-0.

Amendment (4918B)

Amend the bill by deleting section 2 and renumbering sections 3-17 to read as 2-16, respectively.

Amend the bill by deleting section 7 and renumbering sections 8-16 to read as 7-15, respectively.

Amend the bill by replacing sections 10-15 with the following:

10 Attorney General Authorized to Fill Positions. The attorney general is authorized to hire, as of the effective date of this act, one legal stenographer III at labor grade 12.

11 Division of Public Protection. Amend 1993, 349:1 by replacing PAU 02, 04, 02, 02 with the following:

15 Effective Date.

I. Sections 1-8 of this act shall take effect January 1, 1995.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill, sections 1-10 of which are requested by the board of examiners of psychology and mental health practice, redefines certain procedures applicable to the board of examiners of psychology and mental health practice.

1. The term "certificate holder" is defined and substituted for the term certified members and similar terms.

2. Administrative fines may be assessed for persons other than those subject to discipline under RSA 330-A:14.

3. The cap on administrative fines is increased to \$3,000, and a \$300 daily fine may be assessed for as long as the violation continues.

4. Those eligible to be retained for adjudicatory proceedings are redefined and include "other qualified persons." With limitations, the board may request the governor and council to provide funding for such expenses.

5. In addition to board members, their designees may preside at hearings and issue oaths or affirmations to witnesses. However, at least one board member shall be present.

The bill also adds new duties to the consumer protection and anti-trust bureau and transfers money from the PAUs for certain regulatory boards to the consumer protection and anti-trust bureau for that purpose.

HB 190-FN, giving the department of resources and economic development and the department of transportation joint stewardship over certain rail lines and splitting the lease revenues for certain rail properties between the 2 departments. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gerald P. Merrill for Appropriations: As amended, this bill would, effective July 1, 1995, transfer 60% of state-owned abandoned railroad lease revenues to the State Park Fund to help fund joint DOT-DRED maintenance of rail lines used for the statewide trail system. Vote 17-0.

Amendment (4861B)

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect July 1, 1995.

HB 1280, relative to requiring identifying information and credibility verification regarding the reporter and reports, and revising certain definitions in the child protection act. **INEXPEDIENT TO LEGISLATE**

Rep. Josephine Mayhew for Children, Youth and Juvenile Justice: If HB 1280 passed, many children would fall through the cracks. A narrow definition of "abused child" and "neglected child" would exclude a lot of children. Two examples follow: a toddler who was burned repeatedly with cigarettes would not be in the system, and it would exclude a child locked in a closet for hours. The committee felt this was not in the best interest of the children of New Hampshire. Vote 15-0.

HB 1281, raising the burden of proof to support allegations under the child protection act. **INEXPEDIENT TO LEGISLATE**

Rep. Carol H. Holden for Children, Youth and Juvenile Justice: This bill would raise the burden of proof to "beyond a reasonable doubt." Under current law, the petitioner has to prove the allegations by a "preponderance of the evidence." The committee felt that the preponderance of evidence proof is consistent with the purpose of RSA 169-C:2, which provides protection to children and establishes a judicial framework to protect the rights of all parties involved. Vote 17-0.

HB 1373, prohibiting the use of hearsay evidence in child abuse and neglect cases. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah P. McIlwaine for Children, Youth and Juvenile Justice: "Hearsay" is simply "any out-of-court statement." It is permissible in many court and criminal proceedings. Without it, a child would have to go on the stand; emergency and ex parte orders would be impossible, and parents could be harmed. In addition, costs would escalate substantially because of the longer time needed to bring witnesses to court and witness fees. Vote 17-0.

HB 1248, prohibiting a buyer's premium at certain auctions in New Hampshire. **OUGHT TO PASS WITH AMENDMENT**

Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs: After testimony was taken at the hearing, the Commerce Committee voted to allow "buyer's premium" with full disclosure in advertising and at the site of the auction. Vote 15-0.

Amendment (4801B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring disclosure that a buyer's premium will be charged at certain auctions in New Hampshire.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Buyer's Premium. Amend RSA 358-G by inserting after section 2 the following new section:

358-G:2-a Disclosure Required. If a buyer's premium is to be charged at any auction held in this state, any advertisement for such auction shall state clearly that a buyer's premium will be charged. In addition, a notice disclosing that a buyer's premium will be charged shall also be posted conspicuously at the site of the auction.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

The bill requires that, if a buyer's premium is to be charged at an auction, it must be so stated in all advertisements for the auction and posted at the auction site.

HB 1344, requiring financial institutions which sell notes to disclose the sale price of the note to the debtor and any obligor on the note, upon request. **INEXPEDIENT TO LEGISLATE**

Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs: This bill requiring lending institutions to divulge to the debtor the sale price if their note was sold into the secondary market was voted inexpedient to legislate when it was discovered provisions of federal law already covered the situation. Vote 14-1.

HB 1371, relative to claiming the homestead right in a levy by sale of an execution on real estate. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs: This bill provides that due notice of a homestead exemption be provided to any person who resides on the real estate to be sold. The bill also clarifies the existing exemption of \$30,000 for an individual and \$60,000 for a husband and wife. Testimony revealed the lack of knowledge on how to claim the exemption and the number of problems which have arisen when sheriffs are unaware of the procedure. Vote 13-1.

Amendment (4880B)

Amend RSA 529:25-a as inserted by section 4 of the bill by inserting after paragraph III the following new paragraphs:

IV. If the purchaser at the sale is the creditor in whose favor the execution issued, said judgment creditor shall not be required to pay to the debtor the amount of the homestead until the expiration of the redemption period set forth in RSA 529:26, or until the debtor voluntarily or involuntarily vacates the property, whichever occurs first.

V. If the payment of the full amount of the homestead is not made to the debtor or the debtor's spouse, within 10 days of the expiration of the redemption period set forth in RSA 529:26, the sale shall be void.

HB 1306, prohibiting term limitations for state senators and state representatives. **INEXPEDIENT TO LEGISLATE**

Rep. Calvin Warburton for Constitutional and Statutory Revision: This bill has no life after this session. A new bill next session could be entered to limit terms and included in it repealing the RSA. Vote 12-0.

HB 1375, allowing voters to override a request for a secret ballot or a request to retake a vote at town and school district meetings. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis M. Katsakiores for Constitutional and Statutory Revision: The sponsor of the bill asked to vote this bill Inexpedient to Legislate because this would be taken care of in House Bill 497. Vote 14-0.

HB 1457-L, requiring vacancies in the office of state representative to be filled by a vote of the county convention for the remainder of the representative's term. **INEXPEDIENT TO LEGISLATE**

Rep. David A. Young for Constitutional and Statutory Revision: The unanimous vote of the committee was for the local voters only to choose their representatives and not for vacancies of the office of state representative to be filled by a vote of the county convention. Vote 14-0.

HB 1109, relative to dual enrollment. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karen K. Hutchinson for Education: The committee believes that resident students enrolled in non-public schools or home-educated students should have the ability to utilize public school facilities within parameters set by local school board policy since the public schools are financially supported by the families of these students. Vote 14-1.

Amendment (4894B)

Amend RSA 193:1-a, II as inserted by section 1 of the bill by replacing it with the following:

II. Nonpublic or home educated, resident students shall be eligible to attend curricular, public school courses subject to local board policy.

HB 1346-FN, authorizing the department of environmental services to impose administrative fines under air pollution control, asbestos management and control, the acid rain control act and the air toxic control act, and to subject to rulemaking the designation of toxic air pollutants under the air toxic control act. **REFER FOR INTERIM STUDY**

Rep. Jeb E. Bradley for Environment and Agriculture: While this bill has merit, more work needs to be done before legislation can be passed. The sponsors and committee request interim study. Vote 17-0.

HB 1485-FN, establishing a fuel testing program to determine the accuracy of octane rates, creating a licensing procedure for persons engaged in the transfer or sale of motor fuels, and establishing fees and penalties for violations. **REFER FOR INTERIM STUDY**

Rep. Jeb E. Bradley for Environment and Agriculture: The sponsor agreed to allow this bill to go to Interim Study where the issues raised by this bill can be fully looked into. Vote 15-0.

HB 1101, relative to the collection of protested checks by the department of safety. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gerald O. Gosselin for Executive Departments and Administration: This bill will give the Commissioner of Safety administrative procedures in the collection of protested checks regarding drivers licences, vehicle registration, title or fees by recalling or not issuing certain documents. Vote 15-0.

Amendment (4738B)

Amend the bill by replacing section 1 with the following:

1 Rulemaking Authority by Commissioner of Safety; Protested Checks. Amend RSA 21-P:14, IV by inserting after subparagraph (r) the following new subparagraph:

(s) Establishment of administrative procedures to aid in the collection of protested checks relating to drivers' licenses, vehicle registrations, titles, permits or fees, including provisions for suspension of license, registration, title, or permit.

AMENDED ANALYSIS

This bill authorizes the commissioner of safety to adopt rules relative to administrative procedures for the collection of protested checks relating to drivers' licenses, vehicle registrations, titles, permits, or fees.

This bill is a request of the department of safety.

HB 1190, authorizing the state prison to notify the victim of a sexual assault that the perpetrator tested positive for the HIV virus. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: The bill allows the state to inform a sexual assault victim of the perpetrator's HIV test results. It also provides that the information be channelled through the victim/witness advocate. Vote 14-0.

Amendment (4915B)

Amend the title of the bill by replacing it with the following:

AN ACT

authorizing the state to notify the victim of a sexual assault
of the perpetrator's test results for HIV virus.

Amend the bill by replacing all after the enacting clause with the following:

1 HIV Testing; Notification of Victim. Amend RSA 632-A:10-b, I and II to read as follows:

I. The state shall[, at the request of a victim of any offense under this chapter, except violations of RSA 632-A:10 or RSA 632-A:19,] administer to any person convicted [for such offense] *of any offense under this chapter, except violations of RSA 632-A:10 or RSA 632-A:19*, a test to detect in such person the presence of the etiologic agent for acquired immune deficiency syndrome.

I-a. The results of such test shall be disclosed to the person convicted and to the office of victim/witness assistance. The office of victim/witness assistance is authorized to disclose the test results to the county attorney victim/witness advocates and to the victim. The victim may be notified whether or not the victim has requested notification.

II. Notwithstanding RSA 141-F:7 and RSA 141-F:8, the state shall disclose results of a test administered pursuant to paragraph I and RSA 141-F:5, IV, to any person convicted, *to the office of victim/witness assistance and may disclose the results to* the victim.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes the state to notify the victim of a sexual assault of the perpetrator's test results for the HIV virus.

This bill also requires the state to disclose results of such a test to the office of victim/witness assistance and the county attorney's victim/witness advocate.

This bill is a request of the department of justice.

HB 1113, requiring that any claim filed under RSA 541-B be brought solely against agencies and not against officials or employees of agencies. **OUGHT TO PASS WITH AMENDMENT**

Rep. Edward M. Gordon for Judiciary: This bill avoids unnecessary litigation. When the State is determined to be responsible for the acts of an employee or agent, there is no need to bring an action against both the individual and the State. Therefore, the individual will be dismissed from such a suit. Vote 14-0.

Amendment (4693B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to claims filed under RSA 541-B against both the
state and an agent of the state.

Amend RSA 541-B:9-a as inserted by section 1 of the bill by replacing it with the following:

541-B:9-a Claims Filed Against the State and Its Agent. When a claim filed pursuant to this chapter is against both the state and an agent, official or employee of the state, the court shall determine whether the state is responsible for the actions of the agent, employee or official. If the court determines that the state is responsible for the actions of the agent, employee or official; the agent, employee or official shall be dismissed as a defendant and the plaintiff shall proceed solely against the state.

AMENDED ANALYSIS

This bill allows an agent of the state to be dismissed as a defendant in a claim brought against both the state and an agent of the state under RSA 541-B, if the court determines that the state is responsible for the actions of the agent.

HB 1256, making changes in probate court procedures regarding estate administration. **OUGHT TO PASS WITH AMENDMENT**

Rep. Edward M. Gordon for Judiciary: This bill allows the probate court to accept alternative forms of security. This could save individuals the expense of buying a bond when such a bond may be unnecessary. The probate court retains the authority to impose a bond when required. Vote 14-0.

Amendment (4691B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing probate judges to accept other forms of securities in lieu of bonds from administrators of estates.

Amend the bill by replacing all after section 3 with the following:

4 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill allows probate judges to accept other forms of securities in lieu of bonds from administrators of estates.

HB 1297-FN, relative to adding statements of original intent to bills and resolutions. **IN-EXPEDIENT TO LEGISLATE**

Rep. Miriam D. Dunn for Legislative Administration: Printing a statement of original intent, not only on the bill as introduced but throughout the bill's legislative process, was voted down by the committee. The sponsor may agree, or disagree with later amendments, but the final result is the intent of the entire Legislature. Other methods, e.g. Committee Report, Floor Debate, are available to the sponsor to state intent. Cost is also a factor. The FN calls for state expenditures of \$15,050 in FY '95 and \$9,837 in FY '96. Vote 12-0.

HB 1120-L, making procedural and housekeeping changes regarding the board of tax and land appeals. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert M. Fesh for Municipal and County Government: This bill was requested by the Board of Tax and Land Appeals. It authorizes the board to establish a small claims procedure as an alternative to full hearings and establishes a time period for filing an appeal by a town of its equalized valuation. The amendment makes the timeline for filing abatement appeals the same for both the Superior Court and the BTLA, and changes the effective date to 60 days after passage. Vote 15-0.

Amendment (4840B)

Amend the bill by replacing all after section 3 with the following:

4 Time Period for Filing Abatement Appeals; Board. Amend RSA 76:16-a to read as follows:

I. After the selectmen neglect or refuse to so abate, in accordance with RSA 76:16, any person aggrieved, having complied with the requirements of RSA 74, upon payment of a \$65 filing fee, may[, within 8 months after notice of such tax, and not afterwards, unless the municipality shall have an additional 2 months to respond to the appeal as provided in RSA 76:16, II, apply in writing to the board of tax and land appeals which.] *apply in writing to the board of tax and land appeals. The appeal shall be filed within 8 months after notice of the tax, and not afterwards, unless the municipality has an additional 2 months to respond to the appeal as provided in RSA 76:16, II, in which case the appeal shall be filed within 10 months after notice of the tax. The board, after inquiry and investigation, shall hold a hearing if requested as provided in this section and shall make such order thereon as justice requires; and such order shall be enforceable as provided hereafter. "Notice of [such] the tax"*

means the date the board of tax and land appeals determines to be the last date of mailing of the final tax bill by the taxing district. The person aggrieved shall state in its appeal to the board either the date of the municipality's decision on the RSA 76:16 application, or that 6 months has passed since the notice of the tax and that the municipality failed to issue a decision in accordance with RSA 76:16.

5 New Paragraph; Small Claims Procedure for Property Tax Appeals. Amend RSA 76:16-a by inserting after paragraph VI the following new paragraph:

VII.(a) The board may establish, by rules adopted under RSA 541-A, a small claims procedure to hear property tax appeals under this section as an alternative to full hearings. The rules may modify the procedural, hearing, and decision requirements of RSA 71-B, RSA 541-A, and paragraphs I-VI of this section.

(b) After filing the appeal pursuant to RSA 76:16-a, the taxpayer shall have the option of electing the small claims procedure. If the taxpayer elects the small claims procedure, the appeal shall be heard as a small claim unless the municipality, within 30 days of the board's notice of the taxpayer's election, requests a full hearing.

(c) The quorum for small claims hearings, decisions, and rehearing orders shall be one board member.

(d) The board retains the authority to require small claims to be heard by full hearing.

6 Time Period for Filing Abatement Appeals; Superior Court. Amend RSA 76:17 to read as follows:

76:17 By Court. [If] *After* the selectmen neglect or refuse so to abate, any person aggrieved, having complied with the requirements of RSA 74, may, in lieu of appealing pursuant to RSA 76:16-a, [within 8 months after notice of the tax] apply by petition to the superior court in the county, which shall make such order thereon as justice requires. *The appeal shall be filed within 8 months after "notice of the tax," and not afterwards, unless the municipality has an additional 2 months to respond to the appeal as provided in RSA 76:16, II, in which case the appeal shall be filed within 10 months after notice of the tax. "Notice of the tax" means the date the board of tax and land appeals determines to be the last date of mailing of the final tax bill by the taxing district.*

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

(1) Authorizes the board of tax and land appeals to establish a small claims procedure as an alternative to full hearings for property tax appeals.

(2) Establishes a time period for the filing of an appeal by a town of its equalized valuation as determined by the commissioner of revenue administration.

(3) Allows members of the board of tax and land appeals to have employment other than their employment by the board if such employment is not in conflict with their duties as members of the board.

(4) Clarifies the wording of a statute regarding responses to appeals of reassessments by large municipalities.

(5) Extends the time period for filing an abatement appeal for certain municipalities.

This bill was requested by the board of tax and land appeals.

HB 1442-FN-A, relative to a real estate transfer questionnaire and making an appropriation therefor. **ought TO PASS WITH AMENDMENT**

Rep. Gabriel J. Daneault for Municipal and County Government: This bill is the result of a study committee which held many meetings. The Department of Revenue Administration was in favor and also the NH Assessors Association and the Bar Association. This bill would make it easier for DRA to establish equalized value for all locally assessed properties. Nobody testified against this bill. Vote 17-0.

Amendment (4593B)

Amend the introductory paragraph of RSA 78-B:10-a, I as inserted by section 3 of the bill by replacing it with the following:

I. In order to properly equalize the value of property under RSA 21-J:3, XIII, a real estate transfer questionnaire shall be filed with the department of revenue administration for each transfer of real estate or interest in real estate. Each form may include the following information:

Amend RSA 78-B:10-a, I(n) and II as inserted by section 3 of the bill by replacing them with the following:

(n) The buyer's dated signature certifying that the information indicated on the form is true.

(o) Such other information as the commissioner of revenue administration may deem necessary.

II. The real estate transfer questionnaire required by this section shall be filed with the department of revenue administration by the purchaser, grantee, assignee, or transferee, no later than 30 days from the recording of the deed at the register of deeds or transfer of real estate, whichever is later. Persons required to file the real estate transfer questionnaire who willfully fail to file or willfully make false statements on the forms shall be guilty of a violation.

Referred to Appropriations.

HB 1565-FN, adding an exemption from inspections for certain boilers. REFER FOR INTERIM STUDY

Rep. Richard Soucy for Public Protection and Veterans Affairs: House Bill 1565-FN exempts certain hot water boilers in buildings of less than 30,000 square feet. The Department of Labor indicated the cost to the State would be in excess of \$180,000 per year. Testimony in favor of this bill raised sufficient interest to suggest a study of the situation. Vote 12-0.

HB 1314-FN-A-L, to abolish the collection of tolls along state highways and to increase the gasoline tax. INEXPEDIENT TO LEGISLATE

Rep. Fredrik Peyron for Public Works: At this time we are not prepared to do away with road tolls. The toll question will, furthermore, be studied in depth by the Public Works Committee. Vote 18-0.

HB 1491-FN, relative to signage and fees charged for installation, replacement and removal of signs. INEXPEDIENT TO LEGISLATE

Rep. Gene G. Chandler for Public Works: After meetings with the sponsor of this bill and the representative of the NH Restaurant and Lodging Association, it was decided to withdraw support for this bill at the present time, and let the recently adopted Department of Transportation rules concerning signage take effect. The Committee has agreed to work with the DOT and Federal Highway Administration to seek a waiver regarding signage for natural attractions. Vote 17-0.

HB 1501-FN-A, requiring the department of transportation to repair the road from New Hampshire route 10 to Bedell state park and making an appropriation therefor. REFER FOR INTERIM STUDY

Rep. Stephanie Eaton for Public Works: This bill requires the Department of Transportation to repair the road from NH Route 10 to Bedell State Park and makes an appropriation therefor. The Department supports this bill. The Committee feels the state should probably be involved with the construction, due to a commitment made by the Department of Resources and Economic Development to do so. The Committee feels strongly the area needs a boat launch, which would provide the opportunity of entry and egress for anyone on the New Hampshire side of the Connecticut River. The Committee feels that it may make sense for the Fish and Game Department to take ownership of the entire parcel and use federal funds to construct the boat launch and improve the access road. The Committee feels it needs additional time to explore the whole situation and unanimously supported interim study. Vote 19-0.

HB 1529-FN, relative to the apportionment, priority of and limitations on bridge betterment funds. OUGHT TO PASS

Rep. Terence R. Pfaff for Public Works: This bill changes the method of apportionment of highway and bridge betterment funds from road mileage and population in a district to road

mileage and number of bridges in a district. It further allows the use of recovered insurance settlements by municipalities to offset the matches necessary to receive bridge aid. This bill also modifies the method by which municipalities receive priority for bridge funds. Vote 19-0.

HB 1531-FN, imposing a surcharge on fines and default payments which are overdue to the courts. **INEXPEDIENT TO LEGISLATE**

Rep. Edwin O. Smith for Public Works: The Committee felt that a one percent fee would not be a serious deterrent to people not paying fines. It was felt that the best way to put teeth into collection of fines was through revocation of driving privileges. The Department of Safety is working in that direction. Recently better cooperation has been established between the states with reference to driving privileges. Vote 15-0.

HB 1544, replacing the capital budget with separate capital expenditure bills. **INEXPEDIENT TO LEGISLATE**

Rep. Stephanie Eaton for Public Works: The main problem trying to be addressed in this bill seems to relate to an unhappiness with the Capital Budget process, especially as it relates to the final Committee of Conference vote when the House must vote yea or nay, with no amendments. The Capital Budget is a bill, treated the same as any other bill in the legislative process, and subject to the same rules. Every member or department has at least five opportunities to amend the Capital Budget before it reaches the Committee of Conference. The downside of this bill is that instead of one Conference report we could end up with 20 to 40 or more Conference reports. Vote 20-0.

HB 1321-FN, establishing a dining room bar liquor license and license fee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen G. Avery for Regulated Revenues: HB 1321-FN - creates parity between full service restaurants and restaurant cocktail lounge licenses on the dining room sales of alcoholic beverages. Vote 19-0.

Amendment (4908B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to liquor licenses for full service restaurants.

Amend the bill by replacing all after the enacting clause with the following:

1 Full Service Restaurants and Hotel Full Service Restaurants. Amend RSA 178:19, II, II(a) and (b) to read as follows:

II. The commission may authorize establishments, as they are defined in RSA 175:1, having full service restaurants to sell beverages *and liquor* at such time as food is available [and liquor with meals].

(a)(1) Licenses for Full Service Restaurants. The commission may issue a license to any full service restaurant. Such license shall entitle the licensee to sell beverages and liquor[, to be consumed with meals] at tables in the approved dining rooms of the restaurant[. Full service restaurants holding cocktail lounge licenses may serve liquor in the dining room] *with or* without meals when the restaurant kitchen is in operation and meals are being *actively promoted and* served in that dining room. The dining room shall not, however, be used as a substitute for lounge operations. Licenses shall be granted only to restaurants approved by the commission and which show the commission on forms, filed annually between January 15 and February 15, for the previous calendar year, that at least 50 percent of the gross sales of any such licensee is in food. Restaurants with annual food sales of at least \$75,000 shall be exempt from the 50 percent requirement. The commission shall at least annually review each license, and application for renewal, on the conditions stated in this paragraph.

(2) The dining room shall be open for business at least 5 days a week for evening meals, unless the commission has granted an exemption.

(3) Private groups contracting for function rooms may *also* be served beverages and liquor without food, provided the public dining room remains in operation.

(4) Notwithstanding the fact that the towns of Newington, New Hampton, and Landaff have voted or vote in any referendum to prohibit the sale of liquor and beverages, a license to sell beverages by the glass or other suitable container or by the bottle with cap

removed; wines or fortified wines by the bottle with cap removed; wines or fortified wines by the bottle, if the cork is drawn, or liquor by the glass or the suitable container to customers with meals at tables only, may be issued to any full service restaurant in the towns of Newington, New Hampton, and Landaff, but only if the restaurant is open and does business at least 10 months of every calendar year and if said restaurant shall meet all other requirements of this section.

(b)(1) Hotel Full Service Restaurant. The commission may issue a license to any hotel in any town. Notwithstanding the fact that the town where the hotel is located has voted not to approve the sale of beverages in said town, the license issued to a hotel shall entitle the licensee to:

(A) Sell beverages and liquor by the glass or other suitable container and wine by the bottle, if the cork is drawn, or by other suitable container to guests [with meals] in the dining room or in the rooms of guests.

(B) Sell beverages, liquor, and wine by the bottle which shall be delivered to the rooms of guests, provided that such sales are not made below the cost of such beverages and liquor.

(C) Include a specified quantity of complimentary beverages and liquor as part of a contract for the hosting of a convention or offer a specified quantity of complimentary beverages or liquor in soliciting such conventions. As used in this paragraph "convention" means an assembly of persons participating in a business, political, professional or other organizational gathering. Notwithstanding RSA 175:4 or any rules adopted under that section, hotels may advertise and offer package deals to resident guests, which include complimentary drinks, provided such offers shall be limited to persons of legal drinking age.

(D) Sell beverages and liquor in bottles or containers not exceeding one liter capacity, which shall be stored under lock and key in a cabinet or miniature refrigerated bar in hotel rooms and which shall be available only to hotel room guests who are of legal drinking age.

(2) The dining room shall be open for business at least 5 days a week for evening meals, unless the commission has granted an exception.

(3) Hotels [holding lounge licenses] may serve beverages and liquor in the dining room without meals provided the hotel kitchen is in operation and meals are being *actively promoted and* served in the dining room. The dining room may not be used as a substitute for lounge operations.

2 Food Sales Requirement Reduced for Full Service Restaurants. Amend RSA 178:20, V(q) to read as follows:

(q) Full Service Restaurants. The commission may issue a cocktail lounge license to any full service restaurant holding a full service restaurant license under RSA 178:19, II(a)(1), to serve liquor and beverages in any room of the restaurant designated by the commission. The cocktail lounge shall be operated in conjunction with the dining rooms. No cocktail lounge shall be operated on days that the dining room is closed. No cocktail lounge shall operate before the dining room opens for meals, except if breakfast and noon meals are not offered, the cocktail lounge may operate 3 hours before the dining room opens for the evening meals. Liquor and beverages served in such room need not be consumed with meals. The commission may extend the cocktail lounge license to include the use of a dining area in the restaurant, after such area has been closed for serving meals, but not before 9:00 p.m., as an overflow area for the cocktail lounge when the lounge is filled to capacity. In the overflow area, liquor and beverages need not be served with meals. Licenses shall be granted only to such restaurants as the commission, at its discretion, shall approve and then only to such restaurants as shall demonstrate to the commission, in the manner prescribed by the commission, that at least 50 percent of the combined restaurant and lounge and lounge sales shall fall within the category of food. Restaurants with annual food sales of at least [\$100,000] **\$75,000** shall be exempt from the 50 percent requirement, and the commission shall prorate the annual food sale requirements for seasonal restaurants. The commission may grant, regulate, suspend or revoke a cocktail lounge license without affecting any other license granted to such restaurant.

3 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill permits full service restaurants and full service hotel restaurants licensed by the liquor commission to serve liquor as well as beverages and wine when the dining room is open and meals are being served, whether or not a meal is ordered.

The bill also reduces the food sales requirement for full service restaurants.

HB 1103, redefining the term "camp" for boys and girls. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas J. Kirby for Resources, Recreation and Development: The sole effect of HB 1103 is to require recreational camps for boys and girls, operating for ten (10) or more instead of thirty (30) or more days in any year, to be licensed by and satisfy the health and safety standards adopted in rulemaking by the Division of Water Supply and Pollution Control to protect these young people. This is the only legislative outcome of a study conducted in 1993 by the division in conjunction with representatives of camps and camping organizations to update the states safety regulations. Vote 15-0.

Amendment (4758B)

Amend the bill by replacing section 1 with the following:

1 Camp Defined. Amend RSA 485-A:23 to read as follows:

485-A:23 Recreation Camps. As used in this subdivision the word "camp" means any place set apart for recreational purposes for boys and girls. It shall not be construed as applying to private camps owned or leased for individual or family use, or to any camp operated for a period of less than [30] 10 days in a year.

AMENDED ANALYSIS

This bill defines the term "camp" as that term is used for recreational purposes for boys and girls, to include those camps which are in operation for 10 days or more.

HB 1151, prohibiting the use of certain motorized craft on the ice or open waters of Spoonwood Pond in the towns of Nelson and Hancock. **OUGHT TO PASS WITH AMENDMENT**

Rep. Deborah F. Merritt for Resources, Recreation and Development: Spoonwood Pond provides a unique aquatic habitat. It is currently open to the public through privately owned access points. The Committee felt the request of the sponsors to limit the use of motorcraft to those only with electric motors was appropriate. Vote 14-1.

Amendment (4746B)

Amend the title of the bill by replacing it with the following:

AN ACT

prohibiting the use of certain motorized craft on
Spoonwood Pond in the town of Nelson.

Amend the bill by replacing section 1 with the following:

1 New Section; Motorized Craft on Spoonwood Pond Prohibited. Amend RSA 270 by inserting after section 126 the following new section:

270:127 Spoonwood Pond. No person shall operate any boat equipped with any motor, except an electric motor with 50 pounds or less of thrust and a power source of 24 volts or less, on Spoonwood Pond in the town of Nelson. Any person who violates the provisions of this section shall be guilty of a violation.

AMENDED ANALYSIS

This bill limits the use of boats on Spoonwood Pond in the town of Nelson to boats equipped with an electric motor with 50 pounds or less of thrust and a power source of 24 volts or less.

HB 1162-FN, authorizing the department of environmental services, division of water resources, to acquire certain dams. **OUGHT TO PASS WITH AMENDMENT**

Rep. William H. Nehring for Resources, Recreation and Development: The Department of Environmental Services, Division of Water Resources has studied the three dams in question.

The Department has agreed the repairs will be accomplished according to their priorities over a period of three years. The cost will be covered by the Dam Maintenance Fund. Making the repairs to the dams will benefit the community of Milton Mills; most importantly, it will provide water for fire protection. Vote 14-0.

Amendment (4782B)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

Referred to Appropriations.

HB 1204-FN, establishing a procedure for the acquisition, condemnation, or removal of dams to be followed by the department of environmental services, division of water resources. **INEXPEDIENT TO LEGISLATE**

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: HB 1204 is unanimously opposed by the RR&D Committee because it greatly alters existing public policy and increases the administrative burden of DES. Furthermore, the fundamental concept of HB 1204 is the authorization for condemnation and removal of dams. Existing law (RSA 482:44 et. seq. and RSA 482:58 et. seq.) provides for the State, or a municipality, to acquire dams in the public interest. The provisions for the acquisition of dams in disrepair are comprehensive and have worked well for many years. In fact, NH is frequently cited as the leader in dam legislation in this country. This bill eliminates references to the value of dams and the regulation of flow in rivers and streams for public safety. Existing statutes contain a comprehensive public policy with references supporting both the active management of our water resources and the protection of free-flowing streams. The Public Water Rights Study Committee addressed many of these subjects during the past two sessions and concluded that the existing language could not be improved. Vote 14-0.

HB 1250, requiring that any person who is authorized to treat water at a water treatment plant be certified as an operator. **INEXPEDIENT TO LEGISLATE**

Rep. Martin Feuerstein for Resources, Recreation and Development: The Committee feels that the objectives of HB 1250 are being met already. Operators are certified to ensure they possess the technical knowledge and capability to operate the water system that employs them. In addition to the initial certification process, an individual is required to obtain continuing education credits to ensure that they stay current with the latest technologies pertaining to the drinking water industry. With this in mind, the Committee believes that there is no need to amend RSA 332-E:3,III. Vote 14-0.

HB 1261-FN, requiring that no public water access areas shall be constructed without the preliminary approval of the public water access advisory board. **REFER FOR INTERIM STUDY**

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: HB 1261-FN represents an initial attempt to control what appears to be excess expenditure on and over-design of public access to our rivers and great ponds. The Committee believes that the same amount of money could build twice as many access points if the agency responsible for the design would use a common sense approach and stop saying "Uncle made us do it." Because the RR&D Committee refuses to accept the premise that excessive state expenditures are necessary to ensure the availability of federal matching funds, we want to send HB 1261-FN to interim study so that more light can be shed upon this apparent contradiction. Vote 15-0.

HB 1362, establishing a committee to study the feasibility of allowing electric-powered craft on lakes and ponds in the state except for those closed because they are used as public water supplies. **REFER FOR INTERIM STUDY**

Rep. Michael D. Whalley for Resources, Recreation and Development: During testimony on this bill it was brought to light that many lakes were closed to "motors", meaning petroleum-powered motors before electric trolling motors were available. The Committee felt that interim study, during the summer, would allow enough time to consider those lakes individually, visit where needed, and allow public input in order to make legislative recommendations in the 1995 session. Vote 16-0.

HB 1413, relative to the findings of the public water rights study committee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Janet M. Conroy for Resources, Recreation and Development: The purpose of this bill is to provide a "paper trail" for the Public Water Rights Study Committee report. HB 1413 notes the report was completed and is filed at the State Library. Vote 16-0.

Amendment (4864B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the report of the public water rights study committee.

Amend the bill by replacing all after the enacting clause with the following:

1 Report of Public Water Rights Study committee. The public water rights study committee was established under 1990, 148, as amended by 1991, 356 and 1992, 28. As a result of the public water rights study committee's meetings, the public water rights study committee produced a report of its findings which the general court has filed in the state library.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill recognizes that the report of the public water rights study committee established under 1990, 148 as amended by 1991, 356 and 1992, 28 was filed at the state library.

HB 1444-FN, authorizing the use of on-site recycling and greywater waste treatment systems as an alternative waste disposal system and authorizing inspection fees. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah F. Merritt for Resources, Recreation and Development: The Department of Environmental Services is currently drafting administrative rules regarding emerging technologies in the wastewater treatment field as a result of SB 186 which was passed last session. The sponsor felt, in the light of this, that the bill was no longer necessary. The Committee concurred. Vote 14-0.

HCR 24, designating the month of June as "Porcelain Art Month." **INEXPEDIENT TO LEGISLATE**

Rep. Ann C. Holl for Resources, Recreation and Development: This bill was found to be unnecessary as it was reported that the Governor will be signing a proclamation designating June as Porcelain Art Month. Vote 15-0.

HB 1211, allowing the adoption of bylaws relative to the maintenance and operation of municipal water departments. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karen McRae for Science, Technology and Energy: HB 1211, as amended, includes in statute sewer departments and municipal water departments. The bill allows the governing bodies of municipal water systems to pass ordinances and by-laws. The bill also clarifies the authority of public water departments to hold and to expend capital reserve funds, and to levy fees and special assessments. Vote 8-0.

Amendment (4607B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the authority of municipal water departments and to fee charged by such departments.

Amend the bill by replacing all after the enacting clause with the following:

1 Certain Capital Reserve Funds. Amend RSA 35:7 to read as follows:

35:7 Water Departments. Any water works *or sewer* department of a city or town, organized by general law or special act of the legislature and financed principally by water *or sewer* rentals, may, by unanimous vote of the [members of its water board or commissioners] *body* charged with the administration thereof, *whether the local governing body, water board, or a board of water or sewer commissioners*, establish a capital reserve fund for said department for the purposes as provided in RSA 35:1. Such reserve shall be established only from surplus from water *or sewer* rentals and no part thereof shall be made from appropriations by said city or town.

2 Expenditures From Certain Capital Reserve Funds. Amend RSA 35:15 to read as follows:

35:15 Expenditures. Persons holding said capital reserve funds in trust, as provided in this chapter, shall hold the same until such time as the town, district or county shall have voted to withdraw funds from such capital reserve fund or shall have named agents of the town, district or county to carry out the objects designated by the town, district or county, in the manner prescribed by RSA 35:3. Expenditures from any fund established for the acquisition of land pursuant to RSA 35:1 shall be made only as authorized by a majority vote of the legal voters present and voting at an annual or special meeting, in the case of a town, school district or village district, or by majority vote of the county delegation, in the case of a county. In the case of a water works *or sewer* department, as provided in RSA 35:7, the *governing body*, water board [or its], *or the water or sewer* commissioners *if any*, shall determine when expenditures from said reserve shall be made. In all cases, expenditures from a capital reserve fund shall be made only for or in connection with the purposes for which said fund was established or as amended as provided in RSA 35:16.

3 New Sections; Water Department Powers. Amend RSA 38 by inserting after section 15 the following new sections:

38:15-a Bylaws and Ordinances.

I. In municipalities with public water systems the governing body, or the board of water commissioners if any, may adopt such ordinances and bylaws relating to the system or structures as required for proper maintenance and operation.

II. Any person who violates any ordinance or bylaw adopted pursuant to paragraph I of this section shall be subject to a civil penalty not to exceed \$10,000 per day of such violation.

38:15-b Assessment for Water Supply. The governing body, or board of water commissioners if any, may assess upon the persons who are served by the water system, or whose lands receive special benefit from the water system, their just share of the expense of constructing and maintaining the system or paying any capital debt or interest incurred in constructing or maintaining the system.

38:15-c Water Rentals. For the defraying of the cost of construction, payment of the interest on any debt, incurred, management, maintenance, operation and repair of water systems, or construction, enlargement or improvement of such systems, the governing body, or the board of water commissioners if any, may establish a scale of rents to be called water rents, may prescribe the manner in which and the time at which such rents are to be paid and may change such scale from time to time as may be deemed advisable. The amount of such rents may be based upon the consumption of water on the premises connected to the water system, or the number of persons served on the premises, or upon some other equitable basis.

38:15-d Water Funds.

I. The funds received from the collection of water rentals shall be kept as a separate and distinct fund to be known as the water fund. Such fund shall be allowed to accumulate from year to year, shall not be commingled with town or city tax revenues, and shall not be deemed part of the municipality's general fund accumulated surplus. Such fund may be expended only for the purposes specified in RSA 38:15-c, or for the previous expansion or replacement of water lines or water systems.

II. Except when a capital reserve fund is established pursuant to paragraph III, all water funds shall be held in the custody of the municipal treasurer. Estimates of anticipated water rental revenues and anticipated expenditures from the water fund shall be submitted to the governing body as set forth in RSA 32:6 if applicable, and shall be included as part of the municipal budget submitted to the local legislative body for approval. If the municipality has a properly-established board of water commissioners, then notwithstanding RSA 41:29 or RSA 48:16, the treasurer shall pay out amounts from the water fund only upon order of the board of water commissioners. Expenditures shall be within amounts appropriated by the local legislative body.

III. At the option of the local governing body, or of the board of water commissioners if any, all or part of any surplus in the water fund may be placed in one or more capital reserve funds held in the custody of the trustees of trust funds pursuant to RSA 35:7. If such a reserve fund is created, then the governing body, or board of water commissioners if any, may

expend such funds pursuant to RSA 35:15 without prior approval or appropriation by the local legislative body, but all such expenditures shall be reported to the municipality pursuant to RSA 38:20. This section shall not be construed to prohibit the establishment of other capital reserve funds for any lawful purpose relating to municipal water systems.

4 Sewer Ordinances. Amend RSA 149-I:6, 1 to read as follows:

I. In municipalities where the sewage is pumped or treated, the mayor and aldermen may adopt such ordinances and bylaws relating to the system, pumping station, treatment plant or other appurtenant structure as are required for proper maintenance and operation. [Such ordinances and bylaws shall not be more stringent than applicable federal or state standards, regulations, or statutes.]

5 Sewer Funds; Custody and Spending Authority. RSA 149-I:10 is repealed and reenacted to read as follows:

149-I:10 Sewer Funds.

I. The funds received from the collection of sewer rentals shall be kept as a separate and distinct fund to be known as the sewer fund. Such fund shall be allowed to accumulate from year to year, shall not be commingled with town or city tax revenues, and shall not be deemed part of the municipality's general fund accumulated surplus. Such fund may be expended only for the purposes specified in RSA 149:8, or for the previous expansion or replacement of sewage lines or sewage treatment facilities.

II. Except when a capital reserve fund is established pursuant to paragraph III, all sewer funds shall be held in the custody of the municipal treasurer. Estimates of anticipated sewer rental revenues and anticipated expenditures from the sewer fund shall be submitted to the governing body as set forth in RSA 32:6 if applicable, and shall be included as part of the municipal budget submitted to the local legislative body for approval. If the municipality has a properly-established board of sewer commissioners, then notwithstanding RSA 41:29 or RSA 48:16, the treasurer shall pay out amounts from the sewer fund only upon order of the board of sewer commissioners. Expenditures shall be within amounts appropriated by the local legislative body.

III. At the option of the local governing body, or of the board of sewer commissioners if any, all or part of any surplus in the sewer fund may be placed in one or more capital reserve funds and placed in the custody of the trustees of trust funds pursuant to RSA 35:7. If such a reserve fund is created, then the governing body, or board of sewer commissioners if any, may expend such funds pursuant to RSA 35:15 without prior approval or appropriation by the local legislative body, but all such expenditures shall be reported to the municipality pursuant to RSA 149-I:25. This section shall not be construed to prohibit the establishment of other capital reserve funds for any lawful purpose relating to municipal water systems.

6 New Section; Reports. Amend RSA 149-I by inserting after section 24 the following new section:

149-I:25 Reports. In towns and village districts adopting this chapter, the selectmen or district commissioners, or board of sewer commissioners if any, shall annually, at the time other town or district officers report, make a report to the municipality of the condition of the plant financially and otherwise, showing the funds of the department, the expenses and income thereof, and all other material facts. This report shall be published in the annual report of the municipality.

7 Effect on Prior Law. This act shall not be construed to affect the legal validity of any act or financial transaction of any municipality or any water or sewer department which may have occurred prior to its effective date.

8 Applicability. Municipalities shall have until January 1, 1996 to conform to the provisions of this act governing custody and expenditure of water and sewer funds.

9 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows the governing bodies of municipal water systems to pass ordinances or bylaws relating to the maintenance and operation of the municipal water systems. Penalties are provided for violations of the ordinances or bylaws.

The bill allows the governing bodies to assess construction and repair expenses for the water systems to the users of the system.

The bill clarifies the authority of water departments to levy water rentals, special assessments and hookup fees.

The bill also clarifies the custody of an expenditure of special water department funds.

HB 1511-FN, allowing cooperative electric utilities to be exempted from regulation by the public utilities commission. **INEXPEDIENT TO LEGISLATE**

Rep. Richard L. Cogswell for Science, Technology and Energy: The sponsor of the bill recommended de-regulation of the New Hampshire Electric Co-op. However, as the process and ramifications of de-regulation are very complex, the Co-op board and sponsor agreed to an in-depth study of the whole issue and will come back to the legislature with their recommendations. Vote 8-0.

HB 1463, modifying the definition of angling. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. L'Heureux for Wildlife and Marine Resources: Current Fish and Game Law allows the use of two fishing rods in a boat, and one from shore. HB 1463 allows the use of two rods for everyone. The amendment, the request of the Fish and Game Department, simply clarifies the definition of hooks. Vote 12-0.

Amendment (4723B)

Amend the bill by replacing section 1 with the following:

1 Angling; Definition Modified. Amend RSA 207:1, 1 to read as follows:

1. Angling: The taking of fish by line in hand, or rod in hand to which is attached a cast of artificial flies, or an artificial bait, or [one hook for bait] *hooks or other devices for the attachment of bait*. A person may have in use not more than [one] 2 such [line] *lines* at one time [except while fishing from a boat, canoe or other craft or through the ice, when 2 lines may be used]. Nothing in this title shall prohibit the use of a rod-holder in a boat.

AMENDED ANALYSIS

This bill modifies the definition of angling by permitting the use of 2 lines at one time and more than one hook on each line.

HB 1527, prohibiting the sale and use of lead fishing sinkers except to persons with commercial salt water fishing licenses. **REFER FOR INTERIM STUDY**

Rep. Henry W. Coulombe for Wildlife and Marine Resources: The Committee felt that pending a ruling from the EPA, this bill would require more study. Vote 11-0.

REGULAR CALENDAR

HB 442-FN, creating a new New Hampshire port authority and making an appropriation therefore. **REFER FOR INTERIM STUDY**

Rep. Charles L. Vaughn for Appropriations: In order to move forward with the merger of the Pease Development Authority and the New Hampshire Port Authority, in a timely manner, both Appropriations and Commerce committees agreed on the establishment of a joint interim study task force of members of both House committees which will examine and rectify differences that exist not only between the House committees but also between the Port and the PDA. The task force will report not later than 1 November 1994, with recommendations to complete the merger. Vote 17-0.

Adopted.

HB 1213-FN-A, appropriating funds to the state commission for human rights for the purpose of hiring temporary help. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Wheeler for Appropriations: The committee felt that the state should deal with human rights appropriately or say that it does not want to have a Human Rights Commission. This bill appropriates funds to hire temporary personnel to clear the commission's backlog. Vote 17-1.

Amendment (4787B)

Amend the title of the bill by replacing it with the following:

AN ACT

appropriating funds to the state commission for human rights for the purpose of hiring temporary personnel and establishing a time-frame within which decisions on complaints before the commission must be made.

Amend the bill by replacing all after the enacting clause with the following:

1 Hiring Authorization. Subject to the state personnel rules, and within the limits of the appropriation in section 2 of this act, the state commission for human rights, established in RSA 354-A, is authorized to hire temporary personnel of which at least 3 persons shall be investigators, labor grade 20, to help clear the commission's backlog of cases.

2 Appropriation. The sum of \$130,000 is hereby appropriated to the state commission for human rights for the fiscal year ending June 30, 1995, for the purposes of section 1 of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

3 Time-Frame for Disposition of Complaints. Amend RSA 354-A:21, IV to read as follows:

IV. In administering this section, the commission shall be exempt from the provisions of RSA 541-A:14, II, but shall [act on all matters before it under this section in as expeditious a manner as the law permits] *close each case or commence adjudicative proceedings on such case under RSA 354-A:22 within 24 months after the filing date of the complaint.*

4 Effective Date.

I. Section 3 of this act shall take effect January 1, 1996.

II. The remainder of this act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill appropriates funds to the state commission for human rights to hire temporary personnel of which at least 3 persons shall be investigators, labor grade 20, to help clear the commission's backlog of cases.

The bill also requires the commission to close cases or commence adjudicatory proceedings within 24 months after the filing of complaints.

Adopted.

Report adopted and ordered to third reading.

HB 1358-FN, relative to a state contribution for meeting Clean Air Act provisions. REFER FOR INTERIM STUDY

Rep. Charles L. Vaughn for Appropriations: This bill, as important as it is, is premature. The Environmental Protection Agency (EPA) has not yet promulgated the rules of the Clean Air Act that affect New Hampshire. In the meantime, this bill best be referred to interim study. Vote 17-0.

Adopted.

HB 1275, relative to filing fees for certain charitable corporations. INEXPEDIENT TO LEGISLATE

Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs: Although the bill, as written, did not solve the problem that the sponsor wanted to address, the committee feels the \$50 per year fee is fair and necessary to offset the cost to review nonprofits' financial statements. Vote 14-0.

Adopted.

HB 1392, making a second or subsequent obscenity violation a class B felony. OUGHT TO PASS WITH AMENDMENT

Rep. Richard H. Campbell, Jr. for Corrections and Criminal Justice: Although there have been few first-offense convictions for obscenity, the committee was convinced that the problem is real and that a stiff second-offense penalty will encourage prosecution and provide a deterrent. The amendment repeals wording that was struck down by the courts years ago but still appears in the RSA, and so helps to make clear that we are not addressing constitutionally protected acts. Vote 13-2.

Amendment (4714B)

Amend the title of the bill by replacing it with the following:

AN ACT

making a second or subsequent obscenity violation a class B felony
and modifying a definition of sexual conduct.

Amend the bill by inserting before section 1 the following and renumbering the original sections 1 and 2 to read as 2 and 3:

I Definition of Sexual Conduct Modified. Amend RSA 650:1, VI to read as follows:

VI. "Sexual conduct" means human masturbation, sexual intercourse-actual or simulated, normal or perverted, [or any touching of the genitals, pubic areas or buttocks of the human male or female, or the breasts of the female,] whether alone or between members of the same or opposite sex or between humans and animals, any depiction or representation of excretory functions, any lewd exhibitions of the genitals, flagellation or torture in the context of a sexual relationship. Sexual intercourse is simulated when it depicts explicit sexual intercourse which gives the appearance of the consummation of sexual intercourse, normal or perverted.

AMENDED ANALYSIS

This bill makes a second or subsequent obscenity violation a class B felony and modifies a definition of sexual conduct.

Adopted.

Rep. Donna Sytek yielded to questions.

Report adopted and ordered to third reading.

HB 1132, relative to the failure to renominate or reelect teachers. **INEXPEDIENT TO LEGISLATE**

Rep. Nils H. Larson, Jr. for Education: Teachers now have ample provision to provide them reasons for Non-Renomination or Non-Reelection. Schools have an evaluation process under both contract and policy. It is not necessary to expand and add to laws for individual situations. Vote 12-3.

Adopted.

HB 1146-FN-L, relative to climate control upgrades for year-round schools. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles B. Yeaton for Education: With much attention being given to innovative and cost-saving measures relative to education, year-round school programs are receiving considerable attention. This bill encourages this option by providing grants to districts so that they may adapt building to make year-round education a more viable alternative. Vote 13-2.

Amendment (4896B)

Amend the bill by replacing section 2 with the following:

2 New Paragraph; Year-Round Schools; Climate Control. Amend RSA 198:15-b by inserting after paragraph V the following new paragraph:

VI. Notwithstanding the provisions of paragraphs I and II, the state board of education is authorized to approve a grant to any school district duly organized, any city maintaining a school department within its corporate organization, or any cooperative school district, in the amount of 60 percent of the cost of providing such climate control system as may be necessary to implement the year-round school concept as determined by the state board of education, provided that selected schools in such district, city, or cooperative district operate as year-round schools. If such schools fail to continue to operate as a year-round school at any time up to 10 years from the date of the grant approval by the state board of education, the total grant made under this section shall be repaid to the state board in full. For the purpose of this section, "year-round school" means a school in which the school's attending student population is spread out over the calendar year using a plan which fulfills the state mandate of 180 school days.

Adopted.

Reps. Wright and Arthur Smith spoke against.

Rep. Skinner spoke in favor.

Roll call request sufficiently seconded. The question being the adoption of the amended Committee report.

Referred to Appropriations.

HB 1354, providing that one member of the state board of education shall be a currently certified and employed New Hampshire public school teacher. **OUGHT TO PASS WITH AMENDMENT**

Rep. William A. Riley for Education: The amendment removes from the bill both the prohibition (on the one hand) and the requirement (on the other) of a certified public school teacher serving on the State Board of Education. Vote 10-5.

Amendment (4847B)

Amend the title of the bill by replacing it with the following:

AN ACT

deleting the provision providing that members of the state
board of education shall not be technical educators
or professionally engaged in school work.

Amend the bill by replacing section 1 with the following:

1 Educator Prohibition Deleted. Amend RSA 21-N:10, I to read as follows:

I. There is hereby established the state board of education consisting of 7 members who shall serve without pay [and shall not be technical educators or professionally engaged in school work]. The members shall be paid for actual expenses incurred in the performance of their duties out of moneys appropriated for the department of education.

AMENDED ANALYSIS

This bill deletes the provision which provides that members of the state board of education shall not be technical educators or professionally engaged in school work.

Rep. William Riley yielded to questions.

Rep. Hutchinson spoke against and yielded to questions.

Rep. Braiterman wished to be recorded in favor.

HB 1458-FN-L, to provide incentive through school building aid for establishing and maintaining public kindergarten programs. **OUGHT TO PASS WITH AMENDMENT**

Rep. Suzan L. R. Franks for Education: This bill as amended creates incentive through enhanced school building aid to help school districts both establish and maintain public kindergarten programs. The committee voted unanimously to support it. Vote 16-0.

Amendment (4844B)

Amend RSA 198:15-i, III as inserted by section 1 of the bill by replacing it with the following:

III. Any school district, city maintaining a school department, or AREA or cooperative school district receiving kindergarten incentive aid under this subdivision shall pay back to

the state board of education 50 percent of the kindergarten incentive aid received under paragraph II at the time such kindergarten program ceases to exist within 10 years of the initial kindergarten incentive aid payment.

Amend the bill by replacing section 2 with the following:

2 Repeal. RSA 198:15-i, I and II; 198:15-j; and 198:15-k, relative to a kindergarten incentive program, are repealed.

Adopted.

Roll call request sufficiently seconded. The question being the adoption of the amended Committee report.

and the report was adopted.

Referred to Appropriations.

Reps. McIlwaine, Pepino and Wells wished to be recorded in favor.

(Rep. Cole in the Chair)**HB 1514**, establishing a "gifted and talented program" for certain public schools. **OUGHT TO PASS WITH AMENDMENT**

Rep. Susan B. Durham for Education: The committee realizes that programs for this group are frequently cut from tight local budgets. This bill would provide \$150 per pupil to encourage local districts to establish programs outside regular school hours for enrichment programs for academically gifted and talented students. The FN calls for state expenditures of \$465,450 in FY 95 and each year thereafter. Vote 13-0.

Amendment (4898B)

Amend RSA 186-D:6 as inserted by section 1 of the bill by replacing it with the following: 186-D:6 Rulemaking Authority. The state board of education shall adopt rules, under RSA 541-A, relative to administering gifted and talented student programs. Such rules shall impose the least possible administrative burden on school districts and shall not establish program content or procedure.

AMENDED ANALYSIS

This bill allows public schools to establish gifted and talented student programs in the elementary and middle school grades. Each school would receive \$150 per year for each student participating in the program. The bill grants rulemaking authority to the state board of education for the purpose of administering this bill.

Adopted.

Roll call request sufficiently seconded. The question being the adoption of the amended Committee report.

HB 676, relative to unfunded state mandates and exempting political subdivisions from certain fees imposed by the department of environmental services. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Trelfa for Environment and Agriculture: The committee and subcommittee spent many hours of intensive study and well attended meetings trying to develop a House Resolution requesting a NH supreme Court opinion on the constitutionality of HB 676. For the purposes of obtaining opinions on carefully selected constitutional issues, the committee felt it would be simpler and more effective if the subcommittee, in cooperation with others, developed alternative vehicles. Vote 17-0.

Rep. David Young moved that the words Ought to Pass be substituted for the report of the Committee Inexpedient to Legislate, and spoke in favor.

Rep. Scanlan spoke against and yielded to questions.

HB 1308-FN-A, establishing a committee to review all aspects of New Hampshire's participation and the operation of the New Hampshire building at the Eastern States Exposition and making an appropriation therefor. REFER FOR INTERIM STUDY

Rep. Derek Owen for Environment and Agriculture: The subcommittee feels that by working with Commissioner Taylor, the sponsors and NH Trustees of the Eastern States Exposition, it can more expeditiously address the concerns regarding the NH Building at the Eastern States Exposition. It will then report back to the Committee on Environment and Agriculture with its findings and proposed legislation for short and long term operations. Vote 16-0.

Adopted.

HB 1123, relative to membership in group II of the New Hampshire retirement system and employment with the police standards and training council. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: The committee feels that instructors at the police academy should be members of group II component of the Retirement System for at least 10 years, before becoming full-time instructors for the Police Training Council. After being a member of group II, as a police officer for 10 years or more, the member may continue membership in the police component of group II in the Retirement System if the individual becomes a full-time instructor for the Police Standards and Training Council. Vote 13-2.

Adopted.

HB 1325-FN, requiring the publication of an AIDS/HIV handbook. OUGHT TO PASS WITH AMENDMENT

Rep. Maxwell D. Sargent for Health, Human Services and Elderly Affairs: This bill clarifies the intent of RSA 141-F, which directs the Division of Public Health Services and the Department of Education to coordinate the education efforts of HIV/AIDS education. It ensures that these entities are an integral part of any revision or rewriting of the existing HIV/AIDS handbook and in the publication of new handbooks. Vote 17-0.

Amendment (4753B)

Amend RSA 186:11, IX-a(c) as inserted by section 1 of the bill by replacing it with the following:

(c) In concert with the division of public health services, department of health and human services and the department of education, publish and distribute an AIDS/HIV education handbook with information consistent with that provided by the National Commission on AIDS and the Center for Disease Control and distribute such handbook to the persons listed in subparagraph IX-a(a) and to local educators. This handbook shall include an abstract of each cited reference sufficient for use as a guide by local school boards or their subcommittees. Such abstracts shall be prepared by the department of education based upon the review of recommended materials. The handbook shall be subject to such review as is recommended by the department of education to keep policy recommendations consistent with the current research on both health education programs and the AIDS epidemic.

AMENDED ANALYSIS

This bill requires the board of education, in concert with the division of public health services, department of health and human services and the department of education, to publish

and distribute an AIDS/HIV education handbook. Information in the handbook shall be consistent with that provided by the National Commission on AIDS and the Center for Disease Control.

Adopted.

Report adopted and referred to Appropriations.

HB 1482-FN-L, relative to increases and conversions of inpatient beds under the certificate of need law. **INEXPEDIENT TO LEGISLATE**

Rep. Alice S. Ziegler for Health, Human Services and Elderly Affairs: The certificate of need statutes underwent a major change two years ago. The 10 bed/10 percent increase or conversion allows nursing homes flexibility to adopt to their changing needs. The committee feels there should be ample time to allow the new law to work. If problems arise, they can be addressed specifically in future legislation. Vote 17-1.

Adopted.

HB 1483, implementing recommendations of the Centers for Disease Control and Prevention relative to the laws requiring a prescription to possess hypodermic needles and modifying the drug paraphernalia laws applying to syringes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: The committee for the third time voted this important bill out with a favorable report. The bill repeals the law requiring a prescription for persons more than 18 to purchase hypodermic needles and syringes. This repeal has been recommended by the Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia. The amendment is merely an expansion of the statement of purpose. The bill adds the requirement to purchase a container for the safe disposal of used needles. Information on counseling and treatment programs are provided when needles are purchased. Vote 19-0.

Amendment (4643B)

Amend the bill by replacing section 1 with the following:

1 Purpose and Legislative Findings.

I. In October 1993 the Centers for Disease Control and Prevention released a report titled "The Public Health Impact of Needle Exchange Programs in the United States and Abroad". The report recommended, as a measure to combat the spread of AIDS amongst intravenous drug users and their families, that states like New Hampshire that required a prescription to possess hypodermic needles should repeal those laws. The report further recommends that states should repeal the paraphernalia laws as they apply to syringes.

II. The general court recognizes that AIDS and hepatitis are spreading in New Hampshire and in the nation, and that the incidence of AIDS is increasing at a faster rate amongst intravenous drug users and their families than any other segment of the population. The general court is also aware of the tragic affliction of the newborn children of drug abusers with pediatric AIDS. The general court further recognizes the need to educate persons on the safe disposal of hypodermic needles and drug rehabilitation.

III. The general court further finds that:

(a) A substantial portion of infections of viral hepatitis, human immunodeficiency virus, and other deadly diseases are due directly or secondarily to individual use of contaminated hypodermic syringes.

(b) Over 40 states and the provinces of Canada make clean hypodermic syringes available through pharmacies without prescription.

(c) Recent medical studies indicate that jurisdictions which do not require prescriptions for hypodermic syringes have reduced rates of blood-borne infectious disease without any higher rates of illegal drug use.

(d) There is presently no reliable system for informing the many lawful users of hypodermic syringes how to safely dispose of them or for providing adequate means to do so, although safe and inexpensive disposal devices now exist.

IV. Therefore, the general court hereby enacts this legislation to implement the recommendations of the Centers for Disease Control Report and to place New Hampshire in the forefront on the issue of safe needle disposal in an effort to mitigate the AIDS crisis and minimize the spread of AIDS.

Rep. Copenhaver yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the Committee amendment.

HB 1507, relative to licensing tattoo parlors and practitioners of tattooing and the fees for such licensure. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: This legislation authorizes the Division of Public Health Services to establish and implement rules to protect the public when seeking a tattoo or body piercing. This activity is increasing throughout New Hampshire and the country. Vote 14-0.

Amendment (4842B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to licensing tattoo parlors and practitioners of tattooing
and the fees for such licensure and continually
appropriating a special fund.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Tattoo Parlors. Amend RSA by inserting after chapter 314 the following new chapter:

CHAPTER 314-A TATTOO PARLORS

314-A:1 Definitions. In this chapter:

I. "Director" means the director of the division of public health services, department of health and human services.

II. "Practitioner" means a person who practices tattooing.

III. "Tattoo" means an indelible mark or figure fixed upon the surface of the body by the insertion of pigment under the skin or by the production of scars.

314-A:2 License Required. No practitioner of tattooing shall practice and no establishment in which tattoos are applied shall be operated without a license issued by the director.

314-A:3 Rulemaking. The director shall adopt rules, under RSA 541-A, relative to the hygienic practice of tattooing and sanitary operations of tattoo establishments. Such rules shall include:

I. Standards of hygiene to be met and maintained by establishments and practitioners in order to receive and maintain a license to carry out the practice of tattooing.

II. Procedures to be used to grant a license, revoke a license, and reinstitute a license.

III. A schedule of fees for licenses sufficient for the administration of this chapter.

IV. Inspection of tattoo establishments.

V. Any other matter necessary to the administration of this chapter.

314-A:4 Fund Established. There is established a special fund in the state treasury known as the tattoo fund. All fees collected under this chapter shall be deposited in this fund and shall be used for the sole purpose of administering this chapter. The fund shall be nonlapsing and shall be continually appropriated to the director, division of public health services.

314-A:5 Applicability. The standards of hygiene and sanitary operation for the practice of tattooing adopted by rule under RSA 314-A:3, I shall also apply to the practice of body piercing taking place in tattoo establishments required to be licensed under this chapter. For the purpose of this section, "body piercing" means any piercing of the human body.

314-A:6 Exemptions.

I. Nothing in this chapter shall prevent a person licensed by this state pursuant to any other provision of law from performing the occupation for which such person is licensed.

II. Nothing in this chapter shall be construed as preventing towns and cities from prohibiting or regulating the practice of tattooing under RSA 31 and RSA 47, provided that such regulation shall be no less stringent than the provisions of this chapter or rules adopted pursuant to this chapter.

314-A:7 Penalty. Any person who violates the provisions of this chapter shall, if a natural person, be guilty of a misdemeanor, and any other person shall be guilty of a felony.

2 New Subparagraph; Tattoo Fund. Amend RSA 6:12, I by inserting after subparagraph (hhh) the following new subparagraph:

(iii) The fees collected under RSA 314-A which shall be credited to the tattoo fund established under RSA 314-A:4.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill requires practitioners of tattooing and tattoo establishments to be licensed and authorizes the director, division of public health services, to issue the license.

The bill requires the hygiene and sanitary procedures adopted by rule under this law to apply to the practice of body piercing taking place in establishments requiring licensure under this bill.

The bill also establishes a tattoo fund and continually appropriates the fund to the director of the division of public health services for the administration of the tattoo law.

Adopted.

Report adopted and referred to Ways and Means.

HB 1532-FN-L, requiring the division of public health services to establish a needle exchange program. OUGHT TO PASS WITH AMENDMENT

Rep. Cecelia D. Kane for Health, Human Services and Elderly Affairs: This bill enables the director of the Division of Public Health Services to establish, with the assistance of an advisory committee, a two-year pilot program of needle exchange in up to three communities. This program offers the free exchange of new hypodermic needles and syringes for used ones. The purpose is to prevent the transmission of human immune deficiency virus (HIV) among intravenous drug users. Needle exchange has been successful in 13 other states with no increase in intravenous drug use. Vote 17-0.

Amendment (4767B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the division of public health services to establish a needle exchange program and making an appropriation therefor.

Amend paragraphs I and II of section 2 of the bill by replacing them with the following:

I. The director of the division of public health services shall establish, with the assistance of an advisory committee, a 2-year pilot program offering the free exchange of new hypodermic needles and syringes for used hypodermic needles and syringes as a means to prevent the transmission of human immunodeficiency virus (HIV) among intravenous drug

users. The pilot program shall be implemented in up to 3 communities in New Hampshire. Any individual who either administers or participates in the needle exchange program established under this act shall be immune from prosecution for violating RSA 318:52-c through RSA 318:52-e. In order to implement this pilot program the director, with the advice of the advisory committee established in section 3 of this act, shall adopt rules relative to:

(a) The communities where the pilot program shall be implemented and the manner of implementation in such communities.

(b) Counseling and rehabilitation services to be offered to persons participating in the program.

(c) Any other matter necessary to the administration of this act.

II. The local municipal government, including the health officer of a chosen community shall approve the pilot program which is to be implemented in the community.

Amend paragraph I of section 3 of the bill by inserting after subparagraph (g) the following new subparagraphs:

(h) A representative of the New Hampshire Pharmacists Association, appointed by such association.

(i) A representative of the New Hampshire Nurses Association, appointed by such association.

Amend the bill by replacing section 5 with the following:

5 Appropriation. The sum of \$50,000 is hereby appropriated for the biennium ending June 30, 1995, to the division of public health services for the purposes of this act. This appropriation shall be reduced by any federal funds received by the division for the purposes of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

6 Effective Date.

I. Section 5 shall take effect July 1, 1994.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the director of the division of public health services to establish, with the assistance of an advisory committee, a 2-year needle exchange pilot program to reduce the spread of AIDS in New Hampshire. The pilot program is to be implemented in up to 3 communities in New Hampshire. The director is granted rulemaking authority to implement the provisions of the bill.

The bill makes an appropriation which is to be reduced by any federal funds received for the purposes of this bill.

On a division vote, 215 members having voted in the affirmative and 94 in the negative, the amendment was adopted.

The question now being the adoption of the amended Committee report.

Roll call request not sufficiently seconded. A second request for a roll call was sufficiently seconded.

HB 1157, extending the time for a motion for rehearing under RSA 541. OUGHT TO PASS WITH AMENDMENT

Rep. Nick Hart for Judiciary: The New Hampshire Municipal Association supports this bill. Because of the mail delays and holidays, the 20 days now allowed is cut sometimes to 16 or 17 days notice. In the absence of two or more selectman from any town, the motion for rehearing has to wait for the members to return to vote for a rehearing. The committee feels an extension of 10 days is reasonable. Vote 10-6.

Amendment (4851B)

Amend RSA 541:3 as inserted by section 1 of the bill by replacing it with the following: 541:3 Motion for Rehearing. Within [twenty] 30 days after any order or decision has been made by the commission, any party to the action or proceeding before the commission, or any person directly affected thereby, may apply for a rehearing in respect to any matter determined in the action or proceeding, or covered or included in the order, specifying in the motion *all grounds* for rehearing [the ground therefor], and the commission may grant such rehearing if in its opinion good reason [therefor] *for the rehearing* is stated in [said] *the* motion.

Adopted.

Report adopted and ordered to third reading.

HB 1404-FN, requiring a fiscal note for bills which change a civil or criminal penalty. INEXPEDIENT TO LEGISLATE

Rep. Shawn N. Jasper for Legislative Administration: It is not uncommon for fiscal notes to require frequent revisions. This area is one of extreme difficulty in trying to pinpoint costs. The policy committees are constantly being made aware of the general costs that go along with increased penalties, by the various agencies which are effected, but even they cannot give exact figures. Moreover, the cost of public protection should not be the primary concern of the legislator, as it is one of the most basic responsibilities of government. The FN calls for state expenditures of \$17,511 in FY '95 and is \$18,290 in FY '96. Vote 9-4.

Adopted.

HB 1417-FN, requiring the state to pay a portion of the cost of health insurance for legislators and allowing spouses of legislators to obtain such insurance at their own expense. INEXPEDIENT TO LEGISLATE

Rep. Shawn N. Jasper for Legislative Administration: Compensation for the legislature is set by the Constitution. This is an attempt to raise our compensation by avoiding the constitutional process. The FN calls for current state expenditures of \$1621 to \$1929 per member. Vote 9-3.

Rep. Hawkins moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Jasper spoke against and yielded to questions.

The motion failed and the report was adopted.

Rep. Houlahan wished to be recorded in favor of the Committee report.

HB 1497-FN, requiring that testimony in public hearings and executive sessions of legislative committee be taped. INEXPEDIENT TO LEGISLATE

Rep. Shawn N. Jasper for Legislative Administration: The committee found that if the Legislature had an excess of funds and a lack of needs this bill would have merit. In our current fiscal situation, that is not the case. We would recommend that our committee clerks be especially careful when recording the intent of bills, and specifically the intent of amendments, as often a change in the placement of a comma can have a drastic effect on the meaning of a bill. The House Clerk's office should provide improved education in the area of minute taking so as to insure intent becomes part of the permanent record. The FN calls for state expenditures of \$109,880 in FY '95 and \$106,380 in FY '96. Vote 10-3

Rep. Copenhaver moved that the words Refer to Interim Study be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Jasper spoke against and yielded to questions.

On a division vote, 154 members having voted in the affirmative and 180 in the negative, the motion failed.

Report adopted.

HB 1268-FN-A-L, relative to widening and adding traffic signals to certain portions of United States Route 3 and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Chandler for Public Works: The traffic problems on US Route 3 and NH Route 11 between Franklin and Laconia are manifold. A study authorized in 1989 and funded in 1992 to identify projects which can be undertaken on the existing right-of-way to improve the level of service, reduce the potential for accidents and meet the needs of the communities has just been completed. The projects in this bill are identified in the study report, and the Public Works Committee supports actions which may be available to carry them out. However, only \$1.00 is appropriated in this bill recognizing current funding constraints. Vote 17-1.

Amendment (4570B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the department of transportation to add traffic signals and make improvements to certain portions of United States Route 3 and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 United States Route 3 Improvements. The department of transportation shall construct traffic signals along United States Route 3 at the intersections with Central Street and West Bow Street, Central Street and River Street, Central Street and Sanborn Street in the city of Franklin, and Central Street and Clark Road in the town of Tilton. The department of transportation shall make improvements to United States Route 3 at the intersection with Central Street and Kendall Street in the city of Franklin.

2 Appropriation. The sum of \$1 for the fiscal year ending June 30, 1995, is hereby appropriated to the department of transportation for the purposes set forth in section 1. The appropriation is nonlapsing and shall be a charge against the highway fund. This appropriation shall be reduced by any federal funds available for this project under the federal Intermodal Surface Transportation Efficiency Act (ISTEA) of 1991.

3 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill appropriates funds for the purpose of adding traffic signals and making improvements to certain portions of United States Route 3. The appropriation shall be reduced by certain federal funds made available for this project.

Adopted.

Report adopted and ordered to third reading.

HB 1523-FN-A, establishing a state veterans' cemetery and making an appropriation therefor. **OUGHT TO PASS**

Rep. Katherine D. Rogers for Public Works: The Committee unanimously supports establishing a state veterans' cemetery on 102 acres of land in the Merrimack State Forest in Boscaawen. HB 1523 creates an oversight committee (consisting of the Governor or his designee, three House members, three Senators, a member of the State Veterans' Council, and a member of the State Veterans' Needs Committee). Vote 14-0.

Adopted and referred to Appropriations.

HB 1557-A, making an appropriation for the design and construction of the Plymouth district courthouse. **OUGHT TO PASS**

Rep. William J. Driscoll for Public Works: The town of Plymouth needs the space in town hall for its own use and has asked the court to move as soon as possible, and this issue is on the warrant for town meeting in March. Additionally, the town has donated the land for the construction of the new building. Vote 17-1.

Adopted and referred to Appropriations.

HB 1464, establishing a special moose hunting permit for certain landowners. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Rose Marie Rogers for the Majority of Wildlife and Marine Resources: Although there is a need to show appreciation to landowners for keeping their land open, this bill, as written, may be difficult to manage and possibly unconstitutional. Vote 7-4.

Reps. Linda A. Smith, Ervin Lachut, Roland J. Lefebvre and Henry W. Coulombe for the Minority of Wildlife and Marine Resources: The Minority is concerned with the increase of landowners posting their opened recreational property. We feel by establishing a special moose hunting permit for landowners of at least 100 contiguous acres, an incentive has been created. This bill may indeed act as a deterrent to posting land.

Rep. Foss moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Drake spoke against.

The motion failed and the report was adopted.

HB 257-FN, establishing a transportation fund to fund transportation infrastructure which cannot be funded with highway fund moneys. OUGHT TO PASS WITH AMENDMENT

Rep. Merle W. Schotanus for Appropriations: This bill establishes a transportation fund to fund New Hampshire transportation infrastructure which cannot be funded by the highway trust fund. The fund would provide a dependable source of funds for long-range programming and meet ISTEA criteria that state matching funds be dedicated to transportation. Vote 17-0.

Amendment (4883B)

Amend the bill by replacing all after section 13 with the following:

14 Transfer of Funds and Obligations.

I. All moneys in the special railroad fund and the aeronautical fund on July 1, 1995, shall be transferred to the transportation fund established under RSA 228:15-a.

II. All outstanding obligations of the department of transportation made prior to July 1, 1995, which encumber moneys in the special railroad fund and the aeronautical fund shall be transferred to the transportation fund.

15 Repeal. The following are repealed:

I. RSA 228:68, relative to the special railroad fund.

II. RSA 228:69, relative to the appropriation and use of the special railroad fund.

III. RSA 422:42-44, relative to the aeronautical fund and certain fees.

16 Effective Date. This act shall take effect July 1, 1995.

Rep. Schotanus yielded to questions.

Adopted.

Report adopted and ordered to third reading.

HB 1324, relative to training for parents so they can provide kindergarten education to their children. INEXPEDIENT TO LEGISLATE

Rep. Charles B. Yeaton for Education: While the sponsor's intent is laudable, this bill would not provide an adequate substitute for a kindergarten education for children. With single parent families and families with both parents working, many of the children who most need kindergarten experience would not be able to receive it. It is also questionable as to whether a few sessions would give the average parent adequate training to provide the experiences which children need. Vote 15-0.

Rep. Hemon moved to Recommit to Committee and spoke in favor.

Rep. Skinner spoke against.

The motion failed and the report was adopted.

CACR 27, relating to the state judiciary. Providing that abolishing the current method for selecting state judges and establishing the New Hampshire Bar as a pool from which state judges are chosen by lot. INEXPEDIENT TO LEGISLATE

Rep. Alice Barnard Record for Judiciary: CACR 27 truly and literally is Inexpedient to Legislate. The committee feels the current system of selecting judges is more than adequate, and in keeping with the basic tenets of the New Hampshire and U.S. Constitutions. Vote 19-0.

Rep. Lown spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Hemon moved that **CACR 27**, relating to the state judiciary. Providing that abolishing the current method for selecting state judges and establishing the New Hampshire Bar as a pool from which state judges are chosen by lot, be laid upon the table.

The motion failed.

Report adopted.

HB 1168, eliminating the requirement that any person applying for a mooring permit furnish the director of safety services with proof of a boat registration or boat ownership. **REFER FOR INTERIM STUDY**

Rep. Robert J. Laflam for Resources, Recreation and Development: Testimony given showed that the problems associated with the mooring program were greater than the focus of the bill. Interim study will provide the Committee with the time needed during the mooring season to review application procedures, review process, and the simplification of renewal procedure. Vote 15-0.

Rep. Andrews moved that the words Ought to Pass be substituted for the report of the Committee, Refer for Interim Study and spoke in favor.

Reps. Laflam and Dickinson spoke against and yielded to questions.

Rep. Merritt spoke against.

On a division vote, 44 members having voted in the affirmative and 269 in the negative, the motion failed.

Report adopted.

HR 45, relative to cable television and retransmission consent. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karen K. McRae for Science, Technology and Energy: HR 45 is an attempt to urge commercial broadcast stations and cable operators in New Hampshire to come to an equitable retransmission agreement. The resolution also calls for Congress to encourage the FCC to make market adjustments to the "Areas of Dominant Influence" so that all New Hampshire residents may have access to a wide variety of programming. Vote 8-0.

Rep. McRae moved to Recommit to Committee and spoke in favor.

Adopted.

RESOLUTION

Rep. Ann Torr offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, February 15, 1994 at 1:00 p.m.

Adopted.

HB 1157, extending the time for a motion of rehearing under RSA-541.

HB 1268-FN-A-L, requiring the department of transportation to add traffic signals and make improvements to certain portions of United States Route 3 and making an appropriation therefor.

HB 257-FN, establishing a transportation fund to fund transportation infrastructure which cannot be funded with highway fund moneys.

SUSPENSION OF RULES

Rep. Ann Torr moved that in the event Legislative hearings are cancelled due to inclement weather on Wednesday, February 9, that the Rules be so far suspended as to permit those hearings and executive sessions to be held on Thursday, February 10.

Rep. Trombly spoke in favor.

Adopted by the necessary two-thirds.

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills and enrolling reports only.

Adopted.

The House recessed at 5:05 p.m.

RECESS

Rep. Cole moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 7

Tuesday, February 15, 1994

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

Forgive us, O God, our lack of confidence in You, our lack of hope in Your power, our lack of faith in Your presence, our lack of trust in Your mercy. Give us a clean heart, O God, renew a right spirit within us and help us to be a community for whom nothing matters but the doing of Your will in Your way, for Your world. Amen.

Rep. Searles led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Rheault, O'Brien, Trelfa, Richard Hill, Royce, Malcolm, Healy, Pantelakos, Patricia Cote and Charles Cote, the day, illness.

Reps. Crum, Hashem, Paquette, Paul White, Gerald Merrill, Flint, McGuirk, Bartlett, Morello, Mayhew, Blake and Dewhirst, the day, important business.

Consent Calendar adopted.

HB 656-FN, to extend medical benefits to group II members on disability retirement who became group II members after June 30, 1988, but before July 1, 1991. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joanne A. O'Rourke for Appropriations: The amendment removes Group II firefighters from consideration of extended disability retirement benefits at their request. The bill, therefore, affects only Group II permanent police members. The firefighters' special account cannot fund both a COLA and this benefit and the COLA is their first priority. Vote 21-0.

Amendment (4926B)

Amend the title of the bill by replacing it with the following:

AN ACT

to extend medical benefits to group II permanent policemen members on disability retirement who became group II members after June 30, 1988, but before July 1, 1991.

Amend the bill by replacing all after the enacting clause with the following:

1 Method of Financing Medical Benefits for Group II Permanent Policemen Members. Amend RSA 100-A:53, II to read as follows:

II. The special account established in RSA 100-A:16, II(h), for group II members, shall be augmented as of July 1, 1988 by \$23,700,000 resulting from a one-time write-up of the valuation assets as of June 30, 1987. At the end of each fiscal year beginning with the year ending June 30, 1989, the state annuity accumulation fund of the New Hampshire retirement system shall be reimbursed from the special account established in RSA 100-A:16, II(h) for the amount of funds allocated to the 401(h) subtrust for that year, and such reimbursement shall continue until the benefits provided through the subtrust are fully funded or until *the* total accumulated reimbursement equals [\$52,800,000] *the sum of*:

(a) The initial special account amount as of June 30, 1988, of \$52,800,000;

(b) *The additional special account amount as of June 30, 1993, of \$1,200,000 to provide benefits under RSA 100-A:52 for persons who are group II permanent policemen members on disability retirement as the natural and proximate result of injuries suffered while in the performance of duty who become permanent policemen members of group II after June 30, 1988, but before July 1, 1991; and*

(c) [plus] Future accumulated interest per year on the balance of the reimbursement funds remaining in the special account.

2 Medical Benefits Extended for Permanent Policemen Members. Amend RSA 100-A:55, I to read as follows:

I. The additional benefits provided under RSA 100-A:52 shall apply to persons who are active or retired members of group II as of June 30, 1988, *and to persons who are group II permanent policemen members on disability retirement as the natural and proximate result of injuries suffered while in the performance of duty who become permanent policemen members of group II after June 30, 1988, but before July 1, 1991.* Such additional

benefits shall not apply to *other* persons who become members of group II after June 30, 1988, without future legislation to include them. It is the intent of the legislature that future group II members shall be included only if the total cost of such inclusion can be funded by reimbursement from the special account established under RSA 100-A:16, II(h).

3 Effective Date. This act shall take effect June 30, 1994.

AMENDED ANALYSIS

This bill extends medical benefits under RSA 100-A:52 to group II permanent police-men members on disability retirement as a result of injuries suffered while in the performance of duty who became permanent policemen members of the New Hampshire retirement system after June 30, 1988, but before July 1, 1991.

The bill also provides a method of financing the medical benefits for these group II members.

HB 1573, relative to the confidentiality of proceedings for guardianship of a minor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Carol H. Holden for Children, Youth and Juvenile Justice: HB 1573 as amended returns the wording of the original subsection (II), i.e. "Records, reports, and evidence submitted to the court or recorded by the court shall be confidential insofar as they relate to personal history or circumstances of the minor and his family." The justices and registrars of probate support this change. Vote 14-0.

Amendment (4794B)

Amend the bill by replacing all after the enacting clause with the following:

1 Confidentiality of Proceedings. RSA 463:7-a, II is repealed and reenacted to read as follows:

463:7-a Confidentiality of Proceedings.

II. Records, reports, and evidence submitted to the court or recorded by the court shall be confidential insofar as they relate to the personal history or circumstances of the minor and the minor's family.

2 Effective Date. This act shall take effect upon its passage.

HR 41, recognizing July 28, 1994 as Parents' Day. **INEXPEDIENT TO LEGISLATE**

Rep. Janet S. Arndt for Children, Youth and Juvenile Justice: This resolution was found to be unnecessary as it was reported that the Governor will be signing a proclamation designating July 28, 1994 Parents' Day. Vote 13-0.

HB 1117, relative to new motor vehicle arbitration. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter F. Wells, Sr. for Commerce, Small Business and Consumer Affairs: There are several technical changes to the new motor vehicle Arbitration Board. This bill will require that the board must respond and hold a hearing for a complaint within 40 days and must issue a decision within 30 days of a hearing. Vote 14-1.

Amendment (5017B)

Amend the bill by replacing section 2 with the following:

2 Definition Changed. RSA 357-D:2, XIII is repealed and reenacted to read as follows:

XIII. "New motor vehicle," for the purposes of this section, means a passenger motor vehicle which is still under the manufacturer's express warranty.

Amend the bill by replacing sections 4 and 5 with the following:

4 Board Member Added. Amend RSA 357-D:5, 1 to read as follows:

1. There is created a New Hampshire new motor vehicle arbitration board consisting of 5 members and [2] 3 alternate members to be appointed by the governor and council. Terms of members shall be for 3 years. Board members may be appointed for no more than 2 terms. One member *and one alternate* of the board shall be [a] new car [dealer] *dealers* in New Hampshire, one member and one alternate shall be persons knowledgeable in automobile mechanics, and 3 members and one alternate shall be persons who represent consumers and

have no direct involvement in the design, manufacture, distributions, sales or service of motor vehicles or their parts. Three members of the board shall constitute a quorum. Members shall be paid \$50 per diem plus mileage.

5 Hearing. Amend RSA 357-D:5, IV to read as follows:

IV. The board shall [render a decision] ***hold a hearing*** within 40 days of receipt of a complaint, unless an extension of time has been granted by the board under RSA 357-D:4, IV, ***and shall render a decision within 30 days of the conclusion of a hearing*** [and]. ***The board*** shall have the authority to issue only damages as are provided by this chapter.

Amend the bill by replacing all after section 6 with the following:

7 New Section; Limitation on Actions. Amend RSA 357-D by inserting after section 10 the following new section:

357-D:11 Limitations on Actions.

I. Any proceeding initiated under the provisions of this chapter shall be commenced within one year following the later of:

(a) The expiration of the express warranty term; or

(b) The manufacturer's final repair attempt of the nonconformity, as provided in RSA 357-D:4, V which gave rise to the consumer's request that the vehicle be replaced or the money refunded.

II. Nothing in this chapter shall in any way limit the rights or remedies which are otherwise available to a consumer under any other provision of law.

8 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill:

(1) Further defines "motor vehicle" and redefines "new motor vehicle."

(2) Requires the motor vehicle arbitration board to hold a hearing within 40 days of receiving a complaint and to render a decision upon a complaint within 30 days after the conclusion of the hearing.

(3) Requires any appeal of a decision of the board to be filed with the superior court within 30 days of the date of the written board decision.

(4) Requires any proceeding initiated for the sale of a defective vehicle to begin within one year following the expiration of the express warranty term or the manufacturer's final repair attempt of the nonconformity which gave rise to the consumer's request that the vehicle be replaced or the money refunded.

HB 1187, relative to the signature of manufactured housing park owners on deeds and the fee for such signature. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: This bill requires a manufactured housing park owner who is requested to sign a deed to sign the deed no later than 15 days after requested. Vote 16-0.

Amendment (4793B)

Amend RSA 477:44, V as inserted by section 1 of the bill by replacing it with the following:

V. Any manufactured housing park owner required to sign a deed under this section shall sign the deed no later than 15 days after the new tenant is approved and the park owner is requested to do so. The tenant shall deliver the deed to the manufactured housing park owner's place of business for signature. The fee for any such signature on a deed shall not exceed \$25 and shall be paid by the tenant.

AMENDED ANALYSIS

This bill requires a manufactured housing park owner who is requested to sign a manufactured housing warranty deed to sign the deed no later than 15 days after the new tenant is approved. The bill also limits the fee for such a signature to no more than \$25; which fee is to be paid by the tenant.

HB 1269-FN-L, licensing operators of manufactured housing parks and relative to fees for such licensure. **INEXPEDIENT TO LEGISLATE**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: HB 1269-FN-L does not do what the sponsor said she wanted it to do. The way it is written it is not solving any problems that the local municipalities cannot already address. Vote 15-0.

HB 1126, making an assault upon a peace officer a class B felony. INEXPEDIENT TO LEGISLATE

Rep. Vivian R. Clark for Corrections and Criminal Justice: Assault on a police officer was made the basis for an extended sentence only two years ago. This bill would have marginally increased current penalties. The committee felt that the change was unnecessary. Vote 12-0.

HB 1536-FN, authorizing the court to issue emergency temporary orders telephonically. OUGHT TO PASS WITH AMENDMENT

Rep. Frederick B. Andrews for Corrections and Criminal Justice: The committee unanimously supported HB 1536-FN. This bill will offer much needed protection to the victims of domestic violence by expediting the communications of the court in a timely manner. Vote 12-0.

Amendment (5072B)

Amend the bill by replacing section 1 with the following:

1 Telephonic Transmission of Emergency Temporary Orders Authorized. Amend the introductory paragraph of RSA 173-B:6 to read as follows:

Upon a showing of an immediate and present danger of abuse, the court may enter such temporary orders as it deems necessary to protect the plaintiff with or without actual notice to defendant. *The court may issue such temporary orders by telephone or facsimile during times other than regular court business hours. Such telephonically issued orders may be made by a district or superior court judge to a law enforcement officer, and shall be valid in any jurisdiction in the state and shall be effective until the close of the next regular court business day. Such order shall be returnable to the district court where the plaintiff resides or has fled to, unless otherwise ordered by the issuing justice.* If non-telephonic temporary orders are made ex parte, the party against whom such relief is issued may file a written request with the clerk of the court and request a hearing thereon. Such hearing shall be held no later than 5 business days after the request is received by the clerk. Such hearings may constitute the final hearing described in RSA 173-B:3, IV. Such temporary relief may include:

HB 1540, permitting the state to commit certain persons convicted of sexually violent crimes for psychiatric treatment after they have completed their sentence. REFER FOR INTERIM STUDY

Rep. William V. Knowles for Corrections and Criminal Justice: Under current statute, a sexually violent offender is released to the community after having completed his or her sentence. Under this proposed legislation, a sexually violent offender can be civilly committed to the psychiatric unit of a correctional facility until deemed safe to re-enter society. The State must prove beyond a reasonable doubt the person is a sexually violent offender who suffers from a mental abnormality or a personality disorder which makes the person likely to engage in predatory acts of sexual violence. The legislation is complex and the committee would like to refer the bill for Interim Study to explore financial and constitutional questions. Vote 10-0.

HB 1184-FN, allowing towns which contract with other school districts for their resident high school students to be exempt from paying the tuition costs for foreign exchange students. OUGHT TO PASS WITH AMENDMENT

Rep. Robert E. McKinley for Education: Foreign exchange students present a unique financial burden on local districts. This bill, as revised, will form a committee to study present and anticipated conditions to permit a better understanding of this situation and make recommendations. Vote 12-0.

Amendment (4919B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study the foreign exchange student programs in New Hampshire.

Amend the bill by replacing all after the enacting clause with the following:

1 Foreign Exchange Student Programs Study Committee Established; Membership. There is established a committee to study foreign exchange student programs in New Hampshire which shall consist of the following members:

- I. Two members of the house education committee, appointed by the speaker of the house.
- II. Two members of the senate education committee, appointed by the senate president.
- III. The commissioner of education, or designee.
- IV. One representative from the American Field Service Organization, appointed by that organization.
- V. One representative from A.Y.U.S.A. International, appointed by that organization.
- VI. The superintendent of a receiving district, or designee.
- VII. The superintendent of a sending district, or designee.

2 Duties; Recommendations. The committee shall:

- I. Determine the actual number of foreign exchange students attending New Hampshire public schools.
- II. Determine the actual costs of educating all foreign exchange students attending New Hampshire public schools.
- III. Determine the English language proficiency of foreign exchange students attending New Hampshire public schools.
- IV. Examine and evaluate current policies and procedures relative to foreign exchange students attending New Hampshire public schools.
- V. Make recommendations for changes in policy and procedure, and proposals for related legislation.

3 Report. The committee shall submit a report outlining its findings and recommendations, including proposed legislation, to the governor, the speaker of the house, and the president of the senate not later than November 1, 1994.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study foreign exchange student programs in New Hampshire public schools.

HB 1183-FN-L, providing a 5 percent cost of living adjustment for teacher members of the retirement system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kathleen W. Ward for Executive Departments and Administration: This bill as amended will provide that each of the three teachers who retired before 1957 will receive a retirement annuity of \$10,350 per year paid by the Special Account. It also changes the date for teachers' retirement to July 1 or any year rather than June 30, to coincide with their contracts. Vote 13-0.

Amendment (5037B)

Amend the title of the bill by replacing it with the following:

AN ACT

providing a retirement allowance for teachers retired prior to July 1, 1957, and relative to the time for granting cost of living increases for retirement system members.

Amend the bill by replacing all after the enacting clause with the following:

1 Retirement Allowance for Teachers Who Retired Prior to July 1, 1957. Notwithstanding other provisions of the law to the contrary, any teacher who retired prior to July 1, 1957, who is receiving benefits under RSA 192 on June 30, 1994, shall receive a retirement allowance which shall equal the sum of \$10,350 per year. This retirement allowance shall be effective July 1, 1994, and shall replace any retirement allowance which such teachers are receiving on the effective date of this act.

2 Funding of Retirement Allowance. The total actuarial cost of providing the allowance as provided in section 1 shall be terminally funded from the group I teacher member component of the special account created by RSA 100-A:16, II(h), as of June 30, 1994.

3 Time for Granting Cost of Living Increase for Retirement System Members. Amend 1993, 191:2 to read as follows:

191:2 Application. The first cost of living adjustment, if approved by the fiscal committee of the general court and granted under section 1 of this act, shall be effective retroactively on July 1, 1994, for New Hampshire retirement system members retired on or before [June 30] July 1, 1992.

4 Effective Date. This act shall take effect June 30, 1994.

AMENDED ANALYSIS

As of July 1, 1994, this bill grants all teachers who retired prior to July 1, 1957, a retirement allowance of \$10,350 per year. This retirement allowance replaces any retirement allowance which such teachers are currently receiving.

The bill also amends the application section for cost of living adjustments which must be approved by the fiscal committee by having the section apply to New Hampshire retirement system members retired on or before July 1, 1992, rather than on or before June 30, 1992.

Referred to Appropriations.

HB 1338, relative to hearing aid dealers and increasing the fees for persons seeking registration as hearing aid dealers. REFER FOR INTERIM STUDY

Rep. Gerald O. Gosselin for Executive Departments and Administration: The Committee felt that more work was needed to fine tune this bill so that it would come out as it should be without any further repercussions as some parts need deletion and some parts need to be added. Vote 15-0.

HB 1568-FN-L, requiring the division of public health services to test the air quality in public educational facilities. OUGHT TO PASS WITH AMENDMENT

Rep. Robert Chabot for Health, Human Services and Elderly Affairs: This bill addresses the problem of indoor air quality in tax-supported schools. It establishes a study committee to investigate and make recommendations to assure acceptable air quality. Vote 17-0.

Amendment (4982B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the division of public health services to take certain actions relative to indoor air quality in public facilities and establishing a committee to study indoor air pollution.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court recognizes that poor indoor air quality has emerged as one of the nation's leading environmental problems. Indoor air pollution can result from many causes; especially from toxic fumes from synthetic materials in tightly secured buildings, inadequate ventilation, and improper maintenance of heating and air conditioning equipment. Indoor air pollution can plague any building and, if ignored, leave people who work or live in polluted air at risk for illness, cancer and debilitating infirmities. Therefore, by this act the general court hereby seeks to address the problem of poor indoor air quality.

2 Duty Added. Amend RSA 125:9, X to read as follows:

X. *Investigate complaints of poor indoor air quality and* conduct inspections of buildings and dwellings, upon request, for the presence of radon or other *health* hazards present in indoor air[.]; *and* provide education, technical consultation, and recommendations for abatement of such health hazards in conjunction with the University of New Hampshire cooperative extension service.

3 Committee Established; Membership. There is established a committee to study the issue of indoor air pollution in public buildings. The members of the committee shall be:

I. Four members of the following house of representatives committees: one from health, human services and elderly affairs; one from education; one from environment and agriculture; and one from science, energy and technology; appointed by the speaker of the house.

II. Two members of the senate, or designees, appointed by the president of the senate.

III. The director of the division of public health services, or designee.

IV. The commissioner of education, or designee.

V. One public member, appointed by the governor.

4 Duties. The duties of the committee shall include but not be limited to the following:

I. Determine the extent of the problem of poor indoor air quality in public buildings with particular emphasis on public school buildings.

II. Determine the major causes of any problems found to exist.

III. Recommend solutions, which may include legislation, to correct such problems.

IV. Recommend possible actions to prevent such problems, including guidelines and educational outreach efforts.

5 Mileage; Chairperson. The committee shall elect a chairperson from among its members at the first meeting, which shall be called by the first-named house member within 30 days after the effective date of this act. Members of the committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate when attending to their duties on the committee.

6 Report. The committee shall submit its report with its recommendations, together with any proposed legislation for the 1995 legislative session, to the speaker of the house, the president of the senate and the governor on or before November 1, 1994.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the division of public health services, department of health and human services, to undertake certain actions relative to indoor air quality in public facilities.

The bill also establishes a committee to study the issue of indoor air pollution.

HB 1449, relative to professional standards review organizations for physical therapists. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rick G. Newman for Judiciary: This bill adds the professional standards review organizations for physical therapists for the purpose of defining those persons whose liability is limited for any action made in good faith. Vote 15-0.

Amendment (4953B)

Amend the bill by replacing section 1 with the following:

1 New Subparagraph; Limitations on Liability; Physical Therapists; Professional Standards Review Organizations. Amend RSA 507:8-c, I by inserting after subparagraph (h) the following new subparagraph:

(i) In the case of physical therapists, by an agency of the federal or state government, or a political subdivision thereof, or by a society or association affiliated with the New Hampshire chapter of the American Physical Therapy Association.

HB 1455, making technical amendments to the business corporations laws and clarifying the limitation of liability of officers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Edward M. Gordon for Judiciary: This bill makes certain changes to the Business Corporations Act that are not substantive. They simply add clarity to present law. The committee believes the approved changes are in the best interest of New Hampshire business and citizens. Vote 15-0.

Amendment (4957B)

Amend the bill by deleting section 3 and renumbering the original sections 4 and 5 to read as 3 and 4 respectively.

HB 1519, limiting any pecuniary benefit received by directors and officers of charitable trusts. **OUGHT TO PASS**

Rep. Edward M. Gordon for Judiciary: This bill limits the amount of compensation which directors or officers of charitable trusts may receive. Such trusts are subject to supervision by the Attorney General's office. The bill protects the beneficiaries who are intended to receive the proceeds of such trusts. Vote 12-1.

HB 1560-FN, permitting termination of marriages by agreement without court approval, and requiring binding arbitration of all marital disputes based upon irreconcilable differences. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah L. Woods for Judiciary: Various methods of alternative dispute resolution are currently available for parties wishing to utilize them for the purpose of resolving issues in a divorce. Further, the marital master process has proved to be an efficient way to handle domestic cases. Vote 14-0.

HB 1323-FN, requiring certificates for persons providing vocational rehabilitation services under the workers' compensation law and relative to fees for such certificates. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul R. Perkins for Labor, Industrial and Rehabilitative Services: The committee believes that this bill will ensure that quality vocational rehabilitation services are provided to workers' compensation injured workers. Vote 12-0.

Amendment (4867B)

Amendment No. 1

Amend RSA 281-A:68 as inserted by section 2 of the bill by replacing it with the following:

281-A:68 Certification Required. After January 1, 1995, persons providing vocational rehabilitation services under RSA 281-A:25 as a vocational rehabilitation provider under this chapter shall be certified in accordance with this subdivision; except that state employees providing vocational rehabilitation services as part of the state vocational rehabilitation program established under RSA 21-N and RSA 200-C shall be certified solely in accordance with RSA 21-I:42 and rules adopted pursuant to RSA 21-I:43.

AMENDED ANALYSIS

This bill requires vocational rehabilitation providers, except those who are state employees, who provide services under RSA 281-A:25 of the workers' compensation law to be certified. The bill establishes a board to advise the commissioner on the certification process.

The bill requires the board to develop procedures which shall be adopted by the commissioner by rule for the administration of the law relating to the certificates.

Amendment (5088B)

Amendment No. II

Amend RSA 281-A:2, XIV-a as inserted by section 1 of the bill by replacing it with the following:

XIV-a. "Rehabilitation provider" as used in this chapter includes any person [or entity] *certified as a vocational rehabilitation provider under RSA 281-A:68 or RSA 281-A:69* and which operates for the purpose of assisting in the rehabilitation of disabled persons through an integrated program of medical and other services which are provided under competent professional supervision.

HB 1289-FN, allowing new legislators-elect to receive a mileage allowance for attending the legislator's orientation program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alice Barnard Record for Judiciary: The committee was unanimous in its approval to allow each new member of the general court round-trip mileage from the member's home to the State House in Concord for each day of attendance under the conditions and rates established by RSA 14:15-a. Each member-elect is responsible, prior to the first day of the legislator's orientation program to file a statement of the distance from the member's home to the State House in Concord. Vote 11-0.

Amendment (5069B)

Amend RSA 14:15-C, II and III as inserted by section 1 of the bill by replacing them with the following:

II. Each new member of the general court shall be allowed mileage per mile of the round trip to and from the member's home to the state house in Concord for each day of attendance under the conditions and rates established by RSA 14:15-a.

III. Each new member of the general court shall, prior to or by the first day of the legislator's orientation program, furnish to the continuing committee on legislator orientation established under RSA 17-C a statement of the distance from the member's home to the state house in Concord.

HB 1167, relative to electing the county commissioners for Belknap county. **INEXPEDIENT TO LEGISLATE**

Rep. Linda T. Foster for Municipal and County Government: The statutes relating to the terms and elections of Belknap County Commissioners have changed twice in the past three years. The Committee believes the present system should be allowed to operate so it can be properly assessed before new changes are proposed. Vote 15-1.

HB 1174-L, allowing the selectmen, under certain circumstances, to manage town real property. **OUGHT TO PASS**

Rep. Paula E. Bradley for Municipal and County Government: Currently there is no statute dealing with the day-to-day management of town property. Selectmen have assumed that this was part of their "prudential affairs" authority. This bill clarifies several issues which are currently unclear. Vote 16-0.

HB 1186, making a breach of confidentiality a violation of oath of office for town officers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sherman E. Chester for Municipal and County Government: This bill fills a need to provide clarification of the mechanism to be used to remove a town officer while also making a breach of confidentiality a cause for exercising the removal process. The amendment was provided to preclude the possibility of using this procedure if the breach of confidentiality was the result of a court order. Vote 13-0.

Amendment (4838B)

Amend RSA 42:1-a as inserted by section 1 of the bill by inserting after paragraph II the following new paragraph:

III. No town officer who is required by an order of a court to divulge information outlined in paragraph II in a legal proceeding under oath shall be guilty of a violation under this section.

HB 1206, relative to the procedure to follow when an optional elected town office is discontinued. **OUGHT TO PASS**

Rep. Joseph E. Stone for Municipal and County Government: This bill specifies that when a town votes to discontinue an optional elected office, the person holding that office at the time of the vote to discontinue it shall continue to hold office until the next annual meeting following the vote. The optional elected office shall terminate at that time, regardless of the length of the term of the person in office at the time of the vote to discontinue. Vote 16-0.

HB 1307, prohibiting a person from holding an elected or appointed municipal and county office at the same time. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph E. Stone for Municipal and County Government: The committee feels this bill could keep many outstanding individuals from contributing their technical skills and talents to both their municipal and county governments. An example could be a County Commissioner serving on his/her community's recreation commission. Vote 16-0.

HB 1310-L, permitting municipalities to take land by eminent domain for conservation purposes. **INEXPEDIENT TO LEGISLATE**

Rep. Paula E. Bradley for Municipal and County Government: The sponsor asked that this bill be Inexpedient to Legislate as it did not conform to the sponsors' intent. Vote 16-0.

HB 1351-L, allowing municipalities to defer interest on property tax payments assessed after a property reappraisal. **INEXPEDIENT TO LEGISLATE**

Rep. Elizabeth A. Cepaitis for Municipal and County Government: Municipalities were given this option as a result of last year's legislation which became Chapter 86 of the Laws of 1993. Therefore, this legislation is unnecessary. Vote 14-0.

HB 1411-L, enabling municipalities to establish geographic information systems and charge fees for their use. **OUGHT TO PASS**

Rep. Linda T. Foster for Municipal and County Government: The passage of this bill will enable those municipalities which employ this very expensive technology to recoup some of their costs. It also will allow them to distribute information based on the right-to-know law. Vote 16-1.

HB 1415-L, relative to approval of the goals and future conditions section of the master plan by the local legislative body. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Municipal and County Government: This bill deals with the problem of a community obtaining public involvement in setting goals for its Master Plan. Lacking widespread input, the planning board may produce a plan and supporting ordinances at odds with real goals. Enabling community planning boards to place their goals on the town meeting will ensure wider participation. Vote 14-0.

Amendment (5074B)

Amend the bill by replacing section 3 with the following:

3 Master Plan Adoption and Amendment; Approval by Local Legislative Body. Amend RSA 674:4 to read as follows:

674:4 Master Plan Adoption and Amendment. The planning board [may, according to], *prior to adoption or amendment of any section of the master plan listed in RSA 674:2, II-IX in accordance with the procedures required under RSA 675:6, II, may submit the section of the master plan listed in RSA 674:2, I to the local legislative body for approval in accordance with the procedures required under RSA 675:6, V. The planning board may adopt the sections of master plan listed in RSA 674:2, II-IX as a whole, or may adopt successive sections or parts of the plan. Sections or parts of the plan shall correspond with major geographical sections or divisions of the municipality, or with the functional elements of the plan, and may incorporate any amendment, extension, or addition to the plan.*

Amend the bill by replacing section 5 with the following:

5 New Paragraph; Method of Adoption of Master Plan. Amend RSA 675:6 by inserting after paragraph IV the following new paragraph:

V. Upon completion of the section of the master plan listed in RSA 674:2, I, the planning board may submit that section to the selectmen for inclusion on the warrant for the annual town meeting in the case of a town. In the case of a city, the planning board may submit that section to the appropriate local legislative body. Failure to gain approval of this section from the town meeting or from the local legislative body of the city shall not invalidate the existing master plan. The planning board may continue to work on the goals statement and resubmit the document to subsequent town meetings or to the local legislative body of the city for approval.

AMENDED ANALYSIS

This bill changes the procedure for adopting and amending master plans by:

- (1) Amending the general statement section of the master plan.
- (2) Requiring the planning board to solicit public involvement and participation.
- (3) Allowing, but not requiring, the planning board, prior to adoption or amendment of the remaining sections of the master plan, to submit the section of the master plan dealing with the goals and future conditions which the plan is designed to achieve to the local legislative body for approval.

HB 1422-FN-L, relative to the dog control laws and the portion of the dog license fee retained by municipalities. **OUGHT TO PASS**

Rep. Joseph E. Stone for Municipal and County Government: The testimony heard by the committee was very supportive and helped to clarify the requirements needed relative to dog control laws. The committee was impressed with the manner in which all parties were able to meet together and bring favorable legislation addressing the issue of dog control. Vote 15-0.

HB 1474-L, allowing towns to maintain class VI highways. **OUGHT TO PASS WITH AMENDMENT**

Rep. David M. Perry for Municipal and County Government: This bill clears up a cloudy area in the statutes regarding Class VI highways and private ways. This bill allows expenditures of town funds on Class VI highways following certain procedures spelled out in the bill. The bill also allows the creation of a capital fund for the projects. Vote 13-1.

Amendment (5070B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing towns to maintain emergency lanes on
class VI highways and private ways.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Emergency Lanes on Class VI Highways and Private Ways. Amend RSA 231 by inserting after section 59 the following new section:

231:59-a Emergency Lanes.

I. Notwithstanding RSA 231:59 or any other provision of law, a town may raise and appropriate, and the selectmen may expend, money for the repair of any class VI highway or private way which as been declared an emergency lane under paragraph II. Such repair may include removal of brush, repair of washouts or culverts, or any other work deemed necessary to render such way passable by fire fighting equipment and rescue or other emergency vehicles. A capital reserve fund under RSA 35 or a trust fund under RSA 31:19-a may be established for this purpose.

II. No expenditures shall be made under paragraph I unless the selectmen, following a public hearing, declare the relevant class VI highway, private way, or portion thereof, as an emergency lane, and make written findings, recorded in the minutes of the meeting, that the public need for keeping such lane passable by emergency vehicles is supported by an identified public welfare or safety interest which surpasses or differs from any private benefits to landowners abutting such lane.

III. In the case of a private way, notice shall be mailed to all persons known to have a legal interest in the way, 10 days prior to the hearing, and the emergency lane shall not be declared if permission is denied by any person with a legal right to deny such permission. Neither the appearance nor non-appearance of such persons at the hearing shall prevent such permission from later being denied or withdrawn.

IV. A declaration under this section may be rescinded or disregarded at any time without notice. This section shall not be construed to create any duty or liability on the part of any municipality toward any person or property. Utilization of this section shall be at the sole and unfettered discretion of a town and its officials, and no landowner or any other person shall be entitled to damages by virtue of the creation of emergency lanes, or the failure to create them, or the maintenance of them, or the failure to maintain them, and no person shall be deemed to have any right to rely on such maintenance. This section shall not be deemed to alter the classification or legal status of any highway or private way, or to limit or restrict the authority of towns to regulate the use of class VI highways pursuant to such statutes as RSA 41:11, RSA 236:9-13, and RSA 674:41, or to authorize any person to pass over any private way when permission has been denied. This section shall not be deemed to alter the duties or powers of any party under RSA 224 concerning forest fires.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows towns to maintain emergency lanes on class VI highways and private ways to allow passage of fire fighting equipment and rescue or other emergency vehicles.

HB 1526, allowing municipalities to appropriate funds to maintain certain municipal roads. INEXPEDIENT TO LEGISLATE

Rep. Richard Noyes for Municipal and County Government: The intent of this bill is accomplished by another piece of legislation, HB 1474. Vote 14-0.

HB 1556-FN-L, establishing the position of fiscal officer for Rockingham county. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Municipal and County Government: The Rockingham County delegation and commissioners cooperated to create a Fiscal Officer position. The position was necessary because of lack of Generally Accepted Accounting Procedures in the county. This bill protects the position from arbitrary changes by staff, and ensures that all officials in the county understand its scope. Vote 14-0.

Amendment (5075B)

Amend the bill by replacing section 1 with the following:

1 New Section; Rockingham County Fiscal Officer. Amend RSA 23 by inserting after section 8 the following new section:

23:8-a Rockingham County Fiscal Officer. There is established for Rockingham county the position of fiscal officer. The Rockingham county fiscal officer shall be the director of financial information systems and reporting for all county offices run by elected or appointed officials. The fiscal officer shall be responsible for administrative and financial functions which shall include budgeting, preauditing, accounting, and financial reporting and analysis. The county commissioners shall adopt rules relative to the minimum education, certification, and experience requirements, and the duties and the responsibilities, for the Rockingham county fiscal officer. Such rules shall require the approval of the executive committee of the county convention.

AMENDED ANALYSIS

This bill establishes the position of fiscal officer for Rockingham county. The fiscal officer is the director of financial information systems and reporting for all county offices run by elected or appointed officials.

HB 1178, relative to licenses to carry loaded pistols and revolvers. REFER FOR INTERIM STUDY

Rep. Bruce Hunter for Public Protection and Veterans Affairs: This bill provides that any person who has held a valid license to carry a loaded pistol or revolver for at least six consecutive years may apply for a permit to carry that shall be valid unless revoked for just cause. Testimony from the public was favorable. Questions about the issuing authority, whether State or Local, prompted a motion to study the matter further. Vote 14-0.

HB 1236, prohibiting the use of chemical self-defense spray against a peace officer or in the course of committing a crime. OUGHT TO PASS WITH AMENDMENT

Rep. Bruce F. Hunter for Public Protection and Veterans Affairs: HB 1236 makes any person who uses an aerosol self-defense spray on a law enforcement officer or any other person with intent to commit a crime punishable as a misdemeanor or a felony guilty of a misdemeanor or a felony, respectively. The amendment changes "OC pepper spray" to read "aerosol self-defense spray" so as to include other types of self-defense items. Vote 14-0.

Amendment (4877B)

Amend the title of the bill by replacing it with the following:

AN ACT

prohibiting the use of aerosol self-defense spray weapons against a law enforcement officer or in the course of committing a crime.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision Heading. The subdivision heading preceding RSA 159:20 is repealed and reenacted to read as follows:

Self-Defense Weapons

2 Definitions; Definition Added. Amend RSA 159:20 to read as follows:

159:20 [Electronic] *Self-Defense Weapons* Defined. In this subdivision:

I. "Electronic defense weapon" means an electronically activated non-lethal device which is designed for or capable of producing an electrical charge of sufficient magnitude to immobilize or incapacitate a person temporarily.

II. "Aerosol self-defense spray weapon" means any aerosol self-defense spray weapon which is designed to immobilize or incapacitate a person temporarily.

3 Criminal Use; References Added. Amend the section heading of RSA 159:23 and RSA 159:23, I and II to read as follows:

159:23 Criminal Use of Electronic Defense *or Aerosol Self-Defense Spray Weapons*.

1. Any person who uses an electronic defense *or aerosol self-defense spray* weapon on a law enforcement officer or another person with intent to commit a crime punishable as a misdemeanor shall be guilty of a misdemeanor.

II. Any person who uses an electronic defense *or aerosol self-defense spray* weapon on a law enforcement officer or another person with intent to commit a crime punishable as a felony shall be guilty of a class B felony.

4 Effective Date. This act shall take effect July 1, 1995.

AMENDED ANALYSIS

This bill prohibits the use of self-defense spray against a law enforcement officer or any other person in the course of committing a crime.

HB 1505-FN, allowing persons other than police officers to attend courses given by the police standards and training council and to become certified to be municipal or county police officers. REFER FOR INTERIM STUDY

Rep. John W. Flanders, Sr. for Public Protection and Veterans Affairs: The Police Standards and Training Council indicated it has the authority to allow this now, but has not created the policy to admit this type of candidate. The committee voted to study the issue further and to discuss the matter with the Council. Vote 12-2.

HCR 27, encouraging federal legislation to recognize atomic veterans. OUGHT TO PASS

Rep. Dennis H. Fields for Public Protection and Veterans Affairs: HCR 27 calls attention to the veterans who participated in various atomic testing programs and, as a result, were exposed to varying levels of radiation. The resolution asks that the federal government recognize the contributions of these military veterans and further asks that the U.S. Congress propose and/or support legislation granting service-connected medical and disability benefits to those suffering from the exposure of radiation resulting from their proximity to test sites during and after such testing. H.R. 3313 has passed the U.S. House, on November 16, 1993, and is now in the U.S. Senate. This federal legislation amends Title 38 of the United States Code to improve healthcare services to veterans who were exposed to ionizing radiation or Agent Orange. This resolution merely supports actions taken in the U.S. House and actions pending in the U.S. Senate. Vote 11-0.

HB 1231, requiring the state of New Hampshire to designate an area on the statehouse grounds for a law enforcement memorial and establishing a committee to oversee the design and construction of the memorial. OUGHT TO PASS WITH AMENDMENT

Rep. Katherine D. Rogers for Public Works: As amended, the bill requires the state to designate an area on the Police Standards and Training Academy grounds for a law enforcement memorial and establishes a committee to oversee the design and construction of the memorial. All money for planning, design and construction of the memorial will be privately raised by the law enforcement community. The moneys will be placed in a special non-lapsing account in the state treasury. Vote 16-0.

Amendment (4972B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the state of New Hampshire to designate an area on the police standards and training academy grounds for a law enforcement memorial and establishing a committee to oversee the design and construction of the memorial.

Amend the bill by replacing all after the enacting clause with the following:

1 New Sections; Law Enforcement Memorial. Amend RSA 4 by inserting after section 9 the following new sections:

4:9-a Law Enforcement Memorial.

I. Notwithstanding any other provision of law to the contrary, there shall be situated on the police standards and training academy grounds a memorial to commemorate the New Hampshire law enforcement community. The governor is authorized to accept in the name of the state the law enforcement memorial as a private gift upon its completion.

II.(a) The director of the division of plant and property management, subject to the direction and supervision of the commissioner of administrative services, shall act as the custodian of the law enforcement memorial, and shall have charge of all matters relating to the care, maintenance, and repair of, and additions to, the memorial.

(b) The director of the division of plant and property management, subject to the direction and supervision of the commissioner of administrative services, shall administer and disburse to the committee established in RSA 4:9-b the moneys in the special account established under RSA 4:9-b. No money shall be disbursed until the governor and council approve and award the contract for the construction of the law enforcement memorial.

4:9-b Committee Established; Special Account.

I. A committee is established to select the design for a law enforcement memorial, to oversee the construction of the memorial, to privately raise all the funds which shall be necessary for its construction, and to expend the funds which are raised. The governor is authorized to accept for the committee, in the name of the state, the gifts of money which are donated to construct the memorial.

II. The gifts of money which are donated to construct the memorial shall be placed in a special nonlapsing account in the state treasury, to be expended solely for the purposes of the law enforcement memorial. Any money remaining in the special account after construction of the memorial is completed shall be used for the care, maintenance, and repair of, and additions to, the memorial.

III. The committee shall remain in existence upon the completion of the law enforcement memorial for the purpose of approving any changes in the memorial, such as the addition of names to the memorial. Any changes in the memorial shall be made under the supervision of the director of the division of plan and property management, according to the provisions of RSA 4:9-a, II.

4:9-c Committee Membership.

I. The members of the committee established in RSA 4:9-b of this act shall be as follows:

- (a) Two members appointed by the New Hampshire Association of Chiefs of Police, one of whom shall represent a city, and one of whom shall represent a town.
- (b) Two members appointed by the New Hampshire Police Association.
- (c) One member appointed by the New Hampshire Sheriffs' Association.
- (d) The executive director of the fish and game department, or designee.
- (e) The commissioner of safety, or designee.
- (f) The attorney general, or designee.
- (g) The commissioner of cultural affairs, or designee.
- (h) The commissioner of administrative services, or designee.
- (i) One member of the house of representatives, appointed by the speaker of the house.
- (j) One member of the senate, appointed by the president of the senate.
- (k) One member appointed by the governor, who shall be a member of a family of a law enforcement officer killed in the line of duty.

II. The members of the committee shall elect a chairperson from among its members. The first meeting of the committee shall be called by the attorney general. Seven members of the committee shall constitute a quorum.

4:9-d Duties of the Committee. The duties of the committee established in section 2 of this act shall be as follows:

I. The committee shall select the design for the law enforcement memorial.

II.(a) The committee shall oversee the construction of the law enforcement memorial.

(b) The governor and council shall approve and award the contract for the construction of the law enforcement memorial. No construction shall begin until the governor and council act under this subparagraph.

III. The committee shall advise and inform the city manager of Concord or designee relative to the design and construction plans for the memorial.

IV. The committee, through the New Hampshire law enforcement community, shall privately raise all the money necessary for the planning, design, and construction of the law enforcement memorial. The committee shall have the authority to expend the money which is raised.

2 Initial Report. The committee established in section 1 of this act shall complete its design selection duties no later than July 1, 1995. At that time, it shall issue an initial report to the governor, the senate president, and the speaker of the house of representatives. This report shall include a proposed time-table for the construction phase of the law enforcement memorial.

3 New Subparagraph; Law Enforcement Memorial Special Account. Amend RSA 6:12, I by inserting after subparagraph (hhh) the following new subparagraph:

(iii) Moneys received under RSA 4:9-b for the design, construction and maintenance of a law enforcement memorial, which shall be credited to the special account established in that section.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that a memorial to commemorate the New Hampshire law enforcement community shall be situated on the police standards and training academy grounds.

The bill establishes a committee to select the design for the law enforcement memorial and to oversee its construction. The governor and council must approve and award the construction contract.

All the money necessary for the planning, design, and construction of the memorial is to be privately raised, through the efforts of the law enforcement community. The moneys are placed in a special nonlapsing account in the state treasury.

The committee must select the design for the memorial no later than July 1, 1995. At that time, it shall also issue a proposed timetable for the construction phase of the law enforcement memorial.

HB 1348-A, authorizing the expansion of the Spaulding turnpike over Little Bay from bonds previously authorized. REFER FOR INTERIM STUDY

Rep. Terence R. Pfaff for Public Works: Testimony from the Department of Transportation indicated that the area of the Spaulding Turnpike discussed in this bill is part of a larger study already ongoing and approximately one-third completed. The Committee felt the project worthwhile, but recommends interim study so the larger picture may be viewed. Vote 17-0.

HB 1272-FN, requiring the pari-mutuel commission to pay for laboratory urine tests from a special escrow account. OUGHT TO PASS WITH AMENDMENT

Rep. Henry F. Stapleton for Regulated Revenues: The bill places a cap on reimbursement of costs associated with laboratory testing. All tracks concerned with the bill were in agreement and the committee felt this bill was fair to all. Vote 18-0.

Amendment (5012B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Costs of Laboratory Tests. Amend RSA 284:20-e by inserting after paragraph II the following new paragraph:

III. In the event that a licensee elects to increase the applicable commission on all other pools as provided in RSA 284:22, above the applicable minimum commission of either 25 percent or 26 percent, then the maximum liability of such licensee for reimbursement of the costs associated with laboratory testing under RSA 284:20-e, I, shall be the lesser of:

(a) The actual costs, including indirect costs, of each laboratory test conducted by the commission; or

(b) The amount of the commission on all other pools in excess of the applicable minimum commission set forth in RSA 284:22. In the event that a licensee elects to maintain the commission on all other pools at the applicable minimum commission set forth in RSA 284:22, then such licensee shall be liable for the actual costs as determined under RSA 284:20-e, I and RSA 284:20-e, II.

2 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill establishes a cap on reimbursement of costs associated with laboratory urine tests of licensees subject to regulation by the pari-mutuel commission under RSA 284:20-e.

Referred to Appropriations.

HB 1547-FN, relative to privatization of liquor sales and license fees. INEXPEDIENT TO LEGISLATE

Rep. Robert N. Kelley for Regulated Revenues: The question of privatizing state retail liquor operations has been a question for several legislative sessions. HB 1547 espoused several innovative concepts but the committee felt the results of an ongoing evaluation of the

entire liquor operations should be considered as well, before any action concerning the privatizing of retail operations. The financial impact was unknown. Vote 17-1.

HB 1494-FN, relative to the notification requirements for parties affected by certain major water projects. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Laflam for Resources, Recreation and Development: Although the bill was well received by all committee members and hearing attendees, it was found to be difficult for DES to manage. The concept of downstream communities or common waterbody communities as abutters, vis-a-vis major water projects, challenged all concerned. The sponsor volunteered to work further with DES to improve the community notification process and consider any need for future legislation. Vote 15-0.

HB 1220, requiring utility companies to connect service in a property owner's name during certain months. **INEXPEDIENT TO LEGISLATE**

Rep. Richard L. Cogswell for Science, Technology and Energy: The sponsor has acknowledged the Public Utilities Commission is now doing what the bill intended. A letter will be sent by the Committee to the Commission delineating the issues raised and requesting appropriate action. Vote 11-0.

HB 1242, establishing a study committee to encourage the adoption of the metric system by state agencies, educational institutions and private industry in New Hampshire. **OUGHT TO PASS**

Rep. David B. Holt for Science, Technology and Energy: The Federal Government now appears to be serious about encouraging conversion to the metric system, and the passage of the NAFTA agreement gives more impetus to New Hampshire taking action at this time. Vote 11-0.

HB 1380-L, prohibiting municipalities from taxing as real estate antennas, towers and related or supporting structures used exclusively in the operation of amateur radio communications stations. **OUGHT TO PASS**

Rep. David B. Holt for Science, Technology and Energy: Amateur radio antennas are not permanent structures and, therefore, should not be taxed as real estate. Furthermore, the amateur radio operators in New Hampshire are an integral part of the New Hampshire Emergency Network and deserve special consideration. There was no opposition presented to the committee. Vote 11-0.

HB 1414, prohibiting discrimination by public utilities. **INEXPEDIENT TO LEGISLATE**

Rep. Clifton C. Below for Science, Technology and Energy: The Committee found this bill unnecessary because RSA 378:10, dating from 1911, already prohibits any public utility from subjecting any person to any undue or unreasonable prejudice or disadvantage in any respect whatever. Vote 11-0.

HB 1575-FN, requiring the public utilities commission to investigate the concerns of residents of the town of Goffstown served by the Dunbarton Telephone Company. **INEXPEDIENT TO LEGISLATE**

Rep. Karen K. McRae for Science, Technology and Energy: Having studied the issues raised by the bill, the committee believes that ongoing PUC dockets will address these problems. A letter will be sent to the PUC delineating the issues enumerated in the bill and requesting that action be taken to address them. Vote 11-0.

HB 1214-FN, relative to driver safety at highway construction sites. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gordon E. Bartlett for Transportation: This is a pure safety act to insure protection for construction workers on highway projects. Both the Department of Transportation and the Association of General Contractors testified in favor of the bill. No one spoke in opposition. Vote 14-0.

Amendment (4944B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Operation of a Motor Vehicle in Highway Construction Sites. Amend RSA 265:6-a by inserting after paragraph 11 the following new paragraphs:

III. Any moving motor vehicle offense committed in a highway construction or maintenance zone on a state or interstate highway, manned by workers, shall be a construction work zone driving offense. A person found guilty of a first offense shall be fined not less than \$250 nor more than \$500. A person found guilty of a second offense shall be fined not less than \$250 nor more than \$500 and such person's license shall be revoked for a period of 60 days.

IV. The department of transportation shall post signs notifying motorists of construction or maintenance work zones. The department may require signs notifying motorists of the increased penalties for moving violations in construction work zones.

V. It shall not be a defense to the imposition of fines authorized under this section, that the signs notifying motorists of the increased penalties for moving violations in construction or maintenance zones were improperly posted, not posted or wrongfully removed or stolen.

2 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill:

I. Imposes a fine of \$250-\$500 for the first offense, for any person found guilty of a motor vehicle offense committed in a highway construction or maintenance zone. A person found guilty of a second offense shall be fined not less than \$250 nor more than \$500 and such person's license shall be revoked for a period of 60 days.

II. Requires the department of transportation to post signs notifying motorists of construction or maintenance work zones.

HB 1294, extending the termination date of the lifesaver I.D. pilot program and expanding the funding mechanism. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth W. Malcolm for Transportation: This bill simply extends the life of "Life-saver I.D. Pilot Program" as amended to September 30, 1995. Vote 11-1.

Amendment (4620B)

Amend the title of the bill by replacing it with the following:

AN ACT

extending the termination date of the lifesaver i.d. pilot program.

Amend the bill by deleting section 1 and renumbering sections 2 and 3 to read as 1 and 2 respectively.

AMENDED ANALYSIS

This bill extends the termination date of the lifesaver i.d. pilot program until September 30, 1995.

HB 1313-FN, requiring the department of safety to issue an automotive recycling dealer with 3 sets of number plates or as many as such person may require. **OUGHT TO PASS WITH AMENDMENT**

Rep. Edward J. Crotty for Transportation: This bill changes all references in the statutes from "Junk Dealers" to "Automotive Recycling Dealers". In addition, this bill provides that automotive recycling dealers may request as many sets of automotive recycling plates as they require. Vote 12-0.

Amendment (5078B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the department of safety to issue an automotive recycling dealer with as many sets of number plates or as many as such person may require.

Amend the bill by replacing section 3 with the following:

3 Additional Plates Issued Upon Request. RSA 261:127 is repealed and reenacted to read as follows:

261:127 Number of Plates. The department shall, at the time of issuing a certificate to such automotive recycling dealer, furnish such person with as many sets of number plates as such person may require.

Amend the bill by replacing sections 7 and 8 with the following:

7 Change from Motor Vehicle Junk Dealer to Automotive Recycling Dealer. Amend the following RSA provisions by replacing "motor vehicle junk dealer" with "automotive recycling dealer": RSA 261:98; RSA 261:125; RSA 261:126; RSA 261:127; RSA 261:128; RSA 261:129; RSA 261:130; RSA 261:131 and RSA 261:132.

8 Effective Date. This act shall take effect on January 1, 1995.

AMENDED ANALYSIS

This bill:

(1) Requires the department of safety to issue an automotive recycling dealer with as many sets of number plates as such person may require.

(2) Changes all references to "motor vehicle junk dealer" to "automotive recycling dealer."

HB 1360-FN, requiring that Purple Heart plates display the purple heart in its actual color and charging a fee to any person exchanging a plate not in its actual color. **INEXPEDIENT TO LEGISLATE**

Rep. Sherman A. Packard for Transportation: After discussion with Commissioner Richard Flynn at the Department of Safety, the determination was made that the Department could issue a sticker the proper color to cover the Purple Heart, through administrative rules. For this reason, the Committee felt that it was not necessary to enact legislation. Vote 12-0.

HB 1535-FN-L, exempting certain vessels from the state vessel registration fee and the boat fee. **OUGHT TO PASS**

Rep. David L. Richards for Transportation: The bill consolidates the registration of all vessels or motorboats within the Department of Safety and specifies the documentation required for registering commercial vessels. It provides that federally documented commercial vessels are exempt from the boat fee and other documented vessels or motorboats are exempt from the registration fee. Vote 11-0.

Referred to Appropriations.

HB 1140-FN, expanding activities permitted under special hunting licenses for persons 68 years of age or over. **REFER FOR INTERIM STUDY**

Rep. Rose Marie Rogers for Wildlife and Marine Resources: This bill will allow time for a comprehensive study of fee and license structures by the Fish and Game Department and for the committee to make recommendations based on this study. Vote 10-0.

HB 1266-FN, prohibiting the seizure of property by the fish and game department unless the item is to be used as evidence. **OUGHT TO PASS WITH AMENDMENT**

Rep. Roland J. Lefebvre for Wildlife and Marine Resources: This bill recommends a language change in the seizure of property by the Wildlife and Marine Resources Department when held and used as evidence. Committee Vote 13-0 Ought to Pass and recommend consent. Vote 13-0.

Amendment (5081B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring certain property seized by the department of fish and game to be returned if the owner reimburses the department for expenses and pays the required fine.

Amend the bill by replacing sections 1 and 2 with the following:

1 Technical Correction. Amend RSA 206:26, IX to read as follows:

IX. To seize all fishing tackle, guns, shooting and hunting paraphernalia, hunting or fishing licenses, traps, boats, decoys or other appliances used in violation of any law[,] or rule [or regulation] relating to fish, game, fur-bearing animals, or marine species when making an arrest, or found in the execution of a search warrant, and hold the same at the owner's expense until the fine and costs imposed for the violation have been paid in full;

2 Marine Species; Seizure of Property Limited. Amend RSA 211:75, IV to read as follows:

IV. To raise, lift or in any way examine any pot, trap, car or other contrivance that is set for the taking or holding of marine species and to seize all pots, traps, cars or other contrivances and the contents thereof used in violation of any law[,] or rule [or regulation] relating to marine species, and to hold the same until the fine and costs imposed for such violation have been paid in full. Provided, that in case such fine and costs are not paid within 60 days after imposition such pots, traps, cars or contrivances may be sold at public auction. Prior to such sale the department shall give notice to the owner, if known, by registered mail; otherwise a notice shall be published once in a newspaper of general circulation in the state, giving the time and place of such sale. If the owner shall appear and shall pay the fines and costs and shall reimburse said department for expenses incurred in connection therewith, the property [may] *shall* be delivered to [him] *the owner*; otherwise the same shall be sold and the proceeds of such sale shall be for the use of the department.

AMENDED ANALYSIS

This bill requires the department of fish and game to return certain property seized to the owner upon payment of the required fine, costs and expense reimbursement to the department.

HB 1274-FN, changing the name of the department of fish and game to the department of wildlife and marine resources. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda A. Smith for Wildlife and Marine Resources: This bill, as amended, will establish a committee to examine the impact of changing the name of the Department of Fish and Game to the Department of Wildlife and Marine Resources. Vote 10-0.

Amendment (4981B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to examine the impact of changing the name
of the department of fish and game to the department
of wildlife and marine resources.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to examine the impact of changing the name of the department of fish and game to the department of wildlife and marine resources. The committee is authorized to conduct surveys to determine public input.

2 Membership. The committee shall consist of the following members:

I. Two house members, one of whom shall be a member of the house wildlife and marine resources committee and who shall serve as chairperson, appointed by the speaker of the house.

II. One member of the fish and game commission, appointed by the commission.

III. The executive director of the department of fish and game, or designee.

IV. One senator from the senate wildlife and recreation committee, appointed by the senate president.

V. One public member, appointed by the governor.

VI. One person representing the New Hampshire Wildlife Federation, appointed by the federation.

3 Meetings. The committee shall conduct at least 3 public hearings in different areas of the state.

4 Report. the committee shall submit a report of its findings including recommendations for legislation to the speaker of the house, senate president and governor no later than November 1, 1994.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to examine the impact of changing the name of the department of fish and game to the department of wildlife and marine resources.

HB 1284, increasing the penalties for illegal moose hunting. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda A. Smith for Wildlife and Marine Resources: The Committee addressed the issue of illegal taking or possessing certain game by increasing restitution fees. Rep. Loren Jean presented testimony expressing his concern specifically relating to the illegal/taking possession of moose. This bill will be effective upon passage. Vote 10-0.

Amendment (4933B)

Amend the title of the bill by replacing it with the following:

AN ACT

increasing the restitution amount for illegally taking
or possessing certain game.

Amend the bill by replacing all after the enacting clause with the following:

1 Illegal Hunting; Restitution; Penalty Increased. Amend RSA 207:55, I(a) to read as follows:

(a) Marten, moose and bear: [\$500] **\$1,000** per animal illegally taken or illegally possessed.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill increases the restitution amount for illegally taking or possessing marten, moose or bear.

HB 1434-FN, establishing a special season and setting license fees for handgun hunting. INEXPEDIENT TO LEGISLATE

Rep. Ervin R. Lachut for Wildlife and Marine Resources: Handguns can and are used in the regular rifle season. Therefore, this bill is not necessary. Vote 9-1.

HB 1439, establishing license and license fee requirements for the taking of sea urchins. OUGHT TO PASS WITH AMENDMENT

Rep. Linda A. Smith for Wildlife and Marine Resources: This bill, as amended, subjects the taking of sea urchins to certain license and fee requirements. The amended language prohibits helpers when the method of take is "by diving." More importantly, the amendment provides reciprocity language relative to non-residents Vote 10-0.

Amendment (5001B)

Amend the bill by deleting section 1 and renumbering the original sections 2-5 to read as 1-4, respectively.

Amend sections 2 and 3 of the bill replacing them with the following:

2 Nonresident Commercial Salt Water License; Diving Helpers Prohibited. Amend RSA 211:49-a, II to read as follows:

II. The fee for an annual license shall be equivalent to the price of a nonresident license fee in the state from which the operator of the vessel claims residence, but such fee shall be not less than \$200. The license shall be for the operator of the boat, vessel *flotation device*, or gear, and helpers up to 3 in number; *provided, however, that helpers shall not be allowed for the taking of sea urchins by diving.* An additional annual helper's license shall be possessed for each helper in excess of 3 at a fee of \$10 per license. Said helper's license or licenses may be transferred to any helper employed by the operator.

3 Resident Commercial Salt Water License; Diving Helpers Prohibited. Amend RSA 211:49-b, II to read as follows:

II. The fee for such annual license shall be \$25 plus agent's fee. The license shall be for the operator of the boat, vessel, *flotation device*, or gear, and up to 3 helpers; *provided, however, that helpers shall not be allowed for the taking of sea urchins by diving.* An additional helper's license shall be possessed for each helper in excess of 3 at a fee of \$10 per license. A helper's license may be transferred to any helper employed by the operator.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill makes the taking of sea urchins subject to certain license and fee requirements. The licenses affected are resident commercial salt water license (RSA 211:49-b), nonresident

commercial salt water license (RSA 211:49-a), resident wholesaler license (RSA 211:49-c), and nonresident wholesaler license (RSA 211:49-aa).

Referred to Ways and Means.

HB 1475-FN, requiring a person purchasing a hunting, fishing or combination license to purchase a wildlife management habitat stamp for an additional fee. REFER FOR INTERIM STUDY

Rep. Henry W. Coulombe for Wildlife and Marine Resources: The Committee felt that a special fee would cause a loss of revenues to the Fish and Game regular fund. Vote 8-2.

HB 1502-FN, removing the fee and certain reporting requirement for persons who wish to sell venison. OUGHT TO PASS WITH AMENDMENT

Rep. Vernon Mitchell for Wildlife and Marine Resources: This bill clarifies language in the present law that regulates the sale of venison. The bill represents an agreement between the Department of Fish and Game, the Department of Agriculture and those who import and sell venison. The amendment keeps the \$50 wholesaler's license. Vote 10-1.

Amendment (5015B)

Amend the title of the bill by replacing it with the following:

AN ACT

removing certain reporting requirements for persons
who wish to sell venison.

Amend the amending language of section 1 of the bill by replacing it with the following:
I Sale of Imported Venison; Retail Outlet Seller's License Requirement Removed; Reporting Requirement Removed. Amend RSA 212:30-d to read as follows:

Amend RSA 212:30-d, III as inserted by section 1 of the bill by replacing it with the following:

III. Resident and nonresident wholesalers who wish to sell imported venison in this state as permitted in paragraph I shall procure a wholesaler's license from the department of fish and game to do so, the fee for which shall be \$50. Said license shall expire on December 31 of each calendar year. Wholesalers shall provide bills of sale in [triplicate] *duplicate*, [one copy of which shall be forwarded to the department of fish and game within 10 days of the sale, another] *one* copy of which shall be given to the [owner of the] retail [outlet] *seller*, and the [third] *other* copy of which shall be retained as a file copy by the wholesaler *and shall be available for inspection by any agent of the executive director*.

AMENDED ANALYSIS

This bill removes the certain reporting requirements for persons who wish to sell venison. This bill also removes the special license requirement for retail outlets wishing to sell venison.

HB 1503, establishing a committee to study economic development in rural New Hampshire through the enhancement of fish, game and nongame programs. REFER FOR INTERIM STUDY

Rep. Paul A. McGuirk for Wildlife and Marine Resources: The sponsors are to be commended for the intent of this bill. However, the charge is somewhat complex and it is the feeling of the Committee that it should have the time to study this issue for the purpose of fine tuning the purpose and scope of this legislation with the respective departments that might be impacted by legislation brought forth as a result of this committee work. Vote 11-0.

HB 1554-FN, authorizing the executive director of the Department of Fish and Game to hire clam wardens. INEXPEDIENT TO LEGISLATE

Rep. Henry W. Coulombe for Wildlife and Marine Resources: This bill is unnecessary. The Fish and Game Department already has the authority to hire wardens. Vote 10-0.

HB 1555-FN, establishing a lobster management plan. REFER FOR INTERIM STUDY

Rep. Henry W. Coulombe for Wildlife and Marine Resources: It is the feeling of the Committee that this issue will require a great deal of study to preserve the resources of the State for future generations and to coordinate with Federal laws. Vote 10-0.

REGULAR CALENDAR

HB 635-FN, relative to social security cost-of-living increases to certain recipients of assistance. **OUGHT TO PASS WITH AMENDMENT**

Rep. Douglas E. Hall for Appropriations: The amendment removes the one-time increase of \$100 per month and sets up a committee to study and recommend an appropriate standard of need. Whether the current rate of \$640 per month has kept up with inflation depends on what base year is used and is a legitimate question. So, too, are questions concerning the comparability between residential care rates for adults, residential care votes for children and in-home care rates for adults. The amended bill will ensure future Social Security COLAs are passed onto the recipients and do not result in lowered state assistance — which will bring New Hampshire into compliance with federal law. The amended bill will cost \$154,000 in general funds and \$142,000 in county share in the current biennium. Vote 21-0.

Amendment (5003B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to social security cost-of-living increases to residents of
residential care facilities and community residences and
establishing a committee to study the rate structure
of residential care facilities.

Amend the bill by replacing all after section 1 with the following:

2 Committee Established; Duties. A committee is hereby established to study the rate structure of residential care facilities.

3 Membership. The committee shall consist of the following members:

I. Two senators, appointed by the president of the senate.

II. Two house members from the appropriations committee, appointed by the speaker of the house.

III. Two house members from the health, human services and elderly affairs committee, appointed by the speaker of the house.

IV. One person representing a provider, appointed by the New Hampshire Association of Residential Care Homes.

V. One person from the division of human services, department of health and human services, appointed by the commissioner of the department of health and human services.

4 Chair; Meetings. The first meeting of the committee shall be called by the first-named house member within 30 days of the effective date of this act. The chair of the committee shall be chosen by the members at the first meeting.

5 Mileage. Members of the committee shall serve without compensation, except that legislative members shall receive mileage at the legislative rate when attending to their duties on the committee.

6 Report. The committee shall report its findings and recommendations, including any proposed legislation, to the president of the senate, the speaker of the house, and the governor on or before November 1, 1994.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill prohibits the director of the division of human services, department of health and human services, from decreasing the amount of the state's contribution paid to a residential care facility or community residence because of a social security cost-of-living increase to a recipient of such assistance.

This bill also establishes a committee to study the rate of residential care facilities. The committee shall submit a report of its findings and recommendations to the president of the senate, the speaker of the house, and the governor on or before November 1, 1994.

Adopted.

Report adopted and ordered to third reading.

HB 1142-FN, relative to lenders regulated by the banking department, relative to consumer credit transactions and adjusting certain financial services fees. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Eric N. Lindblade for the Majority of Commerce, Small Business and Consumer Affairs: This bill changes the way the banking department assesses financial entities to pay for its operations. The assessment, heretofore borne solely by the banks, will be apportioned among all the entities under the supervision of the banking department. Vote 11-5.

Reps. Wells, Fuller Clark, Newland, Loder and Braiterman for the Minority of Commerce, Small Business and Consumer Affairs: The Minority found that the purpose of this bill is to make up a shortfall of \$369,000 lost to the Banking Department when the bank franchise tax was rescinded. As amended, this bill will put new assessments on automobile sales finance companies, first mortgage companies and second mortgage companies, which have never been assessed before. The minority feels that this violates the New Hampshire statute that fees must be assessed only to meet the cost of the service or regulation rendered. The minority is opposed to raising revenue by increasing the cost of automobiles and home mortgages.

Rep. Wells moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Reps. Lindblade and Hunt spoke against.

Rep. Newland spoke in favor.

On a division vote 145 members having voted in the affirmative and 191 in the negative, the motion failed.

Amendment (5086B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to lenders regulated by the banking department
and relative to consumer credit transactions.

Amend the bill by replacing all after section 3 with the following:

4 Licensing of Motor Vehicle Sales Finance Companies and Retail Sellers Required. RSA 361-A:2, V is repealed and reenacted to read as follows:

V.(a) Upon the filing of the application for a sales finance company license and payment of the required fee, if the bank commissioner finds that the applicant's financial resources and responsibility, experience, personnel and record of past or proposed conduct warrant the public's confidence and that the business will be operated lawfully, honestly and fairly within the purposes of this chapter he shall enter an order approving such application and shall issue a license to the applicant to engage in the business of a sales finance company under and in accordance with the provisions of this chapter, for a period which shall expire December 31 next following the date of its issuance. No sales finance company licensee shall transact any business provided for by this chapter under any other trade names unless he shall have a separate license therefor.

(b) Upon the filing of an application for a retail seller license and payment of the required fee, if the bank commissioner shall find that the applicant's experience and record of past or proposed conduct warrant the public's confidence and that the business will be operated lawfully, honestly, and fairly within the purposes of this chapter he shall enter an order approving such application and shall issue a license to the applicant to engage in the business of a retail seller under and in accordance with the provisions of this chapter, for a period which shall expire December 31 next following date of its issuance. No retail seller licensee shall transact any business provided for by this chapter under any other trade names unless he shall have a separate license therefor.

(c) If the bank commissioner determines that the applicant fails to meet the requirements of this chapter, the bank commissioner shall, in accordance with RSA 541-A, notify the applicant in writing of that determination. Applicants may appeal a license denial in accordance with RSA 541-A and rules of the bank commissioner adopted under RSA 541-A.

5 New Section; License Surrender; Motor Vehicle Retail Installment Sales. Amend RSA 361-A by inserting after section 2 the following new section:

361-A:2-a License Surrender.

I. A licensee who ceases to engage in the business of a sales finance company or retail seller at any time during a license year for any cause, including but not limited to bankruptcy, license revocation or voluntary dissolution, shall surrender such license in person or by reg-

istered or certified mail to the bank commissioner within 15 calendar days of such cessation, and shall cause to be published in a newspaper of general circulation in the licensee's market area a notice to such effect. The bank commissioner shall adopt rules, in accordance with RSA 541-A, relative to such notice.

II. Failure to comply with the provisions of this section and rules adopted under this section shall be cause for denial of future license applications.

6 Assistants. Amend RSA 361-A:6 to read as follows:

361-A:6 Assistants. For the enforcement of the provisions [hereof] *of this chapter*, the bank commissioner is authorized to appoint, subject to the provisions of the personnel law, such personnel as are necessary. The salary, traveling expenses and all expenses of administration and enforcement of the provisions [hereof] *of this chapter* shall be paid out of fees received from licenses issued [hereunder] *under this chapter and from sums collected pursuant to RSA 383:11*.

7 New Section; Sales Finance Companies Annual Report. Amend RSA 361-A by inserting after section 12 the following new section:

361-A:13 Annual Report; Sales Finance Companies. Each sales finance company licensee shall file, under oath, an annual report with the banking department on or before February 1 of each year, concerning the business and operations for the preceding calendar year ending December 31 in the form prescribed by the bank commissioner. Whenever a sales finance company licensee operated 2 or more licensed offices or whenever 2 or more affiliated licensees operated licensed offices, then a composite report of such group of licensed offices may be filed in lieu of individual reports. Any licensee failing to file the report required by this section within the time prescribed shall pay to the commissioner the sum of \$25 for each calendar day the report is overdue. If a licensee elects to file a composite report and such composite report is not filed on or before February 1, the penalty prescribed in this paragraph shall apply separately for each license held. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation of the bank commissioner, consumer credit administration division.

8 Payment of Cost of Examination; Annual Assessment. Amend the introductory paragraph of RSA 383:11 to read as follows:

The bank commissioner shall, each fiscal year, charge and collect from the institutions, the condition and management of which he is required to examine under the provisions of RSA 383:9, [as the total cost of such examination] *and which he supervises under the provisions of RSA 361-A, RSA 397-A, RSA 398-A and RSA 399-A*, the total amount appropriated for the bank commissioner's department. Said sum shall be collected as follows:

9 Balance of Sums Remaining. RSA 383:11, II is repealed and reenacted to read as follows:

II. The balance of said sum remaining after the charges provided for in paragraph I have been deducted from the total sum shall be charged and collected as follows:

(a) From depository institutions. Each depository institution required to be examined under the provisions of RSA 383:9 shall be charged and pay such proportion of said balance applicable to depository institutions under the banking department's program appropriation unit designation, as its total assets bear to the total assets of all such depository institutions as shown by their reports to the commissioner as of June 30 preceding such charges, except that only 50 percent of the fiduciary assets shall be used in the calculation of the total assets of each institution and all such institutions.

(b) From non-depository lenders and brokers. Each licensee subject to the supervision of the bank commissioner under the provisions of RSA 397-A, RSA 398-A, RSA 399-A, and sales finance companies under RSA 361-A, shall be charged and shall pay such proportion of said balance applicable to the consumer credit administration division under the banking department's program appropriation unit designation as its total dollar volume of loans made, originated, funded or brokered bear to the total dollar volume of all such loans made, originated, funded or brokered by such licensees during the preceding calendar year ending December 31, as shown by their annual reports to the commissioner.

10 License Application; First Mortgage Bankers; Requirements; Investigation. Amend RSA 397-A:5, II(b) and (c) to read as follows:

(b) Each license application shall be accompanied by a nonrefundable application fee of \$250 for each separate office location within this state to be licensed. [Any applicant licensed prior to July 1, 1987, shall not be required to pay a new application fee, but shall pay a renewal fee under RSA 397-A:8.] Sums collected under this [subparagraph and RSA 397-A:8, III] **chapter** shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner, [small loan and vehicle finance] **consumer credit administration** division.

(c) Each applicant shall be required to submit to the banking department detailed financial information sufficient for the bank commissioner to determine the applicant's ability to conduct the business of a mortgage banker or a mortgage broker with financial integrity. At a minimum, each mortgage banker applicant must demonstrate a net worth of \$100,000 or shall post surety [or insurance] in said amount as determined by rules adopted by the bank commissioner. At a minimum, each mortgage broker, or any person not funding a loan, shall provide a surety bond in the amount of \$20,000 to the bank commissioner. ***In calculating net worth, mortgage banker applicants shall include in such calculation only those assets which are exclusively used or useful in the business and which have a readily determinable market value.***

11 License Denial; First Mortgage Bankers; Appeal. RSA 397-A:7, II is repealed and reenacted to read as follows:

II. Applicants may appeal a license denial in accordance with RSA 541-A and rules of the bank commissioner adopted under RSA 541-A.

12 New Paragraph; Petition to Board of Trust Company. Amend RSA 397-A:7 by inserting after paragraph II the following new paragraph:

III. Applicants may petition the board of trust company incorporation for a rehearing in accordance with RSA 541 if the decision in an appeal conducted pursuant to RSA 397-A:7, II affirms the denial of a license application.

13 New Section; License Surrender; First Mortgage Bankers. Amend RSA 397-A by inserting after section 10 the following new section:

397-A:10-a License Surrender.

I. A licensee who ceases to engage in the business of a first mortgage banker or first mortgage broker at any time during a license year for any cause, including but not limited to bankruptcy, license revocation or voluntary dissolution, shall surrender such license in person or by registered or certified mail to the bank commissioner within 15 calendar days of such cessation, and shall cause to be published in a newspaper of general circulation in the licensee's market area a notice to such effect. The bank commissioner shall adopt rules, in accordance with RSA 541-A, relative to such notice.

II. Failure to comply with the provisions of this section and rules adopted under this section shall be cause for denial of future license applications.

14 Reference Deleted; First Mortgage Bankers; Examination Expenses. Amend RSA 397-A:12, V to read as follows:

V. The expense of such examination shall be chargeable to and paid by the licensee. The procedure for such payment shall be the same as for payments by institutions for cost of examinations under RSA 383:11. [Sums collected under this section shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner, small loan and vehicle finance division.]

15 Definition; Lender; Second Mortgage Home Loans. RSA 398-A:1, III is repealed and reenacted to read as follows:

III. "Lender" means a person not exempt under RSA 398-A:10 who for compensation or gain, or in the expectation of compensation or gain, either directly or indirectly makes, originates, acquires, negotiates, or otherwise engages in the business of making second mortgage loans.

16 New Paragraphs; Definitions; Second Mortgage Broker; Person; Salesperson. Amend RSA 398-A:1 by inserting after paragraph V the following new paragraphs:

VI. "Broker" means a person not exempt under RSA 398-A:10 who for compensation or gain, or in the expectation of compensation or gain, either directly or indirectly purchases, places or sells second mortgage loans, or offers to do so.

VII. "Person" means an individual, corporation, business, trust, estate, trust, partnership, association, 2 or more persons having a joint or common interest, or any other legal or commercial entity, however organized.

17 License Required; Second Mortgage Home Loans. Amend RSA 398-A:1-a, I to read as follows:

I. No person shall engage in the business of second mortgage loans *as either a lender or broker* unless he [or his broker, agent or other representative] first obtains a license as provided herein, except when the person lending money is the seller of the real estate upon which the second mortgage is to be taken as security. A person shall not be deemed to be in the business of second mortgage [home] loans if he makes *or brokers* not more than 4 second mortgage loans in a calendar year.

18 License Fee. Amend RSA 398-A:1-a, III and IV to read as follows:

III. [The license fee for each calendar year or part thereof shall be \$250.] *Each application shall be accompanied by a nonrefundable application fee of \$250.* Sums collected under this [paragraph] *chapter* shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner, [small loan and vehicle finance] *consumer credit administration* division.

IV. Upon the filing of such application and the payment of said fee, the commissioner shall investigate the interest to be imposed by the applicant in comparison with the interest generally charged by other lenders in the community in which the business of the applicant is to be conducted, and if he shall find (a) the financial responsibility, experience, character and general fitness of the applicant are such as to command the confidence of the public and to warrant the belief that the business will be operated lawfully, honestly and fairly within the purposes of this chapter; and that (b) the applicant has available for use in such business at the location specified in the application at least \$25,000, or has such amount available, or actually invested in loans made under this chapter, and that (c) allowing the applicant to engage in business will promote the convenience and advantage of the community in which the business of the applicant is to be conducted, he shall enter an order approving such application and deliver a license to the applicant for a period which shall expire the December 31 following the date of its issuance. Each license shall state the name and address of the licensee and shall be posted in the licensee's place of business. The license shall not be transferable or assignable. No licensee shall transact any business provided for by this chapter under any other trade name unless he shall have a separate license therefor. If the commissioner shall not so find, he shall enter an order denying such application and immediately notify the applicant of the denial[, returning the license fee]. Before the corporate or trade name under which the licensed business is conducted is changed, the licensee shall give notice to the commissioner who shall amend the license accordingly without cost.

19 New Paragraphs; License Required. Amend RSA 398-A:1-a by inserting after paragraph V the following new paragraphs:

VI.(a) Each second mortgage home lender applicant shall be required to submit to the banking department detailed financial information sufficient for the bank commissioner to determine the applicant's ability to engage in the business of making second mortgage home loans with financial integrity. At a minimum, each applicant for a second mortgage home loan lender license shall demonstrate a net worth of \$95,000 or shall, in addition to any surety bond required by any other provision of this chapter, post a surety bond in said amount as determined by rules adopted by the bank commissioner. In calculating net worth, the applicant shall include in such calculation only those assets which are exclusively used or useful in the business and which have a readily determinable market value.

(b) Each second mortgage home loan broker applicant shall, at a minimum, and in addition to any surety bond required by any other provision of this chapter, be required to provide a surety bond in the amount of \$15,000 to the bank commissioner

VII. No license shall be issued under this chapter to any individual or entity whose principal place of business is located outside of this state unless that individual or entity designates an agent residing within this state for service of process. An out-of-state licensee shall be required to post its license at the business location of its New Hampshire agent.

20 Payment Clarified; Second Mortgage Home Loans. Amend RSA 398-A:1-d to read as follows:

398-A:1-d Cost. The commissioner may make such an examination of the affairs, business, office and records of any licensee. The expense of such examination shall be chargeable to and paid by the [institution] *licensee*. The procedure for such payment shall be the same as for payments by institutions for cost of examinations under RSA 383:11. [Sums collected under this section shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner, small loan and vehicle finance division.]

21 New Section; License Surrender; Second Mortgage Home Loans. Amend RSA 398-A by inserting after section 1-e the following new section:

398-A:1-f License Surrender.

I. A licensee who ceases to engage in the business of making second mortgage home loans at any time during a license year for any cause, including but not limited to bankruptcy, license revocation or voluntary dissolution, shall surrender such license in person or by registered or certified mail to the bank commissioner within 15 calendar days of such cessation, and shall cause to be published in a newspaper of general circulation in the licensee's market area a notice to such effect. The bank commissioner shall adopt rules, in accordance with RSA 541-A, relative to such notice.

II. Failure to comply with the provisions of this section and rules adopted under this section shall be cause for denial of future license applications.

22 Consumer Credit Administration Fund; Regulation of Small Loans. Amend RSA 399-A:13 to read as follows:

399-A:13 [Small Loan License] *Consumer Credit Administration* Fund. The bank commissioner shall keep a separate account, in the state treasurer's office, to be known as the [small loan license] *consumer credit administration* fund. Moneys received from payment of fees under this chapter shall be credited to the [small loan license] *consumer credit administration* fund. This fund may be expended by the commissioner with the approval of the governor and council for the purpose of supervising persons subject to the provisions of this chapter.

23 New Section; License Surrender; Small Loans. Amend RSA 399-A by inserting after section 18 the following new section:

399-A:18-a License Surrender.

I. A licensee who ceases to engage in the business of making small loans at any time during a license year for any cause, including but not limited to bankruptcy, license revocation or voluntary dissolution, shall surrender such license in person or by registered or certified mail to the bank commissioner within 15 calendar days of such cessation, and shall cause to be published in a newspaper of general circulation in the licensee's market area a notice to such effect. The bank commissioner shall adopt rules, in accordance with RSA 541-A, relative to such notice.

II. Failure to comply with the provisions of this section and rules adopted under this section shall be cause for denial of future license applications.

24 New Section; Pawnbrokers and Moneylenders; License Surrender. Amend RSA 399-D by inserting after section 7 the following new section:

399-D:7-a License Surrender.

I. A licensee who ceases to engage in the business of a debt adjuster at any time during a license year for any cause, including but not limited to bankruptcy, license revocation or voluntary dissolution, shall surrender such license in person or by registered or certified mail to the bank commissioner within 15 calendar days of such cessation, and shall cause to be published in a newspaper of general circulation in the licensee's market area a notice to such effect. The bank commissioner shall adopt rules, in accordance with RSA 541-A, relative to such notice.

II. Failure to comply with the provisions of this section and rules adopted pursuant to this section shall be cause for denial of future license applications.

25 Change from "Small Loan and Vehicle Finance Division" to "Consumer Credit Administration Division." Amend the following RSA provisions by replacing "small loan and vehicle finance division" with "consumer credit administration division": RSA 361-A:4-a, IV; 361-A:2, III(c); 383:11, I; 397-A:15-a, IV; 398-A:6-a, IV; 398-A:1-e; 399-A:5-a, IV; 399-A:20, III; 399-A:21, III; and 399-D:10.

26 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill regulates interest on open-end consumer credit transactions. It changes licensing requirements for certain lenders and offerors of financial services and establishes procedures for license surrender by licensees of the banking department. The bill also changes the procedures for assessment of costs of examinations.

The bill changes the name of the "small loan license fund" to the "consumer credit administration fund" and the "small loan and vehicle finance division" to the "consumer credit administration division," and credits certain payments to the fund or division.

This bill was requested by the banking department.

Adopted.

Report adopted and referred to Ways and Means.

Rep. Domaingue declared a conflict of interest and did not participate.

HB 1500-FN, defining retail level distributors and requiring the licensure of pharmacies operating outside of the state who sell to individuals within the state. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: The committee feels that in the interest of the consumer, out-of-state mail order pharmacies should at least be registered in this state. This will provide a way for consumers to make inquiries about their out-of-state dispenser if they have reason to. Vote 14-2.

Amendment (5071B)

Amend the title of the bill by replacing it with the following:

AN ACT

defining retail level distributors and requiring the registration of
pharmacies operating outside of the state that sell
to individuals within the state.

Amend the bill by replacing all after section 1 with the following:

2 New Paragraph; Licensure Required for Out-of-State Pharmacies. Amend RSA 318:37 to read as follows:

318:37 *License or Registration* Required[, When]; *Compliance*.

I. No person shall conduct or operate a pharmacy within the state for the sale at retail of drugs and medicines unless such pharmacy is [registered] licensed with[,] and a permit [therefor] has been issued by[,] the pharmacy board, except as provided in this chapter.

II.(a) No person shall conduct or operate a pharmacy outside of the state for the sale at retail of drugs and medicines to individuals within the state unless such pharmacy is registered with and a permit has been issued by the board of pharmacy.

(b) The board of pharmacy shall issue a permit to such out-of-state pharmacy if the pharmacy provides proof that the pharmacy is licensed in good standing in the state in which such pharmacy is located.

(c) The board of pharmacy shall provide registration forms to such out-of-state pharmacies.

(d) The board of pharmacy shall assess the following fees for out-of-state pharmacy registrations:

(1) \$300 for initial registration.

(2) \$150 for annual registration renewal.

(e) All persons registered under this paragraph shall comply with those requirements of RSA 318 and RSA 318-B and as defined by the board of pharmacy by rule for the purpose of assuring that the products distributed by these registrants meet the same standards as those required for in-state distribution.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill defines "retail level distributor" and requires that they be registered by the board of pharmacy and be licensed in good standing in the state in which such pharmacy is located. Adopted.

Rep. Hunt moved to Recommit to Committee and spoke in favor.
Adopted.

HB 1199, relative to state referendum questions on proposed changes in the New Hampshire house of representatives. **INEXPEDIENT TO LEGISLATE**

Rep. Jack B. Willis for Constitutional and Statutory Revision: The committee believes that the three changes recommended in HB 1199 are not needed. The Legislature is more representative of the desires of the people as it is. The committee feels NH has a true citizen legislature now. Vote 11-2.

Rep. Teague moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Reps. Hillard and Below spoke in favor.

Rep. Pfaff spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Report adopted.

HB 1194-FN, relative to the board of accountancy and related professional fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul R. Fillion for Executive Departments and Administration: This bill provides for strengthening the board of accountancy. Mandatory quality reviews for both CPAs and PAs will help ensure a high level of performance in a very technical and complex field of specialization. Vote 13-1.

Amendment (5010B)

Amend RSA 309-B:2 as inserted by section 2 of the bill by deleting paragraph VII and renumbering the original paragraphs VIII-X to read as VII-IX, respectively.

Amend RSA 309-B:3, I(a) as inserted by section 2 of the bill by replacing it with the following:

I.(a) There is hereby created the New Hampshire board of accountancy, which shall have responsibility for the administration and enforcement of this chapter. The board shall consist of the following members, all of whom shall be residents of this state appointed by the governor with the approval of council: Three members shall be holders of certificates under RSA 309-B:4 or corresponding provisions of prior law; one member shall be a public accountant who is a holder of a currently valid permit; and one member shall be a public member, who is not, and never was, a member of the accounting profession, or the spouse of such person, and who does not have, or never has had, a material financial interest in either the provision of accounting services or an activity directly related to accounting, including the representation of the board or profession for a fee at any time during the 5 years preceding appointment.

Amend RSA 309-B:3, II(a) as inserted by section 2 of the bill by replacing it with the following:

II.(a) The board shall elect annually from among its members a chairperson, a secretary-treasurer and such other officers as the board may deem appropriate. A member shall be eligible to be elected chairperson for one one-year term during a 5-year appointment. For one year within the 5-year period, the chairperson shall be a person other than a certified public accountant. The board shall meet at such times and places as may be fixed by the board. Meetings of the board shall be open to the public, except insofar as they are concerned with investigations under RSA 309-B:7 or 309-B:8, and except as may be necessary to protect information that is required to be kept confidential by board rules or by the laws of this state. A majority of the board members shall constitute a quorum at any meeting duly called.

Amend RSA 309-B:3, VIII(c) as inserted by section 2 of the bill by replacing it with the following:

(c) Rules specifying the educational and experience qualifications required for all licensees, and the continuing professional education required for renewal of certificates or permits.

Amend RSA 309-B:3, VIII(g) as inserted by section 2 of the bill by replacing it with the following:

(g) Rules regarding quality reviews that shall be required under this chapter.

Amend RSA 309-B:4 as inserted by section 2 of the bill by inserting after paragraph VII the following new paragraph and renumbering the original paragraph VIII to read as IX:

VIII. Experience obtained in the employment of a governmental agency in the following areas may be accepted by the board in its discretion as qualifying experience under this section:

(a) In auditing the books and accounts of nongovernmental entities in 3 or more distinct lines of commercial or industrial business in accordance with generally accepted auditing standards;

(b) In auditing the books and accounts or activities of 3 or more governmental agencies or distinct organizational units in accordance with generally accepted auditing standards and reporting on their operations to a third party, to the congress, or to a state legislature; or

(c) In a combination satisfactory to the board of the experience described in subparagraph (a) above, together with reviewing financial statements and supporting material covering the financial condition and operations of nongovernmental entities engaged in 3 or more distinct lines of commercial or industrial business to determine the reliability and fairness of the financial reporting and compliance with generally accepted accounting principles and applicable government regulations for the protection of investors and consumers.

Amend RSA 309-B:5, VIII as inserted by section 2 of the bill by replacing it with the following:

VIII. The board shall require, as a condition to renewal of permits under this section, that applicants undergo quality reviews conducted no more frequently than once every 3 years in such manner and producing such satisfactory result as the board may specify; provided, however, that any such requirement shall be adopted reasonably in advance of the time when it is first required to be met, and shall include reasonable provision for compliance by an applicant's showing that it has undergone a satisfactory quality review performed for other purposes which was substantially equivalent to quality reviews generally required pursuant to this section and completion of such review was within the 3 years immediately preceding the renewal period.

Amend RSA 309-B as inserted by section 2 of the bill by deleting section 6 and renumbering the original sections 7-20 to read as 6-19, respectively.

Amend the introductory paragraph of RSA 309-B:6, I as inserted by section 2 of the bill by replacing it with the following:

I. After notice and hearing pursuant to RSA 309-B:8, the board may refuse to renew or suspend any certificate or permit issued under RSA 309-B:4 or 5 or refuse to renew any such certificate or permit for a period of not more than 5 years. The board may reprimand, censure, or limit the scope of practice of any licensee; impose an administrative fine not exceeding \$1,000, or place any licensee on probation, all with or without terms, conditions, and limitations, for any one or more of the following reasons:

Amend RSA 309-B:6, I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) Fraud or deceit in obtaining a certificate or permit.

Amend RSA 309-B:6, II(a) as inserted by section 2 of the bill by replacing it with the following:

(a) A quality review conducted in such fashion as the board shall specify; and

Amend RSA 309-B:7, I as inserted by section 2 of the bill by replacing it with the following:

I. The board may, upon receipt of a written complaint or other information suggesting violations of this chapter or of the rules of the board, conduct investigations to determine whether there is probable cause to institute proceedings under RSA 309-B:6 or RSA 309-B:8 against any person or firm for such violation, but an investigation under this section shall not be a prerequisite to such proceedings in the event that a determination of probable cause can be made without investigation. In aid of such investigations, the board, through its chairperson, shall have the power to compel the testimony of witnesses and the production of documents or other evidence by the issuance of subpoenas. The board and the defendant may take the depositions of witnesses residing within or without the state pertaining to any matter being investigated.

Amend RSA 309-B:7, III as inserted by section 2 of the bill by replacing it with the following:

III. Upon a finding of probable cause, if the subject of the investigation is a licensee, the board shall direct that a complaint be issued under RSA 309-B:8, and if the subject of the investigation is not a licensee, the board shall take appropriate action under RSA 309-B:10 and RSA 309-B:11. Upon a finding of no probable cause, the board shall close the matter and shall release related information only with the consent of the person or firm investigated.

Amend RSA 309-B:8, I as inserted by section 2 of the bill by replacing it with the following:

I. In any case where probable cause with respect to a violation by a licensee has been determined by the board, whether following an investigation under RSA 309-B:7, or upon receipt of a written complaint furnishing grounds for a determination of such probable cause, or upon receipt of notice of a decision by the board of accountancy or similar agency of another state furnishing such grounds, the board shall issue a complaint setting forth appropriate charges and set a date for a disciplinary hearing before the board on such charges. The board shall, not less than 30 days prior to the date of such hearing, serve a copy of the complaint and notice of the time and place of the hearing upon the licensee, together with a copy of the board's rules governing proceedings under this section, either by personal delivery or by mailing a copy by registered mail to the licensee at the last known address.

Amend RSA 309-B:8, IV as inserted by section 2 of the bill by replacing it with the following:

IV. The evidence supporting the complaint shall be presented by the investigating officer, by a board member designated for that purpose, or by counsel. A board member who presents the evidence, or who has conducted the investigation of the matter under RSA 309-B:7, shall not participate in the board's decision of the matter.

Amend RSA 309-B:8, XI as inserted by section 2 of the bill by replacing it with the following:

XI. In any case where the board renders a decision imposing discipline against a licensee under RSA 309-B:6 or RSA 309-B:8, the board shall examine its records to determine whether the licensee holds a certificate or a permit to practice public accountancy in any other state.

If that is the case, the board shall notify the board of accountancy or other similar regulatory agency of such other state of its decision, by mail, within 45 days of rendering the decision. The board may also furnish information relating to proceedings resulting in disciplinary action to other public authorities and to professional organizations having a disciplinary interest in the licensee.

Amend RSA 309-B:9, I as inserted by section 2 of the bill by replacing it with the following:

I. In any case where the board has suspended or revoked a certificate or permit or refused to renew a certificate or permit the board may, upon application in writing by the individual affected and for good cause shown, modify the suspension or reissue the certificate or permit.

Amend RSA 309-B:9, III as inserted by section 2 of the bill by replacing it with the following:

III. Before reissuing, or terminating the suspension of, a certificate or permit under this section, and as a condition to such action, the board may require the applicant to show successful completion of specified continuing professional education. The board may make the reinstatement of a certificate or permit conditional and subject to satisfactory completion of a quality review conducted in such fashion as the board shall specify.

Amend the introductory paragraph of RSA 309-B:10, I as inserted by section 2 of the bill by replacing it with the following:

I. No person or firm shall issue a report on financial statements of any other person, firm, organization, or governmental unit unless such person or firm has been issued a permit under RSA 309-B:5. This prohibition shall not apply to the following circumstances:

Amend RSA 309-B:10, II as inserted by section 2 of the bill by replacing it with the following:

II. The prohibition contained in paragraph I of this section is applicable to issuance, by a person or firm not holding a valid permit, of a report using any form of language conventionally used by licensees with respect to a review of financial statements.

Amend RSA 309-B:10, VIII as inserted by section 2 of the bill by replacing it with the following:

VIII. No firm shall assume or use the title or designation "certified accountant," "chartered accountant," "enrolled accountant," "licensed accountant," "registered accountant," "accredited accountant," or any other title or designation likely to be confused with the titles "certified public accountant" or "public accountant," or use any of the abbreviations "CA," "EA," "LA," "RA," "AA," or similar abbreviation likely to be confused with the abbreviations "CPA" or "PA," unless all partners, officers and shareholders of the firm hold valid permits under RSA 309-B:5. This prohibition shall not apply to a holder of a certificate who does not also hold a permit, and such individual may use the titles pertaining to such certificate in any manner not prohibited by rules adopted by the board under RSA 309-B:3, VIII.

Amend RSA 309-B:11-14 as inserted by section 2 of the bill by replacing them with the following:

309-B:11 Injunctions. Whenever, as a result of an investigation under RSA 309-B:7 or otherwise, the board believes that any person or firm has engaged, or is about to engage, in any acts or practices which constitute or will constitute a violation of RSA 309-B:10, the board may make application to the appropriate court for an order enjoining such acts or practices. Upon a showing by the board that such person or firm has engaged, or is about to engage, in any such acts or practices, an injunction, restraining order, or other order as may be appropriate may be granted by such court.

309-B:12 Criminal Penalties.

I. Whenever, by reason of an investigation under RSA 309-B:7 or otherwise, the board has reason to believe which any person or firm has knowingly engaged in acts or practices which constitute a violation of RSA 309-B:10, the board may bring its information to the attention of the department of justice of this state which may, in its discretion, cause appropriate criminal proceedings to be brought.

II. Any person who knowingly violates any provision of RSA 309-B:10 shall be guilty of a misdemeanor.

309-B:13 Single Act as Evidence of Practice. In any action brought under RSA 309-B:8, 309-B:11 or 309-B:12, evidence of the commission of a single act prohibited by this chapter

shall be sufficient to justify the imposition of a penalty, injunction, restraining order, or conviction, respectively, without evidence of a general course of conduct.

309-B:14 Confidential Communications. Except by permission of the client engaging a licensee under this chapter, or the heirs, successors, or personal representatives of such client, a licensee or any partner, officer, shareholder, or employee of a licensee shall not voluntarily disclose information communicated to such person by the client relating to and in connection with services rendered to the client by the licensee in the practice of public accountancy. Such information shall be deemed confidential, provided, however, that nothing in this chapter shall be construed as prohibiting the disclosure of information required to be disclosed by the standards of the public accounting profession in reporting on the examination of financial statements or as prohibiting disclosures in court proceedings or administrative proceedings before governmental agencies in instances where a subpoena or summons has been issued, in investigations or proceedings under RSA 309-B:7 or 309-B:8, in ethical investigations conducted by private professional organizations, or in the course of quality reviews.

Amend the bill by replacing sections 3 and 4 with the following:

3 Previously Licensed Accountants. Any person who on the effective date of this act holds a valid permit or certificate issued under RSA 309-A or its predecessors under prior law may continue to practice accountancy as provided in RSA 309-B:5, IX. The board may exercise its authority over such persons under RSA 309-B:6, relating to enforcement.

4 Initial Appointments to Board. Of the members first to be appointed under RSA 309-B:3, one shall hold office for one year, one for 2 years, and one for 3 years, one for 4 years, and one for 5 years, the term of each to be designated by the governor, provided that members of the New Hampshire board of accountancy appointed and serving as such under prior law on the effective date of this act shall serve out the terms for which they were appointed.

AMENDED ANALYSIS

This bill reestablishes the board of accountancy and prescribes its powers and duties. It also provides for the issuance of certificates as certified public accountants and the issuance of permits to practice public accountancy.

This bill was requested by the board of accountancy.

Adopted.

Report adopted and ordered to third reading.

HB 1286, establishing a board of real property inspectors, requiring the licensing of inspectors, and setting certain fees. **INEXPEDIENT TO LEGISLATE**

Rep. Raymond A. Lundborn for Executive Departments and Administration: The committee felt this board was premature at this time. The American Society of Home Inspectors (ASHI) is coming out later this year with a national model of legislation. Vote 16-1.

Adopted.

HB 1295-FN, establishing a department of natural resources. **REFER FOR INTERIM STUDY**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would establish a Department of Natural Resources. The Department would be responsible for managing, developing and protecting the state's agricultural resources and provide protection, management and preservation of the trails, forests, parks and historical sites in the state. Most of those that appeared at the public hearing thought this was a large project and should be studied further. With the time available, the committee felt the same way and requests interim study to look into all the ramifications of such a department. Vote 14-1.

Adopted.

HB 1524, relative to the executive reorganization of the department of education. **OUGHT TO PASS WITH AMENDMENT**

Rep. William P. Boucher for Executive Departments and Administration: The bill went to a subcommittee of ED&A. The committee dealt with the redraft of HB 1524 as proposed by Rep. Skinner, Chairman of Education, and further amended the bill to accomplish the follow-

ing. We modified the initiative of the Department of Education in realignment of the various divisions and bureaus and major changes are made in the functional relationship of the department staff in carrying out the duties and responsibilities of the department. The reorganization done by ED&A and the Education Committee in 1986 lacked a few needed changes and this realignment by the Department of Education is timely and well done. The deputy commissioner, who will become commissioner in July, will be a major factor in implementation of this act. Vote 14-0

Amendment (5058B)

Amend the bill by replacing all after the enacting clause with the following:

1 Department of Education Reorganized. RSA 21-N:2-8 are repealed and reenacted to read as follows:

21-N:2 Establishment; General Functions.

I. There is hereby established the department of education, an agency of the state under the executive direction of a commissioner of education.

II. The department of education, through its officials, shall be responsible for the following general functions:

(a) Providing general supervision for elementary and secondary schools, teachers, and administrators.

(b) Providing a variety of educational services to schools and particular groups.

(c) Providing vocational rehabilitation and social security disability determination services for persons with disabilities.

III. The department shall provide educational leadership and services which promote educational opportunities and quality practices and programs which enable New Hampshire residents to become fully productive members of society.

21-N:3 Commissioner; Deputy Commissioner; Directors; Compensation.

I. The commissioner of the department of education shall be appointed by the board of education and shall serve for a term of 4 years. The commissioner may succeed himself or herself, if reappointed. The commissioner shall be qualified to hold that position by reason of education and experience.

II. The commissioner shall nominate the deputy commissioner and each division director for confirmation by the board of education. The deputy commissioner and the division directors shall serve for a term of 4 years. They may succeed themselves, if reappointed. The deputy commissioner and the directors shall be qualified to hold their respective positions by reason of education and experience.

III. The deputy commissioner and the directors shall serve staggered terms.

IV. The salaries of the commissioner, the deputy commissioner and each division director, shall be as specified in RSA 94:1-a.

21-N:4 Duties of Commissioner. In addition to the powers, duties and functions otherwise vested by law in the commissioner of the department of education, the office of the commissioner shall:

I. Establish the organizational goals of the department and represent the public interest in the administration of the functions of the department of education and be responsible to the governor, the general court, and the public for such administration.

II. Have the authority, subject to the approval of the governor and council, to accept gifts, contributions, and bequests of unrestricted funds from individuals, foundations, corporations, and other organizations or institutions for the purpose of furthering the policy objectives of the department of education as set forth in RSA 21-N:1 and except as prohibited by any other provision of law.

III. Provide for a fair hearings unit within the commissioner's office which shall, when not inconsistent with federal law, conduct all hearings required under the provisions of RSA 186-C or any state or federal law or regulation. Such hearings shall be conducted as adjudicative proceedings as provided in RSA 541-A. The hearing officer, when appropriate and when not inconsistent with state or federal law, shall present proposed findings and recommendations to the commissioner who shall, upon review of the record, issue a final decision in the matter.

IV. Represent the department on boards, commissions, committees, and professional associations, or shall designate a designee.

V. Establish procedures to provide school administrative units with professional staff services, including direct services to school administrative units in improving the effectiveness and efficiency of administrative and instructional services. Such services shall include, but not be limited to, assistance in addressing problems, resolving disputes, and planning for internal reorganization; development of clearer role definitions for superintendents, assistant and associate superintendents, and school boards; and provision of resources and programs for board training and community education regarding school administrative unit functions and board and staff roles and responsibilities.

VI. Plan and apply for federal and other grants on a department-wide basis.

VII. Promote the application of educational research.

VIII. Administer the provisions of RSA 193-C relative to the statewide educational improvement and assessment program.

IX. Oversee audit and financial monitoring functions which shall:

(a) Provide analytical reports of examinations conducted of the department's various divisions, bureaus, sections, programs and functions. Examinations shall be conducted and reports prepared in accordance with standards of governmental auditing and program evaluation specified by authoritative national standard setting bodies. Reports shall contain analyses, appraisals, comments, and recommendations relating to the accuracy and competence of accounting, financial, and management procedures in use.

(b) Insure compliance with federal grant requirements and review grantee and subgrantee compliance with all department grant requirements.

(c) Not assume any managerial, supervisory, or operational function, or direct action initiated as a result of the unit's recommendations.

X. Review, on an ongoing basis, the development and administration of standards.

21-N:5 Duties of Deputy Commissioner. The deputy commissioner shall, in accordance with applicable laws:

I. Provide for the following functions:

(a) Implementing the organizational goals, managing the work of the department, and directing the division directors in carrying out state and federal obligations.

(b) Assuring that the division directors comply with the procedures established by the commissioner relative to support for local schools under RSA 21-N:4, V.

(c) Personnel management.

(d) Developing and maintaining a system of accounting records and budget control procedures which meet all state and applicable federal accounting, purchasing, and reporting requirements.

(e) Property and contracts.

(f) Requiring and approving the development of short and long-range division level plans and their implementation.

(g) Rate setting, as specified under RSA 186-C:7, III. Such rate setting shall be accomplished in consultation with the department of health and human services and the department of administrative services.

(h) Administering finance and operations.

(i) Fiscal management of all federal and other grants.

II. Exercise, subject to the supervision of the commissioner, superior authority over the directors of the divisions of the department relative to areas of responsibility specified in this section.

21-N:6 Division of Educational Improvement. There is hereby established within the department the division of educational improvement, under the supervision of an unclassified director of educational improvement who shall be responsible for the following functions, in accordance with applicable laws:

I. Providing technical and consulting services in both academic and support areas to public elementary and secondary schools.

II. Administering the provisions of RSA 186-C relative to special education.

III. Administering federal and state programs designed to assist the education of students and teachers.

IV. Developing and administering standards governing the professional development of educators from pre-service preparation through ongoing professional growth.

V. Administering standards for approving elementary and secondary schools in accordance with rules adopted by the board under RSA 21-N:9, I.

VI. Administering department responsibilities for driver education.

21-N:7 Division of Program Support. There is hereby established within the department the division of program support, under the supervision of an unclassified director of program support who shall be responsible for the following functions, in accordance with applicable laws:

I. Administering standards for certifying and recertifying educational personnel, including monitoring local staff development efforts.

II. Assuring compliance with all federal equal opportunity and access requirements, including, but not limited to, those requirements concerning awareness and elimination of discrimination on the basis of sex, race, language, national origin, or disability.

III. Providing school building construction service and administering the school building aid program.

IV. Administering department responsibilities for nutrition programs and services.

V. Administering department responsibilities for information services.

VI. Collecting, compiling, analyzing, and reporting on education data.

21-N:8 Division of Career Technology and Adult Learning. There is hereby established within the department the division of career technology and adult learning, under the supervision of an unclassified director of career technology and adult learning who shall be responsible for the following functions, in accordance with applicable laws:

I. Administering career technology and adult learning programs.

II. Overseeing the administration of the provisions of RSA 200-C.

III. Overseeing the administration of federal social security disability determinations as authorized by the Social Security Administration.

IV. Overseeing the administration of the provisions of RSA 186-B relative to services to the blind.

V. Establishing regional vocational rehabilitation offices necessary for the administration of this section.

VI. Providing technical and consulting services to assist secondary vocational education efforts.

VII. Administering the provisions of RSA 186:61 and 186:62, relative to adult basic education, except functions assigned exclusively to the deputy commissioner, as provided by RSA 21-N:5.

2 "Blind Services" Changed to "Blind Services Program, Bureau of Vocational Rehabilitation." Amend RSA 72:37 to read as follows:

72:37 Exemption for the Blind. Every inhabitant who is legally blind as determined by the blind services *program*, [department of the] *bureau of* vocational rehabilitation [division of the] *department of* education [department] shall be exempt each year on the assessed value, for property tax purposes, of his or her residential real estate to the value of \$15,000, and a city or town may exempt any amount it may determine is appropriate to address significant increases in property values in accordance with the procedures in RSA 72:36-b. The term "residential real estate" as used in this section shall mean the same as defined in RSA 72:29. All applications made under this section shall be subject to the provisions of RSA 72:33 and RSA 72:34.

3 Departmental Entity Titles Changed. Amend RSA 94:1-a, I, Group N:

I. By deleting:

(a) Director of standards and certification, department of education.

(b) Director of instructional services, department of education.

(c) Director of vocational rehabilitation, department of education.

II. By inserting:

(a) Director of program support, department of education.

(b) Director of educational improvement, department of education.

(c) Director of career technology and adult learning, department of education.

4 Director's Title Changed. Amend RSA 186:60, I(a) to read as follows:

(a) The director of the division of [standards and certification] *program support*, or [his] designee, who shall be the executive secretary of the board;

5 Division of Career Technology and Adult Learning Specified. Amend RSA 186:61, I to read as follows:

I. The state board of education shall establish and promote an educational program for adults to earn a high school diploma or its equivalent. This program shall be administered by the [school districts] *division of career technology and adult learning, department of education*, in accordance with the rules adopted by the state board.

6 Division of Career Technology and Adult Learning Specified. Amend RSA 186:62, I and the introductory paragraph of RSA 186:62, II to read as follows:

I. The state board of education shall promote and encourage other programs of adult and continuing education. The board shall adopt rules, pursuant to RSA 541-A, relative to standards and accreditation of those adult and continuing education programs which involve certification of adult learners at the high school level [and which are organized and administered exclusively by school district officials].

II. *These programs shall be administered by the division of career technology and adult learning.* The [state board of education] *division* shall:

7 Rulemaking Authority Transferred to Board. Amend RSA 186-B:3, II to read as follows:

II. The department of education shall develop or cooperate with other agencies in providing services to the blind, including the locating of blind persons, vocational guidance and training of the blind, placement of blind persons in employment, instruction of the adult blind in their homes and other services to blind persons. In connection with assistance to needy blind persons the [department] *board of education* shall give due consideration to the special needs associated with the condition of blindness and, in cooperation with the division of human services, department of health and human services, shall: (a) [promulgate] *adopt* rules [and regulations] stating in terms of ophthalmic measurements the amount of visual acuity which an applicant may have and be eligible for assistance and providing for an examination by an ophthalmologist or physician skilled in diseases of the eye or by an optometrist, whichever the individual may select, in making the determination whether the individual is eligible and fixing the fee for such examination; (b) establish the procedure for securing competent medical examination; (c) designate or approve a suitable number of ophthalmologists or physician skilled in diseases of the eye, and optometrists, who must be duly licensed or registered under the laws of this state and actively engaged in the practice of their professions, to examine applicants and recipients of aid to determine their eligibility for assistance; (d) fix the fees to be paid for medical examination from funds available to the division.

8 "Blind Services" Changed to "Blind Services Program, Bureau of Vocational Rehabilitation." Amend RSA 186-B:4, I-IV to read as follows:

I. The [administrator of] blind services *program, bureau of vocational rehabilitation*, shall prepare and maintain a register of the blind in the state, which shall describe their condition, cause of blindness, capacity for education and industrial training, and such other data as [he considers advisable] *deemed appropriate*.

II. The [administrator of] blind services *program, bureau of vocational rehabilitation*, shall [act as a bureau of] *provide* information and industrial aid for the blind, and for this purpose may furnish materials and tools to any blind person. [He] *The bureau* may assist blind persons engaged in home industries in marketing their products, in finding employment, and in developing home industries. [He] *The bureau* may ameliorate the condition of the blind by devising means to facilitate the circulation of books, by promoting visits among the aged or helpless blind in their homes, and by such other methods as are expedient. However, [he] *the bureau* shall not undertake the permanent support or maintenance of any blind person.

III. The [administrator of] blind services *program, bureau of vocational rehabilitation*, shall furnish assistance to such blind persons, in such amounts and at such asylums, schools, or other institutions designed for the purpose of industrial aid to the blind as the department of education directs.

IV. The commissioner of education at [his] *the commissioner's* discretion may contribute to the support of the blind persons from New Hampshire receiving instruction in industrial institutions outside the state.

9 "Division" Changed to "Bureau." Amend RSA 186-B:10, II to read as follows:

II. "Blind services" means the administrative unit for the blind services program [of] *within* the [division] **bureau** of vocational rehabilitation, [of the] department of education [under the administrator of blind services].

10 New Section; Rulemaking Authority of the Board Added. Amend RSA 186-B by inserting after section 11 the following new section:

186-B:11-a Rulemaking Authority; Board of Education. The state board of education shall adopt rules, pursuant to RSA 541-A, to carry out the provisions of this chapter.

11 "Blind Services" Changed to "Division." Amend RSA 186-B:12 to read as follows:

186-B:12 Licenses. Blind services shall issue a license for the operation of a vending facility only to a blind person who is able, with [his] *such* disability, to operate a vending facility. In issuing any license, blind services shall give preference to a blind person who is a resident of this state. Each license issued shall be for an indefinite period, but may be terminated by blind services if it is satisfied that the facility is not being operated in accordance with [its rules] **rules adopted by the board of education under RSA 186-B:11-a.**

12 New Paragraph; Definition of Division of Educational Improvement. Amend RSA 186-C:2 by inserting after paragraph I-a the following new paragraph:

I-b. "Division" means the division of educational improvement, department of education.

13 "Special Education Bureau" Changed to "Division of Educational Improvement." RSA 186-C:3 is repealed and reenacted to read as follows:

186-C:3 Division of Educational Improvement; Special Education; Programs and Services. The department shall appoint and assign such personnel or contract for services as may be necessary for proper operation of special education programs. Special education services of the division of educational improvement shall be fully coordinated and integrated with the department's general curriculum and instruction activities.

14 "Special Education Bureau" Changed to "Division." Amend RSA 186-C:3-a, I-V to read as follows:

I. The [primary duty of the special education bureau] **division** shall [be to] help school districts meet their responsibilities under this chapter and under federal law regarding the education of [educationally disabled children] **students with educational disabilities.** The special education program of the department of education shall develop and analyze information on issues and problems of regional and statewide importance and on assisting school districts in dealing with these issues and problems. The department shall ensure that the [bureau's] regulation and monitoring of school district activities shall not exceed what is necessary for compliance with this chapter and with federal law regarding the education of [educationally disabled children] **students with educational disabilities.**

II. The [bureau] **division** shall, subject to available funding, develop, implement and evaluate statewide special education policies, standards and programs. In carrying out this mission, the [bureau] **division** shall gather and collect data and organize and analyze instruction about programs, conditions and trends in special education in the state. In addition, the [bureau] **division** shall be responsible for monitoring and maintaining information about national and regional trends, instructions and issues affecting special education in New Hampshire. The [bureau] **division** shall make this information available to the districts and use this information to:

(a) Assess the needs of school districts for assistance in carrying out their responsibilities for educating [disabled children] **students with educational disabilities;**

(b) Identify cost effective alternative programs for serving [educationally disabled children] **students with educational disabilities;**

(c) Focus resources on students requiring extensive services; and

(d) Develop cost and service level benchmarks for special education in New Hampshire which may be used as reference points by districts to measure the effectiveness of their programs in meeting educational goals and objectives.

III. The [special education bureau] **division** shall provide technical assistance and information to the school districts so that the districts may effectively and efficiently identify, clarify and address their specific responsibilities under state and federal special education laws. This assistance shall include the provision of mediation services to resolve special education

disputes and the provision of expertise regarding specific educationally disabling conditions. Whenever technical assistance of a specialized nature, beyond that available in the department, is required, the [bureau] *division* shall assume a leadership role in identifying sources of such assistance in other state agencies, the federal government, volunteer services or the private sector.

IV. The [special education bureau] *division* shall administer those federal and state funding programs for special education assigned to it by law. The [bureau] *division* shall also make recommendations to the state board regarding management systems, standard definitions and procedures in order to provide uniform reporting of special education services and expenditures by school districts and school administrative units.

V. The [special education bureau] *division* shall monitor the operations of local school districts regarding compliance with state and federal laws regarding the education of [educationally disabled students] *students with educational disabilities*. The [bureau's] *division's* regulatory program shall be structured and implemented in a prudent manner and shall not place an excessive administrative burden on local districts. The [bureau] *division* and districts shall approach monitoring and regulation in a constructive, cooperative manner with a goal of improving special education in New Hampshire.

15 Federal Vocational Rehabilitation Program; State Compliance. Amend RSA 200-C:1 to read as follows:

200-C:1 Federal Vocational Rehabilitation [Funds] *Program*. The commissioner of education, or if the commissioner of education delegates the authority in writing, the director of the division of vocational rehabilitation of the department of education, is authorized to make application to and receive funds from, to cooperate with, and to enter into any agreements with the federal government or any agency of the federal government to secure the participation of the United States government through the allotment of federal funds in the vocational rehabilitation program of this state. *The bureau of vocational rehabilitation shall comply with the requirements of the applicable federal laws including the determination of eligibility for the determination of the nature and scope of, and the provision of, vocational rehabilitation services under the state plan.*

16 "Blind Services" Changed to "Blind Services Program, Bureau of Vocational Rehabilitation." Amend RSA 219:21, II to read as follows:

219:21 Purchases and Certain Expenses.

II. The operating costs of the ski school, ski rental and repair, souvenir, and food services concessions at Mount Sunapee and Cannon Mountain ski areas and all state parks shall be a direct charge against gross sales receipts. RSA 186-B:9-15 shall not apply to these facilities, but the department of resources and economic development may contract for the operation of these facilities with *the blind services program, bureau of vocational rehabilitation* or any other party to insure maximum benefits and revenues to the state of New Hampshire. The director of state ski operations under RSA 12-A:26, I shall make the purchases for Mount Sunapee and Cannon Mountain ski operations.

17 "Blind Services" and "Vocational Rehabilitation" Changed to "Division of Career Technology and Adult Learning." Amend RSA 275-C:3 to read as follows:

275-C:3 Ex Officio Members. The following, or their designees, shall serve as ex officio members without a vote on the commission: (1) the commissioner of health and human services, (2) the [chief of the division] *administrator of the bureau* of vocational rehabilitation, [of the] department of education, (3) the supervisor of blind services [of the department of education, division] *bureau* of vocational rehabilitation, *department of education*, (4) the commissioner of labor, (5) the commissioner of the department of employment security, (6) a member of the state board of education designated by the governor, and (7) the director of the division of mental health and developmental services.

18 "Bureau of Blind Services" and "Vocational Rehabilitation" Changed to "Division of Career Technology and Adult Learning." Amend RSA 327:34 to read as follows:

327:34 Report to [Bureau of Blind Services] *Division of Career Technology and Adult Learning*. All registered optometrists in this state shall report, with the permission of the patient, all cases of vision examination results of 20/200 or less in the better eye, after correction, to the [bureau of blind services,] *division of [vocational rehabilitation] career tech-*

nology and adult learning, department of education. Such report shall contain the name and address of the examined individual, date of birth, the amount of vision in both eyes, and the cause of visual impairment. The information contained in said report shall be treated as confidential by the [bureau of blind services] *division*.

19 "Bureau of Blind Services" and "Vocational Rehabilitation" Changed to "Blind Services Program, Bureau of Vocational Rehabilitation." Amend RSA 329:20 to read as follows:

329:20-a Report to [Bureau of] Blind Services *Program, Bureau of Vocational Rehabilitation*. All licensed physicians practicing ophthalmology in this state shall report, with the permission of the patient, all cases of vision examination results of 20/200 or less, in the better eye, after correction, to the [bureau of] blind services *program*, [division] *bureau* of vocational rehabilitation, department of education. Such report shall contain the name and address of the examined individual, date of birth, the amount of vision in both eyes, and the cause of visual impairment. The information contained in said report shall be treated as confidential by the bureau [of blind services].

20 Change from "Special Education Bureau" or "Bureau of Special Education" to "Division of Educational Improvement." Amend the following RSA provisions by replacing "special education bureau" or "bureau of special education" with "division of educational improvement": RSA 21-I:18, I(i); 186:69; 186-C:7, III and IV; 186-C:21, I; 186-C:22, I and VI.

21 Change from "Vocational Rehabilitation Division" or "Division of Vocational Rehabilitation" to "Bureau of Vocational Rehabilitation." Amend the following RSA provisions by replacing "vocational rehabilitation division" or "division of vocational rehabilitation" with "bureau of vocational rehabilitation": RSA 21-I:18, I(h); 200-C:1-3; the introductory paragraph of 200-C:6-a, II; 200-C:7, I; 200-C:10; 200-C:14, I; 200-C:16-18; 200-C:20-a; 200-C:21; 200-C:22, I; 200-C:24; 200-C:25, I; and 521-A:7-8.

22 Change from "Director" to "Administrator". Amend the following RSA provisions by replacing "director" with "administrator": RSA 200-C:12-14.

23 Change from "Director," or "Director, Division of Vocational Rehabilitation" to "Board of Education." Amend the following RSA provisions by replacing "director" or "director, division of vocational rehabilitation" with "board of education": the introductory paragraph of RSA 200-C:8; 200-C:11, I; RSA 200-C:15; 200-C:20; 200-C:23; and 200-C:26.

24 Repeal. The following are repealed:

I. RSA 186-B:2, relative to appointment of a blind services administrator.

II. RSA 186-B:6 and 7, relative to blind services.

III. RSA 186-B:11, VI relative to adoption of rules relating to blind services.

IV. RSA 186-B:13, II, relative to vending facilities being operated on August 5, 1975.

V. RSA 186-C:3-a, VI, relative to bureau study of special education programs.

VI. RSA 186-C:4, relative to a comprehensive state special education plan.

VII. RSA 200-C:6, relative to program evaluations and access to vocational rehabilitation records.

25 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill revises the organizational structure and clarifies certain duties of the department of education, and changes the titles of certain departmental entities and administrators.

Certain obsolete or inapplicable provisions of law are repealed.

Adopted.

Report adopted and ordered to third reading.

HB 1537, establishing \$.50 as the maximum fee which state agencies or bodies may charge per page for copies of documents. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would establish a fixed fee for each page of copies of documents. HB 652, which passed the House on 1/11/94, dealt with changes in the Administrative Rules Act, RSA 541-A:1, IV, by establishing a fee process for all departments to use for copies. Much of the testimony was opposed to the flat fee. Therefore, the committee feels this bill is unnecessary. Vote 16-1.

Adopted.

HB 1551-FN-A, relative to the state's repayment of retirement costs for certain judicial branch employees and making an appropriation therefor. **OUGHT TO PASS**

Rep. Merton S. Dyer for Executive Departments and Administration: The policy committee that has oversight of the New Hampshire Retirement System has heard the testimony and looked into the history. We feel, very strongly, as indicated by the vote of 15 to 0, that this bill should pass. The committee in the discussion was very positive in their feelings that the individuals involved are now and have been during their employment members of the court system of New Hampshire. We strongly recommend that these funds should come from resources of the unified court system and should not be a charge against the state or the retirement system. Vote 15-0.

Adopted and referred to Appropriations.

HB 1432, amending the law against discrimination to prohibit discrimination on the basis of sexual orientation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rick G. Newman for Judiciary: This bill specifically does not endorse any person's lifestyle or activity. This bill does recognize that all of our citizens are entitled to civil rights as provided in our laws and our Constitution. The strong bi-partisan support of this bill demonstrates the need for the protection offered in this legislation. Vote 14-4.

Amendment (5021B)

Amend the bill by inserting after the enacting clause the following and renumbering the original sections 1-14 to read as 2-15, respectively:

1 Statement of Intent. The legislature recognizes that individuals are subject to discrimination based on sexual orientation. The legislature also recognizes that all persons, regardless of sexual orientation, are entitled to civil rights. Nothing in this legislation shall be considered as approval or endorsement of any particular belief, behavior, characteristic or condition of any person to whom it may apply.

Adopted.

Rep. Frances Riley offered a floor amendment.

Floor Amendment (5185B)

Amend the bill by inserting after section 12 the following and renumbering the original sections 13-14 to read as 14-15, respectively:

13 New Section; Exemption. Amend RSA 354-A by inserting after section 18 the following new section:

354-A:18-a Exemption in Cases Regarding Sexual Orientation. Nothing in this chapter shall require employment, housing, or public accommodation to someone whose sexual orientation is morally or religiously objectionable to the employer or the provider of housing or public accommodation.

Reps. Frances Riley, Kennedy, Cogswell and Welch spoke in favor.

Rep. Newman spoke against and yielded to questions.

Reps. Gordon, Houlahan and Donna Sytek spoke against.

Rep. Trombly requested a quorum count. The Speaker declared a quorum present.

Reps. Lockwood and Rothhaus yielded to questions.

The floor amendment failed.

The question now being the adoption of the amended Committee report.

Rep. Lown yielded to questions.

Rep. Moncrief spoke against.

Roll call request sufficiently seconded.

REGULAR CALENDAR (Cont'd.)

HB 1382, declaring a moratorium on toll hikes until a task force has studied the toll collection system and its recommendations have been implemented. **OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Chandler and Rep. Gene G. Chandler for Public Works: The original bill called for a moratorium on toll hikes until a task force established therein completed a study of the turnpike toll collection system. The committee amendment deletes the moratorium (which would compromise state obligations on existing bond issues), revamps the study committee membership into an oversight committee, and appropriates \$150,000 for a consultant chosen by the oversight committee to undertake a comprehensive evaluation of the toll collection system. The scope of study addresses toll rate structure and discounts, closed system (all users pay) versus open system (present operation), operating efficiencies (e.g. electronic toll collection and location of toll plazas), and new opportunities available under Intermodal Surface Transportation Efficiency Act (e.g. Section 1012) such as private ownership of toll facilities (existing and new) and federal participation in tolled highways and bridges. The Committee feels strongly that if a study of the turnpike system is necessary and undertaken that the study should be unbiased and professionally done. It is hoped that in addition to answering a number of questions the study will be used as an educational tool regarding how the system operates and is funded. This comprehensive evaluation is given very high priority by the Public Works Committee and is most timely in view of heightened pressures from constituents interested in lowering tolls and those in raising tolls in a situation of very limited transportation resources and extensive unfilled transportation needs. Vote 16-0.

Amendment (5076B)

Amend the title of the bill by replacing it with the following:

AN ACT

creating a special committee to study the turnpike toll collection system and make recommendations.

Amend the bill by replacing all after the enacting clause with the following:

1 Toll Collection System Study Committee; Members.

I. There is created a committee to study the toll collection system. The members of the committee shall be as follows:

(a) One member appointed by the governor.

(b) Two representatives, appointed by the speaker. One shall represent a municipality that has direct access to the turnpike system, and one shall represent a municipality that does not have direct access to the turnpike system.

(c) Two senators, appointed by the president of the senate. One shall represent a district that has direct access to the turnpike system, and one shall represent a district that does not have direct access to the turnpike system.

(d) The commissioner of the department of transportation, or designee.

(e) A member of the executive council, appointed by the governor.

(f) A member from the American Automobile Association (AAA), appointed by the association.

(g) A member from the motor transport industry, appointed by the governor.

2 Duties.

I. The committee shall:

(a) Select a qualified consultant to perform a study of the toll collection system. The department of transportation shall provide technical and clerical support.

(b) Provide guidance and direction to the consultant.

(c) Evaluate the results of the study and make recommendations relative to improving the system.

(d) Oversee conduct of the study with appropriate consideration of existing legal requirements for the turnpike system.

(e) The study shall be completed December 1, 1994, and a report with recommendations by the committee shall be submitted no later than December 31, 1994, to the governor, speaker of the house and president of the senate.

II. The committee's study shall:

(a) Evaluate the current toll rate structure and make recommendations.

(b) Evaluate a closed toll collection system (all users pay) versus an open toll collection system (present operation) and make recommendations.

(c) Review and recommend cost and operating efficiencies for the turnpike system. This shall include, but not be limited to, electronic toll collection and the location of toll plazas.

(d) Evaluate and recommend turnpike options utilizing provisions of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA).

(e) Evaluate the present token and discount programs on the turnpike system and make recommendations.

(f) Perform a traffic survey to determine travel patterns for both users and non-users of the turnpike and reasons for use or non-use of the turnpike system.

(g) Review and recommend alternative funding methods for turnpike projects.

(h) Complete other tasks, as necessary, in order to provide recommendations to improve the toll collection system.

(i) All recommendations shall be in compliance with the legal requirements as set forth in the bond resolution.

3 Appropriation. The sum of \$150,000 is hereby appropriated to the department of transportation for the study from the turnpike fund. The appropriation shall be non-lapsing and in addition to any other appropriations to the department of transportation. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the turnpike toll collection system.

Adopted.

Report adopted and referred to Appropriations.

HB 1518-A, appropriating funds for the design and construction of an easterly approach from the Scammell bridge to the Spaulding turnpike. **OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Chandler for Public Works: This bill appropriates \$1 million for design and construction of improvements to the easterly approach to the Scammell bridge from the Spaulding turnpike. Since the Scammell bridge is to be replaced in fiscal year 1995, the committee believes it is appropriate to upgrade this short segment in the same time frame. The recent decision to drop the East-West highway reinforces this committee's recommendation. The amendment shifts the appropriation to the turnpike fund. Vote 12-4.

Amendment (5013B)

Amend the bill by replacing section 2 with the following:

2 Bonds. To provide funds for the appropriation in section 1 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$1,000,000 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provision of RSA 6-A. Payments of principal and interest of the bonds and notes shall be made from the turnpike fund.

Adopted.

Report adopted and referred to Appropriations.

HB 1196-FN, changing the composition of the liquor commission. **INEXPEDIENT TO LEGISLATE**

Rep. Leona Dykstra for Regulated Revenues: Rather than sending this bill to interim study, the majority felt that Inexpedient to Legislate was more appropriate. There is a comprehensive evaluation of the entire liquor commission operation being done by LBA personnel at the direction of the Legislative Audit and Oversight Committee. This report is expected by early summer. For the committee to have a corresponding study ongoing was not deemed practical. The Committee also felt that reducing the liquor commission from three members to one would give too much power to one commissioner. Enforcement of liquor laws, increased workloads for other employees and no costs savings were also concerns. Vote 13-6.

Rep. Burling moved that the words Refer for Interim Study be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Dykstra spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HB 260-FN-A, establishing a used oil collection program and an automotive oil fee to fund such program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alphonse O. Plourde for Ways and Means: This bill establishes a grant and educational program for municipalities to dispose of used oil. It does not create any new positions at the Department of Environmental Services (DES) and maximizes the number of grants annually to municipalities. Vote 18-0.

Amendment (5085B)

Amend RSA 147-B:13, I(a) as inserted by section 7 of the bill by replacing it with the following:

(a) Award grants to political subdivisions of the state to pay no more than \$1,500 of the cost of establishing or improving used oil collection centers at public facilities such as fire stations, police barracks, highway departments, county garages, solid waste facilities or other suitable public locations; and provide technical assistance to persons who organize such programs. If the cost of establishing or improving any such used oil collection center is \$1,500 or less, the division shall award a grant for the entire cost. In providing funding under this subparagraph, priority shall be given to political subdivisions without public collection centers followed by political subdivisions that have inadequate collection centers.

Amend the bill by replacing all after section 10 with the following:

11 Oil Import Records. Amend RSA 21-P:14, V(q) to read as follows:

(q) Procedures for the inspection and verification of oil import records pursuant to RSA 146-A:11-b, RSA 146-D:3 and RSA 146-E:3 after consultation with the division of water supply and pollution control, and the oil fund disbursement board[, and pursuant to RSA 147-B:12 after consultation with the division of waste management].

12 Exemption Added. Amend RSA 146-A:11-b, II to read as follows:

II. Any person who imports or causes to be imported oil into the state, except those using oil pipelines, railroads, and highways to transport oil products between states other than New Hampshire or for international transport of oil products, shall be licensed by the department of safety under this chapter. The annual fee for the license shall be \$.001 per gallon of oil imported into this state. The fee shall be paid monthly by such person to the department of safety and then deposited by the department of safety into the oil pollution control fund administered by the division of water supply and pollution control. Imposition of the fee shall be based on the records of the person and certified as accurate to the department of safety. *The fee set in this paragraph shall not apply when the oil is packaged in individual containers of 55 gallons or less.*

13 Collection of Fees Responsibility Repealed. Amend RSA 260:38, IV to read as follows:

IV. The department of safety shall be responsible for licensing and the collection of the fee established under RSA 146-A:11-b, RSA 146-D:3, and RSA 146-E:3 and transfer of such fees into the appropriate designated funds under rules adopted by the commissioner pursuant to RSA 541-A, after consultation with the division of water supply and pollution control, and the oil fund disbursement board. [The department of safety shall be responsible for the collection of the fee established under RSA 147-B:12 and transfer of such fee into the hazardous waste cleanup fund under rules adopted by the commissioner pursuant to RSA 541-A, after consultation with the division of waste management.]

14 Position Authorized; Motor Vehicle Prohibition. The department of environmental services may use revenues collected under RSA 147-B:12 to employ one person who shall be a waste management specialist III. The revenues shall not be used to purchase any motor vehicles.

15 Audit Required. The legislative budget assistant shall conduct a performance audit of the used oil collection program for the 1995 and 1996 fiscal years. The audit shall be submitted to the governor, president of the senate, speaker of the house and house environment and agriculture committee and senate environment committee by November 1, 1996.

16 Repeal. The following are repealed:

I. RSA 147-B:2, I-a, relative to the definition of "automotive oil."

II. RSA 147-B:2, VIII-c, relative to the definition of "marketer."

III. RSA 147-B:2, VIII-d, relative to the definition of "act of marketing."

IV. RSA 147-B:6, I-d, relative to the separate accounting of oil collection fees.

V. RSA 147-B:7, IV, relative to rulemaking.

VI. RSA 147-B:8, I-a, relative to the fee on used oil.

VII. RSA 147-B:12, relative to automotive oil fees.

VIII. RSA 147-B:13, relative to the use of automotive oil fees.

IX. RSA 147-B:15, relative to the division of waste management annual report.

17 Effective Date.

I. Sections 11-13 and paragraphs I, IV, V, VII, VIII and IX of section 16 of this act shall take effect July 1, 1998.

II. The remainder of this act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill establishes a used oil collection program which grants authority to the division of waste management to:

(a) Award grants to political subdivisions of the state to establish or improve used oil collection centers.

(b) Develop an educational program on the proper use, handling, and disposal of used oil.

(c) Impose an automotive oil fee to fund the program.

The bill also eliminates a \$.02 per gallon used oil marketer fee; establishes a \$.04 per gallon advanced disposal fee on virgin motor oil; provides 4 years of grant funding to municipalities to set up used oil collection centers; and sunsets the \$.04 per gallon fee and municipal grants after 4 years.

Adopted.

Report adopted and referred to Appropriations.

HB 1258, establishing a committee to study use of tax credits to aid in job creation. **INEXPEDIENT TO LEGISLATE**

Rep. Barbara E. Arnold for Ways and Means: Other studies of this subject are currently underway (including HB 592, Chapter 309 from last session), so the committee believes this legislation is not needed at this time. Vote 18-0.

Adopted.

HB 1549-FN-A, proposing a 2 percent tax on pet products to fund a spay/neuter program. **INEXPEDIENT TO LEGISLATE**

Rep. Garret P. Cowenhoven for Ways and Means: This bill would levy a special sales tax on pet products, proceeds of which would be dedicated to a pet population control fund. However, pet neutering legislation was enacted last year and is just now coming into operation and needs more time for effective evaluation. Although the bill's intent is worthy, the committee agreed unanimously that this tax is inappropriate. Vote 17-0.

Adopted.

(Rep. Cole in the Chair)

HB 1563-FN-A, imposing a value added tax and repealing certain state and municipal taxes and fees. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Trelfa for Ways and Means: Members of Ways and Means were almost unanimously impressed by the potential for revenue of the value added tax (VAT) as presented in HB 1563. However, since the additional thrust of HB 1563 is the repeal of some 20 existing taxes, such repeals could dilute attention to the VAT, therefore, the committee has chosen to form a tax study subcommittee with VAT as the major subject. Vote 10-8.

Rep. Harwell moved that the words Refer for Interim Study be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Cowenhoven spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HB 1522-FN, to establish the department of the state law library. **INEXPEDIENT TO LEGISLATE**

Rep. J. Gregory McGrath for Executive Departments and Administration: The sponsor's concerns regarding the state law library are being addressed by the judicial branch. They are aware of the main problems with the library and are working to fix them in a timely manner. The sponsor's idea of having branch law libraries at the county level, while laudable, would be a drain on scarce financial resources and not really necessary. Vote 17-0.

Rep. Hemon moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. McGrath spoke against.

The motion failed and the report was adopted.

SB 43, relative to the state board of auctioneers. **OUGHT TO PASS WITH AMENDMENT**

Rep. William F. Kidder for Executive Departments and Administration: The only goal of this bill as amended is to provide for greater public protection in the field of auctioneering. The committee realizes that many people know very little about auctions. Unfortunately, many people only become aware of the possible pitfalls involved in hiring an auctioneer after having a bad experience. With this in mind, the committee felt it necessary to create safeguards for the general public while at the same time not restricting the trade of the auctioneers. This amendment represents a balance between these two interests. Vote 15-0.

Rep. Sallada moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment, spoke in favor and withdrew his motion.

Amendment (4022B)

Amend the bill by replacing all after the enacting clause with the following:

1 Board Membership Increased. Amend RSA 311-B:2 to read as follows:

311-B:2 State Board of Auctioneers.

I. There is hereby established a state board of auctioneers consisting of [5] 7 members, including 4 auctioneers and [one] 3 public [member] *members*, appointed by the governor with the advice of the council for terms of 5 years. Terms shall expire March 1. All board members shall be residents of this state and no board member shall serve more than 2 consecutive terms.

II. The public [member] *members* of the board shall be [a person] *persons* who [is] *are* not, and never [was] *were*, [a member] *members* of the auctioneering profession or [the spouse] *spouses* of any such [person] *persons*, and who [does] *do* not have, and never [has] *have* had, a material financial interest in either the provision of such professional services [or], an activity directly related [thereto] *to such professional services, or an activity in direct or indirect competition with auctioneering*, including the representation of the board or profession for a fee at any time during the 5 years preceding appointment.

III. The board shall elect a [chairman and secretary] *chairperson biennially beginning in April 1995* from among its members. [The secretary shall quarterly submit minutes of board meetings and reports of board activities to the secretary of state.] *Minutes of all board meetings shall be kept on file at the office of the board.*

IV. All board members shall [serve without] *receive compensation of \$25 per diem and that mileage reimbursement as allowed by the state.*

V. *When an investigation is performed by a board member, such investigation shall be assigned on a rotating basis among the auctioneer members of the board.*

2 License Application and Renewal. Amend RSA 311-B:3 to read as follows:

311-B:3 Rulemaking Authority. The board[, with the approval of the secretary of state,] shall adopt rules, pursuant to RSA 541-A, relative to:

I. Procedures for [registration] *licensure* and renewal of [registration;] *license, including the requirements for continuing education as a condition of license renewal.*

II. The qualifications of applicants in addition to those requirements set by statute, and including the qualifications for satisfactory evidence of good professional character[;].

II-a. The administration of a written licensing examination.

III. The establishment of all fees required under this chapter[;].

III-a. The form and content of the license application, including any verification of the information thereon the board deems necessary[;].

IV. Ethical and professional standards required to be met by each holder of a license under this chapter and how disciplinary actions by the board shall be implemented for violations of these standards[;].

V. Matters related to the proper administration of this chapter[; and].

VI. Procedures for the conduct of *investigations and* hearings consistent with the requirements of due process.

VII. The minimum content requirements of written auction contracts.

VIII. The assessment of administrative fines.

IX. The informational sheet required under RSA 311-B:8-a, VIII to include relevant information regarding state and federal laws.

3 New Paragraphs; Auctioneer Liability; Corporations. Amend RSA 311-B:4 to read as follows:

311-B:4 Acts Prohibited.

I. No person shall engage in auctioneering [for a fee or commission] unless [he] *such person* has first obtained a license under this chapter. However, a licensed auctioneer may employ apprentice auctioneers to assist him.

II. The auctioneer listed in the auction advertisement shall be liable for the conduct and proceeds of the auction and payment to all consignors.

III. No corporation or business entity shall offer or purport to offer auctioneer services unless a principal of such corporation or business entity is a licensed auctioneer under this chapter.

4 Revised Section; Qualifications; Examination Required. RSA 311-B:5 is repealed and reenacted to read as follows:

311-B:5 Qualifications. The board shall grant licensure to any applicant who:

I.(a) Submits an application to the board of auctioneers containing required information.

(b) Files a bond as required by RSA 311-B:8.

(c) Submits recommendations from 2 resident New Hampshire licensed auctioneers certifying that the applicant is trustworthy and competent to auction real, personal and mixed property in such a manner so as to safeguard the interests of the public. Non-resident applicants may satisfy this requirement by submitting such recommendations from 2 resident auctioneers in the state of which the applicant is resident.

(d) Submits proof of competence in one of the following forms:

(1) An affidavit from a New Hampshire licensed auctioneer certifying that the applicant has served as an apprentice auctioneer for such New Hampshire licensed auctioneer for a period of not less than 6 months and has participated as a bid caller in not less than 10 auctions under such New Hampshire licensed auctioneer; or

(2) A certificate of graduation from an approved auctioneering school and an affidavit from a New Hampshire licensed auctioneer certifying that the applicant has served as an apprentice auctioneer for such New Hampshire licensed auctioneer for a period of not less than 3 months and has participated as a bid caller in not less than 5 auctions under such New Hampshire licensed auctioneer; or

(3) A certified copy of a valid current auctioneer's license held by the applicant from any other state issued by the appropriate state agency.

(e) Submits the fee established by the board for licensure or renewal.

(f) Has successfully passed a written examination administered by the board of auctioneers.

II. If the applicant is a firm, partnership, association, or corporation, the individual applying for the firm, partnership, association or corporation shall be the licensee and shall meet all the requirements under RSA 311-B.

5 Bond for Duration of License. Amend RSA 311-B:8 to read as follows:

311-B:8 Bond. No license shall be granted until the applicant has filed a bond with the [secretary of state] *board of auctioneers* in the sum of \$10,000, *for the duration of the license*, with sureties approved by the secretary of state, conditioned that he will properly account for and deliver to the person entitled, all moneys and things of value coming into his hands as an auctioneer and will conform to the laws relating to such auctions. All bonds required under this chapter shall be purchased from a reputable company authorized to do business in this state.

6 New Sections; Auctioneer Contracts; Records; Conditions of Auction Sales. Amend RSA 311-B by inserting after section 8 the following new sections:

311-B:8-a Auctioneer Contracts. A person shall not conduct an auction in this state without first having a written contract with the owner of any property to be sold. A contract must also specify the terms and conditions of the agreement, including, but not limited to:

I. A description of property to be offered for sale.

II. Specific reserves, if any.

III. A statement of settlement terms in which payment shall be within 10 business days of the auction, unless otherwise agreed to by both parties in the contract.

IV. The commission rate.

V. A statement of other charges.

VI. The buyer's premium, if applicable.

VII. The name and address of the consignor and such consignor's legal right to sell.

VIII. A copy of the information sheet provided by the state board of auctioneers.

311-B:8-b Records to be Kept by Auctioneers. The responsible auctioneer shall keep records of the auction including, but not limited to, contracts, bidders, consignors, and receipts. These records shall be kept in such manner so as to allow reconstruction of the auction in the event of a complaint.

311-B:8-c Terms and Conditions of the Auction Sales. Every licensee shall post for display and describe at the beginning of each auction the terms and conditions of the auction sale. The terms and conditions shall include:

I. A description of the conditions under which the property is being offered.

II. That the highest bid will be acknowledged by the auctioneer.

III. Whether a bid not commensurate with value, in the opinion of the auctioneer, may be accepted.

IV. Whether absentee bids will be allowed.

V. Whether or not the auction is with reserve.

VI. A statement of buyer's premium.

VII. That all buyers shall be entitled to a written receipt of their purchases.

7 Fees; License Renewal. RSA 311-B:10 is repealed and reenacted to read as follows:
311-B:10 Fees; Renewal.

I. Licenses shall expire every 3 years on August 31.

II. Fees for licensure or renewal of a license under this chapter shall be established by the board.

III. As a condition of renewal of license, the board shall require each licensee to show proof that the licensee has successfully completed the required hours of continuing education in a program approved by the board.

IV. The grace period for license renewal shall be 30 days from the expiration date of the license, and if that period shall elapse, the applicant must reapply and be re-examined for licensure under RSA 311-B:3, II-a and RSA 311-B:7. Until the license renewal requirements are satisfied, during the 30-day grace period the licensee shall not conduct auctions in this state, and such license shall be void upon lapse of such grace period.

V. Before renewing any auctioneer license in August 1994, the licensee shall demonstrate to the satisfaction of the board that such licensee is knowledgeable regarding current laws regulating auctioneers.

8 New Section; Investigations. Amend RSA 311-B by inserting after section 10 the following new section:

311-B:10-a Investigations.

I. The board shall conduct an investigation of any person who has been the subject of any written complaint.

II. All written complaints received by the board shall be maintained as part of the permanent records of the board.

III. Any person licensed by this board who has been found guilty of 3 violations under this chapter during a 2-year consecutive period shall not be issued a renewed license until the licensee has retaken and successfully completed the examination administered by the board, plus whatever other requirements the board might determine appropriate.

9 New Subparagraph; Administrative Fines. Amend RSA 311-B:11, III by inserting after subparagraph (d) the following new subparagraph:

(e) By assessing administrative fines in amounts established by the board which shall be not less than \$300 nor more than \$5,000 per offense, or in the case of continuing offenses, \$300 for each day the violation continues.

10 Exceptions Deleted. Amend RSA 311-B:13, I to read as follows:

I. This chapter shall not apply to any auctions held by order or judgment of any court of the state or the United States, or by any officer of a municipality, county, *or* state of United States[, foreclosure sales by mortgagees, lienholders or holders of any other kinds of security interests in real, personal or mixed property or to sales conducted or made by sheriffs, deputy sheriffs, constables, collectors of taxes, executors, administrators, guardians, conservators, receivers, assignees under voluntary assignments for the benefit of creditors or insurers, or by any other person required by law to sell real, personal or mixed property].

11 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill increases the number of members on the board of auctioneers, deletes several exceptions relating to auctions, and revises the regulatory authority and duties of the board.
Rep. Sallada yielded to questions.

Reps. Beaulieu, McGrath and Ward spoke in favor and yielded to questions.

Reps. Guay and Lachut spoke against and yielded to questions.

Rep. Burling spoke against.

Roll call request sufficiently seconded. The question being the adoption of the amendment.

On a division vote, 174 members having voted in the affirmative and 160 in the negative, the report was adopted.

Ordered to third reading.

(Speaker Burns in the Chair)

MOTION TO LIMIT DEBATE

Rep. Searles moved that debate on House Bills 1386, 1489 and 377 be limited to 10 minutes, equally divided on each bill.

Adopted.

REGULAR CALENDAR (Cont'd.)

HB 1386-FN, relative to appointment and payment for guardians ad litem and instituting a process for handling complaints regarding the guardian ad litem system. **INEXPEDIENT TO LEGISLATE**

Rep. Nick Hart for Judiciary: The Department of Health and Human Services is opposed to this bill. Section 1. could restrict the authority of the Supreme Court; Section 2. could be construed to reduce or eliminate authority given to the Judicial Council. Section 3 does create a constitutional question because it gives the Legislative branch power that the Judiciary now has. The fiscal note is rather low. Testimony was given that it might be twice the amount or \$32 million. Vote 11-0.

Rep. Hemon moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Hart spoke against.

The motion failed and the report was adopted.

HB 1489-FN, requiring state courts to furnish copies of rules, laws, and cases cited in rulings and opinions to the parties involved; and requiring that supreme court rules be adopted in accordance with the public notice and hearing requirements of RSA 541-A. **INEXPEDIENT TO LEGISLATE**

Rep. Robert A. Lockwood for Judiciary: This bill, as written, would create a huge burden on the administration of the courts. It was pointed out that only one document, Rules of Evidence, which would have to be made available, contains 31 pages and there are 14,000 cases a year in which this and other documents would have to be provided. That alone would amount to 434,000 pages. Furthermore, a section of the bill requiring that all Supreme Court rules be adopted in accord with RSA 541 is constitutionally questionable. Vote 14-0.

Rep. Hemon moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Lockwood spoke against.

The motion failed and the report was adopted.

HB 377, allowing persons 21 years of age or older to transport partially consumed bottles of wine from on-sale licensed establishments. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maurice Regan for Transportation: This bill allows a patron to transport a partially consumed capped bottle of table wine from a fully licensed restaurant. The Committee, on the advice of rehabilitation and safety officials, considers this important legislation for the promotion of safety. Vote 12-0.

Amendment (4817B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing persons 21 years of age or older to transport partially consumed bottles of table wine purchased with full course meals from on-sale licensed establishments.

Amend the bill by replacing all after the enacting clause with the following:

1 On-Sale Beverage and Wine Licenses. Amend RSA 178:18, IV to read as follows:

IV. No beverages or liquor shall be removed from the licensed premises by patrons, *except as provided by RSA 179:27-a.*

2 On-Sale Beverage and Liquor Licenses. Amend RSA 178:19, I(c) to read as follows:

(c) No beverage or liquor shall be removed from the licensed premises by patrons, *except as provided by RSA 179:27-a.*

3 On-Sale Cocktail Lounge Licenses. Amend RSA 178:20, IV to read as follows:

IV. No beverages or liquor may be removed from the licensed premises by patrons, *except as provided by RSA 179:27-a.*

4 New Section; Removal of Opened Table Wine Bottles. Amend RSA 179 by inserting after section 27 the following new section:

179:27-a Removal of Opened Table Wine Bottle.

I. Notwithstanding any other provision of law, any on-sale licensee, which maintains a license for a restaurant, as defined by RSA 175:1, XXXIII or LIX, where full course meals are regularly served in conjunction with such license, may allow any person who has purchased a full course meal and purchased and partially consumed a bottle of table wine with said meal, to remove such partially consumed bottle from the premises upon departure, provided that the person is not in a state of intoxication as defined in RSA 507-F:1, IV and such bottle of table wine is removed and transported in a manner consistent with paragraph II.

II. Any partially consumed bottle of table wine which is to be removed from the premises under paragraph I shall be securely sealed and bagged, by the licensee, either to be in conformance with any applicable local open container law for those patrons on foot, or transported as required by RSA 265:81, in the trunk of a motor vehicle. If the vehicle is not equipped with a trunk, the securely sealed opened table wine bottles may be stored and transported in that compartment or area of the vehicle which is the least accessible to the driver.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows persons 21 years of age or older to transport partially consumed bottles of table wine purchased with full course meals from on-sale licensed establishments.

Adopted.

Rep. Lozeau requested a quorum count. The Speaker declared a quorum present.

Rep. Lozeau spoke against.

Rep. Cain spoke in favor and yielded to questions.

Report adopted and ordered to third reading.

RESOLUTION

Rep. Ann Torr offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to

third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, February 16, 1994 at 1:00 p.m.

Adopted.

COMMITTEE REPORTS

REGULAR CALENDAR

HB 1145-FN, relative to cashers of checks and issuers of money orders and setting certain fees. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs: This bill regulates businesses whose only operation is check cashing. It exempts retail businesses, which cash checks incidental to their main operation. Further, it places a requirement on banks to cash checks drawn upon them. Vote 15-0.

Amendment (5098B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to cashers of checks and setting certain fees.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Cashers of Checks. Amend RSA by inserting after RSA 399-E the following new chapter:

CHAPTER 399-F
LICENSED CASHERS OF CHECKS

399-F:1 Definitions. In this chapter:

- I. "Commissioner" means the bank commissioner of the state of New Hampshire.
- II. "Casher of checks" means any person engaging in the business of cashing checks, drafts or money orders for a fee or consideration.
- III. "Licensee" means a licensed casher of checks, drafts or money orders.
- IV. "Person" means any individual, partnership, unincorporated association, corporation, or other organization.

399-F:2 License Requirements; Fees; Capital Requirements.

I. No person shall engage in the business of cashing checks, drafts or money orders for a consideration without first obtaining from the commissioner a separate license for each location from which such business is conducted.

II. Application for such licenses shall be in writing, under oath, and in the form prescribed by the commissioner, and shall contain at a minimum the name and the address, both of the residence and place of business, of the applicant, and, if the applicant is a partnership or association, of every member thereof, and, if a corporation, of each officer and director thereof; and the specific addresses at which the business is to be conducted.

III. An applicant at the time of making each application shall pay to the commissioner the nonrefundable sum of \$250 as a fee for investigating each application and the additional sum of \$350 as a license fee for a period terminating on the last day of the current calendar year. Every licensee shall, on or before December 15 of each year, pay to the bank commissioner an annual license fee of \$350. Any licensee requesting a change of address shall, at the time of making such request, pay to the commissioner the nonrefundable sum of \$100 as a fee for investigating the new address. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner, small loan and vehicle finance division.

IV. Every applicant shall prove, in a form satisfactory to the commissioner that he or it has available for the operation of such business, for each location specified in the application, liquid assets of at least \$10,000, and every licensee shall continuously maintain for the operation of such business for each location liquid assets of at least \$10,000. Notwithstanding the foregoing provisions of this paragraph, the commissioner, upon application by an applicant, may permit a reduction from \$10,000 to not less than \$5,000 of minimum liquid assets required for each location, provided that a \$5,000 surety bond for each location is filed with the commissioner, in a form prescribed by the commissioner.

399-F:3 Conditions Precedent to Issuing License; Issuance and Filing of License; Posting License.

I. If the commissioner finds that the financial responsibility, experience, character, and general fitness of the applicant, and the members thereof, if the applicant is a partnership or association, and of the officers and directors thereof, if the applicant is a corporation, are such as to command the confidence of the community and to warrant belief that the business will be operated honestly, fairly, and efficiently within the purposes of this chapter, and if the commissioner finds that the granting of such application will promote the convenience and advantage of the community in which such business is to be conducted, and if the commissioner finds that the applicant has available for the operation of such business for each location specified in the application liquid assets of at least \$10,000, he shall execute a license in duplicate to permit the cashing of checks, drafts and money orders, in accordance with the provisions of this chapter at the location specified in such application. The commissioner shall transmit one copy of such license to the applicant and file another in the office of the department. The commissioner shall approve or disapprove the application within 90 days after the date the application is filed with the commissioner.

II. Each license shall state the name of the licensee; and if the licensee is a partnership or association, the names of the members thereof; and if the licensee is a corporation, the date of its incorporation; the address at which such business is to be conducted; and the date of license expiration.

III. Such license shall be kept conspicuously posted in the place of business of the licensee. Such license shall not be transferable or assignable.

IV. Such license shall remain in full force and effect until it is surrendered by the licensee, is revoked or suspended, or expires, as provided in this chapter.

V. If the commissioner finds that the applicant fails to meet any of the conditions set forth in paragraph I of this section, he shall not issue such license, and he shall notify the applicant of the denial.

VI. The commissioner may deny a license application under this chapter if he finds that the applicant, or any person who is a director, officer, partner, agent, employee or substantial stockholder of the applicant has been convicted of a crime in any jurisdiction.

VII. Notwithstanding paragraph VI of this section, the commissioner shall not issue a license under this chapter if he shall find that the applicant, or any person who is a director, officer, partner, agent, employee or substantial stockholder of the applicant, has been convicted of a felony in any jurisdiction or of a crime which, if committed within this state, would constitute a felony under the laws of this state. For the purposes of this chapter, a person shall be deemed to have been convicted of a crime if such person shall have pleaded guilty to the crime, or been found guilty by the decision of judgment of a court or magistrate or by the verdict of a jury, irrespective of the pronouncement of sentence or suspension of the sentence, unless such plea of guilty, or such decision, judgment or verdict, shall have been set aside, reversed or otherwise abrogated by lawful judicial process or unless the person convicted of the crime shall have received a pardon therefor from the president of the United States or the governor or other pardoning authority in the jurisdiction where the conviction was had, or shall have received a certificate of good conduct granted by the board of parole pursuant to the provisions of the executive law to remove the disability under this chapter because of such conviction. The term "substantial stockholder", as used in this section, shall be deemed to refer to a person owning or controlling 10 percent or more of the total outstanding stock of the corporation in which such person is a stockholder.

VIII. No license for the business of cashing checks shall be issued until the applicant shall file with the commissioner a surety bond with such sureties as the commissioner shall require, in a sum of not less than \$25,000 for the protection of the public and for any sums due to the commissioner under this chapter.

399-F:4 Restrictions As To Place or Area of Doing Business; Establishment of Stations; Change of Location.

I. No more than one place of business shall be maintained under the same license; provided, however, that more than one license may be issued to the same licensee upon compliance with the provisions of this chapter for each new license.

II. A licensee may make a written application to the commissioner, accompanied by a nonrefundable fee of \$100, for leave to change his place of business, stating the reasons for such proposed change. If the commissioner approves such application he shall issue a new license in duplicate in accordance with the provisions of this chapter, which shall state the new location of such licensee.

399-F:5 Changes in Control.

I. It shall be unlawful except with the prior approval of the commissioner for any action to be taken which results in a change of control of the business of a licensee. Prior to any change of control, the person desirous of acquiring control of the business of a licensee shall make written application to the commissioner and pay a nonrefundable investigation fee of \$250 and a nonrefundable license fee of \$350 to the commissioner. The application shall contain such information as the commissioner, by rule, may prescribe as necessary or appropriate for the purpose of making the determination required by paragraph II of this section.

II. The commissioner shall approve or disapprove the proposed change of control of a licensee in accordance with the provisions of RSA 399-F:3 to the extent applicable. The commissioner shall approve or disapprove the application in writing within 90 days after the date the application is filed with the commissioner.

III. As used in this paragraph, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a licensee, whether through the ownership of voting stock of such licensee, the ownership of voting

stock of any persons which possesses such power, or otherwise. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, or holds with power to vote 10 percent or more of the voting stock of any licensee or of any person who owns, controls or holds with power to vote 10 percent or more of the voting stock of any licensee, but no person shall be deemed to control a licensee solely by reason of being an officer or director of such licensee or person. The commissioner may in his discretion, upon the application of a licensee or any person who, directly or indirectly, owns, controls or holds with power to vote or seeks to own, control, or hold with power to vote any voting stock of such licensee, determine whether or not the ownership, control, or holding of such voting stock constitutes or would constitute control of such licensee for purposes of this section.

399-F:6 Rulemaking Authority. The commissioner shall adopt rules, under RSA 541-A, relative to the administration of this chapter.

399-F:7 Fees and Charges; Posting Schedule; Records.

I. The commissioner shall, by rule, establish the maximum fees which may be charged by licensees for cashing a check, draft, or money order. No licensee shall charge or collect any sum for cashing a check, draft, or money order in excess of that established by the commissioner's rules.

II. Each licensee shall conspicuously post in every location licensed under this chapter the schedule of fees and charges permitted under this section.

III. Each licensee shall keep and use in its business such books, accounts, and records as the commissioner may require to carry into effect the provisions of this chapter and the rules made by the commissioner under this chapter. Every licensee shall preserve such books, accounts, and records for at least 5 years.

IV. Before a licensee shall deposit with any banking organization, or with any organization engaged in the business of banking, a check, draft or money order cashed by such licensee, the item shall be endorsed with the actual name under which such licensee is doing business and shall have the words "licensed casher of checks" legibly written or stamped immediately after or below such name.

399-F:8 Acts Prohibited.

I. No licensee shall engage in the business of making loans of money, credit, goods or things or discounting of notes, bills of exchange, checks, or other evidences of debt. No licensee shall at any time cash or advance any moneys on a post-dated check or draft or engage in the business of transmitting money or receiving money for transmission; provided, however, that a licensee may cash a check payable on the first banking business day following the date of cashing if such check is:

(a) Drawn by the United States, the state of New Hampshire, or any political subdivision of the state of New Hampshire, or by any department, bureau, agency, authority, instrumentality or officer, acting in his official capacity, of the United States or of the state of New Hampshire or of any political subdivision of the state of New Hampshire; or

(b) A payroll check drawn by an employer to the order of its employee in payment for services performed by such employee.

II. No licensee shall cash any check, draft or money order if the face amount for which it is drawn is in excess of \$2,500; provided, however, that this restriction shall not apply to:

(a) The cashing of checks, drafts, or money orders drawn by the United States, any state thereof or any political subdivision of any such state, or by any department, bureau, agency, authority, instrumentality, or officer, acting in his official capacity, of the United States, any state thereof or any political subdivision of any such state, or any insurance company, bank, savings bank, credit union, savings and loan association, or similar depository institution; or

(b) Any check which has been certified by the bank, trust company, savings and loan association, national bank or similar depository institution on which it has been drawn.

399-F:9 Suspension or Revocation of License.

I. The commissioner may suspend or revoke any license issued pursuant to this chapter if, after notice and a hearing, he finds:

(a) That the licensee:

(1) Has committed any fraud, engaged in any dishonest activities or made any misrepresentation;

(2) Has violated any provisions of the banking law or any rule adopted pursuant to such laws, or has violated any other law in the course of its or his dealings as a licensed casher of checks;

(3) Has made a false statement in the application for such license or failed to give a true reply to a question in such application;

(4) Has demonstrated his or its incompetency or untrustworthiness to act as a licensed casher of checks; or is not doing sufficient business pursuant to this chapter to justify the continuance of the license;

(b) That any ground or grounds exist which would require or warrant the refusal of any application for the issuance of the license if such an application were then before him.

II. Such a hearing shall be held in the manner and upon such notice as may be prescribed by RSA 541-A and rules adopted by the commissioner.

III. Notwithstanding any provision of RSA 541-A to the contrary, pending an investigation or a hearing for the suspension or revocation of any license or licenses issued pursuant to this chapter, the commissioner may temporarily suspend such license or licenses for a period not to exceed 90 days, provided the commissioner shall find that such a temporary suspension is in the public interest.

IV. Whenever the commissioner suspends or revokes a license issued pursuant to this chapter, he shall execute a written order to that effect. The commissioner shall on the date such order is executed file one copy of the order in the office of the department and serve a second copy on the licensee either personally or by mailing it to the last known address of the licensee. Such order shall be subject to review and appeal under RSA 541 and RSA 541-A, as applicable.

399-F:10 Penalty. Any natural person who violates any of the provisions of this chapter shall be guilty of a misdemeanor and any other person shall be guilty of a felony.

399-F:11 Examination.

I. The banking department may examine the business affairs of any licensee or any other person, whether licensed or not, as it deems necessary to determine compliance with this chapter and the rules adopted pursuant to this chapter. In determining compliance, the banking department may examine the books, accounts, records, files, and other documents or matters of any licensee or person. The banking department shall have the power to subpoena witnesses and administer oaths in any adjudicative proceedings, and to compel, by subpoena duces tecum, the production of all books, records, files, and other documents and materials relevant to its investigation.

II. For the purpose of discovering violations of this chapter, the banking department may examine, during business hours, the records of any licensee, whether such person shall be licensed to act, or claim to act, as principal, agent, or other representative, or under, or without the authority of this chapter; and for that purpose, the banking department shall have access to the books, papers, records, files, and vaults of all such persons. The banking department shall also have authority to examine, under oath, all persons whose testimony it may require relative to such business.

III. The affairs and records within this state of every licensee shall be subject at any time to such periodic, special, regular, or other examination by the banking department with or without notice to the licensee. All books, papers, files, related material, and records of assets of the license shall be subject to the banking department's examination.

IV. Any agent of the banking department may make a thorough examination into the business affairs of each licensee and shall report any violations of law, rule, or standard business practice to the banking department.

V. The expense of such examination shall be chargeable to and paid by the licensee. The procedure for such payment shall be the same as for payments by institutions for cost of examinations under RSA 383:11. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the bank commissioner, small loan and vehicle finance division.

399-F:12 Application of Chapter. The provisions of this chapter shall not apply when checks, drafts or money orders are cashed, other than by a licensee, without a consideration or charge; nor shall the provisions of this chapter apply to any New Hampshire chartered bank or sav-

ings bank, national bank, or similar depository institution chartered by this state or the United States government or retail establishments which provide check cashing as a convenience and incidental to their primary business activity.

2 Bank's Liability to Customer for Wrongful Dishonor. Amend RSA 382-A:4-402 (a) to read as follows:

(a) Except as otherwise provided in this Article, a payor bank wrongfully dishonors an item if it dishonors an item that is properly payable, but a bank may dishonor an item that would create an overdraft unless it has agreed to pay the overdraft. *"Wrongful dishonor" shall include, but not be limited to, a refusal by a payor bank to honor an item otherwise properly payable, if the payee presents the item in person to the payor bank, properly endorses the item and provides reasonably reliable identification confirming the payee's identity.*

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill allows for licensing and regulation of cashers of checks by the banking department.

The bill also amends a provision of the uniform commercial code to clarify a bank's liability to a customer for wrongful dishonor.

This bill was requested by the banking department.

Adopted.

Rep. Mercer yielded to questions.

Report adopted and referred to Ways and Means.

HB 1215-FN-L, establishing 400 separate districts for the election of state representatives and renumbering state representative districts. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Martin N. Bove for the Majority of Constitutional and Statutory Revision: The majority of the committee felt that this bill did not allow for the candidates with the majority of the votes to be elected. It established slots for candidates to run in, not geographical district representation. Furthermore, this bill allows for targeting of candidates in multiple representative districts. Vote 9-5.

Rep. Gary R. Gilmore for the minority of Constitutional and Statutory Revision: The minority believes that it is in the best interests of democracy and the citizens of this state that house members be as accountable to their constituents as possible. We believe creating 400 separate districts will result in greater communication between representatives and their constituents and fairer, more effective representation. HB 1215 is a step toward meeting the constitutional requirements that every citizen has an equal right to choose state representatives and an equal right to run and be elected to the office of state representative.

Rep. Gilmore moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Bove spoke against.

Rep. Trombly spoke in favor and yielded to questions.

Rep. Jasper spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HB 1212-FN, revising the special education provisions relating to mediation. OUGHT TO PASS WITH AMENDMENT

Rep. Susan D. Carter for Education: HB 1212 as amended is the result of the work of a committee established to study methods of preventing and resolving disputes relative to educationally disabled students. This bill establishes the neutral conference which consists of an informal, abbreviated presentation of the issues in special education disputes to a neutral party who is responsible for reviewing the case and issuing a recommendation as an alternative dispute resolution mechanism. The addition of neutral evaluation to the law as a voluntary option should help parents and school districts resolve their problems in a less costly and emotionally draining manner. The \$5,000 appropriation is a one-time need. In the future, the funds needed will be taken from the account used for due process hearings as the need for those hearings will decrease. Vote 12-0.

Amendment (4595B)

Amend the title of the bill by replacing it with the following:

AN ACT

revising the special education mediation provisions
to include neutral conferences.

Amend RSA 186-C:23, I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) Neutral conference.

Amend RSA 186-C:23, II as inserted by section 2 of the bill by replacing it with the following:

II. To assist parents and schools, this subdivision requires the local education agency to notify the department of education in writing that an individualized education program, educational placement, identification, or evaluation of a child has been rejected by the parent, and establishes a 30-day period for discussion beginning on the date such notice is received by the department of education. Immediately following notification, the department shall communicate to the parent a description of the [mediation] *alternative dispute resolution* process. While the use of [this] *these* informal resolution [procedure] *procedures* is strongly encouraged, it is not mandatory for either party. If this option is chosen by both parties, the department shall, during the 30-day period, schedule and conduct [a mediation] *an alternative dispute resolution* conference. The conference shall not be used to delay a due process hearing; however, both parties may agree to postpone the hearing pending a resolution.

Amend the bill by replacing all after section 2 with the following:

3 New Sections; Local School District Alternative Dispute Resolution Programs; Neutral Conference. Amend RSA 186-C by inserting after section 23 the following new sections:

186-C:23-a Local School District Alternative Dispute Resolution Programs.

I. Each school district in New Hampshire is encouraged to develop options for alternative dispute resolutions which can be utilized at the local district level. A plan outlining these methods may be submitted to the department of education for review. The department shall provide technical assistance at the request of the school districts in developing and implementing these alternative dispute resolution options.

II. Local school districts and parents are encouraged to submit to the department of education information relating to methods of alternative dispute resolution which have proven to be effective. Pursuant to RSA 21-N:6, VII, the department shall develop a system whereby such information can be collected, compiled, and disseminated to local school districts.

186-C:23-b Neutral Conference.

1. Neutral conference shall consist of an informal, abbreviated presentation of case facts and issues by the parties to a neutral who is responsible for reviewing the strengths and weaknesses of the case and issuing a recommendation. If the neutral conference is selected, the department of education shall provide the parties with resumes of 5 neutrals. The parties shall agree to the selection of one neutral to preside at the conference. Following such selection, the department shall schedule the neutral conference and shall provide the parties with the neutral's name and address, the time, date, and place of the neutral conference, and the date by which the parties shall furnish the neutral with required information and documentation.

II.(a) Not less than 5 days prior to the neutral conference, the parties shall submit to the neutral and exchange a summary of the significant aspects of their case. The parties shall attach to the summary copies of all documents on which they rely. Such summaries shall be not more than 4 pages.

(b) Parties shall not communicate with the neutral concerning their case.

(c) At the neutral conference, the parties shall be present and shall have authority to authorize settlement.

(d) If the neutral deems it necessary, such neutral may request additional written information prior to the conference from either party. At the neutral conference, the neutral may address questions to the parties and shall allow each party no more than 30 minutes to complement their written summaries with a brief oral statement. The conference shall be limited to not more than 2 hours.

(e)(1) At the conclusion of the oral statements, the neutral shall issue an oral opinion to the parties. The opinion shall contain a suggested settlement or disposition and the reasons therefor.

(2) If the neutral conference results in agreement, the conclusions shall be incorporated into a written binding agreement signed by each party.

(3) If the neutral conference does not result in agreement, the neutral shall document only the date and the participants at the meeting. No other record of the neutral conference shall be made. The neutral shall not be called as a witness at any additional proceedings in the specific case in which such neutral participated.

(4) The neutral shall advise the department of education that the neutral conference has taken place.

III.(a)(1) The neutral who presides at a conference shall have experience with students with educational disabilities and shall have knowledge of special education law, rules, and regulations.

(2) The neutral shall not have personal knowledge of the student or involvement with the school district.

(3) In order to avoid the appearance of a judicial proceeding, attorneys shall not be appointed as neutrals.

(b) Upon receipt of notice of appointment in a case, the neutral shall disclose any circumstances likely to create a conflict of interest, the appearance of a conflict of interest, a reasonable inference of bias, or to prevent the process from proceeding as scheduled. If the neutral withdraws, has a conflict of interest, or is otherwise unavailable, another shall be appointed by the commissioner of education.

(c) The participants and counsel shall recognize that the neutrals shall not be acting as legal advisories or legal representatives.

IV. The department of education shall evaluate the effectiveness of the alternative dispute resolution procedures annually and shall report its findings to the State Advisory Council required by the Individuals with Disabilities Education Act.

4 Appropriation. There is appropriated the sum of \$5,000 for the fiscal year ending June 30, 1995, to the department of education to be used for alternative dispute resolution. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill expands the provisions for special education alternative dispute resolution to include neutral conferences in addition to mediation.

Adopted.

Report adopted and ordered to third reading.

HB 1408-FN, requiring state agencies to pay the New Hampshire Bar Association dues and fees of attorneys which they employ. **INEXPEDIENT TO LEGISLATE**

Rep. Kathleen W. Ward for Executive Departments and Administration: The majority of the committee believes that job qualifications both in the classified and unclassified systems that

require a professional license are taken into account when salaries levels are set. In New Hampshire, an attorney may not practice law without joining the Bar Assoc., ie. dues vs. license. Vote 14-3.

Adopted.

HB 1447-FN, making communications of advanced registered nurse practitioners privileged and, extending certain duties to ARNPs. **OUGHT TO PASS**

Rep. Bonnie K. Groves for Executive Departments and Administration: This bill grants temporary licenses to nationally certified advanced registered nurse practitioners at the request of the Division of Public Health. Sections B, C and D apply the language of the psychologists practice act regarding patient confidentiality to ARNPs, and the "duty to warn" and sexual misconduct to psychiatric/mental health advanced registered nurse practitioners. Vote: 14-1.

Adopted and ordered to third reading.

HB 1546-FN-L, to provide an additional service retirement option for group I teacher members of the retirement system. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill was voted inexpedient to legislate because some of the members felt that this bill may be in violation of Article 28-A, unfunded mandates or expanded programs, of the New Hampshire Constitution. This bill would establish a new method of calculating an unreduced early retirement for teachers with only limited study as to the effect on the retirement system Vote 10-3.

Adopted.

SPECIAL ORDER

Rep. Kathleen Ward moved that **HB 1552-FN**, relative to the certification of employer contributions by the retirement system board of trustees, be made a Special Order for Thursday, February 17.

Adopted.

REGULAR CALENDAR (Cont'd.)

HB 1138-FN-L, allowing free parking for jurors serving at regional jury trial courts. **MAJORITY: REFER FOR INTERIM STUDY. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Rick G. Newman for the Majority of Judiciary: The Majority feels there are many issues which need to be looked at in this bill and interim study will afford the time needed to do justice to this issue. Vote 12-3.

Rep. Robert E. Murphy for the Minority of Judiciary: This bill amends RSA 500-A:17 (Parking for Jurors) to include free parking for jurors called for duty in any District Court designated as a jury trial court by the Supreme Court. The minority position maintains that, irrespective of Article 28-a, Part the First of the N.H. Constitution, free parking was "grandfathered in" by preceding Article 28-a by 13 years (1971-1984). Further, even if this contention is not accepted, Article 28a would still not apply since it prohibits the state from mandating "expenditures" upon political subdivisions and does not refer to loss of revenue such as a parking fee.

Rep. Murphy moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Refer for Interim Study, spoke in favor and yielded to questions.

Rep. Newman spoke against.

Rep David Young spoke against and yielded to questions.

The motion failed and the report was adopted.

HB 1191-FN, relative to victims' rights in sentencing hearings and the victims' compensation fund. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rick G. Newman for Judiciary: This bill requires that a legitimate reason must exist in order to require a victim witness/advocate to testify and be sequestered during a trial. The committee believes it is important for the victim to have his or her witness/advocate in the room for support. Vote 10-2.

Amendment (4965B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to victims and victims' compensation.

Amend the bill by replacing all after the enacting clause with the following:

1 Siblings and Certain Victims of Sexual Abuse; Victims' Compensation Fund. Amend RSA 21-M:8-h, I to read as follows:

I. Any person who sustains personal injury as a result of a felony, [or] any person who sustains personal injury as a result of persons driving under the influence of alcohol or controlled substances, *or any person who is a victim of sexual abuse and is under the age of 18 at the time the claim is filed regardless of when the crime occurred*, is eligible for compensation. In the case of a child victim, the claimant, guardian ad litem, advocate or [parent] *immediate family* may claim compensation in the victim's stead. *If the victim is incompetent or in the case of a victim's death as a direct result of the crime, [the victim's spouse, the parents of a victim who was a dependent child, or the victim's dependent children are eligible to claim compensation.] the immediate family of the victim is eligible to claim compensation.* In the case of a victim's disability as a direct result of the crime, the victim's [spouse or guardian] *legal representative* may claim compensation in the victim's stead.

2 Statement of Purpose. The general court and the governor place a high value on creating a system of justice in which victim/witness advocates may remain with the victims they serve throughout criminal court proceedings without the fact or threat of inappropriate sequestration.

3 New Section; Just Cause Required to Place Victim/Witness Advocate on Witness List. Amend RSA 516 by inserting after section 7 the following new section:

516:7-a Victim/Witness Advocates as Witnesses. If a victim/witness advocate is called as a witness, a party opposing such action may move for an order requiring the party desiring to use such testimony to show cause why such victim/witness advocate's testimony is necessary. In no case shall a victim/witness advocate be sequestered unless the court finds and orders, based on the facts of the case, that failure to sequester would violate a defendant's rights.

4 Applicability. This act shall apply to all offenses committed on or before the effective date of this act.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill permits siblings and victims of sexual abuse under the age of 18 at the time a claim is filed to receive awards from the victims' compensation fund.

This bill also limits calling victim/witness advocates as witnesses unless such testimony is necessary.

Adopted.

Report adopted and ordered to third reading.

HB 1572-FN, relative to public employee labor relations and filing fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Claudette R. Jean for Labor, Industrial and Rehabilitative Services: This bill modifies the Public Employee Labor Relations Board's appointment procedures, terms of office, and increase in payment for services. It also states that all board decisions shall be indexed. It requires complainants to submit a filing fee of \$60 and requires that orders issued by the PELRB contain findings of fact and rulings of law. Vote 12-0.

Amendment (5106B)

Amend the bill by replacing all after the enacting clause with the following:

1 Board Membership; List of Nominees. Amend RSA 273-A:2, I and I-a to read as follows:

I. There is hereby created a public employee labor relations board consisting of 5 members, appointed by the governor and council *from lists of nominees as provided in this paragraph*. Two members shall be appointed who shall have extensive experience representing organized labor *from a list of nominees provided by labor groups representing employees who are subject to the provisions of RSA 273-A*. Two members shall be appointed who shall

have extensive experience in representing management interests *from a list of nominees provided by management groups which represent employees subject to the provisions of RSA 273-A*. One member, who shall be the [chairman] *chairperson*, shall be appointed to represent the public at large, *shall not be a public sector employee* and shall not hold [elective or appointive public office, or elective or appointive office, or] elective or appointive office, or membership in, *public sector organized labor or be an elected or appointed official or officer of the state or any political subdivision thereof* at the time of [his] appointment or during [his] *the term of appointment*. Members of the board may be removed by the governor and council for cause.

I-a. The governor and council shall appoint, in addition to the regular board members specified in paragraph I, 3 alternate board members *from the lists of nominees provided under paragraph I*. One member shall have extensive experience representing organized labor, one member shall have extensive experience in representing management interests, and one member shall represent the public at large, *shall not be a public sector employee* and shall not hold [elective or appointive public office, or] elective or appointive office, or membership in, *public sector organized labor or be an elected or appointed official or officer of the state or any political subdivision thereof* at the time of [his] appointment or during [his] *the term*. Alternate board members shall serve a [6] 4-year term, and may be removed by the governor and council *for cause*.

2 Board Membership; Terms. Amend RSA 273-A:2, II to read as follows:

II. Each member of the board shall serve for a term of [6] 4 years[, except that of the members first appointed, one shall be appointed for 2 years, one for 3 years, one for 4 years, one for 5 years and one for 6 years]. Each member shall serve until [his] *a* successor is appointed and qualified. A person appointed to fill a vacancy shall be appointed for the unexpired term by the governor and council.

3 Board; Payment for Service; Indexing of Decisions. Amend RSA 273-A:2, VII to read as follows:

VII. The members of the public employee labor relations board shall be paid [\$50] *\$150* a day and their necessary expenses while actually engaged in the performance of their duties.

VIII. All board decisions shall be indexed in a timely fashion.

4 PELRB Complaints; Filing Fees. Amend RSA 273-A:6, II to read as follows:

II. Complaints shall be filed by affidavit *and shall be accompanied by a \$60 filing fee*. A copy of the complaint shall be given to the party complained against at the time the complaint is filed. The board or its designee shall hold a hearing within 45 days under rules adopted by the board pursuant to RSA 541-A and shall give 5 working days' notice of the hearing by certified mail to all persons required to appear and to the representative of any party against whom a complaint has been filed. *Fees collected under this paragraph shall be used to pay indexing of all board pensions.*

5 New Paragraph; Board Decisions. Amend RSA 273-A:6 by inserting after paragraph VIII the following new paragraph:

IX. Any order issued by the board shall contain findings of fact and rulings of law on which the order is based. Any other decision made by the board shall contain, in a written record of oral proceedings or other written document, findings of fact and rulings of law on which the decision is based.

6 Applicability. This act shall not affect the terms of board members serving on the public employee labor relations board on the effective date of this act. Appointments to the board under this act shall take effect as the terms of current board members expire

7 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill modifies the public employee labor relations board's appointment procedures and payment for services.

This bill requires complainants to submit a filing fee and requires that orders issued by the board contain findings of fact and rulings of law.

Adopted.

Report adopted and referred to Ways and Means.

HB 1488-A, requiring the department of transportation to redesign the Spaulding turnpike between exits 11 and 16 from bonds previously authorized under RSA 273-A:2. **INEXPEDIENT TO LEGISLATE**

Rep. Gene G. Chandler for Public Works: The redesign and reconstruction of the Spaulding Turnpike between exits 11 and 16 is and should remain a top priority. Unfortunately, at the present time funding does not exist for this measure, and unless certain revenue adjustments or other priority construction adjustments are made, the immediate relief in this area is not in the near future. On a brighter note, the Committee will revisit this issue in upcoming weeks as it pours through the Governor's recommendations in the revised 10-year highway plan. The Committee's vote in no way reflects the necessity of the project. Vote 12-5.

Adopted.

HB 1495-FN, relative to taxes paid on simulcast racing. **OUGHT TO PASS WITH AMENDMENT**

Rep. Dana F. Kelley for Regulated Revenues: This bill creates parity among the three dog tracks by setting a limit in regard to taxes if a pool falls below \$30,000. The Committee felt this was necessary so as not to place a disproportionate tax burden on small tracks. Vote 15-3.

Amendment (5014B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Racing Program Defined. Amend RSA 284:23 by inserting after paragraph I the following new paragraph:

1-a. For the purposes of this chapter "racing program" means live racing with any number of individual races as determined by the pari-mutuel commission. A live race or racing program may include a combined live and simulcast race where the combination contains at least one more live race to simulcast in the same combination. Any such live racing program or combined racing program upon which a separate tax is paid may constitute a live racing performance day.

2 Definition Changed. Amend RSA 284:23, III to read as follows:

III. The term "total contributions to all pari-mutuel pools" as used in paragraph II(a) shall be construed to mean the total of such contributions for [one day. The term "total contributions to all pari-mutuel pools" as used in paragraph II-a shall be construed to mean the total of such contributions for each racing program; and,] *each racing program; and* where more than one racing program is conducted on the same day, the computation of total contributions to such pari-mutuel pools shall be made separately for each program for the purpose of computing the tax under paragraph II-a *and V*.

3 New Paragraph; Limitation on Tax for Dog Tracks. Amend RSA 284:23 by inserting after paragraph V the following new paragraph:

VI.(a) Notwithstanding the provisions of RSA 284:23, the following limits shall apply:

(1) If the aggregate pari-mutuel pools for all racing programs of live dog racing conducted by a licensee on any day is less than \$30,000 and such licensee conducts no simulcast dog racing on such day, the licensee shall pay a tax of \$300;

(2) If the aggregate pari-mutuel pools for all racing programs of simulcast dog racing conducted by a licensee on any day is less than \$30,000 and such licensee conducts no live dog racing on such day, the licensee shall pay a tax of \$300; and

(3) If the aggregate pari-mutuel pools for all racing programs of live dog racing and simulcast dog racing conducted by a licensee on any day is less than \$30,000, then the licensee shall pay a tax of \$600.

(b) In the event that the aggregate pari-mutuel pools for all racing programs of live dog racing or simulcast dog racing conducted by a licensee on any day is in the amount of \$30,000 or more, then the licensee shall pay the tax calculated under RSA 284:23 without regard to the provisions of subparagraph (a).

4 Applicability. The provisions of this act shall apply only to dog racing.

5 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill defines a racing program for the purposes of assessing taxes on simulcast races.

This bill also establishes a maximum tax for dog racing depending on whether the racing programs are live or simulcast.

Adopted.

Rep. Robert Kelley yielded to questions.

Report adopted and ordered to Ways and Means.

HB 1418-FN-A, relative to the business enterprise tax and reinstituting the bank franchise tax. **INEXPEDIENT TO LEGISLATE**

Rep. Avis B. Nichols for Ways and Means: This bill changes the threshold for filing the Business Enterprise Tax (BET) from \$100,000 to \$150,000. The committee felt it is too early to change a tax which was just passed last year, and so we have no experience with it. This bill also reinstates the bank franchise tax which would be double taxation as it is based on bank interest and dividends and the BET also taxes the same interest and dividends. Vote 13-3.

Adopted.

HB 1478-FN-A, prohibiting the business enterprise tax from being levied retroactively. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Richard T. Trelfa for the Majority of Ways and Means: Committees of conference often culminate in compromise legislative measures. This was true of the Business Enterprise Tax (BET)/Business Profits Tax measures of 1993. Since other major problems of the present biennium budget were resolved in the same manner, the majority of Ways and Means felt the BET should not be singled out since the question of retroactivity did not arise during House or committee of conference deliberations. Vote 10-6.

Reps. William H. McCann, Jr., Soucy, J. Johnson, Clemons, Ham and Plourde for the Minority of Ways and Means: The Minority believes that retroactive taxes violate Article 23 of Part I of the NH Constitution which prohibits retrospective laws. The Ways and Means Committee never voted on retroactivity, nor did the full House because it was not put into the bill until the committee of conference. The minority cannot support an unconstitutional act for political expedience.

Rep. Buckley moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Cowenhoven spoke against and yielded to questions.

Rep. Soucy spoke in favor.

Rep. Jasper spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

and the motion failed.
Report adopted.

HB 1513-FN-A, exempting certain veterans' organizations from the business enterprise tax.
INEXPEDIENT TO LEGISLATE

Rep. John F. Weeks, Jr. for Ways and Means: Because the sponsor, or any proponent, failed to appear at the hearing, and because most members of the committee agree it is inappropriate to make changes to the Business Enterprise Tax (BET) so soon after its enactment, the bill was voted inexpedient. Vote 15-1.

Adopted.

Rep. Houlahan wished to be recorded in favor of the bill.

HB 1538-FN-A, to repeal the business enterprise tax. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Trelfa for Ways and Means: The committee majority believes that it would be unwise to repeal this tax before it has had a reasonable opportunity to take effect. The committee has had testimony in the past that, from an economic development perspective, frequently changing business taxes sends a bad message. Vote 10-6.

Roll call request sufficiently seconded. The question being the adoption of the Committee report.

PARLIAMENTARY INQUIRY

Rep. Loren Jean moved that the Parliamentary Inquiry made by Rep. Gorman be printed in the Journal.

Adopted.

Rep. Gorman: Thank you Mr. Speaker. If I feel this issue has been heard and reheard and heard over again, and if I feel that I am not going to change one vote in this House, and if I think that the members think that Rep. Gorman is one hell of a swell fellow for not putting us through all of this would I now press either the red button or the green button according to my dictates?

SUSPENSION OF RULES

Reps. Ann Torr and Trombly move that the rules be so far suspended as to permit consideration at the present time of the committee reports scheduled for Thursday, February 17.

Adopted by the necessary two-thirds.

REGULAR CALENDAR

HB 1334, regulating the licensure and practice of title insurance agents, including fees. REFER FOR INTERIM STUDY

Rep. Elizabeth L. Crory for Commerce, Small Business and Consumer Affairs: Stricter regulation of the title insurance industry is of state and national concern. The National Association of Insurance Commissioners has developed model legislation for states to regulate title insurance agencies and title insurance companies. HB 1334 further urges careful consideration of premium rates allowed relative to actual losses paid. The secondary mortgage market demand for title insurance will be studied. Fees charged for additional title searches and additional title insurance when consumers refinance are also of concern. Vote 16-0.

Adopted.

HB 1562-FN, establishing an uninsured motorist claims fund. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Wells, Sr. for Commerce, Small Business and Consumer Affairs: This bill was viewed as a step towards mandatory insurance for automobiles. Presently all automobile policies within the state do carry an uninsured motorist provision and motorists have the choice in New Hampshire to have insurance or not have insurance. The New Hampshire Insurance Department and Department of Safety both opposed this bill. Vote 16-0.

Adopted.

HB 1246, relative to ballot access for political parties. **OUGHT TO PASS WITH AMENDMENT**

Rep. Calvin Warburton for Constitutional and Statutory Revision: This bill allows a party to be accepted as a legal party in a primary if the party gets three percent of the total vote for Governor or the combined votes of all executive council votes. It allows party status for four years. Vote 8-6.

Amendment (5005B)

Amend the bill by replacing section 1 with the following:

1 "Party Redefined. RSA 652:11 is repealed and reenacted to read as follows:

652:11 Party. "Party" shall mean any political organization which, within the last 4 years, received at least 3 percent of the total number of votes cast in a race for the office of governor, or at least 3 percent of the combined total number of votes cast for all the seats in a race for the office of executive councilor.

Adopted.

Rep. Bove moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with amendment and spoke in favor.

Rep. David Young spoke against.

Rep. Willis spoke in favor and yielded to questions.

Rep. Gilmore spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HB 1304, allowing animal shelter facilities to use foster homes. OUGHT TO PASS WITH AMENDMENT

Rep. M. Kathryn Aranda for Environment and Agriculture: This bill allows humane societies who do not have their own boarding facilities to place animals temporarily in local homes which have been inspected and certified by the State veterinarian. Vote 16-0.

Amendment (5101B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to licensure of humane societies without animal shelters.

Amend the bill by replacing all after section 1 with the following:

2 New Section; Licensure of Humane Societies Without Animal Shelters. Amend RSA 437 by inserting after section 3 the following new section:

437:3-a Licensure of Humane Societies Without Animal Shelters. Any duly incorporated humane society, animal welfare society, or society for the prevention of cruelty to animals that does not own, operate, and maintain its own animal shelter facility may be licensed under this chapter, provided that each place where animals are kept has been inspected by the state veterinarian, or designee, within 30 days of the issuance or renewal of the license, and certified by the state veterinarian, or designee, to be in compliance with health and sanitation standards adopted by rule by the department of agriculture. In addition, prior to the issuance or renewal of its license, the humane society shall provide the department with a list of places where animals are kept and consents signed by the owners of those premises authorizing the department to inspect them. The department shall adopt rules, under RSA 541-A, relative to the form and content of a certificate of compliance and an owner's consent to inspection.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes licensure of humane societies which do not own or operate their own animal shelter facility, provided that each place where animals are kept are inspected and found to be in compliance with the health and sanitation requirements established by the department of agriculture.

Rep. Aranda yielded to questions.

Adopted.

Report adopted and ordered to third reading.

HB 1290-FN, changing the salary of the deputy bank commissioner and removing the bank commissioner as an ex officio voting member of the New Hampshire retirement system board of trustees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ray F. Langer for Executive Departments and Administration: The committee felt that an individual who contributes in excess of what is expected should be rewarded. Based upon the testimony it received, it also agreed that the bank commissioner should be replaced by the state treasurer as a retirement system trustee. Vote 10-5.

Amendment (4741B)

Amend the title of the bill by replacing it with the following:

AN ACT

changing the salary of the deputy bank commissioner and replacing the bank commissioner with the state treasurer as an ex officio voting member of the New Hampshire retirement system board of trustees.

Amend the bill by replacing sections 2-3 with the following:

2 Salary; Deputy Bank Commissioner. Amend RSA 94:1-a, I by inserting in Group P the following: Deputy bank commissioner

3 Administration; New Hampshire Retirement System Board of Trustees. Amend RSA 100-A:14, I to read as follows:

1. The administration of this system is vested in a board of 13 trustees. The [bank commissioner] *state treasurer* shall be an ex officio voting member of the board but shall abstain from voting on the placement of funds in New Hampshire banks. The governor and council shall appoint 2 trustees, to be known as non-member trustees, who shall be qualified persons with business experience and not be members of the system, and who shall serve for a term of 2 years and until their successors are appointed and qualified, except that the original appointment of one of the non-member trustees shall be for a term of one year. The remaining 10 members of the board shall consist of 2 employees, 2 teachers, 2 permanent police-

men, 2 permanent firemen, one member of the senate who serves on the insurance committee and who shall be appointed annually by the senate president, and one member of the house of representatives who serves on the executive departments and administration committee and who shall be appointed annually by the speaker of the house. Whenever a vacancy occurs, the senate president or the speaker of the house shall fill the vacancy in the same manner by appointing a senate or a house member who shall serve for the unexpired term. The New Hampshire state employees' association, the New Hampshire education association, the New Hampshire police association, and the New Hampshire state permanent firemen's association shall each annually nominate from their members a panel of 5 persons, all of whom shall be active members of the retirement system, or one of the 4 predecessor systems, no later than May 31 of each year, and the panels so named shall be filed with the secretary of state no later than June 10 of each year. From each of the above named panels the governor and council shall originally appoint 2 persons, and thereafter one annually to the board. Members appointed to the board in the manner aforesaid shall serve for a term of 2 years, except that the original appointments of one of the persons from each panel shall be for a term of one year. Each member so appointed shall hold office until his successor shall be appointed and qualified. Whenever a vacancy occurs, the governor and council shall fill the vacancy by appointing a member who shall serve for the unexpired term from the same panel from which the former member was appointed. The governor shall designate one of the non-member trustees to serve as chairman of said board of trustees. The chairman, the senate member, the house member, and the 4 group I members shall constitute one subcommittee and the chairman, the senate member, the house member, and the 4 group II members shall constitute another subcommittee. Each subcommittee shall, relative to the members of their respective group, consider policy problems and make recommendations relative to the same to the board of trustees and make recommendations to the board of trustees concerning applications under the provisions of RSA 100-A:6. For the purposes of transacting any business, 4 members of a subcommittee shall constitute a quorum.

AMENDED ANALYSIS

This bill changes the salary of the deputy bank commissioner and replaces the bank commissioner with the state treasurer as an ex officio voting member of the New Hampshire retirement system board of trustees.

Adopted.

Report adopted and referred to Appropriations.

HB 1384, regulating art therapists and authorizing licensing fees. REFER FOR INTERIM STUDY

Rep. Sandra K. Dowd for Executive Departments and Administration: With time constraints, the committee felt the necessary work and additional information needed that interim study will provide was the correct decision at this time. Vote 15-1.

Adopted.

SPECIAL ORDERS

Rep. Kathleen Ward moved that **HB 1448-FN**, requiring that certain documents and publications be included in the state depository law and **HB 1548**, relative to medical and surgical benefits for state employees be made Special Orders for Thursday, February 17.

Adopted.

Rep. Gene Chandler moved that **HB 1374**, requiring the department of transportation to study United States Route 4 between New Hampshire route 108 and Scammel Bridge be made a Special Order for Thursday, February 17.

On a division vote, 233 members having voted in the affirmative and 70 in the negative, the motion was adopted.

REGULAR CALENDAR (Cont'd.)

HB 1553-A, making a capital appropriation to the supreme court for the design and construction of an administrative office building. OUGHT TO PASS WITH AMENDMENT

Rep. Sandra B. Keans for Public Works: The Public Works Committee and the Senate Capital Budget Committee toured the Supreme Court building. Following the visit and much discussion, the Committee decided to recommend \$150,000 for the design. The basement of the present building houses a number of employees and the working conditions and air quality are marginal at best. The Committee feels that the requested amount of \$1.5 million is in excess of what will be needed to properly correct the present serious deficiencies. Vote 18-0.

Amendment (4990B)

Amend the title of the bill by replacing it with the following:

AN ACT

making a capital appropriation to the supreme court for the design
of an administrative office building.

Amend the bill by replacing all after the enacting clause with the following:

1 Appropriation; Supreme Court. The sum of \$150,000 is appropriated to the supreme court for the design of an administrative office building.

2 Bonds Authorized. To provide funds for the appropriation made in section 1 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$150,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest of the bonds and notes shall be made from the general fund.

3 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill makes a capital appropriation to the supreme court for the design of an administrative office building.

Rep. Keans yielded to questions.

Rep. Gene Chandler spoke in favor.

Adopted.

Report adopted and referred to Appropriations.

SPECIAL ORDER

Rep. Gene Chandler moved that **HB 1571-A**, appropriating funds for renovations to the Brown building be made a Special Order for Thursday, February 17.

Adopted.

REGULAR CALENDAR (Cont'd.)

HB 1336, restricting services which holders of licenses under RSA 178 may perform for privately owned retail establishments. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas A. Behrens for Regulated Revenues: As amended this bill allows grocers, beer distributors and brewers to return to the working relationship which existed until earlier this year. Simply, this legislation permits distributors to honor their franchise agreements with the brewers and distributors concerning product service. Vote 13-0.

Amendment (5140B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to services which certain liquor licensees may perform with
regard to beverage stocking and displays.

Amend the bill by replacing all after the enacting clause with the following:

1 Stocking Beverages for Display Purposes. Amend RSA 179:11, II to read as follows:

II. There shall be no restriction on the number of off-sale licenses held by any person. No holder of a beverage manufacturer license, wholesale distributor license, beverage vendor license, beverage vendor importer license or beverage representative license shall in any way contribute or pay any money or anything in lieu thereof to any on-sale or off-sale licensee, his agent, his employees, or to any group, association, or organization thereof. Nothing in this section shall prohibit any licensee from being a member of a club holding a permit or license under this title, nor prohibit the sale or purchase, for resale, of merchandise or beverages for

the conduct of the business of any on-sale or off-sale licensee. *Nothing in this section shall prohibit a holder of a beverage manufacturer license, wholesale distributor license, beverage vendor license, beverage vendor importer license or beverage representative license from bringing such holder's own product from the storeroom of an on-sale or off-sale licensee to a warm shelf, display, refrigerated retail space, or refrigerated storage. Nothing in this section shall prohibit the holder of a beverage manufacturers license, wholesale distributors license, beverage vendors license, beverage vendor importers license, or beverage representative license from rotating, reorganizing, cleaning and resetting such holder's own product once the product is on an on-sale or off-sale licensee's warm shelf, or in an on-sale or off-sale licensee's refrigerated retail space, or refrigerated storage.*

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows certain liquor licensees to stock beverages for retail display or refrigerated storage purposes.

Adopted.

Rep. Behrens yielded to questions.

Report adopted and ordered to third reading.

HB 1515-FN, relative to emissions reduction credits trading program. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly T. Rodeschin and Rep. Richard L. Cogswell for Science, Technology and Energy: This proposed legislation updates the provisions of Chapter 199 passed in the 1993 session. A statutory committee worked for the last several months drafting this bill. If passed, this legislation will allow for trading of emission reduction credits which will be critical for those New Hampshire businesses which must meet the offset provisions of the federal Clean Air Act. Passage of this bill will be an important component of job growth in the manufacturing sector of New Hampshire. Vote 11-0.

Amendment (4984B)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court hereby finds that any emissions reductions greater than what is required by the Clean Air Act from stationary sources, mobile sources, area sources, and off-road sources shall be used, to the greatest extent possible, for economic development in New Hampshire.

2 Emissions Reduction Credits Trading Program. RSA 125-J is repealed and reenacted to read as follows:

CHAPTER 125-J

EMISSIONS REDUCTION CREDITS TRADING PROGRAM

125-J:1 Definitions. In this chapter:

I. "Actual emissions" means the rate, in tons per year, at which the device or source actually emitted a pollutant during calendar year 1990, or the average rate, in tons per year, at which the device or source actually emitted a pollutant during any 2-year period which precedes the date of application by no more than 5 years and which is representative of normal production rates, and which the division determines does not jeopardize any attainment demonstration under the Clean Air Act. Actual emissions shall be calculated using factors such as the source's actual operating hours, production rates, stack emissions rates, and types of materials processed, stored, or combusted during the applicable period.

II. "Allowable emissions" means the emission rate of a device or source calculated using the maximum rated capacity of the device or source, or, if applicable, federally required limits which restrict the emission rate, operating rate, or hours of production, so as not to exceed any of the following:

(a) Any applicable standard set forth in 40 CFR part 60 or 40 CFR part 61;

(b) Any applicable New Hampshire state implementation plan emissions limitation, including a limitation with a future compliance date; or

(c) Any emissions rate specified as a condition of any permit issued by the division or EPA, including an emission limitation with a future compliance date.

III. "Area source" means stationary or non-road sources of emissions which are too small or to numerous too be individually included in a stationary source emissions inventory maintained by the division.

IV. "Attainment demonstration" means emissions reductions required to satisfy reasonable further progress and attainment of national ambient air quality standards under the Clean Air Act.

V. "Baseline emissions" means actual emissions or allowable emissions, whichever is less, as certified by the department.

VI. "Bubbling" means an alternate emissions control strategy where two or more existing devices or sources are placed under a hypothetical bubble which is regarded, for the purpose of achieving emissions reductions, as a single device or source.

VII. "Clean Air Act" or "CAA" means the Clean Air Act, 42 U.S.C. section 7401, et seq., as amended, and all final regulations adopted thereunder.

VIII. "Commissioner" means the commissioner of the department of environmental services.

IX. "Department" means the department of environmental services.

X. "Device" means "device which contributes to air pollution" as defined in RSA 125-C:2, VI.

XI. "Director" means the director of the division of air resources, department of environmental services.

XII. "Division" means the division of air resources, department of environmental services.

XIII. "Emissions reduction credit certificate" means the document issued by the department certifying emissions reductions for use consistent with this chapter.

XIV. "Emissions reduction credits" or "ERCs" mean the actual air pollutant reductions from an emitting device or source that have been certified by the department as enforceable, permanent, quantifiable, real, and surplus. One ERC shall represent 2,000 pounds (1 ton) of emissions reduction per calendar year.

XV. "Enforceable" means those limitations and conditions on the operating rate, hours of production, or types of materials processed, stored, or combusted of a source or device which are incorporated into a permit issued by the division or EPA, an emissions reduction credit certificate issued by the department pursuant to this chapter, or a revision to the SIP.

XVI. "EPA" means the United State Environmental Protection Agency.

XVII. "Mobile source" means on-road vehicles such as automobiles, trucks, and motorcycles and non-road vehicles such as trains, airplanes, agricultural equipment, construction vehicles, off-road recreational vehicles and motorcycles, and boating vessels.

XVIII. "Netting" means reductions in actual emissions achieved in order for a source or device to become exempt from preconstruction permit requirements under RSA 125-C, the Clean Air Act and 40 CFR 51.

XIX. "Offset" means the use of an emissions reduction credit to compensate for emissions increases of a nonattainment pollutant from a new major stationary source or device or from a major modification to a stationary source or device subject to the requirements of the Clean Air Act.

XX. "Permanent" means that the emissions reductions implemented for the purpose of generating ERCs must be assured for as long as the ERCs are to be utilized consistent with this chapter.

XXI. "Person" means a person as defined in RSA 125-C:2, X who has been issued a permit by the division or the EPA, or a person as defined in RSA 125-C:2, X who owns, operates, or controls any area source, mobile source, or non-permitted source of air pollution for which reductions in pollutant emissions are eligible for certification under this chapter, or the state, except as provided in RSA 125-J:5, I and II.

XXII. "Public emissions credit" means emissions reduction credits acquired by the state either through certifying emissions reductions on state devices, area sources, mobile sources, and sources, transfer, shutdown of devices and sources, or from emissions reductions achieved by implementation of applicable state law more stringent than the federal minimum requirements under the Clean Air Act.

XXIII. "Quantifiable" means that the amount, rate, and characteristics of an ERC have been calculated over the life of the ERC, in accordance with applicable control technology guidance documents issued by EPA, AP-42, as amended by the EPA, and by any other method approved by the department or by the EPA.

XXIV. "Reasonably available control technology" or "RACT" means the lowest emission limitation that a source or device is capable of meeting by the application of control technology that is reasonably available considering technological and economic feasibility.

XXV. "Real" means the reduction in baseline emissions from a device or source released into the air.

XXVI. "Shutdown" means the cessation of production operations by a person who owns, operates, or controls a device or source.

XXVII. "Source" means any stationary building, structure, facility, or installation which emits or may emit any regulated air pollutant.

XXVIII. "State implementation plan" or "SIP" means the most recently prepared plan or revision thereof required by the Clean Air Act, and rules adopted by the department and single source SIP revisions which have been approved by the EPA or submitted for approval by the EPA.

XXIX. "Surplus" means emission reductions achieved from baseline emissions which are not otherwise required under the Clean Air Act or by the SIP for compliance with any attainment demonstration under the Clean Air Act, or by any administrative or judicial order, consent agreement or enforcement action.

XXX. "Transfer" means the conveyance of an emissions reduction credit certificate from one person to another person, with or without consideration.

125-J:2 Establishment. There is established an emissions reduction credits trading program to facilitate compliance with the requirements of the Clean Air Act.

125-J:3 Nature of Emissions Reduction Credits.

I. An emissions reduction credit certified by the department and issued to a device or source under this chapter is a limited authorization to hold and transfer such credits. Emissions reduction credits do not constitute a property right. Nothing in this chapter shall be construed as modifying the requirements of the Clean Air Act or RSA 125-C, as amended.

II. Emissions reduction credits, once certified and issued by the department, may be received, held, and temporarily or permanently transferred in accordance with the provisions of this chapter for so long as the credits remain certified by the department.

125-J:4 Certification of Emissions Reduction Credits.

I. The department shall establish and administer a process for the application, certification, revocation and enforcement of emission reduction credits for the following regulated pollutants: volatile organic compounds (VOCs), oxides of nitrogen (NOx), and carbon monoxide (CO).

II. Any person may be credited with emissions reductions occurring after December 31, 1990.

III. The department shall issue emissions reduction credits to any person upon certification by the department that the emissions reductions are real, surplus, quantifiable, enforceable, and permanent, and that a device or source is not in violation of any emissions limitation of a permit issued by the division or EPA, any consent agreement, or court order.

IV. The department shall issue an emission reduction credit certificate to any person having certified emissions reduction credits. The certificate shall be in the name of the permit holder for a device or source, and in the name of the person certifying the emissions reduction for the device, area source, mobile source, and sources exempt from permitting requirements under RSA 125-C. The total amount of ERCs certified to a device, area source, mobile source, and source, together with any conditions required to ensure that such ERCs remain real, surplus, permanent, enforceable and quantifiable for the life of the ERC, shall be recorded on the certificate and, for every permitted device and source, as an amendment to any permit issued for the device or source by the division or by the EPA. The term of the emissions reduction credit certificate shall not exceed 5 years.

V. All emissions reductions obtained from devices, area sources, mobile sources, and sources shall be eligible for certification, regardless of whether the reductions were gener-

ated from previously permitted emissions, provided that the department determines that the reductions are real, surplus, quantifiable, enforceable and permanent, and that such reductions are certified in accordance with the Clean Air Act.

VI. Emissions reductions shall be certified for use on a calendar year basis. The minimum amount of emission reductions eligible under this chapter for certification shall be 1 ton per calendar year, per pollutant. ERCs shall be certified in a ratio of 1 ton per calendar year of credit for 1 ton per calendar year of reduction for each pollutant. Emissions reductions of less than 1 ton may be aggregated in order to achieve the minimum 1 ton requirement.

VII. The director may suspend, modify, or revoke any emissions reduction credits certificate issued under this chapter, or any portion thereof, upon a finding, following a hearing:

(a) That the certificate holder has committed a violation of this chapter, or any rule, order, permit, or certificate condition in force and applicable to it;

(b) That the certificate contains a material mistake or that the certificate, or its terms or conditions, were established and issued on the basis of inaccurate information; or

(c) That the certificate issued must be revised to assure that the reductions represented thereon are and remain quantifiable, real, permanent, enforceable and surplus, and in compliance with all terms and conditions issued thereto.

125-J:5 Use of Emissions Reduction Credits.

I. The department shall maintain and publish on January 1, and July 1 of every year a list of emissions reduction credit certificates which have been issued. The department shall update the list on a monthly basis no later than the 10th day of the month, and shall make the updated list available upon request under RSA 91-A. An emission reduction credit certificate and the ERCs represented thereon shall be transferable among and between persons, as defined in RSA 125-C:2, X, and the state upon 7 days prior written notice to the department.

II. Emissions reduction credits may be received, held, and transferred for so long as the credits are certified by the department. Any person as defined in RSA 125-C:2, X and the state may transfer any amount of ERCs at any time during the calendar year as provided in this chapter.

III. Emissions reduction credits may be used by a device or source to satisfy any requirement under the Clean Air Act or RSA 125-C for offsets, RACT, bubbling and netting, in accordance with the provisions of this chapter and as otherwise provided by the Clean Air Act and RSA 125-C. Emissions reduction credits shall not be used by a device or source to meet the requirements of, or result in a violation of, federal New Source Performance Standards (NSPS), National Emission Standards for Hazardous Air Pollutants (NESHAPS), the requirements for Lowest Available Emission Rate (LAER), the requirements for Best Available Control Technology (BACT), the requirements for Maximum Available Control Technology (MACT), any National Ambient Air Quality Standard for criteria pollutants, any Prevention of Significant Deterioration (PSD) increment, or any reduction required as the result of any state or federal enforcement action, consent agreement, or court order.

IV. Emissions reduction credits which have been certified to, or emissions reductions which are eligible for certification to, a device or source which shuts down its production operations shall be public emission credits and shall revert to the state for use consistent with this chapter, except where such ERCs are to be used at other devices and sources within the state by the person or persons who owned, operated or controlled the device or source that was shutdown.

V. Public emissions credits obtained by the state pursuant to this chapter shall be used or held for use by the governor and council for meeting any requirement of the state implementation plan, any attainment demonstration under the Clean Air Act, or for transfer to new or existing devices and sources in the state which require offsets under the Clean Air Act. In determining the use or transfer of public credits, the governor and council shall consider the following criteria:

(a) Whether the credits will result in job retention, which shall be the highest priority.

(b) Whether the credits will be used for economic development in New Hampshire.

(c) Whether a prospective company offers the best prospects for long-term growth and job creation.

(d) Current New Hampshire businesses shall be given priority over businesses relocating to New Hampshire.

(e) The market value of the credits.

(f) No less than 75 percent of public emissions credits generated in serious nonattainment areas shall be applied to requirements applicable in serious nonattainment areas.

VI. Funds from the sale of public emissions credits shall be placed in a special account within the air resources permit fund to be used by governor and council for the acquisition and generation of ERCs for future economic development.

VII. The use of emissions reduction credits by a utility as defined in RSA 362:2 shall be subject to such additional conditions as ordered pursuant to applicable law by the public utilities commission.

125-J:6 Trading of Emission Reduction Credits.

I. ERCs generated by devices and sources subject to RACT which are transferred to devices and sources subject to RACT shall be transferred in the ratio of 1:1.

II. ERCs generated by devices, area sources, mobile sources, and sources not subject to RACT which are transferred for use by devices and sources in satisfying any RACT requirement under the Clean Air Act shall be transferred in accordance with the offset ratios for nonattainment areas as provided in the Clean Air Act.

III. ERCs certified for reductions of either nitrogen oxides (NOx) or volatile organic compounds (VOCs) under RSA 125-J:4, I, shall be eligible to satisfy any applicable offset requirements for the other, provided the division determines that such proposed substitution does not jeopardize any attainment demonstration and does not violate any applicable requirement of the National Emissions Standards for Hazardous Air Pollutants (NESHAPS). Upon such a determination by the department, substitution of NOx and VOCs reductions shall be in the ratio of 1:1.

IV. The ratios provided in paragraphs I, II, and III are established solely for the purpose of transferring ERCs between devices and sources and do not modify the offset requirements of the Clean Air Act.

V. Interstate trading of ERCs shall be permitted as approved by EPA and in accordance with rules adopted pursuant to this chapter.

125-J:7 Inspection and Monitoring.

I. The director or his authorized representative may enter at all reasonable times in or upon any private or public property, except private residences, for the purpose of inspecting any device or source for which an ERC has been issued, or at which an ERC is being used, and for the purpose of inspecting or investigating any condition which is believed to be in violation of any of the rules adopted or orders issued hereunder, or any emissions reduction credits certificate issued hereunder. Any information, other than emission data, relating to trade secret processes or methods of manufacture or production obtained in the course of such inspection or investigation shall not be disclosed by the director without permission of the person whose source or device is inspected or investigated.

II. The director may require persons certifying and using ERCs to collect, maintain, and submit data necessary to ensure that ERCs are and remain in compliance with all requirements of this chapter and the Clean Air Act, and with the conditions of the emissions reduction credits certificates issued hereunder.

125-J:8 Enforcement.

I. Whenever the director finds that a person who has been issued an ERC has violated the provisions of this chapter, any rules in force hereunder, or any condition of an emissions reduction credits certificate issued hereunder, the director shall issue a notice of violation and an order of abatement establishing a compliance schedule with which the device, area source, mobile source, and source shall comply. Such order of abatement shall become final and enforceable by the director within 30 days of its issuance unless an appeal is filed with the air resources council before the expiration of said 30-day period. The council shall hold a hearing on any such appeal promptly and shall thereafter issue a decision upholding, modifying or abrogating the director's order or abatement or any part thereof. The council's decision shall become final 10 days after it is issued.

II. Any violation of this chapter, any rule adopted or final orders issued under this chapter, and any emissions reduction credits certificates issued under this chapter shall be subject to enforcement by injunction, including mandatory injunction, issued by the superior court upon application by the attorney general.

125-J:9 Penalties.

I. Any person who violates any of the provisions of this chapter, or any rule adopted or order issued under this chapter, and any person who omits material information or makes any false statement or representation in connection with the certification of emission reduction credits shall be subject to a civil penalty not to exceed \$25,000 for each violation and each day of a continuing violation.

II. Any person who knowingly or willfully violates any of the provisions of this chapter or any rule adopted or order issued under this chapter, and any person who knowingly or willfully omits material information or makes any false statement or representation in connection with the certification of emissions reduction credits shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

III. Any person found guilty of any violation pursuant to RSA 125-J:8, II, notwithstanding RSA 651:2, and in addition to any sentence of imprisonment, probation, or conditional discharge, may be fined not more than \$25,000 for each violation and each day of a continuing violation.

125-J:10 Liability of Purchasers of Emission Reduction Credits Limited.

I. Notwithstanding RSA 125-J:4, VII, an emissions reduction credits certificate issued pursuant to this chapter shall not be suspended, revoked, or modified during the term of the certificate for a person who has purchased such a certificate for use as permitted under this chapter, and who can establish by a preponderance of the evidence that the certificate was purchased without any knowledge that the emissions reduction credits represented thereon were not real, surplus, permanent, and quantifiable, or that the person certifying the credits was in violation of any emissions limitation of a permit issued by the division or EPA, or any RACT or offset requirement under the Clean Air Act and RSA 125-C.

II. There shall be no liability under RSA 125-J:8 and RSA 125-J:9 for a violation of an emissions reduction credits certificate or for a violation of a condition of a permit relating to the use of emissions reduction credits during the term of the certificate or permit for a person who has purchased such a certificate for use as permitted under this chapter, and who can establish by a preponderance of the evidence that the certificate was purchased without any knowledge that the emission reduction credits represented thereon were not real, surplus, permanent, and quantifiable, or that the person certifying the credits was in violation of any emission limitation of a permit issued by the division or EPA, or any RACT or offset requirement under the Clean Air Act and RSA 125-C.

125-J:11 Advisory Committee.

I. There is established the emissions trading advisory committee composed of the following members:

(a) Four representatives, appointed by the speaker of the house, of whom one is from the house science, technology, and energy committee; one is from the house environment and agriculture committee; and one is from the house economic development committee, and one of whom is a member of a minority party.

(b) Two senators, appointed by the senate president, of whom one is from the senate environment committee, and one is from the senate economic development committee.

(c) The commissioner of environmental services, or designee.

(d) The director of the division of air resources, department of environmental services.

(e) The commissioner of resources and economic development, or designee.

(f) The chairperson of the public utilities commission, or designee.

(g) The governor, or designee.

(h) The attorney general, or designee.

(i) Two members of the public, of whom one shall represent business and industry, and one shall represent an environmental organization, appointed by the governor.

II. The speaker of the house shall convene the first meeting no later than July 1, 1994. The committee shall elect a chairperson and vice-chairperson, and subsequent meetings shall be at the call of the chair or 6 or more committee members. The terms of the members shall be coterminous with their terms of office. The terms of the public members shall be 2 years.

III. The committee shall perform an ongoing evaluation of the effectiveness of the emissions reduction credits trading program and report its findings and recommendations to the

governor and council, the speaker of the house, the senate president, the house environment and agriculture, the science, technology and energy, and the economic development committees and the senate environment and economic development committees by October 1 of each year.

IV. The committee shall also review and make recommendations to the commissioner on any proposed rule to be adopted under this chapter.

125-J:12 Rulemaking Authority; Submission.

I. Notwithstanding RSA 541-A, the commissioner shall adopt special temporary rules not subject to RSA 541-A as expeditiously as possible after the effective date of this chapter. The commissioner shall submit proposed rules pursuant to RSA 541-A no later than 1 year after the effective date of this chapter. Such temporary and permanent rules shall include, but not be limited to, the following:

(a) The forms and information required on applications for the certification of emissions reduction credits.

(b) The methods to be used to determine that emissions reductions by all eligible sources and devices are real, surplus, quantifiable, enforceable, and permanent for the life of the credit.

(c) The allowable emissions controls for use in achieving emissions reductions, including, but not limited to, early implementation of future emissions controls and seasonal controls.

(d) The criteria for the modification, suspension, and revocation of an emissions reduction credits certificate.

(e) The data and information required for the monitoring of ERCs.

(f) Public notice and hearing procedures for the certification and revocation of emissions reduction credits.

(g) Interstate trading of emissions reduction credits.

II. Any proposed special temporary rules to be adopted under paragraph I shall be submitted for review and recommendation to the emissions trading advisory committee and the air resources council at least 30 days prior to adoption. Any proposed rules to be adopted pursuant to RSA 541-A shall be submitted to the emissions trading advisory committee for review and recommendation at least 30 days prior to filing a notice of proposed rule with the director of legislative services under RSA 541-A:3-a.

3 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 1558-FN, relative to certification of cable franchise authorities. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: REFER FOR INTERIM STUDY.**

Rep. Gary R. Gilmore for the Majority of Science, Technology and Energy: The committee felt that this bill was needed today because of the many problems besetting the cable industry and municipalities and ever changing federal law. The bill imposes a fee of less than one cent per month on cable subscribers to fund the legislation. Vote 7-3.

Reps. Richard L. Cogswell and David B. Holt for Science, Technology and Energy: The minority, having reviewed the cable issue extensively, disagrees with the estimated cost of the director, using a dedicated fund, administratively attaching this new division to Department of State, that the board makeup is difficult to understand. The minority is of the opinion that this division should go to the office of Consumer Advocate and that interim study is needed to implement the details.

Rep. McRae moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Rep. Gilmore spoke against and yielded to questions.

Roll call sufficiently seconded. The question being the adoption of the substitute motion.

and the motion was adopted.
Substituted report adopted.

HB 1424-FN-A, relative to the exemption for hospitals under the meals and rooms tax.
MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Douglass P. Teschner for the Majority of Ways and Means: The majority believes this bill is premature. As Commissioner Bird testified, we have an "obligation of honor" to the hospitals to repeal this tax when the Medicaid Enhancement funds are no longer available. Passing this bill now could jeopardize these funds, and the committee believes we should err on the side of caution and leave well enough alone. Vote 12-6.

Reps. Donna Soucy, Clemons, Chagnon, Plourde, Ham and Weeks for the Minority of Ways and Means: This bill would institute the hospital exemption under the rooms and meals tax effective July 1, 1995. The minority of the committee views this legislation as a demonstration of our willingness to honor the agreement made with the hospitals of New Hampshire. This bill has the strong support of the NH Hospital Association.

Rep. Buckley moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Teschner spoke against and yielded to questions.

Rep. Soucy spoke in favor.

Rep. Douglas Hall spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

SPECIAL ORDERS

HB 1552-FN, relative to the certification of employer contributions by the retirement system board of trustees. REFER FOR INTERIM STUDY

Rep. J. Gregory McGrath for Executive Departments and Administration: This bill proposes a method for paying for the unfunded accrued liabilities in the retirement system fund. This is a very complex issue which needs more study to find a solution that is fair to all parties concerned. Vote 12-1.

Rep. Kathleen Ward moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Refer for Interim Study and spoke in favor.

Adopted.

The Committee offered a floor amendment.

Floor Amendment (5239B)

Amend the bill by replacing all after the enacting clause with the following:

1 State Annuity Accumulation Fund; Contributions of Employer. Amend RSA 100-A:16, II(b), (c) and (d) to read as follows:

(b) The contributions of each employer for benefits under the retirement system on account of group II members shall consist of a percentage of the earnable compensation of its members to be known as the "normal contribution", and an additional amount to be known as the "accrued liability contribution"; provided that any employer, other than the state, shall pay 65 percent of such total contributions and 35 percent thereof shall be paid by the state; and provided further that, in case of group II members employed by the state, the state shall pay both normal and accrued liability contributions. The rate percent of such normal contribution in each instance shall be fixed on the basis of the liabilities of the system with respect to the particular members of the various member classifications as shown by actuarial valuations, except as provided in subparagraphs (h) and (i). *With respect to the balance of the unfunded accrued liability attributable to the state for group II members, as of June 30, 1994, such balance shall be funded prospectively as an additional normal contribution percentage as determined by the actuary. Such additional normal contribution percentage shall be assessed against the state payroll for the respective group II members until such time as the unfunded accrued liability is fully funded.*

(c) The contributions of each employer for benefits under the retirement system on account of group I members shall consist of a percentage of the earnable compensation of its members to be known as the "normal contribution", and an additional amount to be known as the "accrued liability contribution"; provided that, in the case of teachers, any employer, other than the state, shall pay 65 percent of such total contributions and 35 percent thereof shall be paid by the state; and provided further that in case of teacher members employed by the state the state shall pay both normal and accrued liability contributions. The rate percent of such normal contribution in each instance shall be fixed on the basis of the liabilities of the system with respect to the particular members of the various member classifications as shown

by actuarial valuation, except as provided in subparagraphs (h) and (i). *With respect to the balance of the unfunded accrued liability attributable to the state for group I members, as of June 30, 1994, such balance shall be funded prospectively as an additional normal contribution percentage as determined by the actuary. Such additional normal contribution percentage shall be assessed against the state payroll for the respective group I members until such time as the unfunded accrued liability is fully funded.*

(d) [Commencing with the date of establishment and until the amount of the unfunded accrued liability has been established, the board of trustees shall determine the percentage normal contribution rate on account of each member classification as the uniform and constant percentage of the earnable compensation of the average new entrant member which, if contributed on the basis of the member's earnable compensation throughout the entire period of active service, would be sufficient to provide for the payment of any state annuity payable on the member's account from contributions by the employer. Commencing with the valuation as of June 30, 1969, the percentage normal contribution rate shall be determined after each actuarial valuation as the rate percent of the earnable compensation of all members obtained by deducting from the total liabilities of the state annuity accumulation fund on account of each member classification the amount of the unfunded accrued liability and the total amount of the funds in hand to the credit of the respective member classification in that fund, subject to subparagraph (h), and dividing the remainder by one percent of the present value of future compensation of all members within the appropriate member classification]. Commencing with the valuation as of June 30, 1983, the actuary in determining the percentage normal contribution rate may include a projection of the membership, earnable compensation and assets of the retirement system from the valuation date to the beginning of the year to which such percentage normal contribution rate is applicable; or the actuary may base such determination on the anticipated level of contribution[, over and above any accrued liability contribution,] as is necessary to maintain such reasonable actuarial funded ratio as may be directed by the board of trustees, and for purposes of this determination the actuarial funded ratio shall be the ratio of the fair market value of the retirement system's assets to the present value of accumulated benefits under the retirement system for all members, but without regard to any future compensation increase.

2 Total Amount Payable to State Annuity Accumulation Fund; Accrued Liability Contribution. Amend RSA 100-A:16, II(f) to read as follows:

(f) The total amount payable to the state annuity accumulation fund in each year on account of each member classification shall not be less than normal contribution rate multiplied by the total compensation earnable by all members in such classification for such year, plus the amount of the accrued liability contribution necessary to liquidate the unfunded accrued liability on behalf of such classification as determined by the actuary under subparagraph (e) above *including such additional normal contribution percentages as determined by the actuary to be paid by the state under subparagraphs (b) and (c) above.*

3 Certification of Unfunded Accrued Liability. Amend RSA 100-A:16, III(a) to read as follows:

(a) On or before the first day of October next preceding each regular session of the state legislature, the board of trustees shall certify to the commissioner of administrative services the amounts which will become due and payable by the state during the biennium next following to the retirement system and it shall be the duty of the commissioner of administrative services in preparing the executive budget for each ensuing biennium to include in the budget the amounts so certified which amounts shall be appropriated by the legislature. *The amounts so certified under this subparagraph shall include the unfunded accrued liability of the retirement system.*

4 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

Each October, the retirement system board of trustees certifies to the commissioner of administrative services the amounts which are payable by the state to the retirement system as its employer contribution. This bill requires the board of trustees to include the retirement system's unfunded accrued liability in the amount certified.

Beginning on June 30, 1994, the bill also requires the balance of the unfunded accrued liability for group I and group II retirement system members to be funded prospectively as an additional normal contribution percentage as determined by the actuary, and assessed against the state payroll for group I and group II members until such time as the unfunded accrued liability is fully funded.

Adopted.

Report adopted and referred to Appropriations.

HB 1448-FN, requiring that certain documents and publications be included in the state depository law. **INEXPEDIENT TO LEGISLATE**

Rep. John J. Sytek for Executive Departments and Administration: The committee recommendation of Interim Study is a temporizing measure. The committee expects to have an amendment ready in time for an upcoming House session. Therefore, this report is written as though our recommendation is Ought to Pass with Amendment. Today, if you were to look up some law or administrative rule in the state library, you might find that the text of that law or rule refers to some other document. If you then were to go looking for the document that had been referred to, you might be unpleasantly surprised to find that that document is not in the library - even though that document has been "incorporated by reference" into the law or rule and has the force of law. Don't you hate when that happens? This bill requires that any such referred to document actually be in the library or be reasonably accessible to the public. The bill also tries to keep up with the times by requiring certain agency data bases to be deposited with the state library, and expanding the definition of state publications. Vote 15-1.

Rep. Kathleen Ward moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Adopted.

The Committee offered a floor amendment.

Floor Amendment (5232B)

Amend the bill by replacing all after the enacting clause the following:

1 New Paragraph; Deposit With State Library of Publications Adopted by Reference. Amend RSA 201-A:18 by inserting after paragraph II the following new paragraph:

III.(a) The head of every state agency, as defined in RSA 541-A:1, II, every legislative commission, and any commission operating under executive order shall deliver to the state library one copy of any publication which is adopted by reference or cited in the statutes for which the agency or commission is responsible or which is incorporated by reference in administrative rules adopted by the entity. The copy of any publication to be delivered to the state library under the provisions of this paragraph shall be delivered on or before the effective date of the statute or administrative rule in which it is adopted by reference, cited, or incorporated by reference.

(b) A state agency, legislative commission, or commission operating under executive order shall not be required to deliver to the state library one copy of any publication as provided in subparagraph (a) if:

(1) The state librarian certifies to the agency or commission that the publication is already on deposit at the state library; or

(2) The state librarian certifies that the publication does not warrant deposit in the state library when the anticipated demand and cost of the publication are considered; provided, however, that in order for this exception to apply, the agency or commission which is responsible for providing the publication shall certify to the state librarian that any such publication is reasonably accessible to the public at the agency or the commission.

2 New Paragraph; Access to State Agency Databases. Amend RSA 202-B:2 by inserting after paragraph II the following new paragraph:

III. A state agency, on the request of the state librarian, shall provide access by state depository libraries to any data base maintained by the agency which contains information available to the public as defined by RSA 91-A. Access shall be provided either directly by the agency via the state library's telecommunications network or by providing the state library with a current copy of the data base in machine readable format. If provided the data base, the state library shall be responsible for providing access by the state depository libraries.

3 Definition of State Publication and Data Base. RSA 202-B:3 is repealed and reenacted to read as follows:

202-B:3 Definitions. In this chapter:

I. "State publication" or "publication" includes any book, audiotape, brochure, bulletin, code, compilation, directory, document, hearing, informational handout, leaflet, list, map, magazine, memorandum, newsletter, order, pamphlet, periodical, register, regulation, report, serial, special report, statistical report, or videotape regardless of whether the publication is in paper, film, microform, tape, disk, compact disk or other electronic format issued by, in the name of or at the request of state constitutional officers, or any department, division, commission, or other agency of the state, or produced and issued as part of a contract with any private person or business organization other than the state which is entered into by any agency of the state. "Publication" also includes the house and senate daily journals and calendars, joint and concurrent resolutions and bills.

II. "Data base" means a collection of information in machine readable form which is retrievable by a computer and which is maintained by or for a state agency. "Data base" also includes the general court information system.

4 New Subparagraph; Administrative Rulemaking; Filing Matter Incorporated by Reference. Amend RSA 541-A:2, II by inserting after subparagraph (c) the following new subparagraph:

(d) deposit one copy of any publication incorporated by reference with the state library, in accordance with the provisions of RSA 201-A:18, III and RSA 541-A:3-f.

5 New Paragraph; Administrative Rulemaking; Filing Adopted Rule. Amend RSA 541-A:3-f by inserting after paragraph III the following new paragraph:

IV. When the agency files an adopted rule it shall also certify in a letter to the director of legislative services that one copy of the text of the publication incorporated by reference has been deposited with the state library, in accordance with the provisions of RSA 201-A:18, III.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill amends the state depository laws by:

(1) Requiring every state agency or commission to deliver to the state library one copy of every publication which is adopted by reference or cited in the statutes or incorporated by reference in administrative rules for which the agency or commission is responsible. The bill also provides specific exceptions to this requirement.

(2) Adds a definition of data base, and requires state agencies, upon the request of the state librarian, to provide access by state depository libraries to data bases maintained by the agency.

(3) Redefines "state publication" to include publications which are available other than in a printed format.

Rep. John Sytek spoke in favor.

Adopted.

Report adopted and ordered to third reading.

HB 1548, relative to medical and surgical benefits for state employees. REFER FOR INTERIM STUDY

Rep. Merton S. Dyer for Executive Departments and Administration: This bill contains some very important references to employees medical and surgical benefits which require the attention of the Legislature. The committee feels that the questions raised by this bill can be addressed in a timely manner if the bill is returned to the committee with an affirmative vote of interim study. Vote 14-0.

Rep. Kathleen Ward moved that the words Ought to Pass with Amendment for the report of the Committee, Refer for Interim Study.

Adopted.

The Committee offered a floor amendment.

Floor Amendment (5228B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Employees Eligible for Medical and Surgical Benefits. Amend RSA 21-I:30 by inserting after paragraph V the following new paragraphs:

VI. The provisions of this paragraph shall apply notwithstanding any other provision of this section to the contrary. Each state employee who has at least 10 years of creditable service for the state on June 30, 1989, but who is not 60 years of age at the time of retirement, shall be eligible to receive medical and surgical benefits under this section at the employee's own expense. When the state employee reaches age 60, the state employee shall be defined as a "retired employee" for the purpose of being eligible to receive medical and surgical benefits under this section.

VII. The provisions of this paragraph shall apply beginning on July 1, 1994. Notwithstanding any other provision of this section to the contrary, no state employee shall be defined as a "retired employee" for the purpose of being eligible to receive medical and surgical benefits under this section if the person is gainfully employed after his retirement by a private employer who provides medical and surgical benefits for which the person is eligible. This prohibition shall apply as long as the person is employed by such an employer who continues to provide medical and surgical benefits.

2 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill allows a state employee who has 10 years of creditable service on June 30, 1989, but who retires before reaching age 60, to be eligible to receive state medical and surgical benefits at the employee's own expense. Once the state employee reaches age 60, the person is defined as a "retired employee", and the state pays the premium for such benefits.

Beginning on July 1, 1994, the bill also prohibits a retired state employee from receiving state medical and surgical benefits as long as the person is gainfully employed after retirement by a private employer who provides medical and surgical benefits.

Rep. Kathleen Ward spoke in favor and yielded to questions.

Adopted.

Rep. Hawkins offered a floor amendment.

Floor Amendment (5242B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to medical and surgical benefits for state employees and
establishing a committee to study eligibility requirements
for receiving state medical and surgical benefits.

Amend the bill by replacing all after the enacting clause with the following:

1 Employees Eligible for Medical and Surgical Benefits. Amend RSA 21-I:30, II(c) to read as follows:

(c) Is [but for the provisions of 1989, 376:10,] otherwise eligible to receive medical and surgical benefits under this section notwithstanding subparagraphs (a) and (b), and paragraph IV, on June 30, 1989, and who retires between July 1, 1989, and June 30, [1994] 1996; or

2 Committee Established to Study Eligibility for Receiving State Medical and Surgical Benefits. A committee is established to study the eligibility requirements which state employees must meet in order to be eligible to receive state medical and surgical benefits.

3 Membership and Compensation.

I. The members of the committee established in section 2 of this act shall be as follows:

- (a) Two members of the house of representatives, appointed by the speaker of the house.
- (b) Two members of the senate, appointed by the president of the senate.
- (c) One member appointed by the governor.
- (d) One member appointed by the State Employees Association, Inc.

II. Members of the committee shall not be compensated; however, legislative members shall receive mileage at the legislative rate.

4 Duties.

1. The committee established in section 2 of this act shall have the authority to study all aspects of the eligibility requirements which state employees must meet in order to be eligible to receive state medical and surgical benefits. The study shall include, but shall not be limited to:

(a) Extending the date by which certain state employees must retire.

(b) Extending eligibility for state medical and surgical benefits to certain state employees who were not required to join the retirement system.

II. The committee shall have full power and authority to require from the several state departments, agencies, and officials of the state and the political subdivisions of the state such information and assistance as it may deem necessary.

5 Chair; Quorum. The members of the study committee established in section 2 of this act shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this act. Four members of the committee shall constitute a quorum.

6 Report. The committee established in section 2 of this act shall report the results of its study, including its findings and recommendations and any proposed legislation to the governor, the senate president, and the speaker of the house of representatives no later than November 1, 1994, for submission in the 1995 legislative session.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill extends the date by which certain state employees must retire in order to be eligible to receive medical and surgical benefits from June 30, 1994, to June 30, 1996.

The bill also establishes a committee to study the eligibility requirements which state employees must meet in order to be eligible to receive state medical and surgical benefits. The committee must file its report, together with any proposed legislation, no later than November 1, 1994.

Reps. Hawkins, Dickinson and Trombly spoke in favor and yielded to questions.

Rep. Dyer spoke against.

Rep. Kathleen Ward spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the floor amendment.

Rep. Christie wished to be recorded in favor of the floor amendment.

HB 1374, requiring the department of transportation to study United States Route 4 between New Hampshire route 108 and Scammel Bridge. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Chandler for the Majority of Public Works: There is consensus that improvements are sorely needed from Durham to the west end of the Scammel bridge, which will be replaced in Fiscal Year 1995. Under the Intermodal Surface Transportation Efficiency Act (ISTEA)-mandated Transportation Improvement Program (TIP) process the Seacoast Metropolitan Planning Organization (MPO) placed this project in the 2001 or later time frame when fiscal constraints were imposed. ISTEA final rules issued on October 22, 1993, require that the Statewide Transportation Improvement Program (STIP) preserve the MPO priorities, and this requirement was satisfied for the first three years, which is the time period required by

ISTEA. There was not sufficient time to reconcile priorities in the years beyond 1997. Two other opportunities are available to supporters of this project; (1) During legislative hearings on the STIP (to be submitted by the governor on February 15, 1994), this study could be substituted for another project in that MPO region, and (2) the next update of the MPO TIP will commence in July 1994, at which time projects starting in FY 1997 will be considered at the regional level again. Vote 13-4.

Rep. Katherine D. Rogers for the Minority of the Committee of Public Works: Between January 1988 and December 1992, U.S. Route 4 between Route 108 and Scammel Bridge has seen 234 accidents, 13 of which were fatal and 92 of which resulted in injuries. House Bill 1374 would provide for a safety study of this six-mile stretch of highway to identify possible methods of mitigating accidents. A proposed amendment would have made a \$1 appropriation to the Department of Transportation to signal the Legislature's concern for the safety of this highway should additional funds become available.

Rep. Wall spoke against and yielded to questions.

Rep. John Chandler spoke in favor and yielded to questions.

On a division vote, 204 members having voted in the affirmative and 111 in the negative, the report was adopted.

HB 1571-A, appropriating funds for renovations to the Brown building. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Leon Calawa, Jr. for the Majority of Public Works: The committee voted 13-6 to recommend the rehabilitation of the Brown Building. This was in the 1993 Capital Budget, but was taken out in HB 27. The engineering for the building was left in and will be completed along with the Hospital Study Committee report in late summer. The bill allows the state to stop letting good buildings stay vacant and will let the state make use of one of these unused buildings. It will also save the state \$90,000 to \$100,000 yearly for the lease of this much-needed space. Vote 13-6.

Rep. Katherine D. Rogers for the Minority of Public Works: On July 7, 1993, Governor Merrill vetoed House Bill 25, the Capital Budget. According to the Governor, in a July 9, 1993 letter to House members, he did so "for only one reason, because in my view it spends more money than we can afford." Governor Merrill further stated "I look forward to working with legislative leadership to address my concerns and to draft a revised Capital Budget that I will sign. I believe New Hampshire taxpayers will greatly benefit from such a process." The result was that House Bill 27-A passed the House in September 1993 and reduced the Capital Budget appropriations for design and renovations of the Brown Building. The Minority believes that HB 1571-A circumvents the process established by this House. Why can we afford this expenditure today when it was too expensive in September?

Rep. Katherine Rogers moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass and spoke in favor.

Reps. Gene Chandler and Calawa spoke against and yielded to questions.

Rep. Borsa spoke in favor.

Rep. Donna Sytek spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

SUSPENSION OF RULES

Reps. Ann Torr and Trombly moved that the Rules be so far suspended as to permit consideration at the present time without the proper notice of **HB 1135**, granting marital masters limited powers to impose penalties for contempt and introduction and consideration of **HR 55**, requesting an opinion of the Supreme Court justices concerning the constitutionality of **HB 1135**.

Adopted by the necessary two-thirds.

HB 1135, granting marital masters limited powers to impose penalties for contempt.
DOUGHT TO PASS WITH AMENDMENT.

Rep. Edward M. Gordon for Judiciary.

The Committee offered a floor amendment.

Floor Amendment (4692B)

Amend the title of the bill by replacing it with the following:

AN ACT

granting marital masters limited powers to
impose penalties for civil contempt.

Amend RSA 491:23-a as inserted by section 1 of the bill by replacing it with the following:

491:23-a Marital Master; Enforcement of Orders.

I. Marital masters shall have the power to enforce orders and decrees in marital matters that have been approved by the superior court by adjudicating a person in civil contempt for:

- (a) Failure to appear in response to a notice or summons.
- (b) Failure to comply with court orders.
- (c) Refusal to answer questions or to produce evidence.

II. The marital master may order the person incarcerated for such contempt, pending review by a justice of the superior court, no later than 72 hours from the commencement of said incarceration.

AMENDED ANALYSIS

This bill grants marital masters limited powers to impose penalties for civil contempt, including incarceration, to enforce orders and decrees which have been approved by the superior court.

Rep. Lown spoke in favor.

Adopted.

LAIID ON THE TABLE

Rep. Lockwood moved that **HB 1135**, granting marital masters limited powers to impose penalties for civil contempt be laid upon the table.

Adopted.

INTRODUCTION OF HOUSE RESOLUTION

HR 55, requesting an opinion of the justices concerning the constitutionality of **HB 1135**.
(Gordon, Graf 8; Lown, Hills 14; Lockwood, Merr 9: Judiciary)

HOUSE RESOLUTION NO. 55

requesting an opinion of the justices concerning
the constitutionality of **HB 1135**.

Whereas, there is pending in the house, **HB 1135**, "An Act granting marital masters limited powers to impose penalties for contempt;" and

Whereas, an amendment has been proposed to **HB 1135**; and

Whereas, RSA 491:23-a as proposed by **HB 1135** as amended would grant marital masters the power to enforce orders and decrees in marital matters that have been approved by the superior court by adjudicating a person in civil contempt; and

Whereas, RSA 491:23-a as proposed by HB 1135 as amended would allow the marital master to order the person incarcerated for such contempt, pending review by a justice of the superior court; and

Whereas, a question has arisen as to the constitutionality of the provisions of the bill; and Whereas, it is important that the question of the constitutionality of said provisions be settled in advance of its enactment; now, therefore, be it

Resolved by the house:

That the justices of the Supreme Court be respectfully requested to give their opinion on the following question of law:

1. Would enactment of HB 1135, as amended, granting marital masters limited powers to impose penalties for civil contempt, including incarceration, vest such power and authority in marital masters that they would be considered judicial officers subject to the nomination and appointment provisions of Part II, Article 46 of the New Hampshire Constitution?

That the clerk of the House of Representatives transmit copies of this resolution and HB 1135 and the amendment to HB 1135 to the justices of the New Hampshire Supreme Court.

Rep. Harwell spoke against.

Reps. Kennedy and Lockwood spoke in favor.

Adopted and ordered to third reading.

SPECIAL ORDERS (Cont'd.)

HB 1492-FN, establishing a procedure for the licensing of independent contractors and setting certain fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gary L. Daniels for Labor, Industrial and Rehabilitative Services: This bill establishes criteria for determining who is an independent contractor, as opposed to an employee, regarding workers' compensation eligibility. Those identified as independent contractors will be required to register with the Secretary of State prior to commencement of work. Vote 11-1.

Rep. Wright moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

DEBATE LIMITED

Reps. Dickinson and Hawkins moved that debate on the substitute motion of Refer for Interim Study on HB 1492 be limited to 30 minutes, equally divided, with with time for questions charged to the member who yields.

Adopted.

Rep. Jay Ward spoke against the substitute motion and yielded to questions.

Reps. Hunt and Arthur Smith spoke in favor.

Reps. Merritt and Hawkins spoke against.

Rep. Dickinson spoke in favor and yielded to questions.

On a division vote, 251 members having voted in the affirmative and 62 in the negative, the motion passed.

Substituted report adopted.

RESOLUTION

Rep. Ann Torr offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 10, 1994 at 1:00 p.m..

Adopted.

LATE SESSION

Third reading and final passage

HB 1448-FN, requiring that certain documents and publications be included in the state depository law.

HR 55, requesting an opinion of the justices concerning the constitutionality of HB 1135.

UNANIMOUS CONSENT

Rep. Warburton addressed the House.

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills and enrolling reports only.

Adopted.

The House recessed at 1:25 p.m.

RECESS

(Rep. Welch in the Chair)

COMMUNICATIONS

February 23, 1994

James Chandler, House Clerk

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

David W. Hess, r, Hooksett (156 Pine St.) 03106, Merr 11.

William M. Gardner, Secretary of State

February 17, 1994

Harold W. Burns, Speaker

It is with sincere sadness and regret that I resign as state representative, Hillsborough District 44, effective March 1, 1994.

I have accepted employment with St. Mary's Bank, and will be unable to continue to effectively serve my constituents. I have thoroughly enjoyed the seven years I have served in the House, but can no longer realistically make the financial sacrifices involved. My first consideration must be to my family.

I wish to take this opportunity to publicly thank the people of Ward 8 in Manchester for their tremendous support and encouragement during my time in office.

Rep. Jacquelyn M. Domaingue

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 510, relative to certificate of election blanks, write-in votes, and the emergency interim succession act, and establishing a committee to study the enforcement of the election laws relative to political expenditures and contributions. (Amendment printed SJ 3, 2/3/94)

Rep. Flanagan moved that the House concur.

Adopted.

HB 514, amending the election laws relative to the political calendar and election ballots and the registration and reporting requirements for candidates and political committees. (Amendment printed SJ 3, 2/3/94)

Rep. Flanagan moved that the House concur.

Adopted.

HB 541, relative to the reporting procedures required for disclosure of contributions for candidates and political committees in state elections. (Amendment printed SJ 3, 2/3/94)

Rep. Flanagan moved that the House concur.

Adopted.

PARLIAMENTARY SITUATION

The Speaker explained that the Senate passed and the House accepted four bills that, under House Rule 34(b), need a two-thirds majority for the House to introduce because substantially similar legislation was killed by the House last session.

Rep. Trombly spoke in favor of allowing introduction.

Rep. Ann Torr spoke against.

RESOLUTION

Rep. Ann Torr offered the following: **RESOLVED**, that Senate Bill numbered 595, changing the name of Civil Rights Day to Martin Luther King, Jr. Civil Rights Day, shall be by this resolution read a first and second time and referred to the Committee on Executive Departments & Administration.

Roll call request sufficiently seconded. The question being the introduction of SB 595.

SPECIAL ORDERS

HB 1243, requiring "johns" to publish their convictions in local newspapers. REFER FOR INTERIM STUDY

Rep. Patricia A. Hambrick for Corrections and Criminal Justice: The committee would like to take the time to explore this very important, but delicate, subject more thoroughly. Vote 13-0. Adopted.

HB 1521-FN, restricting the courts' penalties for civil and criminal contempt. INEXPEDIENT TO LEGISLATE

Rep. Robert A. Lockwood and Rep. Benjamin J. DePecol for Judiciary: This bill arises from a court decision that was unfavorable to the sponsor who initially testified that he was incarcerated for "failure to sign some papers." Upon questioning, sponsor acknowledged that "the papers" would have returned property in his deceased mother's estate to the Office of the Public Guardian as ordered by the court after due process. Testimony also indicated that the power to incarcerate for contempt is a powerful tool by which the courts achieve compliance with court orders. This tool would be lost if the bill passes. Vote 15-0.

Adopted.

HB 1127, requiring timely mailing of payments or remittances relating to tax liens and tax sales, tax lien and tax sale redemptions, and payments of subsequent taxes. INEXPEDIENT TO LEGISLATE

Rep. Joseph E. Stone for Municipal and County Government: The majority of the committee felt that the statutes presently in force address the issues posed by the sponsor and feel that no additional legislation is required at this time. Vote 15-1.

Rep. William Riley moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Stone spoke against.

The motion failed and the report was adopted.

COMMITTEE REPORTS CONSENT CALENDAR

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 1290-FN, changing the salary of the deputy bank commissioner and replacing the bank commissioner with the state treasurer as an ex officio voting member of the New Hampshire retirement system board of trustees, was removed at the request of Rep. Aranda.

HB 1160, requiring certain questions pertaining to gambling to be included on the official ballot for the 1994 state general election, was removed at the request of Rep. Benjamin Moore.

HB 1400, relative to providing pain relieving medication to individuals who are terminally ill, was removed at the request of Rep. Rose.

HB 1370, repealing the prohibition against including CWIP charges in a public utility's rate base, was removed at the request of Rep. Lucien Bergeron.

HCR 28, issuing an ultimatum to the federal government regarding the national debt, was removed at the request of Rep. Borsa.

Consent Calendar adopted.

HB 1299-FN, permitting the department of revenue administration, with the approval of the joint legislative fiscal committee, to obtain office and working space. **INEXPEDIENT TO LEGISLATE**

Rep. Franklin G. Torr for Appropriations: This bill would have authorized the department of revenue administration to enter into a lease, purchase or lease-purchase agreement to provide office and working space for the department. Subsequent to filing this legislation, the Governor and Council authorized the department of revenue administration to proceed with the same action as the bill authorized. Therefore the bill is not needed. Vote 12-0.

HB 1300-FN-A, requiring the state to pay the cost of superior court bailiffs and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Appropriations: This bill requires the state to pay all costs to the counties of employing superior court bailiffs which are the result of job requirements imposed by federal and state government. This provision becomes effective July 1, 1995. The committee estimates this cost to be \$150,000 annually. The bill also establishes a study committee to study the subject of increasing the per diem of superior court bailiffs. Vote 18-0.

Amendment (5260B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the state to pay certain costs of employing superior court bailiffs and establishing a committee to study the use of per diem compensation.

Amend the bill by replacing all after the enacting clause with the following:

1 Costs Associated With Employing Superior Court Bailiffs. Amend RSA 104:31, XII to read as follows:

XII. For each day any deputy sheriff is employed as a bailiff, he shall be paid \$50 a day plus traveling expenses to attend to any official business. *The state shall reimburse the counties for all costs associated with employing superior court bailiffs if those costs are the result of job requirements imposed by federal and state governments.*

2 Committee Established to Study Per Diem Compensation. A committee is established to study the use of per diem compensation by state boards, commissions and their members, and the state to compensate superior court bailiff.

3 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) One member of the house appropriations committee, appointed by the speaker of the house.

(b) One member of the house executive departments and administration committee, appointed by the speaker of the house.

(c) One member of the senate appropriations committee, appointed by the president of the senate.

(d) One member of the senate executive departments and administration committee, appointed by the president of the senate.

(e) One member representing the executive branch, appointed by the governor.

II. Members of the committee shall not be compensated; however, legislative members shall receive mileage at the legislative rate.

4 Duties.

I. The committee shall have the authority to study all aspects of the compensation which is received by the members of state boards and commissions and by superior court bailiffs. The study shall include, but shall not be limited to:

(a) A review and analysis of the use of per diem compensation.

(b) The different boards and commissions which provide per diem compensation.

(c) The different rates of per diem compensation which are provided.

(d) How the current practice works, with any recommendations for changes.

II. The committee shall have full power and authority to require from the several state departments, agencies, and officials of the state and the political subdivisions of the state such information and assistance as it may deem necessary.

5 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among its members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this act. Three members of the committee shall constitute a quorum.

6 Report. The committee shall report the results of its study, including its findings and recommendations and any proposed legislation, to the governor, the senate president, and the speaker of the house of representatives no later than November 1, 1994, for submission in the 1995 legislative session.

7 Effective Date.

I. Section 1 of this act shall take effect July 1, 1995.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the state to pay all costs to the counties of employing superior court bailiffs which are the result of job requirements imposed by federal and state government.

This bill establishes a committee to study the use of per diem compensation by state boards and commissions to compensate their members and by the state to compensate superior court bailiffs. The committee must file its report, together with any proposed legislation, no later than November 1, 1994.

HB 1580-FN-A, increasing the funds appropriated to finance the gubernatorial transition.
OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Wheeler for Appropriations: It was felt by the Committee that transition is an expense that is appropriately the state's and therefore to protect the integrity of the system should be funded by the state. In addition, no other funds may be expended for transition; however, donated services may be received. Vote 12-0.

Amendment (5373B)

Amend the bill by replacing all after the enacting clause with the following:

1 Executive Office; Financing Transition. Amend 1993, 349:1.01, 04, 01, 02, 03, class 99 to read as follows:

<i>Fiscal</i>	<i>Fiscal</i>
<i>Year</i>	<i>Year</i>
1994	1995

99 Executive office, transition

\$ [1] 70,000 D

2 New Section; Financing Gubernatorial Transition. Amend RSA 9 by inserting after section 27 the following new section:

9:28 Financing Gubernatorial Transition. Funds which are appropriated to the department of administrative services for a gubernatorial transition shall not be used to finance the transition expenses for an incumbent governor-elect. No other funds, either public or private, shall be expended for this purpose. The governor-elect may, however, accept and use in-kind ser-

vices for transition expenses. In order to accept and use in-kind services for transition expenses, the governor shall file a report with the secretary of state no later than March 1 following the election which details all the in-kind services which were accepted and used for transition expenses.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

At the present time, \$1 is appropriated in the state operating budget for fiscal year 1995 to finance the expenses for the governor-elect's transition. This bill increases the appropriation to \$70,000 for fiscal year 1995 for the governor-elect's transition expenses. The bill also prohibits any funds which are appropriated to the department of administrative services for a gubernatorial transition from being used to finance the transition expenses for an incumbent governor-elect. The governor-elect may, however, accept in-kind services for transition expenses by filing a report with the secretary of state no later than March 1 following the election which details those expenses.

HB 1154, extending the "lemon law" to include recreational vehicles. OUGHT TO PASS WITH AMENDMENT

Rep. Peter F. Wells, Sr. for Commerce, Small Business and Consumer Affairs: This bill establishes a statutory study committee in order to determine if there exists a need to establish a separate arbitration board for the purpose of settling disputes involving recreational vehicles. Vote 12-3.

Amendment (4954B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to study the feasibility of establishing a separate arbitration board for recreational vehicle defects.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established; Duties. A committee is hereby established to study the feasibility of establishing a separate arbitration board for recreational vehicle defects. For the purposes of this study, "recreational vehicle" means any motor home or van which is a portable, temporary dwelling to be used for travel, recreation and vacation, construed as an integral part of a self-propelled vehicle.

2 Membership. The committee shall consist of the following members:

I. Two senators, appointed by the president of the senate.

II. Two house members, appointed by the speaker of the house.

III. One person from the new motor vehicle arbitration board established in RSA 357-D:5, appointed by the board.

IV. One recreational vehicle dealer, appointed by the governor.

V. One person representing the recreational vehicle industry, appointed by the governor.

3 Chair; Meetings. The first meeting of the committee shall be called by the first-named house member within 30 days of the effective date of this act. The chair of the committee shall be chosen by the members at the first meeting.

4 Mileage. Members of the committee shall serve without compensation, except that legislative members shall receive mileage at the legislative rate when attending to their duties on the committee.

5 Report. The committee shall report its findings and recommendations, including any proposed legislation, to the president of the senate, the speaker of the house, and the governor on or before November 1, 1994.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the feasibility of establishing a separate arbitration board for defective recreational vehicles.

The committee shall submit a report of its findings and recommendations to the president of the senate, the speaker of the house, and the governor on or before November 1, 1994.

HB 1363, requiring that, if the posted or advertised sale price of a product is not charged to the customer, the customer receives the product free. **INEXPEDIENT TO LEGISLATE**

Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs: The committee agrees that consumers should receive the accurate price posted or advertised. However, this legislation proposes harsh penalties for innocent errors. There also seems to be many possibilities for fraud if this bill is passed. Vote 14-1.

HB 1130, relative to the qualifications for a state representative to hold office. **INEXPEDIENT TO LEGISLATE**

Rep. Randall F. Shaw for Constitutional and Statutory Revision: This bill was an attempt to specify additional general qualifications only for the office of state representative. It is the consensus of the committee that the state constitution and other laws adequately cover the qualifications for this office. Vote 13-0.

HB 1222, requiring that recounts of certain secret ballot votes take place at the town or school district meeting. **OUGHT TO PASS WITH AMENDMENT**

Rep. David A. Young for Constitutional and Statutory Revision: The committee felt this was an excellent piece of legislation that added requirements that recounts of certain secret ballot votes take place at town or school district meetings immediately following the vote. Vote 17-0.

Amendment (5006B)

Amend RSA 40:4-a, I(b) as inserted by section 1 of the bill by replacing it with the following:

(b) Notwithstanding any other provision of law, on the request of 5 voters, the moderator shall conduct a recount on any vote taken by secret written ballot under subparagraph (a). The recount shall take place immediately following public announcement of the vote taken providing that the vote margin is not more than 10 percent of the total vote cast. There shall be no fee required for a recount under this section.

AMENDED ANALYSIS

This act requires that on request of a certain number of voters the town or school district moderator conduct a recount of a secret ballot vote immediately following public announcement of the vote. The vote margin must be not more than 10 percent of the total vote cast.

HB 1238-L, relative to time computation for purposes of statutory construction. **OUGHT TO PASS WITH AMENDMENT**

Rep. Betsy A. Coes for Constitutional and Statutory Revision: This bill clears up confusion in regards to time computation. It makes the time computation method consistent for the election laws and statutory construction. Vote 16-0.

Amendment (5102B)

Amend the bill by replacing all after the enacting clause with the following:

1 Computation of Time; Statutory Construction. RSA 21:35 is repealed and reenacted to read as follows:

21:35 Time, How Reckoned; Days Included and Excluded. Except where specifically stated to the contrary, when a period or limit of time is to be reckoned from a day or date, that day or date shall be excluded from and the day on which an act should occur shall be included in the computation of the period or limit of time.

2 Time Computation in Elections. Amend RSA 652:18 to read as follows:

652:18 Days *Included and Excluded*.

I. Except where specifically stated to the contrary, when a period or limit of time is to be reckoned from a day or date, that day or date shall be excluded from and the day on which an act should occur shall be [excluded from] included in the computation of the period or limit of time.

II. Whenever the election laws refer to a period or limit of time, Saturdays, Sundays, and holidays shall be included, except as provided in paragraph I. However, when the last day for performing any act under the election laws is a Saturday, Sunday or official state holiday, the act required shall be deemed to be duly performed if it is performed on the following business day.

3 Repeal. RSA 652:19, relative to days included for purposes of the election laws, is repealed.

4 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill amends the uniform system of time computation for the purposes of the election laws and for the purposes of statutory construction to exclude the day or date from which a period of time is to be reckoned in that time period.

HB 1318, relative to reporting requirements for elected officials. **OUGHT TO PASS**

Rep. David A. Young for Constitutional and Statutory Revision: This bill was passed by the legislature last year but died in a committee of conference. This bill changes the reporting requirements which elected officials must meet for income which they receive from gifts, honorariums and testimonials. Vote 16-0.

HB 1451-L, authorizing towns and school districts to vote to allow proxy voting at school district meetings and at town meetings. **INEXPEDIENT TO LEGISLATE**

Rep. Randall F. Shaw for Constitutional and Statutory Revision: The committee unanimously believes this bill would be impossible to implement. The confusion of proxy voting would be very disruptive to town and school district meetings. Vote 13-0.

HB 1566-FN, relative to the duties of the secretary of state, including accounting for certain fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Loren J. Jean for Constitutional and Statutory Revision: This is a housekeeping measure that repeals two obsolete statutes dealing with the duties of the Secretary of State. It makes changes consistent with what is in general practice. It makes the Office of the Secretary of State more accountable. Vote 15-0.

Amendment (5371B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the duties of the secretary of state, including accounting for certain fees,
relative to voting in places which are organized and which are not organized
for voting, and relative to the declaration of intent form
which must be filed by candidates.

Amend the bill by replacing section 3 with the following:

3 Places Organized for Voting. Amend RSA 668:1 to read as follows:

668:1 Organization for Voting. The offices for which the inhabitants of an unincorporated place are entitled to vote shall include: [Electors of the president and vice-president] *President and Vice-President* of the United States, United States senator, United States representative, *governor, executive* councilor, state senator, state representative and county offices. The provisions of the election laws relating to town meetings for the choice of election officers and the conduct of state elections shall apply to unincorporated places organized as provided by RSA 53:1.

4 Places Not Organized for Voting. Amend RSA 668:4 to read as follows:

668:4 Offices Voted For. The offices for which inhabitants of unorganized places are entitled to vote shall include: [Electors of the president and vice-president] *President and Vice-President* of the United States, United States senator, United States representative, *governor, executive* councilor, state senator, state representative, and county offices. The inhabitants of the unorganized places are not entitled to vote for any town or ward offices or on any questions concerning the towns in which they vote.

5 Form of Declarations of Intent. Amend RSA 655:17-a to read as follows:

655:17-a Declaration of Intent; Other Candidates. Declarations of intent for nonparty or other candidates shall be in the following form and signed by the candidate:

I, _____, declare that I am domiciled in Ward ____ in the city (or town or unincorporated place) of _____, county of _____ state of New Hampshire, and am a [qualified] *registered* voter herein;

that I intend to be a candidate for the office of _____ to be chosen at the general election to be held on the _____ day of _____ and I intend to file nomination papers by the deadline established under RSA 655:43. I further declare that, if qualified as a candidate for said office, I shall not withdraw; and that, if elected, I shall be qualified for and shall assume the duties of said office.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill amends the duties of the secretary of state by:

(1) Providing that the province records shall be kept in the state archives rather than in the vaults of the state library.

(2) Repealing the requirement that the secretary of state account for fees received for official acts and pay these fees over to the state treasurer.

(3) Repealing the requirement that the secretary of state prepare certificate of election blanks.

The bill also amends the declaration of intent form which nonparty and other candidates must sign by changing "qualified" voter to "registered" voter, and corrects the list of offices to be voted for under RSA 668 in places which are and which are not organized for voting.

HB 1180, modifying the arson statutes to include wooden covered bridges and increasing the penalty. **OUGHT TO PASS WITH AMENDMENT**

Rep. C. William Johnson for Corrections and Criminal Justice: Under current law it is a Class B felony to burn a covered bridge. This bill increases the penalty to a Class A felony and broadens the definition of covered bridges to include "historic structures" as determined by the Department of Cultural Affairs. Vote 12-0.

Amendment (5092B)

Amend the title of the bill by replacing it with the following:

AN ACT

modifying the arson statutes to include historic structures
and increasing the penalty.

Amend the bill by replacing all after the enacting clause with the following:

1 Arson; Historic Structure Added. Amend RSA 634:1, II to read as follows:

II. Arson is a class A felony if the property damaged is an occupied structure [and the actor knew it was an occupied structure] *or an historic structure*.

2 New Subparagraph; Arson; Definition Added. Amend RSA 634:1, V by inserting after subparagraph (c) the following new subparagraph:

(d) "Historic structure" means any structure listed, or determined by the department of cultural affairs to be eligible for listing, in the National Register of Historic Places, or designated as historic under state or local law.

3 Effective Date. This act shall take effect January 1, 1995.

HB 1227, allowing insurance companies, which indemnify victims, restitution for damage caused by certain criminal acts. **OUGHT TO PASS WITH AMENDMENT**

Rep. C. William Johnson for Corrections and Criminal Justice: This bill authorizes restitution to both the victim and the insurer in criminal cases. In those cases in which restitution has been ordered to be paid to the victim and the insurer in installments, the victim's claim shall be paid before the claim of the insurer. Vote 12-0.

Amendment (4886B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing insurance companies, which indemnify victims, restitution for
damage caused by certain criminal acts and establishing priority
rights as between such victim and the indemnifying entity.

Amend the bill by replacing all after the enacting clause with the following:

1 Allowing Indemnification of Insurance Companies. Amend RSA 651:62, V to read as follows:

V. "Restitution" means moneys, compensation, work or service to be reimbursed by the offender to the victim who suffers personal injury, death or economic loss *or to any collateral source subrogated to the rights of the victim, which indemnifies a victim for personal injury, death or economic loss* under this subdivision.

2 Priority Rights. Amend RSA 651:64 to read as follows:

651:64 Time and Method of Restitution. When restitution is authorized, the time and method of payment or performance of the services shall be specified by the court. Monetary compensation which is not to be paid in installments or at a later specified time shall be paid to the state department of corrections. *In those cases in which restitution has been ordered to be paid in installments to both the victim of the offense and a subrogee that has indemnified a victim for personal injury, death, or economic loss, the victim's claim shall be satisfied before that of the subrogee.* [In those cases,] The corrections department shall make the disbursement to the claimant, and when monetary restitution is authorized as a condition of probation or parole, the department of corrections shall disburse the funds to the claimant. When monetary restitution is authorized as a condition of a work release program under RSA 651:25, the commissioner of corrections shall disburse the funds to the claimant.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows restitution for damages, caused by certain criminal acts, to insurance companies which indemnify victims.

The bill also provides that in certain circumstances restitution be paid to the victim before the indemnifying entity.

HB 1237, making interference with the duty of a probation or parole officer a crime. OUGHT TO PASS WITH AMENDMENT

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: The bill's sponsor brought a concern before the committee explaining how probation and parole officers had no certainty that interference with their job was a criminal offense. This bill as amended makes a cross reference in the probation/parole statute to RSA 642:1 which lays out how they are protected from interference. Vote 12-0.

Amendment (5068B)

Amend the bill by replacing section 1 with the following:

1 New Section; Probation and Parole Officers; Interference with Duty. Amend RSA 504-A by inserting after section 12 the following new section:

504-A:12-a Interference with the Duty of Probation and Parole Officers; Penalty. Any person who obstructs, intimidates, or interferes with a probation or parole officer in the performance of such officer's duties shall be guilty of obstructing government administration under RSA 642:1.

HB 1247, allowing a police officer to arrest a drunk driver outside such officer's jurisdiction on the property of a medical facility in certain circumstances. OUGHT TO PASS WITH AMENDMENT

Rep. Andrew Christie, Jr. for Corrections and Criminal Justice: This bill narrowly expands RSA 265:83, drunk driver arrest without a warrant, to include the property of a medical facility in another jurisdiction. This bill allows a police officer to make an arrest for a DWI accident at a medical facility outside of his jurisdiction. Vote 12-0.

Amendment (5040B)

Amend RSA 265:83 as inserted by section 1 of the bill by replacing it with the following:

265:83 Arrest Without a Warrant. Notwithstanding any other *statutory* provision of law to the contrary, a [peace officer] *law enforcement officer* may, without a warrant, arrest any person involved in a traffic accident when the officer has probable cause to believe that such person [has violated the provisions of RSA 265:82 or 82-a] *has committed an offense, an element of which is driving under the influence of intoxicating liquors, controlled drugs or both. Notwithstanding any statutory provision of law to the contrary, a law enforcement*

officer may make such an arrest in such officer's own jurisdiction or on the property of any medical facility in another jurisdiction where the person or others are taken for treatment for injuries suffered in such traffic accident.

HB 1315, relative to annulments of criminal records of persons who have served a term of imprisonment. INEXPEDIENT TO LEGISLATE

Rep. Ronald G. Russell for Corrections and Criminal Justice: The basic subject matter of this bill was included in the amendment to House Bill 1232. This bill related to annulments of criminal records of persons who have served a term of imprisonment. Vote 13-0.

HB 1359, increasing the penalties for certain DWI offenses and repealing the multiple DWI intervention program. INEXPEDIENT TO LEGISLATE

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill had problems too numerous to list. The committee felt that New Hampshire's DWI penalties, consisting of a combination of treatment and punishment, are well thought out and suited to the problem that DWI offenses present. While the committee believes that changes may be made, the idea of reversing our policy seems to imply that it is not effective. Clearly that is not the case. Vote 13-0.

HB 1376, making the act of taking a motor vehicle with the intent to deprive the owner for 24 hours or more a class B felony. INEXPEDIENT TO LEGISLATE

Rep. Donald W. Gorman for Corrections and Criminal Justice: The committee felt that the matter was better covered in Senate Bill 542 which has been referred to this committee. Vote 12-0.

HB 1487-FN, relieving county attorneys of responsibility for criminal prosecutions and requiring the governor to appoint state attorneys responsible to the attorney general for such purposes. INEXPEDIENT TO LEGISLATE

Rep. Andrew Christie, Jr. for Corrections and Criminal Justice: This bill would have substantially changed the structure of prosecution in our state. The committee agrees that there is merit to taking a serious look at prosecution. HB 1550 which dealt in a different way with the same subject matter has been made into a study committee that will take a look at prosecution as a whole statewide. Vote 12-0.

HBI 20, a mandatory sentence for DWI offenders who commit negligent homicide. INEXPEDIENT TO LEGISLATE

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This House Bill of Intent requested the committee to study whether or not a mandatory sentence was needed for negligent homicide as a result of alcohol. The committee felt that the current increased penalty of a Class A felony was appropriate. Vote 12-0.

HB 1156, allowing the school board to provide transportation to certain pupils when directed by a vote of the school district meeting. INEXPEDIENT TO LEGISLATE

Rep. Karen K. Hutchinson for Education: This legislation is unnecessary as it duplicates current law found in RSA 189:6. Vote 16-0.

HB 1210, requiring cooperative school districts to base part of their costs on a town's valuation. INEXPEDIENT TO LEGISLATE

Rep. Nils H. Larson, Jr. for Education: Three options currently exist to apportion school costs within a cooperative school district. This bill modifies one option by removing the vote of the school district and substituting a state formula. Vote 17-0.

HB 1293, amending the charter of the Union school district of Keene. OUGHT TO PASS

Rep. Richard L. Champagne for Education: This bill will permit the Union School District of Keene to elect the moderator and district clerk to three year terms as provided by law, RSA 671:6a. Vote 16-0.

HB 1301, changing the notification deadline for teachers who are not renominated or re-elected. REFER FOR INTERIM STUDY

Rep. Suzan L. R. Franks for Education: This bill is an effort to address issues surrounding the notification deadlines for renomination of teachers in New Hampshire. It is believed that

this situation has caused distress particularly to the cities operating on a fiscal year calendar, and therefore the Education Committee would like to study this further to seek a resolution. Vote 17-0.

HB 1343, establishing a study committee to examine the development of interactive communication systems among the public schools in the state. OUGHT TO PASS WITH AMENDMENT

Rep. Susan B. Durham for Education: This bill establishes a committee to investigate methods of interactive communication and develop a plan for implementing such technology among the public schools. Vote 17-0.

Amendment (4920B)

Amend paragraph VI as inserted by section 1 of the bill by replacing it with the following:

VI. One representative of the cable industry, appointed by the New England Cable Television Association.

Amend section 1 of the bill by inserting after paragraph XII the following new paragraphs:

XIII. The commissioner of postsecondary technical education, or designee.

XIV. One public high school student who is familiar with communication technology, appointed by the New Hampshire Association of School Principals.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

HB 1581, establishing a committee to study the University of New Hampshire cooperative extension, and changing the name of the extension service to "University of New Hampshire cooperative extension." OUGHT TO PASS WITH AMENDMENT

Rep. Stanley N. Searles, Sr. for Education: This bill merely establishes a committee to study U.N.H. cooperative extension programs and its relation to state, county and federal and to see if the name should be changed to meet differences that have been reflected in the federal statute. Vote 15-0.

Amendment (5180B)

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect upon its passage.

HB 1390, establishing a committee to study issues related to the New Hampshire/Vermont solid waste district created under RSA 53-D. OUGHT TO PASS WITH AMENDMENT

Rep. Betty B. Hall for Environment and Agriculture: After consulting with House and Senate legislators who represent the municipalities of the New Hampshire/Vermont Solid Waste District, this legislation puts responsibility for developing a solution on the people most involved. Vote 14-0.

Amendment (5237B)

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is hereby established a committee to study the financial crisis surrounding the New Hampshire/Vermont solid waste project and its effect on member New Hampshire municipalities. The committee, in cooperation with the Vermont legislative council, shall investigate the events and factors that have led to this situation. The committee shall determine what actions, if any, might be taken to benefit the affected municipalities or to avoid similar problems in the future by other municipalities. The committee shall also study the past and present state policies and actions relative to the formation and management of this district.

2 Membership. The New Hampshire/Vermont solid waste project study committee shall consist of the following members:

1. Four members of the house, who shall be representatives from the member municipalities of Acworth, Center Harbor, Claremont, Cornish, Croydon, Goshen, Grantham, Langdon, Lempster, Meredith, New London, Newport, Plainfield, Springfield or Sunapee, appointed by the speaker of the house.

II. Two members of the house environment and agriculture committee who do not represent any of the member municipalities, appointed by the speaker of the house. The first member appointed shall chair the committee and be a nonvoting member, except in the event of a tie vote.

III. One member of the senate, appointed by the senate president.

3 Meetings.

I. The first meeting of the committee shall be held no later than 14 days after the appointment of the membership.

II. At least one committee meeting shall be held in Claremont.

III. Notice of all meetings shall be published in 2 newspapers of general circulation in the New Hampshire/Vermont solid waste project area.

4 Report. The committee shall submit a report, including recommendations for legislation, to the speaker, senate president, and governor no later than November 1, 1994.

5 Mileage. Members shall receive mileage at the legislative rate.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the financial crisis surrounding the New Hampshire/Vermont solid waste project and its effect on member New Hampshire municipalities.

HB 1124, extending the maximum time to exercise the option for jury or non-jury trial under the pilot program eliminating trial de novo in misdemeanor cases in Rockingham county. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert E. Murphy for Judiciary: Most district courts hold arraignments on Monday and this bill would add one day to the 20 days allocated to the defendant to choose between a trial before the court or a jury trial in order to prevent the final day from falling on a week-end. Vote 13-0.

Amendment (5241B)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

HB 1244, repealing the Uniform Photographic Copies of Business and Public Records as Evidence Act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Deborah L. Woods for Judiciary: HB 1244 as amended, repeals certain RSAs that are now contained in the New Hampshire Rules of Evidence. Some are obsolete. This is a house-keeping bill intended to keep procedural rules in one place. No statute with substantive rights is effected. Vote 11-1.

Amendment (4729B)

Amend the title of the bill by replacing it with the following:

AN ACT

repealing the Uniform Photographic Copies of Business and Public Records as Evidence Act and repealing certain provisions regarding witness testimony and admissibility of evidence.

Amend the bill by replacing section 1 with the following:

1 Repeal. The following are repealed:

I. RSA 520, relative to the Uniform Photographic Copies of Business and Public Records as Evidence Act.

II. RSA 516:25, relative to declarations of deceased persons.

III. RSA 516:27, relative to husband and wife.

IV. RSA 516:29, relative to opinions.

V. RSA 516:30, relative to public records.

VI. RSA 516:31, relative to respondents in criminal cases.

VII. RSA 516:32, relative to limitation.

VIII. RSA 516:33, relative to felons.

AMENDED ANALYSIS

This bill repeals RSA 520, the Uniform Photographic Copies of Business and Public Records as Evidence Act. The bill also repeals certain provisions regarding witness testimony and admissibility of evidence.

HB 1287, relative to exemption of pension money and retirement or profit-sharing benefits from the trustee process. **INEXPEDIENT TO LEGISLATE**

Rep. Tyler P. Harwell for Judiciary: This bill would exempt from the claims of creditors most pension assets, if not all. The legislation is worthy in intent, but the committee felt that it would do at least as much harm as good. More harm is done by affording greater protection to debtors, who are fortunate enough to have a pension, private or otherwise, than would be, by leaving the law just as it is! Vote 13-0.

HB 1369, recognizing the legal validity of faxed documents. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert A. Lockwood for Judiciary: This bill authorizes the Judicial Council to study issues regarding the legality of faxed documents relative to the judicial system. There is no public policy on this at the present time and the committee was unanimous in its belief that one should be developed. The report would be submitted to the Speaker of the House, the Senate President, and the Governor. Vote 13-0.

Amendment (5129B)

Amend the title of the bill by replacing it with the following:

AN ACT

requesting the judicial council to study issues regarding faxed documents.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings and Purpose. The general court finds that the dissemination and transfer of information by facsimile transmission is becoming common practice in New Hampshire, because it is a convenient, efficient and less expensive way of providing such information in a timely manner. The general court further finds that there is no statutory policy concerning the validity of documents transmitted by facsimile, leaving state courts, agencies, and the public with no guidance concerning this issue. Therefore, the general court finds that it is desirable that a policy be developed concerning the validity of faxed documents.

2 Study. The general court hereby requests that the judicial council study the issue of the validity of documents transmitted by facsimile, including the development of guidelines for use, standards for equipment, fees for services and such other matters as the council deems appropriate. The council shall submit its report, along with any suggested legislation, to the speaker of the house, the senate president, and the governor by November 1, 1995.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requests the judicial council to study issues regarding documents transmitted by facsimile.

HB 1387, relative to the acceptance of risks in recreational activities for the purpose of determining comparative fault in civil actions. **REFER FOR INTERIM STUDY**

Rep. Janet G. Wall for Judiciary: Immunity in recreational activities is an issue which has been brought to our attention numerous times over the years, and is a topic of some confusion. While this bill does not remove responsibility and is a step in the right direction, the question of liability deserves further study. Vote 14-0.

HB 1389, establishing a study committee to examine lowering physicians' malpractice insurance rates and capping damages awarded in malpractice actions. **INEXPEDIENT TO LEGISLATE**

Rep. Elizabeth A. Moore for Judiciary: While the committee recognizes this is an issue that needs review, there are several other studies being undertaken, including the Governor's Alliance. Another study committee is not needed at this time. Vote 14-0.

HB 1477, changing the judicial district for Thompson and Meserve's Purchase. **OUGHT TO PASS**

Rep. Henry P. Mock for Judiciary: Presently persons apprehended and summoned to court in these two uninhabited Purchases, located off Route 16 near the northeast slopes of the Mount Washington area, must appear in Lancaster District Court. This court is miles around the northern slopes. They must pass by the door of the Gorham District Court. This bill will save some mileage and time for the apprehending authorities and the respondents by allowing them to appear in the Gorham District Court. Vote 12-0.

HB 1576, establishing a procedure for medical decision-making on behalf of patients unable to make decisions for themselves. **INEXPEDIENT TO LEGISLATE**

Rep. Robert A. Lockwood for Judiciary: After a year of study, this bill was proposed as an answer to a problem perceived by health care providers. The problem was, and will continue to be, the lack of a speedy specific process whereby individuals who are incompetent to make medical decisions for themselves, and who do not have an advanced directive, can legally receive health care in an emergency situation. Vote 15-2.

HB 1216, allowing the exclusion of certain corporate officers and members of limited liability companies from workers' compensation coverage. **OUGHT TO PASS**

Rep. Carl R. Johnson for Labor, Industrial and Rehabilitative Services: This bill allows the exclusion and adds to RSA 281-A:2 VIII(a) certain corporate officers and members of limited liability companies from workers' compensation coverage. Corporations have this option. Vote 14-0.

HB 1252, allowing mail claims in certain instances in filing for unemployment compensation and relative to disqualification for benefits due to self-employment. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jay C. Ward for Labor, Industrial and Rehabilitative Services: HB 1252 as amended allows individuals to file unemployment compensation claims by mail and clarifies the meaning of self-employment for the purpose of qualification for unemployment benefits. This bill also adds that qualification for unemployment benefits will include participation in reemployment services. Vote 13-0.

Amendment (4715B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing mail claims in certain instances in filing for unemployment compensation, relative to disqualification for benefits due to self-employment, and relative to eligibility requirements for benefits.

Amend the bill by inserting after section 2 the following and renumbering the original section 3 to read as 4:

3 New Subparagraph; Participation in Reemployment Services. Amend RSA 282-A:31, I by inserting after subparagraph (c) the following new subparagraph:

(f) He has participated in reemployment services when so directed by the commissioner unless he has completed such services or has good cause for failure to participate in such services.

AMENDED ANALYSIS

This bill allows individuals to file for unemployment compensation claims by mail in certain circumstances.

The bill clarifies the meaning of self-employment for the purposes of qualification for unemployment benefits.

The bill also adds participation in reemployment services as a qualification for receiving unemployment benefits.

HB 1262-FN, relative to the compensation for medical, hospital, and remedial care under workers' compensation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert H. Turner for Labor, Industrial and Rehabilitative Services: This bill requires employers subject to the workers' compensation law to pay compensation, which shall be based on the employee's average wages at the time of the original injury, to an injured employee for any period of disability resulting from replacement or repair of any physical or surgical aids made necessary by the injury. Vote 15-0.

Amendment (4980B)

Amend RSA 281-A:23, II as inserted by section I of the bill by replacing it with the following:

II. The employer, or the employer's insurance carrier, shall pay the cost of artificial limbs, eyes, teeth, orthopedic appliances, and physical and surgical aids made necessary by such injury; [and] shall pay the cost of replacement or repair when such is made necessary by wear and tear or by physical change in the person; *and shall pay compensation for disability resulting from the replacement or repair, based on the employee's average wages at the time of the original injury. Notwithstanding RSA 281-A:48, I, a party may petition the commissioner for payment of such compensation at any time, if the disability results solely from the replacement or repair.* If an employee by accident arising out of and in the cause of the employment has suffered the loss of glasses, false teeth, an artificial member, or hearing aid, the employer shall pay the employee an amount equal to the value of the property so lost.

AMENDED ANALYSIS

This bill requires employers subject to the workers' compensation law to pay compensation, which shall be based on the employee's average wages at the time of the original injury, to an injured employee for any period of disability resulting from replacement or repair of any physical or surgical aids made necessary by the injury.

HB 1340-FN, requiring the general court to hold sessions in the evening. REFER FOR INTERIM STUDY

Rep. Pamela B. Bean for Legislative Administration: While there is probably no time that would be convenient for everyone, the Committee feels that this bill is worth studying. Vote II-0.

HB 1578, relative to the jurisdiction, membership, duties, and complaint procedures of the legislative ethics committee. OUGHT TO PASS WITH AMENDMENT

Rep. Cynthia A. McGovern for Legislative Administration: The bill makes the attorney general a non-voting member of the Ethics Committee, at the request of the attorney general. The few changes to gender neutral language we dedicate to Rep. Shawn Jasper. Vote II-0.

Amendment (5332B)

Amend the bill by replacing all after the enacting clause with the following:

1 Jurisdiction and Sworn Complaint Defined. RSA 14-B:1 is repealed and reenacted to read as follows:

14-B:1 Definitions. In this chapter:

I. "Jurisdiction of the committee" means those actions which allege a violation of law, guideline, rule or regulation and relate to the conduct of individuals in the performance of their duties as members, officers, or employees of the legislature.

II. "Sworn complaint" means a statement of facts within the personal knowledge of the complainant alleging a violation of law, guideline, rule or regulation of the legislature and relating to the conduct of individuals in the performance of their duties as members, officers, or employees of the legislature.

2 Ethics Committee Membership. Amend RSA 14-B:2, I(g) to read as follows:

(g) The attorney general or [his] designee, who shall be an attorney employed by the department of justice. *The attorney general, or the attorney general's designee, shall be a nonvoting member of the committee.*

3 Ethics Committee Membership. Amend RSA 14-B:2, II to read as follows:

II. [The first] A committee meeting shall be called within 60 days of the [effective date of this chapter] *convening of each biennial session.* The members shall elect a [chairman] *chairperson and vice-chairperson* at this meeting. The members shall serve for the biennium

and shall not be removed from the committee for any reason except for good cause by unanimous vote of the remaining committee members. Members shall receive no compensation, except that legislative members shall receive mileage at the legislative rate and public members shall receive mileage at the state employee rate.

4 Ethics Committee Duties. RSA 14-B:3 is repealed and reenacted to read as follows:
14-B:3 Duties.

I. The committee shall be authorized to:

(a) Issue guidelines to elucidate proper and appropriate conduct for individuals relating to the performance of their duties as members, officers, or employees of the legislature. Such guidelines shall be consistent with statute.

(b) Issue interpretative rulings explaining and clarifying any law, guideline, rule or regulation within the jurisdiction of the committee.

(c) Render an advisory opinion, in writing within a reasonable time, in response to a written request by a member, officer, or employee, concerning the application of any law, guideline, rule, or regulation within its jurisdiction to a specific factual situation pertinent to the conduct or proposed conduct of the person seeking the advisory opinion.

(d) Receive sworn complaints, and investigate allegations of improper conduct which may reflect upon the legislature, relating to the conduct of individuals in the performance of their duties as members, officers, or employees of the legislature, and make appropriate findings of fact and conclusions with respect to such conduct. Deliberations on such sworn complaints shall be conducted in nonpublic session unless otherwise requested by the legislator, officer, or employee complained against, and shall be conducted in accordance with procedures set forth in RSA 14-B:4 and established by the committee under RSA 14-B:5. The committee shall consider any sworn complaint and shall process each complaint in a confidential manner.

(e) Investigate any unauthorized disclosure of information by any committee member or employee of the committee and report to the legislature concerning any allegation which it finds to be substantiated.

II. Before guidelines and advisory opinions become effective, the committee shall distribute such guidelines and advisory opinions to the members of the senate and the house of representatives. Specific guidelines or advisory opinions may be repealed by a majority vote of both houses for 3 legislative days after distribution.

III. All actions of the committee shall require an affirmative vote of 4 or more members of the committee before becoming effective.

5 Ethics Committee; Complaints Procedure. RSA 14-B:4 is repealed and reenacted to read as follows:

14-B:4 Complaints; Procedures.

I. Each complaint shall be submitted in writing and signed under oath by the complainant. The sworn complaint shall be filed confidentially with the committee and shall contain the name and address of the complainant. The legislator, officer, or employee of the legislature complained against shall be furnished with a copy of the complaint and a copy shall be sent to each member of the committee for review. The committee shall evaluate each complaint promptly after receipt to ascertain whether the committee has jurisdiction to consider the complaint.

II. Any person who knowingly and willfully swears falsely to a sworn complaint does so under penalty of perjury, and the committee may refer any such case to the attorney general for prosecution.

III. If, after receiving a sworn complaint, the committee concludes by a recorded vote that the alleged conduct is not within the committee's jurisdiction or is without merit or is unfounded, the committee shall dismiss the complaint and shall report such conclusion to the complainant and to the legislator, the officer, or the employee of the legislature together with an explanation of the basis of such determination.

IV. If the committee concludes that the complaint is within its jurisdiction and has merit, then by recorded vote, the committee may conduct a preliminary investigation.

V. Upon completion of its preliminary investigation, the committee shall conclude by recorded vote that:

- (a) No action is appropriate because no improper conduct occurred;
- (b) The violation is inadvertent, technical or of a de minimis nature and shall be addressed by informal methods; or
- (c) The conduct complained of is of a serious nature and formal proceedings should be instituted to inquire further into the complaint. The committee shall then make a statement of formal charges and hold a hearing on the complaint.

VI. Upon completion of the hearing, the committee shall conclude by recorded vote that:

- (a) No action is appropriate because no improper conduct occurred; or
- (b) No action is appropriate because there is not clear and convincing evidence that improper conduct occurred; or
- (c) There was improper conduct based upon clear and convincing evidence, but such conduct does not justify formal disciplinary action and should be resolved by informal methods; or

(d) There was improper conduct based upon clear and convincing evidence, and the improper conduct was of a serious nature so as to warrant formal disciplinary action by the general court in the case of a legislator or officer of the legislature, or formal disciplinary action by the joint committee on legislative facilities in the case of an employee of the legislature. The committee shall submit to the speaker of the house and senate president in the case of a legislator or officer of the legislature, and to the joint committee on legislative facilities in the case of an employee of the legislature, a summary report of the deliberations regarding the complaint and of its findings. The report shall contain any specific recommendations concerning disciplinary actions to be imposed. Such recommendations may include reprimand, censure, or expulsion. Before any disciplinary action may be taken against a legislator or against an officer of the legislature, the report shall be ratified by the legislator's or by the officer's respective body of the general court. In a case involving an employee of the legislature, the joint committee on legislative facilities shall determine what disciplinary action shall be taken against the employee. In making its determination, the joint committee on legislative facilities may use any of the specific recommendations concerning disciplinary actions which are contained in the report which it receives.

VII. In processing complaints filed under this chapter, the committee shall have subpoena powers. If the legislator, the officer, or the employee of the legislature refuses to participate in the proceedings, the committee may refer the complaint to the attorney general for appropriate action.

VIII. Any member of the legislative ethics committee who is directly or indirectly involved in any complaint before the committee shall not participate in deliberations regarding the complaint. In the event that a member does not participate in a particular case, the appointing authority shall designate an alternate to serve on the committee for that case only.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill amends the jurisdiction, membership, duties, and complaint procedures of the legislative ethics committee by:

- (1) Making the attorney general a nonvoting member of the committee.
- (2) Requiring all actions of the committee to be by an affirmative vote of 4 or more members.
- (3) Detailing how complaints shall be submitted to and acted upon by the committee.

HB 1230, relative to the residency requirement for elderly exemptions from the property tax. **INEXPEDIENT TO LEGISLATE**

Rep. Elizabeth A. Cepaitis for Municipal and County Government: RSA 72:29 defines residency as the "principal place of abode" for those seeking exemptions. It is the opinion of the Committee that existing definition should be used as a guideline to eliminate stated abuse. Vote 17-0.

HB 1331, authorizing cities and towns to adopt reporting requirements for candidates for municipal offices. **INEXPEDIENT TO LEGISLATE**

Rep. Robert M. Fesh for Municipal and County Government: Municipalities already have the authority to set reporting requirements and this piece of legislation is unnecessary. Vote 17-0.

HB 1381, allowing proposed ordinances to be placed on the official ballot used for the election of town officers. **INEXPEDIENT TO LEGISLATE**

Rep. Linda T. Foster for Municipal and County Government: Since this bill deals with ordinances placed on the official ballot, the committee intends to deal with its subject matter during the study of HB 497. Vote 16-0.

HB 1388-L, requiring that warrant articles on planning and zoning issues use common landmarks and street names for setting boundaries and relative to the town report. **INEXPEDIENT TO LEGISLATE**

Rep. Paula E. Bradley for Municipal and County Government: This bill proposed three changes - to include a map of the town in the annual report showing land and boundaries affected by a proposed zoning ordinance or ordinance amendment. This would add a printing expense to the town which we felt was an unfunded mandate. It also required the affected land and boundaries to be identified by means of understandable landmarks and street names. We felt the language was not clear and could open the door to lawsuits. The bill also changed the distribution date of the annual report to at least 14 days before the annual meeting instead of 7. All testimony suggested this deadline would be impossible to meet. Vote 17-0.

HB 1410, relative to zoning board of adjustment rehearings. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sherman E. Chester for Municipal and County Government: This bill relates to zoning board of adjustment hearings and motions for re-hearings on appeals. This bill satisfies a real need for the clarification of the time frames outlined in RSA 677 and spells out how the allowed times are counted in days. Vote 14-1.

Amendment (4684B)

Amend the bill by replacing section 2 with the following:

2 Rehearing by Board of Adjustment and Board of Appeals; Time for Decision. Amend RSA 677:3, II to read as follows:

II. Upon the filing of a motion for a rehearing, the board of adjustment, a board of appeals, or the local legislative body shall within [10] 30 days either grant or deny the application, or suspend the order or decision complained of pending further consideration. Any order of suspension may be upon such terms and conditions as the board of adjustment, a board of appeals, or the local legislative body may prescribe. If the motion for rehearing is against a decision of the local legislative body and if the selectmen, as provided in RSA 677:2, shall have called a special town meeting within 25 days from the receipt of an application for a rehearing, the town shall grant or deny the same or suspend the order or decision complained of pending further consideration; and any order of suspension may be upon such terms and conditions as the town may prescribe.

HB 1476-L, relative to municipal liability and the tax sale process. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas E. P. Rice, Jr. for Municipal and County Government: In concept this bill is very simple. It holds harmless a municipality which acquires through tax process a piece or pieces of contaminated property. It also prevents the municipality from knowingly transferring the property without giving notice to the new owner of the contamination. Vote 14-0.

Amendment (5169B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to certain definitions under the environmental laws, municipal liability and the tax sale and lien process, and the liability of owners of hazardous waste facilities.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Municipal Investigation. Amend RSA 80 by inserting after section 19 the following new section:

80:19-a Environmental Investigation. Prior to or in connection with the tax lien procedures of RSA 80:20-RSA 80:42-a and the tax sale procedures of RSA 80:58-RSA 80:86, a municipi-

pality, county or state may, at its option, on its own behalf or through its agents, enter upon the property subject to tax lien or tax sale for the purpose of conducting an environmental site assessment or environmental audit, if it gives notice of same, in the manner provided by RSA 80:38-a, to the current owner of record at least 30 days prior to entering the property or such shorter period of time as consented to by the owner after receiving such notice.

2 New Paragraph; Tax Liens. Amend RSA 80:38 by inserting after paragraph II the following new paragraph:

III. When a municipality has under paragraph II served notice upon the collector it shall not accept the deed, the tax lien shall remain in effect.

3 New Paragraph; Tax Lien. Amend RSA 80:76 by inserting after paragraph II the following new paragraph:

III. When a municipality has under paragraph II served notice upon the collector it shall not accept the deed, the tax lien shall remain in effect.

4 New Paragraph; Foreclosure Defined; Oil Spillage Chapter. Amend RSA 146-A:2 by inserting after paragraph I-b the following new paragraph:

I-bb. "Foreclosure" means any foreclosure by a holder of a mortgage lien, or, in the case of a tax lien, the conveyance of property by tax deed by a municipality, county or state pursuant to the procedures of RSA 80:20-RSA 80:42-a or of RSA 80:58-RSA 80:86.

5 New Paragraph; Mortgage Interest Defined. Amend RSA 146-A:2 by inserting after paragraph I-g the following new paragraph:

I-h. "Mortgage interest" and "mortgage lien" mean a mortgage lien, tax lien, or other lien or encumbrance securing the payment of money or performance of an obligation.

6 New Paragraph; Tax Lien Defined. Amend RSA 146-A:2 by inserting after paragraph VI-c the following new paragraph:

VI-d. "Tax lien" means a tax lien arising under RSA 80:19, the rights acquired by the grantee in a tax sale pursuant to RSA 80:20-RSA 80:42-a, and a tax lien acquired or transferred pursuant to RSA 80:58-RSA 80:86.

7 New Paragraph; Foreclosure Defined; Underground Storage Facilities Chapter. Amend RSA 146-C:1 by inserting after paragraph VII-b the following new paragraph:

VII-bb. "Foreclosure" means any foreclosure by a holder of a mortgage lien, or, in the case of a tax lien, the conveyance of property by tax deed by a municipality, county or state pursuant to the procedures of RSA 80:20-RSA 80:42-a or of RSA 80:58-RSA 80:86.

8 New Paragraph; Mortgage Interest Defined. Amend RSA 146-C:1 by inserting after paragraph VII-d the following new paragraph:

VII-dd. "Mortgage interest" and "mortgage lien" mean a mortgage lien, tax lien, or other lien or encumbrance securing the payment of money or performance of an obligation.

9 New Paragraph; Tax Lien. Amend RSA 146-C:1 by inserting after paragraph XVII the following new paragraph:

XVII-a. "Tax lien" means a tax lien arising under RSA 80:19, the rights acquired by the grantee in a tax sale pursuant to RSA 80:20-RSA 80:42-a, and a tax lien acquired or transferred pursuant to RSA 80:58-RSA 80:86.

10 New Paragraph; Mortgage Defined; Hazardous Waste Management Chapter. Amend RSA 147-A:2 by inserting after paragraph X-a the following new paragraph:

X-b. "Mortgage" means a mortgage lien, tax lien, or other lien or encumbrance securing the payment of money or performance of an obligation.

11 New Paragraph; Tax Lien Defined. Amend RSA 147-A:2 by inserting after paragraph XIII the following new paragraph:

XIII-a. "Tax lien" means a tax lien arising under RSA 80:19, the rights acquired by the grantee in a tax sale pursuant to RSA 80:20-RSA 80:42-a, and a tax lien acquired or transferred pursuant to RSA 80:58-RSA 80:86.

12 Strict Liability of Owners. Amend the section heading of RSA 147-A:9 and the introductory paragraph of paragraph I to read as follows:

147-A:9 Strict Liability of **Owner**, Operator, Generator, or Transporter.

I. Any **owner**, operator, generator, or transporter who causes or suffers the treatment, storage, transportation or disposal of hazardous waste in violation of RSA 147-A or rules adopted or permits issued under RSA 147-A or RSA 106-A:17 - RSA 106-A:19 or rules

adopted by the commissioner of the department of safety under RSA 106-A:18 shall be strictly liable for costs directly or indirectly resulting from the violation relating to:

13 Confiscation of Property; Adding Owners. Amend RSA 147-A:10, I to read as follows:

I. Any property of a generator, *owner*, operator, or transporter including, but not limited to, vehicles, containers, documents and wastes, used in connection with the disposal, storage, treatment, or transportation of hazardous waste in violation of RSA 147-A or RSA 106-A:17 - RSA 106-A:19 may be seized by the state. The property shall be stored as directed by the court so that the property may be used as evidence in a trial relating to the violation.

14 Duty to Report; Adding Owner. Amend RSA 147-A:11, I to read as follows:

I. Any generator, *owner*, operator, transporter, or employee of a hazardous waste facility who becomes aware of any storage, treatment, or disposal of hazardous waste in violation of this chapter shall immediately report the violation to the division of waste management.

15 Imminent Hazard; Adding Owner. Amend RSA 147-A:13, I to read as follows:

I. Issuing an order directing the *owner or* operator of a hazardous waste facility or the custodian of waste constituting a hazard to take necessary steps to eliminate the hazard. The division of waste management may order the permanent or temporary cessation of operations at a facility. Orders of the division of waste management issued under this section shall be effective immediately. Any person to whom an order is directed shall immediately comply, but may appeal the order to the waste management council in accordance with the provisions of this chapter.

16 New Paragraph; Borrower Defined; Hazardous Waste Cleanup Fund Chapter. Amend RSA 147-B:2 by inserting after paragraph I the following new paragraph:

I-a. "Borrower" means the obligor of an obligation secured by a mortgage interest, mortgage lien, or security interest in a facility.

17 New Paragraph; Foreclosure Defined. Amend RSA 147-B:2 by inserting after paragraph III-a the following new paragraph:

III-b. "Foreclosure" means any foreclosure by a holder of a mortgage lien, or, in the case of a tax lien, the conveyance of property by tax deed by a municipality, county or state pursuant to the procedures of RSA 80:20-RSA 80:42-a or of RSA 80:58-RSA 80:86.

18 New Paragraph; Mortgage Interest Defined. Amend RSA 147-B:2 by inserting after paragraph VIII-f the following new paragraph:

VIII-ff. "Mortgage interest" and "mortgage lien" mean a mortgage lien, tax lien, or other lien or encumbrance securing the payment of money or performance of an obligation.

X-a. "Tax lien" means a tax lien arising under RSA 80:19, the rights acquired by the grantee in a tax sale pursuant to RSA 80:20-RSA 80:42-a, and a tax lien acquired or transferred pursuant to RSA 80:58-RSA 80:86.

20 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill limits the liability of cities and towns for certain environmental defects in municipal property or property subject to tax liens.

The bill extends liability for hazardous waste facilities to the owners of such facilities and adds new definitions under the environmental laws.

HB 1356-FN, relative to the duties of the members and the director of the state veterans council. OUGHT TO PASS WITH AMENDMENT

Rep. Rudy Lessard for Public Protection and Veterans Affairs: HB 1356-FN changes the name of the "State Veterans Advisory Committee." The bill further defines the duties of the "State Veterans Council." The veteran community has approved the changes and will benefit from having clearly defined duties for the "State Veterans Committee." The amendment deletes references to a state veterans cemetery because we do not yet have one. Vote 11-0.

Amendment (4841B)

Amend RSA 115:4, II(a) as inserted by section 2 of the bill by replacing it with the following:

(a) Supervise the activities of a statewide service delivery structure which assists veterans and family members in identifying the eligibility for veterans' benefits, filing claims, coordinating benefits with other state and federal agencies, and reviewing claims decisions for appeals or waivers of unfavorable decisions.

HB 1435, relative to the penalty for a second or subsequent offense for carrying a pistol or revolver without a license. **OUGHT TO PASS**

Rep. Lucien Bergeron for Public Protection and Veterans Affairs: HB 1435 addresses an oversight in the current law. A similar bill in the Senate has passed to the House with amendment. Both bills address the same problem from a different angle. This bill revises the penalty for carrying a concealed weapon without a permit. Instead of creating a Class B felony on the second offense, if that first offense occurred more than seven years prior to the second offense, it shall be a misdemeanor. Any subsequent offense within the seven-year period shall be a Class B felony. Vote 11-0.

HB 1171, relative to the requirements for submission of plans for sewage or waste disposal systems. **OUGHT TO PASS WITH AMENDMENT**

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: The Committee unanimously agreed with the sponsor that HB 1171 as amended clarifies the uncertainty which has existed for some time concerning the role of professional engineers in the Division of Water Supply and Pollution Control. The administrator of the Subsurface Systems Bureau is presently a professional engineer, and with the passage of HB 1171 as amended, that person will continue to be. Vote 14-0.

Amendment (5181B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the qualifications for the position of administrator of
the subsurface systems bureau, division of water supply and
pollution control, department of environmental services.

Amend the bill by replacing all after the enacting clause with the following:

1 Administrator of Subsurface Systems Bureau Added. Amend the section heading of RSA 21-O:2 to read as follows:

21-O:2 Commissioner; Assistant Commissioner; Directors; Chief Operations Officer; *Administrator of Subsurface Systems Bureau*; Compensation.

2 New Paragraph; Requirements for Administrator of Subsurface Systems Bureau Added. Amend RSA 21-O:2 by inserting after paragraph IV the following new paragraph:

V. Among any other qualifications required for the position, the commissioner shall require that the administrator of the subsurface systems bureau, of the division of water supply and pollution control hold a valid license or be able to qualify for a valid license, or certificate of registration to practice civil, sanitary, or environmental engineering issued by the lawfully constituted registration board of the state of New Hampshire within 1 year of the date of employment.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the commissioner of the department of environmental services to make a valid license or the ability to qualify for a valid license, or certificate of registration to practice civil, sanitary or environmental engineering, a requirement for the position of administrator of the subsurface systems bureau of the division of water supply and pollution control.

HB 1240, permitting a person to have contact with water in a public water supply when taking a boat in or out of a great pond and when there is a safety issue concerning the boat. **OUGHT TO PASS WITH AMENDMENT**

Rep. Howard C. Dickinson, Jr. for Resources, Recreation and Development: The Committee is convinced that HB 1240 as amended will solve a long-standing problem on certain lakes and ponds in New Hampshire which are used as public water supplies. The current water

treatment regimens, under the Safe Drinking Water Act, mandated by the Environmental Protection Agency and administered by the Department of Environmental Services are more than adequate to take care of what little contamination results from a person entering the water to launch or retrieve a boat or from the unfortunate souls who fall into the water by accident. (To fine three ladies \$80 each, who turned over in their canoe, is ludicrous.) We were told that the whole Committee could skinny-dip after a long day in Concord without the slightest effect on the water quality. Vote 15-0.

Amendment (5055B)

Amend the title of the bill by replacing it with the following:

AN ACT

permitting a person to have contact with water in a public water supply
when loading or unloading a boat or rescuing a person or
animal that has accidentally fallen into the water.

Amend the bill by replacing all after the enacting clause with the following:

1 Certain Contact with Water Supply Allowed. Amend RSA 485:22 to read as follows:
485:22 *Swimming or Bathing; Certain Contact Allowed.*

I. If any person shall swim or bathe in such lake, pond or reservoir, within the limits prescribed for the protection of said water supply by the local board of health or health officer or the division, he shall be guilty of a misdemeanor. Notwithstanding any provision of law to the contrary, this section shall not apply to any person who enters the water while loading or unloading a boat, securing a boat, rescuing a person, pet or domestic animal, or any person falling into the water by accident.

II. No person shall enter into a public water supply within a designated 300 foot protective radius surrounding a water intake, except by accident or when rescuing a person, pet, or domestic animal that has accidentally fallen into the water.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows any person to enter the waters of a public water supply when loading or unloading a boat, securing a boat, rescuing a person, pet or domestic animal, or any person falling into the water by accident.

This bill prohibits any person from entering the waters of a public water supply within a designated 300 foot protective radius surrounding a water intake except to rescue a person or animal that has fallen in by accident.

HB 1241, relative to the submission and approval of plans and specifications for sewage disposal systems. **INEXPEDIENT TO LEGISLATE**

Reps. Deborah F. Merritt and Howard C. Dickinson, Jr. for Resources, Recreation and Development: At present, subdividing land into lots of five acres or more does not require obtaining waste disposal approval from the Department of Environmental Services, unless construction of a waste disposal system is contemplated. While the committee unanimously agreed that no justification for removal of this exemption presently exists, we are concerned that DES may be spending too much time approving waste disposal sites on lots less than five acres on which no development is planned. After all, why burden the landowner with the added expense and DES with the increased workload when no development of the land will take place? In another session, legislation should be introduced to clearly state that not all individual lots, whether created by subdivision or presently existing, can or should be developed. DES must be authorized to decide whether or not waste disposal system approval is appropriate based solely upon the best scientific information and waste disposal technology in existence at the time of development. Vote 14-0.

HB 1326, limiting the export of timber harvested on state-owned forest lands. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas J. Kirby for Resources, Recreation and Development: The intent of HB 1326 is to support the New Hampshire forest products industry in the face of foreign market pressure by heavily subsidized competitors. Federal law today prevents states east of the 100th

meridian from adopting this policy. Enforcement of this measure would be very difficult if adoption were allowed. RR&D believes our preferred action at this time is the support of SCR-10 as amended to obtain the same authority for eastern states Congress has provided those states west of the 100th meridian. Vote 16-0.

HB 1462-L, requiring local planning boards to submit approved subdivision plans to the division of water supply and pollution control for notification purposes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas J. Kirby for Resources, Recreation and Development: This bill, as amended, provides for the submission and approval of plans and specifications for waste disposal systems, allowing the Department of Environmental Services and our New Hampshire communities to continue using present practices. Serious concern was expressed by DES, developers and community representatives that a strict interpretation of the existing statute would prohibit the community/DES interaction now practiced. Community/DES communication is enhanced by having the local planning board submit one copy of its approved final subdivision plan to DES for information. This is the same consideration that DES gives to the local authority by sending a copy of its final plan to the local agency. HB 1462-L, as amended, has the support of all the parties concerned. Vote 14-0.

Amendment (5266B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the approval by the division of water supply and
pollution control of plans for sewage disposal systems.

Amend the bill by replacing all after the enacting clause with the following:

1 Approval of Sewage Disposal Systems. Amend RSA 485-A:29, 1 to read as follows:

1. Any person proposing either to subdivide land, *except as provided in RSA 485-A:33* or to construct a sewage or waste disposal system shall submit 2 copies of *such* locally approved plans [for] *as are required by the local planning board or other local body having authority for the approval of* any such subdivision of land and 2 copies of plans and specifications for any sewage or waste disposal systems which will be constructed on any subdivision or lot for approval in accordance with the requirements of the division as provided in this paragraph. *In the event that such plans which receive final local approval differ from the plans which are reviewed by the division, the person proposing the subdivision shall resubmit those plans to the division for reapproval. The planning board or other local body having final local approval authority shall submit one copy of such plans which receive final local approval to the division for information purposes within 30 days of granting such final approval.* The division shall adopt rules, pursuant to RSA 541-A, relative to the submission of plans and specifications as necessary to effect the purposes of this subdivision. The rules shall specify when and where the plans and specifications are to be submitted, what details, data and information are to be contained in the plans and specifications, what tests are to be required, what standards, guidelines, procedures and criteria are to be applied and followed in constructing any sewage or waste disposal system, and other related matters. The rules shall also establish the methodology and review process for approval of innovative/alternative wastewater treatment systems and for approval of a plan for operation, maintenance and financial responsibility for such operations. For any part or parts of the subdivisions where construction or waste disposal is not contemplated, only the lot lines, property boundaries drawn to scale, and general soil and related data shall be required. The constructed sewage or waste disposal systems shall be in strict accordance with approved plans, and the facilities shall not be covered or placed in operation without final inspection and approval by an authorized agent of the division. All inspections by the division shall be accomplished within 7 business days after receipt of written notification from the builder that the system is ready for inspection. Plans and specifications need not be submitted for subdivision approval for subdivisions consisting of the division of a tract or parcel of land exclusively in lots of 5 or more acres in area. This exemption in no way relieves any person from responsibility for obtaining approval under this chapter for construction of individual or other sewage or waste disposal systems or both in any exempted lots. In such cases, it shall be the responsibility of

the subdivider to provide to the lot purchasers satisfactory assurance as the purchasers may require at the time of sale that lots sold shall be adequate to support individual sewage or waste disposal systems or both in accordance with rules adopted by the division and the requirements of this subdivision.

2 New Paragraph; Exemption from Payment of Additional Fee. Amend RSA 485-A:30 by inserting after paragraph II the following new paragraph:

III. Any person submitting plans and specifications as a resubmission for reapproval of such shall not be required to pay any additional fee under RSA 485-A:30, I and II if changes to such plans and specifications would not constitute a new subdivision under the provisions of RSA 485-A:2, XIII.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds an additional requirement to the process for the approval of locally approved plans for the subdivision of land or the construction of a sewage or waste disposal system by the division of water supply and pollution control, department of environmental services. If the plans which receive final local approval differ from the plans as reviewed by the division, the person proposing the subdivision shall resubmit those plans to the division for reapproval. No additional fee is required for a resubmission of plans for reapproval as long as the plans do not constitute a new subdivision.

The bill also requires the local body having final local approval authority to submit one copy of such plans to the division for information purposes within 30 days of granting final approval.

HB 1263-FN, authorizing the public utilities commission to allow alternative forms of regulation, removing the incorporation requirement for telecommunications utilities, exempting accounting standards from certain format requirements, and expanding the commission's rulemaking authority. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karen K. McRae for Science, Technology and Energy: HB 1263, as amended, directs the Public Utilities Commission to set certain standards and procedures according to RSA 541-A. The bill also allows for incentive regulation and for changes in accounting standards. Vote 9-0.

Amendment (5184B)

Amend the bill by replacing all after the enacting clause with the following:

1 Rulemaking Expanded. RSA 365:8 is repealed and reenacted to read as follows:

365:8 Rulemaking Authority. The commission shall adopt rules, pursuant to RSA 541-A, relative to:

I. The conduct of its hearings, including alternative processes in hearings and other forms of alternative dispute resolution.

II. Standards and procedures for streamlined review or other alternative processes to enhance the efficiency of the commission and respond to the needs of the utility's ratepayers and shareholders.

III. Standards and procedures for the creation, monitoring and evaluation of alternative forms of regulation.

IV. Standards and procedures for the handling of confidential information, in accordance with RSA 91-A.

V. Standards and procedures for filing requirements for tariffs, engineering, accounting, and other commission matters.

VI. Standards and procedures for franchise terms and conditions, including extended area telephone service.

VII. Standards and procedures for safe and reliable utility service and termination of service subject to RSA 363-B.

VIII. Standards and procedures for matters related to the proper administration of RSA 366 relative to utility relations with affiliates.

IX. Standards and procedures relative to a reasonable amount of the short-term notes, bonds or other evidences of indebtedness based upon the amount of the utility's respective plant investment which each utility shall not exceed without first obtaining the approval of the commission pursuant to RSA 369:7.

X. Standards and procedures for determination and recovery of rate case expenses.

XI. Standards and procedures for the conduct of investigations authorized under this title.

XII. Procedures necessary to provide for the proper administration of and to further the purposes of this title.

2 New Section; Alternative Forms of Regulation. Amend RSA 374 by inserting after section 3 the following new section:

374:3-a Alternative Forms of Regulation; Incentive Regulation. Upon petition of a regulated utility or upon its own initiative and after notice and hearing, the public utilities commission may approve alternative forms of regulation other than the traditional methods which are based upon cost of service, rate base and rate of return, provided that any such alternative results in just and reasonable rates and provides the utility the opportunity to realize a reasonable return on its investment.

3 Exemption for Accounting Standards From Format Requirements of RSA 541-A. Amend RSA 374:8 to read as follows:

374:8 Accounting Systems.

I. The commission may, whenever it deems it advisable, establish a system of accounts and records to be used by public utilities for their business within this state, may classify them and prescribe a system of accounts for each class, and may prescribe the manner in which said accounts shall be kept.

II. The uniform system of accounts for regulated utilities established under the provisions of this section shall be exempt from the requirements of the format standards of RSA 541-A, the administrative procedure act.

4 Exceptions; Telecommunications Utilities Added. Amend RSA 374:25 to read as follows:

374:25 Exceptions. RSA 374:24 shall not apply to:

I. Any business entity operating a public utility plant in this state on June 1, 1911, or doing or desiring to do an interstate business[, or];

II. [To] Any electric utility as defined in RSA 374-A:1 participating or desiring to participate in an electric power facility within this state in accordance with RSA 374-A[, or];

III. [To] Any foreign business entity authorized by the Interstate Commerce Commission to operate motor vehicles for the carriage of passengers for hire in interstate commerce over the highways of this state which presently conducts or desires to conduct the business of transportation of passengers and/or baggage, mail, newspapers and express in the same vehicles with passengers for hire by motor vehicles in intrastate commerce; *or*

IV. Any telecommunications utility, foreign or domestic, fully registered with the New Hampshire secretary of state and in compliance with commission requirements.

5 Rulemaking Provision Removed. Amend RSA 378:28 to read as follows:

378:28 Permanent Rates. So far as possible, the provisions of RSA 378:27 shall be applied by the commission in fixing and determining permanent rates, as well as temporary rates. The commission shall not include in permanent rates any return on any plant, equipment, or capital improvement which has not first been found by the commission to be prudent, used, and useful. Nothing contained in this section shall preclude the commission from receiving and considering any evidence which may be pertinent and material to the determination of a just and reasonable rate base and a just and reasonable rate of return thereon. [The commission may adopt rules applicable to the recovery of rate case expenses under RSA 541-A.]

6 New Paragraph; Exemption Added. Amend RSA 541-A:10 by inserting after paragraph III the following new paragraph:

IV. The uniform system of accounts for regulated utilities established under RSA 374:8, II shall be exempt from the format standards of the rulemaking manual as required by RSA 541-A.

7 Rulemaking Removed. Amend RSA 369:7, II to read as follows:

II. [The commission may adopt rules under RSA 541-A relative to a reasonable amount of the notes, bonds, or other evidences of indebtedness based on the amount of their respective plant investment which each utility shall not exceed without first obtaining the approval of the commission.] In establishing the amounts of the notes, bonds, and other evidences of indebtedness which the utility is permitted to issue or renew without prior commission approval, the commission shall consider the size, circumstances, and other characteristics of each

utility, the aggregate term of the renewals of such notes, bonds, and other evidences of indebtedness, and the time period and manner for reporting such renewals to the commission.

8 Repeal. The following are repealed:

I. RSA 363-B:2, IV relative to the rulemaking authority of the commission under RSA 363-B.

II. RSA 366:10 relative to the rulemaking authority of the public utilities commission under RSA 366.

9 Effective Date. This act shall take effect 60 days after its passage.

HB 1409, relative to voluntary construction standards when applying for a certificate of compliance for energy efficiency to a town, city, building inspector, or the public utilities commission. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karen K. McRae for Science, Technology and Energy: The amendment rewrites the bill. The purpose to encourage higher levels of energy efficiency in construction has not changed but the method has. The PUC will establish minimum requirements for voluntary compliance to the higher standards through rule-making authority. The effective date is July 1, 1995. Vote 9-0.

Amendment (5051B)

Amend the title of the bill by replacing it with the following:

AN ACT

authorizing the public utilities commission to adopt rules relative to
voluntary construction standards for compliance with
increased energy efficiency standards.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The primary purpose of this bill is to encourage higher levels of energy efficiency in construction and to reduce the time required to submit and process certificates of compliance through voluntary compliance with certain higher component R-values.

2 New Paragraph; Procedure for Compliance with Voluntary Construction Standards. Amend RSA 155-D:3 by inserting after paragraph II the following new paragraph:

III. The commission shall establish a procedure to implement the voluntary construction standards for certain new buildings and energy efficient structures. Those structures complying with the values established by the commission shall be deemed to be in compliance with the requirements of the code. Due to the increased energy efficiency of these structures, overall performance or the glass-to-wall ratio calculations required under overall performance and acceptable practice procedures shall be exempted from this voluntary code compliance procedure. All other minimum requirements shall be complied with.

3 New Paragraph; Rulemaking. Amend RSA 155-D:10 to read as follows:

155-D:10 Rulemaking.

I. The public utilities commission shall adopt rules, under RSA 541-A, relative to amendments to the New Hampshire Code for Energy Conservation in New Building Construction adopted under RSA 155-D. Before filing a notice of proposed rule under RSA 541-A:3-a, the commission shall hold an informal conference open to all affected parties.

II. *The public utilities commission shall adopt rules, under RSA 541-A, relative to:*

(a) *The minimum requirements for compliance with voluntary energy efficient construction standards; and*

(b) *A procedure for persons electing to comply with the voluntary energy efficient construction standards.*

4 Effective Date. This act shall take effect July 1, 1995.

AMENDED ANALYSIS

This bill authorizes the public utilities commission to adopt rules which establish minimum voluntary construction standards for certain buildings and structures for persons applying for a certificate of compliance for energy efficiency.

The commission shall be required to adopt rules relative to voluntary energy efficient construction standards beginning July 1, 1995.

HR 45, relative to cable television and retransmission consent. OUGHT TO PASS WITH AMENDMENT

Rep. Stanley W. Peters for Science, Technology and Energy: This House resolution urges commercial broadcast stations to grant retransmission consent to cable operators in New Hampshire and urges Congress to encourage the FCC to make certain market adjustments to ensure that all residents of New Hampshire have access to a wide variety of programming. Vote 10-0.

Amendment (5193B)

Amend the title of the resolution by replacing it with the following:

A RESOLUTION

relative to cable television programming availability
and retransmission consent.

Amend the resolution by replacing all after the title with the following:

Whereas, Congress passed the Cable Television Consumer Protection and Competition Act of 1992 to improve the delivery of cable services and to enhance the telecommunications infrastructure by substantially reregulating cable and by promoting competition in the industry; and

Whereas, the 1992 Cable Act prohibits cable television operators from retransmitting commercial broadcast stations without their express permission and consent; and

Whereas, implementation of the must carry and retransmission consent provisions of the 1992 Cable Act has resulted in the loss of certain television channels to New Hampshire communities; and

Whereas, the 1992 Cable Act allows the Federal Communications Commission to make market adjustments to Areas of Dominant Influence in response to written requests if the purposes of the must carry rules can be better served; and

Whereas, the availability of New Hampshire news, weather, and public safety information is vital to the interests of New Hampshire residents; and

Whereas, negotiations between cable systems and those commercial television stations electing retransmission consent are now underway; and

Whereas, if a cable system cannot obtain a station's consent to carriage, that system will no longer be able to deliver the station to cable subscribers; and

Whereas, cable subscribers will lose access to that station via cable, and may have to install rooftop antennas and use "A/B" switches in order to obtain that station over the air; and

Whereas, cable operators throughout the state of New Hampshire are working hard to comply with the new law and to continue providing subscribers with the best and most complete cable television service; and

Whereas, Congress intended that the 1992 Cable Act would benefit consumers, would not substantially inconvenience or confuse consumers, and would not impose new costs on cable television companies; and

Whereas, cable consumers should not be forced to pay additional fees for broadcast programming that is available at no cost to consumers who receive the broadcast signal from an antenna; now, therefore, be it

Resolved by the House:

That the house of representatives hereby urges the commercial broadcast stations to grant consent to cable operators in New Hampshire to retransmit their broadcast signals at no additional cost to cable television subscribers; and

That the house of representatives hereby urges the congress to encourage the Federal Communications Commission to make market adjustments in the Areas of Dominant Influence to ensure that all residents of New Hampshire have access to a wide variety of in-state and out-of-state programming; and

That copies of this resolution, signed by the speaker of the house be forwarded by the house clerk to the commercial broadcast stations which have not yet provided retransmission consent to cable operators in New Hampshire, to the New Hampshire congressional delegation and to the Federal Communications Commission.

AMENDED ANALYSIS

This house resolution urges commercial broadcast stations to grant retransmission consent to cable operators in New Hampshire and urges congress to encourage the Federal Communications Commission to make certain market adjustments to ensure that all residents of New Hampshire have access to a wide variety of programming.

HR 49, urging the general court to support federal legislation on consumer choice in cable. OUGHT TO PASS WITH AMENDMENT

Rep. Clifton C. Below for Science, Technology and Energy: The U.S. Congress is currently considering major legislation to promote competition in the telecommunications industry, including allowing telephone companies to provide video services competing with cable TV companies. This resolution supports such federal legislation with the caveat that it not pre-empt state level playing field statutes such as New Hampshire's and that it preserve state's rights to require local franchises. Vote 9-0.

Amendment (5362B)

Amend the title of the resolution by replacing it with the following:

A RESOLUTION

urging the general court to support federal legislation on
consumer choice in cable and telephone service.

Amend the bill by replacing all after the title with the following:

Whereas, a major hurdle to ensuring access for every consumer in America to cable and interactive broadband video services is the cable cross ownership ban of the Cable Communications Policy Act of 1984; and

Whereas, modern technology such as fiber optics and optical switches make it possible to transmit full motion video and telephone conversations at the same time, over the same line; and

Whereas, rather than allow market forces to accelerate the development of modern technology while providing competition to the established cable industry, consumer demands are being frustrated by this anticompetitive prohibition; and

Whereas, despite the passage of the Cable Television Consumer Protection and Competition Act of 1992, experience demonstrates that consumers would best be protected by a competitive marketplace for cable service; and

Whereas, allowing telephone companies to compete to provide cable television services will speed the introduction of advanced telecommunications facilities and services, including the deployment of fiber optic technology necessary to support such services as interactive education and medical services; and

Whereas, allowing cable companies to compete to provide telephone services will speed the introduction of advanced telecommunications facilities and services, including the deployment of fiber optic technology necessary to support such services as interactive education and medical services; and

Whereas, any federal or state legislation should ensure that public educational and governmental entities have access to cable and interactive broadband video services; and

Whereas, any federal or state legislation should ensure that all providers of telecommunications services make an equitable and nondiscriminatory contribution to the preservation of universal service; and

Whereas, state level playing field statutes ensuring equal treatment of all cable operators providing cable service are essential to protecting the public interest; and

Whereas, state level playing field statutes ensuring equal treatment of all telecommunications service providers are essential to protecting the public interest; and

Whereas, any federal legislation allowing telephone companies to be cable operators providing cable service should preserve state's rights to require said companies to obtain a franchise from local franchise authorities on terms or conditions that are not more favorable or less burdensome than those required of the incumbent cable providers; and

Whereas, there are pending in the United States Congress, House Resolution 1504, House Resolution 3636, and other measures which lift the ban which prohibits telephone companies

from operating cable systems within their telephone service areas and allow competition in the provision of local telephone service; now, therefore be it

Resolved by the House of Representatives:

That the general court of New Hampshire urges the United States Congress to support House Resolution 1504, House Resolution 3636, and other appropriate legislative measures which open telephone and cable service to competition while preserving state's rights to regulate telephone and cable companies so that consumers may have a broader selection of cable and telephone services; and

That copies of this resolution, signed by the speaker of the house be forwarded by the house clerk to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and to each member of the New Hampshire Congressional delegation.

AMENDED ANALYSIS

This house resolution urges the general court to support HR 1504 and HR 3636, which lift the cable cross-ownership ban.

HB 1311, prohibiting term limitations for members of the United States Congress from New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Sharleene P. Hurst for State-Federal Relations: The issue of term limitations is very controversial. Until a complete debate takes place, and a final resolution is achieved on this topic, the Committee felt this particular piece of legislation should be found Inexpedient to Legislate. Vote 12-0.

HCR 21, urging the New Hampshire congressional delegation to vote against any retroactive taxation. **INEXPEDIENT TO LEGISLATE**

Rep. Sharleene P. Hurst for State-Federal Relations: This resolution, as written, is moot. Our Congressional Delegation has already unanimously voted against retroactive taxation. Both sides were unable to agree on a good, non-partisan amendment. Vote 12-0.

HJR 20, urging the Federal Highway Administration to include certain segments of U.S. Route 2 in the new "National Highway System." **OUGHT TO PASS**

Rep. Lawrence J. Guay for State-Federal Relations: The Committee supports this resolution in conjunction with the Council of State Governments and all the North Country interests. It would be a great help to Maine, New Hampshire and Vermont by connecting Interstates 89 to 91 to 95. Vote 11-0.

REGULAR CALENDAR

HB 1472-FN, making an appropriation to the fund for domestic violence programs. **OUGHT TO PASS**

Reps. Douglas E. Hall and Robert A. Johnson for Appropriations: The Committee held this bill for a number of weeks while the Attorney General worked with the Department of Health and Human Services to find special federal funds or other grants to support programs for victims of domestic violence. Having failed in that endeavor to date, the Committee supports the additional \$350,000 in general funds for this critical endeavor. Vote 11-1.

Adopted.

HB 1552-FN-L, relative to the certification of employer contributions by the retirement system board of trustees. **OUGHT TO PASS**

Rep. Robert L. Wheeler for Appropriations: The committee felt that it was appropriate to spread the cost of the accrued unfunded liability prospectively to avoid a lump sum payment. Vote 20-0.

Report adopted and ordered to third reading.

HB 1504-FN-L, requiring certain damage disclosure upon the sale or transfer of an automobile. **REFER FOR INTERIM STUDY**

Rep. Peter F. Wells, Sr. for Commerce, Small Business and Consumer Affairs: The bill's intent is to provide information and protection to all who purchase motor vehicles; consum-

ers and dealers, etc. The bill's intent was widely accepted. The language in the bill, according to the sponsors, did require fine tuning. At the sponsor's request, the bill has been referred to interim study. Vote 16-0.

Adopted.

HB 1510-FN, relative to the availability of on-site foreign currency exchange. **OUGHT TO PASS**

Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs: The Committee endorsed the survey requested by the sponsors of this bill. The bill requires the bank commissioner to conduct a survey of all banks in the state to determine the availability of immediate walk-in foreign currency exchange services on site. The bank commissioner shall report to the commissioner of the Department of Resources and Economic Development which banks, if any, offer six or more different foreign currencies for exchange. The Office of Vacation Travel shall, in any New Hampshire publication aimed at international tourism, include either the list of banks which do or a statement that none do. Vote 15-1.

Report adopted and ordered to third reading.

HB 1161, relative to the authority of the state to regulate political advertising which is broadcast. **OUGHT TO PASS WITH AMENDMENT**

Rep. Randall F. Shaw for Constitutional and Statutory Revision: This bill removes radio and television political advertising from state regulations pertaining to political expenditures and contributions. Federal statute now regulates all radio and television political advertising. Vote 14-1.

Amendment (5268B)

Amend the bill by deleting section 1 and renumbering the original sections 2-7 to read as sections 1-6, respectively.

Amend the bill by replacing section 3 with the following:

3 Requirement that Political Advertising be Signed; Reference to Radio and Television Deleted. Amend RSA 664:14, IV to read as follows:

IV. In the case of political advertising [broadcast] *announced* on [radio, television or] any public address system, the name and address of the signer shall be clearly identified.

Amend the bill by replacing section 5 with the following:

5 Identification of Political Advertising; Reference to Radio and Television Deleted. Amend RSA 664:16 to read as follows:

664:16 Identification of Political Advertising. Political advertising printed in newspapers, periodicals or billboards shall be marked at the beginning thereof "Political Advertising." Persons or corporations operating a [radio or television station or] public address system shall [broadcast] *announce* political advertising only after [announcing] *identifying* it as such. Rates for advertising shall be filed, no later than 30 days prior to the deadline for filing for office for an election, with the secretary of state by each person or corporation publishing a newspaper or periodical[, operating a radio or television station,] or selling billboard space. Such schedule shall be open to public inspection, and such schedules may be amended. However, rates in such amendments shall not take effect until 5 days after they are filed with the secretary of state. No person or corporation publishing a newspaper or periodical[, operating a radio or television station,] or selling billboard space shall charge an advertising rate to any candidate, political committee, party or cause that is different from that charged to any other candidate, political committee, party or cause.

Rep. Pfaff spoke in favor.

Adopted.

Report adopted and ordered to third reading.

HB 1350, expanding the definition of "party" for purposes of the election laws. **INEXPEDIENT TO LEGISLATE**

Rep. Randall F. Shaw for Constitutional and Statutory Revision: This bill is similar to HB 1246 which was defeated by the NH House on February 16, 1994 by a vote of 186-146. Vote 13-1.

Adopted.

HB 1352, relative to the choice of "none of the above" on the ballot. **INEXPEDIENT TO LEGISLATE**

Rep. David A. Young for Constitutional and Statutory Revision: The committee felt the ability of a voter to protest the candidates on a ballot is very important. Currently, on the ballot, mechanisms exist such as blank voting and write-in ballots that allow for voter protest. Therefore, the addition of "None of the above" is not necessary. Vote 12-3.

Adopted.

HB 1405, relative to voting and party membership. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gary R. Gilmore for Constitutional and Statutory Revision: The committee felt this bill was necessary to add clarity to existing law. The bill deals with new parties when they come into existence. The only change is that voters are limited to one election cycle to take the primary ballots of a new party. Current law is ambiguous on this issue. Vote 14-1.

Amendment (4899B)

Amend the bill by replacing section 1 with the following:

1 Voting in Primary Elections. Amend RSA 659:14, I to read as follows:

I. A person desiring to vote at a state or presidential primary election shall, at the time of announcing the person's name, also announce the name of the party to which the person belongs or whether the person is registered as an undeclared voter. If the person's party membership has been registered before, the person shall be given only the ballot of the party with which the person is registered, unless the person desires to vote the ballot of a party not having official existence at the time the person's party membership was previously registered, *in which case the person may vote the ballot of such a party in the state primary election immediately following the political organization's official existence as a party, and not in any subsequent state primary election. A person may also vote the ballot of such a party in the presidential primary election only if the presidential primary election precedes the state primary election to be held in that same year.* If the rules of a party permit a person who is registered as an undeclared voter to vote in the party's primary, any person desiring to vote in that party's primary shall also announce the name of that party at the time of announcing the person's name. No person shall be permitted to vote in any more than one party primary during any primary election.

AMENDED ANALYSIS

Current law provides that for state and presidential primary elections, if a person's party membership has been registered before, the person shall be given only the ballot of the party with which the person is registered, unless the person desires to vote the ballot of a party not having official existence at the time the person's party membership was previously registered.

This bill allows such previously registered persons to vote the ballot of a newly recognized party only in the state primary election immediately following the party's official recognition, and in the presidential primary election immediately following the party's official recognition only if the presidential primary election precedes the state primary election to be held in the same year, and not in any subsequent state and presidential primary elections which follow that vote.

Adopted.

Report adopted and ordered to third reading.

HB 1406, to permit the placement of candidates' names only once on the ballot. **INEXPEDIENT TO LEGISLATE**

Rep. David A. Young for Constitutional and Statutory Revision: The overwhelming discussion in the committee was to allow individual political parties to choose their own nominees. This legislation changed the ballots' reflection of the primary vote. Vote 11-3.

Adopted.

HB 1426, relative to the placement of candidates' names on the ballot. **OUGHT TO PASS**

Rep. Jack B. Willis for Constitutional and Statutory Revision: This bill places positions of candidates on the ballot by the drawing of a single letter by lot by the Secretary of State. The

candidates will be placed starting with the letter drawn proceeding through the alphabet from that point, and so forth. Vote 13-3.

Adopted and ordered to third reading.

HB 1498-FN-L, relative to the type of voting machines which may be used in municipalities. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas I. Arnold for Constitutional and Statutory Revision: This bill requires that all voting machines procured in the future be of the type that "read" paper ballots. This will provide a paper trail of ballots which can be examined for purposes of a recount. Vote 14-1.

Amendment (5327B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Replacing Voting Machines. Amend RSA 656 by inserting after section 43 the following new section:

656:43-a Replacement. If a city or town decides to replace all of its lever voting machines or devices for computerized casting and counting of ballots, it may, as a substitute, use the regular hand counted paper ballot system or one of the several approved voting machines or devices for the counting of ballots which reads the voter's choice on a paper ballot.

2 Approval by Ballot Law Commission of Voting Machines. Amend RSA 656:41 to read as follows:

656:41 Approval by Ballot Law Commission. The ballot law commission shall act as a board to examine voting machines and devices for computerized casting and counting of ballots. Said board shall, whenever requested, examine any voting machine or device which may be capable of meeting the requirements for elections held in this state. Said board shall approve such voting machine or device in its discretion, and no voting machine or device shall be used in any election in this state [except] *unless it reads the voter's choice on a paper ballot and is of a type so approved by the ballot law commission.*

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that if a city or town decides to replace all of its lever voting machines or devices for computerized casting and counting of ballots, it may, as a substitute, use the regular hand counted paper ballot system or one of the several approved voting machines or devices for the counting of ballots which reads the voter's choice on a paper ballot.

The bill also provides that the voting machines or devices which are approved by the ballot law commission must read the voter's choice on a paper ballot.

Adopted.

Report adopted and ordered to third reading.

HB 1104, making a person who knowingly causes the death of a judicial officer guilty of capital murder. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard H. Campbell, Jr. for Corrections and Criminal Justice: Under present law, murder of a law enforcement officer acting in the line of duty is a capital offense. The bill adds judicial officers to law enforcement officers. Additionally, the bill provides that murder of either a law enforcement officer or a judicial officer in retaliation for the officer's actions taken in the line of duty is capital murder. These changes are consistent with the purposes of the present capital murder statute. Vote 8-4.

Amendment (4618B)

Amend the bill by replacing all after the enacting clause with the following:

1 Capital Murder; Judicial Officer Added. Amend RSA 630:1, I(a) to read as follows:

(a) A law enforcement officer *or a judicial officer* acting in the line of duty *or when the death is caused as a consequence of or in retaliation for such person's actions in the line of duty;*

2 New Paragraph; Definition Added. Amend RSA 630:1 by inserting after paragraph II the following new paragraph:

II-a. As used in this section, a "judicial officer" is a judge of a district, probate, superior or supreme court; an attorney employed by the department of justice or a municipal prosecutor's office; or a county attorney; or attorney employed by the county attorney.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill makes a person who knowingly causes the death of a judicial officer guilty of capital murder.

Adopted.

Report adopted and ordered to third reading.

HB 1105, limiting the suspension of sentences. OUGHT TO PASS WITH AMENDMENT

Reps. Donna P. Sytek and Katherine H. Metzger for Corrections and Criminal Justice: Under current law, a prisoner may petition the court to have his sentence reduced every two years (four years for violent crimes) regardless of the length of his original sentence. Victims and prosecutors are notified of the hearing and are invited to comment. Even when chances of sentence reduction are remote, such as early in a 25-year sentence, the victim or his family feels obligated to go to court and relive the horrors of the crime. This bill, as amended, requires a prisoner to have completed either 2/3 of his sentence or four years, whichever is greater, before filing a petition for sentence reduction. After the first try, he can file again no more frequently than every three years. The Commissioner of Corrections and the Attorney General have authority to recommend sentence reduction at any time, under certain conditions. The committee believes this measure will reduce trauma to crime victims while still offering hope to the truly reformed prisoner. Vote 12-0.

Amendment (5274B)

Amend RSA 651:20, I as inserted by section 1 of the bill by replacing it with the following:

I. Notwithstanding any other provision of law, except as provided in subparagraphs (a), (b), and (c), the sentence to imprisonment of any person may be suspended by the sentencing court at the time of imposition of the sentence or at any time thereafter in response to a petition to suspend sentence which is timely brought in accordance with the limitations set forth below in subparagraphs (a), (b), and (c).

(a) Any person sentenced to state prison shall not bring a petition to suspend sentence until such person has served at least 4 years or 2/3 of his minimum sentence, whichever is greater, and not more frequently than every 3 years thereafter.

(b) A petition to suspend the sentence of any state prisoner may be brought at any time if, prior to the petition being filed, the commissioner of the department of corrections has found that the prisoner is a suitable candidate for suspension of sentence.

(c) A petition to suspend the sentence of any state prisoner may be brought at any time by the attorney general in recognition of substantial assistance by the inmate in the investigation or prosecution of a serious felony offense.

(d) Petitions filed which do not meet the criteria in (a), (b), or (c) above shall be dismissed without a hearing.

Amend the bill by replacing section 2 with the following:

2 Applicability. This act shall apply to all petitions brought after the effective date of this act.

3 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 1232, prohibiting annulments for certain crimes. OUGHT TO PASS WITH AMENDMENT

Rep. Richard H. Campbell, Jr. for Corrections and Criminal Justice: Upon hearing two bills (this one and HB 1315) that would each change some parts of the criminal record annulment law, with damaging testimony about problems with the present law, the committee decided that it was time to re-write the entire section. This was done with input from the sponsors of

both bills and help from the attorney general's office. The amended bill tightens the requirements for annulment of serious offense records and, in the case of certain crimes of violence or obstruction of justice, it prohibits annulment altogether. At the same time, the bill preserves, and even broadens, the concept of allowing record annulment for minor and moderate offenders who have completed their sentences and cleaned up their acts. One major change is to make the clean-time required before applying for annulment dependent on the offense and not (as in present law) on the sentence. The bill is also designed to clear up some inconsistency and confusion that exists in the present law, and it repeals a conflicting section on destroying certain arrest records. Vote 12-0.

Amendment (5235B)

Amend the bill by replacing all after the enacting clause with the following:

1 Annulment of Criminal Records. RSA 651:5 is repealed and reenacted to read as follows:
651:5 Annulment of Criminal Records.

I. Except as provided in paragraphs V-VIII the record of arrest, conviction and sentence of any person may be annulled by the sentencing court at any time in response to a petition for annulment which is timely brought in accordance with the provisions of this section if in the opinion of the court, after hearing, the annulment will assist in the petitioner's rehabilitation and will be consistent with the public welfare.

II. Any person whose arrest has resulted in a finding of not guilty, or whose case was dismissed or not prosecuted, may petition for annulment of the arrest record at any time in accordance with the provisions of this section.

III. Except as provided in RSA 265:82-c or in paragraphs V and VI, any person convicted of an offense may petition for annulment of the record of arrest, conviction and sentence when the petitioner has completed all the terms and conditions of the sentence and has thereafter been convicted of no other crime, except a motor vehicle offense classified as a violation other than driving while intoxicated under RSA 265:82, for a period of time as follows:

- (a) For a violation, one year.
- (b) For a class B misdemeanor except as provided in subparagraph (f), 3 years.
- (c) For a class A misdemeanor except as provided in subparagraph (f), 3 years.
- (d) For a class B felony except as provided in subparagraph (g), 5 years.
- (e) For a class A felony, 10 years.
- (f) For sexual assault under RSA 632-A:4, 10 years.
- (g) For felony indecent exposure or lewdness under RSA 645:1, II, 10 years.

IV. If a petition for annulment is denied, no further petition shall be brought more frequently than every 3 years thereafter.

V. No petition shall be brought and no annulment granted in the case of any violent crime, of any crime of obstruction of justice, or of any offense for which the petitioner was sentenced to an extended term of imprisonment under RSA 651:6.

VI. If a person has been convicted of more than one offense, no petition for annulment shall be brought and no annulment granted:

- (a) If annulment of any part of the record is barred under paragraph V; or
- (b) Until the time requirements under paragraphs III and IV for all offenses of record have been met.

VII. If, prior to disposition by the court of a petition for annulment, the petitioner is charged with an offense conviction for which would bar such annulment under paragraph V or VI(a) or would extend the time requirements under paragraphs III, IV and VI(b), the petition shall not be acted upon until the charge is disposed.

VIII. Any petition for annulment which does not meet the requirements of paragraphs III-VI shall be dismissed without a hearing.

IX. When a petition for annulment is timely brought, the court shall require the department of corrections to report to the court concerning any state or federal convictions, arrests or prosecutions of the petitioner and any other information which the court believes may aid in making a determination on the petition. The department shall charge the petitioner a fee of \$100 to cover the cost of such investigation unless the petitioner demonstrates that he is indigent. The court shall provide a copy of the petition to the prosecutor of the underlying offense and permit them to be heard regarding the interest of justice in regard to the petition.

X. Upon entry of an order of annulment:

(a) The person whose record is annulled shall be treated in all respects as if he had never been arrested, convicted or sentenced, except that, upon conviction of any crime committed after the order of annulment has been entered, the prior conviction may be considered by the court in determining the sentence to be imposed, and may be counted toward habitual offender status under RSA 259:39.

(b) The court shall issue the person a certificate stating that such person's behavior after the conviction has warranted the issuance of the order, and that its effect is to annul the record of arrest, conviction and sentence, and shall notify the state police criminal records unit and the arresting agency.

(c) In any application for employment, license or other civil right or privilege, or in any appearance as a witness in any proceeding or hearing, a person may be questioned about a previous criminal record only in terms such as "Have you ever been arrested for or convicted of a crime that has not been annulled by a court?"

XI. Nothing in this section shall affect any right:

(a) Of the person whose record has been annulled to appeal from the conviction or sentence or to rely on it in bar of any subsequent proceedings for the same offense; or

(b) Of law enforcement officers to maintain arrest and conviction records and to communicate information regarding the annulled record of arrest or conviction to other law enforcement officers for legitimate investigative purposes or in defense of any civil suit arising out of the facts of the arrest, or to the police standards and training council solely for the purpose of assisting the council in determining the fitness of an individual to serve as a law enforcement officer, in any of which cases such information shall not be disclosed to any other person.

XII. A person is guilty of a misdemeanor if, during the life of another who has had a record of arrest or conviction annulled pursuant to this section, he discloses or communicates the existence of such record except as provided in paragraph XI(b).

XIII. As used in this section, "violent crime" means:

(a) Capital murder, first or second degree murder, manslaughter, or class A felony negligent homicide under RSA 630;

(b) First degree assault under RSA 631:1;

(c) Aggravated felonious sexual assault or felonious sexual assault under RSA 632-A;

(d) Kidnapping or criminal restraint under RSA 633;

(e) Class A felony arson under RSA 634:1;

(f) Robbery under RSA 636;

(g) Incest under RSA 639:2, or endangering the welfare of a child by solicitation under RSA 639:3, III; or

(h) Any felonious child pornography offense under RSA 649-A.

XIV. As used in this section, "crime of obstruction of justice" means:

(a) Tampering with witnesses or informants under RSA 641:5 or falsifying evidence under RSA 641:6; or

(b) Any felonious offense of obstructing governmental operations under RSA 642.

2 Application. The provisions of section 1 of this act shall apply in the case of any petition for annulment brought after the effective date of this act, except that any person convicted of a misdemeanor before the effective date of this act shall have the option of applying for annulment under the laws in effect at the time of sentencing.

3 Repeal. RSA 593:4, relative to destruction of certain arrest records, is repealed.

4 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill modifies the procedures for the annulment of criminal records and also prohibits the annulment of certain serious crimes.

Adopted.

Report adopted and ordered to third reading.

HB 1550, requiring the attorney general to recommend to the general court the best way to implement an efficient and unified system of criminal prosecution. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donna P. Sytek for Corrections and Criminal Justice: This bill as amended establishes a joint House/Senate study committee to explore ways to improve our system of criminal prosecution. Currently the Attorney General has general supervision of all prosecutions with the County Attorneys responsible for felonies and some misdemeanors and local prosecutors responsible for violations and misdemeanors, and the Attorney General's office responsible for homicides. The bill directs the committee to consult with all the players in the system and to bring in recommendations by November 1, 1994. Vote 12-0.

Amendment (4909B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a joint committee to examine the best way to ensure an efficient system of criminal prosecution at the district and superior court level.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established; Authority. There is established a joint legislative committee to examine and recommend the best way to ensure an efficient system of criminal prosecution at the district and superior court level. The committee may invite participation of county attorneys, the office of the attorney general, and other experts as may be appropriate.

2 Members. The committee shall consist of the members of the house corrections and criminal justice committee and the members of the senate judiciary committee. A chairperson shall be elected at the first meeting.

3 Report. The committee shall submit a report, including recommendations for legislation, to the speaker of the house, senate president and governor no later than November 1, 1994.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a joint committee to examine the best way to ensure an efficient system of criminal prosecution at the district and superior court level.

Adopted.

Report adopted and ordered to third reading.

HCR 29, clarifying legislative intent on issues of local school board control. **OUGHT TO PASS**

Rep. Nils H. Larson, Jr. for Education: This resolution expresses the intent of the House that the exercise of local control requires a broad spectrum of options be made available to local authorities for their adoption of policy in local communities. The resolution applies to the State Board of Education and its policies on health curricula as well as all agencies and boards of state government. Vote 16-0.

Adopted and ordered to third reading.

HB 1108, relative to the appointment of members to the northeast interstate dairy compact commission. **OUGHT TO PASS WITH AMENDMENT**

Rep. Derek Owen for Environment and Agriculture: The amendment, which replaces all after section I, clarifies existing legislation on the sampling and testing of raw milk. Vote 16-0.

Amendment (4875B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the appointment of members to the northeast interstate dairy compact commission and relative to the certification of milk laboratories.

Amend the bill by replacing all after section 1 with the following:

2 Definition; Director. Amend RSA 184:79, XV to read as follows:

XV. The term "director" means the director of the division of public health *services* of the department of health and human services, *or designee*.

3 Definition; Milk Laboratory. Amend RSA 184:79, XX to read as follows:

XX. The term "[approved] milk laboratory" means a laboratory customarily engaged in whole or part in the analysis of milk or milk products[, which has been approved in writing by the director].

4 New Section; Laboratory Certification. Amend RSA 184 by inserting after section 82 the following new section:

184:82-a Duties; Division of Public Health Services. The director shall certify to the milk sanitation board that any laboratory in the state engaged in whole or in part in the analysis of milk or milk products meets the criteria established in rules adopted by the board under RSA 184:93, I(1).

5 Reference to Certification. Amend RSA 184:83 to read as follows:

184:83 Analysis Required. Each milk plant engaged in processing milk shall, at least once in each *director under RSA 184:82-a*, calendar month, collect and submit to [an approved] a milk laboratory, *which has been certified by the* for analysis a sample of milk of each producer supplying milk to such milk plant. Such laboratory shall determine the bacterial count of such samples as raw milk, such determination to be made by the standard plate count method, as well as a determination for such harmful substances as the milk sanitation board may by regulations require and shall keep a record of such findings for a period of not less than one year following any such findings which shall be open to inspection by the director. The laboratory shall make a report to the milk plant submitting any such samples, and said laboratory shall transmit a copy of each such report to the director.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides for the appointment of New Hampshire delegates to the northeast interstate dairy compact commission.

The bill also requires the director of the division of public health services to certify to the milk sanitation board that milk laboratories in the state meet criteria established by the board. Adopted.

Report adopted and ordered to third reading.

HB 1121, repealing the standardbred breeders and owners development agency. **OUGHT TO PASS**

Rep. Derek Owen for Environment and Agriculture: The Committee felt there was very little support for the existing statute. This agency showed little demonstrated need, is not financed, and, indeed, is "archaic." Vote 16-1.

Adopted and ordered to third reading.

HB 1302-L, making aircraft operating areas subject to property taxation on the basis of current use. **REFER FOR INTERIM STUDY**

Rep. Donald R. Philbrick for Environment and Agriculture: The problem brought forth by the sponsors of this bill was recognized by the subcommittee assigned to study it. It was felt that the issue of discretionary easements in general should be studied further. Vote 16-0.

Adopted.

HB 1421, requiring owners to enroll land in current use for a 10-year period and changing the rate of the land use change tax. **INEXPEDIENT TO LEGISLATE**

Rep. Donald R. Philbrick for Environment and Agriculture: This bill attempted to change the land use change tax with a very complicated formula which would involve considerable work on town administrators. There were questions of unfunded mandates and numerous legal questions on a mandatory reenrollment program for all landowners with land currently enrolled in current use. Vote 16-0.

Rep. Shaw spoke against.

Rep. Philbrick spoke in favor.

Roll call request sufficiently seconded. The question being the adoption of the committee report.

Report adopted.

HB 1181, relative to oral authorizations for interceptions of communications in certain emergencies. **INEXPEDIENT TO LEGISLATE**

Rep. Benjamin J. DePecol for Judiciary: While being sympathetic to the intent of the bill, the committee believes that the bill is too broad and that many of the concerns of the sponsor are already addressed in current law. Vote 14-4.

Adopted.

HB 1225, relative to access to medical care. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rick G. Newman for Judiciary: This bill, while expressly protecting the constitutional rights of persons who wish to protest, or express their views, will make it unlawful for anyone to harass, intimidate, or interfere with a person who seeks to enter a medical care facility. Vote 14-5.

Amendment (5251B)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The general court recognizes that:

I. The right of access to health care facilities for the purpose of obtaining or providing medical counseling and treatment is fundamental;

II. The exercise of a person's right to protest or counsel against certain medical procedures must be balanced against another person's right to obtain or provide medical counseling and treatment in an unobstructed manner; and

III. Guaranteeing a person's right of access to receive or provide medical counseling and treatment at a health care facility is essential.

2 New Section; Interference With Access to Medical Care. Amend RSA 633 by inserting after section 4 the following new section:

633:5 Interference With Access to Medical Care; Exception; Penalty.

I. In this section:

(a) "Health care facility" means any site, whether public or private:

(1) Which is licensed by the state under RSA 151.

(2) A licensed physician's office or anywhere a licensed medical practitioner provides health care services.

(3) A facility that provides counseling or referral services for reproductive health care.

(b) "Course of verbal or physical intimidation" means a pattern of conduct composed of acts on more than one occasion over a period of time, however short, evidencing a continuity of purpose.

II. A person is guilty of interfering with access to medical care if such person, acting alone or in concert with others, shall knowingly:

(a) Use force or the threat of force to prevent or discourage the provision of medical services;

(b) Obstruct, block, or physically impede a person from entering or exiting a health care facility;

(c) Render a health care facility temporarily or permanently unusable by employees or patients; or

(d) Engage in a course of verbal or physical intimidation directed at an individual or the individual's family which is intended to prevent the individual from, or punish the individual for, participating in the provision of or receipt of lawful medical services or the lawful refusal of medical services.

III. This section shall not apply to:

(a) Actions taken by a law enforcement officer or agent of a public utility acting within the scope of such officer's or agent's official authority; or

(b) Speech or expressive conduct protected by the First Amendment to the United States Constitution, and lawful picketing or peaceful assembly that does not interfere with access to health care facilities.

IV.(a) Any person who is convicted of a violation of this section shall be guilty of a class A misdemeanor.

(b) Any person convicted of a violation of this section and who has one or more prior convictions for violating this section or a similar law in another state, when the second or subsequent offense occurs within 7 years following the date of the first or prior offense, shall be guilty of a class B felony.

(c) Nothing in this section shall be deemed to preclude or limit prosecution for any other crime defined in title LXII.

(d) A person convicted of violating this section may be ordered to reimburse public agencies for all reasonable costs incurred in responding to the violations, including, but not limited to, salaries of law enforcement and other emergency personnel.

3 Effective Date. This act shall take effect January 1, 1995.

Rep. Lown spoke in favor and yielded to questions.

Rep. Cogswell spoke against.

Rep. Newman spoke in favor.

Roll call request sufficiently seconded. The question being the adoption of the amendment.

and the amendment was adopted.

Reps. Royce, Wells and Mitchell voted nay and intended to vote yea.

Report adopted and ordered to third reading.

HB 1303, permitting the recording of communications with one party's consent and establishing a study committee to study the admissibility of lawfully acquired communications. **INEXPEDIENT TO LEGISLATE**

Rep. David C. Allison for Judiciary: This bill was voted Inexpedient to Legislate because some members recognized it to be an invasion of privacy; others saw the legislation as a potential harassment issue. Vote 15-1.

Adopted.

HB 1316, prohibiting discrimination based on genetic characteristics. **INEXPEDIENT TO LEGISLATE**

Rep. Edward M. Gordon for Judiciary: The Judiciary Committee found that there is substantial concern in regard to discrimination based upon the results of genetic testing. However, it did not believe that a broad revision of the anti-discrimination statute to include the category of "genetic characteristics" is warranted at this time. The committee has recommended that the issue of genetic testing be studied further within the context of House Bill 1423. Vote 12-4.

Adopted.

HB 1349, relative to representation of business organizations in small claims court. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rick G. Newman for Judiciary: This bill clarifies the procedure which allows corporations to designate an individual who is not an attorney to represent the corporation in small claims court. This bill is supported by several business organizations in New Hampshire. Vote 10-4.

Amendment (5367B)

Amend the bill by replacing all after the enacting clause with the following:

1 Representation of Business Organizations in Small Claims Court. Amend RSA 503:11 to read as follows:

503:11 Representation of Corporations and Other Business Organizations.

I. Notwithstanding RSA 311:11, and to the extent not inconsistent with court rules, an officer, employee, partner, owner or trustee, as applicable, of a corporation, partnership, *limited liability company*, or trust who presents written authorization and who is not an attorney but is appearing for the organization, may represent the organization in an action cognizable as a small claim under this chapter before a district or municipal court for the purposes of entering a plea or answer on behalf of the organization, or otherwise representing the organization during the course of the small claim proceeding.

II. The requirement for written authorization in paragraph I shall be met by a document, signed by a duly authorized [representative] *official* of the organization and containing a certificate of acknowledgment to the signature, authorizing the representation [by a particu-

lar individual in a particular matter], and acknowledging that the organization shall be bound by any agreement entered into by such individual or any order of the court in the matter. Any such written authorization shall be presented to the court under oath by the representative.

III. Nothing in this section shall prevent the court from denying representation by any individual it deems to be improper, inappropriate or unable to adequately represent the interests of the organization.

IV. "Duly authorized" as used in paragraph II shall mean:

(a) For a corporation, a resolution adopted by the board of directors.

(b) For a partnership, an authorization signed by [all] *a* general [partners] *partner*.

(c) For a trust, an authorization signed by [all trustees] *a trustee*.

(d) *For a limited liability company, an authorization signed by a member with management authority.*

V. The authorization of the duly authorized official by the organization may apply to all matters or may be limited to specific matters at the election of the organization.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows a member of a limited liability company with management authority to represent a limited liability company in small claims court, if such person obtains written authorization from the company.

Adopted.

Report adopted and ordered to third reading.

HB 1423, relative to genetic testing. REFER FOR INTERIM STUDY

Rep. Alice Barnard Record for Judiciary: The Committee believes that the genetic testing issue is so important for the public that it is advisable to send it to interim study to adequately cover all facets of the bill that need to be looked at before passage. Whereas, to put this bill into sub-committee for study now, and bring it back this session, wouldn't give the committee the necessary time to cover all current questions, relative to genetic testing now facing this committee, and as a consequence, having the bill killed on the floor. Vote 16-3.

Adopted.

HB 1470, relative to the eviction process. INEXPEDIENT TO LEGISLATE

Rep. Robert M. Gilbreth for Judiciary: This bill could deny some tenants the use of the court. It could be a denial of due process. This is because the contested rent must be paid before the tenant can be heard in court. Landlords could take advantage of the most vulnerable people. Vote 10-2.

Adopted.

HB 1486-FN, relative to preserving private property rights. INEXPEDIENT TO LEGISLATE

Rep. Rick G. Newman for Judiciary: The Committee believes this bill is far reaching in scope and could be extremely costly to the state. The bill requires compensation to individuals whose property is affected by any government action or regulation. Vote 11-3.

Adopted.

HB 1567-FN, relative to the medical fee schedule, businesses with 25 or more employees and other aspects of workers' compensation. OUGHT TO PASS WITH AMENDMENT

Rep. Jay Ward for Labor, Industrial and Rehabilitative Services: The proposed amendment increases the Labor Commissioner's pay level to Group R and the Deputy Labor Commissioner to Group O. The committee felt the salaries for these positions needed to be upgraded. Vote 13-0.

Rep. Hawkins yielded to questions.

Rep. Pepino moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Reps. Hawkins and Turner spoke against and yielded to questions.

Rep. Warburton spoke against.

LAI D ON THE TABLE

Rep. Welch moved that **HB 1567-FN**, relative to the medical fee schedule, businesses with 25 or more employees and other aspects of workers' compensation, be laid upon the table.

Roll call request sufficiently seconded. The question being to lay HB 1567-FN on the table.

adopted and HB 1567-FN was laid on the table.

HB 1265-FN-L, allowing city treasurers to invest money belonging to the city in certain investment instruments. **OUGHT TO PASS**

Rep. Elizabeth A. Cepaitis for Municipal and County Government: This legislation expands the list of allowable investment instruments in which a city treasurer can invest excess operating funds. By limiting investment to those approved by the Public Deposit Investment Pool, the funds will remain as secure as they are at present. Vote 13-2.

Rep. Holbrook spoke against.

Rep. Cepaitis spoke in favor.

Adopted and ordered to third reading.

HB 1279-L, relative to taxpayer inventory forms and procedures. **INEXPEDIENT TO LEGISLATE**

Rep. David M. Perry for Municipal and County Government: House Bill 1279 creates a mandate for the towns that do not now use the inventory form. Much of the information asked for by the bill is available elsewhere. Vote 14-2.

Rep. Langer spoke against.

Rep. Perry spoke in favor.

Adopted.

HB 1355, prohibiting sale of blue lights to persons who are not law enforcement officers and prohibiting police officers driving unmarked cars from apprehending motorists. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: REFER FOR INTERIM STUDY.**

Reps. Leo P. Pepino, George F. Brown, Glenn E. Dewhirst, John W. Flanders, Sr., Dennis H. Fields, Thomas C. Hemenway, Bruce F. Hunter, Robert H. Milligan, Richard A. Soucy, and Gordon E. Wiggin for the Majority of Public Protection and Veterans Affairs. The Committee reviewed extensive oral and written testimony and concluded that those few violators who unlawfully display blue lights and who unlawfully pose as law enforcement officers would not be deterred from their unlawful actions with the enactment of this legislation. Whereas, the law enforcement community - those who have a sworn duty and obligation to protect the lives and property of our citizens and of those who visit this State - would be seriously and detrimentally affected; thereby rendering our law enforcement community less able to provide the public protection we now have and expect. Vote 10-4

Rep. George R. Rubin for Public Protection and Veterans Affairs: The minority of the Committee contends that the prohibition of blue lights and wig-wag devices on other than official vehicles creates a safety problem for our citizens. There was enough testimony to resubmit for interim study.

Rep. Dykstra moved that the words Refer for Interim Study be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Welch spoke in favor.

Adopted and the substituted Committee report was adopted.

HB 1366, prohibiting the use of unmarked police vehicles at night. INEXPEDIENT TO LEGISLATE

Rep. Lucien Bergeron for Public Protection and Veterans Affairs: Testimony on this bill from supporters illustrated the problem from the point of view of female drivers in unpopulated areas of our state being flagged down by vehicles displaying blue lights. The question is, should such a driver stop in an isolated area when the vehicle is not a properly marked police vehicle? Testimony from police officers indicated that they are aware of the problem and if the driver wishes to proceed to a lighted or more populated area, most departments have addressed the procedure. Most officers who patrol in unmarked vehicles are not on traffic patrol and would notify a marked cruiser if a violation is noticed. In the absence of a marked cruiser, a stop will be made to insure the safety of other motorists. Vote 10-4.

Adopted.

HB 1479-L, requiring smoke detectors in buildings upon the sale or transfer of the buildings. OUGHT TO PASS WITH AMENDMENT

Rep. James J. Fenton for Public Protection and Veterans Affairs: The amendment replaces the entire bill and now requires that a seller of a building disclose to a buyer information relative to the existence of electronically operated, battery supported, smoke alarms and the condition thereof. The original bill would have required installation of smoke detectors at the point of sale. The amendment was viewed as an acceptable compromise. Vote 10-1.

Rep. Knowles moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Rep. Fenton spoke in favor.

Adopted and the substituted Committee report was adopted.

HB 1257, relative to the public use of beaches. OUGHT TO PASS WITH AMENDMENT
Reps. Howard C. Dickinson, Jr. and Deborah F. Merritt for Resources, Recreation and Development: HB 1257, as amended, represents the committee's efforts to resolve the long-standing controversy over who has what rights to the use of our coastal beaches. We believe that the public should be able to continue to use our beaches in the same manner as they always have, while at the same time respecting and recognizing the adjacent landowner's rights. HB 1257 recognizes a public easement for fishing, fowling, navigation and recreational uses on our coastal beaches where the public traditionally had access and additionally codifies existing case law regarding those coastal waters held in public trust by the State. We believe this will reflect in statute for the first time what has been occurring on our coastline in recent years. Vote 15-1.

Rep. Merritt moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Reps. Ritzo, Vaughn and Dickinson spoke in favor.

Rep. Hart spoke against.

Adopted and the substituted Committee report was adopted.

HB 1149, to require prompt public notification of radioactive releases and other safety related events at nuclear power plants. INEXPEDIENT TO LEGISLATE

Rep. Ralph J. Rosen for Science, Technology and Energy: The company has made a good first effort in establishing an information line to address the concerns of the Seacoast residents. Vote 6-3.

Adopted.

Rep. Musler declared a conflict of interest and did not participate.

HB 1393, relative to consumer choice in home television programming. MAJORITY: IN-EXPEDIENT TO LEGISLATE. MINORITY: REFER FOR INTERIM STUDY.

Rep. Karen K. McRae for the Majority of Science, Technology and Energy: It was with regret that the committee voted ITL. The concept presented in the bill had great merit but to define the terms, "vendor" and "channel" in the light of new technology was too difficult in the time allowed. As a policy committee, we will follow up on this bill and try to come up with a resolution of terms and definitions. Vote 7-3.

Rep. Sarah K. Bonneau for the Minority of Science, Technology and Energy: Because we feel consumer choice needs to be a priority and declared as such we would have preferred to see this bill studied further in committee and addressed by a date certain.

Majority report adopted.

HB 1397, relative to a limitation on telephone company release of telephone call records. OUGHT TO PASS WITH AMENDMENT

Rep. Karen K. McRae for Science, Technology and Energy: HB 1397, as amended, defines "communications records" and "communication services" and prevents dissemination of certain call records thereby assuring the customer's privacy. Vote 8-2.

Amendment (5313B)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. It is the intent of the general court to protect the privacy of the communications records of the people of this state by limiting the uses to which such records may be put by providers of communications services.

2 New Paragraphs; Definitions Added. Amend RSA 570-B:1 by inserting after paragraph IV the following new paragraphs:

V. "Communications records" means data with respect to a named or otherwise identifiable individual that relate in any way to the use of a communications service by that individual.

VI. "Communications services" means services for transmitting, emitting, or receiving signs, signals, writing, images, sounds or intelligence of any nature by an electromagnetic system capable of 2-way communication and includes, without limitation, messages or information transmitted through use of local, toll and wide area telephone service; channel services; telegraph services; teletypewriter services; cable television; computer exchange services; satellite services; cellular mobile telecommunications services; facsimile services; specialized mobile radio; stationary 2-way radio; paging services; or any other form, whether stationary, portable or mobile, of 2-way communications; or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber-optics, laser, microwave, radio, satellite or similar facilities, and whether originating and terminating within this state, or either originating or terminating outside this state, to the extent permitted under the constitution and statutes of the United States. "Communications services" shall not include:

(a) Private line services and networks, whether leased, rented or owned; or

(b) The one-way transmission of radio or television programming, by cable, broadcast, satellite, microwave or similar facility, which is made available generally to any person able to receive such transmission, together with the interaction, if any, of such person required for the selection of such programming other than by use of the same facility by which such transmission was received.

3 New Sections; Access to Telephone Call Record Limited; Damages. Amend RSA 570-B by inserting after section 7 the following new sections:

570-B:8 Access Limited. No provider of communications services shall sell, rent, trade, transfer, or in any way make available to any other person, or use itself, any communications record in such provider's possession for any purpose except in the following circumstances:

I. For billing purposes;

II. For an inquiry by an individual into such individual's own communications record;

III. For use with a service authorized by statute or approved by the public utilities commission;

IV. For law enforcement officials, as provided under any other provision of law;

V. For a listing of all subscribers to the provider's communication services; provided that each subscriber shall be informed of the list, the purposes for which it may be used, and the communications records to be included therein and, no less frequently than once in every calendar year, shall be given the option of excluding from the listing any or all such records that pertain to the subscriber.

570-B:9 Penalty. An aggrieved individual may bring a civil action against a provider of communications services under the provisions of RSA 570-B:8, if the provider knowingly releases a communications record. Any person who violates RSA 570-B:8 shall be liable to the aggrieved individual in an amount not to exceed \$1,000 for each violation and shall be responsible for court costs and reasonable legal fees of the complainant.

4 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill defines "communications records" and "communications services" and prohibits a telephone company from releasing telephone call records except under certain circumstances. Any person found guilty of violating this provision shall be liable to an aggrieved person in an amount not to exceed \$1,000 for each violation plus legal fees and costs.

Adopted.

Report adopted and ordered to third reading.

HCR 22, urging Congress to limit campaign spending and to keep unalterable records of its proceedings. **OUGHT TO PASS**

Rep. Tommy J. St. Martin for State-Federal Relations: This resolution urges Congress to adopt Constitutional Amendments including campaign spending limits, record keeping and salary approval from voters. These summarize key issues raised in term limit debates, and were supported by a member of United States Term Limits appearing before the Committee. Vote 10-2.

Adopted and ordered to third reading.

HCR 23, relative to the North American Free Trade Agreement. **INEXPEDIENT TO LEGISLATE**

Rep. Lawrence J. Guay for State-Federal Relations: The majority of the Committee agrees that we have to carefully watch and encourage our New Hampshire delegation to carefully look at the North American Free Trade Agreement. Additionally, the Committee feels that the agreement as written is being reviewed by our New Hampshire delegation, and we should wait until we hear their comments before passing resolutions. Vote 8-4.

Adopted.

HCR 26, rescinding the 1979 call for a federal constitutional convention. **INEXPEDIENT TO LEGISLATE**

Rep. Lawrence J. Guay for State-Federal Relations: This resolution, which would rescind New Hampshire's call for a balanced budget amendment, was introduced and defeated by the General Court in 1988, 1991, and 1992. After hearing two days of testimony, the Committee (including one sponsor) unanimously agreed that House Concurrent Resolution 26 should not pass. Senators Smith and Gregg, and Representatives Zeliff and Swett are on record in favor of the balanced budget amendment. It would be inappropriate to rescind our support for the measure at a time when the United States Senate and House will be voting on the balanced budget amendment. The federal deficit was less than one trillion dollars when New Hampshire called for a balanced budget amendment in 1979. That deficit is now greater than four and one half trillion dollars. The deficit continues to grow in the absence of the safeguard a balanced budget amendment will provide. Vote 12-0.

Rep. William Riley moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. William Riley requested a quorum count. The Speaker declared a quorum present.

(Rep. Cole in the Chair)

Rep. William Riley spoke in favor and yielded to questions.

Reps. Kennedy and Beverly Gage spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

Report adopted.

HB 1208, creating a study committee to study the feasibility of issuing titles to all undocumented motorized vessels in New Hampshire inland and coastal waters. **OUGHT TO PASS WITH AMENDMENT**

Reps. George N. Katsakiores and Thaddeus E. Klemarczyk for Transportation: With some probing by the Coast Guard and the National Association of Boating Laws Administrators, and New Hampshire presently a non-titled state, the Transportation Committee felt a study committee could make recommendations as to titling all undocumented motorized vessels in the future. Vote 12-1.

Amendment (4904B)

Amend the bill by replacing section 4 with the following:

4 Report. The committee shall make a report of its findings and recommendations for legislation on whether all undocumented motorized vessels in New Hampshire inland and coastal waters should be issued titles. The report shall be issued to the speaker of the house, the president of the senate, and the governor no later than November 1, 1994.

Adopted.

Rep. Malcolm offered a floor amendment.

Floor Amendment (5297B)

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 1290-FN, changing the salary of the deputy bank commissioner and replacing the bank commissioner with the state treasurer as an ex officio voting member of the New Hampshire retirement system board of trustees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Wheeler for Appropriations: The committee felt that the deputy bank commissioner should be compensated for his additional responsibility. In addition the treasurer should replace the banking commissioner as an ex officio voting member of the New Hampshire retirement board thereby negating a rather natural conflict of interest regarding the state investments. Vote 17-0.

Amendment (5366B)

Amend RSA 100-A:14, I as inserted by section 3 of the bill by replacing it with the following:

I. The administration of this system is vested in a board of 13 trustees. The [bank commissioner] *state treasurer* shall be an ex officio voting member of the board [but shall abstain from voting on the placement of funds in New Hampshire banks]. The governor and council shall appoint 2 trustees, to be known as non-member trustees, who shall be qualified persons with business experience and not be members of the system, and who shall serve for a term of 2 years and until their successors are appointed and qualified, except that the original appointment of one of the non-member trustees shall be for a term of one year. The remaining 10 members of the board shall consist of 2 employees, 2 teachers, 2 permanent policemen, 2 permanent firemen, one member of the senate who serves on the insurance committee and who shall be appointed annually by the senate president, and one member of the house of representatives who serves on the executive departments and administration committee and who shall be appointed annually by the speaker of the house. Whenever a vacancy occurs, the senate president or the speaker of the house shall fill the vacancy in the same manner by appointing a senate or a house member who shall serve for the unexpired term. The New Hampshire state employees' association, the New Hampshire education association, the New Hampshire police association, and the New Hampshire state permanent firemen's association shall each annually nominate from their members a panel of 5 persons, all of whom shall be active members of the retirement system, or one of the 4 predecessor systems, no later than May 31 of each year, and the panels so named shall be filed with the secretary of state no later than June 10 of each year. From each of the above named panels the governor and council shall originally appoint 2 persons, and thereafter one annually to the board. Members appointed to the board in the manner aforesaid shall serve for a term of 2 years, except that the original appointments of one of the persons from each panel shall be for a term of one year. Each member so appointed shall hold office until his successor shall be appointed and qualified. Whenever a vacancy occurs, the governor and council shall fill the vacancy by appointing a member who shall serve for the unexpired term from the same panel from which the former member was appointed. The governor shall designate one of the non-member trustees to serve as chairman of said board of trustees. The chairman, the senate member, the house member, and the 4 group I members shall constitute one subcommittee and the chairman, the senate member, the house member, and the 4 group II members shall constitute another subcommittee. Each subcommittee shall, relative to the members of their respective group, consider policy problems and make recommendations relative to the same to the board of trustees and make recommendations to the board of trustees concerning applications under the provisions of RSA 100-A:6. For the purposes of transacting any business, 4 members of a subcommittee shall constitute a quorum.

Adopted.

Roll call request sufficiently seconded. The question being the adoption of the amended Committee report.

SPECIAL ORDER

Rep. Pfaff moved that **HB 1160**, requiring certain questions pertaining to gambling to be included on the official ballot for the 1994 state general election, be made a Special Order for Tuesday, March 15, 1994.

On a division vote, 217 members having voted in the affirmative and 103 in the negative, the motion was adopted.

REGULAR CALENDAR (Cont'd.)

HB 1400, relative to providing pain relieving medication to individuals who are terminally ill. **OUGHT TO PASS**

Rep. Edward M. Gordon for Judiciary: This bill permits citizens to make an election regarding the administration of pain relieving medication on their living will declaration or durable power of attorney for health care. This will not effect documents executed prior to the adoption of this legislation. The bill allows citizens to make a clear expression of intent regarding future medical care. Vote 18-0.

Rep. Rose moved that the words ought to Pass with Amendment be substituted for the report of the Committee, Ought to Pass, spoke in favor and yielded to questions.

Reps. Gordon and Katherine Wheeler spoke against.

Rep. Cogswell spoke in favor.

On a division vote, 16 members having voted in the affirmative and 274 in the negative, the motion failed.

Rep. Stamatakis spoke in favor of the bill.

Adopted and ordered to third reading.

HB 1370, repealing the prohibition against including CWIP charges in a public utility's rate base. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clifton Below for Science, Technology and Energy: The Committee rejected the original title and intent of this bill, which was to repeal the Anti-CWIP statute, RSA 378:30-a, which excludes utility investment in construction work in progress from utility rate base until such time as plant is placed in service. The NH Supreme Court has found the Anti-CWIP statute to be a reaffirmation of the "used and useful" concept which has been part of the NH statutes since 1941. The committee amendment is very narrow in its scope allowing the PUC after a finding of public interest, to allow costs for certain facilities to be included in a utility's rate base, before they are "used and useful" if such costs are mandated by state or federal law, such as the Safe Drinking Water Act or other pollution control laws. Such costs are still subject to PUC prudence tests. Vote 10-0.

Amendment (5108B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing certain inclusions in a public utility's rate base.

I New Section; Public Utility Rate Base; Inclusions. Amend RSA 378 by inserting after section 30-c the following new section:

378:30-d Public Utility Rate Base; Inclusions.

I. Significant costs, including financing costs, incurred by a utility for engineering, design, and construction of facilities which are mandated by state and federal law may be included, in whole or in part, in a utility's rate base prior to the facilities' completion and operation at the discretion of the commission. Facilities so mandated may be exempted by the commission from the provisions of RSA 378:30-a, which excludes construction work in progress from a utility's rate base and RSA 378:27 which excludes from a utility's rate base any plant and equipment that is not yet used and useful in the public service subject to a finding by the commission that such an exemption is in the public interest. Facilities which are projected to cost more than 10 percent of a utility's rate base, or more than \$500,000, whichever is less, shall be considered significant.

II. Any utility mandated by state or federal law to construct new facilities shall notify the commission of the mandate and its proposal for compliance. The commission may include

in the utility's rate base, those costs actually incurred for engineering design and construction of facilities and may investigate cost data submitted as it deems necessary. Commission approval to include engineering and construction costs of federally and state mandated facilities shall not constitute a commission finding of prudence. The utility's prudence shall be evaluated as part of its next rate case and all such costs included in the rate base shall be subject to disallowance and recoupment at that time.

III. The provisions of this section shall not apply to Public Service Company of New Hampshire until the termination of the fixed rate period established pursuant to RSA 362-C. 2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes the public utilities commission to allow a utility to include certain expenses in the utility's rate base which are incurred as a result of a construction project required by state or federal law.

Adopted.

Rep. Lucien Bergeron spoke against.

Rep. Below spoke in favor.

Report adopted and ordered to third reading.

HCR 28, issuing an ultimatum to the federal government regarding the national debt. IN-EXPEDIENT TO LEGISLATE

Rep. Carol H. Holden for State-Federal Relations: HCR 28 provides that if 38 states vote to do so, each state shall have the option of becoming sovereign, independent and free of the federal government. The Committee recognizes the problem with the national debt, but feels that this is not the way to solve this problem. Vote 13-0.

SPECIAL ORDER

Rep. Gorman moved that **HCR 28**, issuing an ultimatum to the federal government regarding the national debt, be made a Special Order for Tuesday, March 15, 1994.

On a division vote, 151 members having voted in the affirmative, and 124 in the negative, the motion to Special Order was adopted.

RESOLUTION

Rep. Ann Torr offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, March 15, 1994 at 1:00 p.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 1300-FN-A, requiring the state to pay certain costs of employing superior court bailiffs and establishing a committee to study the use of per diem compensation.

HB 1580-FN-A, increasing the funds appropriated to finance the gubernatorial transition.

HB 1154, establishing a committee to study the feasibility of establishing a separate arbitration board for recreational vehicle defects.

HB 1222, requiring that recounts of certain secret ballot votes take place at the town or school district meeting.

HB 1238-L, relative to time computation for purposes of statutory construction.

HB 1318, relative to reporting requirements for elected officials.

HB 1566-FN, relative to the duties of the secretary of state, including accounting for certain fees, relative to voting in places which are organized and which are not organized for voting, and relative to the declaration of intent form which must be filed by candidates.

HB 1180, modifying the arson statutes to include historic structures and increasing the penalty.

HB 1227, allowing insurance companies, which indemnify victims, restitution for damage caused by certain criminal acts and establishing priority rights as between such victim and the indemnifying entity.

HB 1237, making interference with the duty of a probation or parole officer a crime.

UNANIMOUS CONSENT

Rep. Trombly addressed the House.

Rep. Leonard Smith moved that the remarks of Rep. Trombly be printed in the Journal and that a copy of the Journal be sent to the Manchester Union Leader.

Adopted.

Rep. Trombly: Thank you Mr. Speaker and members of the House. I will be brief for two reasons, I am hungry and I have to go to the bathroom. I don't know which I want to do first.

Mr. Speaker I rise because two weeks ago in a statewide newspaper, I read a very interesting but incomplete article. That article listed members of the legislature who had been identified as receiving money in some form for some capacity from the State of New Hampshire. That list was compiled by the various state agencies at the request of an Executive Councilor. For what reason I don't know. None was given in the article and none has been forthcoming. Mr. Speaker, that article is incomplete because it didn't list me. As an attorney, I felt when I took the oath it was my responsibility to work for and at the request of those people who were not fortunate enough to afford counsel and represent themselves in these courts in the state. Therefore, I represent people who are indigent who are brought before the court system in child abuse and neglect cases and in CHINS cases. Mr. Speaker, this is no secret to anyone. But, I am offended. My dignity is offended and my belief in you, my colleagues, that we, together, can do things right and fair and just and in an open manner without innuendo, without unstated charges and inferences that somehow, if we are employed for or receive money from contracts with the State of New Hampshire that our judgment on issues that come before this body are tainted.

Mr. Speaker, two years ago I was appointed to help write the Ethics Rule for this body as was Rep. William Kidder, a person whose moral character is unchallenged in this House. We had to wrestle with the fact that the people of this state want and desire a citizen legislature. That requires that we allow everyone to serve and bring into it his and her experiences in life whether it is on a volunteer basis, in the military, in business or as an employee of a big company. We chose to enact ethics rules that said rather than prevent and eliminate people from running and serving their constituents. We felt that disclosure was more important. We live by those rules. Every single person that was contacted by that reporter must have felt the same way I felt when I was answering questions such as, isn't this a conflict? Isn't that a problem? Don't you benefit from this? I have a certain amount of experience answering those questions. I can only sympathize with those of you who had to go through that and don't have that experience. I want to tell you, Mr. Speaker, that everyone in this House, everyone, regardless of his or her party affiliation, from now back to when we enacted the ethics laws, no one has ever come and said, "How do I get around this?" "How do I avoid this?" Everyone in here has tried to maintain scrupulously compliance with those ethics rules. We have dealt with issues that have come before this body in an open and fair manner. I quite frankly resent serving in a body that is so upright and so forthright and in a body that is governed by ethics, unlike the institution to which the member belongs who made the allegation. Mr. Speaker, I feel that if any member of the public, whether or not a member of the legislative, judicial or executive branch, feels that any specific member has violated his duty of ethics, let them come forward and make the allegation. Let's stop this government of inference of wrongdoing or the appearance of conflict. If you have a complaint, make it and let's get on with it. If you don't, then let's not besmirch the good name of this House where good people try to do good deeds. Thank you, Mr. Speaker.

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills and enrolling reports only.

Adopted.

The House recessed at 6:00 p.m.

RECESS

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 11

Tuesday, March 15, 1994

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

His Excellency, Governor Stephen Merrill, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of persistent justice make us aware of what You are doing in the world and help us to unite our wills to Your purposes. Inspire us with compassion so that we may resist the temptation of complacency and lift us beyond mere optimism into the possibilities of hope where we may dwell with patience and longing as citizens of the kingdom You are creating. Amen.

Rep. Gagnon led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Cole, Foss, Leclerc, O'Brien and Sargent, the day, illness.

Reps. Merritt, Russell, David Holt, C. William Johnson, Paul White, Avery, Joyce Johnson, Perry, Miller, Crum, Katherine Foster, William Riley, Richards, Vanderlosk, Kincaid, Ahlgren and Cogswell, the day, important business.

Rep. O'Rourke, the day, illness in the family.

SPECIAL ORDERS

HB 1160, requiring certain questions pertaining to gambling to be included on the official ballot for the 1994 state general election. **INEXPEDIENT TO LEGISLATE**

Rep. H. Thayer Kingsbury for Constitutional and Statutory Revision: The committee thinks that the gambling issue needs much more study before it is placed on the ballot. Vote 15-0.

Rep. Benjamin Moore moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Kingsbury spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HCR 28, issuing an ultimatum to the federal government regarding the national debt. IN-EXPEDIENT TO LEGISLATE

Rep. Carol H. Holden for State-Federal Relations: House Concurrent Resolution 28 issues an ultimatum to the federal government regarding the national debt. It provides that if 38 states vote to do so, each state shall have the option of becoming sovereign, independent and free of the federal government. The Committee recognizes the problem with the national debt, but feels that this is not the way to solve this problem. Vote 13-0.

Rep. Borsa moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke in favor and yielded to questions.

Rep. Holden spoke against and yielded to questions.

Rep. Rothhaus spoke in favor and yielded to questions.

Rep. Beverly Gage spoke against.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

VACATE

Rep. Kidder moved that the House vacate the reference of **SB 668**, abolishing the New Hampshire retirement system special reserve account, to the Committee on Executive Departments and Administration.

Adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Jasper moved that the House reconsider its action whereby it introduced **SB 668**, abolishing the New Hampshire retirement system special reserve account.

Reconsideration lost.

(Clerk's Note: SB 668 was referred to Committee at a later date.)

COMMITTEE REPORTS**CONSENT CALENDAR**

Rep. Ann Torr moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 1152, requiring insurance companies to give discounts to drivers over 55 years who complete an approved driver safety course, was removed at the request of Rep. McCarty.

HB 1437, requiring members of certain professions to provide written notice to their clients or customers if such professionals do not carry malpractice insurance, was removed at the request of Rep. Burling.

HB 1209-FN, relative to administrative motor vehicle suspensions, was removed at the request of Rep. Richard Campbell.

HB 1525, relative to communications that constitute harassment, was removed at the request of Rep. Vivian Clark.

HR 47, adopting amendments to the house rule regarding capital spending legislation, was removed at the request of Rep. Harwell.

Consent Calendar adopted.

HB 1146-FN-L, relative to climate control upgrades for year-round schools. **INEXPEDIENT TO LEGISLATE**

Rep. Douglas E. Hall for Appropriations: The bill has a number of problems relating to fiscal issues. First, the 60% state aid would be in addition to that portion of existing school building aid that would be available for air conditioning as a portion of new building. Thus, a district could inadvertently obtain state aid at 115% of costs. Secondly, existing building aid is for capital costs only but this bill would seemingly cover interest costs as well. The Department of Education's assumptions regarding costs seem unwarranted, but new information was not forthcoming as promised. The committee feels all of these problems require us to kill this bill at this time. Perhaps a measure without these problems could be considered next year.
Vote 17-0.

HB 1183-FN-L, providing a retirement allowance for teachers retired prior to July 1, 1957, and relative to the time for granting cost of living increases for retirement system members. **OUGHT TO PASS**

Rep. Joanne A. O'Rourke for Appropriations: As of July 1, 1994, this bill grants all teachers who retired prior to July 1, 1957, a retirement allowance of \$10,350 per year. This is terminally funded from the Special Account and affects only three teachers who remain in the old retirement system. Vote 19-0.

HB 1325-FN, requiring the publication of an AIDS/HIV handbook. OUGHT TO PASS

Rep. Sharon L. Nordgren for Appropriations: This bill clarifies the current statute to bring the Division of Public Health into the process with the State Board of Education in the publishing of an AIDS/HIV education handbook. The information in the booklet is to be consistent with information provided by the National Commission on AIDS and the Center for Disease Control (CDC). CDC in the past has provided the funding for the publishing of this booklet. Therefore, we do not anticipate any charge to the general fund. Vote 16-1.

HB 1442-FN-A, relative to a real estate transfer questionnaire and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Arthur P. Klemm, Jr. for Appropriations: This bill, as amended, establishes a real estate transfer questionnaire for the Department of Revenue Administration to assist the department in determining the equalized value of locally-assessed properties. The act shall take effect July 1, 1995. Vote 19-1.

Amendment (5347B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to a real estate transfer questionnaire.

Amend RSA 78-B:10-a as inserted by section 3 of the bill by inserting after paragraph IV the following new paragraph:

V. Any information provided under this section shall be confidential and shall be exempt from RSA 91-A, the right-to-know law, except to the extent it is made available by the department of revenue administration in a statistical form in which no individual or entity is identifiable. Notwithstanding this paragraph, all information collected pursuant to this section may be made available to any public official in connection with his official duties.

Amend the bill by replacing all after section 4 with the following:

5 Effective Date. This act shall take effect July 1, 1995.

AMENDED ANALYSIS

This bill requires that a real estate transfer questionnaire be filed with the department of revenue administration within 30 days after the recording of a deed evidencing the transfer of real property or within 30 days of the transfer, whichever is later. The purpose of the questionnaire is to assist the department in determining the equalized value of locally assessed properties.

HB 1518-A, appropriating funds for the design and construction of an easterly approach from the Scammel bridge to the Spaulding turnpike. OUGHT TO PASS WITH AMENDMENT

Rep. Charles L. Vaughn for Appropriations: This bill authorizes the redesign and reconstruction of portion of Exit 6 on the Spaulding Turnpike at its intersection with NH Route 4 and Boston Harbor Road. The amendment makes available to the Governor and Council two options for funding: for immediate construction the \$1,000,000 may come from the issuance of "turnpike system revenue bonds;" or, if a decision is made by the Governor and Council to delay construction, could be transferred from existing projects under authority contained in RSA 237:2. Vote 20-0.

Amendment (5343B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the department of transportation to redesign and reconstruct a portion of exit 6 on the Spaulding turnpike from turnpike system revenue bonds.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Spaulding Turnpike; Exit 6 Redesign and Reconstruction. Amend RSA 237:2 by inserting after paragraph II-b the following new paragraph:

II-c. Redesign and reconstruct a portion of exit 6 on the Spaulding turnpike.

2 New Subparagraph; Funds Allocated. Amend RSA 237:7, I by inserting after paragraph (1) the following new subparagraph:

(m) Redesign and reconstruction of a portion of exit 6 on the Spaulding turnpike at its intersection with N.H. route 4 and Boston Harbor Road.
RSA 237:2, II-c. \$1,000,000

3 Turnpike System Revenue Bond Authorization Increased. Amend RSA 237-A:2 to read as follows:

237-A:2 Issuance of Revenue Bonds. The state may issue bonds under this chapter to be known as "turnpike system revenue bonds." The bonds may be issued from time to time for the purpose of financing the project costs of construction of any turnpike or of paying or refunding any bonds issued pursuant to RSA 237 or interest thereon. Any such bonds issued to pay or refund bonds issued pursuant to RSA 237 or interest thereon may be issued in sufficient amount to cover items described in RSA 237-A:7. Bonds issued hereunder shall be special obligations of the state and the principal of, premium, if any, and interest on all bonds shall be payable solely from the particular funds provided therefor under this chapter. The bonds shall be issued by the treasurer in such amounts as the governor and council shall determine, not exceeding in the aggregate [\$550,000,000] **\$551,000,000**. Bonds of each issue shall be dated, shall bear interest at such rate or rates, including rates variable from time to time as determined by such index, banker's loan rate or other method as may be determined by the treasurer, and shall mature at such time or times as may be determined by the treasurer, except that no bond shall mature more than 40 years from the date of its issue. Bonds may be made redeemable before maturity either at the option of the state or at the option of the holder, or on the occurrence of specified events, at such price or prices and under such terms and conditions as may be fixed by the treasurer prior to the issue of bonds. The treasurer shall determine the form and details of bonds. Subject to RSA 93-A, the bonds shall be signed by the treasurer and countersigned by the governor. The bonds may be sold in such manner, either at public or private sale, for such price, at such rate or rates of interest, or at such discount in lieu of interest, as the treasurer may determine.

4 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill requires the department of transportation to redesign and reconstruct a portion of exit 6 on the Spaulding turnpike from turnpike system revenue bonds.

HB 1535-FN-L, exempting certain vessels from the state vessel registration fee and the boat fee. **OUGHT TO PASS**

Rep. Charles L. Vaughn for Appropriations: Under current state law RSA 72-A:2, federally-documented vessels used for saltwater fishing pay not only a registration fee to the U.S. Coast Guard, but also a state registration fee. This bill exempts documented vessels from paying the state registration fee. Also, owners of vessels used primarily for commercial fishing purposes in tidal and coastal waters must provide to the Department of Safety a notarized detailed document affirming that the vessel is so used. Vote 17-2.

HB 1551-FN-A, relative to the state's repayment of retirement costs for certain judicial branch employees and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Reps. Robert A. Johnson and Merle W. Schotanus for Appropriations: The committee felt this was an equity issue and that the state should reimburse the city of Franklin and Merrimack county for the state expense they paid. The amendment transfers funds within the fire tower PAU to cover a small shortfall in operating expenses. Vote 15-0.

Amendment (5376B)

Amend the title of the bill by replacing it with the following:

AN ACT

to reimburse the city of Franklin and Merrimack county for their 1993 employer's contribution to the New Hampshire retirement system in contested employment cases, and relative to the appropriation to the division of forests and lands forest protection bureau for fire control.

Amend the bill by replacing section 3 with the following:

3 Forest Protection Bureau; Fire Control. Amend 1993, 349:1, 03, 03, 03, 02, 01, class 20 and class 51 to read as follows:

		<i>FY 1994</i>	<i>FY 1995</i>
20 Current expenses		[62,585] 72,585	[55,794] 75,794
51 Consultants-Benefited	G	[231,660] 221,660	[243,090] 223,090

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill appropriates \$4,426.64 to the city of Franklin and \$7,305.75 to Merrimack county for the fiscal year ending June 30, 1994, for the purpose of reimbursing the city and the county for their 1993 employer's contribution to the New Hampshire retirement system in contested employment cases.

The bill also amends the appropriation in the state operating budget which is made to the division of forests and lands forest protection bureau for fire control relative to current expenses and consultants for fiscal years 1994 and 1995. The amendment does not change the overall total appropriated for fire control.

HB 1585-FN, consolidating administration of the bureau of risk management and the workers' compensation commission, relative to the board of claims, and abolishing the board of approval for state employee bonds. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Wheeler for Appropriations: The committee felt the consolidation under the Commissioner of Administrative Services would be fiscally advisable and it would be further advisable to record the appropriate expense level in the budget to accommodate recoveries from the federal government. Vote 20-0.

Amendment (5356B)

Amend the title of the bill by replacing it with the following:

AN ACT

consolidating administration of the bureau of risk management and the workers' compensation commission; relative to managed care benefits for state employees awarded workers' compensation benefits; relative to the board of claims, and abolishing the board of approval for state employee bonds.

Amend the bill by replacing section 16 with the following:

16 Reference Change from "RSA 281" to "RSA 281-A". Amend the following RSA provisions by replacing all references to "RSA 281" with "RSA 281-A": RSA 5-B:4; 21-I:23, VII; 99:2; 110-B:66; 200-F:1; and 235:37.

Amend the bill by replacing all after section 17 with the following:

18 Managed Care Programs; Authority for Payments. Amend RSA 21-I:24 to read as follows:

21-I:24 Authority for Payment.

I. The commissioner of administrative services is hereby authorized to pay such sum or sums as may be awarded to state employees under the provisions of RSA [281] **281-A**, and the expense of managed care programs authorized by RSA 281-A:23-a and similar services directly related to the provision and monitoring of workers' compensation benefits payable to state employees.

II. If the injured claimant was employed in a department or agency which has received a legislative appropriation for this purpose, the commissioner of administrative services shall charge said sum or sums to the legislative appropriation. In the event there are not sufficient

funds appropriated to the commissioner of administrative services to make payments hereunder, the governor upon request of the commissioner of administrative services is authorized to draw his warrant for such sums from any money in the treasury not otherwise appropriated; provided that payments made to employees paid from the highway fund shall be a charge upon said highway fund, that payments made to employees paid from the fish and game fund shall be a charge upon said fish and game fund, that payments made to employees paid from special funds shall be a charge upon said special funds, and that payments made to employees paid from other funds shall be a charge upon the general fund.

III. If federal regulations prohibit the direct assessment of payments made pursuant to RSA 21-I:24, I from otherwise applicable federal funds, said payments shall be a charge against the general fund in the first instance, but the commissioner of administrative services shall seek recovery of these payments in such amount and under such conditions as the federal regulations applicable to each affected agency may prescribe.

IV. If managed care program expenses, or other expenses directly related to the provision and monitoring of workers' compensation benefits payable to state employees, are procured by the payment of a group insurance premium or other risk shifting method, the commissioner of administrative services shall charge state agencies the cost of such general expenses in proportion to the number of agency employees who receive the services in question in the manner provided by RSA 21-I:24, II.

19 New Section; Procurement of Managed Care and Other Risk Shifting Services. Amend RSA 21-I by inserting after section 25 the following new section:

21-I:25-a Procurement of Managed Care and Other Risk Shifting Services. By following the procedures of RSA 21-I:28, the commissioner of administrative services, after consultation with the workers' compensation commission for state employees, may purchase managed care program services and similar services directly related to the provision and monitoring of workers' compensation benefits payable to state employees. Such services may be combined with one or more group health insurance contracts authorized by RSA 21-I:28.

20 Salary Abolished; Risk Management Administrator. Amend RSA 94:1-a, I by deleting in group K the following: risk management administrator.

21 Transfer of Fiscal Year 1994 Appropriation. On the effective date of this act, any balance remaining in the amount appropriated for fiscal year 1994 in PAU 01, 04, 02, 03, class 11, personal services - unclassified, shall lapse to class 50 - personal services - temporary of PAU 01, 04, 02, 03.

22 Redistribution of Bureau of Risk Management Funds. Amend 1993, 349:1, 01, 04, 02, 03 as follows:

	FY 1994	FY 1995
Strike out		
11 Personal services-unclassified	\$43,314	\$45,451
Insert		
50 Personal services-temporary	0	45,451

23 Reference Change. Amend RSA 281-A:5, IV to read as follows:

IV. In the case of employees of the state, compensation shall be made as provided in RSA 21-I:24 and [21-I:25] 21-I:25-a.

24 Repeal. The following are repealed:

I. RSA 21-I:25, relative to an exception for recovery of certain payments.

II. RSA 93-B:2, relative to the board of approval.

25 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill consolidates the administration of the bureau of risk management and the workers' compensation commission for state employees under the authority of the commissioner of administrative services, abolishing the position of risk management administrator.

The bill administratively attaches the board of claims to the department of administrative services. The board of approval for bonding of state officials and employees is abolished and references to the board are deleted.

The bill also changes the method of funding managed care benefits for state employees awarded workers' compensation benefits.

The bill corrects certain references to the workers' compensation act.

HB 1177, establishing an advisory committee on child care. OUGHT TO PASS WITH AMENDMENT

Rep. Deborah P. McIlwaine for Children, Youth and Juvenile Justice: With a number of bills concerning a variety of programs for children, the committee felt it very important to pass this bill to bring a widely representative group together to: (a) review both federal and state regulations, (b) provide a forum to receive information, and (c) propose an annual state plan for child care improvement. Vote 14-0.

Amendment (4705B)

Amend RSA 126-A:10-d, II as inserted by section 2 of the bill by inserting after subparagraph (l) the following new subparagraphs:

(m) The president of the New Hampshire chapter of the American Academy of Pediatrics, or designee.

(n) One representative of the department of education, appointed by the commissioner of education.

HB 1429-L, exempting municipal recreation programs from day care licensing requirements. OUGHT TO PASS WITH AMENDMENT

Rep. Janet S. Arndt for Children, Youth and Juvenile Justice: This bill reinstates the exemption for municipal recreation programs from state child day care licensing regulation. The amendment will establish a committee to study future directions for New Hampshire child care licensing policies. Vote 14-0.

Amendment (5412B)

Amend the title of the bill by replacing it with the following:

AN ACT

exempting municipal recreation programs from day care licensing requirements and establishing a committee to study future directions for New Hampshire child care licensing policies.

Amend the bill by replacing all after section 1 with the following:

2 Committee Established; Purpose; Membership. A committee is established to study future directions for New Hampshire child care licensing policies. The committee shall consist of the following members:

- I. Two members of the senate, appointed by the senate president.
- II. Two members of the house of representatives, appointed by the speaker of the house.
- III. Two representatives from the department of health and human services, appointed by the commissioner.
- IV. The chairperson of the New Hampshire child care advisory committee, or designee.
- V. The New Hampshire coordinator for school-age child care, or designee.
- VI. The chief of community recreation, New Hampshire division of parks and recreation, or designee.
- VII. The executive secretary of the New Hampshire Boys and Girls Clubs Area Council, or designee.
- VIII. The president of the New Hampshire Parks and Recreation Association, or designee.
- IX. A postsecondary professor of early childhood education, appointed by the executive director of the postsecondary education commission.
- X. A parent whose child is presently involved in child care services or related programs, appointed by the governor.
- XI. A representative of the YMCA, appointed by the chairperson of the Executive Cabinet of the Granite State Cluster of YMCAs.
- XII. A representative of the New Hampshire Child Care Association, appointed by the association.
- XIII. A representative of the New Hampshire Municipal Association, appointed by the association.

XIV. A representative of the New Hampshire Association for the education of Young Children, appointed by the association.

3 Duties; Report. The committee shall:

I. Study the issue of exemptions from child care licensing regulations.

II. Study the variety of child care programs presently operating in New Hampshire and make recommendations for classifying these programs for regulatory purposes.

III. Provide recommendations for appropriate legislation relating to child care licensing regulation.

IV. Issue a report including recommendations for appropriate legislation. The report shall be submitted to the governor, the president of the senate, the speaker of the house, and the state board of education no later than November 1, 1994.

4 Meetings; Chairperson.

I. The first-named member of the house shall call the first meeting within 30 days of the effective date of this act.

II. A chairperson shall be elected by the members of the committee.

III. Members of the committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate when attending to the duties of the committee.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides that municipal recreation programs shall be exempt from state child day care licensing regulation and establishes a committee to study future directions for state child care licensing policies and regulations.

HB 1465, relative to the statute of limitations for filing a civil action alleging child abuse and establishing a study committee on actions for civil damages arising out of sexual and physical assault on children. REFER FOR INTERIM STUDY

Rep. Deborah L. Woods for Children, Youth and Juvenile Justice: With the complex issues involved in dealing with this bill, the committee was unanimous in its decision to refer to interim study. This is NOT a decision to kill the bill. We believe this is the best solution at this time. Vote 14-0.

HB 1115, making a violation of RSA 205-A:2 an unfair trade practice. OUGHT TO PASS WITH AMENDMENT

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: In addition to any other penalties under law, this bill makes a violation of RSA 205-A:2 relative to duties of an owner or operator of a manufactured housing park an unfair trade practice within the meaning of RSA 358-A. However, an individual claimant shall only be entitled to relief under RSA 205-A:12-a or the Consumer Protection Act. Vote 17-0.

Amendment (5419B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to violations of RSA 205-A.

Amend the bill by replacing all after the enacting clause with the following:

1 District Court. Amend RSA 205-A:12-a to read as follows:

205-A:12-a Civil Penalty. In addition to other remedies allowed by law, a manufactured housing park owner may be assessed *by a district court* a civil penalty of \$500 and other reasonable damages for any violation of RSA 205-A:2.

2 New Sections; Unfair Trade Practice. Amend RSA 205-A by inserting after section 13 the following new sections:

205-A:13-a Unfair Trade Practice. Any violation of the provisions of RSA 205-A:2 shall also constitute an unfair trade practice within the meaning of RSA 358-A and may be enforced as provided RSA 358-A.

205-A:13-b Remedy for Complainant. An individual complainant shall only be entitled to relief under RSA 205-A:12-a or RSA 205-A:13-a.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

In addition to any other penalties under law, this bill makes a violation of RSA 205-A:2, relative to the duties of an owner or operator of a manufactured housing park, an unfair trade practice within the meaning of RSA 358-A. However, an individual claimant shall only be entitled to relief under RSA 205-A:12-a or the consumer protection act.

HB 1125, permitting collection agencies to accept assignments of debts. **INEXPEDIENT TO LEGISLATE**

Rep. Robert S. Mercer for Commerce, Small Business and Consumer Affairs: This bill is unnecessary since collection agencies can already bring suit in their own name, if there has been a legitimate assignment of the debt. Where there is no legitimate assignment, it would give collection agencies rights no other parties have and shift costs to other parties. Vote 12-0.

HB 1159, requiring manufactured housing park owners to compensate residents for relocation costs due to change in land use of the park. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: This bill requires manufactured housing park owners to compensate residents for relocation costs if there is a change in use of the land. Vote 12-1.

Amendment (5423B)

Amend RSA 205-A:4-b as inserted by section 1 of the bill by replacing it with the following:

205-A:4-b Displacement of Residents Due to Change in Land Use; Relocation Expenses and Compensatory Payments.

I. A manufactured housing park resident who owns a manufactured home and is required to remove the home from the park because of a change in use of the land on which the manufactured housing is located shall be entitled to receive from the manufactured home park owner:

(a) Relocation expenses to a manufactured housing park satisfactory to the resident within 20 miles of the existing park site up to a maximum of \$3,000; or

(b) In the event a satisfactory site is not available onto which the manufactured housing may be relocated, the sum of \$3,000.

II. For the purposes of this section "relocation expenses" means the cost of moving the home in the condition in which it was purchased and does not include any additions to the home.

III. The owner of a manufactured housing park who intends to close the park shall notify the tenants in accordance with RSA 205-A:3, III and shall notify, in writing, the consumer protection and antitrust bureau of the department of justice and the chief elected official in the town in which the park is located at least 90 days prior to refusing to renew any leases because of the impending closing, or on any earlier date the owner gives any notice of the closing of the park as may be required by law.

IV. This section shall not be construed to mean that the manufactured housing park owner is required to find a new housing park for the tenant being displaced.

HB 1234, allowing condominium unit owners to post "for sale" or "for lease" signs inside their condominium. **INEXPEDIENT TO LEGISLATE**

Rep. G. Philip Rodgers for Commerce, Small Business and Consumer Affairs: A majority of condominium associations have rules filed with the Attorney General's office against signs in or on units. If the owners desire to allow signs, they can implement it. Vote 13-0.

HB 1292, requiring certain disclosure during recruitment by multi-level or network marketing businesses. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs: This bill requires multi-level or networking marketing recruiters to reveal at the time of initial recruitment the name of the corporation or organization represented and also the products sold by said corporation or organization. Vote 14-1.

Amendment (5213B)

Amend RSA 358-O:2 as inserted by section 1 of the bill by replacing it with the following: 358-O:2 Disclosure Required. Any person engaged in multi-level or network marketing shall, when inviting others to a recruitment meeting or seminar to become distributors, disclose the identity of the corporation or organization and the product line the person represents.

AMENDED ANALYSIS

This bill requires that persons engaged in multi-level or network marketing disclose certain information when inviting others to recruitment seminars. "Multi-level or network marketing" means a system in which products are marketed through a chain of salespersons who invest in the company and recruit other persons.

HB 1309, prohibiting insurance companies from mandating that automobile repairs be made at specific repair shops. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: This bill, as amended, is intended to produce a fairer playing field for insured motorists who are involved in an accident and whose automobiles need to be repaired. Vote 15-0.

Amendment (5488B)

Amend RSA 417:4, XX(b) and (c) as inserted by section 1 of the bill by replacing them with the following:

(b) No such insurance company, agent or adjuster shall engage in any act or practice of intimidation, coercion, threat, for or against any such insured person or entity to use such a particular company or location to provide such services or products.

(c) Nothing shall prohibit any insurance company, agent or adjuster from providing to such insured person or entity the name of an automobile repair shop with which arrangements may have been made with respect to automobile repair prices or services. If a name is provided, there must be disclosure by the insurance company, agent or adjuster to the insured person or entity that any other automobile repair shop or location may be used at the discretion of the insured person or entity. However, the insurer may limit payment for such work based on the fair and reasonable price in the area by repair shops or facilities providing similar services with the usual and customary guarantees as to materials and workmanship.

AMENDED ANALYSIS

This bill makes it an unfair insurance trade practice for insurance companies to require that automobile repairs be made at specific repair shops. The bill permits insurance companies to provide the name of an automobile repair shop with which arrangements have been made with respect to automobile repair prices or services to an insured person or entity.

HB 1337, relative to designating a managing broker in a real estate branch office in the event of a vacancy. **OUGHT TO PASS**

Rep. Patricia C. Dunlap for Commerce, Small Business and Consumer Affairs: This bill is a recodification of the real estate laws adopted last year and provides housekeeping language to close a small loophole not previously covered in the event of a vacancy in the position of a managing broker of a real estate branch office. It allows the issuance of a temporary license to a licensed real estate broker to serve in that capacity for a period not to exceed one year from the date of the vacancy. Vote 12-0.

HB 1339, relative to the bank boards of directors or trustees. **OUGHT TO PASS**

Rep. Elizabeth L. Crory for Commerce, Small Business and Consumer Affairs: This bill will permit the board of directors or trustees of a bank or trust company to delegate certain duties to an officer or committee authorized by the board and pursuant to policies approved by the board. This will allow state chartered banks the flexibility in decision making presently allowed to federally chartered banks. Vote 12-0.

HB 1357, requiring that any company engaged in the business of leasing motor vehicles provide full disclosure of all aspects of a lease agreement to a potential purchaser. **REFER FOR INTERIM STUDY**

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: The committee feels that this subject matter requires more time for review and action than is available at this time, and that interim study is the only motion we can make. Vote 14-0.

HB 1391, relative to consumer protection and going-out-of-business sales. OUGHT TO PASS WITH AMENDMENT

Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs: This bill strengthens consumer protection regarding going-out-of-business sales. There is better clarification of the definition of such a sale. It also imposes stricter penalties on individuals who misrepresent such sales. Vote 14-0.

Amendment (5381B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definition Added. Amend RSA 358-A:1 by inserting after paragraph IV the following new paragraph:

V. "Going out of business sale" means any sale advertised, represented or held forth under the designation of: "going out of business," "close out," "quitting business," "discontinuance of business," "selling out," "liquidation," "lost our lease," "must vacate," "forced out," "removal," "branch store discontinuance sale," "building coming down," "end," "final days," "last days," "lease expires," "we give up sale," "we quit sale," "reorganization sale," or any other advertising or designation by any other expression similar to any of the foregoing giving notice to the public that the sale will precede the termination of a business or the abandonment of a business location.

2 Going Out of Business Sales. RSA 358-A:2, XII is repealed and reenacted to read as follows:

XII. Conducting or advertising a going out of business sale:

- (a) Which lasts for more than 60 days;
- (b) Within 2 years of a going out of business sale conducted by the same person at the same location or at a different location but dealing in similar merchandise;
- (c) Which includes any goods, wares, or merchandise purchased or received 90 days prior to commencement of the sale or during the duration of the sale and which are not ordinarily sold in the seller's course of business;
- (d) Which includes any goods, wares, or merchandise ordered for the purpose of selling or disposing of them at such sale and which are not ordinarily sold in the seller's course of business;
- (e) Which includes any goods, wares, or merchandise consigned for the purpose of selling or disposing of them at such sale;
- (f) Without conspicuously stating in any advertisement for any such sale, the date such sale is to commence or was commenced.
- (g) Upon the conclusion of which, continuing that business under the same name or under a different name at the same location; or
- (h) In a manner other than the name implies.

3 Private Actions; Going Out of Business Sales. Amend RSA 358-A:10, I to read as follows:

I. Any person injured by another's use of any method, act or practice declared unlawful under this chapter may bring an action for damages and for such equitable relief, including an injunction, as the court deems necessary and proper. If the court finds for the plaintiff, recovery shall be in the amount of actual damages or \$[200] 1,000, whichever is greater. If the court finds that the use of the method of competition or the act or practice was a willful or knowing violation of this chapter, it shall award as much as 3 times, but not less than 2 times, such amount. In addition, a prevailing plaintiff shall be awarded the costs of the suit and reasonable attorney's fees, as determined by the court. Any attempted waiver of the right to the damages set forth in this paragraph shall be void and unenforceable. *Injunctive relief shall be available to private individuals under this chapter without bond, subject to the discretion of the court.*

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill strengthens the consumer protection statute regarding persons conducting going out of business sales. Specifically, the bill clarifies the definition of such a sale and imposes increased damages and injunctive relief on persons who misrepresent such sales.

HB 1398, establishing a committee to study the possibility of linking the New Hampshire port authority with the Pease International Trade Center by rail or pipeline. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs: This bill establishes a committee to study the possibility of linking the New Hampshire Port Authority with the Pease International Trade Center by rail or pipeline. The amendment adds an additional member from the House and the Senate. It further states that members of the committee be appointed within 30 days of the effective date and that the first named House member shall chair, with the first meeting within 60 days of the effective date. Vote 16-0.

Amendment (5424B)

Amend paragraphs I and II of section 1 of the bill by replacing them with the following:

I. Three members of the house of representatives, appointed by the speaker of the house.

II. Two members of the senate, appointed by the president of the senate.

Amend the bill by replacing section 3 with the following:

3 Appointments; Mileage; Chairperson. The members of the committee shall be appointed within 30 days of the effective date of this act. The first-named house member shall be the chairperson of the committee and shall call the first meeting within 60 days of the effective date of this act. Members of the committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate when attending to their duties on the committee.

HB 1416, relative to liens on manufactured housing. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul L. Drolet for Commerce, Small Business and Consumer Affairs: This bill resolves a long standing problem with abandoned manufactured housing. It also clarifies the procedure to be followed by persons who have liens on manufactured housing when a tenant is in arrears. Vote 14-0.

Amendment (5544B)

Amend the bill by replacing all after the enacting clause with the following:

1 Notice to Lienholders. RSA 205-A:4-a is repealed and reenacted to read as follows:

205-A:4-a Notice to Lienholders.

I. Any person who loans money secured by a lien on manufactured housing owned by a tenant in a manufactured housing park may give written notice of such lien to the park owner or operator and shall become an eligible lienholder for purposes of this section by giving such notice. An eligible lienholder may request the tenant to provide a copy of the park rules then in effect and a written statement disclosing the amount of rent and other charges that the tenant is obligated to pay to the park owner or operator. If the eligible lienholder is unable to obtain such park rules or information relating to the tenancy from the tenant or is uncertain as to its reliability, such lienholder may request the park owner or operator to provide such park rules or information to confirm its reliability. The park owner or operator shall provide such park rules and information to the eligible lienholder within 30 days of receipt of such request. If the park rules are amended or the amount of the rent or other charges are changed after the park owner or operator has received the original notice from the eligible lienholder, the park owner or operator shall give written notice of such change to such lienholder at the same time notice is given to the tenant. If the eligible lienholder assigns its interest in the lien on the manufactured housing, it shall give written notice of the assignment and the name and address of the assignee to the park owner or operator at the time the assignment is made. If the loan secured by the lien on the manufactured housing is repaid, the eligible lienholder shall give written notice of the release of the lien to the park operator or owner at the time the release is given. Any lienholder may release its lien on request of a park owner or operator on such terms and conditions as they may mutually agree.

II. At any time the tenant is in arrears for more than 30 days in the payment of rent and other charges, the park owner and operator may give written notice of such default by registered or certified United States mail, postage prepaid, to the eligible lienholder with a copy to the tenant. A specification of the amount that is past due and the current monthly rent and charges shall accompany such notice of default. The eligible lienholder shall have a period of not more than 60 days from receipt of such notice of default to determine whether it will assume responsibility for the payment of rent and other charges arising after the date of receipt of such notice of the default. If the tenant pays all unpaid rent and other charges within the 60-day period, the park owner or operator shall give notice of such payment in writing to the eligible lienholder, and no further action by such lienholder shall be required.

III. If the eligible lienholder elects to assume responsibility for the payment of rent and other charges commencing on the date of receipt of the notice of default pursuant to RSA 205-A:4-a, II, it shall notify the park owner or operator in writing, with a copy to the tenant, within the 60-day period and make payment of the rent and other charges that are due; provided, however, that no late charges shall be assessed against such lienholder if payment is made within the 60-day period. If the tenant subsequently pays all unpaid rent and other charges, including liquidated damages as provided in RSA 205-A:4, I, due to the park owner or operator, such lienholder shall not be responsible for the payment of rent or other charges thereafter unless a new event of default occurs and it agrees to assume responsibility for such payment pursuant to RSA 205-A:4-a, II and III. If the eligible lienholder performs its obligations under this paragraph, it may exercise all of its rights as a secured party including, without limitation, the foreclosure of its lien on the manufactured housing. The eligible lienholder shall have all of the rights of the tenant to sell the manufactured housing in the park. The eligible lienholder shall not take any action which is contrary to the park rules provided to it pursuant to RSA 205-A:4-a, I and shall comply with such rules at such time as it takes possession of the manufactured housing through foreclosure or otherwise.

IV. If the eligible lienholder elects not to assume responsibility for the payment of rent and other charges pursuant to RSA 205-A:4-a, III, it shall notify the park owner or operator in writing, with a copy to the tenant, and may remove the manufactured housing from the park within the 60-day period as permitted under the laws of this state. If the manufactured housing is not removed from the park within the 60-day period, the lien of the park owner or operator provided in RSA 205-A:4-a, VII relating solely to the amount of unpaid rent and other charges due from the tenant arising after the date of receipt of the notice of default by the eligible lienholder pursuant to RSA 205-A:4-a, II and of reasonable moving costs and storage charges if the park owner or operator removes the manufactured housing from the site shall take priority over the lien of such lienholder. Subject to such priority lien of the park owner or operator, the eligible lienholder may exercise all of its rights as a secured party, including without limitation the foreclosure of its lien on the manufactured housing.

V. If a lienholder fails to give notice of its lien pursuant to RSA 205-A:4-a, I, or having given notice of its lien fails to give notice of the assignment thereof pursuant to RSA 205-A:4-a, I, or fails to give notice of its election to the park owner or operator within the 60-day period pursuant to RSA 205-A:4-a, III or IV, the lien of the park owner or operator provided in RSA 205-A:4-a, VII shall take priority over the lien of such lienholder.

VI. Any park owner or operator who fails to give notice in writing of any change in rent or other charges to an eligible lienholder shall be barred from collecting from such lienholder during the 60-day period provided in RSA 205-A:4-a, II any amount owed by the tenant which exceeds the rent and other charges previously disclosed to such lienholder. After the expiration of the 60-day period, the park owner or operator may collect from the eligible lienholder the rent and other charges then in effect in the park, as disclosed in the specification required in the notice of default as provided in RSA 205-A:4-a, II.

VII. A park owner or operator may commence eviction proceedings against a tenant at any time in accordance with the provisions of this chapter and may take possession of the space in the park occupied by such tenant following the issuance of a writ of possession, provided that if there is an eligible lienholder, it must be given written notice of the commencement of such proceedings and the eligible lienholder does not elect to assume responsibility for the payment of the rent and other charges within the 60-day period allowed by

RSA 205-A:4-a, II. The park owner or operator shall have a lien in the manufactured housing of a tenant for the amount of all of the rent and other charges due from the tenant and of reasonable moving costs and storage charges if the park owner or operator removes the manufactured housing from the site, which lien shall take priority over all prior liens other than liens on account of real estate taxes and lines of eligible lienholders except as otherwise provided in RSA 205-A:4-a, IV and V. Such lien of the park owner or operator shall be in the nature of a security interest in manufactured housing as provided in RSA 477:44, IV. The park owner or operator may sell the manufactured housing as permitted by RSA 382-A:9 to recover the amount of its claim, subject to the homestead rights of the tenant as provided in RSA 480:1 unless waived by the tenant. A tenant shall be deemed to have waived the tenant's homestead rights if the tenant has executed a written waiver or if the rent and other charges due from the tenant are more than 60 days in arrears and the tenant has abandoned the premises, as evidenced by the absence of the tenant from the premises and the termination of any utility service serving the premises. Upon sale of the manufactured housing, the park owner or operator shall convey the manufactured housing by means of a deed or other document conforming to the requirements of RSA 477:44. Nothing contained in this section shall affect the obligations of the tenant to the park owner or operator under any rental or other agreement or the park rules.

2 Effective Date. This act shall take effect January 1, 1995.

HB 1420, relative to the sale of defective vehicles. OUGHT TO PASS

Rep. Robert S. Mercer for Commerce, Small Business and Consumer Affairs: The NH Safety Department's Arbitration Board requested this legislation, which clarifies the intent of the original legislation to have any proceeding initiated for the sale of a defective vehicle to begin within one year following the express warranty term or the manufacturer's final repair attempt of the nonconformity. It also prohibits any manufacturer or his agent from reselling in New Hampshire any vehicle determined by the board as having a serious safety defect. Vote 13-0.

HB 1425, requiring a certain minimum water flow before property may be sold. INEXPEDIENT TO LEGISLATE

Rep. Peter F. Wells for Commerce, Small Business and Consumer Affairs: This bill would require a flow of four gallons per minute before a building could be sold. While well intended, the bill would be impossible to enforce and potential liability to property owners, banks, well drillers and real estate brokers would be monumental. Vote 16-0.

HB 1461, establishing a committee to study the issue of health care provider cooperative agreements in New Hampshire. OUGHT TO PASS

Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs: This bill establishes a committee to study the feasibility of creating health care provider cooperative agreements in New Hampshire. Vote 16-0.

HB 1467, requiring any pre-owned automobile purchased from a dealer to be capable of passing the state inspection process, except as provided in RSA 358-F. REFER FOR INTERIM STUDY

Rep. Peter F. Wells for Commerce, Small Business and Consumer Affairs: The bill to require a pre-owned automobile to be inspected attempts to solve small problems and creates problems as well. In the interest of the consumers, interim study was selected in order to create a good bill. Vote 15-0.

HB 1468, allowing builders to use native timber instead of stamped lumber when the timber is certified by a New Hampshire wood processing mill. OUGHT TO PASS WITH AMENDMENT

Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs: This bill will allow native New Hampshire lumber to be available to our consumers with the protection of strict state certification or stamping under the Commissioner of Agriculture. The Commissioner, in consultation with the Division of Forests and Lands and the University of New Hampshire Cooperative Extension, shall establish the standards for mill graders who will certify or stamp native lumber. This ability to purchase native New Hampshire lumber makes good practical and economic sense for all concerned. Vote 18-0.

Amendment (5530B)

Amend the title of the bill by replacing it with the following:

AN ACT

allowing builders to use native lumber when the lumber is certified or stamped
by a New Hampshire wood processing mill.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Grading and Certification or Stamping of Native Lumber. Amend RSA 434 by inserting after section 58 the following new subdivision:

Grading and Certification or Stamping of Native Lumber

434:59 Grading and Certification or Stamping of Native Lumber.

I. For the purposes of this subdivision "native lumber" means wood processed in the state of New Hampshire by mills registered in accordance with the provisions of RSA 224-A. Such wood shall be considered certified or stamped in accordance with the requirements of this section.

II.(a) Notwithstanding any provision of law to the contrary, a mill registered in accordance with RSA 224-A selling native lumber shall, when required, certify in writing to the purchaser on a form approved by the commissioner of agriculture that the quality and safe working stresses of the lumber are equal to or better than No. 2 grade in accordance with the conditions set forth in the American Softwood Standard PS 20-70, or as amended, provided that lumber for use in load bearing wall members shall be of stud grade minimum. The certificate shall include wood species, quantity, location of use, green or dry, sawmill name, name of permitted grader and date. The certification shall be filed with the local building official having jurisdiction as part of the building permit application.

(b) Notwithstanding subparagraph (a), a mill registered in accordance with RSA 224-A selling native timber may stamp such timber.

III. The commissioner of agriculture, in consultation with the division of forests and lands and the University of New Hampshire cooperative extension, shall establish standards for mill graders who will stamp or certify native lumber. The commissioner shall issue a written permit to each mill grader who has received training and who demonstrates by examination or other procedure prescribed by the commissioner in rulemaking, competence and ability to grade and certify or stamp native lumber in accordance with paragraph II of this section. No lumber shall be sold as certified or stamped native lumber unless it is accompanied by a certificate signed by a grader holding a valid permit.

IV. Any municipality which has adopted a building code which requires regular grade stamped lumber shall accept a stamp or a certificate prepared pursuant to this subdivision which certifies that the native lumber meets the appropriate structural standards in lieu of an accepted and recognized lumber grading stamp. Any structure which is built with such approved native lumber shall be considered equivalent to a structure built with regular grade stamped lumber.

434:60 Rulemaking. The commissioner of agriculture shall adopt rules, under RSA 541-A, necessary to administer this subdivision.

434:61 Prohibited Acts; Administrative Penalty. It shall be unlawful for any person to sell any lumber as stamped or certified native lumber unless such lumber has been graded and certified or stamped in accordance with RSA 434:59. Any person who violates any provision of this subdivision or any rule or order adopted or issued under this subdivision shall be liable for an administrative fine not to exceed \$1,000 for each violation.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows builders to use native lumber instead of stamped lumber when the lumber is certified or stamped by a New Hampshire wood processing mill.

The bill requires the commissioner of agriculture to adopt rules to carry out the new law.

HB 1545, relative to disclosure regarding contests and gift giveaways. **OUGHT TO PASS WITH AMENDMENT**

Rep. Matthew J. Newland for Commerce, Small Business and Consumer Affairs: This consumer protection legislation requires that any contests or giveaways clearly disclose who is conducting the promotion and all conditions a participant must satisfy. There was no opposition to this legislation. Vote 16-0.

Amendment (5404B)

Amend RSA 358-O:4, V as inserted by section 2 of the bill by replacing it with the following:

V. Nothing in this section shall create any liability for acts by the publisher, owner, agent or employee of a newspaper, periodical, radio station, television station, telecommunications corporation, cable-television system or other advertising medium arising out of the publication or dissemination of any advertisement or promotion governed by this section, when the publisher, owner, agent or employee did not know that the advertisement or promotion violated the requirements of this section.

HC 25, a resolution in support of the free transfer of the former Pease Air Force Base. **OUGHT TO PASS WITH AMENDMENT**

Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs: This resolution places the General Court on record as supporting a no cost transfer of the federal land remaining at the former Pease Air Force Base to the State of New Hampshire to enhance the economic revitalization of the state. Vote 13-0.

Amendment (5486B)

Amend the resolution by replacing all after the title with the following:

Whereas, the New Hampshire general court has thoroughly considered the issues surrounding the transfer of the former Pease Air Force Base to the Pease Development Authority; and

Whereas, the New Hampshire general court fully supports the transfer of the remaining land and buildings at the former Pease Air Force base to the Pease Development Authority at the earliest possible date; and

Whereas, the New Hampshire general court finds that the transfer of the remaining land and buildings is vital for economic growth in the seacoast region as well as the entire state of New Hampshire, with the protection of the environment and the quality of life as predominant factors in planning for such economic growth; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That the transfer of the remaining land and buildings be made at no cost to the state of New Hampshire; and

That the federal government is strongly encouraged to provide significant funding for the redevelopment of the Pease International Tradeport; and

That copies of this resolution be transmitted by the clerk of the New Hampshire house of representatives to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Secretary of Defense, the Chairman of the Joint Chiefs of Staff, the Chairman of the House Armed Services Committee and to each member of the New Hampshire congressional delegation.

HB 1106, establishing the crime of sexual abuse, continuing course of conduct. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donna P. Sytek for Corrections and Criminal Justice: Many cases of child sexual assault involve long term sexual abuse perpetrated by a household member or family friend with frequent access to the child. Frequently by the time the abuse is discovered and reported, the child cannot distinguish one incident of sexual abuse from another, leaving prosecutors unable to bring charges with the specificity required. This bill, as amended, establishes a "pattern of sexual assault" as a crime when perpetrated on a child under 16 over a period of two months or more within a period of five years. This bill will prevent the most egregious cases of chronic sexual abuse from going unpunished because of the inability of children to confirm their testimony to the strict requirements of the current law. Vote 10-0.

Amendment (5333B)

Amend the title of the bill by replacing it with the following:

AN ACT

making a person, who purposely engages in a pattern of sexual assault against a person less than 16 years of age, guilty of aggravated felonious sexual assault.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definition; Pattern of Sexual Assault Added. Amend RSA 632-A:1 by inserting after paragraph I-b the following new paragraph:

I-c. "Pattern of sexual assault" means committing more than one act of sexual penetration or felonious sexual contact, or both, upon the same victim over a period of 2 months or more and within a period of 5 years.

2 New Paragraph; Aggravated Felonious Sexual Assault; Pattern of Sexual Assault Added. Amend RSA 632-A:2 by inserting after paragraph II the following new paragraph:

III. A person is guilty of aggravated felonious sexual assault when such person purposely engages in a pattern of sexual assault against another person, not the actor's legal spouse, who is less than 16 years of age. The requisite mental state of "purposely" shall not apply to the element of engaging in a pattern of sexual assault, but only to the individual acts of sexual penetration or felonious sexual contact or both.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill makes a person, who purposely engages in a pattern of sexual assault against a person less than 16 years of age, guilty of aggravated felonious sexual assault.

HB 1134, increasing the penalty for criminal threatening and reckless conduct with a firearm. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas G. Houlahan for Corrections and Criminal Justice: The bill increases the penalty for criminal threatening and reckless conduct with a deadly weapon. It is a response to problems like drive-by shootings (reckless conduct) and armed, barricaded persons in stand-off situations (criminal threatening). The bill was amended to include such conduct involving "deadly weapons as defined in RSA 625:11V", not just "firearms." Vote 10-0.

Amendment (5387B)

Amend the title of the bill by replacing it with the following:

AN ACT

increasing the penalty for criminal threatening and reckless conduct with a deadly weapon.

Amend the bill by replacing all after the enacting clause with the following:

1 Reckless Conduct With a Deadly Weapon; Penalty Increased. Amend RSA 631:3 to read as follows:

631:3 Reckless Conduct.

I. A person is guilty of [a misdemeanor] *reckless conduct* if he recklessly engages in conduct which places or may place another in danger of serious bodily injury.

II. *Reckless conduct is a class B felony if the person uses a deadly weapon as defined in RSA 625:11, V. All other reckless conduct is a misdemeanor.*

2 Criminal Threatening with a Deadly Weapon; Penalty Increased. RSA 631:4, II is repealed and reenacted to read as follows:

II.(a) Criminal threatening is a class B felony if the person:

(1) Violates the provisions of subparagraph I(c); or

(2) Uses a deadly weapon as defined in RSA 625:11, V in the violation of the provisions of subparagraph I(a), I(b) or I(d).

(b) All other criminal threatening is a misdemeanor.

3 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill increases the penalty for criminal threatening and reckless conduct with a deadly weapon.

HB 1254, relative to sentencing and removing the limitation on uncompensated public service. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Corrections and Criminal Justice: Current law allows a judge to sentence a person to a period of conditional discharge. One such condition may require performance of not more than 50 hours of uncompensated public service. The proposed legislation would remove the limitation on uncompensated public service and allow a judge discretion in determining the number of hours to assign. It will also allow judges to sentence persons placed on probation to perform uncompensated community service as a condition of such probation. The sections pertaining to compensation and liability have been clarified. Vote 10-0.

Amendment (5509B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the performance of uncompensated public service
by persons convicted of crimes.

Amend the bill by replacing all after the enacting clause with the following:

1 Sentencing; Probation; Restitution and Uncompensated Public Service References Added. Amend RSA 651:2, V by inserting after subparagraph (f) the following new subparagraph:

(g) The court may include, as a condition of probation, restitution to the victim as provided in RSA 651:62-67 or performance of uncompensated public service as provided in RSA 651:68-70.

2 Sentencing; Conditional Discharge; Limitation Removed; Reference Changes. Amend RSA 651:2, VI to read as follows:

VI.(a) A person may be sentenced to a period of conditional discharge if he is not imprisoned and the court is of the opinion that probationary supervision is unnecessary, but that the defendant should conduct himself according to conditions determined by the court. Such conditions may include:

[(a)](1) restrictions on the defendant's travel, association, place of abode, such as will protect the victim of the crime or insure the public peace;

[(b)](2) an order requiring the defendant to attend counselling or any other mode of treatment the court deems appropriate;

[(c)](3) restitution to the victim; and

[(d)](4) performance of [not more than 50 hours of] uncompensated public service[, such service being of a sort that in the opinion of the court will foster respect for those interests violated by the defendant's conduct. However, no person who performs such public service under this paragraph shall receive any benefits that any such employer for whom the service is performed gives to its other employees, including, but not limited to, workers' compensation and unemployment benefits, and no such employer shall be liable for any damages sustained by a person while performing services for the benefit of the employer or any damages caused by that person unless the employer is guilty of gross negligence] *as provided in RSA 651:68-70.*

(b) The period of a conditional discharge shall be 3 years for a felony and one year for a misdemeanor or violation. However, if the court has required as a condition that the defendant make restitution or reparation to the victim of his offense or that the defendant perform [community] *uncompensated public* service and that condition has not been satisfied, the court may, at any time prior to the termination of the above periods, extend the period for a felony by no more than 2 years and for a misdemeanor or violation by no more than one year in order to allow the defendant to satisfy the condition. During any period of conditional discharge the court may, upon its own motion or on petition of the defendant, discharge the defendant unconditionally if the conduct of the defendant warrants it. The court is not required to revoke a conditional discharge if the defendant commits an additional offense or violates a condition.

3 Release of Prisoner for Uncompensated Public Service; Reference Added. Amend RSA 651:19 to read as follows:

651:19 Release for Purpose of Gainful Employment or Rehabilitation. Any person who has been committed to a penal institution other than state prison under a criminal sentence may

be released therefrom by the sentencing court at the time of sentence or at any time during the term of sentence, for the purpose of obtaining and working at gainful employment, *for the performance of uncompensated public service as provided in RSA 651:68-70*, or for such other purpose as the court may deem conducive to his rehabilitation, for such times or intervals of time and under such terms and conditions as the court may order. Any part of a day spent in the free community under such a release order shall be counted as a full day toward the serving of the sentence unless otherwise provided by the court. If a person violates the terms and conditions laid down for his conduct, custody and employment, he shall be returned to the sentencing court. The court may then require that the balance of the person's sentence be spent in actual confinement and may cancel any earned reduction of his term.

4 Release of Prisoner for Uncompensated Public Service; Reference Added. Amend RSA 651:25, I to read as follows:

I. The commissioner of corrections may release any person who has been committed to the state prison at any time during the term of sentence for the purpose of obtaining and working at gainful employment, *for the performance of uncompensated public service as provided in RSA 651:68-70*, or for such other purpose as may be deemed conducive to his rehabilitation, for such times or intervals of time and under such terms and conditions as may be prescribed by the commissioner pursuant to RSA 541-A, provided, however, that a prisoner who has not served sufficient time to be eligible for parole may be released under this section only if the sentencing court has been notified of the proposed release and has not objected within 10 days of receipt of such notice. The commissioner of corrections may permit inmates of the state prison, who volunteer to do so, to be gainfully employed outside the institution when such employment is considered in their best interest and the best interest of the state. Inmates may be so employed [for] *by* the state or [for] *by* public or private employers.

5 Suspended Sentence; Conditions Added. Amend RSA 651:20 by inserting after paragraph II the following new paragraph:

III. As a condition of any suspension of sentence, the court may include restitution to the victim as provided in RSA 651:62-67, performance of uncompensated public service as provided in RSA 651:68-70, or such other conditions as the court may determine.

6 New Subdivision; Uncompensated Public Service. Amend RSA 651 by adding after section 67 the following new subdivision:

Uncompensated Public Service

651:68 Uncompensated Public Service. The performance of uncompensated public service of a sort that in the opinion of the court, the commissioner of the department of corrections, or the parole board will foster respect for those interests violated by the defendant's conduct may be ordered:

I. By the sentencing court as a condition of probation, conditional discharge, release under RSA 651:19 or suspension of sentence;

II. By the commissioner of the department of corrections as a condition of release under RSA 651:25;

III. By the parole board as a condition of parole.

651:69 Compensation. No individual who performs uncompensated public service under this subdivision for a person or organization shall receive any benefits that are provided to other employees.

651:70 Liability. No person or organization who utilizes the services of any person performing uncompensated public service under this subdivision shall be liable for any damages sustained by an individual while performing such services for the benefit of the person or organization or any damages caused by that person unless the person or organization is guilty of gross negligence.

7 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill permits a sentencing court, the department of corrections and the parole board to order a person convicted of a crime to perform uncompensated public service.

HB 1394, deletes the requirement that habitual offenders be incarcerated and allowing incarceration at the discretion of the court. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill was written to eliminate the mandatory sentence of one year. While the committee objects to mandatory sentencing and prefers judicial discretion based on legislative guidelines, the committee believes that by eliminating this sentence it may appear that habitual offenders are not a serious problem. Therefore we chose to make the sentence six months. This sentence seriously deals with the problem and saves significant monies for counties. Currently there are 277 habitual offenders housed in the County facilities and 77 offenders at the State. Vote 10-0.

Amendment (5377B)

Amend the title of the bill by replacing it with the following:

AN ACT

reducing the mandatory minimum sentence for a habitual offender convicted of unlawfully operating a motor vehicle.

Amend the bill by replacing section 1 with the following:

1 Mandatory Minimum Sentence Reduced. Amend RSA 262:23, I to read as follows:

I. It shall be unlawful for any person to drive any motor vehicle on the ways of this state while an order of the director or the court prohibiting such driving remains in effect. If any person found to be an habitual offender under the provisions of this chapter is convicted of driving a motor vehicle on the ways of this state while an order of the director or the court prohibiting such operation is in effect, he shall be sentenced, notwithstanding the provisions of RSA title LXII, to imprisonment for not less than [one year] **6 months** nor more than 5 years. No portion of the minimum mandatory sentence shall be suspended, and no case brought to enforce this chapter shall be continued for sentencing; provided, however, that any sentence or part thereof imposed pursuant to this section may be suspended in cases in which the driving of a motor vehicle was necessitated by situations of apparent extreme emergency which required such operation to save life or limb. Any sentence of one year or less imposed pursuant to this paragraph shall be served in a county correctional facility. Any sentence of more than one year imposed pursuant to this paragraph shall be served in the state prison.

AMENDED ANALYSIS

This bill reduces the mandatory minimum sentence for habitual offenders convicted of unlawfully operating a motor vehicle to six months. Current law requires imprisonment of at least one year.

HB 1139-FN-L, allowing any individual under 18 years of age access to high school equivalency (GED) testing. **INEXPEDIENT TO LEGISLATE**

Rep. Nils H. Larson, Jr. for Education: The State Board of Education has an agreement with the GED test provider which may allow exceptions for testing under 18 years of age. The resolution should be at the discretion of the State Board and not a subject for legislation. Vote 17-0.

HB 1165, repealing requirements for a census of disabled students. **OUGHT TO PASS WITH AMENDMENT**

Rep. Susan B. Durham for Education: The written census being repealed is no longer needed because this reporting is collected on a daily basis over the computer network called SPEDIS (Special Education Information System). The amendment was drafted by the Attorney General's office to comply with the James O. consent decree relative to court ordered placement of special education students. Vote 15-0.

Amendment (4856B)

Amend the title of the bill by replacing it with the following:

AN ACT

repealing requirements for a census of disabled students, and providing for additional special education reimbursement for certain pupils.

Amend the bill by inserting after the enacting clause the following and renumbering sections 1 and 2 to read as 2 and 3, respectively:

1 Reimbursement. Notwithstanding the provisions of RSA 186-C:19-b, the department of education shall reimburse school districts for appropriate costs for special education and educationally-related services paid by school districts in excess of 3 times the state average cost per pupil in reimbursement hearings brought pursuant to the consent decree, James O., Kelly E. and William B. v. Marston, filed with the department of education prior to November 24, 1992.

AMENDED ANALYSIS

This bill repeals the provision which requires school districts to do a census and report annually to the state board of education the number of educationally handicapped children who have been identified and evaluated.

It also provides for additional special education reimbursement for pupils whose hearings were brought pursuant to consent decree, James O., Kelly E. and William B. v. Marston, filed prior to November 24, 1992.

This bill is a request of the department of education.

HB 1270-FN-L, revising the school money laws and setting forth a school budget act. **ought to pass with amendment.**

Rep. Susan B. Durham for Education: This bill sets up a committee to study RSAs 32, 33, 195 and 198, and integrate any recent changes in the municipal budget act into the school district statutes. The committee also will identify any inconsistencies in the RSAs in order to simplify the tasks of local government. Vote 16-0.

Amendment (5438B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a committee to integrate any changes in the municipal budget act into the school district laws.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established; Duties. A committee is hereby established to review RSA's 32, 33, 195 and 198 and integrate any recent changes in the municipal budget act into the school district statutes. The committee shall identify any inconsistencies in the RSA's in order to clarify and simplify the tasks of local governments.

2 Membership. The committee shall consist of the following members:

I. Two house members, one from the education committee and one from the municipal and county government committee, appointed by the speaker of the house.

II. Two senators, one from the education committee and one from the executive departments and administration committee, appointed by the senate president.

III. Three people representing the Municipal Association, one of whom shall be a selectperson, appointed by the association.

IV. Two people representing the Association of School Business Administrators, appointed by the president of the association.

V. One person from the department of revenue administration, appointed by the commissioner of revenue administration.

VI. One person from the department of education, appointed by the commissioner of education.

VII. One member representing the New Hampshire School Boards Association, appointed by the association.

3 Assistance. The committee shall call upon technical or legal experts in the appropriate fields to assist the committee in its duties.

4 Chair; Meetings. The first meeting shall be called by the first-named house member within 30 days of the effective date of this act. The chair of the committee shall be elected by the members at the first meeting.

5 Mileage. Members of the committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate when attending to their duties on the committee.

6 Report. The committee shall report its findings and recommendations, including any proposed legislation, to the senate president and the speaker of the house on or before November 1, 1994.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to integrate any changes in the municipal budget act into the school district laws.

The committee shall submit a report, including any recommendations for legislation, to the speaker of the house and the senate president on or before November 1, 1994.

HB 1288, establishing a state advisory and oversight committee on the education of children with disabilities. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joan C. Tate for Education: This bill expands the advisory committee mandated by federal law. The committee believes that with the expansion of membership to the advisory committee it will benefit the educational servicing to children with disabilities. Vote 16-0.

Amendment (5523B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a state advisory and oversight committee on the
education of children with disabilities and in
accordance with federal requirements.

Amend RSA 186-C:3-b, I and II, as inserted by section 1 of the bill by replacing it with the following:

I. In accordance with the provisions of 20 U.S.C. 1413(a)(12), Secs. 300.650-300.653, there is established an advisory and oversight committee on the education of children with disabilities to advise the commissioner of education on issues relating to special education. In addition, the committee shall review the federal financial participation and the level of state funding to determine the impact on the programs and delivery of services to children with disabilities.

II. The committee shall consist of the following members:

(a) Two members of the house education committee, appointed by the speaker of the house.

(b) Two members of the senate education committee, appointed by the president of the senate.

(c) One representative of the Business and Industry Association, recommended by the Business and Industry Association and appointed by the governor.

(d) One member of the state board of education, appointed by the board chairperson.

(e) The commissioner of education or designee.

(f) Three teachers, one of whom is a special education teacher, appointed by the commissioner of education.

(g) One representative of the division of public health services, appointed by the commissioner of the department of health and human services.

(h) One representative of the Disabilities Rights Center, recommended by the Disabilities Rights Center and appointed by the governor.

(i) One representative of the Parent Information Center, recommended by the Parent Information Center and appointed by the governor.

(j) Two individuals with disabilities who have benefited from special education services, one of whom shall be a high school student, recommended by the New Hampshire Coalition for Citizens with Disabilities and appointed by the governor.

(k) Seven parents of children with disabilities, 3 of whom shall be parents of children with learning disabilities, recommended by the New Hampshire Coalition for Citizens with Disabilities and appointed by the governor.

(l) One member of the New Hampshire Association of School Administrators, recommended by the association and appointed by the governor.

(m) One special education program administrator, recommended by the New Hampshire Association of Special Education Administrators and appointed by the governor.

(n) One pediatrician, recommended by the president of the New Hampshire chapter of the American Academy of Pediatrics and appointed by the governor.

(o) One representative of the School Board Association, recommended by the association and appointed by the governor.

(p) One school principal, recommended by the New Hampshire Association of School Principals and appointed by the governor.

Amend RSA 186-C:3-b, IV, as inserted by section 1 of the bill by replacing it with the following:

IV. The committee shall:

(a) Advise the department of education regarding unmet needs within the state in the education of children with disabilities.

(b) Provide an annual report to the governor and the state legislature on the status of education of students with disabilities in New Hampshire.

(c) Comment publicly on the state plan and rules or regulations proposed for issuance by the state regarding the education of children with disabilities and the procedures for the distribution of federal funds.

(d) Assist the state in developing and reporting such information and evaluations as may assist the U.S. Secretary of Education in the performance of responsibilities under section 618 of the Individual with Disabilities Education Act.

(e) Review the results of impartial due process hearings and methods of reducing disputes relative to students with educational disabilities.

(f) Develop and distribute materials designed to enhance an understanding of the rights and responsibilities of parents and school districts in planning, implementing and monitoring special education and educationally-related services.

(g) Promote communication and cooperation among individuals involved with students with disabilities.

(h) Apply for, receive, and expend funds from other sources including state, federal, and private funding.

Amend RSA 186-C:3-b as inserted by section 1 of the bill by inserting after paragraph V the following new paragraph:

VI. The department of education shall provide administrative support for the committee.

AMENDED ANALYSIS

This bill establishes a state advisory and oversight committee to make recommendations to the commissioner of education relative to educating children with disabilities, to review federal and state funding of special education programs, and to report to the governor and state legislature on the status of education of students with disabilities in New Hampshire in accordance with federal requirements.

HB 1305, prohibiting the use of state moneys, or voucher or similar payment programs, to pay for nonpublic school education. **INEXPEDIENT TO LEGISLATE**

Rep. Jane E. O'Hearn for Education: This bill is in direct conflict with federal law and the State Constitution and is not necessary. Special education services would be adversely affected. Vote 17-0.

HB 1441, establishing school teacher termination procedures. **INEXPEDIENT TO LEGISLATE**

Rep. Suzan L. R. Franks for Education: The action the sponsors want will be included in HB 1542, a teacher performance bill. All sponsors on the bill are in agreement that HB 1441 be inexpedient to legislate. Vote 12-0.

HB 1542, establishing a teacher evaluation program. **REFER FOR INTERIM STUDY**

Rep. Nils H. Larson, Jr. for Education: The subcommittee has worked very hard to try and produce a bill to establish a Teacher Improvement and Evaluation Program. Due to the lack of additional time and the necessity for further work on the measure, we have voted for Interim Study. Vote 16-0.

HCR 30, urging the state board of education to implement courses in the secondary curriculum which would examine multicultural and ethnic issues while emphasizing and promoting tolerance, understanding, and respect. **OUGHT TO PASS WITH AMENDMENT**

Rep. Patricia B. Brown for Education: This resolution encourages the State Board of Education and local school districts to foster curriculum showing diverse cultures, ethnicity, heritages and ideologies that promote tolerance, understanding and respect. Vote 15-0.

Amendment (5392B)

Amend the resolution by replacing the title of the resolution with the following:

RESOLUTION

urging the state board of education to encourage local school districts to foster curriculum which would examine multicultural and ethnic issues while emphasizing and promoting tolerance, understanding, and respect.

Amend the resolution by replacing all after the resolving clause with the following:

That the state board of education be urged to encourage local school districts to foster curriculum in New Hampshire schools which would examine diverse cultures, ethnicity, heritage, and ideologies while emphasizing and promoting tolerance, understanding, and respect.

AMENDED ANALYSIS

This house concurrent resolution urges the state board of education to encourage local school districts to foster curriculum which would examine diverse cultures, ethnicity, heritage, and ideologies while emphasizing and promoting tolerance, understanding, and respect.

HB 1327-FN, transferring all jurisdiction of aquaculture including licenses and fees from the department of fish and game to the department of agriculture. **OUGHT TO PASS WITH AMENDMENT**

Rep. Derek Owen for Environment and Agriculture: HB 1327 as amended more practically addresses the complex issue of transferring certain aspects of aquaculture from the Fish and Game Department to the Department of Agriculture. The Fish and Game Department is well organized to handle the recreational needs of hunting and fishing. Food requirements are growing because of the population explosion and there is an extraordinary increase in the volume of fish and wild game being raised commercially for food. The study committee recommended should provide for the orderly transfer as suggested. Vote 19-0.

Amendment (5330B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a study committee to recommend legislation allocating responsibility over all aspects of freshwater and saltwater aquaculture between the department of agriculture and the department of fish and game.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The purpose of this act is to encourage the orderly development of aquaculture in the state, while ensuring that aquaculture operations do not adversely impact upon the state's aquatic and marine resources and do not pose unacceptable disease, ecological, environmental, health, safety or welfare risks to persons, the environment, aquatic species or marine species.

2 Committee Established. There is established a study committee to recommend, prepare and cause to be introduced legislation for the 1995 legislative session allocating responsibility over all aspects of freshwater and saltwater aquaculture between the department of agriculture and the department of fish and game. For the purposes of this act the committee shall use the following definitions:

I. "Aquatic species" include, but are not limited to, all fish, crustacea, mollusks, invertebrates and aquatic plants which usually inhabit freshwater or saltwater.

II. "Aquaculture" means, without limitation, the propagation and rearing of aquatic species and marine species and includes the planting, promoting of growth, harvesting and transporting of these species in, on, or from the waters of this state, or the operation of a fishing preserve.

3 Duties of Committee. The committee shall study all aspects of freshwater and saltwater aquaculture and shall recommend legislation designed to allocate responsibility over aquaculture between the department of fish and game and the department of agriculture.

4 Membership. The committee shall consist of the following members:

I. Three house members from the house environment and agriculture committee, appointed by the speaker of the house.

II. Two house members from the wildlife and marine resources committee, appointed by the speaker of the house.

III. The commissioner of the department of agriculture, or designee.

IV. The executive director of the department of fish and game, or designee.

V. One senator from the senate environment committee, appointed by the senate president.

VI. One senator from the senate wildlife and recreation committee, appointed by the senate president.

VII. Two public members, one of whom is engaged in freshwater aquaculture and one of whom represents the interests of saltwater aquaculture, appointed by the governor.

5 Report. The committee shall submit a report of its findings, together with any recommended legislation, to the speaker of the house, senate president and governor no later than November 1, 1994.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a study committee to prepare legislation allocating responsibility over all aspects of freshwater and saltwater aquaculture between the department of agriculture and the department of fish and game.

HB 1496-FN-LOCAL, requiring towns, whenever a hazardous or potentially hazardous waste spill occurs, to notify the department of environmental services and certain downstream communities. **OUGHT TO PASS**

Rep. Richard O. Wasson for Environment and Agriculture: Relative to notification of all downstream communities within 25 miles or to the nearest downstream dam when any hazardous or potentially hazardous waste spill occurs. Vote 17-0.

HB 1512-FN, relative to the composition of the pesticide control board and establishing a citizens advisory committee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gregory L. Hanselman for Environment and Agriculture: As amended, this bill establishes an advisory committee to assist the Pesticide Control Board with matters of local concern, comprised of ten members (one from each county) appointed by the Director of the UNH Cooperative Extension. Vote 17-0.

Amendment (5516B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the pesticide control board to receive and address requests from the public for hearings before the board and establishing a citizens advisory committee.

Amend the bill by replacing all after the enacting clause with the following:

I New Paragraph; Requests for Hearings. Amend RSA 430:31 by inserting after paragraph II the following new paragraph:

II-a. Receive and address requests from any member of the public for a hearing before the board.

2 New Section; Citizens Advisory Committee. Amend RSA 430 by inserting after section 31 the following new section:

430:31-a Citizens Advisory Committee.

I. There is hereby established an advisory committee to advise the pesticide control board on matters of local concern. The committee shall be composed of a representative of each county of the state familiar with local pesticide control issues, appointed by the director of the University of New Hampshire cooperative extension service. The members of the committee shall choose a chairperson by majority vote. Members shall serve 2-year terms, and no member shall serve more than 2 consecutive terms.

II. The 10 members of the committee shall represent a broad range of interests and shall include at least the following:

- (a) Two individuals actively employed as school teachers.
- (b) Two individuals employed with local municipalities.
- (c) Two individuals employed in the medical profession as physicians, nurses, clinicians or similar positions.

III. The appointing authority shall coordinate nominations with the counties' university extension educators to ensure that the committee has member diversity pursuant to paragraph II.

IV. The duties of the committee shall be:

(a) To advise the pesticide control board through written reports submitted to the director, division of pesticide control for inclusion on the agenda of the board meetings. The reports shall be received at least 30 days prior to the scheduled meeting.

(b) To provide a spokesperson for the committee to support and address written reports, in person, to the board, when necessary.

(c) To hold at least one public meeting or hearing per year in each county to provide the public an opportunity to address concerns to the committee.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the pesticide control board to receive and address requests from the public for hearings before the board.

The bill also establishes a citizens advisory committee to advise the pesticide control board on local matters.

HB 1533, adding a member to the pesticide control board. OUGHT TO PASS WITH AMENDMENT

Rep. Gregory L. Hanselman for Environment and Agriculture: As amended, this bill adds a member representing the municipalities to the Pesticide Control Board, and clarifies that both the Departments of Fish and Game and Resources and Economic Development will each have board representation. Vote 18-0.

Amendment (5361B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to the composition of the pesticide control board.

Amend the bill by replacing all after the enacting clause with the following:

1 Adding New Members and Clarifying Some Appointments. Amend RSA 430:30, I to read as follows:

I. A pesticide control board is established to consist of [11] **13** members appointed by the governor with consent of the council, as follows:

(a) The commissioner of agriculture[;].

(b) [A representative] *The director* of the division of public health services[;], *or designee*.

(c) [A representative] *The commissioner* of the department of resources and economic development [or].

(d) *The commissioner* of the department of fish and game[;], *or designee*.

[(d)](e) [A representative] *The director* of the division of water supply and pollution control[;], *or designee*.

[(e)](f) The state entomologist[;].

[(f)](g) A licensed physician representing the public interest[;].

[(g)](h) A person who possesses an advanced degree in one of the biological sciences representing the public interest[;].

[(h)](i) A licensed or permitted pesticide applicator[;].

[(i)](j) One person from a slate of 3 persons presented by the New Hampshire Horticultural Society[;].

[(j)](k) Two persons representing the public interest who are not affiliated with the manufacture or distribution of pesticides and who are neither commercial nor private applicators as defined in this subdivision, and who do not otherwise fall within categories (a) through [(i)] (j).

(1) One person representing municipal interests, appointed by the governor from 3 candidates nominated by the New Hampshire Municipal Association.

2 Change in Quorum. Amend RSA 430:30, IV to read as follows:

IV. The board shall meet 4 times annually, and from time to time at the call of the chairman or upon the request of any 4 members. [Six] *Seven* members shall constitute a quorum.

3 New Paragraph; Report. Amend RSA 430:31 by inserting after paragraph V the following new paragraph:

VI. File a report annually with the senate president and speaker of the house of representatives, for distribution to all state legislators, regarding the policies and goals of the board and the enforcement of this subdivision.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds 2 new public members to the pesticide control board and clarifies that state employee members should be department commissioners or division directors or their designees.

HB 1534, relative to solid waste districts. OUGHT TO PASS WITH AMENDMENT

Rep. Amanda A. Merrill for Environment and Agriculture: HB 1534 as amended creates a task force to evaluate the effectiveness of solid waste planning districts formed under RSA 149-M and to consider other mechanisms that may offer a more efficient means of planning for the state's future solid waste capacity needs. Vote 14-1.

Amendment (5508B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a task force to recommend a framework for ongoing solid waste planning in New Hampshire and extending the reporting deadlines of the solid waste laws recodification committee.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court recognizes the need to evaluate the effectiveness of solid waste planning districts formed pursuant to RSA 149-M:18 and to consider other mechanisms that may offer a more efficient and cost effective means of planning for the state's future solid waste capacity needs.

2 Task Force Established; Duties. A task force is hereby established, the primary goal of which shall be to recommend a framework for ongoing solid waste planning in New Hampshire. The task force shall:

I. Review current municipal solid waste capacity needs and availability, on a statewide and regional basis, and estimates of capacity needs and availability for the next 20 years.

II. Summarize the factors contributing to the varying effectiveness of existing solid waste planning districts.

III. Make recommendations for a framework that better facilitates solid waste planning in New Hampshire. Such a framework shall provide methods for the ongoing evaluation of regional and state capacity needs and for meeting those needs in a manner that is efficient, environmentally and economically sound, and that furthers the policy regarding solid waste management set forth in RSA 149-M:1-a and in RSA 149-M:10. Recommendations regarding fundings and other resource requirements shall be included.

3 Membership. The task force shall consist of the following members:

I. The commissioner of the department of environmental services, or designee.

II. The director, division of solid waste management, department of environmental services, or designee.

III. The chairperson of the waste management council or designee.

IV. Two town officials, appointed by the New Hampshire Municipal Association.

V. Two city officials, appointed by the New Hampshire Municipal Association.

VI. Two directors of regional planning commissions, appointed by the New Hampshire Association of Regional Planning Commissions.

VII. One member representing the solid waste management industry, appointed by the Business and Industry Association.

VIII. One member representing solid waste haulers, appointed by the Business and Industry Association.

IX. One member with expertise in the area of industrial and commercial waste management, appointed by the Business and Industry Association.

X. The chairperson of the house environment and agriculture committee who shall chair the task force.

XI. A member of the senate, appointed by the president of the senate.

5 First Meeting. The chairperson shall call the first meeting within 30 days of the effective date of this act.

6 Report. The committee shall submit a report including its findings and recommendations for legislation to the speaker of the house, senate president and governor by November 1, 1994.

7 Mileage. Legislative members shall receive mileage at the legislative rate.

8 Committee Report Deadline Extended. Amend 1993, 133:1 to read as follows:

133:1 Solid Waste Laws Recodification Committee. There is hereby established a joint legislative committee for recodifying the solid waste laws of the state. The committee shall consist of 4 members of the house of representatives, appointed by the speaker, and 4 members of the senate, appointed by the senate president. The committee shall review the state's existing laws relative to solid waste management and make recommendations to the general court which shall be consistent with the provisions of this act. The committee shall submit its findings to the speaker and the senate president on or before November 1, [1994] 1995. The committee's legislative recommendations shall:

9 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a task force to recommend the framework for ongoing solid waste planning in New Hampshire.

This bill also extends the reporting deadline of the solid waste laws recodification committee.

HB 1368, establishing a commission to examine governmental reorganization. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gerald O. Gosselin for Executive Departments and Administration: This bill was passed unanimously by the committee. It is a new concept to promote efficiency, encourage cost savings, enhance accountability and control, improve coordination, reduce redundancy in state government and to provide better government for the taxpayers dollar. This will have a 15-member commission. Vote 14-0.

Amendment (5336B)

Amend paragraph I of section 2 of the bill by replacing it with the following:

I. The members of the committee shall be as follows:

(a) Two members of the house of representatives, appointed by the majority leader, neither of whom shall hold a committee chairmanship or a vice-chairmanship.

(b) One member of the house of representatives, appointed by the democratic leader.

(c) Two members of the senate, one of whom shall be appointed by the republican leader and one of whom shall be appointed by the democratic leader.

(d) One member of the governor's staff, appointed by the governor.

(e) The state treasurer, or designee.

(f) The secretary of state, or designee.

(g) Two public members from the state's business community, at least one representing small business, appointed by the governor. For purposes of this appointment, the term "small business" shall mean a business with 25 or fewer employees.

(h) Two public members appointed one each by the speaker of the house of representatives and the president of the state senate.

(i) Two members from the State Employees Association, Inc., appointed by the association.

(j) One nonunion member, designated by the division of personnel, department of administrative services.

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

HB 1379, establishing a committee to implement the recommendations of the 1991-1992 task force on government operations and the Winter Commission Report. OUGHT TO PASS

Rep. Gerald O. Gosselin for Executive Departments and Administration: This bill will establish a committee to implement the findings of the 1991-1992 task force on government operations as well as recommendations of the Winter Commission. This is a short term report that has to be completed by December 15, 1994. Vote 14-0.

HB 1401, providing an exemption to homeowners relative to the installation of plumbing. REFER FOR INTERIM STUDY

Rep. Kathleen W. Ward for Executive Departments and Administration: The committee found many problems with the authority of the Plumbers Board, therefore, we recommend interim study so that the committee can address the whole matter rather than one small piece. Vote 13-0.

HB 1427, establishing a committee to study amateur athletics. REFER FOR INTERIM STUDY

Rep. Bonnie K. Groves for Executive Departments and Administration: All of the testimony on HB 1427 pertained to amateur boxing and we discerned no obvious problems in other athletic areas. Therefore, the committee hoped to confine our efforts to the amateur boxing issue. Unfortunately, due to snow cancellations and the boxing commissioners' travel commitments, the subcommittee could not meet with the commissioners to discuss this bill. Interim study provides an opportunity to meet with them. Vote 14-0.

HB 1428, requiring legislative approval for the naming of certain formations. OUGHT TO PASS WITH AMENDMENT

Rep. J. Gregory McGrath for Executive Departments and Administration: This bill makes the Legislature the sole authority for naming state roads, buildings and natural formations. An exception is provided to allow for acquisition of land (wetlands, forests, etc.) where one of the requirements is that the land be named after a person or place. The bill names a new park in Northwood at the request of the Division of Parks and Recreation. Vote 14-0.

Amendment (5337B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring legislative approval for the naming of state-owned buildings and of certain formations, and relative to the naming of Northwood Pioneer State Park.

Amend the bill by replacing all after the enacting clause with the following:

1 Naming Buildings and Formations; Legislative Approval. Amend RSA 4:43 to read as follows:

4:43 Naming of Certain *Buildings and* Formations.

I. No state-owned building, and no state park, bridge, mountain, road, river, or body of water under the control of the state, shall be named or renamed without legislative approval.

II. Notwithstanding the provisions of paragraph I, when real estate is acquired by the state by gift or by purchase, and one of the requirements of the acquisition is that the real estate be named after a particular person or place, the real estate shall be so named without legislative approval.

2 Northwood Pioneer State Park. Northwood Meadow, a tract of land located in the town of Northwood, New Hampshire, is hereby renamed as Northwood Pioneer State Park.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill gives the legislature the authority to name as well as to rename state-owned buildings and formations such as state parks, bridges, mountains, roads, rivers, and bodies of water.

An exception is made for real estate acquired by the state by gift or by purchase, when a requirement of the acquisition is that the real estate be named after a particular person or place.

The bill also renames Northwood Meadow, located in Northwood, New Hampshire, Northwood Pioneer State Park.

HB 1490, relative to rescheduling adjudicative proceedings and hearings held before state agencies. REFER FOR INTERIM STUDY

Rep. Merton S. Dyer for Executive Departments and Administration: This bill deals with the rescheduling of adjudicative proceedings and hearings. At the present time, there is some abuse of postponement or rescheduling of hearings. Most of the testimony before the committee agreed there should be some changes but with flexibility for the different departments. Some departments have the situation well under control, but felt that further study would be important. Therefore, the committee voted 14-0 for interim study in order to prepare an amendment that would address the needs of the public and the various departments. Vote 14-0.

HB 1233, making an employer liable for lost employee benefits and employee obligations caused by the employer's untimely payments. OUGHT TO PASS WITH AMENDMENT

Rep. Amy L. Bagley for Labor, Industrial and Rehabilitative Services: This bill makes an employer liable for lost employee benefits and employee obligations caused by the employer's untimely payment to the payee. This bill also requires an insurer or plan administrator to notify an employee prior to certain employee benefit plan terminations. A plan administrator may be liable for lost benefits if such insurer fails to notify the employee. Vote 12-0.

Amendment (5518B)

Amend the title of the bill by replacing it with the following:

AN ACT

making an employer liable for lost employee benefits and employee obligations caused by the employer's untimely payments and making a plan administrator liable for failing to meet certain employee notification requirements.

Amend the bill by replacing all after the enacting clause with the following:

1 Failure to Make Payments; Notice of Cancellation; Employer and Plan Administrator Liability. Amend RSA 275:48 to read as follows:

275:48 Withholding of Wages.

I. No employer may withhold or divert any portion of an employee's wages unless:

[I.](a) The employer is required or empowered to do so by state or federal law, or

[II.](b) The employer has a written authorization by the employee for deductions for a lawful purpose accruing to the benefit of the employee as provided in regulations issued by the commissioner,

[III.](c) The deductions are pursuant to any rules or regulations for medical, surgical, or hospital care or service, without financial benefit to the employer and openly, clearly, and in due course recorded in the employer's books.

II. If an employer making a deduction of an employee's wages under paragraph I fails to make any payment relative to such deduction on the employee's behalf, and such employee loses any benefit or fails to meet an obligation caused by such failure, the employer shall be liable for such lost benefit or failed obligation. For any benefits provided to an employee paid for entirely by the employer without employee deductions, if the employer fails to make timely payments for such benefits and the employee loses any benefit or fails to meet any obligations caused by such failure, then the employer shall be liable for such lost benefits or failed obligations. The employer shall also be liable for any cost incurred by the employee caused by the employer's failure to make such payments.

III. An insurer or plan administrator of a self-funded plan shall notify an employee in writing of termination of an employee benefit plan pursuant to the notification requirements of RSA 415:18, VII(g), (4) or the Employee Retirement Income Security Act, as applicable.

IV. If a plan administrator fails to comply with the applicable employee notification requirements of the Employee Retirement Income Security Act, then the plan administrator shall be liable for lost benefits or failed obligations to the employee resulting from the

termination of the employee's benefit plan. Such liability extends only for the period of non-compliance beginning on the date notification to the employee was required under the Employee Retirement Income Security Act and ending on the date proper notification was made. Such liability for plan administrators is secondary to the employer's liability during this period and becomes primary only after the department of labor determines that the employer is financially unable to pay all or any part of the employee's lost benefits and failed obligations. Such liability for plan administrators in no way diminishes the employer's liability during this or any period.

V. For purposes of this section "plan administrator" means the fiduciary of the plan named in the adoption agreement who has the duties specified in the plan.

2 Group Policies; Written Notice of Conversion Privilege. Amend RSA 415:18, VII(f) to read as follows:

(f) Each certificate holder in the insured group shall be given written notice of this conversion privilege and its duration within 15 days after the date of termination of the group contract or policy. If this notice is given more than 15 days after the date of termination, the time allowed for the exercise of the privilege of conversion shall be extended for a period of 15 days following receipt of written notice by the certificate holder. Such notice shall be mailed by the insurer to the certificate holder at the last address furnished to the insurer by the contract holder at the same time as the notice required by RSA 415:18, VII(g)(4) is mailed. Each certificate holder shall have the option of electing an individual conversion policy or the 39 week extension period provided pursuant to RSA 415:18, VII(g)(4). The election of the 39 week extension period upon termination by any person or member shall not preclude such person or member from electing a converted policy at the expiration of the 39 week extension period.

3 New Subparagraph; Notification Requirements. Amend RSA 415:18, VII(g) by inserting after subparagraph (4) the following new subparagraph:

(5) If the insurer fails to comply with the applicable employee notification requirements of RSA 415:18, VII(g)(4), then the insurer shall be liable for lost benefits payable under and according to, the terms of the group policy or contract to the employee resulting from the termination of the employee's benefit plan. Such liability extends only for the period of non-compliance beginning on the date notification of the employee was required under RSA 415:18, VII(g)(4) and ending on the date written notice is deposited in the United States mail. Such liability for insurers is secondary to the employer's liability during this period and becomes primary only after the department of labor advises the insurance commissioner of its determination that the employer is financially unable to pay all or any part of the employee's lost benefits and failed obligations. Such liability for insurers in no way diminishes the employer's liability during this or any period.

4 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill makes an employer liable for lost employee benefits and employee obligations caused by the employer's untimely payment to the payee.

This bill also requires an insurer or plan administrator to notify an employee prior to certain employee benefit plan terminations. A plan administrator may be liable for lost benefits if such insurer fails to notify the employee.

HB 1508-FN, relative to premiums charged under the workers' compensation assigned risk pool and establishing a committee to study the workers' compensation rate system. REFER FOR INTERIM STUDY

Rep. Carl R. Johnson for Labor, Industrial and Rehabilitative Services: The committee felt this bill should be sent to interim study until we can have the time to see how the small risk workers' compensation plan is working. Vote 11-0.

CACR 32, relating to biennial legislative sessions, legislative compensation, and special legislative sessions. Providing that the general court shall meet biennially and at such other times as the senate and house deem necessary; that presiding officers shall no longer receive the extra \$50 compensation but may receive extra payment for services; that the number of

days for which members may receive mileage shall be 3 days per week or 90 days per year; and that 2 sections that permit the governor to adjourn the legislature or to call special sessions shall be repealed. **INEXPEDIENT TO LEGISLATE**

Rep. Elizabeth A. Moore for Legislative Administration: The committee felt that CACR 32 involved too much reorganization of the legislative process to be undertaken at this time. Vote 10-0.

HB 1298, prohibiting a legislator from becoming a lobbyist until 2 years after the expiration of the legislator's term. **REFER FOR INTERIM STUDY**

Rep. Cynthia A. McGovern for Legislative Administration: The Committee feels some sort of a "revolving door" policy is desirable for the state of New Hampshire. We would like to study particularly the issue of how long a legislator need wait before making the transition to lobbyist. Vote 11-0.

HB 1574, extending the reporting deadline for certain study committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alice Barnard Record for Legislative Administration: The committee concurred the bill was ought to pass in extending reporting deadlines as follows to 1 November 1994, i.e., Real Estate Valuation and Re-Evaluation Study; the study committee submit a report on its findings with recommendations for legislators actions Tax Exempt Property Study; Long Term Care Study, Contracting Services by State, etc. per the bill as written with this act taking effect upon its passage. Vote 11-0.

Amendment (4797B)

Amend the bill by deleting sections 6 and 8 and renumbering sections 7 and 9-12 to read as 6-10, respectively.

HB 1582-FN, relative to state house health services. **OUGHT TO PASS**

Rep. Leona Dykstra for Legislative Administration: This is enabling legislation that allows a procedure to fill the nurse's position when the nurse is unavailable. The position would be on a temporary basis. Vote 10-0.

HR 48, encouraging the speaker of the New Hampshire house of representatives to establish a study committee on the cost and feasibility of televising sessions and committee meetings of the New Hampshire house of representatives. **OUGHT TO PASS**

Rep. Eleanor H. Amidon for Legislative Administration: The committee acknowledges the importance of the issue of state-wide dissemination of information by television and supports any exploration by the speaker on this subject. Vote 10-0.

HB 1226, relative to filling vacancies on the county executive committee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert M. Fesh for Municipal and County Government: The amendment replaces the original bill. It gives the county delegations the choice of how they will fill vacancies on the county executive committee when they occur. Vote 16-0.

Amendment (5396B)

Amend the bill by replacing section 1 with the following:

1 New Section; Replacing Members of Executive Committee. Amend RSA 24 by inserting after section 2-a the following new section:

24:2-b Vacancy in Membership of Executive Committee. If a vacancy occurs in the membership of the executive committee, another member of the county delegation shall be elected to fill the vacancy for the unexpired term by a method to be determined by the county delegation at its first meeting convened according to the provisions of RSA 24:9-a. The method determined by the county delegation for filling the vacancy shall remain in effect until it is changed by a vote of the county delegation.

AMENDED ANALYSIS

This bill provides that if a vacancy occurs in the membership of the county executive committee, another member of the county delegation shall be elected to fill the vacancy for the unexpired term by a method to be determined by the county delegation.

HB 1228, recodifying RSA 289, relative to cemeteries, providing for the protection of old cemeteries, and continuing the fee for a copy of a burial record. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph E. Stone for Municipal and County Government: This bill recodifies RSA 289 relative to cemeteries. The subcommittee worked hard to bring the various parties together bringing forth the legislation providing for the protection of old cemeteries and continuing the fee for a copy of the burial record. Vote 17-0.

Amendment (5462B)

Amend the title of the bill by replacing it with the following:

AN ACT

recodifying RSA 289, relative to cemeteries, providing for
the protection of old cemeteries, and relative to the fee
for a copy of a burial record.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The purpose of this chapter is to clarify the law regarding cemeteries, to remove obsolete sections, to add new sections relative to cemeteries, and to include provisions for the protection of old cemeteries.

2 Cemeteries. RSA 289 is repealed and reenacted to read as follows:

CHAPTER 289

CEMETERIES

289:1 Definitions. In this chapter, unless the context clearly requires otherwise:

I. "Burial ground" means a private cemetery on private property and not available for use by the public.

II. "Burial space" means a lot in any cemetery as designed and intended for the interment of a human body or bodies, but presently not used for such purpose.

III. "Cemetery" means any cemetery owned, managed, or controlled by any municipality within this state or owned and managed by any cemetery corporation chartered the state.

IV. "Cemetery association" means a cemetery corporation, the voting members of which are the owners of burial spaces in the cemetery owned and operated by the association.

V. "Cemetery corporation" means a corporation organized for the purpose of operating a cemetery.

VI. "Cemetery trustees" means town cemetery trustees elected pursuant to the provisions contained in this chapter.

VII. "Corporate officer" means the elected or appointed managing officer of a corporation established to operate a cemetery for public interment.

VIII. "Owner" means any person or persons owning or possessing the privilege, license, or right of interment in any burial space.

289:2 Municipality to Provide. Every municipality shall provide one or more suitable cemeteries for the interment of deceased persons within its boundaries, which shall be subject to such regulations as the municipality may establish. In the absence of regulations established by vote of the legislative body, the cemetery trustees may establish such regulations pursuant to RSA 289:7, I(a). The operation and maintenance of all cemeteries owned and maintained by the municipality shall be in charge of the cemetery trustees.

289:3 Location. All cemeteries and burial grounds shall be laid out in accordance with the following requirements:

I. No cemetery shall be laid out within 100 feet of any dwelling house, schoolhouse or school lot, store or other place of business without the consent of the owner of the same, nor within 50 feet of a known source of water or the right of way of any classification of state highway. Existing cemeteries which are not in compliance with the above set-back requirements may be enlarged, provided that no portion of the enlargement is located any closer to the above-listed buildings, water sources or highways than the existing cemetery, and provided further that no such enlargement shall be located within 50 feet of any classification of state highway.

II. Burials on private property, not in an established burial ground, shall comply with local zoning regulations. In the absence of such regulations, such burial sites shall comply with the

requirements in paragraph I. The location of the burial site shall be recorded in the deed to the property upon transfer of the property to another person.

III. New construction, excavation, or building in the area of a known burial site or within the boundaries of an established burial ground or cemetery shall comply with local zoning regulations concerning burial sites, burial grounds or cemeteries, whether or not such burial site or burial ground was properly recorded in the deed to the property. In the absence of such regulations, no new construction, excavation, or building shall be conducted within 25 feet of a known burial site or within 25 feet of the boundaries of an established burial ground or cemetery, whether or not such burial site or burial ground was properly recorded in the deed to the property, except when such construction, excavation, or building is necessary for the construction of an essential service, as approved by the governing body of a municipality in concurrence with the cemetery trustees, or in the case of a state highway, by the commissioner of the department of transportation in concurrence with the cemetery trustees.

IV. Nothing in this section shall be construed to conflict with RSA 290, local ordinances, or cemetery rules concerning burials and disinterments of human remains.

289:4 Maintenance. Every municipality shall raise and appropriate sufficient funds, by taxation or otherwise, to provide for the suitable care and maintenance of the municipal public cemeteries within its boundaries which are not otherwise provided for, and to provide and maintain around all such cemeteries a good and sufficient fence, and to supply the fence with necessary gates. Every municipality may raise and appropriate annually a sufficient sum to provide for the suitable care and maintenance of deserted burial grounds and cemeteries which have been declared abandoned in accordance with RSA 289:20-22.

289:5 Cemetery Records. The corporate officer or designee of a cemetery corporation or town cemetery trustees charged with the responsibility of operation and administration of any cemetery under their control shall keep a record of every burial showing the date of burial and name of the person buried, when these particulars can be obtained, and the lot, plot, or part of such plot or lot, in which the burial was made. Such records shall also be kept of every private burial site within a municipality by the owner of the land containing the burial site, and a copy of the information shall be supplied to the cemetery trustees who will maintain the municipal records of such sites. A copy of such record, duly certified, shall be furnished to any person on demand and payment of a fee. The location of each cemetery and private burial site may be annotated on the municipal tax map.

Cemetery Trustees

289:6 Cemetery Trustees.

I. Every municipality shall elect a board of cemetery trustees consisting of 3 members, unless a town at an annual or special town meeting votes that the board shall consist of 5 members. In the initial election of cemetery trustees, they shall be elected by ballot at an annual town meeting. One shall be elected for a one-year term, one for a 2-year term and one for a 3-year term. In towns with a board of 5 trustees the 2 additional trustees shall be appointed by the selectmen, one for one year and one for 2 years. Subsequent trustees shall be elected by ballot at the annual town meeting to replace those whose terms expire. The term of each trustee shall be 3 years. Vacancies shall be filled by the selectmen for the remainder of the term. In cities the trustees shall be chosen and hold their office for such term as shall be provided by city ordinance. Trustees shall organize by electing one of their number chairperson and another bookkeeper, who shall keep the records and books of the trustees, and shall issue vouchers as necessary for funds to be expended. The chairperson and the bookkeeper may be the same member.

II. Any town that has the town manager form of government may vote to not have cemetery trustees by delegating all of the duties and responsibilities of cemetery trustees to the town manager, as specified in RSA 289. This option may be adopted by a vote of the town meeting. The warrant article question to be voted shall be: "Shall we discontinue the board of cemetery trustees by delegating their duties and responsibilities to the town manager." If the majority votes in the affirmative, then the discontinuance shall take effect 90 days after adoption.

III. At any subsequent town meeting the town may vote to reinstate the board of cemetery trustees. A new board of cemetery trustees shall be elected at the town meeting next following the vote to reinstate the board of cemetery trustees.

289:7 Powers and Duties.

I. Except in those municipalities in which other provisions have been made by a general or special act of the legislature, all cemetery trustees in the state shall:

(a) Adopt bylaws and regulations for their transaction of business and for the establishment and management of all municipal cemeteries within their responsibility.

(b) Prepare an annual budget indicating what support and maintenance of the municipal public cemeteries will be required out of public funds for submission to the appropriate agency of the municipality. A separate budget request shall be submitted for planning and establishment of a new public cemetery and for capital improvements or expansion of an existing public cemetery.

(c) Expend all moneys raised and appropriated by the municipality for cemetery purposes. Such funds shall be maintained in the general fund and paid in the same manner that funds of other municipal departments are paid.

(d) Expend income from all trust funds for cemetery purposes in accordance with the conditions of each donation or bequest accepted by the municipality. Such trust funds shall be held in the custody and under the management of the trustees of trust funds. The trust income shall be transferred to the cemetery trustees by the trustees of trust funds in response to vouchers executed by the cemetery trustees, if the requested funds are available. Such trust fund income shall not be commingled with the moneys raised and appropriated by the municipality.

II. Cemetery trustees may appoint a cemetery custodian or sexton who shall not be a trustee and who shall be responsible to the cemetery trustees for supervising work done in the cemeteries.

289:8 Enforcement. Any person designated as a cemetery trustee failing to comply with the provisions of RSA 289:7 shall be guilty of a violation. Any other person who violates this chapter or any regulation established under the authority of this chapter shall be guilty of a violation.

289:9 Use of Trust Funds. Cemetery corporations and the trust fund trustees of municipalities may take and hold funds in trust, and may apply the income of the trust to the improvement, watering, or embellishment of the cemetery, or to the care, preservation, or embellishment of any lot or its appurtenances.

289:10 Investments. Cemetery corporations holding funds in trust as provided in RSA 289:9 may establish, maintain, and operate common trust funds as provided in RSA 31:27-30.

289:11 Accounting. Whenever any cemetery corporation shall take and hold trust funds according to the provisions of RSA 289:9, such corporation shall keep in its books an account of all funds received and held by it in the same manner as required of municipalities, and the account of any such fund shall be open to inspection by any person having an interest in the proper administration of the trust.

289:12 Reports. A copy of the annual financial report of such corporations shall be filed with the attorney general, unless otherwise required by law to file such a report with any town, city, county, or state agency.

289:13 Cemetery Association Termination. Any cemetery laid out by an individual or corporation and located within the municipality, in which all lots have been sold and for the care of which trust funds are held by the municipality, may be deeded to the municipality with no implied financial liability to the municipality for the maintenance of the cemetery over and above the trust fund income, provided the municipality votes to accept such cemetery transfer. Municipalities may raise and appropriate additional funds for the care of such cemeteries. Upon the transfer of the title to the cemetery, the municipal cemetery trustees shall have the sole management responsibility for the cemetery.

289:14 Right of Way to Private Burial Ground. Any person wishing to have a temporary right of entry over private land in order to enter a private burial ground enclosure to which there is no public right of way may apply in writing to the selectmen of a town or the mayor of a city stating the reason for such request and the period of time for which such right is to be exercised. The applicant shall also notify in writing the owner or occupier of the land over which the right of way is desired. The selectmen or mayor, in the exercise of discretion and in consultation with the cemetery trustees, may issue a permit for such temporary right of

entry designating the particular place where the land may be crossed. The owner or occupier of the land may recommend the place of crossing which, if reasonable, shall be the place designated by the selectmen or mayor.

289:15 Discontinuance. Whenever there is a public necessity for the discontinuance of any municipal cemetery and the removal of the remains of persons buried in such cemetery, the cemetery may be discontinued by a 3/4 vote of the legal voters present and voting at any town meeting held for the purpose, or by 3/4 of each board of the city councils present and voting.

289:16 Reinterment. The governing body may, at the expense of the municipality, disinter all the remains of persons buried in such cemetery and reinter the same in the unoccupied part of another cemetery within the municipality, such reinterment to be in the place designated by the nearest surviving relatives of the deceased persons or, in the absence of such surviving relative, by the cemetery trustees. Such removal and reinterment shall be done prudently and with proper care and attention.

289:17 Removal of Monuments. The monuments, gravestones, and other appurtenances attached to the graves shall be carefully removed and properly set up at the place of reinterment with as little injury as the nature of the case will admit. In case of injury to any monument, gravestone, or appurtenance, the damages shall be assessed by the governing body in the same manner and with the same right of appeal as in the case of alteration of the grade of highways.

Abandoned Burial Spaces

289:18 Forfeiture Procedures.

I. Whenever a burial space or spaces in any cemetery subject to the provisions of this subdivision have remained unused for a period of 50 years, and the owner has not improved such space or spaces by causing a monument, gravestone, or other permanent appurtenance to be placed on the burial space, the person, corporate manager, or cemetery trustees having jurisdiction over such cemetery may institute proceedings for the termination and forfeiture of the rights and interests of such owner. All purchase contracts for burial spaces executed after the effective date of this act shall include a notice that his procedure may be invoked in the future.

II. Whenever such person, corporate manager, or board of trustees determines that the conditions stated in paragraph I have been met, then they may send to the owner a notice of the intent to terminate and forfeit the owner's rights, served on the owner personally by a competent person or sent by certified mail with return receipt requested to the owner's last known address.

III. When the owner receives the forfeiture notice, the owner may notify the cemetery management of continued intent to use the space, in which case this procedure shall be cancelled, or the owner may return the space to the cemetery and receive in compensation the same amount the owner paid for the space, less any portion of the original purchase price that was specified for inclusion in a perpetual care trust fund.

IV. If no response is received from the owner for 60 days, the cemetery management may advertise in a paper of local distribution for information regarding the present whereabouts of the owner. If information is forthcoming, the notification process shall be repeated using the new address information. If no information is received, the original purchase contract may be voided and the space sold to a new owner. Any owner contacting the cemetery management after the space has been resold shall be reimbursed the amount he originally paid, including the portion set aside for perpetual care.

Abandoned Burial Grounds

289:19 Neglected Burial Ground. Whenever a burial ground within the boundaries of the town has been neglected for a period of 20 years or more, the municipality may declare it abandoned for purposes of preservation, maintenance or restoration.

289:20 Procedure. To declare a burial ground abandoned:

I. The municipality shall place an advertisement in at least one newspaper having general distribution in the municipality and surrounding area. The advertisement shall state the intent of the municipality, identifying the burial ground by name, if known, and by names and dates of the oldest stones in the burial ground, with a request for any direct descendent

to contact the town selectmen's office, the town manager, or mayor, as applicable. If the burial ground contains no stones with legible inscriptions, the site may be identified by a detailed description of its location.

II. Not less than 60 days nor more than 90 days after the notice of the intent has been published, the notice shall be read at a regularly scheduled selectmen's meeting or in the case of a city, a city council meeting.

III. If any descendants were located and grant permission, or if no descendants were located, then, after a public hearing, the municipality may declare the burial ground abandoned by a majority vote of the selectmen or city councilmen present and voting.

289:21 Rights and Responsibilities. Any burial ground declared abandoned under these provisions shall become a municipal cemetery for management purposes and shall be managed by the cemetery trustees, who shall assume all the authorization and rights of natural lineal descendants.

Prohibited Conduct

289:22 Stone Rubbings. No person shall make gravestone rubbings in any municipal cemetery or burial ground without first obtaining the written permission of the town selectmen or the mayor of a city or designee. Before granting such permission, the selectmen or mayor will ascertain to the best of their ability that the person making the request knows the proper precautions to be taken and the proper materials to be used for this activity. The town selectmen or city mayor or their designee shall notify the cemetery trustees of the request and its disposition. Any person who violates the provisions of this section shall be guilty of a misdemeanor.

289:23 Other Unauthorized Acts. All other unauthorized conduct under RSA 635:6 and 635:7 regarding the abuse of cemeteries shall be penalized as provided in RSA 635:8.

3 Reference Changes. Amend RSA 290:5 to read as follows:

290:5 **Burial Permit** Required. No interment of the dead body of a human being, nor disposition [thereof] *of the body* in a tomb or vault, shall be made without a permit, and only in accordance with it. No disinterment, except as otherwise [herein] provided *in this chapter*, of the dead body of a human being shall be made without a permit from the department of health and human services, division of public health services, countersigned by the local health officer, and only in accordance with such permit. Such disinterment permit shall not be required for removal of such dead body from a tomb or vault for the purpose of burial, for reinterment of dead bodies after discontinuance of a public cemetery, as provided in [RSA 289:10 and 11] *RSA 289:15 and 289:16*, if a body is to be removed within the geographic boundaries of the same cemetery, nor in *a* case where an autopsy has been ordered by a county attorney or the attorney general. No person shall assist in, assent to, or allow an interment or disinterment to be made until a permit has been obtained under this section. Any person who [shall violate] *violates* the provisions of this section [relative to disinterment] shall be [punished as provided in RSA 644:7] *guilty of a misdemeanor*.

4 Care of Cemeteries. Amend RSA 37:6, VII(i) to read as follows:

(i) The care of cemeteries *when the town has adopted the provisions of RSA 289:6, II*.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill recodifies the laws relating to cemeteries by updating obsolete sections. The fee for providing a copy of a burial record is left to the discretion of the municipality.

The bill also provides protection for old cemeteries.

HB 1443-L, relative to town meetings and public hearings in large towns. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard Noyes for Municipal and County Government: The state's continuing population growth means more and more towns will face problems already being felt in Salem, where the bill originates. It arises out of experience there, and was written to deal with issues more and more towns can expect to face. The amendments were affirmed by the original authors. Vote 17-0.

Amendment (5448B)

Amend the bill by replacing all after the enacting clause with the following:

1 Petition for Special Town Meeting. Amend RSA 39:3 to read as follows:

39:3 Articles. Upon the written application of 25 or more registered voters or 2 percent of the registered voters in town, whichever is less, although in no event shall fewer than 10 registered voters be sufficient, presented to the selectmen or one of them not later than the fifth Tuesday before the day prescribed for an annual meeting, the selectmen shall insert in their warrant for such meeting the petitioned article with only such minor textual changes as may be required. For the purposes of this section, the number of registered voters in a town shall be the number of voters registered prior to the last state general election. The right to have an article inserted in the warrant conferred by this section shall not be invalidated by the provisions of RSA 32. [Upon] *In towns with fewer than 10,000 inhabitants upon the written application of 50 or more voters or 1/4 of the voters in town, whichever is fewer, and in towns with 10,000 or more inhabitants upon the written application of 5 percent of the registered voters in the town,* so presented not less than 60 days before the next annual meeting, the selectmen shall warn a special meeting to act upon any question specified in such application. The checklist for an annual or special town meeting shall be corrected by the supervisors of the checklist as provided in RSA 654:25-31, except that the session 3 weeks before the meeting shall not be required. Those persons qualified to vote whose names are on the corrected checklist shall be entitled to vote at the meeting. The same checklist used at a recessed town meeting shall be used at any reconvened session of the same town meeting. In no event shall a special town meeting be held on the biennial election day.

2 New Section; Consideration of Warrant Articles. Amend RSA 40 by inserting after section 10 the following new section:

40:11 Consideration of Warrant Articles. In towns with 10,000 or more inhabitants, every article included in a warrant for a town meeting shall be acted upon before final adjournment of the town meeting.

3 New Sections; Authority of Selectmen to Sell Town-Owned Land; Code Amendments. Amend RSA 41 by inserting after section 14 the following new sections:

41:14-a Sale of Town-Owned Land. In towns with 10,000 or more inhabitants, the selectmen shall have the authority to sell town-owned land after they hold 2 public hearings at least 10 but not more than 14 days apart on the proposed sale; provided, however, upon the written petition of 50 registered voters presented to the selectmen, prior to the selectmen's vote, according to the provisions of RSA 39:3, the proposed sale shall be inserted as an article in the warrant for the town meeting. The selectmen's vote shall take place no sooner than 10 days nor later than 14 days after the second public hearing which is held. The provisions of this section shall not apply to and the selectmen shall have no authority to sell town-owned conservation land which is managed and controlled by the conservation commission under the provisions of RSA 36-A.

41:14-b Adoption and Amendment of Town Codes and Ordinances. In towns with 10,000 or more inhabitants, the selectmen shall have the authority to establish, and amend town ordinances and codes after they hold 2 public hearings at least 10 but not more than 14 days apart on the establishment or amendment of the ordinance or code; provided, however, upon the written petition of 50 registered voters presented to the selectmen prior to the selectmen's vote, according to the provisions of RSA 39:3, the proposed establishment of or amendment to the town ordinance or code shall be inserted as an article in the warrant for the town meeting. The selectmen's vote shall take place no sooner than 10 days nor later than 14 days after the second public hearing which is held. The provisions of this section shall not apply to the establishment and amendment of a zoning ordinance, historic district ordinance, or building code under the provisions of RSA 675.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes the following changes in the municipal laws for towns with 10,000 or more inhabitants:

(1) Every article in a warrant for a town meeting shall be acted upon before final adjournment of the town meeting.

(2) A special town meeting shall be called upon the written application of 5 percent of the registered voters in the town.

(3) Selectmen shall have the authority to sell town-owned land after holding 2 public hearings on the sale, unless 50 registered voters petition to have the sale placed as an article in the warrant for the town meeting, and the petition is presented to the selectmen prior to the selectmen's vote. The selectmen shall not, however, have the authority to sell town-owned conservation land.

(4) Selectmen shall have the authority to establish and amend town ordinances and codes, except for zoning and historic district ordinances and building codes, after holding 2 public hearings, unless 50 registered voters petition to have the ordinance or code placed as an article in the warrant for the town meeting, and the petition is presented to the selectmen prior to the selectmen's vote.

HB 1469-L, relative to the definition of "impact fee" for the purpose of innovative land use controls. **OUGHT TO PASS WITH AMENDMENT**

Rep. Marian E. Lovejoy for Municipal and County Government: This bill allows for the assessment of an impact fee for the municipal capital facilities portion of a cooperative or regional school district of which the municipality is a member. This assessment can now be made on school buildings solely owned by the municipality. Vote 17-0.

Amendment (5390B)

Amend the bill by replacing section 1 with the following:

1 Assessment of Impact Fee by Municipality in Cooperative or Regional School District. Amend the introductory paragraph of RSA 674:21, V to read as follows:

V. As used in this section "impact fee" means a fee or assessment imposed upon development, including subdivision, building construction or other land use change, in order to help meet the needs occasioned by that development for the construction or improvement of capital facilities owned or operated by the municipality, including and limited to water treatment and distribution facilities; wastewater treatment and disposal facilities; sanitary sewers; storm water, drainage and flood control facilities; public road systems and rights-of-way; municipal office facilities; *the municipal capital facilities portion of a cooperative or regional school district of which the municipality is a member*; public school facilities; public safety facilities; solid waste collection, transfer, recycling, processing and disposal facilities; public library facilities; and public recreational facilities not including public open space. No later than July 1, 1993, all impact fee ordinances shall be subject to the following:

AMENDED ANALYSIS

Under present law, a municipality may assess an impact fee for the construction or improvement of certain capital facilities which are owned or operated by a municipality. This bill adds the municipal capital facilities portion of a cooperative or regional school district of which the municipality is a member to those facilities for which an impact fee may be assessed.

HB 1539-FN, establishing an intermodal statewide transportation improvement program for New Hampshire. **OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Chandler for Public Works: The amended bill repeals Chapter 381, 1991, which established a biennial cycle for the 10-year highway program, and establishes in statute (Revised Statutes Annotated) a biennial cycle for a state-wide Transportation Improvement Program (STIP) required by the federal Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA) and recently published federal regulations establishing the programming process. Hereafter the state's program will address all surface transportation modes, not just highways and bridges. Moreover, this amended bill provides that the several rural Regional Planning Commissions (RPC) shall perform the same tasks in assembling regional Transportation Improvement Programs (TIP) as is mandated by the federal regulations for the Metropolitan Planning Organizations (MPO). The amendment eliminates any fiscal impacts. Vote 13-0.

Amendment (5156B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a statewide intermodal transportation planning and improvement program.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Statewide Intermodal Transportation Planning and Improvement Program. Amend RSA 228 by inserting after section 97 the following new subdivision:

Statewide Intermodal Transportation Planning and Improvement Program

228:98 Statement of Purpose. The purpose of this subdivision is to enable New Hampshire to respond to the planning and improvement objectives of the federal Intermodal Surface Transportation Efficiency Act, as amended.

228:99 Statewide Transportation Improvement Program (STIP). The governor shall develop a statewide transportation improvement program as required by 23 U.S.C. sections 134 and 135, as amended. The governor shall revise and update the program every 2 years. Adoption of the STIP and revised STIP shall be as follows:

I. Each metropolitan planning organization and rural regional planning commission shall reach agreement with the department of transportation relative to funding unified planning work programs consistent with 23 U.S.C. sections 134 and 135 no later than December 1 of each even-numbered year. Each metropolitan planning organization and rural regional planning commission shall provide TIP to the department of transportation no later than April 1 of each odd-numbered year. Such plans shall include a public involvement plan and education initiative to ensure early and adequate input from residents, municipalities and any other interested parties in New Hampshire.

II. The commissioner shall submit the tentative STIP in accordance with the state planning process as required in 23 U.S.C. section 135 to the governor's advisory commission on intermodal transportation no later than July 1 of each odd-numbered year.

III. The governor's advisory commission on intermodal transportation shall conduct at least one public hearing in each executive council district to present the tentative STIP to the public and to receive the public's comments and recommendations regarding the program. The governor's advisory commission on intermodal transportation shall submit such program along with the commission's recommendations to the governor no later than December 1 of each odd-numbered year. Each metropolitan planning organization and rural regional planning commission should conduct an informational meeting after the commission submits its recommendations to receive the public's final comments and recommendations regarding the proposed programs before adoption by the governor.

IV. The governor shall submit the STIP to the general court to be acted on no later than January 15 of each even-numbered year. After an enactment by the general court of the STIP or by June 1 of each even-numbered year, whichever is earlier, each metropolitan planning organization and rural regional planning commission should continue its public involvement program by conducting at least one informational meeting concerning the STIP.

228:100 Governor's Advisory Commission on Intermodal Transportation (GACIT) Established. There is established a governor's advisory commission on intermodal transportation. The members of the commission shall include the members of the executive council and the commissioner of the department of transportation.

2 Repeal. 1991, 381, relative to a long-range highway and bridge construction program, is repealed.

3 Effective Date. This act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill:

- I. Establishes a statewide intermodal transportation planning and improvement program.
- II. Establishes the governor's advisory commission on intermodal transportation.

HB 1312, prohibiting wholesalers from delivering beer in kegs to the general public. **IN-EXPEDIENT TO LEGISLATE**

Rep. Thomas A. Behrens for Regulated Revenues: Testimony presented to the committee indicated that keg beer consumption continues on campuses across the state. The unanimous

feeling of the committee was that by restricting one class of licensee from selling keg beer would merely transfer sales to alternative licensees. We feel that the solution to the problems highlighted lies in local bylaws and ordinances. Vote 12-0.

HC 31, urging that the northern forest of New Hampshire continue to be used to provide jobs for timber industry, recreation, and tourism. **OUGHT TO PASS WITH AMENDMENT**

Rep. Marion L. Copenhaver for State-Federal Relations: This House Concurrent Resolution urges Congress to support the northern forest land council's final recommendations and to protect the right of self-determination for the citizens of Coos County. Vote 10-0.

Amendment (5023B)

Amend the resolution by replacing all after the title with the following:

Whereas, Congress recognized the northern forest region of Maine, New Hampshire, Vermont, and New York when the northern forest lands study was authorized in 1988; and

Whereas, the governor of the state of New Hampshire recognized the importance of this effort when he appointed the New Hampshire members of the governors' task force on northern forest lands in 1988; and

Whereas, this commitment was extended when the governor of the state of New Hampshire appointed the New Hampshire members of the northern forest lands council in 1991; and

Whereas, the council's purpose is to study and issue recommendations to the 4 states' governors and congressional delegations on how to "reinforce the traditional patterns of land ownership and use that have characterized the northern forest region, enhance the quality of life for local residents through the promotion of economic stability, encourage the production of a sustainable yield of forest products, and protect recreational, wildlife, scenic and wild-land resources" in a region of 26 million acres which includes most of northern New Hampshire; and

Whereas, northern New Hampshire is supported by an economy closely associated with the land and its varied products, and includes some of the state's most productive forests and farms, pristine wild areas, clean water, habitat for a diversity of game and non-game wildlife, and both public and private lands for outdoor recreation; and

Whereas, the council will issue final recommendations in July, 1994 that will establish a framework for the state to address some of northern New Hampshire's most pressing social and environmental problems and opportunities; now, therefore be it

Resolved by the House of Representatives, the Senate concurring:

That the general court of the state of New Hampshire shall give due consideration to the rights and interests of the people of northern New Hampshire, with respect to any final recommendations of the northern forest lands council, and shall commit itself to a thorough review of these final recommendations; and

That the general court call upon the New Hampshire congressional delegation in deliberation of the recommendations of the northern forest lands council, to give due consideration to the rights, interests and well-being of the people of northern New Hampshire, and to respect the right of self-determination that must underlie any successful resolution of the problems and opportunities arising from the issuance of the council's final report; and

That copies of this resolution be forwarded by the clerk of the house to the President of the United States, the Vice-President of the United States, the Speaker of the United States House of Representatives, and to each member of the New Hampshire Congressional delegation.

AMENDED ANALYSIS

This concurrent resolution urges Congress to support the northern forest lands council's final recommendations and to protect the right of self-determination for the citizens of northern New Hampshire.

HJR 21, urging the President and Congress to have the remains of certain Native Americans, including those of Chief Passaconaway of Penacook, returned from France to the United States. **OUGHT TO PASS**

Rep. Carol H. Holden for State-Federal Relations: The House resolution urges the President and Congress to petition France for the remains of certain Native Americans, including those of Chief Passaconaway of Penacook. Native American groups in the state support this resolution. Vote 10-0.

HB 1173, prohibiting a right turn on red when a walk signal is on. **OUGHT TO PASS**

Rep. Emma M. Dodge for Transportation: This bill prohibits any vehicle from making a right hand turn on a red light when a steady or flashing walk signal is displayed. Vote 14-0.

HB 1283, relative to transporting trash and scrap metal. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sherman A. Packard for Transportation: The intent of this bill is to add light scrap metals and loose trash to the law concerning trucks that require the covering of their loads. This bill will also tighten up existing laws and add fines concerning the proper covering of sand and gravel-type loads. Vote 13-1.

Amendment (5566B)

Amend the title of the bill by replacing it with the following:

AN ACT

relative to transporting loads on highways and establishing fines.

Amend the bill by replacing all after the enacting clause with the following:

1 Spillage of Material. RSA 266:72 is repealed and reenacted to read as follows:

I. No vehicle shall be driven or moved on any way unless such vehicles is so constructed or loaded as to prevent any of its load from dropping, sifting, leaking or otherwise escaping therefrom, except that sand may be dropped for the purpose of securing traction, or water or other substance may be sprinkled on a way in cleaning or maintaining such way.

II. No vehicle shall be driven or moved on any highway when any load on such vehicle is not entirely within the body of the vehicle; provided that this prohibition shall not apply if the load is securely fastened by means of clamps, chains, ropes, straps, cargo nets, or other suitable mechanical device to prevent such load from dropping onto the highway or from shifting in any manner and further, no vehicle shall be operated on any highway with any load thereon projecting beyond the extreme width of the vehicle.

III. No vehicle shall be driven or moved on any highway with any load if the load is not entirely covered and secured by a cargo net, tarpauling, canopy, or other material designed to cover the load to prevent the load from escaping from the vehicle, where the load consists partially or entirely of loose paper, loose rubbish, plastics, empty cartons, dirt, sand, gravel, or light metals.

IV. No vehicle shall be driven or moved on any highway with a load consisting of rocks, stones, or boulders if the load, at its peak, extends above any point on a horizontal plane equal in height to the top of the side, front, or rear part of the cargo container area that is the least in height.

V. This section shall not apply to a local farmer transporting his own farm products or materials incidental to his farming operations where such transporting requires incidental use of a way provided that such farmer shall not thereby be relieved of his duty to exercise reasonable care in carrying on such operations.

VI. The provisions of paragraph II shall not apply to:

(a) The operation of highway building equipment as defined in RSA 259:42 and motor vehicles used in the construction of highways provided that such equipment or motor vehicle is used within a highway construction zone as prescribed by the commissioner, public works and highways, provided that the driver of any such vehicle shall not thereby be relieved of his duty to exercise reasonable care.

(b) The operation of municipal and state highway maintenance equipment.

VII.(a) Any person who violates the provisions of this section shall be guilty of a violation if a natural person, or guilty of a misdemeanor if any other person.

(b) In addition, any person who violates the provisions of this section shall be subject to the following fines:

(1) Not less than \$250 and not more than \$500 for a first offense.

(2) Not less than \$500 and not more than \$750 for a second or subsequent offense.

(c) In imposing a fine under this paragraph, the court, in its discretion may apportion payment of the fine between the driver of the vehicle and the owner of the vehicle according to the court's determination of the degree of fault for the violation.

2 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill requires anyone transporting loose paper, loose rubbish, plastics, empty cartons, dirt, sand, or gravel to entirely cover and secure the load.

The bill imposes fines for violations.

HB 1367, creating an advisory committee to the statewide mass transportation and air quality projects planning study being conducted by the department of transportation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thaddeus E. Klemarczyk for Transportation: The Committee felt that this is a good bill as it encompasses members of various planning agencies as part of a study committee for mass transportation and air quality projects throughout the state. Also, the advisory study committee will be in conjunction with a consulting agency contracted by the Department of Transportation. Vote 13-0.

Amendment (5458B)

Amend the bill by replacing sections 1 and 2 with the following:

1 Advisory Committee Established; Duties. There is established an advisory committee to the statewide mass transportation and air quality projects planning study being conducted by the department of transportation. The committee shall review materials developed in the course of study, provide policy guidance to the department, and attend workshops at various locations across the state.

2 Committee Membership.

I. The committee shall be composed of the following:

- (a) Two representatives, appointed by the speaker of the house.
- (b) Two senators, appointed by the senate president.
- (c) One member representing metropolitan planning organizations, appointed by the New Hampshire Association of Regional Planning Commissions.
- (d) One member representing rural planning commissions, appointed by the New Hampshire Association of Regional Planning Commissions.
- (e) Four elected local officials, appointed by the New Hampshire Municipal Association.
- (f) Two members of the public with experience in local or regional transportation planning, appointed by the governor.

(g) The commissioner of the department of transportation, or designee.

(h) The commissioner of the department of environmental services, or designee.

II. The commissioner of the department of transportation or designee, as provided in subparagraph I(g), shall call the first meeting. At the first meeting, the committee shall elect a chairperson and a vice-chairperson from its membership.

HB 1378, allowing nonprofit agencies and individuals serving disabled persons to apply for walking disability placards. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth W. Malcolm for Transportation: This bill will enable a nonprofit agency which serves persons with walking disabilities to be issued limited numbers of walking disability placards to better serve its needs. The nonprofit agency director will control said placards within the organization and be accountable for their proper use. Vote 14-0.

Amendment (5441B)

Amend the bill by replacing section 1 with the following:

1 Placards Available to Individuals and Nonprofit Agencies Serving Walking Disabled. Amend RSA 261:88, V to read as follows:

V. Upon application, the department shall furnish a hanging windshield placard without charge to a person with a walking disability who satisfactorily furnishes proof of such disability to the director. *Any nonprofit agency serving a person with a walking disability may apply to the department for a hanging windshield placard. An applicant for such placard shall furnish the director with satisfactory proof, as the director may require, that the applicant will use the placard solely for the transportation of a person with a walking disability. The quantity of placards issued under this paragraph shall be at the discretion of the director.* This placard shall meet the standards set forth in 23 CFR Part 1235, Appendix A.

The removable windshield placard shall be displayed in such a manner that it may be viewed from the front and rear of the vehicle by hanging it from the front windshield rearview mirror of a vehicle utilizing a parking space reserved for persons with disabilities. When there is no rearview mirror, the placard shall be displayed on the dashboard. The application for such a placard shall be accompanied by the certification of a licensed physician *or the area agency director* that the applicant meets the definition set forth in paragraph 1 of persons with walking disabilities. The placard shall expire 3 years from the date of issuance, and the expiration date shall be noted on the placard. The placard shall be renewed, upon application on forms provided by the director, if the director determines that the disability which necessitated the issuance of the placard continues. Upon request of the applicant, the director shall issue one additional placard to the applicant if the applicant does not have special license plates.

AMENDED ANALYSIS

This bill allows nonprofit agencies serving disabled persons to apply for walking disability placards to be used when transporting a person with a walking disability.

HB 1419-FN-LOCAL, relative to calculation of fees for motor vehicle registration permits. OUGHT TO PASS

Rep. Thaddeus E. Klemarczyk for Transportation: Passage of this bill will lessen the work load required by the town clerks. Also, it will be in conformity with the other 49 states as to the registration of motor vehicles based on the model year of the motor vehicle rather than the year of manufacture. The New Hampshire Auto Dealers Association is in strong support of this bill as well as the Association of City and Town Clerks. Permit fees shall be based on the list price for the model year of the motor vehicle. Vote 14-0.

HB 1436, exempting vessels in the federal channel from reduced speed requirements and eliminating the requirement that children 5 years of age or under wear personal flotation devices when they are in an enclosed cabin area of a boat. OUGHT TO PASS WITH AMENDMENT

Rep. George N. Katsakiores for Transportation: The Committee, in several work sessions, refined the requirements of certain vessels operating on water and exempts vessels in the federal deep water shipping channel of the Piscataqua River from reduced speed requirements. Vote 10-0.

Amendment (5335B)

Amend the title of the bill by replacing it with the following:

AN ACT

exempting vessels in the federal channel from reduced speed requirements.

Amend the bill by replacing all after the enacting clause with the following:

1 Exemptions for Certain Vessels Operating on Water. RSA 270-D:2, VI is repealed and reenacted to read as follows:

VI.(a) To provide full visibility and control and to prevent their wake from being thrown into or causing excessive rocking to other boats, barges, water skiers, aquaplanes or other boats, rafts or floats, all vessels shall maintain headway speed when within 150 feet from:

- (1) Rafts, floats, swimmers.
- (2) Permitted swimming areas.
- (3) Shore.
- (4) Docks.
- (5) Mooring fields.
- (6) Other vessels.

(b) These requirements shall not apply when:

(1) Starting skiers from shore, docks or floats, as long as neither the boat nor the skier is endangering the life or safety of any person.

(2) A vessel is in the federal deepwater shipping channel of the Piscataqua river between navigation buoys R2, Wood Island at the mouth of the river and R12, opposite the Sprague Terminal.

(c) The operator of a towing boat shall be responsible for compliance with this paragraph.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill exempts vessels in the federal channel from reduced speed requirements.

HB 1509, authorizing the department of safety, division of safety services to permit the wearing of non-Coast Guard approved personal flotation devices. OUGHT TO PASS WITH AMENDMENT

Rep. Bernard J. Raynowska for Transportation: This bill will exempt those participants from the requirement of wearing personal flotation devices during show time. By passing this bill, the American Water Ski Association will come to New Hampshire to put on shows. Vote 13-0.

Amendment (5291B)

Amend the title of the bill by replacing it with the following:

AN ACT

exempting persons participating in an American Water Ski Association event from the wearing of certain personal flotation devices.

Amend the bill by replacing all after the enacting clause with the following:

1 Exemption Added. Amend RSA 270-D:3, V to read as follows:

V. No person shall be towed on water skis or other appurtenances unless the person is wearing a Coast Guard approved type 1, 2, or 3 PFD *except when directly participating or competing in an American Water Ski Association approved event or exhibition, authorized by a special permit issued by the director of safety services.*

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill exempts any person directly participating or competing in an American Water Ski Association event approved by the department of safety, from the law requiring persons to wear personal flotation devices.

HB 1143, increasing the penalties for illegal clamming. OUGHT TO PASS WITH AMENDMENT

Rep. Henry W. Coulombe for Wildlife and Marine Resources: It is felt by the committee that a valuable resource is being stolen from the public and the penalty for violators should be stiffened to deter poachers. Vote 10-2.

Amendment (4712B)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

HB 1170, allowing patients at Friendship House in Bethlehem to fish without a license. REFER FOR INTERIM STUDY

Rep. Linda Ann Smith for Wildlife and Marine Resources: After considerable deliberation and soul searching, the majority of the members of Wildlife and Marine Resources voted to refer this bill to interim study. While we agree people with special needs should be awarded the privilege of a free fishing license, we are concerned with the influx of requests from residents seeking the privilege. We, along with Fish and Game, feel the need to establish criteria for eligibility. Vote 10-3.

HB 1403, requiring the department of fish and game to suspend a fish and game license agent's contract for at least one year upon violation of the terms of the agreement. OUGHT TO PASS WITH AMENDMENT

Rep. Rose Marie Rogers for Wildlife and Marine Resources: This bill increases the penalty for breach of contract by agents selling licenses and not meeting the requirement of either a previous hunting license or a hunter safety course for issuance of the license. Vote 14-0.

Amendment (5350B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the department of fish and game to suspend a fish and game license agent's authority to issue licenses for one year upon failing to require necessary proof for the issuance of a license and making such person guilty of a class B misdemeanor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Fish and Game License Agent; Penalty Added. Amend RSA 214:37 by inserting after paragraph III the following new paragraph:

IV. Any license agent who knowingly fails to require proof of all criteria established pursuant to RSA 214:23-a and necessary for the issuance of a license from any person shall lose the authority to issue any license for not less than one year and shall be guilty of a class B misdemeanor.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill also requires the department of fish and game to suspend a fish and game license agent's authority to issue licenses for one year and makes such agent guilty of a class B misdemeanor, if such agent fails to require proof of certain criteria necessary for the issuance of a license.

HB 1440-FN, establishing a license and fee requirement for tidal waters netting. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul A. McGuirk for Wildlife and Marine Resources: This bill allows the aquaculture of oysters under current law pursuant to the recommendations of the shellfish management study committee. It also repeals the requirement to affix the waterfowl stamp to the license and redefines the term of the waterfowl stamp to make the State's stamp consecutive with the Federal stamp. The final section allows the Fish and Game Department to establish accounts for permit programs that will allow such programs to utilize the funds they generate. Vote 12-0.

Amendment (5435B)

Amend the title of the bill by replacing it with the following:

AN ACT

permitting the aquaculture of oysters, relative to waterfowl stamps, and establishing a special account within the fish and game fund.

Amend the bill by replacing all after the enacting clause with the following:

1 Taking of Oysters Permitted. Amend RSA 211:53 to read as follows:

211:53 Sale Prohibited. No person shall at any time sell or take for sale oysters from the waters under the jurisdiction of the state *except as provided for in RSA 211:62-e*.

2 Requirement to Affix Waterfowl Stamp to License Repealed. Amend RSA 214:1-d, I to read as follows:

I. No person shall at any time hunt, shoot, pursue, kill or take migratory waterfowl without first procuring, in addition to the applicable hunting license required by RSA 214 and the federal duck stamp required by RSA 209:6, a stamp to do so under RSA 214:9, XII, for the same period. The stamp must be [permanently affixed to the back of the hunting license and] signed across the face in a permanent manner with the applicant's signature. A person under the age of 16 years may hunt, shoot, pursue, kill or take migratory waterfowl without such a stamp, provided that, while so doing, he is accompanied by an adult who has procured such a stamp. For the purpose of this section "migratory waterfowl" shall mean ducks, mergansers, coots, geese and brant.

3 Term of Waterfowl Stamp Defined. Amend RSA 214:9, XII to read as follows:

XII.(a) If the applicant wishes to hunt migratory waterfowl, \$4.00, and the agent shall thereupon issue a state migratory waterfowl stamp which shall entitle the licensee to hunt, shoot, kill and take migratory waterfowl during such time and in such manner and numbers as may be allowed under RSA 209:6. The agent shall be entitled to retain a fee of \$.50 for each migratory waterfowl stamp sold and all migratory waterfowl stamps sold at the department headquarters or any subagency thereof shall charge the same fee which shall be credited to the general fish and game fund.

(b) *Notwithstanding any of the general provisions for the expiration of fish and game licenses, any state migratory waterfowl stamp issued under subparagraph (a) shall expire on June 30 of each year.*

4 New Paragraph; Nonlapsing Account Established. Amend RSA 214:9-e by inserting after paragraph III the following new paragraph:

IV. The state treasurer shall establish a separate nonlapsing account within the fish and game fund for each such stamp or permit, to which all fees collected by the fish and game department from such stamps or permits shall be applied. The moneys in these accounts shall be used exclusively for the implementation of comprehensive management programs, including education, research, protection and management, and are hereby appropriated for said purpose.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Permits the aquaculture of oysters.

II. Repeals the requirement that a person affix waterfowl stamps to the back of the hunting license.

III. Clarifies the expiration date of issued waterfowl stamps.

IV. Establishes a nonlapsing account within the fish and game fund for stamp and permit fees for implementation of comprehensive management programs.

REGULAR CALENDAR

HB 260-FN-A, establishing a used oil collection program and an automotive oil fee to fund such program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Margaret A. Lynch for Appropriations: This bill establishes a fee on the imported automotive oil so that DES may add a municipal assistance feature to the current used oil program, aimed specifically at the problems of household oil disposal. The \$0.04 fee per gallon of imported automotive oil is decreased to \$0.01 gallon after four years to maintain the existing program. The Appropriations Committee amendment credits the revenues received for FY 95 to the Hazardous Waste Disposal Fund (PAU 03-04-05-01-01) and appropriates funds for 1 (one) temporary waste management specialist for the term of the enhanced used oil program, and deletes the legislatively-mandated performance audit. Vote 19-1.

Amendment (5503B)

Amend the title of the bill by replacing it with the following:

AN ACT

establishing a used oil collection program, an automobile oil fee to fund such program and appropriation to the department of environmental services.

Amend the bill by replacing all after section 10 with the following:

11 Automotive Oil Fee Decreased. Amend RSA 147-B:12, I to read as follows:

I. A fee of [~~\$0.04~~] **\$0.01** per gallon of automotive oil shall be assessed at the time of import to this state. Persons licensed under RSA 146-A:11-b, II shall be liable for payment of this additional fee which shall be collected and enforced by the department of safety in the manner described in RSA 146-A:11-b. The division of waste management may waive all or any portion of penalties or interest for good cause. All fee revenues shall be deposited in the hazardous waste cleanup fund in accordance with RSA 147-B:6, I-d.

12 Positions Authorized; Motor Vehicle Prohibition. The department of environmental services may use revenues collected under RSA 147-B:12 to employ a waste management specialist III. The department may also use such revenues until June 30, 1998, to employ a waste management specialist II. The revenues shall not be used to purchase any motor vehicles.

13 Supplemental Appropriation to Department of Environmental Services. The following amounts are appropriated to the following line items in PAU 03, 04, 05, 01, 01, in addition to any other sums appropriated for fiscal year 1995:

		<i>FY 1995</i>
18 Overtime		2,000

Total		162,605
Estimated source of funds for hazardous waste cleanup fund		
03 Revolving funds	I	162,605
Total		162,605

14 Repeal. The following are repealed:

- I. RSA 147-B:2, VIII-c, relative to the definition of "marketer."
- II. RSA 147-B:2, VIII-d, relative to the definition of "act of marketing."
- III. RSA 147-B:8, I-a, relative to the fee on used oil.

15 Effective Date.

- I. Section 11 of this act shall take effect July 1, 1998.
- II. The remainder of this act shall take effect July 1, 1994.

AMENDED ANALYSIS

This bill establishes a used oil collection program which grants authority to the division of waste management to:

(a) Award grants to political subdivisions of the state to establish or improve used oil collection centers.

(b) Develop an educational program on the proper use, handling, and disposal of used oil.

(c) Impose an automotive oil fee to fund the program.

The bill eliminates a \$.02 per gallon used oil marketer fee; establishes a \$.04 per gallon advanced disposal fee on virgin motor oil; provides 4 years of grant funding to municipalities to set up used oil collection centers; and sunsets the \$.04 per gallon fee and municipal grants after 4 years.

This bill also makes a supplemental appropriation to the department of environmental services.

Adopted.

Report adopted and ordered to third reading.

HB 1162-FN, authorizing the department of environmental services, division of water resources, to acquire certain dams. REFER FOR INTERIM STUDY

Rep. Charles L. Vaughn for Appropriations: The following questions, among others, should be resolved before these dams are acquired by the state: legal cost associated with closing and preparation of deeds; any liens or encumbrances; water rights associated with the dams and surrounding properties; and any claims the state of Maine has to the dams and adjacent properties. Vote 17-0.

Adopted.

HB 1272-FN, requiring the pari-mutuel commission to pay for laboratory urine tests from a special escrow account. OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Wheeler for Appropriations: It was felt by the committee that the lab fee for urine tests was particularly onerous on the Lakes Region track. Therefore this bill relieves it of this obligation and adjusts the budget to allow the pari-mutuel shortfall to be made up from the general fund. Vote 11-6.

Amendment (5374B)

Amend the title of the bill by replacing it with the following:

AN ACT

requiring the pari-mutuel commission to pay for certain laboratory urine tests.

Amend the bill by replacing all after section 1 with the following:

2 Pari-Mutuel Commission. Amend PAU 02, 08, 02 as inserted by 1993, 349:1 as follows:

	<i>FY 1994</i>	<i>FY 1995</i>
Strike out:		
09 Agency income	\$404,493	\$419,817
Insert in place thereof:		
09 Agency income	397,493	404,817
Insert:		
General fund	7,000	15,000
3 Effective Date. This act shall take effect upon its passage.		

AMENDED ANALYSIS

This bill allows the pari-mutuel commission to pay for the costs of certain laboratory urine tests of licensees required under RSA 284:20-e.

This bill also changes the source of funding for laboratory testing.

Adopted.

Report adopted and ordered to third reading.

SPECIAL ORDER

Rep. Schotanus moved that **HB 1382**, creating a special committee to study the turnpike toll collection system and make recommendations, be made a special order for March 17.

Adopted.

REGULAR CALENDAR (Cont'd)

HB 1514-FN-L, establishing a "gifted and talented program" for certain public schools. **INEXPEDIENT TO LEGISLATE**

Rep. Charles W. Ferguson for Appropriations: The committee did not feel it could justify spending at this time \$465,450, which could increase to \$1 million by 1998 for this new educational program, although the program had merit. Vote 10-7.

Rep. Durham moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke in favor.

Rep. Ferguson spoke against.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Schotanus spoke against and yielded to questions.

Roll call request sufficiently seconded. The question being the adoption of the substitute motion.

HB 1523-FN-A, establishing a state veterans' cemetery and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merle W. Schotanus for Appropriations: This bill, as amended, appropriates \$1.5 million for the design and construction of a state veterans' cemetery. 65% of the funds appropriated are from federal or other sources and \$525,000 is bonded. Design and construction oversight is provided by an Oversight Committee with the restriction that funds appropriated cannot be obligated or encumbered without approval of the Capital Budget Overview Committee. Vote 16-1.

Amendment (5405B)

Amend the bill by replacing all after the enacting clause with the following:

1 Appropriation; State Veterans' Cemetery.

I. The sum of \$1,500,000 is appropriated to the oversight committee established in section 4 of this act for the biennium ending June 30, 1995, for the purpose of the layout, design and construction of a state veterans' cemetery. The funds appropriated in this section shall not be spent, obligated or encumbered without the approval of the capital budget overview committee.

II. Of the total sum appropriated in paragraph I, 65 percent or \$975,000 shall be from federal or other sources.

III. Any land donated for the purpose of creating the state veterans' cemetery shall be used as a soft match for the purpose of securing any federal funds.

2 Bonds Authorized. To provide funds for the state funds appropriated in section 1 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state an amount not exceeding the sum of \$525,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The payment of principal and interest on bonds and notes issued for such project shall be made when due from the general funds of the state.

3 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes of this act.

II. To accept any federal funds which are or become available for this project beyond the estimated amounts. The net appropriation of state funds for this project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 2 shall be reduced by the same amount.

4 Oversight Committee Established. There is established a committee to oversee the establishment of a state veterans' cemetery and the expenditure of funds appropriated for such cemetery. The committee shall consist of the following members:

I. The governor or designee.

II. Three house members, appointed by the speaker of the house.

III. Three senators, appointed by the senate president.

IV. One member of the state veterans' council, appointed by the council.

V. One member of the state veterans' needs committee, appointed by the committee.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill makes an appropriation for the construction of a state veterans' cemetery. An oversight committee is created to oversee the construction of the cemetery.

This bill was requested by the state veterans' cemetery site selection committee established in 1992, 136, as amended by 1993, 194.

HB 1548-FN, relative to medical and surgical benefits for state employees. **OUGHT TO PASS WITH AMENDMENT**

Reps. Robert A. Johnson and Robert L. Wheeler for Appropriations: The Committee felt that it was appropriate to extend the window to make the decision to take early retirement from July 1, 1994 to June 30, 1996 while retaining medical benefits. This is an accommodation to those who would be adversely affected by the 1994 date. A study committee is established to review this issue. Vote 20-0.

Amendment (5426B)

Amend the bill by replacing section 1 with the following:

1 Employees Eligible for Medical and Surgical Benefits. Amend RSA 21-I:30, II(c) to read as follows:

(c)(1) Is [but for the provisions of 1989, 376:10,] otherwise eligible to receive medical and surgical benefits under this section notwithstanding subparagraphs (a) and (b), and paragraph IV, on June 30, 1989, and who retires between July 1, 1989, and June 30, 1994; or

(2) *On June 30, 1989, was vested with at least 10 years of creditable service, and who retires between July 1, 1994, and June 30, 1996.*

AMENDED ANALYSIS

This bill allows state employees with at least 10 years of creditable service as of June 30, 1989, to be eligible to receive medical and surgical benefits if they retire between July 1, 1994, and June 30, 1996, and removes a reference to a repealed session law.

The bill also establishes a committee to study the eligibility requirements which state employees must meet in order to be eligible to receive state medical and surgical benefits. The committee must file its report, together with any proposed legislation, no later than November 1, 1994.

Adopted.

Report adopted and ordered to third reading.

Rep. Musler declared a conflict of interest and did not participate.

HB 1553-A, making a capital appropriation to the supreme court for the design of an administrative office building. **OUGHT TO PASS**

Rep. Merle W. Schotanus for Appropriations: The Appropriations Committee agrees with the Public Works Committee that design of a supreme court administrative office building should commence. The bill as amended authorizes a capital appropriation of \$150,000 for this purpose. Vote 16-4.

Adopted and ordered to third reading.

HB 1557-A, making an appropriation for the design and construction of the Plymouth district courthouse. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Wheeler for Appropriations: The committee felt that since the issue contained in this bill was folded into HB 1571-A, this bill is no longer needed. Vote 13-4.

Adopted.

HB 1571-A, appropriating funds for renovations to the Brown building. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merle W. Schotanus for Appropriations: This bill, as amended, amends the existing capital budget to appropriate bonded funds of \$6 million for renovation of the Brown building, and \$1.5 million for the design, construction and furnishing of the Plymouth district court. Vote 12-5.

Rep. Burling moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Rep. Gene Chandler spoke against and yielded to questions.

Rep. Buckley spoke in favor.

Rep. LaMott spoke against.

Amendment (5520B)

Amend the title of the bill by replacing it with the following:

AN ACT

appropriating funds for the design and renovation of the Brown building and making a capital appropriation for the design and construction of the Plymouth district courthouse.

Amend the bill by replacing section 1 with the following:

1 Capital Appropriation Increased for Design and Renovation of Brown Building. Amend 1993, 359:1, V, E, 3 and the total for subparagraph V, E as amended by 1993, 360:5 to read as follows:

3. Design *and renovation* of Brown

building [renovations]	[\$ 750,000]	\$ 6,000,000
------------------------	--------------	--------------

Total subparagraph E	[\$ 1,300,000]	\$ 6,550,000
----------------------	----------------	--------------

Amend the bill by replacing section 5 with the following:

5 Appropriation; Plymouth District Courthouse. The sum of \$1,500,000 is appropriated to the department of administrative services for the biennium ending June 30, 1995, for the purpose of planning, design, construction, and furnishing of a new Plymouth district courthouse.

6 Bonds Authorized. To provide funds for the appropriation made in section 1 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$1,500,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest of the bonds and notes shall be made from the general fund of the state.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill increases the amended 1993 capital budget appropriation for the design and renovation of the Brown building on the New Hampshire hospital campus from \$750,000 to \$6,000,000. The bill also increases other appropriation totals in the capital budget resulting from the new appropriation for the Brown building.

The bill also makes a capital appropriation for the planning, design, construction, and furnishing of a new Plymouth district courthouse.

Adopted.

Report adopted and ordered to third reading.

(Rep. Jasper in the Chair)

HB 1341, requiring delivery of non-subscription publications to cease 14 days after written notification by the recipient. **OUGHT TO PASS WITH AMENDMENT**

Rep. Suzanne K. Loder for Commerce, Small Business and Consumer Affairs: This bill provides a way to stop the proliferation of unsolicited nonsubscription publications delivered to private residences. Hand delivery must be stopped within 14 days of receipt of written notice. Vote 10-6.

Amendment (5018B)

Amend the bill by replacing section 1 with the following:

1 New Chapter; Non-Subscription Publications. Amend RSA by inserting after chapter 358-N the following new chapter:

CHAPTER 358-O

NON-SUBSCRIPTION PUBLICATIONS

358-O:1 Non-Subscription Publications; Unfair Trade Practice. Any person causing unsolicited non-subscription publications to be hand-delivered to private residences shall cease causing such publications to be delivered within 14 days after written notice is mailed by the recipient of such publications. Any violation of this section shall constitute an unfair or deceptive trade practice within the meaning of RSA 358-A and shall subject the defendant in such case to a cause of action under RSA 358-A:10.

AMENDED ANALYSIS

This bill requires persons responsible for the hand delivery of unsolicited non-subscription publications to private residences to cease causing such publications to be delivered within 14 days after written notice from the recipient of the publications.

Adopted.

Report adopted and ordered to third reading.

**HB 1107, making crack cocaine subject to greater penalties under the controlled drug act.
OUGHT TO PASS WITH AMENDMENT**

Rep. Donna P. Sytek for Corrections and Criminal Justice: Because crack cocaine is such a serious problem in this state, this bill as amended distinguishes crack from "regular" cocaine by adding a new definition and providing the same penalties as for heroin, which has similar addictive qualities. The amendment also clarifies that the amount of the controlled substance is an element of the crime. The committee deleted the provisions in the original bill calling for the doubling of penalties for repeat drug offenses. Many of us are reluctant to continue the "lock 'em up" solution to the drug problem until we can be sure adequate prevention and treatment efforts are initiated. To this end, a subcommittee of Corrections and Criminal Justice will develop a plan to provide prisoners greater opportunities for drug treatment so that we can reduce the number of drug offenders going through the "revolving door" at our prisons. Vote 9-1.

Amendment (5581B)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definition Added. Amend RSA 318-B:1 by inserting after paragraph VI-a the following new paragraph:

VI-b. "Crack cocaine", also known as cocaine base or rock cocaine, means the free base form of cocaine in which the molecule is not chemically combined as an acid salt.

2 Crack Cocaine; Exception Added. Amend RSA 318-B:26, I(a)(1)(B) to read as follows:

(B) Cocaine *other than crack cocaine*, its salts, optical and geometric isomers, and salts of isomers; or

3 Crack Cocaine Added. Amend RSA 318-B:26, I(a)(3) to read as follows:

(3) Heroin or its analog *or crack cocaine* in a quantity of 5 grams or more, including any adulterants or dilutants.

4 Crack Cocaine; Exception Added. Amend RSA 318-B:26, I(b)(1) to read as follows:

(1) A substance or mixture referred to in subparagraph I(a)(1) of this section, *other than crack cocaine*, in a quantity of 1/2 ounce or more, [but less than 5 ounces] including any adulterants or dilutants;

5 Heroin; Crack Cocaine; Amount Added. Amend RSA 318-B:26, I(b)(4) to read as follows:

(4) Heroin or its analog *or crack cocaine* in a quantity of *one gram or more* [than one gram but less than 5 grams], including any adulterants or dilutants;

6 Reference Added. Amend RSA 318-B:26, I(c)(1) to read as follows:

(1) A substance or mixture referred to in subparagraph I(a)(1) of this section, *other than crack cocaine*, in a quantity less than 1/2 ounce including any adulterants or dilutants;

7 Crack Cocaine; Reference Added. Amend RSA 318-B:26, I(c)(4) to read as follows:

(4) Heroin or its analog *or crack cocaine* in a quantity of less than one gram, including any adulterants or dilutants;

8 Amount Reference Deleted. Amend RSA 318-B:26, I(c)(5) to read as follows:

(5) Marijuana in a quantity of one ounce or more [but less than 5 pounds] including any adulterants or dilutants, or hashish in a quantity of 5 grams or more [but less than one pound] including any adulterants or dilutants;

9 Hashish and Marijuana; Possession References Removed. Amend RSA 318-B:26, II(c) and (d) to read as follows:

(c) In the case [of possession] of more than 5 grams of hashish, the person shall be guilty of a misdemeanor, except that notwithstanding the provisions of RSA 651:2, IV(a), a fine of not more than \$5,000 may be imposed.

(d) In the case [of possession] of marijuana, including any adulterants or dilutants, or 5 grams or less of hashish, the person shall be guilty of a *class A* misdemeanor.

10 New Paragraph; Quantity of Drug; Burden of Proof. Amend RSA 318-B:26 by inserting after paragraph XI the following new paragraph:

XII. The penalty categories set forth in this section based upon the weight of the drug involved are material elements of the offense; however, the culpability requirement shall not apply to that element of the offense.

11 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill makes crack cocaine subject to greater penalties under the controlled drug act.

This bill clarifies that the quantity of a drug is a material element to a crime; however, the culpability requirement shall not apply to that element of the offense.

Adopted.

Rep. Gorman moved that the words Refer for Interim Study be substituted for the report of the Committee, Ought to Pass with Amendment and spoke in favor.

Rep. Donna Sytek spoke against and yielded to questions.

The motion failed.

Report adopted and ordered to third reading.

HB 1317, relative to bad checks. INEXPEDIENT TO LEGISLATE

Rep. Donnalee M. Lozeau for Corrections and Criminal Justice: This bill as written would make it a crime to write a "bad check" regardless of whether or not the person who wrote it knew the check would not be covered. The committee spent time with concerned parties and worked out a new procedure that everyone is willing to try. The procedure does not need legislation to implement. Vote 9-1.

Adopted.

HB 1569, relative to administrative review of suspended or revoked motor vehicle licenses. OUGHT TO PASS WITH AMENDMENT

Rep. Andrew Christie, Jr. for Corrections and Criminal Justice: This bill makes several changes to the administrative license suspension (ALS) for the drunk driving process that we passed last session. As amended, the bill establishes requirements for the police and the accused to follow concerning ALS hearings, including what is required and how it may be rebutted, and puts the burden of proof on the accused to show that the test was not properly administered. A provision is added to allow for the return of a person's license or right to operate if that person took the test but was later found not guilty by the court or the DWI charge was dismissed by the police. This bill makes some wording changes to reflect Division of Public Health recommendations. Lastly, the effective date is moved to January 1, 1995, and no part of this bill is retroactive. Vote 10-0.

Amendment (5573B)

Amend the bill by replacing all after the enacting clause with the following:

I Reported Value of Alcohol Concentration. Amend RSA 265:91-a, I and II to read as follows:

265:91-a Administrative License Suspension.

I. If any person refuses a test as provided in RSA 265:92 or submits to a test described in RSA 265:84 which [discloses] *shows a reported value of* an alcohol concentration of 0.08 or more or, in the case of a person under the age of 21, 0.04 or more, the law enforcement officer shall submit a sworn report to the department. In the report the officer shall certify that the test was requested pursuant to RSA 265:84 and that the person refused to submit to testing or submitted to a test which [disclosed] *showed a reported value of* an alcohol concentration of 0.08 or more, or, in the case of a person under the age of 21, 0.04 or more.

II. Upon receipt of the sworn report of a law enforcement officer submitted under paragraph I, the department shall suspend the person's driver's license or privilege to drive as follows:

(a) In the case of a refusal to take a test described in RSA 265:84, the suspension shall be for the period specified in RSA 265:92.

(b) In the case of a person who submits to a test described in RSA 265:84 which [discloses] *shows a reported value of* an alcohol concentration of 0.08 or more or, in the case of a person under the age of 21, 0.04 or more, the suspension shall be for:

(1) Six months if there is no prior refusal under RSA 265:92, no prior driving while intoxicated or aggravated driving while intoxicated convictions, and no prior administrative license suspension pursuant to RSA 265:91-a.

(2) Two years if there is a prior refusal under RSA 265:92, or a prior driving while intoxicated or aggravated driving while intoxicated conviction, or a prior administrative suspension pursuant to RSA 265:91-a.

2 New Paragraphs; Administration of Breath Tests. Amend RSA 265:91-b by inserting after paragraph II the following new paragraphs:

II-a.(a) In the case of a breath test, the officer may establish that the breath test was properly administered by submitting the following:

(1) A copy of the certification required by RSA 265:85, III from the officer who administered the test;

(2) A copy of the preventive maintenance check form filled out by the forensic breath testing supervisor who performed the last preventive maintenance check of the breath testing instrument in question prior to the time of the test at issue;

(3) A copy of the breath test instrument printout showing a reported value of 0.08 or more, or, in the case of a person under the age of 21, 0.04 or more; and

(4) A copy of a statement signed by the person who administered the test that he observed the person and that the person did not place any material in his mouth, vomit, regurgitate or belch for twenty minutes prior to the time of the test.

(b) Once the officer has established that the test was properly administered, it shall be the burden of the person to prove, by clear and convincing evidence, that the test was not properly administered.

(c) If the documents set forth in subparagraph (a) are submitted to the division of motor vehicles at least 3 days prior to the hearing, the presence of the officer who administered the test shall not be mandatory unless he is subpoenaed by the person, in accordance with RSA 516:16. In all such cases, the subpoena shall be accompanied by the witness fee and mileage established by RSA 516:16.

(d) If the person intends to raise before the department of safety an issue as to the deviation between the reported value obtained by the state and the reported value obtained by an independent laboratory, the person must provide to the officer, at least 3 days before the hearing, notice of intent to raise such a claim. The notice must be accompanied by the following:

(1) A copy of the independent laboratory's certification required by RSA 265:85, V;

(2) A copy of the independent laboratory report showing the subject's test results and reported value for the captured sample tube which corresponds to the reported value obtained by the breath test instrument;

(3) Copies of the gas chromatograph instrument printouts of the subject's captured sample tube results which correspond to the reported value obtained by the breath test instrument;

(4) A copy of all the gas chromatograph instrument printouts of the blanks, controls and standards analyzed on the day the subject's captured sample tube was analyzed; and

(5) A statement by the independent laboratory or any repairs or preventive maintenance performed on the gas chromatograph instrument for 6 months prior to the analysis of the subject's captured sample tube.

(e) If the documents set forth in subparagraph (d) are not so provided, the argument shall be deemed to be waived.

II-b.(a) In the case of a blood or urine test, the officer may establish that the test was properly administered by submitting the following:

(1) A copy of the appropriate form filled out and signed by the person who took the sample, as required by RSA 265:85, V and RSA 265:90, IV;

(2) A copy of the laboratory report from the division of public health services, showing a test result of 0.08 or more, or, in the case of a person under the age of 21, 0.04 or more; and

(3) A sworn statement by the certifying scientist that the person who analyzed the sample was qualified to conduct analyses of blood or urine specimens, and that the analysis was performed in accordance with methods prescribed by the division of public health services.

(b) Once the officer has established that the test was properly administered, it shall be the burden of the person to prove, by clear and convincing evidence, that the test was not properly administered.

(c) If the documents set forth in subparagraph (a) are submitted to the division of motor vehicles at least 3 days prior to the hearing, the presence of the person who administered the

test shall not be mandatory unless he is subpoenaed by the person, in accordance with RSA 516:16. In all such cases, the subpoena must be accompanied by the witness fee and mileage established by RSA 516:16.

(d) If the person intends to raise before the department of safety an issue as to the deviation between the test result obtained by the state and the test result obtained by an independent laboratory, the person shall provide to the officer, at least 3 days before the hearing, notice of intent to raise such a claim. The notice must be accompanied by the following:

- (1) A copy of the independent laboratory's certification required by RSA 265:85, V;
- (2) A copy of the independent laboratory report showing the subject's reported result;

(3) A copy of the analytical worksheet and gas chromatograph instrument printouts of the subject's results;

(4) A copy of all the gas chromatograph instrument printouts of the blanks, controls and standards analyzed on the day the subject's sample was analyzed; and

(5) A statement by the independent laboratory that the analysis was performed in accordance with the analytical procedures prescribed by the division of public health services pursuant to their certification as required by 265:85, V.

(e) If the documents set forth in subparagraph (d) are not so provided, the argument shall be deemed to be waived.

3 Recision of Administrative License Suspension. Amend RSA 265:91-c to read as follows:
265:91-c Period of License Suspension.

I. Where a license or driving privilege has been suspended under RSA 265:91-a and the person is also convicted on criminal charges arising out of the same event both the suspension and the court ordered revocation shall be imposed but the total period of suspension and revocation shall not exceed the longer of the 2 periods; provided, however, that any suspension for refusing to submit to a test under the provisions of RSA 265:92 shall not run concurrently with any other penalty imposed under the provisions of this title.

II. If a person has submitted to a test and incurred an administrative license suspension pursuant to RSA 265:91-a, II(b), the administrative license suspension shall be rescinded if the person is acquitted of the related DWI charge or if that charge is nolle prosequi.

4 Application. The provisions of this act shall apply to administrative license suspension cases where the arrest occurs on or after the effective date of this act.

5 Effective Date. This act shall take effect January 1, 1995.

AMENDED ANALYSIS

This bill:

(1) Allows an officer to establish that a breath, blood or urine test was properly administered by submitting certain documents.

(2) Makes the provisions of this act applicable to administrative license suspension cases where the arrest occurs on or after the effective date of this act.

Adopted.

Report adopted and ordered to third reading.

HB 622-FN, relative to solid waste management districts. **OUGHT TO PASS WITH AMENDMENT**

Rep. Amanda A. Merrill for Environment and Agriculture: HB 622 as amended makes changes to RSA 53:B, clarifying the procedures for establishing and administering solid waste districts. Other provisions are 1) increased opportunity for public review of proposed district agreements, as well as review of such agreements by the Attorney General's office and the Division of Waste Management of the Department of Environmental Services, and 2) additional audit requirements. Vote 16-1.

Amendment (5594B)

Amend the bill by replacing all after the enacting clause with the following:

1 Chapter Heading Changed. The chapter heading of RSA 53-B is repealed and reenacted to read as follows:

SOLID WASTE MANAGEMENT DISTRICTS

2 New Section; Statement of Purpose Added. Amend RSA 53-B by inserting after section 1 the following new section:

53-B:1-a Purpose. A solid waste management district shall be a means by which municipalities may join together by formal agreement under this chapter to create a separate authority for the management of solid waste. A district may be established for the purposes of providing one or more solid waste facilities, closing any existing facilities, or creating a system of solid waste management within the district.

3 Definitions Added. RSA 53-B:2 is repealed and reenacted to read as follows:

53-B:2 Definitions. In this chapter:

- I. "District" means a solid waste management district established under this chapter.
- II. "Facility" means a location, system or physical structure for the collection, separation, storage, transportation, processing, treatment, or disposal of solid waste.
- III. "Governing body" means "governing body" as defined in RSA 21:48.
- IV. "Legislative body" means "legislative body" as defined in RSA 21:47.
- V. "Municipality" means any city, town, unincorporated town or unorganized place.
- VI. "Person" means any individual, partnership, company, corporation, firm, governmental unit or agency, or any other legal entity.
- VII. "Solid waste" means "solid waste" as defined in RSA 149-M:1, XIX.
- VIII. "Solid waste management" or "management" means an activity or any combination of activities relative to the collection, separation, storage, transportation, processing, treatment or disposal of solid waste.

4 Solid Waste Management District Planning Committee. RSA 53-B:3 is repealed and reenacted to read as follows:

53-B:3 Solid Waste Management District Planning Committee; Formation and Responsibilities.

I. The governing bodies of 2 or more municipalities may at their discretion, and shall upon vote of their respective legislative bodies, create a special unpaid committee to be known as a solid waste management district planning committee, consisting of 3 persons from each municipality appointed by the respective governing bodies. The committee shall elect a chairperson, clerk and treasurer. Members may be reimbursed by the committee for costs of performing duties directly related to committee responsibilities. Any solid waste management district committee formed pursuant to RSA 149-M:18, in existence as of the effective date of this act, may serve as a planning committee under this chapter.

II. The committee may accept funds from any public or private source and may expend money for planning purposes which may include, but not be limited to, engaging legal counsel, accountants, engineers, contractors, consultants and other advisors, paying for member expenses, or organizational and secretarial assistance. The committee shall report in a timely fashion to each governing body the sources and amounts of such funds. Each municipality represented on the committee may appropriate funds to the committee.

III. The committee shall study the advisability of establishing a solid waste management district by examining the types of facilities that would be needed; the methods of organizing, operating and financing such a district; the potential benefits and disadvantages to member municipalities; and the closure of any proposed or existing facilities. The committee may consider specific sites inside or outside the proposed district for facility location or, more generally, which municipalities may have facilities located within them.

IV. If the committee determines that the formation of a district is desirable, it shall prepare a proposed district agreement and hold a public informational session and hearing on it in at least one of the participating municipalities. A public informational session and hearing shall be held in each municipality which is named in the district agreement as a site. Copies of the proposed agreement and of RSA 53-B shall be made available at and prior to any hearing. Notice of any hearing shall be published in one or more newspapers of general circulation in the proposed district area and sent to the governing bodies of participating municipalities.

V. After the public hearing and informational session the committee may amend the contents of the proposed agreement and shall send it for review to the attorney general and

division of waste management, department of environmental services. The attorney general shall approve any proposed agreement unless it is in improper form or is incompatible with the requirements of this chapter and the laws of this state. The attorney general shall detail in writing to the governing bodies and the planning committee any specific respects in which the proposed agreement fails to meet the requirements of law. Approval by the attorney general shall be required for any district agreement to be legally valid. Failure by the attorney general to disapprove an agreement within 30 days of its submission shall constitute approval. The division of waste management shall provide comment, including recommendations for improvement, to the committee and governing bodies within 30 days of the proposed agreement's submission relative to its compatibility with the state solid waste management plan and the solid waste management statutes and rules. The comments of the division shall not affect the legal validity of any district agreement.

VI. The committee may revise the proposed district agreement as it deems necessary and shall resubmit it to the 2 state agencies as provided in paragraph V. The committee may give final approval to a proposed agreement after approval by the attorney general.

VII. The committee shall report its findings and recommendations, along with any proposed district agreement, to the governing bodies of the municipalities comprising the committee.

5 Proposed Solid Waste District Agreement Voting. RSA 53-B:6 is repealed and reenacted to read as follows:

53-B:6 Vote on Establishing District.

I. The governing bodies shall cause the question of accepting any proposed agreement to be presented for determination by vote of the respective legislative bodies. In municipalities that hold town meetings, the proposed agreement shall be voted on, in accordance with proper notice and procedure requirements, at the next annual town meeting or at a special town meeting called for this purpose. Voting at a town meeting may be by printed ballot or official ballot. In all other municipalities, the legislative bodies shall vote on the proposed agreement within 60 days of the governing bodies receiving the proposed agreement. The question to be voted on shall be: "Shall the (insert name of municipality) accept the provisions of RSA 53-B:1 - RSA 53-B:15 providing for the establishment of a solid waste management district, together with the municipalities of _____ in accordance with the provisions of the proposed agreement filed with the (insert appropriate office for governing body)?" Approval by a legislative body shall be by simple majority unless the agreement waives the 45-day debt rejection period and authority set forth in RSA 53-B:7, VI, in which case approval must be by 2/3 vote. If all of the legislative bodies vote in the affirmative, the proposed solid waste management district shall thereby be established in accordance with the terms of the proposed agreement. Otherwise, the district shall not be established, except as specified in paragraph II.

II. The proposed agreement may contain a provision for the establishment of the district when more than one but not all of the legislative bodies vote in the affirmative. Such provision need not require any additional votes by the legislative bodies in order to establish the district, but it may not include in the district any municipality whose legislative body did not approve the proposed agreement.

6 New Section; District Agreements. Amend RSA 53-B by inserting after section 6 the following new section:

53-B:6-a Solid Waste Management District Agreements. The business affairs and actions of a district shall be conducted and governed pursuant to the terms, conditions, and provisions of its district agreement. The agreement shall include but not be limited to the following:

I. A list of the towns included in the district.

II. Provisions for the sharing of planning, construction, operating, maintenance, and closing costs of one or more facilities, if any.

III. The method of selection and method of removal of representatives to the district committee, whether by legislative or governing bodies; the number of representatives and the weight of each representative's vote; the terms of office of the representatives; and, except as provided otherwise by law, the powers, duties and authorities of the district committee officers.

IV. A description of the facilities and sites, if applicable.

V. The terms by which other municipalities may be admitted to the district or a member municipality may withdraw from the district before or after debt has been incurred.

VI. The method by which the district agreement may be amended including conditions under which an amendment must be approved by the governing or legislative bodies of member municipalities.

VII. The procedure for dissolution of the solid waste management district before or after debt has been incurred.

VIII. Provisions for varied levels of participation by member municipalities in multiple facilities, if applicable.

IX. The procedure for the preparation and adoption of the annual budget, including the apportionment of district expenses and a schedule of payments, and other procedures relative to governing the district's fiscal affairs in accordance with RSA 53-B:9.

X. The remedies and penalties which the district committee may assert against a member which defaults in its obligations to the district, if any.

XI. Any debt incurrences by the district for specified purposes that are exempt from the debt rejection provisions of RSA 53-B:7, VI(a) and (c).

XII. The powers delegated to the district by member municipalities to enact bylaws and regulations concerning solid waste management, as provided in RSA 53-B:7, XV.

XIII. The procedure, if any, for establishing the district when not all of the legislative bodies vote to approve the district agreement, as provided in RSA 53-B:6, II.

7 Corporate Body; Powers. RSA 53-B:7 is repealed and reenacted to read as follows:

53-B:7 Corporate Body; Powers. A solid waste management district, established under RSA 53-B:6, shall be a body politic and corporate and a political subdivision and public instrumentality of the state carrying out a public purpose and an essential governmental function with the following powers, which powers are subject to the provisions and limitations of the district agreement:

I. To adopt a name and a corporate seal. The engraved or printed facsimile of the seal appearing on a bond or note of the district shall have the same legal effect as if it were impressed thereon.

II. To sue and be sued, but only to the same extent and upon the same conditions that a municipality may be sued.

III. To plan, construct, equip, maintain and operate one or more facilities, or to close one or more facilities, for the benefit of members of the district, and to take such actions and make such contracts as may be necessary in relation thereto.

IV. To hold, deal with, mortgage, pledge, encumber, purchase, acquire, lease, sell, convey, and otherwise dispose of real and personal property of all kinds in furtherance of the purposes of the district.

V. To take property by eminent domain within the geographic boundaries of the district in furtherance of the purposes of the district.

VI. To incur debt for the purposes of acquiring land and for planning, constructing, and equipping, or purchasing or otherwise acquiring the use of, one or more facilities, or for closing one or more facilities.

(a) No debt may be incurred until 45 days after it was authorized by the district committee to allow for rejection of the debt incurrence by member municipalities under subparagraph (c), unless the rejection period and authority have been waived in the district agreement.

(b) The governing body of each member town and city shall be given written notice of the amount of the debt and the general purposes for which it was authorized within 7 days after the authorization.

(c) If before the 45 day period has passed, the legislative body of any member municipality votes to disapprove of the debt, it shall not be incurred. A meeting held under this subparagraph shall not be subject to RSA 31:5. A legislative body may disapprove the debt only if, under the terms and conditions of the district agreement, the municipality will incur obligations under RSA 53-B:7-c. After 60 days the district committee may again authorize the incurrence of debt which shall be subject to the rejection conditions of subparagraphs (a) and (c). A municipality which votes to reject two successive debt incurrences may withdraw from the district in accordance with the provisions of this chapter and the district agreement. If the municipality has not withdrawn within 60 days of the second debt rejection, the committee is authorized to incur the debt over the member municipality's rejection.

(d) In any district which includes 3 or more towns and is a party to a cooperative agreement under the New Hampshire-Vermont Interstate Solid Waste Compact, the following alternative procedure shall apply if it is contained in the agreement. The district committee shall determine the amount and purpose of the debt. The committee shall hold public hearings in at least 2 municipalities in the district. At least 14 days' notice of the hearings shall be published in one or more newspapers circulating in the district and posted in at least one public place in each municipality. Within 30 days after the last hearing, the committee shall set a date for a referendum on the debt. Each municipality shall have at least one polling place. The procedures for the referendum shall be the same as those for a vote by official ballot at town meeting. The debt shall be authorized if 2/3 of those voting on the question vote yes. Expenses of the referendum shall be charged to the district.

VII. To issue bonds and notes in the name and upon the full faith and credit of the district. The bonds or notes shall be signed by the chairman and treasurer of the district committee, except that the chairman by a writing bearing his written signature and filed in the office of the treasurer, which writing shall be open to public inspection, may authorize the treasurer to cause to be engraved or printed on the bonds or notes a facsimile of the chairman's signature, and such facsimile signature so engraved or printed shall have the same validity and effect as the chairman's written signature. Each issue of bonds or notes shall be a separate loan.

VIII. To receive and disburse funds for any district purpose.

IX. To incur temporary debt in anticipation of revenue to be received.

X. To assess member municipalities for any expenses of the district in accordance with RSA 53-B:9.

XI. To receive any grants or gifts for the purposes of the district.

XII. To engage legal counsel, accountants, engineers, contractors, consultants, agents and other advisors.

XIII. To employ an executive director or manager and such other employees necessary to operate the district.

XIV. To enter into contracts with any person consistent with the authorities that a district may have under this chapter.

XV. To utilize powers delegated to the district through the district agreement by member municipalities to enact bylaws and regulations concerning solid waste management.

XVI. To insure against liability and other risks, and otherwise to obtain all insurance deemed by the district committee to be necessary or appropriate to the district and its operations.

XVII. To guarantee obligations and to give indemnities to third parties, when in the best interests of and for the benefit of the district.

XVIII. To make contracts, leases, or other agreements with any member municipality within which a facility is or is to be located. Such contracts, leases, or other agreements may provide for benefits, privileges, payments, or other considerations for said host member municipality which, with respect to that facility, are different from and not otherwise available to the other member municipalities with respect to such facility.

XIX. To accept at a district facility solid waste generated inside and outside the boundaries of the district.

XX. To contract with any person who owns or operates any facility for the provision of solid waste management services. Such contract may be for any term of years, not in excess of 30, may provide for the delivery of guaranteed amounts of solid waste with payments based on such amounts whether or not actually delivered or with payments based on such amounts whether or not actually delivered or processed, and may contain such other terms and conditions as the district may determine to be in its best interest.

8 Project Financing. Amend RSA 53-B:7-b to read as follows:

53-B:7-b Project Financing. [In addition to debt incurred and bonds and notes issued pursuant to this chapter and any district agreement, every regional refuse disposal district shall have the power to finance refuse disposal facilities by the incurrence of debt and issuance of]

I. Bonds or notes issued pursuant to this chapter may be secured by any assets or revenues, or both, of the district. [or the facility and in connection therewith] The district may mortgage a facility and grant security interest in such other assets or rights to receive money

as the [regional] district committee may determine. [Notwithstanding other provisions of this chapter to the contrary,] Such bonds or notes may, but need not be, the full faith and credit obligation of the district, provided that bonds or notes which are not the full faith and credit obligation of the district shall so state in a conspicuous manner on their face. [All debt and all bonds and notes, regardless of how secured, shall be authorized as is otherwise provided in this chapter.]

II. A district may use the proceeds of bonds or notes to acquire land and to plan, construct and equip, *or purchase or otherwise acquire the use of*, [a refuse disposal facility] *one or more facilities*, and to create such reserve funds and to pay such costs of financing and capitalized interest as the [regional] *or to close one or more facilities*, district committee deems appropriate, or it may loan such proceeds to any person for such purposes in connection with a facility which by contract it has the right to use or which by contract will provide [disposal] *management* services to the district for a period at least equal to the period of the bonds *or notes*.

9 New Section; Member Municipality Obligations. Amend RSA 53-B by inserting after section 7-b the following new section:

53-B:7-c Member Municipality Obligations. Any member municipality that withdraws from a district shall be liable for its share of existing debt and contractual obligations, and any existing operating and capital costs its withdrawal would impose on remaining members. All liabilities, obligations, and indebtedness of the district incurred by it through the exercise of its powers and duties shall be full faith and credit obligations of the individual member municipalities except to the extent that the district agreement otherwise provides.

10 District Committees; Powers. Amend RSA 53-B:8 to read as follows:

53-B:8 [Regional] District Committee. The powers, duties, and liabilities of a [regional] refuse [disposal] district shall be vested in and exercised by a [regional refuse disposal] district committee organized in accordance with the *district agreement*. *The district committee shall authorize and govern all actions of a district, and the district committee's actions which are consistent with the district agreement and this chapter are binding on member municipalities without any additional action by the governing or legislative bodies of those municipalities. A majority of district committee representatives shall constitute a quorum, unless the district agreement provides for weighted voting, in which case a quorum shall consist of representatives holding more than 50 percent of the voting power. A simple majority of the voting authority present shall be sufficient to approve an action by the committee except as otherwise provided in the district agreement and with the following exceptions. An affirmative 2/3 vote of the total votes of the district committee shall be required to authorize the incurrence of long term debt or the dissolution of the district.*

II. The committee shall choose a chairman by ballot from its membership. It shall appoint a secretary and a treasurer, who may be the same person, but who need not be members of the committee, *and such other officers as may be provided for in the district agreement*. The treasurer shall receive and take charge of all money belonging to the district and shall pay any [bill] *debt* of the district which has been approved by the committee. The treasurer may, by vote of the committee, be compensated for his services. *Proceedings of the committee shall be held in accordance with RSA 91-A.*

III. *The committee shall send to the member municipalities, by January 31 of each year, an annual report on the general activities and affairs of the district, including a detailed financial report.*

11 Capital Reserve Fund. Amend RSA 53-B:8-a to read as follows:

53-B:8-a Capital Reserve Fund.

I. A [regional refuse disposal] district may establish a capital reserve fund for the orderly replacement *and closure of any existing facility, including associated* buildings and equipment, which [have] *has* been approved under RSA 53-B:7, [IV] **VI**. The district committee shall invest all monies in said fund in the same manner as capital reserve funds of towns are invested pursuant to the requirements of RSA 35:9. The members of said committee shall serve as the trustees of the capital reserve fund. The trustees of the fund shall post bond in such amount and in such form as the New Hampshire commissioner of revenue administration shall prescribe.

II. The proposed annual contributions to the capital reserve fund shall be set forth in the budget of the district, and the trustees shall annually within 3 months of the close of the fiscal year of the district file an account with the selectmen of the towns and the city council of the cities comprising the district setting forth the amounts held by the trustees, the manner in which they are invested, and the purposes for which they are held. The trustees may, from time to time, vote to expend any funds held by them for the replacement *or closure of any existing facility, including associated* buildings and equipment, required by the district without further vote of the [towns] *municipalities* comprising the district.

12 Adoption of Budget. Amend RSA 53-B:9 to read as follows:

53-B:9 Adoption of Budget; Apportionment of Expenses. Annually, the [regional refuse disposal] district committee shall determine the amounts necessary to be raised to maintain and operate the district during the next calendar year, and the amounts required for payment of debt and interest incurred by the district that will be due in the next year. *The committee shall adopt a budget for the upcoming year no later than December 31.* The committee shall prepare a budget and make a preliminary apportionment of the amount so determined among the [several] member [cities and towns] *municipalities* in accordance with the terms of the *district* agreement. Prior to December 31 of each year the district committee shall hold at least one public hearing at some convenient place in the district on the amounts required in the budget and the preliminary apportionment of the amounts listed in the budget. At least 7 days notice of the meeting shall be given by publication of the budget and apportionment in a newspaper of general circulation within the district, and by posting a copy of the budget and apportionment in a public place in each [city and town] *municipality* in the district. After the hearing the committee shall adopt a budget and make a final determination of the apportionment among the member [cities and towns] *municipalities*. After the committee has adopted the budget and determined the apportionment of the expenses, the [regional refuse disposal] district treasurer shall certify to the [selectmen of the towns and the councils of the cities in the district] *governing body of each member municipality* the amount of money assessed each member [town and city] *municipality*. The [selectmen of each member town and the council of each member city] *governing body of each member municipality* shall seasonably assess the taxes to be raised to pay the apportionments. The [city or town] *municipal* treasurer, shall pay to the district the amount so apportioned at the times specified in the *district* agreement.

13 Audits. RSA 53-B:10 is repealed and reenacted to read as follows:

53-B:10 Audits. The district committee shall hire a certified public accountant or a public accountant licensed by the state under RSA 309-A:8 to conduct a financial audit, in accordance with generally accepted governmental auditing standards as adopted by the U. S. General Accounting Office and applicable state statutes, to be completed within 6 months after the close of each fiscal year. Upon completion of an audit, the district committee shall review and vote on acceptance of the audit and send a copy of the audited financial statements, the auditor's opinion on those statements, a report on internal control, a report on compliance, and any other auditor reports to the governing body of each of the member municipalities and to the department of revenue administration. At least every 2 years, the district committee shall vote on whether to contract for a performance audit of the district in accordance with the generally accepted governmental auditing standards. Upon completion of a performance audit, the committee shall review and vote on acceptance of the audit and send a copy of resulting materials to the governing body of each of the member municipalities.

14 New Sections; Tax Exemptions; Severability; Applicability. Amend RSA 53-B by inserting after section 11 the following new sections:

53-B:12 Tax Exemption. All bonds and notes, and the interest thereon, heretofor or hereafter issued by a district formed under the provisions of RSA 53-B or of any general or special act, heretofor and hereafter enacted, shall be exempt from taxation in the state of New Hampshire.

53-B:13 Severability. If any portion of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

53-B:14 Existing Districts. Districts formed by municipalities under prior law shall continue to operate under the prior law and existing district agreements. A district may utilize any additional provisions of this chapter by amending its district agreement in accordance with the amendment process contained in its district agreement.

15 New Section; Exclusion From Debt Limit. Amend RSA 33 by inserting after section 6-d the following new section:
